

World War Is Coming In The Fall Of 2018

Benjamin Baruch

The following article presents insight into the timing of World War III, an event which will occur in our near future. This is not a prophecy regarding the timing of the next Great War; rather this article presents a wealth of information which leads to only one compelling conclusion.

Our nation has never been ready to fight a nuclear war; in fact we have never prepared for one either. America has no bomb-shelters, no civil defense education, no war preparation drills. Rather America relies upon a single defensive strategy against the threat of nuclear war – the theory of mutually assured destruction, known by its acronym, MAD. Americans were taught to dismiss any threat of war because anyone who would attack us would face certain annihilation. Thus the risk of America being attacked was reduced to impossibility.

The American people were assured there is no real threat to America – and so the thought of a nuclear war was dismissed out of hand. No one stops to consider that America's only defense against a nuclear war continues to be based upon a relic theory from the Cold War era. When this theory is examined in light of modern military weapons and the changing balance of power in today's world, the MAD theory could be better described as 'insane'.

THE NORTH KOREAN THREAT

North Korea publicly broadcasts their intention to turn America into a heap of "ash and rubble." The same chorus of death is heard throughout Islamic nations. Our enemies talk constantly about our destruction as their people chant "Death to America." There is nobody in the US shouting "Death to Iran" or "Death to the Democratic People's Republic of Korea." Yet America is portrayed as an aggressor within the propaganda of these rogue regimes. Why? In order to justify the coming war against us; and that much should be obvious.

Russia and China are now holding huge civil defense drills, while educating their own people on the protective measures required to survive a nuclear war. Our nation takes no such precautions, we have no such training. The majority of the American people are blissfully ignorant of the true threats we face. The public has been tragically deceived and is now hopelessly misinformed; having chosen to believe lies, they close their eyes to the truth.

HIDING FROM THE TRUTH IN AMERICA

Present day Americans, by and large, value their comfort more than the truth. Jeremiah speaks of such people, whose eyes and ears God has closed. They will not repent and therefore they cannot be healed. Only a remnant survives and our time will be no different. "I will make them drunk that they may rejoice, and sleep a perpetual sleep, and not wake, saith the LORD. I will bring them down like lambs to the slaughter, like rams with he goats. How is America Babylon taken! And how is the praise of the whole earth surprised." [\[1\]](#)

There are many reasons why war is coming soon; I will address just a few. First, the financial position of the US is that of 'a camel waiting for the proverbial straw'. US indebtedness and fiscal imbalances, which can never be repaid, rest upon a foundation of imported capital, and are no longer sustainable.

And if they were to continue, the cost of sustaining them would be borne by our trading partners, many of whom we are now discovering to be our enemies.

China has recently completed an alternative international settlement system which will allow nations to settle international payments outside of the US dollar and it is now operational. We are living in the final days of the 'petro-dollar' era. When the petro-dollar goes, the US will lose its seeming unlimited funding source for its trade deficit, through which we finance our fiscal deficit and our military budget. Without the 'petro-dollar' we won't be able export our debt at near zero interest rates. America will then be confronted with a choice: either surrender its super power status and give up its subsidized standard of living, or go to war to defend it.

THE WORLD IS AT THE TIPPING POINT

The world is at a tipping point by virtually every measure. We are now witnessing a global ecosystem collapse as the oceans, the birds, and the fish die. The so-called economic recovery was a cruel joke, papered over by trillion dollar deficits which created our now overextended financial bubbles. The political, moral and social bankruptcy of our country is absolute and it is not just America, but worldwide. Ours has become an empire of lies, and where 'truth-tellers' are guilty of treason.

The pseudo-science of climate change is one such example; in the light of truth, it is exposed as a total fraud. Global climate change has nothing to do with carbon emissions; correlation doesn't prove causality. The scientific fact is that the whole solar system is being impacted by cosmic and gamma radiation from a neutron star 1,300 light years away in the vicinity of the Orion constellation. This radiation is heating the core of every planet and is also impacting our sun, which is now increasingly more unstable. This radiation

is also heating the core of our planet, thereby weakening the earth's magnetic field which allows greater amounts of solar radiation into our ecosystem, producing a positive feedback loop. The 20 trillion tons of methane gas frozen in the Arctic Circle have begun to melt and the outcome will be a cataclysm. [\[21\]](#) These changes are getting worse by the day and the governments of the world know all of this.

When you examine the history of the war propaganda inside Russia over the last four years, their development of new 5th generation weapons, alongside of their military preparations and current mobilizations, compared with the terrible lack of readiness on the part of US forces, the window of vulnerability is at or near its maximum. During the time of the ABM Treaty, Russia developed dual purpose anti-aircraft missiles which also serve as anti-ballistic missiles (ABM) and Russia has close to 12,000 such missiles. In the US, we have basically none, unless you count 100 or so outdated Nike interceptors from the 1960's.

President Trump's efforts to refurbish our aging nuclear arsenal and to strengthen our military forces emasculated by eight years of Obama's social engineering and intentional disarmament, only serves to compel our enemies to attack us before their window of opportunity closes. Recent news confirms this grim reality; the next world war is nigh upon us, and will likely begin in Korea this spring.

VICTOR SUVOROV – THE FINAL PHASE OF THE OVERTURE

A number of recent news incidents dismissed as accidents look very much like the final phase of Russia's pre-war preparations, described as the 'overture' by Soviet defector, Victor Suvorov, in his book, *Spetsnaz: The Inside Story of Russian Special Forces*. The increasing number of 'accidents' alongside our growing scandal filled news fit Suvorov's description of the overture perfectly while the fictitious events he described now seem eerily prophetic. Even yesterday

a train filled with Republican congressmen just happened to be involved in an accident, and had it derailed, the accident could have killed or injured scores of them. For those who are unaware of the strategy embodied within the overture, Suvorov explains:

“The last months of peace, as in other wars, have an almost palpable air of crisis about them. Incidents, accidents, small disasters add to the tension. Two trains collide on a railway bridge ... a supertanker bursts into flames. In the United States an epidemic of some unidentified disease breaks out and spreads rapidly; at the same time terrible fires begin raging in the west.

“All these operations – because of course none of these events is an accident – and others like them are known officially in the GRU as the ‘preparatory period’, and unofficially as the ‘overture’. The overture is a series of large and small operations the purpose of which is, before actual military operations begin, to weaken the enemy’s morale, create an atmosphere of general suspicion, fear and uncertainty, and divert the attention of the enemy’s armies and police forces to a huge number of different targets, each of which may be the object of the next attack.

