

Trump is a Marked Man

With right-wing parties making gains in European Union parliamentary elections, it is apparent that a global rejection of the status quo is paving the way for President Trump to win the U.S. presidency in a decisive manner. While some commentators are focused on whether Joe Biden can make it all the way to November's elections because of his senility and old age, the real question is whether the communists and globalists decide the time is right to take out Trump by any means necessary.

Trump's Life is in Grave Danger

Eric Trump has told the cable channel Newsmax that his father's political enemies would like to see "real harm" done to his father because nothing else is working. Claims like this are quickly dismissed by the major media, and Special Counsel Jack Smith wants President Trump gagged in his federal documents case for saying that the Department of Justice wants to kill him.

The Republican Party is Dying

in a Post-God World

Most people don't have the time to actually watch the speech or read a transcript. It's just too much trouble. This is a reason why Larry Hogan goes with the secular culture and appeals for votes from those consumed with the murder of the unborn as a human right. Hogan understands the "spirit" of the times. It has consumed his soul and threatens the survival of our nation.

Honor Victims of the U.S. Government on Memorial Day

As we witness the assault on Trump's home and the mass imprisonment of those protesting the stolen election of 2020, let us remember the scandals of the FBI/ATF armed assaults on Randy Weaver's home and family at Ruby Ridge, Idaho, and the Waco religious compound in Texas.

Press Conference on Narco-Nation America

For those who think marijuana is a harmless drug and that "Reefer Madness" is the name of a funny out-of-date movie, consider the case of Bryn Spejcher. She experienced what is called "cannabis-induced psychosis" and stabbed her boyfriend

Chad O'Melia 108 times, killing him, then stabbed her dog and was trying to kill herself when the police arrived.

Preparing the Trial of Barack Hussein Obama

This is not to say that the House Republicans have not made serious mistakes. They expelled Rep. George Santos, who fudged the facts about his background. But it was Barack Hussein Obama who campaigned under false pretenses as a Christian when he was a Marxist mole with sympathies for radical Islam. His policies are still guiding the Biden Administration.

Biden Buying Votes While Marjorie Taylor Greene Threatens to Remove Speaker Johnson

As the Biden regime is consolidating its power and working to imprison the leader of the opposition, a "close" presidential election is developing, with a repeat of 2020 shaping up as mail-in ballots prepared in advance will be used to swing the results in Biden's favor.

Join the Fight for Free and Fair Elections

I am pleased to report that we have posted my new analysis of the 2020 presidential election and how it has resulted in thousands of patriots being investigated by the FBI and hundreds of them imprisoned in America. It's titled, Stolen Elections, Murder, Corruption and Deliverance, and paints an ugly picture of a communist "insurrection" in America.

Why the Cultural Marxists Are Winning

Christopher F. Rufo is the winner of the 2024 Conservative Book of the Year Award for his work, America's Cultural Revolution: How the Radical Left Conquered Everything. This talented young writer has discovered, belatedly, that communism has come to America through infiltration of our culture and institutions. However...

Cyber Sabotage and the Key

Bridge Collapse

As a long-time media critic who has witnessed the paper's increasingly strange behavior under current owner Jeff Bezos, I believe the Post story about a "criminal investigation" was designed to divert the attention of the public away from a state of war with Iran that now exists and which threatens to escalate dramatically and sink Biden's re-election effort.

Winning or Losing Two Wars at Once

Former President Trump is correct that the wars would not have occurred had he been in the White House. That is just a matter of fact. Unfortunately, that currently leaves Ukraine and Israel involved in quagmires that amount to no-win wars. The only thing these countries can do is attempt to hold on until Trump wins a second term and comes to power.

Make Sodom and Gomorrah Great Again?

Years ago I wrote a major report on the homosexual infiltration of the Republican Party, driven in large part by financial hedge funds. It got no attention from Fox News, which has been part of the homosexual lobby for decades,

having poured tens of thousands of dollars into the Association of LGBTQ+ Journalists.

Trump Bails on Protecting the Right to Life?

