

How to Return to the American Dream and Our Constitutional Republic

As an Economist, I can pretty much guarantee Unlimited Prosperity at an unheard-of level with the American Dream in full blossom for everyone willing to work, if the recommendations in this paper are followed. However if key elements are not followed, I can foresee a Civil War with the Communists and the Evil Ones in the Deep State aka Parasitic Super-Rich Ruling Class aka Wealthy Families and their Minions in government.

Unlawful Parts of Government Are a Criminal Enterprise!

Democrat/Communists who put them here will do everything possible to stop deportations. We should deny illegals all government benefits and prosecute employers who hire them without using E-Verify. President Trump will have to use every available means to deport illegal invaders. We will lose our country if Trump does not get tough.

How to Return the American Dream To the Young People

Our country is on the verge of self-destruction because the American Dream no longer exists for twenty-year-olds. It only exists for highly-paid couples at the end of child-bearing years. Everyone else is to live in Stack-and-Pack vertical housing, without private transportation except for bicycles.

Stops Foreign Spending, Funding Illegals, and Obey the Constitution!

As an Economist and student of the Constitution, I can guarantee that the title is absolute fact. Not part of it, but all of it. We have the best Constitution in the world that is totally ignored by a mostly-corrupt Blood-Sucking Parasitic Congress operating as a mostly Criminal Enterprise.

We Must Stop Wars that Have No Declaration of War

President George Washington in his 1796 Farewell speech warned us against forming permanent alliances and engaging in foreign entanglements that could pull us into Europe's conflicts. He

further stated that we have NO DIRECT INTEREST in Europe's wars. This advice would have kept us out of World War One and Two, and the last 80 years of Wars for Profit.

How to Constitutionally Separate Communist Cities Without Civil War

The FBI should arrest those who are financing the insurrectionists to commit Treason. If the FBI fails, disband it and replace with Militia of the Several States, as specified in Constitution. Their failure constitutes Treason in itself!

What Must be Done for America to Survive as a Constitutional Republic?

This return to Constitutionality also requires effective Federal law enforcement, for our government has evolved into mostly a Criminal Enterprise. Also, you must accept the reality that a majority of Congress is corrupt. But on the bright side, the unconstitutional departments, agencies, and programs can be terminated with the stroke of President Trump's pen.

I Only Support A War That Defends the United States

It is impossible to tell an injured veteran or a grieving family that their loss was based on a scam by government and the Military Industrial Complex of the Parasitic Super Rich Ruling Class (PSRRC). The truth is that these veterans did serve the United States honorably but the government sold their services to the highest bidder much like mercenaries with a great deal of subterfuge, propaganda and payoffs.

Trump's Objectives are Great, but He Needs to Return to Constitutional Government

The reason is simple. If he doesn't follow the Constitutional format, there never will be enough money. In our present Economic situation, that spells disaster. Under the Constitution, the Federal Government was to be financed with Tariffs and excise taxes. But that changed after the Coup of 1913, which was the kiss of death to our Constitutional government.

Prosperity Requires Real Money, Not Fiat, CBDC, Crypto, nor the Federal Reserve

Money is the lifeblood of an Economy, and those who control money control the country, regardless of who is elected. The Federal Reserve Bank is privately-owned and responsible for ups and downs in the Economy. If gold and silver was used rather than fiat dollars, things would be more stable without inflation.

It's Criminal for Congress to Spend Peoples Money on Unlawful Foreign Aid

Foreign Aid is unconstitutional and Criminal because there is no Enumerated Power authorizing it in the Supreme Law of the Land, our Constitution. Foreign Aid promotes and supports Wars, Bribes, Kickbacks, Revolutions, and generates worldwide hatred of America.

We are Doomed if Trump Refuses to Terminate Criminal Enterprise in Government

I estimate that half of the Federal Government's Programs, Functions and Departments are Unconstitutional, making them Null and Void and a Criminal Enterprise. This is so because they are not authorized by the Enumerated Powers in the Constitution, and are rife with theft and corruption.

The 1913 Coup Was the Beginning of the End of Freedoms and Constitutional Republic

The PSRRC started digging our grave with four consecutive tools in the Coup of 1913. These started with the ratification's of the 16th and 17th Amendments, authorizing income taxes and direct voting for Senators. The newly-formed IRS then authorized Tax-Free Foundations. The Congress passed another unconstitutional law in 1913 authorizing the privately owned Federal Reserve Bank as the last nail in the coffin.

American Dream is Impossible Until Root Causes of Treason are Eliminated

My primary problem with Public Service Law Firms is that all of their efforts are directed at the results, and not the root causes of criminality. If they continue this way, they will have employment thru eternity...and the public will have no sense of justice or redress of grievances.