“The overture is carried by agents of the secret services of the Soviet satellite countries and by mercenaries recruited by intermediaries. The principal method employed at this stage is ‘grey terror’, that is, a kind of terror which is not conducted in the name of the Soviet Union. The Soviet secret services do not at this stage leave their visiting cards, or leave other people’s cards. The terror is carried out in the name of already existing extremist groups not connected in any way with the Soviet Union, or in the name of fictitious organizations.

“The GRU reckons that in this period its operations should be regarded as natural disasters, actions by forces beyond human

control, mistakes committed by people, or as terrorist acts by organizations not connected with the Soviet Union. The terrorist acts carried out in the course of the 'overture' require very few people, very few weapons and little equipment. In some cases all that may be needed is one man who has as a weapon nothing more than a screwdriver, a box of matches or a glass ampoule. Some of the operations can have catastrophic consequences. For example, an epidemic of an infectious disease at seven of the most important naval bases in the West could have the effect of halving the combined naval might of the Soviet Union's enemies. The 'overture' could last from several weeks to several months, gradually gathering force and embracing fresh regions." [\[3\]](#)

What we have been witnessing in the news over the last year is a perfect example of the overture. The Russia collusion scandal, the sexual harassment scandals, the spontaneous fires erupting overnight in California, pipeline explosions, numerous train derailments, power outages, and now a super flu epidemic, these are the exact illustrations Suvorov used to describe what the overture would look like in the eyes of the average American.

AMERICA – THE DAUGHTER OF BABYLON

Lastly, as a final proof that the war is later this year, consider the biblical connection of the US to the scriptural entity known as 'Mystery Babylon'. Ancient Babylon ruled the nations as a superpower for exactly 70 years. Jeremiah declared the judgment of God upon ancient Babylon after 70 years of rule. This prophecy is also a witness against us. History repeats; this we all know. History is His Story, and so too, the prophecies of the Bible repeat as well.

Jeremiah prophesied that Israel would be sent into slavery under the rule of Babylon for 70 years and during that time, all of the nations would 'serve' Babylon. At the end of its 70 year rule, Babylon would then be judged. "And it shall come to

pass, when seventy years are accomplished, that I will punish the king of Babylon, and that nation, saith the LORD, for their iniquity, and the land of the Chaldeans, and will make it perpetual desolations." [\[4\]](#)

Notice the Lord declares he will judge "the king of Babylon and that nation" and then he declares a further judgment upon "the land of Chaldeans" and in their case, the land will be made into a "perpetual desolation". Following the desolation of the land of the Chaldeans, the prophecies of Jeremiah 25 continue, only now they transition into events which will take place at the end of the age.

So who are the Chaldeans? And why does the prophecy of Jeremiah 25 shift from the judgment of ancient Babylon to the judgment at the end of the age at the precise point of mentioning the judgment which will come upon the land of the Chaldeans?

Is the land of the Chaldeans just another name for ancient Babylon? Is the Lord merely repeating himself? Did Ancient Babylon's land become a perpetual desolation when it was judged? The answer to all of these questions is no; the Chaldeans were a separate country, which became part of Babylon at the time of their end. When ancient Babylon was judged, the land of Babylon did not become a perpetual desolation and neither did all of the people leave as prophesied of the daughter of Babylon in Jeremiah chapters 50 & 51.

The name Chaldea derives from the name of the ruling elite of this nation who practiced the 'mystery' religion of the secret societies of the ancient world. Thus the reference to the 'land of the Chaldeans' is a prophetic reference which connects ancient Babylon, a historic and geographic identity, to a descendent empire which would rule the earth in the last days, and which is described as 'Mystery Babylon' or the 'daughter of Babylon' in the prophetic writings.

End time Babylon would also be ruled by social elite with deep ties to the 'mystery religion' of the Chaldeans and which would rule end time Babylon through dark powers exercised by a shadow government. Think of Skull & Bones, the [Bildberg Group](#), CFR, and the other globalist organizations that dominate the public life of our nation.

End time Babylon is described as an 'eagle' in Daniel's vision[\[5\]](#) and as the 'hindermost' nation in the prophecies of Jeremiah[\[6\]](#) in which he declares the cities of Babylon would one day burn like Sodom and Gomorrah.[\[7\]](#)

The Hebrew word for 'hindermost' used in this text occurs twice in scripture in which it is translated as the "last" or the "west". The prophetic writings reveal the nation described as 'Mystery Babylon' would be the world's last super-power. It would come upon the world's stage at the end of the age, and it would rise in west, and be pictured as an eagle.

THE AMERICAN CENTURY

The American Century began in 1948 with the creation of the GAAT, NATO, the World Health Organization, the Organization of American States, and the Marshall Plan. The Cold War began later that year, compelling the free world to accept America's global leadership. Europe and Japan were severely damaged by the destruction of the 2nd World War and their populations were impoverished. So the nations all began to 'serve' America, building export industries to harvest their raw materials or produce goods to be sold in America.

In the early years, America paid for this trade in gold, but in 1971, with its gold reserves nearly depleted, Nixon and Kissinger created the petro-dollar in a secret agreement with the Saudi regime. In paying for its trade deficit, America would now export only debt, while OPEC would accept only US dollars in payment for oil. These dollars would be recycled in the US Treasury market, financing the US budget deficit, or

they would be used to purchase military weapons from America's arms industry. In exchange, the United States military would ensure the safety of our allies, and especially the Saudi regime.

By accepting petro-dollars, America's trading partners were knowingly subsidizing the US military budget and the cost could be measured by the level of US dollar currency debasement. In the early years, the cost of this subsidy was low; while the perceived value of America's military protection was quite high.

Over its 45 year history, the petro-dollar has allowed the United States to export over \$10 trillion in debt, an external debt balance of historic proportions, and also a debt which can never be repaid. The cost of financing America's structural deficits is no longer perceived as low while the value of America's military protection is now quite uncertain. We are one military defeat away from the loss of the petro-dollar. The first US carrier to be hit by a hyper-sonic missile will mark the end of this era. A global financial collapse will follow almost immediately, leading to the fall of America Babylon later this year.

The 1st Great War ended on November 11th, 1918, on the 11th day of the 11th month. The unseen rulers of our fallen world use mystic symbolism and numerology to hide the occult signature of their acts in plain view. World War III will likely begin with a similar signature before the 100th year anniversary of the 1st Great War, in the year 2018. Following the war, which is pictured as the Red Horse in the book of Revelation, the Black Horse of famine, plague and death will then devastate the earth.

The Black Plague was called the 'Black Death' as it brought misery, death and economic ruin to Europe in the middle of the 14th century. The plague ravaged Europe for seven years,

killing an estimated 30% to 60% of the population (30 to 100 million people). It was finally eradicated in the year 1353.

