

A Religious House Built on Sand

By Pastor Glynn Adams

September 29, 2024

Folks, we are in a serious spiritual war. They are coming after us and our children. The pastors and our churches must get involved in this spiritual war by resisting this evil and proclaiming the truths of the Word of God. Everyone who names the name of Jesus Christ as their Lord has a spiritual responsibility to get involved and each of us has been given a purpose by God that we are to fulfill!!! (Psalm 139:16)

America has most of her church houses built not on Christ but sand. Neither did Christ build our churches but aggressive false pastors are building our churches, using any method of man available to get numbers. The Bible calls this selfish ambition and says where you have selfish ambition this wisdom is not from above but is earthly, natural, and demonic and where jealousy and selfish ambition exist, there is disorder and every evil thing. (James 3:14-16). No wonder our churches refuse to deal with evil. No wonder our pastors and churches do not cast out Satan. Is it any wonder why our pastors and churches no longer influence our nation with the gospel of Jesus Christ and are no longer making disciples of Christ!!!

The result is we no longer make disciples of Christ but disciples of our religious denominations. Jesus said in John 8:31-32, "If you abide in My Word, then you are truly disciples of Mine and you shall know the truth and the truth shall make you free." Jesus said, "He who is of God hears the

words of God; for this reason you do not hear them because you are not of God.” (John 8:47) Jesus said in Matthew 7:26-27, “And everyone who hears these words of Mine and does not act upon them will be like a foolish man who built his house upon the sand.” Here we are, we are not disciples of God because we do not abide in the Word of God, we do not keep the Word of God because we are not of God, and not only are we not hearing God but we are building our churches on sand that will not withstand the storms of life.

No wonder evil is overtaking our nation. We make false claims that we love God but we do not love one another or abide in Christ. We claim we abhor abortion so we picket them rather than bring down their demonic stronghold of Planned Parenthood that provide them resources and we provide no moral compass to our youth nor do we disciple them to resist Satan and his ways, so they go into the world unprepared and in sin, they are being destroyed with immorality, sex, drugs, and suicide. Death in the womb or death to a teen is shedding of innocent blood.

We are divided up into sectarian groups and denominations, and could care less about the person attending other churches. We have pastors who dream of mega churches and will compromise the gospel to gain numbers. We have more mega churches in the Dallas/Fort Worth area per square inch than most cities. Yet, our cities here with all these mega churches are being overtaken by evil, people turning to Socialism, the cities vote blue, they are violent, crime ridden, and have no moral basis.

We don't need more mega churches. We need to declare an act of war to topple these man-made religious empires led by those who are traitors to their original calling and allow Jesus to raise up churches built on the Rock by people who hear God and act on His Word, and live by every word that proceeds out of the mouth of God. We call the Democrats wicked but God says we should turn from our wicked ways.

I tell you God is issuing a fair warning to America. He is recruiting those who will abandon these corrupted forms of religion in our cities and nation that many believers are clinging to!!!! He is sending out a call to submit to preparation for these last days – to obey the LORD Jesus Christ. If you do not come out from among this religious mess we have in this nation, then when God's judgment "really" starts at the House of God, you will be judged and destroyed with them. The judgment facing America will not only be to get our attention but for some it will be punitive. Leave the Democrats along for they do what their father tells them to do. Christians, you do what your Father tells you to do in the Word of God and God will judge the Democrats but not if He has to judge us.

And I will remind you coward pastors who refuse to preach the whole council of God, who refuse to train up an army of God to resist this evil in our nation, and who refuse to address this culture in America with the Word of God, you, Mr. Pastor according to Revelation 21:9, cowards will be one of the first cast into hell. Time for playing religious and sectarian games are over. Some serious difficult days are ahead and will be worse with God's judgments. God has not gotten our attention and we have not repented of our spiritual foolishness so our rude awakening is here and will increase unless we come to our senses!!!

America was founded by Christians. Our history proves God has His hand on America. Since 1964, our churches have moved into disobedience and religion. Since man has sought to build his mega church kingdom in this nation, we have fallen as a nation. We have some good pastors and churches and God is going to honor His remnant in America. If you think God will continue to tolerate this false Facebook Christianity and this man-made flesh, carnal, and demonic mess we call church today and let His Name continue to be dishonored in this nation, you are deceived.