President Trump's "state's rights" approach to abortion is the same recipe for disaster that brought us the Civil War. The nation must be free, and that begins with human beings from the moment of conception. His new position solves nothing, and makes his attempt to get back into the White House much harder.

The Keystone Cops Are Running America

There is a "humanitarian catastrophe" in Gaza is the scream heard around the world from those trying to create a second Holocaust for the people of Israel. This "humanitarian catastrophe" could have been avoided if Hamas had not launched terrorist attacks on Israel on October 7 and if the terrorist group had surrendered in the face of Israeli retaliation. The terrorists want civilians to suffer.

Making Food from People is the Next Phase of Revolution

In addition to the marijuana business, a modern-day version of “Soma” from Huxley’s Brave New World, a new industry is emerging that is dedicated to “ecological death care,” complete with green funeral homes. Solve climate change by making Mom and Dad into mulch.

The Attack on the Port of Baltimore

The evidence is overwhelming that Iran, with the help of Russia and China, disabled the ship. My report documents another attack on a U.S. port, the Port of Houston, in 2021, in which hackers were said to have breached a computer network and a “foreign-state actor” was involved but never identified.

Terrorist Attack in Baltimore

After an attack like we saw in Baltimore, which we have to assume to be terrorism, government officials typically are quick to rule out terrorism and then congratulate themselves on their “quick” response and express regrets for the loss of life.

Biden's Bloody Revolution for America

Netanyahu wants to win the war. But Biden wants Israel to fail, in part because the Muslims that are members of the base of the Democratic Party base are upset at Israel's success and realize that a nuclear-capable Iran is the next logical target for Israeli leaders anxious to save the Jewish state.

Let's Shout the Truth for a Change

But Biden was clearly in command of his faculties when he was caught after the speech in an anti-Semitic outburst on a "hot mic," saying the Jewish Prime Minister of Israel, Benjamin Netanyahu, needed a "come to Jesus moment" because of the war against terrorism in Gaza. This was Biden's effort to pander to the pro-Hamas wing of his party.

"Days of Rage" Planned for

Democratic Convention

Protests that are sure to turn violent are being planned by communist factions in the Democratic Party and worldwide to replace Joe Biden at the top of the ticket. Vice President Kamala Harris's demand for a "ceasefire" between Israel and Hamas was clearly designed to save Biden from the gathering storm. In the speech, she condemned Israel for allowing a "humanitarian catastrophe" in Gaza.

The Big Sucker Known as Tucker

"Let's be clear about Vladimir Putin," says conservative columnist Kurt Schlichter. "He's a murderous scumbag ex-KGB colonel. He's not a good guy. He's not a hero. He's a Russian nationalist and a massive thief." But then, this columnist for the website Townhall says that poor Tucker Carlson was "set up" by Putin when the Russian dictator gave him an interview. ..."

Putin Entertains Tucker in Russia

Professor Renato Cristin (University of Trieste, Italy) and I are among the signatories of the Appeal for Nuremberg Trials

for Communism. We agree that Vladimir Putin should be put on trial for communist crimes against humanity.

Democrat Beats Democrat in New York Election

With a narrow majority, House Republicans voted to expel one of their own members and then lost a special election for that vacant seat in New York on Tuesday to a Biden-supporting Democrat. But it turns out the “Republican opponent” was also a Democrat.

It's Trump Vs. Obama in 2024

I wasn't sure if Taylor Swift would power the Chiefs to victory in the Super Bowl, but I am completely certain that that Barack Hussein Obama is the key to understanding the fate of Joe Biden. In our new report, The Super Bowl of Elections, I look at both candidates in this presidential election year. It's Trump Vs. Obama.

Trump is Right About Ukraine

Looking back at the history of socialists in the West, Putin himself declared that “...the[U.S.] Democratic Party is traditionally closer to the so-called liberal values, closer to Social Democratic ideas, if compared to Europe. And it was from the Social Democratic environment that the Communist Party evolved.”

New Lies for Old as the Workers Revolt

Lies about the economy are coming from three main sources: the government, the media, and the labor unions. The purpose is to save the Biden presidency.