Following the war this fall, the calendar will turn to the year 2019, the 666th year since the end of the Black Plague. The plague has coincidentally re-emerged in the south of Africa in the last year, right on time for its 666 year anniversary, and so the Black Horse will begin to ride again as the world enters the beginning of the time of Jacob's trouble, also a 7 year period.[\[8\]](#), [\[i\]](#)

THE OCCULT SIGNATURE OF THE AMERICAN GOVERNMENT

The future, for the most part, is unknowable, as mortal men are rarely permitted to peer through its veil. Most people would also prefer not to see into a future as terrible as ours; they would find it too troubling to their souls. Most Americans do not wish to understand how deeply the darkness has infiltrated our country and our institutions of power. They prefer to neither hear nor understand anything about the terrible catastrophe that awaits our nation.

The dark forces which now control the shadow government in America are as hideous and evil as they are real; they have led us to the edge of an abyss in which our military was intentionally weakened and our nation left virtually defenseless. The window of vulnerability that exists today was left wide open by their design.

These dark forces have ruled over the secret societies of the world from the beginning of time. They are the unseen rulers of this ruined age, and they are under the direct control of Satan. They have dominated the government of our nation for the better part of the last hundred years through their secret societies which are the prophetic link of the United States to 'Mystery' Babylon, for the ruling powers in America are all participants in the same 'mystery religion' practiced in ancient Chaldea.

The book of Revelation reveals the shadow government as ten kings who will rule with Beast; they hate the woman 'America Babylon' and so they made our country desolate, and now they plan to burn America with fire. [\[9\]](#)

The 2008 financial crisis, the result of a housing crisis which they engineered, was used to loot our nation. And now they plan to use the world war to literally burn America with fire. There should be no doubt of which nation the prophecy speaks: "And the woman, (Mystery Babylon) which thou sawest is that great city (nation state) which reigns over the kings of the earth (at the time of the end).[10] [\[10\]](#)

The occult signature left behind by these satanic forces can be found in all of the major events of our history; and although this truth can be painful to observe, those who have been called as true watchmen, dare not look away.

"Masonic betrayal of the 'common man' involves archetypes of fertility and death symbolism seemingly motivated to bring about syncretism in opposing principles in order to 'green' Israel, rebuild the Temple of Solomon and establish a One World government. It is certain that onomatology (and numerology) or the secret science of names (and numbers) forms a very integral part of the mystery school of the higher Masonry... – *Encyclopedia of Freemasonry*" [\[11\]](#)

Onomatology is the science or study of the origin, forms and mystical meaning of names. Numerology is the science of occult symbolism based upon the mystical meaning of numbers. These are both used as symbols to reveal the presence of the dark arts of sorcery and mystic alchemy which are hidden in plain sight in many of the world's most important events. These symbols are both symbolic clues and numerological keys which the unseen rulers of this fallen world use to unlock pathways to another realm in order to ensure the success of an endeavor. They are employed frequently by the secret societies whenever they attempt to release the power 'as above' in their

rituals 'so below'.

When you begin to understand these symbols, you will find them as finger prints at the scene of many crimes, so they ought not to be ignored. "When the ancients saw a scapegoat, they could at least recognize him for what he was: a human sacrifice. When modern man sees one, he does not, or refuses to, recognize him for what he IS; instead he looks for 'scientific' explanations-to explain away the obvious."[\[12\]](#)

America has been chosen as a scapegoat, a blood sacrifice of 300 million souls who will be slain to usher in the rising of the New World Order, and from that destiny she cannot escape. Once this truth is understood, the obvious will be perceived, and truth will never be able to hide in plain sight again. The death of America in World War III was been planned long ago as the opening ceremony for the dawn of a New Age.

THE SECRET ORDER OF THE ILLUMINATI

The secret societies of America were all created by and are governed by a group that calls itself '[The Order of the Illuminati](#)'. The Order has remained unseen for centuries, only recently beginning to allow press about itself. The Economist magazine published one of the few articles ever written about the Order entitled "The Good Network Guide" in December 1992. It discussed the various secret societies of the world, ranking them in terms of power, secrecy and exclusivity. The Order of the Illuminati was given the highest ranking in all categories.

"Beyond all these networks lies the mother of all networks, the [Order of the Illuminati](#), known to some as the True Rulers of the World Though this secret body has hovered unseen over all history, its most public flowering was in the Enlightenment. Adam Wieshaupt, a former Jesuit revealed its purpose and system of mutual surveillance to the world on May 1st, 1776. Since then the order has taken a keen interest in

another new born of that year. It is significant that many American presidents have been Illuminati; some have been killed by the Illuminati; and the Illuminati symbol of the eye in the pyramid still graces the dollar bill. The conspiracy is immense and terrifying. It is the network of those who run networks. Given its power, you should assume that anyone writing about the order must be lying or part of a conspiracy to confound you. In wondering about the Illuminati, merely remember this. You have never arrived." [\[13\]](#)

This Order is the league made with the anti-Christ. These are the Luciferians, who serve the prince of the air of the present age. The seal of the Great Pyramid on the dollar bill is their symbol, which reads "Annui Coeptis" and "Novus Ordo Seclorum". The translation from Latin means "Announcing the Birth of the New World Order". This is the New World Order of the Beast, and the government of the US is the model, a union of independent states under a supreme central government. The model has now been extended to the world with the formation of the United Nations, and after the next world war, engineered by the Order; the UN will be brought to full global power. And at that time, those who know their God will begin to do great exploits.

"Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand." [\[14\]](#)

In Jeremiah's prophecy against the daughter of Babylon, the Lord asks a simple question: "Who will appoint me the time?" [\[15\]](#)

I ask a similar question of you, dear reader: "Who will believe my report?" [\[16\]](#)

May the Lord have mercy on us all,

The March to World War III

April 21, 2017

The election of Donald Trump as the 45th President of the United States was a watershed moment in American political history. Never before has an acting president been so vilified by the mainstream media while at the same time opposed by the political establishment within both parties. The Democratic Party along with establishment Republicans have resisted Trump's every move while the main stream media nightly twists and distorts his every word.

The Trump presidency has also witnessed dramatic changes in America's national consciousness. From the introduction of the genre of "Fake News" to allegations of Russian interference in the national election or Russian collusion with members of the Trump administration, the general public's trust in American institutions is being eroded. The evening news contains an almost nightly display of an unending cacophony of Trump gaffes, missteps and misconceptions. If anyone seriously doubted the power of the establishment elite to resist true reform or the fraudulent bias of the mainstream media, the election of President Trump has put any such questions to rest.

