

Our Current Situation and Pending Mostly Catastrophic Issues

We remain on the brink of Economic and Financial ruin if Trump's Heroic, Bold and Go-for-Broke Policies are not successful . We really have no choice. These policies were designed to, among other things, return manufacturing jobs to the United States, reduce inflation, and reduce our foreign exchange trade deficits.

Open letter to VA Secretary Doug Collins

I have read your statements pledging to benefit Veteran's Care. Much of what you have done is beneficial and I am sure is in good faith. But, you can't continue the terror felt by most employees forever. It is demoralizing.

Only Communists and Idiots Prefer Income Tax Rather Than

Tariffs

Again, as is my wont, I have covered only some of the key points, otherwise I would have to write a book for far fewer readers. I have noticed that few federal officials are aware of some of the points covered. My compensation for the time and risk of writing is for readers to voluntarily forward articles to federal officials who would appreciate it as much as the devil appreciates the cross.

Military Used For 80 Years as CORPORATE MERCINARIES, Never for National Security

I will continue to write what I determine to be useful and lawful truth. If the FBI remains corrupt and comes after me, so be it. In the meantime please use my articles to inform your members of congress. Most members of congress will appreciate this information as much as the devil appreciates the Cross.

This is An Easy Way to Do Your Duty to Send Your Orders

to Congress

It is usually difficult for the average person to find the time to collect the information required and format it to give his or her orders to their elected representatives. I have attempted to do the work for you in a simple format that allows you to add or subtract items as you desire. See the suggestions below. Then all you do is mail or email to your elected members of Congress.

Trump is Obeying Only Parts of the Constitution, Guaranteeing Armageddon and Dystopia!

It is impossible to return to a Constitutional government with prosperity if you don't adhere to the Constitution, ALL OF IT. Income Taxes also make a Constitutional Government impossible.

Income Tax is the Root of All Evil, Making a Constitutional

Republic Impossible

I am writing on this subject again in greater detail, because we can never prosper in freedom while we are governed by the existing Criminal Enterprise, using income taxes against us. God bless President Trump for doing more than any other president to drain the swamp.

Eighty Years of Unconstitutional Wars Required Income Tax & Corrupt Congress

A majority of Congress is complicit, corrupt, well-bribed and swimming in the blood of millions of dead innocents and 105,000 of our military. No group in history is more contemptible than a majority of the blood-sucking Congress that have no ethics, morals, honor or redeeming qualities whatsoever.

Terminate Income Tax and all Unconstitutional

Expenditures!

As is my wont to increase readership and understanding, this article covers only a small part of the issues facing us, but they are the most important. Dangerous possibilities do exist from criminal invaders and Communist gangs, so don't forget to have emergency food, an AR 15 or 12 gauge and plenty of ammunition!

Coup in 1913- Income Taxes Replaced Tariffs, Destroying the Constitution

The 1913 Coup resulted in the government being funded by income taxes rather than by tariffs/excise taxes, which had funded the government since the founding. At the same time we also got the unconstitutional Privately-Owned Federal Reserve Bank and Tax-Free Foundations, which were an essential part of the Coup to enslave us.

Trump's Great Respite from Tyranny Precedes Civil War II

and Financial Armageddon

No one of either party can question the fantastic start of President Trump's return to power. He is following his promises by the numbers. I think a majority of the people believed that if Trump was not in office that we would soon be in a civil war, followed by financial Armageddon. It is my strong belief, supported by many experts, that ...short of a miracle...President Trump has only given us a brief respite.

As a Disabled 90-Year-Old Legally-Blind Veteran, I had an Epiphany at the VA

I welcome comments from my readers. I write my articles to be informative and to give the readers something to pass on to their elected officials. Most elected officials have demonstrated their contempt for you and the Constitution; their only interest is power and blood money. Let them know with this article how we feel about them.

Trump Can Save the Republic and the Economy, While

Draining the Swamp Without Legislation

Except for the Federal Reserve Bank, all of these departments are powers retained by the states and usurped by the federal government. The Federal Reserve Bank is non-constitutional and privately-owned. Trump can eliminate it with a stroke of his pen, without Congress. Congress could not and will not terminate these departments because their Swamp paymasters would not allow it.

Federal Government has No Legal Right to Function as a Criminal Enterprise

In a few words, President Trump has the constitutional power to reinstate the Republic in all its glory without the help of Congress or anyone else. But President Trump has not indicated that he will do it. His present plans will not drain swamp or avoid a catastrophic economic decline. More on this in the next article.

