

A Rude Awakening is Headed Our Way

By Pastor Glynn Adams

“For My people have committed two evils: They have forsaken Me, the fountain of living waters, to hew for themselves cisterns – broken cisterns that can hold no water.” (Jeremiah 2:13)

Almost everyone throughout the nations, except our enemies, want things to get better in America. But the problem is that few want to face the reality of where we are today spiritually and how we got to where we are today. We love our religious systems so much we don't want anyone to come into our sectarian religious sects and change anything – including God!!! The reality is people in America have done two evil things: We have forsaken God who gives peace and the living waters of life and we have made for ourselves, religious systems that forget sin, cannot resist evil, or produce the good spiritual things of God.

I don't think we know very much about the nature of God in the Old Testament and the New Testament!!! God hates sin!!! What happens when men disregard the truth of the Word of God and the sacrifice of Jesus Christ? The greater the knowledge; the greater the sin. The modern-day religion has taken away the threat and condemnation of sin. In America, we have made God in our image and we feel no threat or condemnation of our sin today and we have absolutely no fear of God!!! This is spiritual suicide!!!!!!

For many years, many watchmen of God, including yours truly, have been warning and begging the people in America and especially the Body of Christ, that we have drifted more each day toward a false religion and a form of godliness and away from the ways of God. But no one was listening nor were we paying attention to the extreme judgments of God that were bearing heavily on this people and nation. Instead, we continued to attend these false religious systems and play our religious games.

God gave us 9/11 as a wakeup call to get our attention but that did not work. Then He gave us an economic crisis in 2008, but that did not work either. Then God gave us an evil leader as President to get our attention but that failed. God has sent us crisis after crisis and we have totally ignored His warnings. The Body of Christ in America is still sound asleep, unfaithful, and disobedient. We refuse to repent of our evil ways and we refuse to resist the evil before us. Even today we are not turning to God for help because we think a new President will help us. "Know therefore and see that it is evil and bitter for you to forsake the Lord your God. And the dread of Me is not in you declares the Lord God of hosts." (Jeremiah 2:19b)

A rude awakening or "times of sorrows" are coming upon America because we have not listened to the warnings of God. These rude awakening and sorrows will include more terror, violent social unrest, economic collapse, more wars, acts of God in weather, fire, and floods. Persecution of Christians in this nation will increase, our Constitutional crisis will get worse, tyranny will increase, our bondage will increase, food and water shortages are highly likely, and God will bring back the diseases of the world upon America. Most of these rude awakenings and sorrows are already at work in this nation and will intensify. In these times, little else will matter but survival. America's mercy, grace, and peaceful times are running out.

Do not be fooled or deceived about these rude awakenings and sorrows. Do not falsely place the blame on the President, our Congress, on liberal Democrats, the Muslims, or any other thing that comes to mind. If the Body of Christ knew God, the Word of God, and the history of God in the Old and New Testaments, we would know where the blame for these rude awakenings and sorrows is and act accordingly. The responsibility for these "rude awakenings" and "time of sorrows" rest solely upon the Body of Christ in America because we have been unfaithful and disobedient to God.

The Body of Christ can deny this, ignore this, and disregard the watchman's message as you have done in the past but the truth is clearly in the Word of God. God truly blesses His People when they are faithful and obedient to Him but brings judgment on them when they are not. When the Body of Jesus Christ ignores God's warnings, His mercy, His grace, His love, and His goodness to lead us to repentance and we refuse to repent, then His consequences are always certain and harsh as attested by the Word of God.

Can these sorrows be averted? The Word of God tell us "repentance, faithfulness, and obedience" calms an angry God. I don't know about you but I am not too proud to confess my sin, humble myself to God, to fear God, and to obey God, repent of my wrongful and evil ways because I want God to be pleased with me and on my side when sorrows come. That is my choice and you have yours!!!!

But God continued to send watchman to warn but we would not heed to the correction of God. God even gave us an imperfect leader who loved the church and Israel to give the church protection as we were to get our spiritual house in order to enter this war of Satan against the Body of Christ in America. God gave us peace, gave us oil independence, closed the border, better trade agreements with nations, high employment, and more money in our pockets.

But what did the Body of Christ in America do? We missed our day of visitation; we made an idol out of our President, and cheered him on to make America Great Again. We did not get our spiritual house in order and we did nothing!!! So, our loving God who is a God of justice also, took our judgment to another level. In the election, God took away our leader who was friendly to the Body of Christ and gave us a leader that was not friendly to anything we hold dear in this nation.