On the 6th of April 2017, everything changed as the President's decision to authorize a missile strike against Syria silenced his critics. Suddenly even the most vocal adversaries were supporting this decision. The almost unanimous support for the military strike in Syria tips the hand of the Deep State. No matter how much the liberal left or the establishment power brokers of the belt-way may have hated Trump, his military adventures in Syria have drawn almost universal praise. The establishment clearly supports military confrontation as the new American foreign policy in both the Middle East and the

Korean peninsula. The only unanswered question is why.

The Syrian civil war had its origins in the 2011 Arab Spring. The six years of conflict has succeeded in destroying entire cities while uprooting millions of refugees. Now the Syrian civil war threatens to draw both superpowers into direct confrontation. On September 30th, 2015 the Russian military began air operations in support of the Assad government with a series of air strikes against both ISIS and the anti-Assad Free Syrian Army (FSA). The United States had been supplying factions of the FSA who, along with ISIS, comprise the main forces prosecuting the civil war against Syria's Shiite government.

Elements of the FSA have been designated as "Al Qaeda affiliates by the United Nations."[\[1\]](#) Both Al Qaeda and ISIS are Sunni Muslim factions with the support of US allies in the region including Saudi Arabia while Syria and its ally Iran, both Shiite states, are the allies of the Communist nations. In other words, the United States along with the UK and other NATO allies have been knowingly supporting Syrian rebel factions which are comprised of Al Qaeda and ISIS members while at the same time bombing Al Qaeda and ISIS forces in Iraq.

For the first time on Trump's watch, the United States has become directly involved in the Syrian civil war with its attack against Assad forces following the recent chemical attack on civilians. President Trump campaigned on a non-interventionist platform that opposed the "Neo-con" militarism of the Bush era. The President had also publicly opposed military intervention in Syria by the Obama administration following the first chemical attacks against civilians in 2014. Sadly, US foreign policy is once again following the "Neo-con" agenda of Dick Cheney and Donald Rumsfeld.

Both Russia and Iran responded declaring any further American military action in Syria would be viewed as 'crossing a red

line' threatening military retaliation should the US intervene again. The UK's Daily Mail reported "The Kremlin has warned the US it is 'one step from war' over Syria – but the Trump administration hit back by saying it would be prepared to carry out airstrikes again."[\[2\]](#) Russian Prime Minister Medvedev commented: "This military action is a clear indication of the US president's extreme dependency on the views of the Washington establishment, the one that the new president strongly criticized in his inauguration speech."[\[3\]](#)

Vladimir Putin also denounced the US missile strikes as "an illegal act of aggression against a sovereign nation."[\[4\]](#) In response, Putin ordered the Russian warship, the Admiral Grigorovich, to Syrian waters and promised to upgrade Syrian missile defenses. Russia also terminated its communication hot-line with US forces established to avoid any confrontation between Russian and US aircraft over Syrian airspace. Putin then made the astonishing claim that the US is planning to fake chemicals weapons attacks during a joint press conference with the Italian President Sergio Mattarella.[\[5\]](#)

Jeffrey Nyquist, a co-author of the book, *The New Tactics of Global War*, commented on the Syrian attack saying: "Russia and her allies are enemies of the US anyway. The real problem here is *why would we pick a fight when our enemy is near peak strength and we have been weakened by eight years of Obama?* Frankly, it's stupid. Children are killed in half a dozen countries every day, some of them by our bombs. This maudlin declaration by the president about 'dead babies' is a self-misunderstanding. A few days ago one of our bombs in Iraq went awry and killed 200 civilians. Good grief! Does it matter whether a baby dies from sarin gas or from US bomb fragments? I don't think it matters to the baby. Dead is dead. This whole thing is irrational, and our leaders need to talk sense. It's all sickening."[\[6\]](#)

Further evidence that the world is moving closer to war was reported by the UK Express on 15 April, 2017 stating that

Putin has ordered “a mass mobilization of military forces in Vladivostok, Russia, just eight miles from the border with North Korea.”[\[7\]](#) This report comes as North Korea warned they are prepared for all-out war with the US.

Russia, Syria and Iran have issued several blunt warnings that any further air strikes in Syria would result in “grave consequences” for the United States. In the face of these heightened tensions, the United States announced plans to launch a pre-emptive strike against North Korea should it be necessary.

The world is now witnessing the final stage of pre-war preparations. The communists have always planned to use North Korea as a trip wire for war with the West. As the current tensions escalate, military experts believe that war could begin on the Korean peninsula before summer. Russia and China have also begun full scale mobilizations, and experts in Europe are now warning that a world war could come as soon as fall.

Donald Trump has warned that “North Korea is looking for trouble”, insisting that if China does not decide to help the US “will solve the problem without them.”[\[8\]](#) The US President made this extraordinary statement on Twitter, his warnings backed up by sending a US carrier battle group to the area.

The general public in the West assumes the United States is a lone super power and therefore can act unilaterally without serious consequence. The thought that US forces might be defeated by the communist nations is dismissed as absurd. Unfortunately, this confidence in American military supremacy is no longer based upon reality, and rather now relies upon hubris alone. The belief that the US remains the world’s lone superpower is seriously misplaced as the balance of military power has shifted dramatically over the last fifteen years only no one bothered to inform the American public. The US no longer holds a clear upper hand in today’s conventional or

nuclear battlefield.

Russia and their communist allies are now armed with new 5th generation weapons including hypersonic missiles and Russia has surrounded itself with an impenetrable ABM missile shield. These new weapons have shifted the balance of power decidedly in our enemies' favor. Russian defenses include the S-500, a dual purpose ABM and anti-aircraft missile system. This is a war winning weapon to which the US has no counter measures and which may place the US in a position of nuclear blackmail, should a conventional war erupt. To state this bluntly, Russian defensive capabilities can likely stop a US ICBM attack, while the US is defenseless against a similar Russian strike.

World War III is coming and the US is likely to suffer catastrophic losses. Deagel.com, a research group which tracks worldwide military equipment procurements, forecasts the US will suffer a population loss of 260 million along with a collapse in US GDP off 95% by 2018. [\[9\]](#)

The Final phase of the Overture

The communist military strategy against the West was developed over many decades of planning. The final pre-war phase is called "the overture" and includes the unveiling of former soviet spies among us as the Communists intentionally expose their own agents. This final act is designed to further demoralize the American people and destroy any remaining trust in US political institutions.

These US actors who supported the Soviet cause will be killed in the war anyway, so their final value to the communist war effort is to uncover them, and to thereby use the news as part of a final demoralization of the US public. The recent disclosure by Russian agents on Ukrainian TV that Henry Kissinger was a Soviet agent is consistent with this type of pre-war action as was the recent disclosure of Ernest

Hemingway as a Soviet agent.

