

America Will Be Lost Unless the People Wake up and Demand the Corrupt be Prosecuted

"Justice guards out liberties, whereas injustice destroys them, the people and the country."

Over and over again we see scriptures such as "Ye shall therefore keep my statutes, and my judgments: which if a man do, he shall live in them: I am the LORD." -Leviticus 18:5

"Wherefore ye shall do my statutes, and keep my judgments, and do them; and ye shall dwell in the land in safety." -Leviticus 25:18

In Deuteronomy 4:1-2, Scripture tells us, "Now therefore hearken, O Israel, unto the statutes and unto the judgments, which I teach you, for to do them, that ye may live, and go in and possess the land which the LORD God of your fathers giveth you. Ye shall not add unto the word which I command you, neither shall ye diminish ought from it, that ye may keep the commandments of the LORD your God which I command you." And in verse 6 we see that it is our wisdom in doing so. "Keep therefore and do them; for this is your wisdom and your understanding in the sight of the nations, which shall hear all these statutes, and say, Surely this great nation is a wise and understanding people."

The Lord's statutes are the way the people are to judge the crime, according to His Word (Psalm 94:16).

I don't understand what it is that the people in this country do not recognize. The people have the example of the Word of God and how the patriarchs of old handled crimes before the Lord, and the people.

We see how our forefathers established justice by reading the Declaration of Independence and finding the injustices that they would not tolerate.

In contrast, what is it that we hear today but what it is that the people will not lawfully deal with when it comes to the crimes that are being committed against them by their own representative government. As if to suggest that they have the God-given right to abuse the very laws that they promised to enforce (Numbers 30:2; Deuteronomy 23:23). Justice guards our liberties whereas injustice destroys them, the people and the country (Psalm 9:16-17)

The American people would rather suffer the abuses of criminal syndicates (they call them presidential administrations today that act out as if they are a government unto themselves) rather than to right themselves of the abuses being committed against themselves. Three hundred twenty-five point nine million people put up with a small portion of people (who through the mainstream media control the minds of those who will let them) who mean to overthrow America's Christian and constitutional heritage.

The people's submission and tolerance to this lawlessness and injustice is the very fruit of the curse that is being brought upon them.

Conclusion: Without impeachment (Article II, Section 4) and prosecution (Article I, Section 3, Clause 7 US Constitution) being brought forth on the part of the American people in dealing with the corrupt, all will be lost.

Wake-up! You are too young to die!
