

Is Trump a King, or Not?

You don't have to be Tucker Carlson to be critical of the Trump Administration's involvement in the war between Israel and Iran. There is no treaty between the United States and Israel to come to the defense of the Jewish state. Equally significant, there has been no U.S. declaration of war on Iran. Hence, American involvement is unconstitutional.

Enforce the Communist Control Act

The role of one communist group, the Party for Socialism and Liberation (PSL), is apparent for all Americans to see, as their banners and signs carry their names and are being mass produced and seen on television. Members of communist groups have been involved in firebombing Tesla dealerships and assassinating the two Israeli embassy staffers on the streets of Washington, D.C.

Can California Run By Democrats Be Saved?

A dumb blonde on CNN defended Mexican agitators flying Mexican flags during the LA riots by saying it was not illegal to fly a flag. She missed the point. California became Democrat after

Republican Ronald Reagan was governor because of the influx of Mexicans into the state. That is why they fly Mexican flags.

An America First National Bankruptcy

If you are like me, you get emails from outfits like “National Debt Relief,” promising help to pay down those credit card bills. If you watch many of the “conservative” opinion programs, you are constantly told that you must buy gold to avoid a national economic disaster. In fact, we need “National Debt Relief” on a national scale, to avoid the need to buy gold in the first place.

Are the Courts Now Officially Running the Trump Administration?

It was sad to see President Trump bow to the will of liberal judges and bring back a terrorist gang member from El Salvador so he can “enjoy” the benefits of the American justice system and become a cause célèbre for the communist left. Who knows how many thousands of dollars will now be spent to try to keep him in prison.

Another Brave Senator from Wisconsin

Decades ago, a Senator from Wisconsin tried to save America from a communist takeover. These days, a Senator from Wisconsin is trying to save America from financial bankruptcy.

The “Backroom Hustlers” Around Trump

If I were Trump, I would fire most of those around me, and bring back Musk and/or his genius associates to take on the Deep State directly. I would take their advice over the “conservative establishment” any day. Such an approach has the added advantage of Musk being able to launch the “hustlers” into orbit.

Give Back to Caesar What is Caesar's

Elon Musk is right about the Trump-backed “One Big Beautiful” bill being a fiscal disaster. If President Trump continues down this path of more federal spending, deficits, and debt,

America is finished. The only way out is an alternative monetary system.

Putin is Crazy Like a True Communist

Putin is like the communist who killed those two Israeli embassy employees on the streets of Washington, D.C. He wasn't crazy. He was in the grip of a foreign ideology that justifies murder. He shouted "Free Palestine" as he was taken away. These are the motivations of global Islam and international communism. They will not rest until America is buried.

The United States Must Win the AI Arms Race

We are in the middle of an Artificial Intelligence (AI) arms race that we must win. So-called "Killer Apps" are being created. "Whoever leads in AI will rule the world," declared President Vladimir Putin. He understands that his ally, China, is poised to do just that, and now the United States is making it possible.

Meet the New Boss, Same as the Old Boss

My fear is that Trump, the businessman and deal maker, does not understand international communism or global Islam. You can't negotiate with terrorists and you can't deal with Communists and Muslims who want to kill you.

Arrest the Judges and Fire the Lawyers

What is more, the highly respected analyst Gordon Chang says Trump's dramatic reduction of tariffs on China represents a "win" for the communist giant. That win for China was engineered by Treasury Secretary Scott Bessent, a former financial manager for the George Soros hedge fund.

Is This What We Voted For?

The Muslim Brotherhood, which effectively controls Qatar's Al-Jazeera television network, gave rise to terrorist organizations such as Hamas, the officially designated Foreign Terrorist Organization (FTO) that launched the October 7, 2023 attacks on Israel. However, the Muslim Brotherhood is not an officially designated FTO, even under Trump.

“We have a Pope,” and He’s Another Open Border Leftist

He won’t be caught singing Lee Greenwood’s “God Bless the U.S.A.” This “American” pope is not proud to be an American. This pope has been attacking President Trump and Vice President Vance for weeks on the social media platform X and seems guilt-ridden over America’s success.

Trump Should Fire His Lawyers

A blonde air head on the business channel CNBC asked the CEO of the toymaker Mattel “Is Christmas at risk?” because of Trump’s tariffs on China. President Trump must rise above this nonsense and take charge of American foreign policy, defending his tariffs and his massive deportation plans. He is the elected president.

Trump Must Free the Slaves, Again

We are in a similar situation today as Lincoln was then, as federal judges constitute the new Confederacy, doing

everything possible to defeat the central government, this time headed by President Donald J. Trump. We are in the midst of a life-and-death struggle to save the Republic from a foreign invasion engineered by the Biden administration.