Biden's Illegal Secret War

The Obama-Biden policies do not benefit the United States and Trump wisely reversed them. If they are not reversed again, we can anticipate more disabled American veterans, if they are able to avoid losing their lives during Biden's re-election campaign.

War Fever in Washington

House Republicans released their articles of impeachment against Homeland Security Secretary Alejandro Mayorkas on Sunday, the same day Biden's war with Iran escalated. It appears the Republicans should be targeting the "Commander-in-Chief" in name only for the immediate impeachment. Tell Mayorkas to wait his turn.

Another Impeachable Offense from Biden

President Biden's war with Iran is illegal and unconstitutional, under the terms set by Biden for President Trump. "Let's be clear," said Biden in 2020. "Donald Trump does not have the authority to take us into war with Iran without Congressional approval. A president should never take this nation to war without the informed consent of the American people."

Biden's Forever Wars

In the latest example of deepening involvement in another war, U.S. Central Command announced that the two "missing" U.S. Navy SEALs died "during the boarding of an illicit dhow [a small sailing vessel] carrying Iranian advanced conventional weapons..." but there was no explanation or constitutional

justification for this military operation.

The Communist Plot Against Trump

You have probably heard about the scandal involving anti-Trump prosecutor Fani Willis and her well-paid lawyer lover/boyfriend. Their bizarre romantic and financial relationship may sink her case against Trump. If so, she will be replaced, and the case will go on.

Stop U.N. Lawyer Jack Smith

To their credit, House Republican congressional committees are examining the China threat and the “weaponization” of government and have launched an impeachment inquiry into Joe Biden and his administration. But the more immediate problem is Jack Smith’s frivolous legal actions against Trump that threaten to lay the groundwork for United Nations legal action against our country as a whole.

The Pope is Not Catholic

For traditional Catholics, this means more than just that the church has lost its way. It means the Vatican has entered into an alliance with the “Powers of Darkness,” a growing group of people in America and around the world who have broken with the Judeo-Christian tradition to instead endorse the notion of God as a mystical force inhabiting humans, the earth, or spiritual “masters.”

A Politician Wins on the Pro-Life Issue

At a time when Christians celebrate the birth of Christ, the baby in the manger, a new survey finds that 24 percent of Democrats would base their vote on abortion. That is, pro-abortion. Only 14 percent of Republicans would vote pro-life. That means pro-abortion is winning. Except in Argentina.

How to Write Like a Propagandist

Bloomberg is back with another ridiculous opinion piece masquerading as a news story, as a “journalist” with an “Evening Briefing” disguised as a “news” dispatch is telling his audience that Trump echoes Hitler and is a would-be

dictator. This is what passes for “journalism” these days.

Sandra Day O'Connor's Disgraceful Legacy

Fox News calls her a “moderate conservative.” That is a lie. The truth must be told, even though Washington’s elites have gathered to honor her. Her funeral service is taking place at Washington National Cathedral, and pro-abortion President Joe Biden is delivering a eulogy.

The Constant Battle Against Constant Lies

I got sick and tired of monitoring and exposing the lies in the media. But sometimes they are so egregious that we still have to take note, especially when they are gushing from a supposed respected outlet like Bloomberg.

China's Total War Against

America

On the heels of the passing of Henry Kissinger, who was praised by politicians of both major political parties, the House Select Committee on the Chinese Communist Party has concluded in a report that Kissinger's pro-China policy was a complete failure.

Kissinger's "China Card" for the New World Order

As House Republicans prepare to impeach China Joe, it's important that Kazianis and other Nixon supporters and Republicans take Kissinger's betrayal of Free China on Taiwan more seriously. That occurred when Kissinger began the process of normalizing relations with the Communist dictatorship on the mainland.

Will Someone Investigate the NSA?

The movie Oppenheimer is now for sale via various streaming channels at a cost of \$19.99 on Prime Video, a complete waste of money. I am offering for free my 24-page analysis of how this film whitewashes a prominent member of a communist spy ring that stole our atom bomb secrets.

