

Are The Unprincipled Politicians Pushing The “Deep State” Agenda Forward?

“It is difficult to free fools from the chains they revere.”

If it is not the left, then it is the right (Mark 3:25). If it is not the conservatives, then it's the liberals. If it is not the Communists, then it's the right-wing extremists and if it's not the whites, then it is the blacks. If it is not the lovers, then it is haters. Divide, divide, divide, and all this from within. And now from without, we are hearing from many in the media of a “Deep State” (Shadow government-Special Interest Groups, the Cabal etc.) in operation behind the scenes relentlessly working to take down America.

The question that I have is, who is doing it for them?

These **shadow entities** are created to give cover for crimes within yet, not without Washington's advocated consent and implementations in hopes that the guilty will never be exposed or discovered (Luke 12:2). This is why they have so many created groups warring one against another and that is to weaken within, so they can control without.

Of course, this only works because of the fact that the people in this country have forgotten that we are ruled by law, not by corrupt politicians and their special interests within the walls of Washington (Romans 3:20; Article 4, Section 4).

Deep state defined:

As described in 2013 by [Mike Lofgren](#), a former Republican U.S. congressional aide, the deep state is “a hybrid association of elements of government and parts of top-level finance and industry that is effectively able to govern the United States

without reference to the [consent of the governed](#) as expressed through the formal political process.”

Friends, for anyone familiar with the Declaration of Independence or the US Constitution, you know that this has been going on for a long, long time regardless of what they name it.

Here is my question: What has the “Deep State” been responsible for that the president or one of America’s politicians haven’t already pushed through on their behalf? Who is acting and implementing on the behalf of these said powers? The politicians are.

This is people playing the blame game. The “Deep State” is just another name for what it is that the American people have allowed tyrants to do to them (Jeremiah 5:31).

When we look to any group of people or to any entity in this country, we can tell whose side they are on when we look to the law (Exodus 32:26). One is law-abiding, and the others are law breakers (Deuteronomy 25:1). It’s simple, but the problem that the people are having today is that there are very few that even make reference to the law that they might know the difference (Romans 3:20).

Remember, the “Deep State” can only do what the people allow them to do. Shut down your favorite politicians that advocate for un-American policies on behalf of special interest groups and you shut down what you would call the “Deep State.”

Again, I ask, what is it that the “deep state” has done, or can do, without politicians pushing through their agenda? I answer with, nothing.

[Let’s take a look.](#)

[President Trump](#) vowed in a video message to the March for Life on Friday to veto any legislation that “weakens the protection

of human life.”

“If they send any legislation to my desk that weakens the protection of human life, I will issue a veto and we have the support to uphold those vetoes,” Trump said in the message displayed to a crowd gathered for the annual anti-abortion march in Washington.

“Every child is a sacred gift from God,” Trump said in the message.

Vice President Pence spoke in person at the march, calling Trump a “champion” for abortion opponents.

“President Donald Trump is the most pro-life president in American history,” Pence told the crowd.

This all being said in hopes that no one is actually paying attention to what he just did concerning abortion (Proverbs 6:17). [Do you remember this?](#)

(CNSNews.com) reported February 9, 2018 – Despite promising to defund Planned Parenthood, President Donald Trump signed a budget Friday, which was passed by the Republican-led Congress, that fully funds the nation’s largest abortion provider.

In a [letter](#) to pro-lifers during the election, Trump and Vice President Mike Pence said “I am committed to ... Defunding Planned Parenthood as long as they continue to perform abortions, and reallocating their funding to community health centers that provide comprehensive health care for women.

While the budget provides more funding for community health centers, it also fully funds Planned Parenthood.

In fact, Trump has signed multiple continuing resolutions (CRs) that fully funded Planned Parenthood despite his campaign promise to defund it.

The bill was passed in the wee hours of the night (Same thing with the Patriot Act after September 11th, 2001) and complaining they had just seven hours to read the 2,232-page bill, the “length of two Bibles,” Rep. Rod Blum (R-IA), a bill said Senator Rand Paul “which almost no one read.”

One would have thought that having no time to read the bill would be a good enough reason as to why the bill would not have been passed, not a reason to pass it!

Was it the “Deep State” that was responsible for signing this bill fully funding Planned Parenthood or was it President Donald Trump that signed it?

Note: He already fully funded Planned Parenthood last year hidden in the 1.3 trillion dollar National Security Omnibus Bill, which aids and **abets** America’s enemies within and without.

This was passed on the weekend of the “March for Our Lives” rally in response to the Florida school shooting. Americans still have yet to receive any film footage from the 70 cameras in the school concerning what took place. You may ask yourselves why this may be, because it goes against eyewitness accounts.

Well friends, the self proclaimed pro-Second Amendment president who stated after the school shooting that he wanted to, “take the guns first, go through due process second” has now [illegally banned bump stocks.](#)

Did the Deep State ban bump stocks or did President Donald Trump?

Do yourselves a favor and do not forget that while most Americans are fast asleep concerning this administration, 26 states have passed 55 gun control measures (Matthew 13-25-30).

Did you know that Donald Trump’s nominee for Attorney General,

William Barr, is a gun confiscation advocate (Luke 11:21-22)?

