

After Brussels massacre: shut down all Muslim immigration into America

After Muslim immigrants blasted Brussels' main airport into millions of glass shards and metal shrapnel—it's time to shut down all Muslim immigration into America. For that matter, shut it down in all western countries like Canada, Europe and Australia. Muslims prove themselves too violent to dwell in civilized countries. As their numbers grow, their violence accelerates.

Thirty-one innocent people died and 300 suffered life-threatening blast injuries. The people of Brussels, Belgium didn't deserve that terrorist attack. They welcomed Muslims into their midst for the past 40 years. In fact, Muslims stand on the verge of turning Belgium into an Islamic caliphate, also known as a "new Islamic state." Sooner or later, native Belgians expect to lose their country to the Muslim immigrants.

What exactly does it take for Western leaders to understand that Muslims follow the most violent religion on the planet: Islam's teachings via the Koran. It advocates violence toward everyone: "Convert or kill all non-believers."

Since the 1972 Olympic slaughter of athletes by Muslim terrorists, the litany of Muslim attacks on Western countries grows in numbers and magnitude. None of it makes sense. France hosts five million Muslim immigrants, but suffered Charlie Hebdo as well as the Paris massacre and 70 'no go zones' of Islamic violence. Muslims create separate countries within host countries. A whopping 90 percent of Muslims live on the backs of working Europeans via welfare. Muslims NEVER assimilate into host countries; but in fact expect to take

them over.

“Islam isn’t in America to be equal to any faith, but to become dominant. The Qur’an should be the highest authority in America, and Islam the only accepted religion on Earth.” Omar Ahmed, director of Council on American Islamic Relations.

Muslims decapitate citizens walking down the street in London, England. They march against the police. Muslims rape and violate Swedish, German, Spanish, Austrian, French, English and German women. Muslims plant bombs on subways. They plant bombs on airplanes. Muslims run down their daughters, known as ‘honor killings’ for wearing jeans in Phoenix, Arizona. (Source: February 21, 2011; “Noor honor killing in Phoenix, Arizona.”)

Muslims behead enemies, and their wives and daughters in America and around the world. By Sharia Law, Islam mandates a man can beat and behead his wife if she fails to obey him. Islamic women live fearful lives with their husbands or brothers who, on average, according the United Nations “Honor killings report” kill 10,000 women annually for reasons such as: “I wanted a new wife.” (That’s a direct quote.)

In New York, February 16, 2009, FOX News, Joshua Rhett Miller reported, “The estranged wife of a Muslim television executive feared for her life after filing for divorce last month from her abusive husband,” her attorney said – and was found beheaded Thursday in his upstate New York television studio. Aasiya Z. Hassan, 37, was found dead on Thursday at the offices of Bridges TV in Orchard Park, N.Y., near Buffalo. Her husband, Muzzammil Hassan, 44, has reportedly been charged with second-degree murder. “She was very much aware of the potential ramification of her filing for divorce might have,” said attorney Elizabeth DiPirro, whose law firm represented Aasiya Hassan in the divorce proceeding. “But she wanted to proceed despite the potential for it to erupt.”

This week, February 19, 2013, the New York Daily News reported Islamic violence in Buena Vista, New Jersey: "Cops arrested Muslim Yusuf Ibrahim, 28, of Jersey City on Sunday after detectives found the bodies of the two men, aged 25 and 27, behind a home in Buena Vista Township. Their severed heads and hands were discovered at a separate burial site. The investigation into the grisly murder began Thursday following reports of suspicious activity at the Buena Vista home. Cadaver dogs located the bodies, which both suffered a single gunshot wound to their chests." (Source: New York Daily News, 2/19/13)

In Clayton County, Georgia, January 26, 2009, a Pakistani immigrant father, Chaudry Rashid strangled his daughter for not accepting his choice of a husband. She wanted a divorce. She was 14 when she died. "Man Accused Of Killing Daughter For Family Honor" by Jamie Tarabay of NPR. "Honor killings are old rites of murder within families, committed because of some perceived dishonor or shame. The United Nations estimates around 10,000 deaths occur each year – mostly of women, mostly in South Asia and the Middle East."

In addition to this kind of Islamic barbarism, our First World country must deal with Islamic "female genital mutilation", which defines hideous removal of a woman's genitals.

"The ancient, brutal practice of female genital mutilation (FGM), once considered primarily a problem of the developing world, is a growing threat to girls and women in the United States, according to a new report. The New York City-based non-profit organization, which specializes in gender-based violence, said up to 200,000 girls and women in the United States are at risk of FGM and that the number is growing." (Source: FrontPage News, March 16, 2013. "200,000 girls at risk for FGM in U.S.")

"Immigrants devoted to their own cultures and religions are not influenced by the secular politically correct façade that

dominates academia, news-media, entertainment, education, religious and political thinking today," said James Walsh, former Associate General Counsel of the United States Immigration and Naturalization Service. "They claim the right not to assimilate, and the day is coming when the question will be how can the United States regulate the defiantly unassimilated cultures, religions and mores of foreign lands? Such immigrants say their traditions trump the U.S. legal system. Balkanization of the United States has begun."

Whether immigrants murder their wives and children through honor killings, or cut their daughters into submission—with more Muslim immigrants, we face devolvment of our civilization into a barbaric future. A recent report showed that 51 percent of Muslim immigrants demand Sharia Law in the United States. As their numbers grow, they will implement it. Defacto Sharia Law already manifests in Detroit, Michigan; Minneapolis, Minnesota and New York City. Why? Because millions of Muslims practice it under the rug with no consequences!

Whether it's Paris, France or Brussels, Belgium or San Bernardino—more Muslim immigration into the USA guarantees another 9/11 of some magnitude in our country. It's coming as surely as the dawn. That's why we must shut down all Muslim immigration if we hope to survive the 21st century as an intact civilization.

If you don't want a Paris, France or San Bernardino or Brussels, Belgium event in your community, it's time to call for a total "Immigration Shutdown Now."

Call your senators and House rep: 1 202 224 3121. Demand a stop to all immigration and stop to any Syrian immigration.

Definition of slogan: "Immigration Shutdown Now means the American people want a total shutdown on all legal and illegal immigration. That means we want all illegal immigration

stopped by arresting, prosecuting and jailing employers of illegal aliens. We deport all illegal aliens by taking their jobs away and as we catch them. We want English mandated as our national language. We demand a cessation of Muslim immigration in order to protect our culture, language and way of life. We can't save the world but we can destroy our civilization. We demand a stable population that allows everyone to live, work and thrive into the 21st century. Especially our children." FHW

That's why you need to take action. Send this series to everyone in your network. Educate them. Urge them to take action by joining these websites to become faxers of prewritten letters and phone callers. We must force Congress into an "Immigration Shutdown Now!