The Palestinian Removal Act

Anybody who thinks a “two-state solution” will solve the Arab/Muslim conflict with Israel is not paying attention. Neither Hamas nor the Palestinian Authority will co-exist with Israel. The only solution is a Palestinian Removal Act, modeled after the Indian Removal Act in the United States, which stopped the Indians from murdering the American settlers and allowed the new nation to develop.

The Next Phase of Communist Revolution in America

An honest rendition of American history shows that Indians hostile to the revolution raided white settlements, murdering men, women, and children. The barbaric practice of scalping was so common by the Indians that some forts had people who specialized in treating scalped heads. One of the scalping treatments was called “pegging.”

America's **“Collective**

Responsibility”

We operate in a dollar economy, still the world’s reserve currency, but the rating for our outlook has shifted from stable to negative, and the day may come when Treasury securities may not find buyers because of inflation, national debt and deficits.

Pope Francis Embraces Global Islam and Mother Earth

The FBI was caught with a memo authorizing surveillance of traditional Catholics but FBI director Christopher Wray disavowed the memo. We now understand that the assignment was subcontracted to Pope Francis, who just sacked a conservative Bishop in Texas. This does far more damage to the Catholic Church than anything the FBI could do.

The War Comes Home

We remember the sacrifices of our veterans as wars are continuing in Europe and the Middle East and a new war has broken out here at home. Communists and their Arab and Muslim allies have proclaimed “From Atlanta to Gaza” as a major “protest” against “Cop City” in Atlanta is now underway. “Bring the war home” says one of their fliers.

Is the MAGA Movement Doomed?

Referring to the votes in Ohio, in favor of abortion and dope, Cheryl Chumley writes, “If Ohio is a bellwether, then as America’s once traditionally and biblically minded heartland goes – America’s headed for even more moral degradation. And that means Democrats have the political advantage.” So let the “MAGA movement” beware of what they think will happen in 2024.

Obama Defeats the Republicans in Virginia

Similarly, America has been in decline because of the perverted elites in both major political parties. These are the people who refused to call Barack Hussein Obama a Marxist. These are the people who believe you can compromise with the cultural Marxists on issues like abortion, homosexuality, and drugs.

The Moscow-Washington Axis of Evil

Netanyahu watches as Vice President Kamala Harris announces a

task force investigating “Islamophobia” while attacks on Jews and Christians accelerate.

Is Mental Illness Celebrated on Fox News?

In a brilliant move, Johnson has decided to introduce the Israel Security Supplemental Appropriations Act of 2024 so that U.S. ally Israel can get \$14.3 billion in needed funds in its war on Hamas from IRS funding in the so-called “Inflation Reduction” Act passed by Democrats.

Has Israel Already Lost the War?

If this Axios story about Biden’s “post-war” plan for the Middle East is true, Israel has already lost the war – and its very existence is now in jeopardy. Biden financed the war by financing Iran, wants to finance Israel’s limited counter-attack, and now wants Israel to agree to a Moscow-backed “Palestinian state,” which will be a surrogate for Iran.

Communists Behind “Free Palestine” Movement

The Congress once investigated communist groups supporting foreign enemies. But that is now considered “McCarthyism” and unacceptable. Instead, former President Donald J. Trump and his supporters are investigated. Special Counsel Jack Smith, who was trained at the United Nations’ International Criminal Court, targets Donald Trump personally.

The Isolation and Destruction of Israel

More funding for Ukraine and Israel, without a clear strategy for victory, only delays the inevitable. Perhaps we ought to conclude that Biden does not want Ukraine or Israel to win. After all, he abandoned Afghanistan to the terrorists. He has also abandoned America to the terrorists through the open-borders policy.

The Hidden Hand Behind World Events

The Muslims, though massive in numbers, are not capable of organizing the thousands of anti-Israel protests we see around

the world. Communists are behind these protests, as evident in the notations on many of the signs, such as “Party for Socialism & Liberation,” an openly communist group.