Trump, Russia, and the Threat of Total War

Like Trump, Reagan survived an assassination attempt. Reagan brought down the Soviet empire through a combination of military and monetary pressure, until Vladimir Putin assumed the Russian presidency and tried to bring it back, with his first invasion of Ukraine under President Obama and then a massive invasion under Biden. This is the world that President Trump inherits. With God's help, he will make the right decisions.

Is Trump the President or Not?

I, for one, am getting sick and tired of those weak-kneed "conservatives" who think somehow that the president must take orders from the Court. He takes order from our founding documents, the Constitution and Declaration of Independence. The response, if people disagree with him, is impeachment by the legislative branch.

How and Why “Free Trade” Came to America

William J. Gill had it right – the real trade wars were being waged against America. Unfortunately, his legal case, which argued that NAFTA violated the Constitution of the United States, was dismissed. The governments of Canada and Mexico intervened on behalf of President Bill Clinton, who passed NAFTA and its implementation act with the assistance of Republican Newt Gingrich in the House of Representatives.

Deport the Judicial Oligarchs

With the Supreme Court ruling 7-2 against the Trump Administration on deportation of foreign terrorists and gang members on American soil, the so-called “Supreme Court,” with two exceptions, has been exposed as the long arm of the Deep State. Deport the Seven. These are the real oligarchs.

Trump Versus the Big Banksters

Antony Sutton’s 1974 book, *Wall Street and the Bolshevik*

Revolution, documents a link between U.S. banking interests and the Bolshevik cause, the subsequent rise of Communist China, and the invasions of South Korea and South Vietnam, resulting in 100 million dead. In addition, tens of thousands of American military personnel died attempting to stop the advance of international communism.

Karl Marx Was a Global Free Trader

Marx declared his support for free trade while giving a lecture on England's corn laws, a set of tariffs and restrictions on the import and export of grain in Great Britain. Marx explained that "The system of free trade is destructive. It dissolves the old nationality and drives towards extreme antagonism between the bourgeoisie and the proletariat. In a word the system of free trade hastens social revolution."

Democrats Brace for Martial Law

Over the course of my career, I have covered literally dozens of demonstrations on the left, from anti-nuclear protests featuring Jane Fonda to openly communist conferences sponsored by the Workers World Party (from which I was ejected), and have never witnessed such a hunger for death and destruction.

The Communists Are Stealing Your Medical Records

Our leaders and their “intelligence agencies” have finally recognized that the China virus came out of China, from a Chinese military lab. We spend tens of billions on this kind of “intelligence” when common sense costs nothing. We need DOGE to clean house in the “Intelligence Community.”

FBI Must Probe the Communist-Muslim Alliance

If the Justice Department truly wants to hold Hamas supporters accountable, as it announced when it created a Joint Task Force to seek justice for the victims of the October 7, 2023, terrorist attack in Israel, it can begin by investigating the network planning the April 5 March on Washington, just blocks from the FBI building.

Trump Aides Stage Cyber

Attacks on Themselves

After a great start, the Trump Administration has run into its first major scandal. Somebody in the Trump Administration gave an anti-Trump “journalist” access to sensitive information about a military operation. The “leak” gave the anti-Trump operatives in the media and the Democratic Party the opportunity to portray the new administration as incompetent lightweights.

The Deep State Wears Black Robes

They say “elections have consequences,” except when President Trump tries to implement conservative policies. The federal courts are full of Obama and Biden judges and the Supreme Court is led by a “Republican,” John Roberts, who teamed up with a Trump nominee, Amy Coney Barrett, and both sided with the three liberals to dictate continued foreign aid boondoggle spending to the tune of \$2 billion.

Inside the Bloodthirsty Anti-Trump Resistance

It was at a recent local anti-Trump “resistance” rally that I took actual photographs of lunatics carrying posters and signs

threatening the assassination of President Trump and a “guillotine” for Elon Musk. “Assassination is the highest form of public service” one sign said.

Canada's Descent into Globalism and Communism

Perhaps it is time for America to act. Trump's proposal to make Canada the 51st state makes sense from the point of view of exploiting its natural resources for the benefit of Americans, a strategy that would also benefit Canadian citizens and safeguard their country in the process.

Make China, Mexico, and Canada Pay

Mexico is being targeted because the Mexican drug cartels, working with the collaboration of the government of Mexico, are trafficking fentanyl with the assistance of the Chinese Communist Party that supplies the chemicals. Trump has promised to go beyond tariffs to waging military attacks on the cartels.

For Ukraine to Survive, Zelensky Must Go

By staying in office, Zelensky plays into the hands of the Russians. I am sure there must be an alternative, perhaps a patriotic General in the Armed Forces of Ukraine, who will step forward and lead a coup against Zelensky.