God is raising up His remnant and leaders for a time such as this to deal with the evil in this nation and if you truly love Jesus, you are being warned to come out from among this religious mess before it is seriously judged and you get caught up in it!!! “Those who hate the LORD by pretending obedience to Him and their time of punishment will be forever.” (Psalms 81:15) The days of pretenders going to a building on Sunday and not being committed and living by every Word that proceeds out of the mouth of God which leaves this nation without a moral compass and no resistance to evil, is fast but surely coming to an end.

You are not a Christians because you say you are a Christian but what proves you are a Christian is that you abide in the Word and live in obedience to every Word of God. By that fruit anyone can tell if your Father is God or your father is Satan!!! I sure hope this article helps your fear of God!!!! It sure helped mine since I was obedient and published this warning God admonished me to give this message to the pretenders and His Body.

Now I want to end this article and explain that every person created by God has a purpose. At the end of the age, all of us will answer to God how we completed our purpose in this life. Your purpose is recorded by God in a book in heaven. There are many books in heaven and one of the main books, however, is what can be called the books of destiny or purpose. “Your eyes saw my substance, being yet uniformed. And in your book they all were written the days fashioned for me, when as yet there were none of them.” (Psalm 139:16)

This verse says God wrote down in a book, my substance, my DNA – what makes me who I am. It is speaking of my likes and dislikes, my gifting and abilities, what I am good at and not good at. So what is in my book is my prophetic destiny and purpose that God saw of what I was to be for being alive on this earth. To discover our prophetic destiny and purpose, we should then pay attention to our innate desires. These can be

significant clues to uncovering what we exist for. (Robert Henderson)

“In Him, also we have obtained an inheritance, being predestined according to the purpose of Him who works all things according to the counsel of His will.” (Ephesians 1:11) (Predestination here simply means there was a plan for our lives) “For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them.” (Ephesians 2:10) “Who has saved us and called us with a holy calling not according to our works, but according to His own purpose and grace which was given to us in Christ Jesus before time began.” (2 Timothy 1:9) God needs us to live out what is in our book of destiny so His purpose can be completed in this realm. If Satan can thwart enough of us from fulfilling our destiny, he can frustrate the purposes of God on the earth.

An example of this is recorded in the Old Testament in Numbers 14:31-36-33. The children of Israel came out of bondage in Egypt and God sent them into the wilderness, I believe, to get Egypt out of them before entering the Promise Land. While in the wilderness, the children of Israel delayed the purposes of God because of their unbelief and disobedience to God. So God raised up another generation to fulfill His will and purpose. As the Book of Numbers tells us that older generation's corpses fell in the wilderness and they suffered for this unfaithfulness. As Hebrews 3:8-11 says they did not enter in His rest.—

Our generation today is doing what the generations did in the Old Testament. We are disrupting God's purpose in America and have been for years. Jesus said He would build His church. But Pastors for several years now have been successful building their mega churches but at what cost? They water down the Word of God. Preach smooth words and positive sermons so as not to offend anyone. As Mario Murillo says, “People are tired of big screens, skinny jeans, and smoke

machines.” The people are tired of compromise, no teaching to lead them to be conformed to the image of Jesus Christ. The bigness of it all and the entertainment of it all has disrupted God’s purpose and will for America.

I have no idea how God is going to correct this foolishness and compromise called religion. I know for a fact He is in the process of raising up a new generation of Christians, baptized in the Holy Spirit, making disciples, winning the lost, resisting evil, casting out demons and pulling down strongholds. Many of these Christian are at work as I speak. This next move of God will not be church growth. The mainline denominational churches will not like this new move of God at all. These new generation of Christians will declare war on religion and those who promote it. Multitudes will leave these fake mega churches and many will continue to close. Those in religion will miss this great move. The season to repent is now!! This end time great awakening will be exciting, led not by man but the power of God. It will be God’s finest hour in America and around the world. Show love and compassion to the rioters and disenfranchised blacks and millennials and others. They don’t know it yet but many will spearhead this mighty move of God!!! *“God bless, I remain His servant and watchman”*, –Glynn Adams