250,000 Military in 150

Countries are at Risk of Dying for Profits

How can you say that our military dead were not killed defending our country? They in fact died thinking they were defending America, and this is what they were told. This was a damned lie. This fact in no way demeans their sacrifice and heroism or our appreciation of their service.

Congressmen Who Vote For Unconstitutional Laws Are Traitors!

Congress continues to operate as a CRIMINAL ENTERPRISE by ignoring the Constitution and financing invaders, which is also Constitutional Treason. Congress continues to fund countless unconstitutional departments and functions of the federal government to centralize power and impoverish the people.

It is Impossible for Trump to Drain the Swamp Unless He

Obeys the Constitution!

Let me also state that it will be impossible for Trump to drain the swamp or avoid devaluation and a great depression unless he follows the Constitution in all respects. I will support President Trump as long as he takes this unique and rare opportunity (first time in history) to return to a Constitutional government and economic stability.

You Must Know Your Enemy – Most Don't

Your enemy is the Parasitic Super-Rich Ruling Class (PSRRC), consisting of wealthy families and individuals. They rule the world through their control of corporations, media, Congress and bureaucrats in the administrative state. The PSRRC is also supported by the judiciary who think they are the law, and do not honor their Oath to the Constitution.

Should Traitors in Congress Be Charged With Treason and All Manner of Crimes?

A majority of Congress is charged with Treason for giving aid and comfort to enemy invaders by allowing open borders,

failing to deport them, and paying to support invaders at the expense of Americans. All of which is unconstitutional. Article III, Section 3, Clause 1: Treason against the United States, shall consist only in levying War against them, or in adhering to their Enemies, giving them Aid and Comfort.

Can We Return to “The American Dream” and a Constitutional Republic Without a Revolution?

Our only impediments to unlimited prosperity and justice in America are the ignorant, apathetic and indolent who believe in a free lunch without work, and a government usurped by the corrupt, murderous and incompetent for money and power. Costs of corruption, mass murder and Marxist indolence are exorbitant. Returning to the Constitutional Republic will restore our rights and more than double our prosperity.

Corruption Of Congress: UAW Forces Us Into Stack and Pack

Housing Without Autos

Congress, UAW Leadership and Auto Companies have proven by their actions to be Enemies of the people and a Criminal Enterprise. They are demanding that Americans buy expensive electric vehicles (EV) that most can't afford (even with the government subsidies). If the people could afford them we lack the capacity to produce and deliver the electricity required.

Demand Change Now Before Government Collapses and You Starve in a Civil War

I pray for the people who live in Democrat/Communist cities. These people are underfed, under-employed, under-educated, dependent, victims and perpetrators of crime, brainwashed, and self-inflicted casualties of a corrupt and incompetent Marxist government that is unconstitutionally financed by taxes from the Red (free) states. They are Lenin's "Useful Idiots"

We are Turkeys Waiting for Thanksgiving!

These are vicious blood-thirsty people who are responsible for killing millions and destroying entire countries for profits

and power. They will kill you if required to remain in power unless you find your balls and get off your ass.

To Hell On a Mortar Board

Over a quarter-century ago when I was an assistant professor, I wrote a paper for Florida Trend titled "To Hell On A Mortar Board." I pointed out many of the shortcomings in higher education, to which my faculty associates took serious exception. This sequel will point out much more serious problems with higher education, of a different nature.

A Macro View of Growth, Corruption, Subjugation, and Renewal of the Republic

President Trump was using tariffs to return jobs to the United States and to end wars. No other President in my lifetime had the balls to attack the these major income sources for the PSRRC. This is why the PSRRC, who owns the media and government, has been doing everything to destroy him.

Police Can't Protect You! Citizens Must Secure 'You Loot, We Shoot' Legislation

Remember that we live in a Republic, and we need to get it back. We don't live in a Democracy which always fails and is nothing but mob rule. Democracy in America only means the right to vote in a Republic.

Failure to Use Constitutional Tariffs to Protect Wages, Jobs and Industry is Criminal

A return to tariffs and the Constitution would reduce government expenditures by at least 50%, and double the living standard of the people bringing peace to the world. Of course, this would not apply to those who could work but who refuse; they would starve or be in prison.

Definition of Congress: Venal Traitors, Second only to

Judas Iscariot

You really have no choice, if you have a brain and like to eat and live. I do a lot of reading, and I have learned that every major Economist that I know believes that, unless changes are made soon, the government and all their programs will collapse. This would cause a Civil War.

Politicians that Take Big Donor Money Will Not Get Our Vote, It's A Matter of Loyalty

We must all stand up to be counted and vociferously demand that Congress follow the Constitution. If you don't effectively and vehemently convince Congress to do right, you will be supporting a dictatorship and/or a Civil War, similar to the French Reign of Terror, and it will be your fault, simple as that.