FBI Must Arrest, and Convict Traitors Funding the Insurrection or be Disbanded

Our country barely exists because the FBI was never an honest law enforcement organization. It has been corrupt since its inception more than 100 years ago (part of the Coup of 1913). I first came in contact with the FBI about 70 years ago as a State Trooper, when they took credit for many of our arrests.

The Coup of 1913, Replaced

Tariffs With Income Taxes

The Coup of 1913, which replaced tariffs with income taxes, allowed this treason to occur. The Federal Government was totally financed by tariffs and excise taxes until the Coup of 1913. Note, it is impossible to have a Constitutional Republic with Federal Income Taxes.

Deport Illegals or Social Security and Welfare will be Bankrupt

There is no doubt that ignorant and apathetic Democrats voted for the traitors and criminals currently in public office. These voters are really stupid Communists, and don't know it. Who else would vote for their own destruction? The illegal invaders are especially harmful to minorities, who traditionally and inexplicably vote Democratic.

Our Current Situation and Pending Mostly Catastrophic Issues

We remain on the brink of Economic and Financial ruin if Trump's Heroic, Bold and Go-for-Broke Policies are not

successful . We really have no choice. These policies were designed to, among other things, return manufacturing jobs to the United States, reduce inflation, and reduce our foreign exchange trade deficits.

Open letter to VA Secretary Doug Collins

I have read your statements pledging to benefit Veteran's Care. Much of what you have done is beneficial and I am sure is in good faith. But, you can't continue the terror felt by most employees forever. It is demoralizing.

Only Communists and Idiots Prefer Income Tax Rather Than Tariffs

Again, as is my wont, I have covered only some of the key points, otherwise I would have to write a book for far fewer readers. I have noticed that few federal officials are aware of some of the points covered. My compensation for the time and risk of writing is for readers to voluntarily forward articles to federal officials who would appreciate it as much as the devil appreciates the cross.

Military Used For 80 Years as CORPORATE MERCINARIES, Never for National Security

I will continue to write what I determine to be useful and lawful truth. If the FBI remains corrupt and comes after me, so be it. In the meantime please use my articles to inform your members of congress. Most members of congress will appreciate this information as much as the devil appreciates the Cross.

This is An Easy Way to Do Your Duty to Send Your Orders to Congress

It is usually difficult for the average person to find the time to collect the information required and format it to give his or her orders to their elected representatives. I have attempted to do the work for you in a simple format that allows you to add or subtract items as you desire. See the suggestions below. Then all you do is mail or email to your elected members of Congress.

Trump is Obeying Only Parts of the Constitution, Guaranteeing Armageddon and Dystopia!

It is impossible to return to a Constitutional government with prosperity if you don't adhere to the Constitution, ALL OF IT. Income Taxes also make a Constitutional Government impossible.

Income Tax is the Root of All Evil, Making a Constitutional Republic Impossible

I am writing on this subject again in greater detail, because we can never prosper in freedom while we are governed by the existing Criminal Enterprise, using income taxes against us. God bless President Trump for doing more than any other president to drain the swamp.

Eighty Years of

Unconstitutional Wars Required Income Tax & Corrupt Congress

A majority of Congress is complicit, corrupt, well-bribed and swimming in the blood of millions of dead innocents and 105,000 of our military. No group in history is more contemptible than a majority of the blood-sucking Congress that have no ethics, morals, honor or redeeming qualities whatsoever.

Terminate Income Tax and all Unconstitutional Expenditures!

As is my wont to increase readership and understanding, this article covers only a small part of the issues facing us, but they are the most important. Dangerous possibilities do exist from criminal invaders and Communist gangs, so don't forget to have emergency food, an AR 15 or 12 gauge and plenty of ammunition!

Coup in 1913- Income Taxes Replaced Tariffs, Destroying the Constitution

The 1913 Coup resulted in the government being funded by income taxes rather than by tariffs/excise taxes, which had funded the government since the founding. At the same time we also got the unconstitutional Privately-Owned Federal Reserve Bank and Tax-Free Foundations, which were an essential part of the Coup to enslave us.

Trump's Great Respite from Tyranny Precedes Civil War II and Financial Armageddon

No one of either party can question the fantastic start of President Trump's return to power. He is following his promises by the numbers. I think a majority of the people believed that if Trump was not in office that we would soon be in a civil war, followed by financial Armageddon. It is my strong belief, supported by many experts, that ...short of a miracle...President Trump has only given us a brief respite.

As a Disabled 90-Year-Old Legally-Blind Veteran, I had an Epiphany at the VA

I welcome comments from my readers. I write my articles to be informative and to give the readers something to pass on to their elected officials. Most elected officials have demonstrated their contempt for you and the Constitution; their only interest is power and blood money. Let them know with this article how we feel about them.