The Cost of Not Supporting Ukraine

It is time for the opponents of aid to Ukraine to reverse course, admit the error of their ways, and urge the House under new leadership to pass a budget with higher defense spending, more aid to Israel and Ukraine, and a plan to secure our southern border based on the identification and deportation of all suspected terrorists immediately.

First Ukraine, Now Israel, and Then America

Israeli Prime Minister Benjamin Netanyahu was someone who was supposed to understand all of this. Yet, just last month, in New York, Ukraine President Volodymyr Zelensky, the Jewish president of Ukraine, was forced to plead in person for Netanyahu to provide “more assistance and a more coordinated front against Iranian weapons transfers to Russian forces in Ukraine,” as Time magazine noted.

Russia and Iran are the Real Enemies

President Trump had a different approach. He ordered the assassination of Iranian general and top terrorist leader Qassem Suleimani. Suleimani headed the Islamic Revolutionary Guard Corps-Quds (IRGC) Force, a U.S.-designated Foreign Terrorist Organization responsible for producing many of our wounded warriors from Middle East conflicts. More than 600 American soldiers died at his direction.

The Fall of Ukraine and the Coming Refugee Disaster

The open borders of the United States have created a “man-made disaster” of millions flowing in. In rectifying this problem, the House Republicans should avoid creating another flow of refugees in Europe, many of whom will want to escape to the United States.

Is Mark Levin a Big Phony?

Whether you like him or not, Trump is the candidate who

temporarily derailed Barack Hussein's Obama's "Permanent Revolution," which was supposed to go forward under "President" Hillary Clinton. He is clearly seen as the one candidate in the future who can stop the Democrats from consolidating their power.

Making Russia Great Again

In effect, Biden is making Russia, an oil-rich country, even more powerful. That policy, combined with his "green energy" approach to cars and trucks, makes the United States weaker by comparison. All of this makes sense when you consider the fact that it has been documented that the Bidens received millions of dollars from oligarchs in Russia, Kazakhstan, and Ukraine.

De-Nazification and De-Communization in Russia

The Hitler-Stalin Pact, which started World War II, has been carefully "forgotten" by the Russian government in its war against Ukraine, a former Soviet republic. In a major on-going Russian propaganda operation, former KGB operative and Russian President Vladimir Putin insists that it is Ukraine which must be de-Nazified.

D.C. Churches “Love the Stranger” But Lock Their Doors

In a calculated putdown, the Washington Post once highlighted conservative Christian voters as “poor, uneducated, and easy to command.” But that seems to be a more accurate description of the residents of Washington D.C., who will vote to convict former President Trump of anything presented to them by a partisan prosecutor and grand jury.

Impeachment for the Wrong Reasons

Will Biden be impeached for the right reasons? Or will the “impeachment inquiry” divert our attention from the issue of whether America can survive under Biden? We don’t have time to waste, and the issue goes far beyond several million dollars to Hunter and the Big Guy.

The NSA and America’s Enemies

On the anniversary of 9/11, we are forced to consider the sad state of our so-called “intelligence” agencies, unable or unwilling to protect America. Much of the conservative

commentary emphasizes the political nature of the FBI and the CIA and their determination to keep Donald J. Trump out of the White House and maintain the Obama/Biden Administration in power.

Pentagon Targets the Unborn Enemy

Rather than kill the enemy, the Pentagon is now in the business of killing the unborn. How much confidence should we have in these “leaders?” They are a disgrace to the uniform.

Coach Tuberville Cries Foul to Politics as Usual

Consider a message from Harmeet Dillon, of the Center for American Liberty, about how Fulton County, Georgia’s District Attorney isn’t just going after President Trump – “she’s going after his lawyers too.” She points out, “The radical Left wants to send a loud, clear message to attorneys across the country that if they question the integrity of elections or provide legal services to conservative candidates, they could be held criminally responsible.”

Climate Emergency To Produce a Global Government aka New World Order

Before our YouTube channel was censored, we aired a program on how the New Age Movement could use Pope Francis as their "Messiah" for purposes of influence or control in what has been called a New World Order.

