Treason-In general, it is the offense of attempting to overthrow the government of the state to which the offender owes allegiance, or of betraying the state into the hands of a foreign power. –[Webster's 1828 Dictionary](#)

Nobody likes to be lied to, but boy have we been lied to and how many times we have been lied to is beyond what can be numbered, I'm certain (Exodus 20:16). And for some reason or another, Americans will suffer the abuse rather than righting the wrongs (Proverbs 15:32).

The Declaration of Independence tells us:

“...and accordingly all experience hath shewn that mankind is more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed.”

You have heard that saying, “Fool me once, shame on you. Fool me twice, shame on me.” How many times do Americans need to be lied to before they shame those who are lying to them?

Our forefathers taught us (Hebrews 13:17) through their example how we are to lawfully deal with corruption.

Declaration of Independence once again teaches us as to how

our forefathers dealt with corruption,

“But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.”

How many times one can warn a people that refuse to take heed to the warnings, I know not (Ezekiel 33:3). However, one thing I do know is that regardless if one takes heed or not, it is still happening, and sooner or later, there is going to be consequences to those who refuse to listen and act accordingly (Ezekiel 33:5).

One of the warnings is to those who refuse to pay attention to the fruit of this administration (Matthew 7:16).

We find that in the American politic today that the “circus of politics” is just that, a circus filled with clowns who are willing to sell their souls (Luke 22:48) and their country, along with the people, to special interest groups (Isaiah 28:18).

This is where the actors, politicians, act out on the behalf of their special interest groups in pushing a global agenda

that the people would otherwise refuse to adhere. What do the powers that mean to rule do. They create a likable and favorable politician, at least publically, that the people will follow to do their biddings for them.

On May 6th I wrote, "Contrary to What You Have Been Promised, Your Country is Literally Being Handed Off to Foreigners," in which I highlighted William Gheen's finding's on the [Top 10 List of Trump's Broken Campaign Promises](#).

1. [Trump reversed his campaign position of reducing legal immigration levels and now supports raising legal immigration levels according to his State of the Union Speech](#) of Feb 5, 2019. Trump also signed a legal immigration increase of unskilled H2B visas in the Amnesty containing secret budget bill [J.Res. 31](#). New reports indicate his [son-in-law Jared Kushner's new immigration legislation](#) will contain more legal immigration increases that will harm American workers.
2. Trump promised caravan illegals could not come into the USA. ([Caravan illegals allowed to enter the US under Trump's Catch and Release directives](#).)
3. Trump promised to end Obama's unconstitutional DACA Amnesty on his first day in office. (Trump continues DACA Amnesty giving deportation protection and jobs to more than 700,000 illegal aliens in violation of existing federal laws!)
4. Amnesty Don: Trump promised to oppose Amnesty. (Trump endorsed Amnesty legislation HR 4760, signed Amnesty for illegal immigrant minors in the secret budget bill [J.Res. 31](#), [Tweeted he is open to larger Amnesty on Jan 20, 2019](#), and has [deployed his son-in-law Jared Kushner to cut a deal with Democrats to give Amnesty to millions of illegals](#).)
5. Trump promised an Executive Order to end birthright

citizenship for illegals to rally his base just before the 2018 elections. (No Order Issued.)

6. Trump promised all illegals, including DACA recipients, would go home. (Trump now supports Amnesty via HR 4760 and HJ Res 31 which allows most illegals to stay.)
7. Trump promised DHS would clean up elections fraud when he canceled the Kris Kobach led Commission On Elections Integrity. (No DHS Action.)
8. Trump promised to end Sanctuary Cities. (No Action on that and now Trump delivers more illegal aliens to Democrat strongholds where they receive maximum taxpayer benefits and protection from deportation.)
9. Trump promised to end catch and release of illegals. (Catch and release continues.)
10. (UPDATE FEB 18, 2019 TRUMP SIGNED EMERGENCY ORDER)– Trump said he would declare an emergency and have the military build the wall. (No action till Feb 18, 2019) Trump's border wall promise remains 90% broken because a wall will not work as long as Border Patrol catches and releases illegals and escorts them into the USA.

Then on June 9, Tim Brown, Senior Editor at The Sons of Liberty Media reported, "This Is Not The Obama Administration: Homeland Security Releases 196,000 Illegal Aliens Into The Population, Many Receiving Work Permits."

"As we've reported before, the Trump administration talks tough on illegal immigration, but what is actually going on rivals the impotence and downright criminal actions against the people that the administration under the [usurper Barack Hussein Obama Soetoro Sobarkah](#) did in [releasing illegal aliens, some of them convicted felons, into the US population](#). in just the past week, the administration

released 5,500 and in the past 5 months, they have released nearly 200,000 illegal aliens into American cities.

The information was obtained through federal data by [Breitbart](#), certainly a supporting outlet of President Trump.”

According to John Binder:

The catch and release process often entails federal immigration officials [busing](#) border crossers into nearby border cities – as well as [flying them into](#) the interior of the country – and [dropping them off](#) with the hope they show up for their immigration and asylum hearings. The overwhelming majority of border crossers and illegal aliens are never deported from the country once they are released into the U.S.

Today, there are anywhere between 11 and 22 million illegal aliens living across the country – the majority of which are concentrated in states like California, New York, Florida, Texas, and Illinois.

In the last week, about 2,500 border crossers and illegal aliens of the 5,500 released were dropped off in El Paso, Texas. Another 1,100 were released by DHS in San Antonio, Texas and another 1,100 were left in 1,100 Phoenix, Arizona. Since December 2018, El Paso has been forced to absorb nearly 70,000 of these nationals, while San Antonio has had to take 73,100.

Roughly 800 border crossers and illegal aliens were dropped off in San Diego, California in the last week.

Adding to the agenda that is being rolled out, we find Mitch McConnell and Lindsay Graham are working behind the scenes drafting legislation to further benefit them that are illegally coming into this country.

Criminal politicians, as well as illegal invaders, are endangering American lives. Today, we are seeing this country literally being handed off to those who mean to get above you, while Americans are being brought very low (Numbers 32:23; Deuteronomy 28:15, 43, 52).

If this is not the definition of treason, then I do not know what it means.