Trump Can Save the Republic and the Economy, While Draining the Swamp Without Legislation

Except for the Federal Reserve Bank, all of these departments are powers retained by the states and usurped by the federal government. The Federal Reserve Bank is non-constitutional and privately-owned. Trump can eliminate it with a stroke of his pen, without Congress. Congress could not and will not terminate these departments because their Swamp paymasters would not allow it.

Federal Government has No Legal Right to Function as a Criminal Enterprise

In a few words, President Trump has the constitutional power to reinstate the Republic in all its glory without the help of Congress or anyone else. But President Trump has not indicated that he will do it. His present plans will not drain swamp or avoid a catastrophic economic decline. More on this in the next article.

250,000 Military in 150 Countries are at Risk of Dying for Profits

How can you say that our military dead were not killed defending our country? They in fact died thinking they were defending America, and this is what they were told. This was a damned lie. This fact in no way demeans their sacrifice and heroism or our appreciation of their service.

Congressmen Who Vote For

Unconstitutional Laws Are Traitors!

Congress continues to operate as a CRIMINAL ENTERPRISE by ignoring the Constitution and financing invaders, which is also Constitutional Treason. Congress continues to fund countless unconstitutional departments and functions of the federal government to centralize power and impoverish the people.

It is Impossible for Trump to Drain the Swamp Unless He Obeys the Constitution!

Let me also state that it will be impossible for Trump to drain the swamp or avoid devaluation and a great depression unless he follows the Constitution in all respects. I will support President Trump as long as he takes this unique and rare opportunity (first time in history) to return to a Constitutional government and economic stability.

You Must Know Your Enemy –

Most Don't

Your enemy is the Parasitic Super-Rich Ruling Class (PSRRC), consisting of wealthy families and individuals. They rule the world through their control of corporations, media, Congress and bureaucrats in the administrative state. The PSRRC is also supported by the judiciary who think they are the law, and do not honor their Oath to the Constitution.

Should Traitors in Congress Be Charged With Treason and All Manner of Crimes?

A majority of Congress is charged with Treason for giving aid and comfort to enemy invaders by allowing open borders, failing to deport them, and paying to support invaders at the expense of Americans. All of which is unconstitutional. Article III, Section 3, Clause 1: Treason against the United States, shall consist only in levying War against them, or in adhering to their Enemies, giving them Aid and Comfort.

Can We Return to “The American Dream” and a

Constitutional Republic Without a Revolution?

Our only impediments to unlimited prosperity and justice in America are the ignorant, apathetic and indolent who believe in a free lunch without work, and a government usurped by the corrupt, murderous and incompetent for money and power. Costs of corruption, mass murder and Marxist indolence are exorbitant. Returning to the Constitutional Republic will restore our rights and more than double our prosperity.

Corruption Of Congress: UAW Forces Us Into Stack and Pack Housing Without Autos

Congress, UAW Leadership and Auto Companies have proven by their actions to be Enemies of the people and a Criminal Enterprise. They are demanding that Americans buy expensive electric vehicles (EV) that most can't afford (even with the government subsidies). If the people could afford them we lack the capacity to produce and deliver the electricity required.

Demand Change Now Before

Government Collapses and You Starve in a Civil War

I pray for the people who live in Democrat/Communist cities. These people are underfed, under-employed, under-educated, dependent, victims and perpetrators of crime, brainwashed, and self-inflicted casualties of a corrupt and incompetent Marxist government that is unconstitutionally financed by taxes from the Red (free) states. They are Lenin's "Useful Idiots"

We are Turkeys Waiting for Thanksgiving!

These are vicious blood-thirsty people who are responsible for killing millions and destroying entire countries for profits and power. They will kill you if required to remain in power unless you find your balls and get off your ass.

To Hell On a Mortar Board

Over a quarter-century ago when I was an assistant professor, I wrote a paper for Florida Trend titled "To Hell On A Mortar Board." I pointed out many of the shortcomings in higher education, to which my faculty associates took serious exception. This sequel will point out much more serious problems with higher education, of a different nature.

A Macro View of Growth, Corruption, Subjugation, and Renewal of the Republic

President Trump was using tariffs to return jobs to the United States and to end wars. No other President in my lifetime had the balls to attack the these major income sources for the PSRRC. This is why the PSRRC, who owns the media and government, has been doing everything to destroy him.

Police Can't Protect You! Citizens Must Secure 'You Loot, We Shoot' Legislation

Remember that we live in a Republic, and we need to get it back. We don't live in a Democracy which always fails and is nothing but mob rule. Democracy in America only means the right to vote in a Republic.

