

Activities In the Last Days

By Glynn Adams

We are truly in the last days of time. Perhaps we are even in the last of the last days. In 2 Thessalonians 2:3, the Bible says, "Let no one deceive you in any way for it will not come unless the apostacy (a great falling away) comes first..." Well, if you take a close look at the New Testament Church in America and around the world, you will see a great falling away from God but many are still attending church. But the churches are mostly dead because they are not following the Word of God and many have adopted "another Jesus."

None of this is happening by accident. "Why are the nations in an uproar, and the people devising a vain thing? The kings of the earth take their stand, and the rulers take counsel together against the Lord and against His anointed. Let us tear their fetters apart and cast away their cords from us!?" (Psalms 2:1-3)

"But certain persons have crept in unnoticed, those who were long before hand marked out for this condemnation, ungodly persons who turn the grace of our God into licentiousness and deny our only Master and Lord, Jesus Christ." (Jude 4)

Never have I seen so many false pastors and teachers in our churches as I am seeing today. Get into the Word and check out these false pastors and teachers. If they are spewing lies, leave that place immediately. 2 Peter 2:1 says, "But false prophets also arose among the people just as there will

also be false teachers among you who will secretly introduce destructive heresies.....” 2 Timothy 4:3, “For the time will come when they will not endure sound doctrine but wanting to have their ears tickled, they will accumulate for themselves teachers in accordance to their own desires; and will turn away their ears from the truth, and will turn aside to myths.”

In most churches today, that is where we are – false pastors teaching heresies and people turning away their ears from the truth. We are screaming why don't the church get involved in the culture and resist the evil overtaking this nation – now you know why!!!! Get out of those churches and from those false pastors for they are setting people up to accept the Mark of the Evil One.

“For false Christ and false prophets will arise and will show signs and wonders, in order, if possible, to lead the elect astray. But take heed; behold, I have told you everything in advance. (Mark 13:22) In Matthew 24:11, Jesus says the same thing but adds, “But he who endures to the end, he shall be saved.” “HATH GOD REALLY SAID? Yes, we just read the scriptures!!!!

Folks, this is not complicated unless you ignore the reading of the Word. If you want to know what God is going to do or what is going to happen in the church or in our culture or nation in the last days, READ THE WORD!!!! “He who believes in Him is not judged; he who does not believe has been judged already, because he has not believed in the name of the only begotten Son of God. And this is the judgment, that the light is come into the world and men loved the darkness rather than the light for their deeds were evil. For everyone who does evil hates the light, and does not come to the light, lest his deeds should be exposed. But he who practices the truth comes to the light that his deeds may be manifested as having been wrought to God.” (John 3:18-21)

Folks, God is telling you in these Scriptures that if you play

games in church and with God, these false teachings, false workers, and false gospel will deceive you and suck you into their new false path and you will take the mark and forever be damned in hell!!!! This is no game here, it's serious – life or death, heaven or hell, saved or lost, blessed or cursed, light or darkness, right or wrong, truth or lies. This is not “Ho Hum” but serious stuff. People are being turned away from the real Jesus to “another Jesus” every day here in America. Jesus said, “I am the way and the truth, and the life; no one comes to the Father but through Me.” (John 14:6)

There is a movement going on in our nation and churches today that is dangerous and life changing!!!! It is the Marxists Ideology. Years ago, Professor Antonio Gramsci schooled Karl Marx on how to take over a nation without a revolution to avoid destruction of that nation. Infiltrate secretly into a nation, corporation, government. or department with a goal of putting their agent as head. Then he can put his people into places of influence into that nation, corporation, government, or department. Soon you will have a Marxist Ideology in place to change the thinking and function of that nation, corporation, government, or department and no one will realize what has happened!!!

That is exactly what has happened to our nation. In the early 1900s, Andrew Carnegie, John D. Rockefeller, and J. P Morgan sought to establish a New World Order government in America.

These men were very evil, powerful, and very rich. Their influence was enormous throughout the world. They laid the ground work – first they got the Federal Reserve Act passed. A banker's cartel who said give me the control of the money supply in a nation and I could care less who the President or Prime Minister is.