Are UAW and Auto Companies Ignorant or Corrupt for

Refusing Tariff Protection?

The average citizen can't afford an EV, even with government subsidies. The only purpose for EVs is to impoverish the people and ultimately to force them to use public transportation and public housing, like the poor slobs in the Communist Democrat Cities.

Millions Died From Shots, Blood Clots, Masks That Didn't Work, Now They're Doing It Again?

Among those 80 problems are Myocarditis, Blood clots, Autoimmune Disorders, Fertility problems, Female Disorders, Reduction of the Immune system, and accelerated Cancer. This paper does not purport to cover even most of damage done by this vaccine. At my age, I would be dead if I got the shot because it would harm my immune system.

Get Off Your Butt and Demand Your Rights Before Your

Family Starves

I am aware that many people, like 'woke' college-educated women, don't like President Trump because of how he talks, his many foibles, and the PSRRC's continuous vilification, framing and smearing by the media and the corrupt justice department.

Bribed Congress Enacts Unconstitutional Laws and Spends Trillions Unlawfully

Some writers estimate that for the last 100 years, 70% of federal laws were unconstitutional. The bottom line is simply that most members of both parties in congress are whores and traitors who sold out the people. The courts are not much better.

Military Dead 108,866, Wealth Looted, Freedoms Denied By Parasitic Rulers

The military industrial complex of the PSRRC counts their blood money, we count our dead, and the decline in our purchasing power required to finance the wars for profit and care for the disabled. Of course our losses are the PSRRC's

gain.

We Have Been Given the Royal Communist Shaft With Barbwire Clusters

Remember, nullification is the original right of self defense; it is a natural right. Nullify all UNCONSTITUTIONAL LAWS by not obeying them and suing government. Find your balls and let the enemy hear from you before it is too late!

Want to Save America? Short of Revolt, We Have to Play Hardball!

The powerful truth is that if Patriots make their feelings effectively known to legislators, sue them and ignore their fake laws, it will then become impossible for the Criminal Enterprise masquerading as a legitimate Government to exist.

Lazy Wimps & Freeloaders Want A Free Ride From Patriots

Common law is based upon the bible and precedents which are in turn God's Laws in the Bible. Communists detest religion as do their many acolytes in the inner-city plantations. Without exposure to God's Laws they don't know the Common law or right from wrong, or don't give a damn. This is why many people are writing off this generation of young people under Communist control.

The Constitution and the Criminal Enterprise

Invaders speak no English, have no education or skills and only bring disease, dependence and crime. The cost to deport the invaders will be high, but less than allowing them to remain. Otherwise, we will end up like France and most of Europe. If invaders remain until the widely-predicted Great Depression, there will be blood in the streets and fighting over food.

A Patriot's View of Root

Causes of Tyranny and How to Defeat Them

There are only a few root causes for the replacement of our Constitutional Republic by an Unlawful Criminal Enterprise comprising most of the three branches of federal government, which has no legal standing whatsoever.

Was it Payoffs or Cowardice by Union Leaders Who Didn't Use Tariffs to Protect Workers?

If I were a younger man, I would work for a union because that is the future solution to many of today's problems. I would organize it down to the last member. There would be constant interaction with members, and recruiting would be objective number one. We would have a modern office specializing in public relations.

Probabilities and Brutal

Reality, Based upon Experience and History

Illegal invaders who speak no English, have no skills or education and bring only diseases, crimes, and dependence, represent a dangerous element to our society. Citizens already resent them for their superior claim on scarce resources and government largess. I can imagine blood in the streets when invaders are fighting citizens over almost non-existent food supplies. Can't you?

Income Taxes Replaced Tariffs to Screw the People and Destroy Millions for Profits

Our real enemy is the Parasitic Super-Rich Ruling Class (PSRRC), using fake government functions and authority to suck the blood from Americans! Their dirty work is carried out by the 'woke' corporations and bribed officials in both parties in all three branches of government.

Why are Woke Corporations Not

Acting to Benefit the People, or this Republic?

Corporate money is used to bribe every member of government in both parties from all three branches of government that are required for total control. These criminals are protected by a two-tier criminal justice system (why do you think they call it that??), and there can be no justice or remedy allowed for dissenters to access. You know this is true: there is NO JUSTICE!

San Francisco Is Destroyed! To be Followed by New York, Chicago, Etc.