Obama, Not Trump, is the Real Russian Agent

It was Trump who rescued Ukraine from the policies of the Democratic Party that led to the 2022 Russian full-scale invasion and that explains why the Russians were out to destroy him. He is Ukraine's best and only hope at this juncture.

How the Communist Comrades Fool Conservatives

As a veteran attendee and speaker at the Conservative Political Action Conference (CPAC), when Ronald Reagan's anti-communism was on display, I was shocked to discover that "former" Communist Robert Fico, the Prime Minister of Slovakia, was a featured speaker at CPAC 2025.

Are You Tired of Losing under Trump?

Regarding Ukraine, a country fighting for survival against Putin's Russia, Victor Rud of the Ukrainian-American Bar Association notes that Trump demonstrated bad negotiating tactics by proposing a "peace deal" that gives up in advance two of the best cards he had. He gave Putin 20 percent of Ukrainian territory and pledged no NATO membership for Ukraine.

Christians Are AWOL in the Current Crisis

President Trump is far from a dictator. In 2020, when the election was stolen from him through mail-in voting shenanigans, he could have invoked limited martial law to allow the U.S. Military to oversee a new free and fair federal election. That was the option when legislators, courts and the Congress did not follow the Constitution and gave control over elections to unelected courts in the various states. Instead, he vacated the office.

The Tulsi Gabbard Cover-Up is Unraveling

The Constitution says there shall be no required religious test for public office in America (Article VI, Section 3), a section usually interpreted as designed to prevent one Christian denomination from gaining state power over another. But Gabbard's involvement in a radical off-shoot from a foreign-based religion is something else entirely.

Make the Monroe Doctrine Great Again

It's interesting to talk about an American takeover of Gaza. But the terrorists must be defeated there by Israel, not America. We have a Gaza of our own in the Western hemisphere. Closer to home, what we desperately need is the liberation of Communist Cuba. That would really send a message to the "international community." It's time to think about how this can and should be done.

Tulsi, Tucker, Trump, and Traitors

As Tulsi Gabbard's background as a "former" Democrat socialist

Bernie supporter, New Ager, and Never-Trumper comes into public view, I am hearing from MAGA people who still have no idea how and why she was nominated her as Director of National Intelligence (DNI), with supervision over 18 intelligence agencies and a direct line to Trump.

Trump's Gabbard Pick is a Spy Scandal in the Making

Analyst Trevor Loudon believes a communist-inspired "influence operation" has targeted Trump's inner circle, making another Russia-gate scandal entirely possible, even probable. In an interview on my Rumble TV show, Trevor suggested that, if she gets the job, the scandal will be timed to blow up right before the next midterm elections, giving Democrats a major opportunity to derail Trump's agenda.

RFK Jr., Science, and the Golden Age

The Associated Press is still a major source of lies and disinformation, with a recent front-page scare story referring to RFK Jr., Trump's nominee for Secretary of Health and Human Services (HHS) as an "anti-vaccine activist." The article falsely called RFK Jr. "one of the most prominent anti-vaccine activists in the world."

The Deep State Still has Trump in the Crosshairs

To a user of X who asked, "Why [do] they want to kill Donald Trump?" Elon Musk had responded, "And no one is even trying to assassinate Biden/Kamala." It's much more sinister than Musk indicated. The issue is whether elements of the Biden/Harris administration were somehow involved in trying to kill Trump and whether they have been covering up the details of their failed attempts.

The Financial Rise and Moral Decline of Fox News

While I am hopeful that MAGA can play a role in turning America around morally, I am doubtful because of President Trump's decision to back away from his culturally conservative positions on issues like abortion that he proclaimed in 2016. He once believed in the right to life from conception to death. Now he says it's a state's rights issue.

A Wolf in Soros Clothing in Trump's Cabinet

If Republican Senators don't raise these matters, the hearing will be dominated by Senator Elizabeth Warren, a far-left Soros-supported member of the Finance Committee once praised by Soros himself as "the most qualified to be president." Back in 2011, Soros even hosted a fundraiser for Warren and other Democrats.

The Death of Communism in California

Such a committee wouldn't have to start from scratch. The report, "Un-American Activities in California," was published in 1970 by a California Senate Fact-finding Subcommittee and devotes almost 300 pages to analyzing the growth of communism and other Marxist groups in the state and how they organized protests on campuses and then manipulated the electoral process to achieve power.

The Sickness That Infects CNN

I have a soft spot in my heart for CNN. When Pat Buchanan was in the Reagan White House serving as communications director, I filled in for him numerous times on the CNN "Crossfire"

show, presenting the conservative opinion in response to the liberal opinion offered by figures like Tom Braden or Michael Kinsley. That balanced program went down the drain and CNN became an organ of the Democratic Party.