We now have a President who can't think or reason but that is not near as dangerous to our nation as the stiff-necked, rebellious, and stupidity of the Body of Christ in America!!! So how have we responded to all of this? Not only have we not repented and changed our ways but we are eagerly looking to the world system – the coming elections – to make things better in America.

We don't listen to God, we don't take corrections, we won't repent, and we still support and defend our religious systems. We love our false pastors who feed us milk and bless us with their seeker– friendly messages that feed and satisfies our flesh. False pastors who won't challenge our problem with sin and false doctrine, who won't equip us for war or teach us how to resist evil overtaking this nation. False pastors who can't see a world past their religious systems as well as a people who can't see past their problems and religious systems. According to Jeremiah 23:21-23, if God sent these pastors, they would have stood in the Council of God and announced His words to His people and would have turn them back from their evil way and from the evil of their deeds. In our wickedness and evil, we still want the promises of God without meeting the conditions to get the promises.

A good tree cannot bring forth bad fruit and a bad tree cannot bring forth good fruit. Jesus said you will know them by their fruit!! Just look at our bad fruit and what has happened on our watch: ungodliness, violence, and immorality has increased in the land. Our God has been dethroned in America, Satan

rules America, our culture polluted,, our heroes defiled, our values assaulted, our children being destroyed, gender confusion, sexual perversion, no moral compass in the land, marriage redefined and defiled, no Bible allowed in the land, no prayer allowed in the land, no law of God allowed in the land, no justice in the land, evil is all over us, cursed with lawlessness, cursed with debt, cursed with the invasion of aliens, cursed with drugs and pharmaceutical medicines, cursed with sickness and diseases, cursed in our cities, cursed with suicides, and cursed with bad leaders and politicians and I could go on and on and on.

If we understood the nature of God, we would not do all this evil. All we talk about in the Body of Christ in America is the love of God. But I remind you that the angels that worship around the throne of God are not saying, love, love, love but holy, holy, holy. God is love but He is also a holy God and a just God who demands justice. God has anger, wrath, hates sin, can be provoked, corrects, and judges. If we had a fear of God we would repent and change our religious ways.

Body of Christ in America, we cannot continue like this. In our disobedience to God and our false religious ways, according to Hebrews 10:26-31, we have trampled underfoot the Son of God, we have regarded as unclean the blood of the covenant, and we have insulted the Spirit of grace. Our sin before a Holy God is we have failed to realize the sacredness of the sacrifice of Jesus on the Cross!!! Sin is not mere rebelliousness against the Law; sin is the wounding of the love of Jesus Christ. Our Comforter who is our Helper who guides us to all truth, teaches us right from wrong, we in America who have systemically ignored and disregarded His voice and warnings which is an insult to the Holy Spirit of God.

“For if we go on sinning willfully after receiving the knowledge of the truth, there no longer remains a sacrifice for sins but a certain terrifying expectation of judgment and

the fury of a fire which will consume the adversaries. Anyone who has set aside the Law of Moses dies without mercy on the testimony of two or three witness. How much severer punishment do you think he will deserve who has trampled under- foot the Son of God and has regarded as unclean the blood of the covenant by which he was sanctified and has insulted the Spirit of grace. For we know Him who said, 'Vengeance is Mine, I will repay' and again, 'The LORD will judge His people.' It is a terrifying thing to fall into the hands of the living God." (Hebrews 10:26-31)

Perhaps the ultimate judgment is already on us in America. For years now Satan has been coming after our seed – our children, grandchildren, and great grandchildren in daycare, kindergartens, elementary schools, high schools, universities, Disney, programming on TV, movies, media, cell phones, music, in all areas of our culture – there is nowhere to hide!!!!!! Our children are being bombarded from kindergarten to university on hardcore sex education, homosexuality, lesbianism, masturbation, oral sex, being coached on gender change and making them available for interviews without parent's knowledge, and men can have babies.

We are paying for the mental and moral destruction of our seed. I have been warning parents for years now and sex education gets worse every year. I see no evidence that most parents really care. Nothing has been done by parents. Like other evil in America, we tolerate it. It has been proven what a nation tolerates, seldom do they ever change it!!! Of course, the churches are silent. Until parents get mad and angry, and fed up with this spiritual mess not much will change. Parents, you will be held responsible by God for what your children are taught and who teaches them. Wakeup!!!! God bless, I remain His warrior and watchman, Glynn Adams