Failure to Use Constitutional Tariffs to Protect Wages, Jobs and Industry is Criminal

A return to tariffs and the Constitution would reduce government expenditures by at least 50%, and double the living standard of the people bringing peace to the world. Of course, this would not apply to those who could work but who refuse; they would starve or be in prison.

Definition of Congress: Venal Traitors, Second only to Judas Iscariot

You really have no choice, if you have a brain and like to eat and live. I do a lot of reading, and I have learned that every major Economist that I know believes that, unless changes are made soon, the government and all their programs will collapse. This would cause a Civil War.

Politicians that Take Big

Donor Money Will Not Get Our Vote, It's A Matter of Loyalty

We must all stand up to be counted and vociferously demand that Congress follow the Constitution. If you don't effectively and vehemently convince Congress to do right, you will be supporting a dictatorship and/or a Civil War, similar to the French Reign of Terror, and it will be your fault, simple as that.

Are UAW and Auto Companies Ignorant or Corrupt for Refusing Tariff Protection?

The average citizen can't afford an EV, even with government subsidies. The only purpose for EVs is to impoverish the people and ultimately to force them to use public transportation and public housing, like the poor slobs in the Communist Democrat Cities.

Millions Died From Shots,

Blood Clots, Masks That Didn't Work, Now They're Doing It Again?

Among those 80 problems are Myocarditis, Blood clots, Autoimmune Disorders, Fertility problems, Female Disorders, Reduction of the Immune system, and accelerated Cancer. This paper does not purport to cover even most of damage done by this vaccine. At my age, I would be dead if I got the shot because it would harm my immune system.

Get Off Your Butt and Demand Your Rights Before Your Family Starves

I am aware that many people, like 'woke' college-educated women, don't like President Trump because of how he talks, his many foibles, and the PSRRC's continuous vilification, framing and smearing by the media and the corrupt justice department.

Bribed Congress Enacts

Unconstitutional Laws and Spends Trillions Unlawfully

Some writers estimate that for the last 100 years, 70% of federal laws were unconstitutional. The bottom line is simply that most members of both parties in congress are whores and traitors who sold out the people. The courts are not much better.

Military Dead 108,866, Wealth Looted, Freedoms Denied By Parasitic Rulers

The military industrial complex of the PSRRC counts their blood money, we count our dead, and the decline in our purchasing power required to finance the wars for profit and care for the disabled. Of course our losses are the PSRRC's gain.

We Have Been Given the Royal Communist Shaft With Barbwire

Clusters

Remember, nullification is the original right of self defense; it is a natural right. Nullify all UNCONSTITUTIONAL LAWS by not obeying them and suing government. Find your balls and let the enemy hear from you before it is too late!

Want to Save America? Short of Revolt, We Have to Play Hardball!

The powerful truth is that if Patriots make their feelings effectively known to legislators, sue them and ignore their fake laws, it will then become impossible for the Criminal Enterprise masquerading as a legitimate Government to exist.

Lazy Wimps & Freeloaders Want A Free Ride From Patriots

Common law is based upon the bible and precedents which are in turn God's Laws in the Bible. Communists detest religion as do their many acolytes in the inner-city plantations. Without exposure to God's Laws they don't know the Common law or right from wrong, or don't give a damn. This is why many people are writing off this generation of young people under Communist

control.

The Constitution and the Criminal Enterprise

Invaders speak no English, have no education or skills and only bring disease, dependence and crime. The cost to deport the invaders will be high, but less than allowing them to remain. Otherwise, we will end up like France and most of Europe. If invaders remain until the widely-predicted Great Depression, there will be blood in the streets and fighting over food.

A Patriot's View of Root Causes of Tyranny and How to Defeat Them

There are only a few root causes for the replacement of our Constitutional Republic by an Unlawful Criminal Enterprise comprising most of the three branches of federal government, which has no legal standing whatsoever.

Was it Payoffs or Cowardice by Union Leaders Who Didn't Use Tariffs to Protect Workers?

If I were a younger man, I would work for a union because that is the future solution to many of today's problems. I would organize it down to the last member. There would be constant interaction with members, and recruiting would be objective number one. We would have a modern office specializing in public relations.

Probabilities and Brutal Reality, Based upon Experience and History

Illegal invaders who speak no English, have no skills or education and bring only diseases, crimes, and dependence, represent a dangerous element to our society. Citizens already resent them for their superior claim on scarce resources and government largess. I can imagine blood in the streets when invaders are fighting citizens over almost non-existent food supplies. Can't you?