We should finance the federal government with tariffs that would generate good middle-class jobs (as in the past) and eliminate need for income tax. If we retained the income tax, we should give it to the states to compensate them for performing the state functions unlawfully and unconstitutionally usurped by the federal government.

To Vote for a President Who

Can't Prove His Independence from "The Establishment" is Voting for Civil War!

The information in this paper is as correct and truthful as I could make it. But it will have been a waste of time if readers don't use it to hold any candidate's feet to the fire. Please forward to your friends. Our survival as a nation depends on this understanding, and taking the appropriate actions.

Enforcing Constitutional "Enumerated Powers" Will End Major Government Crimes!

You need only look at the major Democrat cities to observe the rapid decline in public safety and quality of life to determine that the end is near. The cost of millions of illegal invaders to the cities is the final straw for the cities.

Both Parties in Congress are

Hopelessly Corrupt, Unlawfully Spending Our Money

President Trump is far from perfect. But he is certainly not the man falsely-portrayed by left-wing media, vilified, lied about, framed and constantly persecuted with bogus charges. Is it any wonder that the ignorant masses have been brainwashed to hate him?

Your Life Will Be Destroyed When Government Can't Borrow or Print Money With Value!

'Woke' corporations bribe our officials, promote wars for profit, pay Antifa and BLM to burn our cities and their competitors, destroyed our middle-class by outsourcing, opened borders for cheap labor, promoted anti-God and anti-American propaganda with transgenderism, and manipulated fiat money to impoverish the people.

Cities are Incubators for the Ignorant and Violent

Communists

It has been reported that San Francisco lost 49% of its small businesses. Permanently. All of this is part of the plan to impoverish everyone and concentrate control with the Parasitic Super-Rich Ruling Class (PSRRC), wealthy families, their minions in 'woke' corporations, and government.

Only Fools, Cowards, and Duped Obey the Blood-Sucking Fake Government

Those who do nothing are de facto supporters of the Machine (fake government). There is no free lunch. History indicates that their situation could be similar to the tens of thousands who remained loyal to King George during and after the Revolutionary war; it was not pretty.

The Aftermath when "The Machine" (Fake Government) is Gone

One of the major causes of the economic collapse are the financial conglomerates that produce nothing and have destroyed the American Dream (home ownership and equity) for

average Americans. They caused a housing bubble by buying homes and apartments, then leaving them empty for the appreciation they generated.

Our Constitution is Unique, Highly Valued and our Most Powerful Asset

My objective in writing is to make people more aware of the power of the Constitution and how they are being screwed. No one likes to read long articles so I try to keep my writing succinct and interesting. I hope that my writing motivates people to read the work of scholars of the Constitution to learn more details and specifics as a method to survive the coming times.

Stop Using Workers' Taxes to Unlawfully Support the Indolent

In a few words, the Democrats have been using income taxes and faux government departments and laws as a means to support the indolent, thugs, and "victims" in the Communist cities. I repeat, the taxes are from working Americans. Remember Communism works until it runs out of other people's money.

Wake up! Double Your Income by Taking Back our Constitutional Republic from the Blood Suckers!

You must first know your enemy, and they are the Blood-Sucking Parasitic Super-Rich Ruling Class (PSRRC), wealthy families and their Communist minions who have been the enemies of the Republic since its founding.

Can We Arrest, Prosecute, and Jail Criminal Officials?

One thing is certain. It is a rare occasion when either the media or government reports the truth about anything. This is why many of our people are brainwashed, apathetic, ignorant and believe in the fairy tale of Communism.

Tariffs are a Benefit Second

Only to God

Regular readers know that I break down complex subjects into one or more articles. My primary purpose in writing is to give Patriots information they can use. I make no attempt to inform Lenin's "Useful Idiots" of anything, because they will not be receptive to such insights until they are starving.

Are the "Parasitic Super-Rich Ruling Class" the Terminal Enemies of the People?

The Federal Government is on the verge of either outright default or inflating away the debt which has the same result: loss of all government benefits, Social Security, Medicare, Retirement, savings, et al. To put off the inevitable and to ENSLAVE everyone, government will attempt the use of another unconstitutional "money" known as digital currency.

We Can Return to Prosperity without Income Taxes

Tax-Free Foundations are the most evil and harmful institutions in our country. They allow the PSRRC to park their assets tax-free forever. The foundations can then

control the 'woke' corporations and the world. They can and do fund crazy schemes such as depopulation, etc. Collectively, they are independent of any government and more powerful than most. Tax-Free Foundations must be terminated!