Jimmy Carter's Life and the Death of America

They tell us that Jimmy Carter was a great ex-president, a description designed to camouflage his disastrous four years as president. We must know the truth as America moves forward. We must not celebrate his one and only presidential term. Instead, we must remember why Ronald Reagan defeated him.

MAGA Blowhard Bannon Sabotages the Trump Agenda?

In the second Trump term, Musk will deserve special protection, since he is a key figure in what Trump promises to be a "Golden Age" for America. But he won't be able to accomplish anything for America unless a few Republicans in the House under the influence of MAGA blowhard Stephen K. Bannon stop sabotaging Trump's choice for Speaker of the House.

The Moral Achilles Heel for MAGA

Our local pastor gave a Christmas Eve sermon on why the birth of Christ was God's D-Day invasion in a spiritual sense of the Roman Empire. It was an interesting analogy. The influence of Christ lives on but America's reputation as a Christian nation does not.

The Coming Wave of Anti-Corporate Terrorism

Let's hope the FBI isn't fooled by this. Mangione isn't alone. He is just one member of a network of environmental rights extremists, other eco-socialists, and anti-technology activists. Their tactics in the past have included bombings and arson attacks but the assassination of UnitedHealthcare CEO Brian Thompson suggests a new and ominous turn of events, coinciding with President Trump's return to the White House.

The Moral Degeneracy of the

Catholic Pope

It's bad enough that President Trump will have to deal with wars and rumors of wars and the "enemies within," such as the intelligence agencies. Now he will have to take on the global agenda of the pope.

They Want to Kill Elon Musk

Having failed to kill President Trump, they next target Elon Musk, probably the smartest man in the world and the key to America remaining a military and economic superpower in the world. He is a leading force in the new technologies, especially AI, cryptocurrencies, and space exploration, which promise what Trump calls a "Golden Age."

I Hope Trump Can Survive the Resistance?

Chuck Mason's comment in the American Thinker is a wise one: "The majority of the country did not shift to the right; the Left still has a solid competitive base. If you disagree, ask the 48.5 percent of Americans who thought four more years of the Biden administration on steroids was good for the country."

Trump Understands that America is Vulnerable

Americans are optimistic that President Trump can solve the nation's domestic and foreign policy problems. But some of his critical nominations and actions indicate he is extremely worried about what lies ahead and wants to at least temporarily appease those who can do America harm.

The Return of Communist Terrorism and the New Targets

A new FBI director like Kash Patel, the nominee of President Trump, can refocus the attention of the Bureau on the real and present threats to America and leave law-abiding citizens alone. Patel served as the Deputy Director of National Intelligence, Chief of Staff for the Department of Defense, and National Security Advisor to House Permanent Select Committee on Intelligence.

Socialized Medicine is the

Motive of the Assassin

There is an ulterior motive behind the cowardly campaign that involves the killing of a health care CEO. Don't be fooled by the media attempt to make the assassin into a folk hero. He is an assassin cut from the same mold as those who tried to kill President Trump.

Conservative Sex Scandals and Conduct Unbecoming?

"In 2004 Hegseth married Meredith Schwarz; the couple divorced in 2009. The following year he wed Samantha Deering, and they later had three children. In 2017 Pete Hegseth had a child with Jennifer Rauchet, who also worked at Fox News. Later that year he and Deering divorced, and Hegseth married Rauchet in 2019. At the time he also became stepfather to Rauchet's three children from a previous marriage."

Communists on the March as Trump's Picks Self-Destruct

As if wars in Europe and the Middle East were not bad enough, the communists have just conquered South Korea. If you blinked, you didn't notice it. The communists won without firing a shot. In fact, anti-communist President Yoon's

declaration of martial law, designed to save South Korea from the communists, was quickly reversed by the enemies within

Communists Threaten South Korea From Within

If you want to see what it might take to save America from communism, look to South Korea, where a brave conservative president has just declared martial law and has ordered patriotic soldiers to identify and detain the enemies within. South Korea faces Communist North Korea, backed by Russia and China...

Tulsi Gabbard-gate Now a Full-Blown Scandal

President Trump called former intelligence analyst Edward Snowden a “traitor” and a “spy” who should be executed. Lt. General Michael T. Flynn, his former national security adviser, had declared in congressional testimony that Snowden’s disclosures did “grave damage to the Department of Defense and go far beyond the act of a so-called whistle blower.”

Another Russia-gate Scandal for Trump

As Senator Kyl indicated, Snowden has been embraced by some on the right because he poses as an enemy of the same “Deep State” targeting Trump but he is today living in Russia, after having traveled through Chinese Hong Kong.

Soros-Funded Agent Installed at Treasury Department

After telling us for years that Soros-funded prosecutors were a threat to our system of justice in America, Fox News is now touting the nomination of a Soros-funded financial operative, Scott Bessent, as Secretary of the Treasury, where he can do enormous damage by destabilizing the U.S. financial system.