Income Taxes Replaced Tariffs to Screw the People and Destroy Millions for Profits

Our real enemy is the Parasitic Super-Rich Ruling Class (PSRRC), using fake government functions and authority to suck the blood from Americans! Their dirty work is carried out by the 'woke' corporations and bribed officials in both parties in all three branches of government.

Why are Woke Corporations Not Acting to Benefit the People, or this Republic?

Corporate money is used to bribe every member of government in both parties from all three branches of government that are required for total control. These criminals are protected by a two-tier criminal justice system (why do you think they call it that??), and there can be no justice or remedy allowed for dissenters to access. You know this is true: there is NO JUSTICE!

San Francisco Is Destroyed! To be Followed by New York, Chicago, Etc.

We should finance the federal government with tariffs that would generate good middle-class jobs (as in the past) and eliminate need for income tax. If we retained the income tax, we should give it to the states to compensate them for performing the state functions unlawfully and unconstitutionally usurped by the federal government.

To Vote for a President Who Can't Prove His Independence from "The Establishment" is Voting for Civil War!

The information in this paper is as correct and truthful as I could make it. But it will have been a waste of time if readers don't use it to hold any candidate's feet to the fire. Please forward to your friends. Our survival as a nation depends on this understanding, and taking the appropriate actions.

Enforcing Constitutional “Enumerated Powers” Will End Major Government Crimes!

You need only look at the major Democrat cities to observe the rapid decline in public safety and quality of life to determine that the end is near. The cost of millions of illegal invaders to the cities is the final straw for the cities.

Both Parties in Congress are Hopelessly Corrupt, Unlawfully Spending Our Money

President Trump is far from perfect. But he is certainly not the man falsely-portrayed by left-wing media, vilified, lied about, framed and constantly persecuted with bogus charges. Is it any wonder that the ignorant masses have been brainwashed to hate him?

Your Life Will Be Destroyed

When Government Can't Borrow or Print Money With Value!

'Woke' corporations bribe our officials, promote wars for profit, pay Antifa and BLM to burn our cities and their competitors, destroyed our middle-class by outsourcing, opened borders for cheap labor, promoted anti-God and anti-American propaganda with transgenderism, and manipulated fiat money to impoverish the people.

Cities are Incubators for the Ignorant and Violent Communists

It has been reported that San Francisco lost 49% of its small businesses. Permanently. All of this is part of the plan to impoverish everyone and concentrate control with the Parasitic Super-Rich Ruling Class (PSRRC), wealthy families, their minions in 'woke' corporations, and government.

Only Fools, Cowards, and Duped Obey the Blood-Sucking

Fake Government

Those who do nothing are de facto supporters of the Machine (fake government). There is no free lunch. History indicates that their situation could be similar to the tens of thousands who remained loyal to King George during and after the Revolutionary war; it was not pretty.

The Aftermath when “The Machine” (Fake Government) is Gone

One of the major causes of the economic collapse are the financial conglomerates that produce nothing and have destroyed the American Dream (home ownership and equity) for average Americans. They caused a housing bubble by buying homes and apartments, then leaving them empty for the appreciation they generated.

Our Constitution is Unique, Highly Valued and our Most Powerful Asset

My objective in writing is to make people more aware of the power of the Constitution and how they are being screwed. No

one likes to read long articles so I try to keep my writing succinct and interesting. I hope that my writing motivates people to read the work of scholars of the Constitution to learn more details and specifics as a method to survive the coming times.

Stop Using Workers' Taxes to Unlawfully Support the Indolent

In a few words, the Democrats have been using income taxes and faux government departments and laws as a means to support the indolent, thugs, and "victims" in the Communist cities. I repeat, the taxes are from working Americans. Remember Communism works until it runs out of other people's money.

Wake up! Double Your Income by Taking Back our Constitutional Republic from the Blood Suckers!

You must first know your enemy, and they are the Blood-Sucking Parasitic Super-Rich Ruling Class (PSRRC), wealthy families and their Communist minions who have been the enemies of the

Republic since its founding.

Can We Arrest, Prosecute, and Jail Criminal Officials?

One thing is certain. It is a rare occasion when either the media or government reports the truth about anything. This is why many of our people are brainwashed, apathetic, ignorant and believe in the fairy tale of Communism.

Tariffs are a Benefit Second Only to God

Regular readers know that I break down complex subjects into one or more articles. My primary purpose in writing is to give Patriots information they can use. I make no attempt to inform Lenin's "Useful Idiots" of anything, because they will not be receptive to such insights until they are starving.

Are the "Parasitic Super-Rich

Ruling Class” the Terminal Enemies of the People?

The Federal Government is on the verge of either outright default or inflating away the debt which has the same result: loss of all government benefits, Social Security, Medicare, Retirement, savings, et al. To put off the inevitable and to ENSLAVE everyone, government will attempt the use of another unconstitutional “money” known as digital currency.