Russian war preparations move into final phase

We are witnessing unprecedented pre-war military moves by Russia and China. A full mobilization appears underway. Russian military officials have been stating publicly on Russian TV that nuclear war with the US is coming. Anti-American propaganda began to dominate Russian political news in earnest beginning in 2014. Preparing the domestic population for war is the first requirement according to Russian military doctrine. Mass mobilization is the final stage and appears to have started. S-400 and S-500 deployments are now occurring around Moscow.

Russian military officials recently told the Russian population they could plant nuclear warheads near the US coastline and destroy US coastal cities. Statements such as this are designed to calm down the Russian population which has become alarmed after 4 years of consistent war propaganda. At the same time, the US news is now filled daily with accusations that US officials are Putin supporters or have had inappropriate contact with Russian officials. A leading Ukraine general stated he believed Russia would attack Europe in September.

China has also begun mobilizing troops on their border with North Korea, allegedly for the purpose of adding negotiating leverage to their promise to President Trump to reign in North Korea. China doesn't need military troops to pressure North Korea which is 100% dependent on China for critical war sustaining imports such as oil. The purpose of these troop mobilizations is more likely to join the conflict in support of North Korea at some point, or to occupy the entire peninsula at the conclusion of the war after both the South and the North have destroyed each other.

Large scale mobilizations are very expensive and not

undertaken lightly. Once mobilized over this summer, Russian forces would have to either initiate conflict and invade Europe or stand down. It is not practicable for forces to dig in for a harsh winter in rural terrain. They would either stand down or be used. Standing down makes the mobilization a pointless and costly error. That is why Russian generals have made the statement – “mobilization is war.”

New US weapon developments – accelerating the push to World War

The electromagnetic rail gun under development by the US Navy can accelerate a 23 pound projectile to Mach 7 within ten milliseconds.[\[10\]](#) This weapon uses only magnetic force to accelerate projectiles with such velocity they don't require explosive ordinances. It is capable of hitting targets over one hundred miles away with an impact equal to that of two million pounds moving at 100 miles per hour.[\[11\]](#) New super lasers are under development which can destroy incoming missiles using only thermal energy. These futuristic weapons have the potential of shifting the balance of power back to the US and are planned for operational deployment over the next few years. These weapons may eliminate virtually all of the current military advantage of Russian and Chinese forces, thus making the risk of war in the near future all the more likely.

Global nuclear war is possible by this fall

North Korea will likely be the trigger and would act as a diversionary war in the Far East drawing US forces into conflict on the Korean peninsula where they would be unable to support commitments in Europe or defend the US homeland. War in Korea could come as soon as May of 2017. A regional war in Korea would destroy much of the North and South's military capabilities and open the door for China to occupy the entire peninsula.

The end of the Age is upon us

The opening act of the book of Revelation begins with the appearances of the four horsemen, with the first a rider on a White Horse wearing a crown and with a bow in his hands, who goes forth conquering. He is followed by a Red Horse of war which ushers in the Black Horse of global famine and total economic collapse.

Scholars have debated the meaning of these symbols for years, yet the scripture tells us the true meaning of the prophecies would be sealed up until the time of the end. That time is upon us now. The identity of the rider on the White Horse should have never been that difficult for he also lives in a White House, and the agenda which has been followed in the United States since the Bush / Clinton / Bush era has been to pursue the destabilization of the American centered world replacing it with a New World Order.

The Obama presidency was used to finish this task, reducing American military power to levels reminiscent of the pre-WWII period while placing a tombstone on the grave of America's Christian culture. History will remember the Obama legacy as one of betrayal, setting up America for the ultimate double cross – a surprise attack by our communist 'friends'. Now a new American president has promised to "Make America Great Again" and to restore America's military dominance but America's enemies want nothing of the sort.

Confronted by an America beginning to rearm itself, the communists are left with choosing between pursuing the war now or allowing America to deploy its latest military technologies which will tilt the balance of power to their disadvantage. The reason why the Deep State supports the war agenda escapes the understanding of most observers. The simple truth is the globalists who rule the shadow government "hate America" for she stands in the way of their plans for a One World government. It is for that reason they intend to "burn her

cities with fire” [12] and they are about to turn loose the Red Horse of war to start the conflagration.

The true identity of the Red Horse of the book of Revelation is also quite simple. They are the “Reds” and they will start World War III which is the battle of Ezekiel 38 in Bible prophecy. It is this war that destroys the existing world order, opening the door for the One World government of the anti-Christ.

We don't have much time left.

1. R. Nyquist and I co-authored the book, [*The New Tactics of Global War to uncover what is really happening behind the today's news headlines, and to prove to a skeptical American public why after the Cold War, Russia remains the number one threat to the United States. Most Americans believe Islamic extremism is the number one threat to the West, but the greater threat is from the nation where all of this began almost seventy years ago.*](#)

I will leave you with the following brilliant commentary on the continuing Communist threat from J.R. Nyquist:

“It is important (from the communist point of view) that nobody guess the actual situation, that nobody see how far the

subversion has gone, or how powerful the communist side has become. While Obama was US President an identical circumstance played out in Washington as in Moscow. In both capitals the communists were depicted as an inconsiderable and irrelevant minority. In reality, the presidents of both countries were committed communists. The levers of power were in their hands, and the world suspected nothing. While Obama worked to disarm the United States, Putin worked to rearm Russia. While Obama undercut our allies abroad, Putin invaded Crimea and intervened in the Middle East. As the danger grew, as Hillary Clinton was sure to be the next and final president, the collaboration between Washington and Moscow was guaranteed to result in America's defeat.

“But then a miracle happened. Donald Trump was elected president; a man of impeccable nationalist instinct, of remarkable courage in the face of the enemy. The communists were aghast at his victory. And so, strange as it seems, they decided on a preposterous fraud. While *they* posed as Russia's enemies, Donald Trump would be depicted as Russia's friend.

“For the leading communists to deny their communist affiliation was a preliminary strategic step in both Washington and Moscow. Freed from the label of what they had actually been, the communists were able to advance without opposition from those annoying anti-communists. And now they are compelled by the logic of their false position to paint the ‘patriotic American’ (Donald Trump) as Russia's puppet. Here the real puppet points to the man and declares that *he* is the puppet. It is a history-making deception. It is grand and it is bold. It cynically estimates the ignorance of the populace, the corruption of the political class, and the willing treachery of the media. It relies on the fact that the smartest strategists and analysts on the American side have been sidelined or murdered. So there is nobody to call out the truth.

“Who now dares say the truth about what has happened in this country? Anyone writing in this vein is committing career suicide. Therefore, only someone without a career would dare to write along these lines at all! Even then it means being assigned to a death list, like Anna Politkovskaya and Alexander Litvinenko. (You want a successful career? You want to live? Sing the tune that is assigned. Play a role out of the communist script. You can be a conservative if you wish, but you will be Moscow’s conservative.)

