

Attacking Judge Moore's Morality Is A Dirty Leftist Trick

Black Christian Conservative Republican Lloyd Marcus here. I call upon all my fellow Christians not to abandon our brother Roy Moore who is running for US Senate Alabama. Right before the election, 40 year old sexual misconduct allegations have come out against Judge Moore which he has denied.

Judge Moore is hated by Leftists and establishment Republicans because he is an outspoken character driven Christian conservative; a faithful courageous defender of our Constitution, principles and values which have made America great. Moore elected to the US Senate would be extremely helpful to Trump draining-the-swamp and making America great again.

Judge Moore's unwavering commitment to biblical morals and support of Trump's agenda makes Moore the last person fake news media, Hollywood, democrats and RINO Republicans want to see in the US Senate.

Therefore, it is not surprising that Leftists and RINOs are clamoring for Moore to drop out of the race; claiming Moore is morally unfit to serve. These same people told us president Bill Clinton having an intern perform oral sex on him in the White House was none of our business. To defend Clinton, Leftists threw all men under the bus by claiming any man in a powerful position would say yes to sex with a starry-eyed young woman. Their narrative was particularly offensive to me because my dad and brother were men in powerful positions. Dad was the pastor of a large congregation and my brother was commissioner of a kids football league. Neither of them would mimic president [Clinton's adulterous philandering, sexual](#)

[harassment](#) and sexual assaults

Leftists sold America their lie that president Clinton's serial adultery was no big deal. Sexual immorality was the acceptable new normal for men in power (if they were democrats). Now, these same people who circled the wagons to protect Clinton are pounding on Moore's political door with axes and pitchforks, demanding that he get out of the race over unfounded 40 year old allegations.

But what if the 40 year old allegations against Judge Moore are true. Judge Moore became a Christian several years ago. His consistent behavior, standing up for religious liberty and freedom strongly suggest his conversion to Christianity was real. 2 Corinthians 5:17 says *"If any man be in Christ, he is a new creature. Old things have passed away; behold all things have become new."* In other words, when Moore put his trust in Jesus and repented of his sinful life, Moore became a new man.

[Before his encounter with Christ, the Apostle Paul was a bad man who killed Christians.](#) 40 years before God used Moses to lead his people out of Egypt, Moses murdered a man. The Bible says *"all have sinned and come short of the glory of God"* (Romans 3:23). After becoming new people via their new birth in Christ, God has used everyone from former prostitutes to murders in extraordinary ways. So how on earth can any Christian join Leftists in deeming our brother in Christ, Roy Moore, morally unfit to serve today based on 40 year old unfounded allegations?

It is pretty obnoxious watching the same people (Leftists) who seek to [normalize and legalize every conceivable sexual perversion](#) trying to disqualify Moore on moral grounds. As Rush Limbaugh has stated on numerous occasions, Leftists view sexual misconduct as resume enhancement for democrat politicians.

Check out the glaring hypocrisy. Leftists are calling for

Moore's political head on a platter. And yet, they gave the following democrats, for the most part, a pass for their sexual misconduct; Anthony Weiner, Eliot Spitzer, David Wu, Kwame Kilpatrick, John Edwards, Bill Clinton, David Paterson, Antonio Villaraigosa, Marc Dann, Paul J. Morrison, Gary Condit, Tim Mahoney, Roosevelt Dobbins, Neil Goldschmidt, Jim McGreevey, Bob Wise, Paul E. Patton, Mel Reynolds, Brock Adams, Chuck Robb, Gavin Newsom, Sam Adams and Barney Frank. Fake news media did not collectively declare that the [sexual misconduct of these democrats](#) made them unfit to serve.

By the way, Barney Frank's boyfriend ran a prostitution business from Frank's home. Were there serious calls for Frank to resign? Nope.

This attack on Moore's morals (right before the election) is a dirty trick to get a rock solid bold, brave and courageous Conservative warrior out of the arena. My fellow Christians, please do not fall for it.