We Can Return to Prosperity without Income Taxes

Tax-Free Foundations are the most evil and harmful institutions in our country. They allow the PSRRC to park their assets tax-free forever. The foundations can then control the ‘woke’ corporations and the world. They can and do fund crazy schemes such as depopulation, etc. Collectively, they are independent of any government and more powerful than most. Tax-Free Foundations must be terminated!

Resist Tyranny Effectively, Legally, and Safely...Which I

Did

My purpose in writing is to give patriots the knowledge and ability they need to LEGALLY RESIST the unlawful usurpers of our Republic who rule by the barrel of a gun and not by the Constitution. I have long since learned that it is impossible to inform Lenin's "Useful Idiots"; they can only learn by starving, and history reports that they will soon get that opportunity.

States Have More Constitutional Power than the Faux Federal Government

This title is absolutely true in all respects. The States are our only hope; they are Sovereign with far-superior Constitutional powers than the Federal Establishment, which is a creature (creation!) of the states, and is limited to only a few Enumerated Powers in the Constitution, the Supreme Law of The Land.

How Patriots Can Effectively Resist Tyranny Without Direct

Confrontation, Threats, or Danger

Most people only have a vague idea of their true Enemy's identity. The Enemy of the people in the United States and indeed the world is the Parasitic Super-Rich Ruling Class (PSRRC), the wealthy families who control the 'woke' corporations that bribe our government officials in both parties.

Will the Government Stop Income and Medical Care for Half the Population?

The most important thing for you to learn from this paper is that your support by government and all economic activity is rapidly declining to next to nothing (maybe overnight). You have only two choices. Sit on your ass and starve forever as a slave, or get a backbone and resist these usurping traitors in a lawful and Constitutional manner! That is the only way to return to real prosperity and justice.

Weapons Government Traitors

Use: Big Lies, False Flags, and Projection

It is estimated that about half of our population is brainwashed and under control of the PSRRC, 'woke' corporations and government. These are Lenin's "Useful Idiots" who are ignorant (regardless of education) and will only learn the truth when they are starving.

Refuse to Comply With Unconstitutional Laws

I have never advocated the use of force to overthrow a government, even this one, which is neither legitimate nor Constitutional. I have nothing but contempt for most Legislators and "officials", as they have sold out The People and destroyed our Republic.

Will Lenin's "Useful Idiots" Be Ignorant Forever?

You can't say that people living in Democratic Inner- City "Plantations" are stupid, but they certainly are ignorant of the facts. One must pity the people that are so thoroughly brainwashed by schools and media to love the Democrats who

enslaved them, and continue to put them down while blaming others.

There is No Hope for Lazy, Cowardly People

It's simple. If the usurped government can't get citizen compliance with unconstitutional orders, they can't govern. This is your responsibility! Act now and suffer in the short run, or do nothing and suffer forever.

Most Governors are Cowards, Liars and Corrupt

A last word to old duffers like me: You must accept the fact that the Parasitic Super Rich Ruling Class and their Communist minions consider us to be 'Useless Eaters' to be exterminated as soon as possible, by any means possible. We saw that recently when they killed us off in nursing homes. In Canada, they will give you a pill to die and encourage you to take it!

Open Borders, Promoting and Caring For Invaders is Constitutional Treason

Nothing so harmful and destructive has ever been done to our country and its people before, not even the 2 World Wars...nothing! America's borders must be closed and the invaders deported, or the country as we knew it is over. All of the sacrifices and deaths for the Republic since its founding will have been in vain.

Open Letter To Supreme Court Justice Clarence Thomas (SCOTUS)

Justice Thomas, I know you to be a good, even great man and I know you are one of the few who has the position, intellect and courage to save our country from total ruin. We are close to a Major Economic Collapse of a magnitude never seen in America which will leave us devastated.

We are Ruled by the Barrel of

a Gun, Not our Constitution

Conclusion: 60% or a majority of federal budget is an unconstitutional fraud on the people. The legitimate agencies spend no more than government revenue, with no deficit. If our worthless, ineffective, corrupt, cowardly and despised officials in state and federal government followed the Constitution, we could end the income tax and return to tariffs.

Criminal Legislators Enact Mostly Unconstitutional Laws to Enrich Donors & Impoverish “We The People”

History reports that corrupt legislators and other officials will only honor their Oaths to the Constitution when the cowards believe their careers are at risk. Our task is to convince them that they are despised and must do Right (without the pitchforks)! I pray that it can be accomplished, for the alternative is too terrible to contemplate.

Communists Are Now in Charge,

Can We Win Back This Republic?

