

America Living the Lies of the Ages

By Glynn Adams

America is no longer a Republic!!!! America has been captured; we are being ruled by New World Order demonic occult elites. In reality, we are being ruled by the Kingdom of Satan and not by the Kingdom of God!!! These elites have been in a spiritual war against this nation since our founding. "Why are the nations in an uproar, and the peoples devising a vain thing? The kings of the earth take their stand, and the rulers take counsel together against the Lord and against His anointed." (Psalms 2:1-3)

During the early 1800s, two things of significance happened. The Rockefeller Foundation begin laying the ground work for the Federal Government to take over education. The government will determine what your children are taught. Since Biblical times, Satan has come after the seed (the next generation). God is very clear in His Word. THE PARENTS are totally responsible for what your children are taught. You can delegate the teaching of your children but you had better know WHO is teaching them and WHAT they are being taught!!! God will surely hold parents responsible for what their children are taught in these government schools!!!!

The Banker Cartel elites of Europe begin laying the ground work for the passing of The Federal Reserve Act in 1912. As the Rothschild of the Banker Cartels said, "Give me control of the money supply of a nation and I could care less who the

President or Prime Minister is.” The Federal Reserve System is not a government system but owned by the Banker Cartels. It’s a pretty sweet deal for them. They create and print Reserve Notes (fiat money) out of thin air and then loan the money to our government and charge us interest.

The Federal Reserve System in America is a debt based system. God has a lot to say about being in debt. It is a curse – the borrower is a slave to the lender. Our government owes 32 Trillion dollars plus about 38 Trillion in unfunded liabilities such as government retirement, Social Security, Medicare, etc. Let me show you what \$32 Trillion looks like: \$32,000,000,000,000. A typical U. S. household making \$50,000 per year, to earn enough to pay off a \$1 trillion debt would take 20 million years.

If you paid out \$1 per second (60 dollars per minute) to settle a \$1 million debt would take less than 12 days. To pay off \$1 billion debt would take 32 years. Paying off \$1 trillion debt at a dollar per second, it would take nearly 32,000 years. Do you see the curse of debt on our nation? You cannot break God’s economic laws year after year and expect things to turn out well. In America we have lived a lie for years – the reality is you do not have prosperity living on credit.

I would say we must heed the warnings of history but in America, the government schools have rewrote our history so the generations behind us have no knowledge of our history. What do you think the tearing down of statues were about? The citizens allowing lies to be taught to our sons and daughters, we dishonor those who gave so much and our liberty is in serious peril.

If you receive the finish works of Christ on the cross and receive Him as Lord, then you are saved but you will not go to heaven if you “pretend obedience to Him.” God assigned to each Christian spiritual responsibilities and to ignore those

spiritual responsibilities is pretended obedience to God and sin. God has made it clear in the Book of James that we are to submit to God and resist the devil and he will flee from you. Peter says we are to be of sober spirit, be on the alert. Your adversary, the devil, prowls about like a roaring lion seeking someone to devour. But resist him!!! If God warns you to beware of an adversary who wants to devour you and you ignore him, he will devour or overcome you. That is the war folks, resisting Satan in the power and authority of God.

We have ignored the schemes of Satan and his demonic New World Order occult elites and they have captured this nation, Satan rules this nation, and we have become a dwelling place of demons. That is not what I would call winning!!! God Word is clear. Jesus Christs wins in the end. The devil is defeated and sentenced to hell. But today he is not in hell. He is on this earth and he knows he has a short time left and If you think Satan is bound today, you are deceived and believing a lie. IF YOU ARE NOT OVERCOMING SATAN; HE IS OVERCOMING YOU!!!

We in America have failed to contend for our faith. We have not obeyed the covenant agreement we made with our Lord and King Jesus Christ. "Beloved, while I was making every effort to write you about our common salvation, I felt the necessity to write to you appealing that you contend earnestly for the faith which was once for all delivered to the saints. For certain persons have crept in unnoticed, those who were long beforehand marked out for this condemnation, ungodly persons who turn the grace of our God into licentiousness and deny our only Master and Lord, Jesus Christ.

Now I desire to remind you though you know all things once for all that, the Lord, after saving a people out of the land of Egypt subsequently destroyed those who did not believe. And angels, who did not keep their own domain but abandoned their proper abode, He has kept in eternal bonds under darkness for the judgment of the great day. Just as Sodom and Gomorrah and

the cities around them, since they in the same way as those indulged in gross immorality and went after strange flesh, are exhibited as an example in undergoing the punishment of eternal fire.” (Jude 3-7)

We think America is the New Jerusalem. We have made Jesus in our image and He is soft on sin and He loves everybody. We actually believe that God will not let America fall because we are so special. We have ignored, misread, and thumbed our noses at the goodness of God shown to America. We have been given an abnormal life here in America as we have not suffered persecution as others in this world have. But as a nation, we have taken the goodness of God for granted and we are spoiled and arrogant and we take our freedoms from God way too lightly. Godly people all over the world are in prison and dying daily for their faith. We don't have what we have in America because we are more Godly than other peoples and nations. We have failed to recognize the grace and mercy of God!!!