Well, neither did most of the American people because the media outlets and sources that should have made their neighbors aware of this fact, were too busy trying to find something to highlight their champion with in combating his created opposition, namely, Nancy Pelosi and Chuck Schumer, etc. [[Link](#)]

Case in point, just the other day, I was highlighting the fact that Donald Trump's nominee for the Attorney General is a gun confiscation advocate, and an online follower of mine wrote me off as "Fake news." I responded with, "See for yourself," and what did he respond with? He un-friended me and says that you have one less friend. I said, "With friends like that, who needs enemies."

Who nominated an anti-gunner, pro-confiscation attorney general? Was it the "Deep State"? No, it was President Donald Trump playing the pawn by doing their bidding.

Still not enough evidence for you of the hypocrisy taking place in Donald Trump's administration (Matthew 23:3)?

The American people have been diverted in keeping their eyes on the southern border concerning illegal immigrants coming into America, but they fail to hold accountable America's said [representatives who are illegally alluring them into your country](#) in the first place. Point man Donald Trump and rivals Nancy Pelosi and Chuck Schumer have you heated up over a [wall that was promised, which has yet to be built.](#)

Speaking of diversion, while people were diverted with the confirmation hearings of Brett Kavanaugh (several of his accusers are now coming forward stating that it was all fabricated), what was really happening? The [USMCA was advanced](#) in place of NAFTA.

On November 30, 2018, President Trump, along with the Prime

Minister of Canada and the President of Mexico, signed the United States-Mexico-Canada (USMCA) "Trade Agreement". "Trade" is in quotes, because the document isn't about "trade" – it's about setting up global government. "Agreement" is in quotes because the document is a "treaty" – and that invokes the two-thirds ratification requirement of Art. II, §2, cl. 2, US Constitution. [[Link](#)]

[Kristin Stockheimer](#) wrote at The New American:

Not only is it still alive, it is larger and much worse than NAFTA! The text of the USMCA, according to former U.S. Ambassador to Canada Bruce Heyman, has portions and chapters of the agreement that are identical to those in the Trans Pacific Partnership (TPP).

Robert Lighthizer even admitted it is "built on" many TPP aspects. [These facets, according to The New American writer Christian Gomez](#), have the potential to strip the U.S. of its sovereignty:

Much like the TPP Commission, the Free Trade Commission can make changes to the USMCA without the consent of Congress. In fact, the agreement completely undermines Congress' Constitutional Article I, Section 8 power to regulate trade with foreign nations. [[Link](#)]

Setting up a global government with Mexico and Canada, was that a move of the "Deep State" signing off on American sovereignties, or was that Donald Trump? See how this works? They do not work independently of each other.

What is more astounding is that I could not find one Christian or conservative outlet (outside of the ones referenced above) to call out Trump for his criminal activities, not one.

"Kings will be tyrants by policy when subjects are rebels from principle." –Edmund Burke

I have never seen so much hypocrisy (Matthew 23:3) in all of my life, and what's worse is that the people are refusing to deal with the politicians that are in fact working on the behalf of them that are called "Deep State." (2 Peter 2:19).

If this were any other administration doing what this administration is doing to the people today, these same hypocrites would be up in arms.

Donald Trump supporters have their eyes tightly closed and their ears securely plugged to refuse the truth from getting in. They are refusing the truth which exposes their favorite global politicians (John 3:20) and instead, are praising his every unconstitutional implementation. This reminds me of when the people were praising King Herod.

"On the appointed day, Herod donned his royal robes, sat on his throne, and addressed the people. [And they began to shout, "This is the voice of a god, not a man!"](#) -Acts 12:22

It is difficult to free fools from chains they revere. As a matter of fact, people in this country seem to prefer them.

The "Deep State" (Luke 22:48) is encouraged by the weak-minded sheep being led to the slaughter that follow in close pursuit of every lie that is told to them by this president.

What's worse is that these people sit there and act as if they are the ones that are right in their opinions, while the facts testify against them. They are fools and accomplices to the crimes which are committed that undermine their own freedoms and trample the sacrifice of those who have fought, bled, and died for our country (Hebrews 10:29).

[\[YouTube Video\]](#)

The reason that these people do not correct Donald Trump is because they would then have to correct themselves, and this they refuse to do. However, this will be short lived because

no man under Heaven can deny that God is not mocked (Exodus 20:7; Galatians 6:7).

From the mouth of their king Donald Trump, "Why do I have to repent or ask for forgiveness if I am not making any mistakes" (John 19:15)?

"If we say that we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness. If we say that we have not sinned, we make Him a liar, and His word is not in us." (1 John 1:8-10)

Who do his followers sound like more, Donald Trump or Christians (Proverbs 15:10)? Hypocrites (John 19:15)!

Since the beginning of Donald Trump's administration, it has been "We have no king but Donald" and that to America's demise.

The religious hypocrites, the Pharisee's of the day said:

"We be Abrahams seed, and were never in bondage to any man:" (John 8:33)

Yet, they were in bondage to the Romans.

In the end, it was because they refused to submit to the meek King of Glory. Jesus said to them,

O Jerusalem, Jerusalem, the city that kills the prophets and stones those who are sent to it! How often would I have gathered your children together as a hen gathers her brood under her wings, and you were not willing! -Luke 13:34

Forty years later the judgment of God fell upon them that rejected Him only to wish that they would have listened 40 years earlier.