Deep State Wins First Victory Over Trump

With the character assassination of Matt Gaetz and his replacement by lightweight candidate Pam Bondi, MAGA’s only hope is that President Trump will himself take control of the Justice Department and order charges against former President Barack Hussein Obama and former presidential candidate Hillary

Clinton for their roles in the Russia-gate scam.

Why the Deep State is Afraid of Matt Gaetz

I urge everyone to watch the video of Gaetz grilling the FBI director. Then watch the video of Gaetz grilling Attorney General Garland. Gaetz understands the problem and the solution. He can get the job done.

Civil War in the Republican Party

The contenders are Minority Whip John Thune of South Dakota, John Cornyn of Texas, and Rick Scott of Florida. Scott is the more conservative candidate and is campaigning for the post as the voice of MAGA.

The Danger to Trump is

Greater Than Ever

In addition, the Democratic Party is a member of the global Progressive Alliance together with the British Labor Party, which now governs Britain and sent “volunteers” to America to help Kamala win.

The CIA Loses Faith in Kamala

As thousands of people lined up outside Madison Square Garden on Sunday morning, for a Trump rally that afternoon, the Washington Post published a story, “Voters prefer Harris’s agenda to Trump’s – they just don’t realize it.” This is desperation from an organ of the Democratic Party that refused to endorse Harris.

Nazis, Fascists, and Communists

When former KGB officer Vladimir Putin invaded Ukraine, he said it was to defeat Nazis and fascists, even though the Hitler-Stalin Pact started World War II. Now Comrade Kamala is using the same ploy against Trump, when her “joy” campaign is based on the Nazi program “Strength through Joy” that was designed to build Hitler’s Third Reich. So would a Kamala regime become the Fourth Reich?

Hocus Pocus and Joy in the Democratic Party

The film “Hocus Pocus” is coming soon to your local theater, but there is a lot of hocus pocus already happening during the presidential campaign. Michigan Governor Gretchen Whitmer mocked the sacrament of Holy Communion during a skit in which she placed a Doritos chip on the tongue of a kneeling fellow feminist, making it seem like she was dispensing the body of Christ.

Modern-Day Witches and the Harris Campaign

When Christian evangelist Lance Wallnau said that the Kamala Harris campaign was being driven by an occult spirit and witchcraft, he was denounced by the Big Media as a lunatic. What the media don't want you to know is that a “Witches for Harris 2024” group has actually been formed and that another movement is casting spells against President Trump.

A CIA Plot to Kill Trump?

On Tuesday, October 8, the Justice Department announced that an “Afghan man” was arrested and charged with an Election Day terrorist attack. One day later, it was leaked that the “Afghan man” was a CIA employee allowed into the United States by the Biden/Harris Administration in 2021 on a “special immigrant visa.” His co-conspirator was a legal permanent resident in the United States.

Sheriff Warns of Terror Cells in America

Chuck Jenkins, the tough-talking sheriff of Frederick County, Maryland, told a candlelight vigil in support of the victims of the terrorism in Israel that he fears a wave of crime and violence is being planned for the United States by “terror cells” and foreign criminal gangs already on American soil.

Christians Mobilize to Save America and the World

During a trip to New York City last week, I encountered a Harris/Walz campaign event selling buttons for \$3 that proclaimed, “Make America Joyful Again,” in contrast to Trump’s MAGA. This is occurring during the one-year

anniversary of what was supposed to be a joyful occasion in Israel, a music festival, which turned into a massacre of Jews by Hamas terrorists.

Holocaust Survivor Warns of Another World War

But Steigmann emphasized that a “land for peace” formula for appeasing the Islamists to somehow assure Israel’s sovereignty and survival makes absolutely no sense. “For the Arabs, appeasement is weakness,” he said. That position would rule out the Kamala Harris “two-state solution,” allowing an Islamic state next to Israel in the Middle East on a permanent basis.

Kamala, Biden & Zelensky to Start a War With Russia Before Election?

A New York Times story about how Zelensky is demanding missiles and permissions to strike “deep Into Russia” indicates where we are heading. If a Biden/Harris decision to allow these missile strikes happens before election day, a war between the United States and Russia could break out in a matter of weeks and the November 5 election could be cancelled.

Is Zelensky a Russian Agent?

I always considered myself to be an astute judge of character, able to spot communist agents working in an undercover capacity to influence domestic and world events. I thought Vladimir Putin never gave up his communist beliefs, drummed into him before he joined the KGB. I still think he's the major villain in the Russia/Ukraine war. But now I am convinced that Ukraine President Zelensky is also a villain. He may be worse than that. He may be a Russian agent.