Resist Tyranny Effectively, Legally, and Safely...Which I Did

My purpose in writing is to give patriots the knowledge and ability they need to LEGALLY RESIST the unlawful usurpers of our Republic who rule by the barrel of a gun and not by the Constitution. I have long since learned that it is impossible to inform Lenin's "Useful Idiots"; they can only learn by starving, and history reports that they will soon get that opportunity.

States Have More Constitutional Power than the Faux Federal Government

This title is absolutely true in all respects. The States are our only hope; they are Sovereign with far-superior Constitutional powers than the Federal Establishment, which is a creature (creation!) of the states, and is limited to only a

few Enumerated Powers in the Constitution, the Supreme Law of The Land.

How Patriots Can Effectively Resist Tyranny Without Direct Confrontation, Threats, or Danger

Most people only have a vague idea of their true Enemy's identity. The Enemy of the people in the United States and indeed the world is the Parasitic Super-Rich Ruling Class (PSRRC), the wealthy families who control the 'woke' corporations that bribe our government officials in both parties.

Will the Government Stop Income and Medical Care for Half the Population?

The most important thing for you to learn from this paper is that your support by government and all economic activity is rapidly declining to next to nothing (maybe overnight). You have only two choices. Sit on your ass and starve forever as a slave, or get a backbone and resist these usurping traitors in

a lawful and Constitutional manner! That is the only way to return to real prosperity and justice.

Weapons Government Traitors Use: Big Lies, False Flags, and Projection

It is estimated that about half of our population is brainwashed and under control of the PSRRC, 'woke' corporations and government. These are Lenin's "Useful Idiots" who are ignorant (regardless of education) and will only learn the truth when they are starving.

Refuse to Comply With Unconstitutional Laws

I have never advocated the use of force to overthrow a government, even this one, which is neither legitimate nor Constitutional. I have nothing but contempt for most Legislators and "officials", as they have sold out The People and destroyed our Republic.

Will Lenin's "Useful Idiots" Be Ignorant Forever?

You can't say that people living in Democratic Inner- City "Plantations" are stupid, but they certainly are ignorant of the facts. One must pity the people that are so thoroughly brainwashed by schools and media to love the Democrats who enslaved them, and continue to put them down while blaming others.

There is No Hope for Lazy, Cowardly People

It's simple. If the usurped government can't get citizen compliance with unconstitutional orders, they can't govern. This is your responsibility! Act now and suffer in the short run, or do nothing and suffer forever.

Most Governors are Cowards, Liars and Corrupt

A last word to old duffers like me: You must accept the fact that the Parasitic Super Rich Ruling Class and their Communist minions consider us to be 'Useless Eaters' to be exterminated as soon as possible, by any means possible. We saw that

recently when they killed us off in nursing homes. In Canada, they will give you a pill to die and encourage you to take it!

Open Borders, Promoting and Caring For Invaders is Constitutional Treason

Nothing so harmful and destructive has ever been done to our country and its people before, not even the 2 World Wars...nothing! America's borders must be closed and the invaders deported, or the country as we knew it is over. All of the sacrifices and deaths for the Republic since its founding will have been in vain.

Open Letter To Supreme Court Justice Clarence Thomas (SCOTUS)

Justice Thomas, I know you to be a good, even great man and I know you are one of the few who has the position, intellect and courage to save our country from total ruin. We are close to a Major Economic Collapse of a magnitude never seen in America which will leave us devastated.

We are Ruled by the Barrel of a Gun, Not our Constitution

Conclusion: 60% or a majority of federal budget is an unconstitutional fraud on the people. The legitimate agencies spend no more than government revenue, with no deficit. If our worthless, ineffective, corrupt, cowardly and despised officials in state and federal government followed the Constitution, we could end the income tax and return to tariffs.

Criminal Legislators Enact Mostly Unconstitutional Laws to Enrich Donors & Impoverish “We The People”

History reports that corrupt legislators and other officials will only honor their Oaths to the Constitution when the cowards believe their careers are at risk. Our task is to convince them that they are despised and must do Right (without the pitchforks)! I pray that it can be accomplished, for the alternative is too terrible to contemplate.

Communists Are Now in Charge, Can We Win Back This Republic?

I am a Patriot and an 88 year old, legally-blind disabled veteran with a modicum of education and experience. My writing is based upon this, and my knowledge of History, Economics and The Constitution. At my age, I don't have time for BS, so I call a spade a spade.

No Governor Honors his Constitutional Oath; DeSantis may be Best But He's NOT Ready for Presidency!

I am a Patriot Writer from Flyover Country Florida, as such my words are primitive and direct, lacking the polish and obfuscation of the Ivy League. I pity the brainwashed Communists among us, for they know not what they believe, and will starve and die at the hands of their own.