The Russians are Coming

Since Mike Pence did betray Trump with his failure to send the 2020 election results back to the states for reconsideration, it is difficult to say anything positive about Trump's former vice-president. But on the debate stage he made a lot more foreign policy sense than Ramaswamy, a favorite of the Fox News Channel who has been rising in the polls.

Trump Loses the Debate

It doesn't matter who's up and who's down, who got views and who didn't. The issue is war and peace and the survival of the Republic. Trump had his chance to save the Republic and he failed. This former friend of Chris Christie took his advice and nominated Christopher Wray to run the FBI. Enough said.

The Next Phase of Obama's "Permanent Revolution"

When Trump supporters in effect endorse Obama's "Permanent Revolution" by smoking pot in front of the cameras, you know the legacy of our first Marxist president has had a lasting impact. It remains to be seen whether Obama's revolution can be stopped in its tracks now that acceptance of mind-altering drugs is affecting Trump supporters who should know better.

Biden On the Beach, Trump in the Dock, Conservatives Out to Lunch

Let's start talking about the obvious solution, which is a Republican House of Representatives that defunds Jack Smith and the United Nations. This is the only power available to Speaker Kevin McCarthy.

The U.N. Lawyer Prosecuting

Trump

As the “lawfare” against Trump proceeds, we can anticipate an International Criminal Tribunal targeting the United States, focusing on President Trump or any Republican president. One charge could be “contempt” of international law over the ICC, followed by charges of “racial terrorism” against America itself. Defunding the office of Special Counsel Jack Smith is one easy way for the House Republicans to stop these schemes.

Evil in the White House

The Roman Catholic Church had a role – and still has a major role – in facilitating the foreign invasion of the U.S. Indeed, in the face of declining membership, new immigrants arriving in the United States, including many Catholics from Latin America, provide new members and priests. Catholic Charities is among the NGO’s which facilitate the migration of illegal aliens into the interior of the country.

America’s Marijuana Army

It is entertaining to watch Republicans getting facetime by sniffing around the Hunter Biden scandal. But even if Hunter is finally sent to prison, which is unlikely, the Democrats continue to expand their ranks of voters with endless handouts, including promises of cheap dope.

The Supreme Court Won't Save Us

On July 4, in Philadelphia, communists are planning a rally, "America Is Nothing To Celebrate." The sponsor, a Maoist group by the name of the Revolutionary Communist Party (RCP), is in the middle of a \$100,000.00 fundraising drive and reports that about three-quarters of that amount has come in so far. The fundraising is conducted through YouTube videos.

Another Obama Poised to Replace Biden

President Trump spoke at a meeting of the National Rifle Association and stated that marijuana could be a root cause of much of the gun violence in the United States and that genetically engineered or high potency marijuana could be a cause of psychotic breaks.

Catching the Killers and

Criminals

Meanwhile, the U.S. Embassy in the Vatican is flying the “gay pride” flag, and the Vatican itself is going gay, issuing a document welcoming “LGBTQ+ persons” into the Roman Catholic Church. “Who am I to judge” is the famous statement of Pope Francis.

Living Under Communism

Meanwhile, the United Nations General Assembly is planning a summit in September 22-23, 2024, to unveil an “action-oriented” Pact for the Future that will include changes to the “global tax architecture.” A global tax is America’s future...

Celebrating Black Marxist Lesbianism on Monday “Juneteenth”

Juneteenth, a day to recognize black freedom, will be celebrated this year by the two black Marxist lesbians who started Black Lives Matter (BLM). With fatherless families disproportionately affecting black communities, black Marxist lesbianism hardly seems like an acceptable alternative.

The Really, Really Big Guy Behind the 'Big Guy'

With the back and forth over Trump versus Biden, we have lost sight of the really "Big Guy," the former president who was implicated in the Hillary email scandal and was running the Russia hoax. His name: our first openly Marxist president, Barack Hussein Obama.

The Living Hell of Gay Pride

Biden was quick to act and named Dr. Demetre Daskalakis as the new homosexual National Monkeypox Response deputy coordinator. Peter LaBarbera's WorldNetDaily story explores allegations that he is associated with Satanic-themed Pentagram images and tattoos and sadomasochistic sexual practices.