“Of course, you probably think I am crazy. You think communism went away in 1991. You think that communism no longer exists. But then you will have to explain how we got here – with communist thugs using open intimidation on the streets of our cities! If communism lost the Cold War, why does it presently hold such power in government agencies, universities and newspapers? Why do you think US counterintelligence is spying on the President of the United States and his staff? Who wants to bring him down? You need to explain all the variable phenomena of today: from the communist-inspired economic sabotage of global warming ‘science’ to the insistence that our border remain a sieve. It is only our enemies who stand to gain from these policies.

“But you cannot get over this idea; namely, that communism is dead. You saw it die on TV. How can we talk once again about Marxism-Leninism? Or as an Estonian presidential candidate once asked in response to my discourse: ‘What’s Marxism-Leninism?’ His pained expression relayed the idea that Marxism-Leninism was something that didn’t really exist. Nobody believed in it, so why did it matter? Even the communists don’t believe in communism anymore. It’s as simple as that! Any idiot who tells you that there are true-believing communists should wear a dunce cap. Russia a democracy. China is capitalist. Cuba is an open society with superb health care. And that nice little North Korean man is a champion of world peace!

“So where did all the communists go? Did they simply revert to Christianity? Did they become Scientologists? Stop and think for a moment. You control half the planet and you’ve been fooling people in every country for decades. And what do you do for an encore? You fall off the edge of the flat earth! Well, I guess they topped themselves after all. And then, twenty-five years later, suddenly, you discover they have taken over your child’s mind and sent him into the street to beat up an old displaced factory worker wearing a hat which says, ‘Make America Great Again.’ You have the CIA and FBI spying on the President of the United States to the advantage of *change agents*. And Congress is dragging its feet on Trump’s cabinet nominees because they’ve been honey-trapped by the Satanic Pedophile communist zombie apocalypse. It is real Satanism, real pedophilia, real undead communists, and a real apocalypse.

“Have you ever seen the movie *Invasion of the Body Snatchers*? It’s an allegorical fiction about a communist takeover. Well, we’re living it. In fact, the pod people are attempting to convince the world that they are the ones fighting the alien invasion! This lie is repeated on every news channel. And you might easily believe them: First, because you did not understand who the enemy was. Second, because you don’t believe in pod people. Third, because you voted pod people into the White House in 1992, 1996, 2008 and 2012. And when the pod people finally colonized your government and rotted out your nuclear arsenal, the old pod president didn’t go back to Illinois. He remained in Washington to command the pod-people army inside the federal government, while Mr. Trump erroneously believes himself to be in charge.

“So they don’t believe in Marxism-Leninism anymore? So why do we have socialized medicine? And why does Vladimir Lenin, who died in 1924, lie calmly with his eyes closed in his mausoleum on Red Square – not buried in a grave with a stone marker? No doubt, he is kept on display in Moscow because ‘nobody there

believes in him anymore'! It's a funny kind of not-believing in someone, don't you think?

"Nobody in Moscow believes in communism! They refuse to bury Lenin because he makes a nice tourist attraction. And besides, Vladimir Putin wears a cross and says he believes in God. (Well, he doesn't really like to talk about it. But we think he believes in God.) And so, at the end of the day, we are all Kremlin puppets. We are all bouncing helplessly at the end of Moscow's string. Even now the puppet-master appears to be at odds with his most secret creatures – the moles at CIA and FBI! Appearances notwithstanding, the puppeteer must always hide the puppet's strings. This he accomplishes by a diversion in which he calls the man (Trump) a puppet and the puppet (Obama) he calls a man. And so, as well, he calls his friend enemy and his enemy he calls friend.

"If President Trump could read one paragraph of this scribbling, I would wish that he read this last paragraph. Then he might understand, in an instant, who his enemies are – both foreign and domestic. And I say, that enemy is not an opponent, not a competitor, not a business rival. No, no. I mean – *an enemy!* And once our president can tell friend from foe, his strategic compass will align to true north and half the battle will be won." [\[13\]](#)

The following excerpts from Yates' famous poem, *The Second Coming*, perhaps capture our time best:

"Things fall apart; the centre cannot hold;
Mere anarchy is loosed upon the world,
The blood-dimmed tide is loosed, and everywhere
The ceremony of innocence is drowned;
The best lack all conviction, while the worst
Are full of passionate intensity...

Surely some revelation is at hand;
Surely the Second Coming is at hand...

The darkness drops again but now I know
That twenty centuries of stony sleep
Were vexed to nightmare by a rocking cradle,
And what rough beast, its hour come round at last,
Slouches towards Bethlehem to be born?" [\[14\]](#)

Now comes a crimson tide

"MY EYES have seen the Glory of the coming of the LORD; He is trampling out the vintage where His grapes of wrath are stored. He has loosed the fateful lightening of His terrible swift sword..."[1]

In times past, America stood for truth, justice and freedom. As a nation, we were once great, for as a people, we were once

good. We the people were good, because we the people believed in God and we understood His truth was self-evident. "America is great because she is good. If America ceases to be good, America will cease to be great." [2]

America is no longer great, unless you measure the greatness of our fall. Our inner cities are deplorable, while our nation's infrastructure crumbles around us. The ugly reality of America's fallen culture is manifesting everywhere you care to look, reflecting a truth most cannot bear to hear. Our national morality was stolen from us long ago. Now we have become a nation of depravity and so we stand together at the edge of the abyss. Most Americans still choose to close a blind eye to this reality which manifests before us in so many different ways. Yet the truth is a very stubborn thing, and it refuses to be ignored. We celebrate our lost freedoms every 4th of July, while the promises of "liberty and justice for all" have become empty slogans, a bitter reminder of all we have lost for those who still remember the greatness of our past. The republic for which these truths once stood, no longer stands at all.

As a nation, our leaders can argue whether we have passed the point of financial bankruptcy, but our moral collapse and the growing depravity of a majority of our people is beyond debate. Heaven is now a witness against this once great land; we have sowed to the wind, and we shall now reap the whirlwind, and it comes with a Crimson Tide. This nation, which at one time was blessed and protected under the Sovereign Hand of Almighty God, is now under His curse.

"This nation is filled up with its sin and my people as well. Their cup of iniquity is filled to the brim. Even now, it overflows before me" saith the Lord. The deceitfulness of sin has brought blindness upon the people and desolation deep within the hearts of men.

Eyes now blinded,

Hearts harden within,
They shall now be overcome,
And given over to their sin.

