

# Are We Losing America To Endless Immigration?

“Every age, every culture, every custom and tradition has its own character, its own weakness and its own strength. It features its beauties and ugliness; accepts certain sufferings as matters of course, and puts up patiently with certain evils. Human life is reduced to real suffering and hell—only when two ages, two cultures and religions overlap.” —Herman Hesse

Today in America we face being forced to overlap hundreds of cultures and religions into our midst without any understanding of the final result: cultural disintegration of our country.

Any society that lacks courageous leadership faces paralyzing fear from its governors, to its mayors all the way to its average citizens. Today, in America, we watch old men and women in Congress fudging, excusing and pushing for endless immigration from antagonistic countries and cultures from all over the world.

Does anyone think a Somali, Congolese, Indonesian, Sudanese, Ethiopian, Iranian, Afghanistanian, Syrian, Egyptian or dozens of other ethnic groups possess anything in common with average Americans? Can their violent religions that created

their millions of refugees co-exist with America's basic cultural and religious foundation?

By our own hand, we watch our leaders lead us into the jaws of racial, cultural and sociological conflict the likes never seen in the world before. Or have we? This 15-minute video shows exactly what happened to other societies that allowed endless immigration.

This is not 'if': this situation barrels toward us like a Formula 1 racing car!

"Immigrants devoted to their own cultures and religions are not influenced by the secular politically correct façade that dominates academia, news-media, entertainment, education, religious and political thinking today," said James Walsh, former Associate General Counsel of the United States Immigration and Naturalization Service. "They claim the right not to assimilate, and the day is coming when the question will be how can the United States regulate the defiantly unassimilated cultures, religions and mores of foreign lands? Such immigrants say their traditions trump the U.S. legal system. Balkanization of the United States has begun."

One look at the multicultural chaos invading Europe and Canada might give anyone a sobering look at reality. Rape from Moslem immigrants permeates every sector of every country in Europe. That's their norm to treat women like property. They 'honor kill' 20,000 of their women annually as a normal aspect of Islamic Law. And, we think we're going to escape that reality? (Source: United Nations report on "Honor Killings.")

On February 2, 2018, Asst. DA from DHS, Ed O'Callihan stood up at White House press room to state, "We now have 23 to 27 honor killings in the United States annually. We reported 500,000 female genital mutilations in the USA from Moslem immigrants."

Yet, virtually all of 535 members of Congress, save Steve King (R-IA), Tom Cotton (R-Arkansas) and Peter King (R-NY), do

nothing to stop the legal immigrant flood boiling into our nation. None of those representatives cares a twit for future generations as they chase their tails figuring out how to deal with 13 Russian spies who diddled their way around our 2016 presidential election. When, at the same time, 20 million illegal aliens wreak havoc on our own schools, medical facilities, traffic, shoplifting, drug networks, thefts and killings.

We're being saturated, infiltrated and doused with immigrants who possess no understanding or affinity toward our culture, our laws and our way of life. We're being forced into diversity and multicultural chaos.

Cowardice, not courage, remains the cause of our U.S. Congress, and it will reign supreme if we fail to stand our ground. If this doesn't concern you, you're part of the problem, not the solution.

Courage and fear carry zero tolerance for each other, and it's time we choose which will characterize our nation by choosing which will characterize each of our lives and families. If we want courage to arise in our nation, it must arise in each of our lives.

"Diversity within a nation destroys unity and leads to civil wars," said social scientist Garret Hardin. "Immigration, a benefit during the youth of a nation, can act as a disease in its mature state. Too much internal diversity in large nations has led to violence and disintegration. We are now in the process of destabilizing our own country. The magic words of destabilizers are 'diversity' and 'multiculturalism'."

If you don't want a Paris, France, San Bernardino or Orlando or Fort Lauderdale event in your community, it's time to call for a total "Immigration Shutdown Now."

Call your senators and House rep: 1 202 224 3121 or 1 888 995 2086. Demand a stop to all immigration and stop to any Syrian

immigration.

Definition of slogan: "Immigration Shutdown Now means the American people want a total shutdown on all legal and illegal immigration. That means we want all illegal immigration stopped by arresting, prosecuting and jailing employers of illegal aliens. We deport all illegal aliens by taking their jobs away and as we catch them. We want English mandated as our national language. We demand a cessation of Muslim immigration in order to protect our culture, language and way of life. We can't save the world but we can save or destroy our civilization. We demand a stable population that allows everyone to live, work and thrive into the 21<sup>st</sup> century. Especially our children." FHW

Muslims cannot in any way become Americans. The Koran forbids it. Their entire context of religious-political Sharia Law demands subjugation to their religion with no allegiance to the U.S. Constitution. The Koran forbids women's rights, marital choice, free speech, gay rights and religious rights. Our way of life remains completely out of bounds to Islam.
