

A Lesson From Tbilisi As How To Stop The Criminal Sodomite Agenda

"Keep my commandments, and live; and my law as the apple of thine eye." -Proverbs 7:2

We all know that American law is predicated upon Common Law, God's Torah. We also all know in this country that sodomy is against God's law. Furthermore, He calls it an abomination (Leviticus 18:22, 20:13). The whole agenda is premised upon man-boy sex, and this is something that no one can deny (Luke 17:2).

Watch the beginning of the video below.

What Americans tolerate, foreign countries are not tolerating. Apparently, too many people in this country have forgotten from where they have come (Jeremiah 6:16).

In Tbilisi Georgia (Georgia is a country in the Caucasus region, on the coast of the Black Sea. Sometimes considered a transcontinental country, it is located at the intersection of Eastern Europe and Western Asia, and is today generally regarded as part of Europe), the Orthodox Church rose up in opposition by protesting these sodomites.

Interesting, is it not, that while they put a stop to the crimes there in that country, the American pulpits (Over 300,000) remain silent in standing up for their own children in their own. This is a lack of Christianity.

How the American people have let this country go is ungrateful, reproachful, shameful, and despicable, to say the least.

The video below says enough for all the world to understand what the purpose of the Church is on this earth (Ephesians 5:11). “Keep my commandments, and live; and my law as the apple of thine eye” (Hosea 4:6; Proverbs 7:2).

Enough said.