“Therefore shall the land mourn, and every one that dwells therein shall languish, with the beasts of the field, and with the fowls of heaven; yea, the fishes of the sea also shall be taken away. Yet let no man strive, nor reprove another: for thy people are as they that strive with the priest.”[3]

The Day of the LORD is coming soon upon America; it hastens greatly and is nigh upon us. The Day of His wrath will soon come upon all of those who make and live by the lie; and upon all who steal, and bear false witness in the Name of the Lord. Remember that God has said, “Vengeance is mine, I will repay!”

Judgment comes and that right soon! And the judgment of God begins in His own house and it first begins with the compromising elders who are now completely corrupt. A day is coming very soon in America in which all of those who walk in pride as King Saul and all who minister in deception like the wicked High Priest Eli shall be judged in a national spectacle for all to see.

The definition of the word “spectacle” is “something exhibited for view as unusual, notable, or entertaining; especially an eye-catching or a dramatic public display; an object of curiosity or contempt. Spectacles have become an established part of the opening ceremonies for the Olympic Games.”[4]

A spectacle is coming soon upon this land and the ceremony has already been planned. The leaders of the world’s secret societies, who are the dark rulers of this fallen world, have chosen to initiate the dawn of their New World Order with a spectacle all their own. According to their occult calendar, this spectacle should occur on the day of the Burning Man Feast, which is celebrated on either the first day of spring or the first day of fall.

Terrible judgments are about to be witnessed in our land, but before they come, God is going to first reveal what has been hidden in the darkness within the hearts of his people and only then will He unveil his terrible swift sword.

“The congregation of hypocrites shall be desolate, and fire shall consume the tabernacles of bribery. They conceive mischief, and bring forth vanity, and their belly prepareth deceit.”[5] “The great day of the Lord is near, it is near, and hastens greatly ... and the great men shall cry there bitterly.”[6]

The time which is upon us is similar to the time of the first coming of Jesus Christ, when corruption and deception had overtaken the nation, while the leaders were all steeped in apostasy. It is in this time, that the judgment must begin in the house of God, and it must first begin with the leaders of the people.

The first spectacle of judgment to strike our nation occurred on 9/11 but the response of the people was to harden their hearts against the correction of the Lord, and rather they chose to rebuild what God had already judged. Our leaders gathered together on Ground Zero to declare: “The bricks are fallen down, but we will rebuild.”[7]

The scriptures reveal because the people refused the correction of God, “therefore the LORD shall set up the adversaries... and join his enemies against him.”[8] The refusal of the nation and the people to turn back to the truth, after God’s initial correction, is followed by God joining their enemies together and this is what America is facing now. This is also what the church is now facing as well.

The judgment in its first stage was upon the bricks which were cast down (in our case the twin towers), the symbols of the nation’s power, but in the next phase, the judgment comes upon the people, who have refused the correction of God. And when

the judgment of God comes upon the people, it first begins in the house of the Lord. "For the time is come that judgment must begin at the house of God: and it first must begin with us." [9]

The scripture also reveals the judgment on the people must begin with those who have lifted themselves up as leaders: "therefore the LORD will cut off from Israel head and tail, branch and rush, in one day..." [10]

The elder is the head, and the false prophet the tail. As the judgment on the house of God begins, a large number of leaders who themselves are false prophets shall all die in one day and this event will mark the beginning of the time of the judgment of God upon the church. The Lord explains why this judgment must now come upon the apostate leaders – they were causing the people to err, and leading them to destruction. [11]

The warnings of the Lord to our nation, to its church and to the men who call themselves leaders continues even to this day ... but the warnings from heaven shall soon end and then the judgment shall begin; and it shall first begin with the elders, and it shall come upon them in a single day.

"For the leaders of this people cause them to err; and they that are led of them are destroyed... For wickedness burns as the fire: it shall devour the briars and thorns, and shall kindle in the thickets of the forest, and they shall mount up like the lifting up of smoke. Through the wrath of the LORD of hosts is the land darkened, and the people shall be as the fuel of the fire: no man shall spare his brother." [12]

THE BURNING MAN

Sometimes the truth is unveiled like a parable... it is the glory of God to conceal a matter and the work of kings to search it out. The year of 2016 has been ordained by the Lord to reveal what is in everyman's heart. It is also the year for the end of those who rule like King Saul and for the David's

whom God has anointed to finally be revealed. Saul of course went to war with David, but Saul's war did not end well.

King Saul ruled in the 11th century BC and before his final battle, he first consulted the witch of Endor. Saul's death is reported to have occurred in the year 1010 BC. In his final years in power, Saul became progressively mad, paranoid and delusional. He chose to persecute David, while trying to convince the people that David had somehow committed treason against the king in order to justify killing him.

KING SAUL'S PARANOID INSANITY

Depression, anxiety and ultimately insanity are the consequences of rejecting the counsel of God. America as a nation, has rejected God's counsel, and is now literally going insane. So too, in the church, and within the remnant movement, men like King Saul, have attempted to rule in their own power, their minds thus darkened, their hearts are now only filled with pride. In the life of Saul, the scripture reveals how men actually go insane, exhibiting at first narcissistic behaviors that end in psychotic and delusional paranoia. So too the men who have lifted up themselves up as leaders among God's people yet who walk only in the mind of the flesh are now also literally going insane.

Saul had a choice to make: accept God's judgment, repent, and then step down as king, or spend the rest of his life trying to kill David. He chose the latter and it ended with his total ruin. Saul's offering was rejected by the Lord, for he had acted in disobedience, refusing to follow the commandments of the Lord. The same thing is happening today within the church, where the unclean men who rule in the place of King Saul now offer strange fire in the name of the Lord.

"And Nadab and Abihu, the sons of Aaron, took either of them his censer, and put fire therein, and put incense thereon, and offered strange fire before the LORD, which he commanded them

not. And there went out fire from the LORD, and devoured them, and they died before the LORD.”[13]

The Lord has already pronounced judgment against them, for “the congregation of hypocrites shall be desolate, and fire shall consume the tabernacles of bribery. They conceive mischief, and bring forth vanity, and their belly prepareth deceit.”[14]

Satan has stirred up leaders who have been brought under his spell to gather together the congregations of the dead, while the truth of their corruption has been carefully hidden behind their lying words. A tabernacle of bribery has been lifted up in a house built only upon deceit. These are the money changers in the temple of God, and their house shall now be brought down to the ground and burned with fire before the Lord.

The old order is about to pass away. They had their time, but they failed their tests, and so they have become hardened in their ways. These elders have become stubborn in their mind of the flesh. God spoke through a jackass in times past, but that time shall be no more...

The old order, like King Saul has become jealous over the anointing that is upon the David's in their midst and so they are trying to destroy the anointed ones. The David's have all fled from their presence into the wilderness, until the end of those kings, who rule as King Saul shall come.