We will face the consequences because we have fallen into the hands of an angry God because of our disobedience. God freed us from our sins and made us worthy to worship Him. We owe Him. He is God, the faithful witness. He is worthy to be obeyed and worshipped. We were to be a witness to Him to the nations because of what God has done for us. “But we have committed two evils. We have forsaken the Living God, the fountain of living waters to hew for ourselves cisterns, broken (religious) cisterns that can hold no water.” (Jeremiah 2:13)

Most of our pastors are corrupt, too many of our churches are corrupt, our culture is corrupt, and our nation is corrupt. Too many people who claim to be a Christian have despised God's blessings and goodness, turning to indulgence and religion. And when this happens, judgment follows. Paul writes, “....despises thou the riches of His goodness and forbearance and longsuffering not knowing that the goodness of

God leads thee to repentance? But after thy hardness and impenitent heart treasures up unto thyself wrath against the day of wrath and revelation of the righteous judgment of God, who will render to every man according to his deeds: eternal life to those who by patient continuance in doing good seek for glory, honor, and immortality but to those who self-seeking and do not obey the truth but obey unrighteousness – indignation and wrath, tribulation and anguish on every soul who does evil.....’ (Romans 2:4-9) We are under the judgment of God because we are tolerating evil and we refuse to resist this evil in our nation!!!

But it is really much more serious than despising His goodness, forbearance and longsuffering. I believe I can prove with Scripture that the pastors and institutional church systems in America and around the world are following Satan and not the Living God!!! Jesus makes it clear in Matthew 12:25-28, Mark 3:23-27, and Luke 11:17-20 that Satan does not cast out Satan or else his house would be divided. But Jesus said He cast out demons by the finger of God, then the Kingdom of God has come upon you.”

Now in 1 John 2:15-17, the Apostle John wrote, “Do not love the world nor the things in the world. If anyone loves the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the boatsful pride of life is not from the Father but is from the world. And the world is passing away and also the lusts, but the one who does the will of God abides forever.”

The Greek word for “world” here that John uses is “Kosmos.” A research in depth does not mean the earth but the “demonic entities in the world system.” John in essence is telling us not to love Satan and his Kingdom of Darkness world system. Immediately we think of John 3:16, “For God so loved the world (same word Kosmos) that He gave His only begotten Son..... Here this word Kosmos refers to mankind within this world system. God does not love the world system but the mankind in this

world system.

Jesus commanded His followers to live by His Kingdom rules which is in part resisting evil, casting out demons, and bringing down demonic strongholds. This is being obedient to our Lord and King Jesus Christ. It is clear the pastors and the institutional church refuse to cast out Satan and his demons in the Name of Jesus and the Kingdom of God. So these pastors and church members are by default loving the world system of Satan because in that worldly system Satan does not cast out Satan and neither do the pastors and institutional churches in America. Jesus said in Matthew 6:24 that no one can serve two masters, you will love the one and hate the other or he will hold to one and despise the other.

“You adulteresses, do you not know that friendship with the world is hostility toward God? Therefore, whoever wishes to be a friend of the world makes himself an enemy of God. Or do you think that the Scripture speaks to no purpose: “He jealously desires the Spirit which He has made to dwell in us?”” (James 4:4-5)

Jesus said in Luke 11:23, “He who is not with Me is against Me and he who does not gather with Me scatters.” Pastors and their institutional church systems in America today place church growth ahead of faithfulness and as a result, few pastors are willing to defend the Christian faith in this nation in a way that matters to our culture that has no moral compass and is in freefall.

Folks, we have lived the lie long enough. Pastors have lied to us that Christianity is easy and peaceful and does not require any spiritual responsibility or obedience. Pastors have lied to us and have told us there is no war going on.

Whenever someone explains something better than I can, I gladly share with you what he said. Such is the case with Pastor Andrew Isker who is the pastor of 4th Street

Evangelical Church in Waseca, MN. Here is what he wrote in part: "Today you live in Negative World and Negative World just became deadly. No longer do you live in a place where there is a distinction between being a Christian and "fighting the culture war." Those three nine-year-olds that the monster shot were not consciously combatants in the culture war. They were just Christian kids being raised in the nurture and admonition of the Lord by Christian parents. But we have reached a point where simply being a Christian means participation in the culture war is *unavoidable*. You may not want your children involved in the culture war, but if they bear the name of Christ, they are part of it whether you like it or not. Your enemy has made them a target, if not with bullets, with a poisonous mind virus that they constantly want them exposed to.

It is well past time for Christians, particularly Christian leaders, to recognize this. You have enemies. You have enemies that want you and your children dead. You have enemies you need to fight. Your desire to "win them over" through niceness is a weapon they wield against you. They manipulate your desire to avoid conflict. They know that you are terrified of offending anyone since that will negatively affect church attendance. And so they have rolled over you, they have destroyed your culture, and have now made you a pariah in your own country. You are not going to winsome your way out of this. You can choose to remain silent out of cowardice, or you can begin to fight an evil ideology that could not be in more stark rebellion against the Creator of Heaven and Earth.

You need to be preparing your schools, churches, homes, and selves for this spiritual war. You need to have a plan in place. You need to have men willing to protect your people. Hard times are here. It is no time for soft men. And lest you think this is an unprecedented time in the history of the church, it is not. Violent individuals provoked by the

government to attack dissident Christians is nothing new.

It is even part of the Anglo-American Christian tradition. The 1689 English Bill of Rights guaranteed the right of Protestants to bear arms to protect themselves against anarchy allowed by the government. The government didn't send goons to attack them; they just let armed thugs loosely aligned with them do their dirty work for them. Sound familiar? We are in a very similar place and will require similar courage and strength of will. The Protestant churches of 17th-century England had strong leaders, strong fathers, and men who believed so strongly in the Lord Jesus they were ready to die for Him. Do we have such men and such leaders? If you are reading this, *you* are the answer to this question, one way or the other.

We have reached a crossroads in our country. Either biblical Christianity or sexual degeneracy will be tolerated. One will be eradicated by the other. This will not be the last time Christians will be martyred by mentally ill leftist freaks. Will you have the courage to take a stand for righteousness and truth, or will you submit to the hideous and disgusting abusers and murderers of children? The choice is yours." Now that is my kind of pastor. *"God bless, I remain His warrior and watchman."* –Glynn Adams