Then they laid the ground work to take control of the education system. Which they eventually accomplished and the rest is history. Saul Alinsky and the Frankfurt School in the sixties started infiltrating into our institution to gain

control of them. They continued with education, then government, Congress, the boards of our corporations, churches and seminaries and other areas that had the most influence in our culture – media – TV and news stations, movies, video games for kids, and on and on.

Needless to say, these Marxists have changed America. Did not Jesus Christ commission His church to make disciples, exert influence in our nation, to change the thinking of our nation, and to change the people to the ways of God? The answer to that question is yes, He did. But in the last 75 years, the Marxists have made more disciples of Marxism and influenced our nation to the ways of Karl Marx than the church has made of Jesus Christ. We have no right to blame anyone – not Democrats, Rino Republicans, or anyone else but ourselves for the spiritual mess our nation is in today!!!

The truth of the matter is that pastors have not equipped the disciples of Christ for the work of service so they will know how to minister the things of God in our culture. Christians, on the other hand, have not studied the Word of God and have sat on their butts and allowed Satan to capture this nation. So, the gods of Egypt and Babylon and the demons and their demonic strongholds now rule over our nation rather than God!!! Shame on us!!! Where is our repentance for our disobedience to our Sovereign God?

Are we going to repent and surrender in obedience to Jesus Christ and begin a process of resisting this evil that has captured and overtaken our nation? Not only that but evidence abounds that many of our Pastors and churches leaders are into this Marxists Ideology. In his book, “Religious Trojan Horse,” Brannon Howse exposes Pastors who espouse the ways of Marxism in their churches and organizations. I shall do the same in this article so they may come to the light. “For everyone who does evil hates the light, and does not come to the light, lest his deeds should be exposed.” (John 3:20)

Now we know why pastors and churches refuse to resist the evil overtaking our nation and why there is no preaching about what is going on in our culture. Jesus said, "Satan does not cast out Satan." Folks, we have many pastors and churches in the camp of Satan. The Bible predicted the Religious Trojan Horse, and Christians are called to expose it!!!

Here is a list by Brannon Howe of organizations and pastors who preach another Jesus: These are household names. As always, be careful who you listen to or receive information from!!!! Pastor Rick Warren, Council on Foreign Relations, Richard Land of Southern Baptist Convention, Dominion Theology also known as Kingdom Now, New Apostolic Reformation (NAR), C. Peter Wagner, Paul Crouch, Glen Beck, Todd Bently, Robert Shuller, Lou Engle, International House of Prayer (IHOP), Mike Bickle, Kansas City Prophet Movement, Paul Cain, Earl Paulk, Ted Haggard, Barbara Mark Hubbard, Emergence Church Movement, Bob Buford, Brain McLaren, Jim Wallis and on and on and too many to name in one article. There is so many preaching on the occult and New Age and another Jesus – so again, be careful who you listen to!!!

Christianity – the deepest, most meaningful and awe-inspiring force ever, the magnificent driving force behind Western Civilization, and the transcendent hope of mankind's future – has been dumbed down by such as these, into a caricature, a comic book religion. We have reduced Christianity to going to a building, we are no longer making disciples, teaching and equipping them for the work of ministry, we no longer preach what is going on in our culture or resist evil and too many do not share the gospel with their neighbor, and many are living in sin.

Just turn on your radio or TV and listen to how the time-honored altar call, responsible for introducing countless souls to the Christian life, has been turned into a shallow, irreverent recruitment effort. I am convinced this modern-day recruitment effort is the reason our churches are full of

non-believers. We have turned Christianity to an insurance policy instead of a changed way of life and obeying the LORD Jesus and the Word of God. Whatever happened to sincerity, obedience, commitment, submission, faithfulness, and allegiance to the LORD Jesus Christ to change your life and those to whom you encounter!!!!

The Body of Christ in America, with obedience to the Holy Spirit, is going to clean up this spiritual mess we have allowed and tolerated in this nation or God is going to judge us and our punishment will be swift and very painful as no other in this world. We have allowed Satan to steal our "paradise" just like he did with Adam and Eve and God will not hold us guiltless!!!! "Silence in the face of evil is itself evil; not to speak is to speak; not to act is to act." (Pastor Dietrick Bonhoffer, Germany 1933).