Our Constitution, Rule of Law and GOD are Supreme

The former chairman of the Federal Reserve said in a speech that they caused the great Depression. This means that if you had hard working relatives in this country around 1913 they should have left you some money if not for the Federal Reserve. Of course the great depression was a big benefit to the Establishment who took advantage of the people.

Our Great Constitution Is Used As A Front For Traitors?

None of this would be possible without corrupt government agencies like the FBI and DOJ. Of course the Supreme court is in the tank along with all the other traitors. There is a consensus among patriots that the FBI must be terminated and its employees should never be allowed to work for government again.

“We The People” Are Mostly Sheep, Ruled By

Unconstitutional Officials

Putin may be a dictator, but he is ruthless in defense of Russia, The Ukraine war was caused by our government and fake media. Period! “We The People”, here and in Europe are being rapidly impoverished by the war. Millions are dying and the PSRRC is laughing all the way to the bank.

Patriots Want Work & Freedom, Socialists Want Guaranteed Income For Not Working

Experience is by far the best teacher but the tuition in bloodshed and destruction from confrontation is too exorbitant to contemplate, so lets not go to war and settle this in a fair and Constitutional Election. If it is not fair it will be our last election.

How to Interact With the Corrupt FBI

If our judges followed the Constitution many FBI agents and government officials would be in jail and sued for their last dime. Many innocent American victims of Unconstitutional laws will seek compensation. It will be many victims because a

majority of federal laws are unconstitutional.

Demand Your Legislators Obey The Constitution, Or Else

Legislators work for you. Either you know this, and get in their face and demand they obey the Constitution or you are a cowardly ignorant apathetic slob who deserves to starve, and are a disgrace to those who died to give you this Republic.

DeSantis can be President by Demanding a Return of Tariffs, Ending the Income Tax

Florida Governor DeSantis has taken a number of actions favorable to the people, but like all the other State Governors, has failed to get the Feds out of state functions unconstitutionally usurped by the Feds. [Usurped: take illegally or by force] This failure by our Governors can only be for one or all of the following reasons...

Government That Doesn't Comply With the Constitution is Illegitimate

To the best of my ability, I have been very careful to be certain that everything I say in this article is truthful and verifiable in accordance with the law. If the FBI should come for me, it will be just another bogus example of the politicized FBI acting under "Color of Law" with no lawful jurisdiction or authority.

My Message to the Traitors – I Will Not Comply

We must resist this unconstitutional occupation by a private, foreign corporate entity pretending to be our National Government in every LAWFUL way! The following is what I am doing. I pray that American Citizens have the courage to emulate me.

Is There a Way To Save Our Republic From the Traitorous

Usurpers?

The corrupt usurping traitors who control our federal establishment with the barrel of a gun will not appreciate what I said here. But I have only exercised my rights to freedom of speech, and I have not advocated violence or the overthrow of Constitutional government, nor have I committed federal crimes.

“Under The Color of Law”

Our Constitution gave the federal government no police powers in the states, absolutely none. Constitution specifies that “federal laws” are to be enforced by the Militia of the Several States. But elected officials abolished the Militia with the unconstitutional Dick Act.

I For One Refuse To Comply With Federal Laws That Are Blatantly Unconstitutional!

It is my opinion based on observation, study and history that the PSRRC, politicians, bureaucrats, judges, academics and large corporations are destroying this country and its people. History teaches us that when you take everything away from people and they have nothing to lose, that the people will

revolt until only ashes remain.

Patriot's Agenda for Return of Constitutional Republic

The preferred method is to elect patriotic officials who are dedicated to protecting the Rights of the People, and who will force the Federal Establishment to conform to all original specifications of the Constitution. The only other option is Guerilla Warfare and resistance to all unconstitutional laws.

Sheriff Has the Power and is Your Last Best Defense

Every citizen in the United States is in real fear for their lives and freedoms from a lawless unconstitutional federal government; it has usurped powers of the states to the extent that a MAJORITY of "federal laws" are unconstitutional. Powers of the Federal Government are Enumerated in the Constitution, and apply ONLY to Immigration, Foreign Relations, Commerce, Currency, Post Office, and Defense.

You Loot or Burn, We Shoot To Protect Our Lives and Property

Honest working citizens have a Constitutional right to Life, Liberty and the Pursuit of Happiness. Criminals have NO right to destroy citizen's hard earned livelihoods by looting and burning.

Commie Politicians Deny Your Right To Self-Defense

The Kenosha police were nowhere to be seen. Police maintain that they didn't have the manpower to stop the destruction. That is a damn lie! With proper police power, they could have stopped it quickly, but political superiors wanted the destruction for political and business objectives.