The U.S. Is Losing the World War

But the world was not saved. The communists attempted a complete takeover of Europe. They failed but they did take China and launched an invasion of South Korea. Later, they

invaded South Vietnam and won. In the meantime, they took Cuba, positioning nuclear weapons for a first strike attack on the United States.

Constitutional Principles and the Debt Deal

Instead, House Speaker McCarthy begged for a meeting with Biden and his regime. At first, Biden refused to negotiate, putting pressure on McCarthy, who eventually agreed to the “negotiations.”

Why the Marxists Always Win

It should be obvious by now that the federal government has too much control over our money, and that money is quickly losing its value. We need a new beginning, a new revolution, the kind waged by our Founding Fathers.

The Origins of Queer

Communism

The author of Communism for Kids, Bini Adamczak, wrote that “the Russian revolution instilled new hope, particularly in women and people who did not identify themselves within the hetero-normative paradigm.” The “destruction of the family,” she writes, was the goal.

The Next Phase of Communist Revolution

Self-defense, even vigilante justice, is a natural consequence of releasing criminals and terrorists on the streets of the major cities. Americans have no alternative but to defend their families and loved ones. But a long hot summer is being planned.

Ukraine Deserves the Right to Live

Amidst the witty banter on the Fox & Friends Weekend show, this nice lady with a pro-life reputation did her best Tucker Carlson impression and made it clear that she wants the U.S. to abandon Ukraine to the Russians in the name of “peace.”

Kucinich, once a proponent of a Department of Peace, eagerly agreed.

The Russians in Russia-gate

The observations made by Durham and his staff indicate the FBI's corruption goes far beyond political bias against former President Trump. But Durham didn't draw the conclusion that the FBI has been infiltrated by Russian agents and that the agency cannot be reformed until they are exposed and rooted out.

The Communist Moles in the U.S. Government

If Congress fails to act in the face of the overwhelming evidence of communist penetration of the intelligence agencies, we will have to conclude they fear the power of the State, including its ability to persecute and even assassinate its political enemies.

The “Very Stupid People” Are Communists

As he noted during the CNN Townhall, Trump was betrayed by many people, from Mike Pence on down. But his comment that

“very stupid people” are destroying America was not quite accurate. These people are communists. Other than this omission, his performance on CNN was masterful.

How Communists Are Programmed to Kill

Former President Trump says, “They will continue to viciously attack me, smear me, and even ARREST me despite not having committed a single crime.” He left out one thing – they tried to kill him. A ricin-laced letter was sent to Trump by an anti-Trump activist from Canada by the name of Pascale Cecile Veronique Ferrier.

RFK Jr. Rejects the Kennedy Anti-Communist Legacy

Former Biden mouthpiece Jen Psaki explains, “Kennedy’s early numbers probably have a lot more to do with name recognition than policy. His family is still beloved by many in the Democratic electorate, even though most people would never recognize him on the street.” True or not, the critical fact is that RFK Jr. does not seem to have the same anti-communist credentials as his uncle and father.

We Need Another Lincoln

Interestingly, Karl Marx was a cheerleader for the northern states in the American civil war, since he saw slavery as just one phase in history that had to be surpassed on the way to world communism. But Lincoln was not a Marxist. However, he did use extraordinary means to keep the nation together.

Trump's Attacks on DeSantis Are Insane

Attempting to define our problem as a nation, President Trump was right on target, telling Greg Kelly of Newsmax, "There's a little group, a small group of people that are very smart, very radical left, probably Marxists, and they're running our country into the ground..

The Real Tucker Carlson Scandal

Glenn Beck says Tucker's firing is "a dark day for the conservative movement," adding, "We're looking at the death of Fox News." Beck knows better than this. Once a host on the

channel, he was fired by Fox after exposing George Soros. If Fox died, it died years ago.