Get Ready for World War III

In other words, the Republican favors traditional marriage between a man and a woman. He wants kids to have a mommy and a daddy. This is now the radical position. Hence, Catholic churches are being burned down in America and statues of the Virgin Mary are being beheaded. Traditional Catholic teaching is an obstacle to their New Age New World Order.

Church Burnings in America

I had the opportunity of once interviewing the late Vatican insider Malachi Martin, who wrote penetrating books about the Catholic Church entitled *The Jesuits* and *The Keys of This*

Blood. He believed that Mikhail Gorbachev, who presided over the “restructuring” of the old Soviet Union, never gave up on Marxism-Leninism but adopted the viewpoint of the Italian communist Antonio Gramsci that a worldwide communist state could only be achieved gradually.

Can Trump Save His Campaign?

On the eve of the presidential debate, I received an email from Trump supporter Laura Loomer declaring that getting Christians out to vote for Trump in November is the key to victory. If this is the case, then why is Trump trying to appeal to Democratic Party voters on issues like abortion and drug legalization?

Trump Makes Bid for Dirty Drug Money

Having lived through the Reagan years, I was pleasantly surprised to find that my 18-year-old waitress at a local restaurant had also seen the new Reagan movie and found it “educational.” She had not been around during that period to experience and witness a president who believed in total victory over communism.

Trump Projected to Lose to Harris?

In retrospect, it looks like Florida Governor Ron DeSantis would have been a better choice for Republicans, as he demonstrated in his work as governor that he would stand by conservative principles. An economic conservative, he was strongly pro-life and opposed the legalization of marijuana in his state.

Trump's Big Move Into Eugenics?

Eugenics is associated with the Nazis and other totalitarian movements and is an effort to "improve" the human condition through "science" and genetic manipulation. The Nazis wanted to create a master race.

Is Trump Destroying Reagan's Legacy?

In 1933, when his wife became pregnant, Chambers said that he and his wife immediately knew that, as faithful communists, their immediate option was abortion. But his wife came over, took his hands, and burst into tears, saying, "We couldn't do

that awful thing to a little baby, not to a little baby.” It was the instinct of a mother.

The Assassins of the FBI

In the video game, Assassin’s Creed, the gamer can play the role of a legendary samurai and a shinobi assassin in feudal Japan. In real life, President Trump’s alleged would-be assassin in current-day America was facilitated in his mission by the FBI and then, after he was terminated, the FBI sanitized the crime scene, burned his body, and has failed to tell us what was in his encrypted overseas accounts.

Is God Protecting Trump?

Our media are concerned about the hurt feelings of Kamala Harris. She doesn’t like the “personal attacks” on her intelligence. Even the “conservative” channels focus on this, suggesting that President Trump take a different tack. This is a man targeted by “personal attacks” that included an attempted assassination and yet he is the one who has supposedly gone too far by questioning the intelligence of the Democratic nominee.

America's Invasion from Within

With global IT outages, stock market crashes, open borders, attacks on Jews worldwide, and assassination plots against President Trump unfolding on a regular basis, many people know instinctively that something very bad is happening to America and the world. But retired Army Lieutenant Colonel Ralph Siegrist is warning that the worst is yet to come

We Need More Personal Attacks

Fox News is the milquetoast network, sometimes offering good conservative news items but coupled with its own misguided opinions from various anchors and paid commentators about how President Trump should be conducting his campaign. Their latest advice: avoid the "personal attacks" and campaign on the "issues."

Never-Ending Assassination Plots Against Trump

I repeat my request to President Trump: He should pause his campaign and deliver a national address to the American people explaining that not only is his life in danger but that the American system of government is being subverted by powerful

domestic and global forces that want to install Kamala Harris in the White House.

The Iranian Assassination Campaign Against Trump and America

As a more than 40-year veteran observer of the American political scene, I have never seen anything like this presidential campaign, where one political party, the Democrats, have eliminated their own candidate from the race and tried to kill the opposition candidate. But this is the situation America finds itself in.

Communism, Jews, and the Fate of Israel and America

Rather than attend Israeli Prime Minister Benjamin Netanyahu's address to Congress, Kamala Harris went to a black college sorority event. Then, after Jewish Pennsylvania Governor Josh Shapiro was passed over for the vice-presidential pick, CNN's Van Jones, a leftist himself, admitted, "You also have anti-Semitism that has gotten marbled into this party."

Trumpamania in Pennsylvania

During this chaos and controversy, much of it stemming from the attack on Trump's life and continuing threats, Trump has found a winning issue that will attract millions of people and many new voters – an alternative monetary system that bypasses the Federal Reserve through crypto currencies based on new technology, such as Bitcoin.