They could not hear the trumpet crying, “Come out of her, my people.” They do not understand why David chose to flee from their feast tables filled with vomit, to dwell alone in the wilderness, when he could have been part of a great assembly, preaching to a big crowd, earning big bucks, while sitting at Saul's table.

King Saul wanted the anointing, but only under his terms and control, to be used for his glory and fame. But God will not

allow the old order of King Saul, which is ruled by the spirit of this age, to contaminate the new kingdom he is lifting up under the banner and authority of King David.

NOW COMES THE CRIMSON TIDE

The spirit of the Red Horse of war has already been released into the earth ... Causing people to strive, contend, and hate one another and then kill each, first trying to destroy each others reputations. The Red Horse of War comes forth first taking peace from among men before it takes peace from among the nations.

This nation shall now be turned to over to vexation of soul. Sorrow and mourning shall overtake the people for war and famine has been decreed upon this land, and now it shall be made most desolate. The whole land shall become as brimstone, salt, and the burning of lime. This is by the commandment of the Lord.

The people have lost all sense of mercy, truth or honesty and they have no conscience that constrains what they say or do. Man has become altogether disobedient to God, for even those who call themselves Christians, now walk in total defiance of his word, under the delusion of their pride. Through their lies and deceptions, they believe they will yet prosper in the way, but God's patience and mercy upon our land has reached an end. There is too much lying, killing, stealing, and adultery, such that no act of man can now turn back the Crimson Tide.

American pie in 2016

A long, long, time ago
I can still remember how
that music used to set me free

Long before our past was rewritten
Americans sang the songs of hope,
Faith and Love to the God above,
And they even made some of the people cry

And I knew if I had my chance
that I could restore that sacred dance
And it would set the people free

But next February will make you shiver
As every judgment that God delivers
will bring bad news on your doorstep
Americans won't take one more step

I can remember how I cried
When I read about his ruined bride
The Spirit of God touched me deep inside
The day the righteous music died

So now its time, to say Goodbye
Bye, bye to Miss America Pie
You can drive your Chevy to the levee
But the churches are all dry
And the pastors are just good ole boys
Getting drunk on their whiskey and rye
Singin' this will be the year that I die
This'll be the year that I die

Did you ever read the book of love?
The one God wrote from above?
Do you know that the Bible is the only truth?
So don't be fooled by the Christian rock
For satanic music can't ever save your mortal soul

Well, I know that some of you are in love with him
Cause I saw you dancing in the gym
You both kicked off your shoes
And now you'll learn the reason
All of his lovers have to sing the blues

I was a holy teenage Jesus freak
And the only thing I would ever seek
Was to hear his voice so clearly in my ear

As I walked in His love I learned of his fear
But I knew the truth in my heart even way back then
the American church had run out of luck on
the day the righteous music died
So I started singin'
Bye, bye Miss American Pie
You can drive your Chevy to the levee
But the American churches are all dry

And the pastors are all just good ole boys
Getting drunk on their whiskey and rye
Singin' this will be the year that I die
This'll be the year that I die

In the coming years
you will all be on your own
Best to leave the broken down cities soon
For they are not a home
But that's not how it used to be ...

But now you must find your way
through a desolate wilderness
but always know you're not alone
for if you remain true to him,
He'll always walk close with you.

But now the jester sings for your king and queen
In a coat he borrowed from James Dean
In a voice that came right out of hell
Yet He promised you, all will be well

While we were looking for the America dream
The jester stole our freedom and our Christian crown
And so the courtroom in heaven has now adjourned
The final verdict will now be returned

And while our children are taught from a book by Marx
The false teachers prophesy in the park
And the children of Belial sing dirges in the dark
For this is the year in which America died,
Yes this is the year they will remember America died...
So lets all start singin'
Bye, bye Miss American Pie
You can drive your Chevy to the levee
But the churches are all dry
And all of the pastors are all just good ole boys
They might as well drink their whiskey and rye

For this will be the year that they all die
This'll be the year that they all die

Helter skelter is coming soon
Even though we once walked the moon
And in the heat of next summer's swelter
Americans will watch as their cities burn ...

But Americans don't even have a fallout shelter
Eight miles high will be the blast
And then the fallout will be falling fast
turning our land so foul that it will kill the grass
As the pretenders try another forward pass

While the jester on the sidelines, he just laughs
With his face disguised, he wears a pastor's robe,
Now that all of the Charasmagic spells are cast
But nobody even cared they won't last ...
The spirit of God forsook that show
So many, many years ago,
on the day the holy music died

Now the half-time air has sweet perfume
While patriots play their marching tune
but the day of reckoning is still coming soon

And as all the people get up to dance
They are all shocked to learn
they will never get another chance
'Cause as the men of God tried to take the field
The false worship band refused to yield
Do you recall what was revealed
The day the righteous music died?
Oh, and now we're all in the same place
Our generation is so lost in space
With no time left to even try again

So America must now pay for all her sin
As sorrow fills her eyes, they slowly dim

The Jester's promises were all just lies
We will soon learn we traded our birthright
For a cheap disguise, but never mind

So come on, Jack be nimble, Jack be quick
The witches are burned by their candlestick
'Cause this fallen nation we once knew
is now the devil's only friend

Oh and as I watched him prancing on the stage
My hands were clenched in fists of rage
Only an angels born in Hell
would dare to invoke Satan's spell

As the flames climbed higher into the night
They light the sacrificial rite
And I saw Satan laughing with delight
The day the righteous music died

I met a girl who once sang the blues
I asked her for some happy news
She just smiled and as she turned away
I thought I heard her try to say
I have to raise a remnant for my King.

So I went back down to the sacred store
Where I'd heard the righteous music
many years before but the man there said
the sacred music will no longer play

And in the streets of America
the children will scream
The lovers shall all cry
while the poets still dream

But not one word of truth is spoken
For the church bells are all now broken
America threw away God's Holy Word
The seeds of truth all stolen by the birds

Now in Babylon there is never a holy night
While the people pretend that it's all right
And now Jesus' name cannot even be spoken
For our holy vows have all been broken

And America thought we were just playing a game,
And that somehow we could choose all this sin,
And follow the devil and yet only win

Now America's churches all empty out
They will breathe their last sigh without a shout
For the word of God is no longer welcome here
And our nation has forgotten his holy fear.

Now prosperity is their only thought
As the lies of the Joker have all been bought
And in our land they only curse his name
And in their sin, they have no shame

And all the people are fast sleep
With spells so strong they can't be woken
Yet one day they find all is broken
So now everyone is so confused
Ever since the day the music died.

And the one man who I admire most
The Father's son, who came filled with the Holy Ghost
He has prepared a last train and it's headed for the coast
To save his remnant on that day,
the day the righteous music died