Fox News Loses \$787 Million and its Credibility

There is no way to spin it: Fox News has suffered a major embarrassment, with its \$787 million settlement in the Dominion voting case. Dominion lawyers now promise to pursue other cases, such as collecting \$1.6 billion from Mike Lindell of My Pillow, a major advertiser on Fox and other conservative outlets.

Abortion Drugs Kill Women and Children

As the judge's ruling demonstrates, abortion drugs are anti-human and were imposed on America by a rogue federal agency. More than that, these drugs are anti-unborn human and anti-woman. It is the Nazi program dressed up in feminist garb, with women and their children as the guinea pigs.

Is Fox News the Leading “Trans” Channel?

Two years ago, when Jenner ran for California governor as a Republican, I asked, “How can a Jenner candidacy, with a man appearing as a woman, do anything but support ‘the normalization of radical gender ideology?’ Having surrendered to gay ‘marriage’ and other perversions, the Republican Party and their conservative house organs are now ready to hop on the trans train.

The Church Needs an Exorcism

Years before hedge fund operator George Soros assumed funding of various Marxist and “progressive” groups, to the tune of billions of dollars, the Institute for Policy Studies in Washington, D.C. was the headquarters of those looking for ideas and funding of the communist revolution in America.

Trump’s Enemies May Surprise You

If you want to understand what’s happening with Trump, don’t turn to Fox News. Professor Jonathan Turley, their go-to “expert,” is the guy who made a fool of himself by delivering testimony about the dangers of “Eugene McCarthyism.” He meant

Joe McCarthy. Either way, he was off-base. An error of this kind means that he is not a serious academic.

You Don't Need 'AI' Artificial Intelligence to Figure Out Why America is Dying

The job of implementing Joe Biden's order to impose transgenderism on the U.S. Armed Forces was assigned to Secretary of Defense Lloyd Austin, who was in the news on Wednesday when he denied, in the face of the evidence, that military bases were hosting drag queen story hours.

Guerrilla Warfare in the United States

Train derailments, attacks on power substations, lasers directed at aircraft, firebombing pro-life pregnancy centers, a communist-inspired Antifa attack on a police facility in Atlanta, and now a transgender killer at a Christian school.

Banning TikTok Won't Save America

Members of Congress from both major political parties were beating up the CEO of TikTok, Shou Chew, on Thursday, mostly over the firm's links to Communist China. But while TikTok may gather data from teenagers and make them into zombies (or worse), it does not create a generation of communists. That has been the job of colleges and universities...

Arrest Communists, Not Trump

More than one thousand communists, socialists, and fellow travelers rallied on March 18 in Lafayette Square, next to the White House, and then marched across town in support of Russia, China, Cuba, and causes such as reparations for blacks and massive defense cuts. I was there covering the rally, taking dozens of pictures, in order to...

DeSantis is Finished as a Presidential Candidate

Mexican President Andrés Manuel López Obrador recently made a reference to "our fellow Mexicans that live in the US." He is apparently referring to the "territorial dispute" with the United States over who owns the Southwest United States.

Mexicans claim that region for themselves.

Comrade Joe Blames Trump for Banking Collapse

If Comrade Joe succeeds in getting or federal control and regulation of the banks, he will accomplish what Obama/Biden never succeeded in doing – moving the United States into socialism on the road to full-blown communism.

The Five Stooges on Capitol Hill

Thanks to billionaires George Soros and Mark Zuckerberg, Oregon has decriminalized LSD, cocaine and heroin. Perhaps Wyden wants the use of psychedelics to be permitted by intelligence analysts. Perhaps the intelligence product will then improve.

Is DeSantis Ready for Prime

Time?

Potential 2024 presidential candidate Ron DeSantis has been a good governor, but with global conflict on the rise, what experience does he have on foreign policy? Since the answer is none, how can he be a viable 2024 Republican presidential candidate?

Phonies on the World Stage

We have learned that Joe Biden's "unannounced" visit to Ukraine was actually announced to the Kremlin in advance. In other words, his "historic" visit was approved by Vladimir Putin. Meanwhile, playing the role of Christian statesman, Putin quoted scripture in his presidential address the other day.

Fire Tucker Carlson and Don Lemon