Facts to Help You Survive the Planned Economic Collapse

It is critical that you know your enemy to have a chance at survival. In a few words, the ENEMY of The People is the Parasitic Super Rich Ruling Class (PSRRC), $\frac{1}{4}$ of 1%, owners of stock, who control large mostly anti-American corporations,

that in turn control government, media and BOTH political parties with money.

Powers and Related Laws Usurped from States are Unconstitutional Attempts to Centralize All Power

The Constitution reserves ALL powers to the States and to The People, except for Defense, Foreign Relations, Immigration, Currency, Post Office, Commerce and some housekeeping functions. Federal government has these Enumerated Powers Only.

Should Blatant In-Your-Face Treason be Ignored?

There can absolutely be no question that TREASON as defined in our CONSTITUTION is being committed by Biden, "THE USURPER", and by government employees who give and take orders to aid and comfort illegal invaders. But how do you prosecute the treason when all three branches of the federal government are compromised and unconstitutional?

Are Tax-Free Foundations Parasitic Whores in Sheep's Clothing?

Communists and the Parasitic Super Rich Ruling Class (PSRRC) are attacking us with Deceit, Deception and Destruction using the Income Tax (TAX), Private Federal Reserve Bank (FRB), and Tax-Free Foundations (TFF). Due to the failure of our Communist schools and media to teach the truth, I must put all of this into proper context...which will be a surprise to most people.

The Truth About The Privately Owned Federal Reserve Bank

The Private Federal Bank is the root of all evil, it is unconstitutional and owned by the PSRRC. The FRBs ability to print unlimited quantities of Fiat Dollars permits all types of stock market scams, transfers the peoples wealth to the PSRRC, finances unjustified wars for profits of the PSRRC's Military Industrial Complex, allows graft from...

Too Many Governors are Corrupt, Incompetent and Cowardly

As I have written, our Constitution stipulates that the federal government has little or no authority in the states. Patriotic governors with courage would kick the usurping Federal Government interlopers out of the states, and arresting them if they persist.

Biden is Intensely Hated and Despised

Citizens of both parties realize that Democrat and Republican elected officials are incompetent, corrupt and cowardly. BOTH parties are controlled by the PSRRC. People have heard about the old days when these criminals could expect pitchforks, tar and feathers.

Militia of the Several States to Replace Tyrannical

Judiciary?

You can never control corruption because the FBI is the most corrupt, incompetent, and expensive so-called police force in the world. Even if we had effective law enforcement, we would still be at the mercy of the PSRRC because our courts are compromised.

Biden, "The Usurper" Declared War on America

When you add together the number of employees fired, and those that are paid with Fiat dollars not to work, you have a serious decline in production of goods and services. This results in serious inflation, shortages, decline in value of the fiat dollar, economic and stock market collapse, et al. all of which can occur overnight.

Critical Mass

It is my duty, obligation and right to exercise my freedom of speech to report my honest appraisal of circumstances. I pray that Donald Trump was not our last President. I welcome all comments except those calling me a racist for telling the truth. I am not a racist and neither is my country, even though it elected a Black racist as president, twice.

Majority of Government Was Fake, Now it's all Fake

Our Declaration of Independence and Constitution remain as the Supreme law of the Land. In simple terms the only valid laws remaining in force are those of the states, and our founding documents. The Unconstitutional Election Insurrection effectively removed any authority or semblance of our Republic.

No Pity for the Ignorant and Apathetic

Don't you think it would be much better if people learned the truth, and helped take back your country from the parasitic super rich ruling class and their powerful Communist minions, before they kill you, and destroy everything we cherish?

Why and How We Take Back Our Country

Most people are under the false impression that government officials, politicians, corporate officials, military flag

officers, judges, bureaucrats, et al. are the true rulers of our country. They are not, they are only the well bribed minions taking orders from the PSRRC which they dare not disobey for fear of dire consequences.

Know at Least These Five Things to Survive

As an Economist I can tell you with absolute certainty that the ruling class, has caused another great depression for their benefit, due any day, tomorrow morning would not surprise me. I know of no knowledgeable person who disagrees with this conclusion.

Why Does Fox News Report on Treason then Ignores the Traitors?

Of course neither Fox News, nor Tucker Carlson, or Mark Levin will answer that question. I know this because I have asked them several times in writing and gotten no response. I do give them credit for being the only major news outlet to report any Treason at all.