Speaker Johnson's Phony Task Force

President Trump was almost murdered after a coordinated effort to jail and bankrupt him, which is still ongoing, and when that stalled, they tried to kill him. Johnson's response is to ask House Democrat Leader Hakim Jeffries to join a bipartisan effort to get to the bottom of the incident, when the Democrats' attacks on Trump as a dictator and Hitler inspired the attack.

Blood On Their Hands

The article, "It's Biden's Fault," is the best analysis I have seen about the fact that Joe Biden (and Kamala Harris) bear

responsibility for the attempted assassination of their political opponent, President Trump. These are basic facts about the chain of command.

How the Deep State Arranged the Hit on Trump

In this case, as we saw in the Hunter Biden laptop coverup, there are honest people in the bureaucracy, such as those IRS whistleblowers. We must hear from the insiders, not the paid stooges running the Secret Service and the FBI. As for the Trump campaign, bring in a private security service as soon as possible to protect him.

The Plot to Kill Trump Goes to the Top

John Roberts of Fox News appears to be getting sick and tired of Secret Service stonewalling on the matter of its multiple “security failures” in the attempted assassination of President Trump. On Wednesday, he noted that the federal agency has not held a public briefing on what happened and he said the response is “approaching the level of scandal.”

The Deep State's Next Assassination Attempt

If Trump is correct that God saved his life, and it sure looks that way, he understands there is something else at work in America. This is not secular politics. This is something more sinister. As such, his enemies won't stop at one attempt. I believe, based on my research, other assassination plots are already underway.

Is Trump Campaign Embracing Abortion and Homosexuality?

Trump is an obvious target of many of these same forces but has decided, for reasons of political expediency, to make a deal with them. He has warned Republicans that opposition to abortion has "cost" the GOP politically. So he endorses abortion drugs and "state's rights" on abortion, a formula that led to the first American Civil War when some states wanted to keep slaves and others wanted them to be free of bondage.

The Abortion Crisis in the

Republican Party

Its 2024 platform is weak, declaring that while the 14th Amendment to the Constitution of the United States “guarantees that no person can be denied Life or Liberty without Due Process,” the States are “free to pass Laws protecting those Rights.” By the same token, they are also “free” to deny those rights.

The Conspiracy to Save Joe Biden

Dropping feces seems to be a new low, even for a communist dictatorship. They don't do that kind of thing here, in the great United States. Instead, poop is packaged as “news” emanating from the Biden White House and regurgitated by the “mainstream media.” But one of the bags has exploded in their face. Biden stands exposed as a corpse, a cadaver, masquerading as president.

Psycho Joe Turns on Dementia Joe

I am not “obsessed” with Joe Scarborough. But I am curious about his change of heart, the death of his former staffer, and his demonstrable lies about Biden's health. This is a

person with contempt for his audience and a desire to deceive them for political purposes. He went from one end of the political spectrum to the other.

The Deep State Threatens a Five-Year-Old Girl

Conservatives and Trump supporters must understand that Bannon is not a political prisoner. Yes, the J6 committee was biased, slanted, and illegitimate. But plenty of good people decided to testify, including Donald Trump Jr. and Stephen Miller. They knew it was a kangaroo court but decided to go ahead with the confrontation with the witch hunters anyway.

Is There a “Conspiracy” to Kill Trump?

Now that Biden is toast, the only avenue left for these agencies is to make Trump toast, too. That way, Biden and/or his replacement has a chance.

Democrats Run “Gay Pride” Events

Rainbow flags were everywhere on June 22 when thousands of Democrats rallied in support of “gay pride,” abortion, condoms, transgenderism, and marijuana at the annual “Frederick Pride” festival in Frederick County, Maryland. So-called “pride” events like this one are barely disguised Democratic Party get-out-the-vote efforts to get Joe Biden back in the White House.

Is Trump’s “Too Big to Rig” Strategy in Trouble?

Setting the American people up for another communist “victory” at the polls, MSNBC and the liberal media are already warning of another January 6-style “assault on democracy” by those protesting vote fraud. Such a confrontation will certainly be another FBI set-up to capture, kill, and/or imprison Trump supporters.

Russia’s KGB and Ours

Biden exchanged a Russian arms dealer in an American prison for an American pothead lesbian basketball player held in Russia for drug dealing. Now, according to published reports,

he wants Wall Street Journal reporter Evan Gershkovich, held in Russia on phony espionage charges...

Armed Enemies Within Plot Trump's Murder

The Secret Service is a component of the Department of Homeland Security, run by Open Borders architect Alejandro Mayorkas. That means that the federal official ultimately in charge of the Secret Service "protection" for Trump is at the same time turning a blind eye to hundreds of foreign terrorists entering the country, perhaps to assassinate Trump.