I am a Patriot and an 88 year old, legally-blind disabled veteran with a modicum of education and experience. My writing is based upon this, and my knowledge of History, Economics and The Constitution. At my age, I don't have time for BS, so I call a spade a spade.

No Governor Honors his Constitutional Oath; DeSantis may be Best But He's NOT Ready for Presidency!

I am a Patriot Writer from Flyover Country Florida, as such my words are primitive and direct, lacking the polish and obfuscation of the Ivy League. I pity the brainwashed Communists among us, for they know not what they believe, and will starve and die at the hands of their own.

Our Constitution, Rule of Law

and GOD are Supreme

The former chairman of the Federal Reserve said in a speech that they caused the great Depression. This means that if you had hard working relatives in this country around 1913 they should have left you some money if not for the Federal Reserve. Of course the great depression was a big benefit to the Establishment who took advantage of the people.

Our Great Constitution Is Used As A Front For Traitors?

None of this would be possible without corrupt government agencies like the FBI and DOJ. Of course the Supreme court is in the tank along with all the other traitors. There is a consensus among patriots that the FBI must be terminated and its employees should never be allowed to work for government again.

“We The People” Are Mostly Sheep, Ruled By Unconstitutional Officials

Putin may be a dictator, but he is ruthless in defense of Russia, The Ukraine war was caused by our government and fake

media. Period! “We The People”, here and in Europe are being rapidly impoverished by the war. Millions are dying and the PSRRC is laughing all the way to the bank.

Patriots Want Work & Freedom, Socialists Want Guaranteed Income For Not Working

Experience is by far the best teacher but the tuition in bloodshed and destruction from confrontation is too exorbitant to contemplate, so lets not go to war and settle this in a fair and Constitutional Election. If it is not fair it will be our last election.

How to Interact With the Corrupt FBI

If our judges followed the Constitution many FBI agents and government officials would be in jail and sued for their last dime. Many innocent American victims of Unconstitutional laws will seek compensation. It will be many victims because a majority of federal laws are unconstitutional.

Demand Your Legislators Obey The Constitution, Or Else

Legislators work for you. Either you know this, and get in their face and demand they obey the Constitution or you are a cowardly ignorant apathetic slob who deserves to starve, and are a disgrace to those who died to give you this Republic.

DeSantis can be President by Demanding a Return of Tariffs, Ending the Income Tax

Florida Governor DeSantis has taken a number of actions favorable to the people, but like all the other State Governors, has failed to get the Feds out of state functions unconstitutionally usurped by the Feds. [Usurped: take illegally or by force] This failure by our Governors can only be for one or all of the following reasons...

Government That Doesn't

Comply With the Constitution is Illegitimate

To the best of my ability, I have been very careful to be certain that everything I say in this article is truthful and verifiable in accordance with the law. If the FBI should come for me, it will be just another bogus example of the politicized FBI acting under "Color of Law" with no lawful jurisdiction or authority.

My Message to the Traitors – I Will Not Comply

We must resist this unconstitutional occupation by a private, foreign corporate entity pretending to be our National Government in every LAWFUL way! The following is what I am doing. I pray that American Citizens have the courage to emulate me.

Is There a Way To Save Our Republic From the Traitorous Usurpers?

The corrupt usurping traitors who control our federal establishment with the barrel of a gun will not appreciate

what I said here. But I have only exercised my rights to freedom of speech, and I have not advocated violence or the overthrow of Constitutional government, nor have I committed federal crimes.

“Under The Color of Law”

Our Constitution gave the federal government no police powers in the states, absolutely none. Constitution specifies that “federal laws” are to be enforced by the Militia of the Several States. But elected officials abolished the Militia with the unconstitutional Dick Act.

I For One Refuse To Comply With Federal Laws That Are Blatantly Unconstitutional!

It is my opinion based on observation, study and history that the PSRRC, politicians, bureaucrats, judges, academics and large corporations are destroying this country and its people. History teaches us that when you take everything away from people and they have nothing to lose, that the people will revolt until only ashes remain.

Patriot's Agenda for Return of Constitutional Republic

The preferred method is to elect patriotic officials who are dedicated to protecting the Rights of the People, and who will force the Federal Establishment to conform to all original specifications of the Constitution. The only other option is Guerilla Warfare and resistance to all unconstitutional laws.

Sheriff Has the Power and is Your Last Best Defense

Every citizen in the United States is in real fear for their lives and freedoms from a lawless unconstitutional federal government; it has usurped powers of the states to the extent that a MAJORITY of "federal laws" are unconstitutional. Powers of the Federal Government are Enumerated in the Constitution, and apply ONLY to Immigration, Foreign Relations, Commerce, Currency, Post Office, and Defense.