French Style Reign of Terror has Started in America

You should be afraid, very afraid because you could lose everything of value, your life, your freedom and the food to feed your family. Forget all government assistance, it will no longer exist. Since public schools and media in the inner city plantations are worthless I must give those residents some historical context.

It is Impossible to Violate Unconstitutional Federal Laws

The Chinese Communists and their American collaborators in our government, corporations and among the super rich have made deliberate war on the world causing millions of deaths and economic decline.. But that is what dictators do.

Dead or Alive, Communist Super Rich Dictators will

Lose

The manner of their defeat is totally in the hands of the Cabal of Communist Super Rich dictators and their minions. These evil criminal traitors control everything and a faux government by insurrection. What this Communist Cabal of Traitors is doing to our country makes King George look like a piker and a genius by comparison.

No Tears, Only Cheers by The People for Demise of Communists

The purpose of this article is to report the real feelings of The People toward the Communist rulers who usurped our Constitutional Republic and are rapidly destroying our country. The ruling class minions consist of Communist media, academia, large corporations, banks, elected officials, government bureaucrats, actors, judges, military flag officers, stock market manipulators, et al.

Super Rich Started Last Civil War and They are Doing it

Again

The wealthy, self appointed rulers and their corrupt followers started the last civil war when 500,000 people died, and half of the country was destroyed. Now they are starting another civil war for the same reasons, power and money. This time the death toll will be many times higher due to starvation in the inner city plantations.

Are Civil War or Fair Elections the Only Options?

I don't advocate a civil war, but the only alternative is fair Constitutional elections which now look impossible. You can't have proper elections when the entire power structure is corrupt and compromised. From recent experience, we know absolutely, without question, that our election was a blatant unconstitutional and criminal insurrection.

Power by Insurrection has No Constitutional Authority

Patriots know we have a faux government put into power by an insurrection, which means it has no Constitutional authority to govern. The Constitutional requirements for voting were not followed, and every conceivable method of cheating was

employed, resulting in an insurrection and a faux government.

Will The Treasonous 2020 Election Fraud Cause a Civil War?

I love my country, but I have total contempt and loathing for all the corrupt officials and wealthy people who bribe them. I will never accept these criminals and traitors as my rulers. I will never cooperate with Democrat/Communists who are attempting to usurpe our Republic, much less support them in any way.

Americans Are Being Steered Into Poverty and Communism

Most patriot commentators predict that there will be widespread bloodshed and destruction by Anarchists after the election, regardless of the outcome. Be Prepared. The Cabal and their Communist supporters in the Democratic party have too much invested in the destruction of the American Constitution to quit now.

Force Required To Save Families From Murdering Marxists

When I was a young man, the people I knew were God fearing, hard working, law abiding, and ready, willing and able, to defend themselves and their family. These characteristics are in short supply today. Many of our young men and women are spoiled, lazy, cowardly, naïve wimps, living with parents.

Insurrection Underway, Bloody Civil War to Follow

Democrat Communist shock troops known as Black Lives Matter, Antifa, et al, have started an insurrection by burning, looting, killing and destroying our cities. Their objective is clear, to make life miserable for Americans so they will accept a Chinese Communist Type Dictatorship rather than freedom under our Constitution.

No Troops Required, Just, The People, and The Law

I am advocating two courses of action that would stop the terror and burning of our cities, and the ongoing efforts at

insurrections. I have no confidence that our politicians in either party will do anything unless they are pushed. Here are the two courses of action that will end the Communist Burning and Insurrection.

FL. Gov. DeSantis, Allowing Denial of Florida Constitutional Rights

Governor DeSantis, you have been a good governor, but you can't overlook, or dodge this responsibility. You will be harshly judged, if you fail to make it possible for citizens to exercise their rights, without fear, under the Florida Constitution, and a Civil War results. If you dodge your responsibility, like most weak politicians, odds are that you will turn over your state to new Communist Rulers.

Convict And Jail Communist Leaders For Treason

I can only vote for President Donald Trump, because he is the only man who has demonstrated his ability to help us survive the Chinese Virus, Rebuild our country, protect the people, and defeat the Communist insurgency. There is no other choice, except slavery.

Prepare for the French Solution in November

This is nothing short of Treason by the Communist Democratic Party, mainstream media, and major corporations. I doubt that any level of Government has the will to stop the Marxists from creating anarchy as a pretext for forcing us into a Communist government.

Ruling Class Wants Your Face In The Dirt Begging For Handouts

I believe this to be the most dangerous period in our history. My prediction is, if the Ruling Class does not release its control and stop destruction of everything in our country, then many people will die in a Civil War. My use of derogatory words to describe the Ruling Class and their Lackeys is more than justified.