Trump is a Marked Man

With right-wing parties making gains in European Union parliamentary elections, it is apparent that a global rejection of the status quo is paving the way for President Trump to win the U.S. presidency in a decisive manner. While some commentators are focused on whether Joe Biden can make it all the way to November's elections because of his senility and old age, the real question is whether the communists and globalists decide the time is right to take out Trump by any means necessary.

Trump's Life is in Grave Danger

Eric Trump has told the cable channel Newsmax that his father's political enemies would like to see "real harm" done to his father because nothing else is working. Claims like this are quickly dismissed by the major media, and Special Counsel Jack Smith wants President Trump gagged in his federal documents case for saying that the Department of Justice wants to kill him.

The Republican Party is Dying in a Post-God World

Most people don't have the time to actually watch the speech or read a transcript. It's just too much trouble. This is a reason why Larry Hogan goes with the secular culture and appeals for votes from those consumed with the murder of the unborn as a human right. Hogan understands the "spirit" of the times. It has consumed his soul and threatens the survival of our nation.

Honor Victims of the U.S.

Government on Memorial Day

As we witness the assault on Trump's home and the mass imprisonment of those protesting the stolen election of 2020, let us remember the scandals of the FBI/ATF armed assaults on Randy Weaver's home and family at Ruby Ridge, Idaho, and the Waco religious compound in Texas.

Press Conference on Narco-Nation America

For those who think marijuana is a harmless drug and that "Reefer Madness" is the name of a funny out-of-date movie, consider the case of Bryn Spejcher. She experienced what is called "cannabis-induced psychosis" and stabbed her boyfriend Chad O'Melia 108 times, killing him, then stabbed her dog and was trying to kill herself when the police arrived.

Preparing the Trial of Barack Hussein Obama

This is not to say that the House Republicans have not made serious mistakes. They expelled Rep. George Santos, who fudged the facts about his background. But it was Barack Hussein Obama who campaigned under false pretenses as a Christian when he was a Marxist mole with sympathies for radical Islam. His

policies are still guiding the Biden Administration.

Biden Buying Votes While Marjorie Taylor Greene Threatens to Remove Speaker Johnson

As the Biden regime is consolidating its power and working to imprison the leader of the opposition, a “close” presidential election is developing, with a repeat of 2020 shaping up as mail-in ballots prepared in advance will be used to swing the results in Biden’s favor.

Join the Fight for Free and Fair Elections

I am pleased to report that we have posted my new analysis of the 2020 presidential election and how it has resulted in thousands of patriots being investigated by the FBI and hundreds of them imprisoned in America. It’s titled, Stolen Elections, Murder, Corruption and Deliverance, and paints an ugly picture of a communist “insurrection” in America.

Why the Cultural Marxists Are Winning

Christopher F. Rufo is the winner of the 2024 Conservative Book of the Year Award for his work, *America's Cultural Revolution: How the Radical Left Conquered Everything*. This talented young writer has discovered, belatedly, that communism has come to America through infiltration of our culture and institutions. However...

Cyber Sabotage and the Key Bridge Collapse

As a long-time media critic who has witnessed the paper's increasingly strange behavior under current owner Jeff Bezos, I believe the Post story about a "criminal investigation" was designed to divert the attention of the public away from a state of war with Iran that now exists and which threatens to escalate dramatically and sink Biden's re-election effort.

Winning or Losing Two Wars at

Once

Former President Trump is correct that the wars would not have occurred had he been in the White House. That is just a matter of fact. Unfortunately, that currently leaves Ukraine and Israel involved in quagmires that amount to no-win wars. The only thing these countries can do is attempt to hold on until Trump wins a second term and comes to power.

Make Sodom and Gomorrah Great Again?

Years ago I wrote a major report on the homosexual infiltration of the Republican Party, driven in large part by financial hedge funds. It got no attention from Fox News, which has been part of the homosexual lobby for decades, having poured tens of thousands of dollars into the Association of LGBTQ+ Journalists.

Trump Bails on Protecting the Right to Life?

President Trump's "state's rights" approach to abortion is the same recipe for disaster that brought us the Civil War. The nation must be free, and that begins with human beings from the moment of conception. His new position solves nothing, and

makes his attempt to get back into the White House much harder.

The Keystone Cops Are Running America

There is a “humanitarian catastrophe” in Gaza is the scream heard around the world from those trying to create a second Holocaust for the people of Israel. This “humanitarian catastrophe” could have been avoided if Hamas had not launched terrorist attacks on Israel on October 7 and if the terrorist group had surrendered in the face of Israeli retaliation. The terrorists want civilians to suffer.

Making Food from People is the Next Phase of Revolution

In addition to the marijuana business, a modern-day version of “Soma” from Huxley’s Brave New World, a new industry is emerging that is dedicated to “ecological death care,” complete with green funeral homes. Solve climate change by making Mom and Dad into mulch.