You Loot or Burn, We Shoot To Protect Our Lives and

Property

Honest working citizens have a Constitutional right to Life, Liberty and the Pursuit of Happiness. Criminals have NO right to destroy citizen's hard earned livelihoods by looting and burning.

Commie Politicians Deny Your Right To Self-Defense

The Kenosha police were nowhere to be seen. Police maintain that they didn't have the manpower to stop the destruction. That is a damn lie! With proper police power, they could have stopped it quickly, but political superiors wanted the destruction for political and business objectives.

Facts to Help You Survive the Planned Economic Collapse

It is critical that you know your enemy to have a chance at survival. In a few words, the ENEMY of The People is the Parasitic Super Rich Ruling Class (PSRRC), $\frac{1}{4}$ of 1%, owners of stock, who control large mostly anti-American corporations, that in turn control government, media and BOTH political parties with money.

Powers and Related Laws Usurped from States are Unconstitutional Attempts to Centralize All Power

The Constitution reserves ALL powers to the States and to The People, except for Defense, Foreign Relations, Immigration, Currency, Post Office, Commerce and some housekeeping functions. Federal government has these Enumerated Powers Only.

Should Blatant In-Your-Face Treason be Ignored?

There can absolutely be no question that TREASON as defined in our CONSTITUTION is being committed by Biden, "THE USURPER", and by government employees who give and take orders to aid and comfort illegal invaders. But how do you prosecute the treason when all three branches of the federal government are compromised and unconstitutional?

Are Tax-Free Foundations Parasitic Whores in Sheep's Clothing?

Communists and the Parasitic Super Rich Ruling Class (PSRRC) are attacking us with Deceit, Deception and Destruction using the Income Tax (TAX), Private Federal Reserve Bank (FRB), and Tax-Free Foundations (TFF). Due to the failure of our Communist schools and media to teach the truth, I must put all of this into proper context...which will be a surprise to most people.

The Truth About The Privately Owned Federal Reserve Bank

The Private Federal Bank is the root of all evil, it is unconstitutional and owned by the PSRRC. The FRBs ability to print unlimited quantities of Fiat Dollars permits all types of stock market scams, transfers the peoples wealth to the PSRRC, finances unjustified wars for profits of the PSRRC's Military Industrial Complex, allows graft from...

Too Many Governors are

Corrupt, Incompetent and Cowardly

As I have written, our Constitution stipulates that the federal government has little or no authority in the states. Patriotic governors with courage would kick the usurping Federal Government interlopers out of the states, and arresting them if they persist.

Biden is Intensely Hated and Despised

Citizens of both parties realize that Democrat and Republican elected officials are incompetent, corrupt and cowardly. BOTH parties are controlled by the PSRRC. People have heard about the old days when these criminals could expect pitchforks, tar and feathers.

Militia of the Several States to Replace Tyrannical Judiciary?

You can never control corruption because the FBI is the most corrupt, incompetent, and expensive so-called police force in the world. Even if we had effective law enforcement, we would

still be at the mercy of the PSRRC because our courts are compromised.

Biden, "The Usurper" Declared War on America

When you add together the number of employees fired, and those that are paid with Fiat dollars not to work, you have a serious decline in production of goods and services. This results in serious inflation, shortages, decline in value of the fiat dollar, economic and stock market collapse, et al. all of which can occur overnight.

Critical Mass

It is my duty, obligation and right to exercise my freedom of speech to report my honest appraisal of circumstances. I pray that Donald Trump was not our last President. I welcome all comments except those calling me a racist for telling the truth. I am not a racist and neither is my country, even though it elected a Black racist as president, twice.

Majority of Government Was Fake, Now it's all Fake

Our Declaration of Independence and Constitution remain as the Supreme law of the Land. In simple terms the only valid laws remaining in force are those of the states, and our founding documents. The Unconstitutional Election Insurrection effectively removed any authority or semblance of our Republic.

No Pity for the Ignorant and Apathetic

Don't you think it would be much better if people learned the truth, and helped take back your country from the parasitic super rich ruling class and their powerful Communist minions, before they kill you, and destroy everything we cherish?

Why and How We Take Back Our Country

Most people are under the false impression that government officials, politicians, corporate officials, military flag officers, judges, bureaucrats, et al. are the true rulers of our country. They are not, they are only the well bribed

minions taking orders from the PSRRC which they dare not disobey for fear of dire consequences.

Know at Least These Five Things to Survive

As an Economist I can tell you with absolute certainty that the ruling class, has caused another great depression for their benefit, due any day, tomorrow morning would not surprise me. I know of no knowledgeable person who disagrees with this conclusion.
