

# Nazis, Fascists, and Communists

When former KGB officer Vladimir Putin invaded Ukraine, he said it was to defeat Nazis and fascists, even though the Hitler-Stalin Pact started World War II. Now Comrade Kamala is using the same ploy against Trump, when her “joy” campaign is based on the Nazi program “Strength through Joy” that was designed to build Hitler’s Third Reich. So would a Kamala regime become the Fourth Reich?

---

## Hocus Pocus and Joy in the Democratic Party

The film “Hocus Pocus” is coming soon to your local theater, but there is a lot of hocus pocus already happening during the presidential campaign. Michigan Governor Gretchen Whitmer mocked the sacrament of Holy Communion during a skit in which she placed a Doritos chip on the tongue of a kneeling fellow feminist, making it seem like she was dispensing the body of Christ.

---

## Modern-Day Witches and the

# Harris Campaign

When Christian evangelist Lance Wallnau said that the Kamala Harris campaign was being driven by an occult spirit and witchcraft, he was denounced by the Big Media as a lunatic. What the media don't want you to know is that a "Witches for Harris 2024" group has actually been formed and that another movement is casting spells against President Trump.

---

## A CIA Plot to Kill Trump?

On Tuesday, October 8, the Justice Department announced that an "Afghan man" was arrested and charged with an Election Day terrorist attack. One day later, it was leaked that the "Afghan man" was a CIA employee allowed into the United States by the Biden/Harris Administration in 2021 on a "special immigrant visa." His co-conspirator was a legal permanent resident in the United States.

---

## Sheriff Warns of Terror Cells in America

Chuck Jenkins, the tough-talking sheriff of Frederick County, Maryland, told a candlelight vigil in support of the victims of the terrorism in Israel that he fears a wave of crime and violence is being planned for the United States by "terror cells" and foreign criminal gangs already on American soil.

---

# **Christians Mobilize to Save America and the World**

During a trip to New York City last week, I encountered a Harris/Walz campaign event selling buttons for \$3 that proclaimed, "Make America Joyful Again," in contrast to Trump's MAGA. This is occurring during the one-year anniversary of what was supposed to be a joyful occasion in Israel, a music festival, which turned into a massacre of Jews by Hamas terrorists.

---

# **Holocaust Survivor Warns of Another World War**

But Steigmann emphasized that a "land for peace" formula for appeasing the Islamists to somehow assure Israel's sovereignty and survival makes absolutely no sense. "For the Arabs, appeasement is weakness," he said. That position would rule out the Kamala Harris "two-state solution," allowing an Islamic state next to Israel in the Middle East on a permanent basis.

---

# **Kamala, Biden & Zelensky to Start a War With Russia Before Election?**

A New York Times story about how Zelensky is demanding missiles and permissions to strike “deep Into Russia” indicates where we are heading. If a Biden/Harris decision to allow these missile strikes happens before election day, a war between the United States and Russia could break out in a matter of weeks and the November 5 election could be cancelled.

---

## **Is Zelensky a Russian Agent?**

I always considered myself to be an astute judge of character, able to spot communist agents working in an undercover capacity to influence domestic and world events. I thought Vladimir Putin never gave up his communist beliefs, drummed into him before he joined the KGB. I still think he’s the major villain in the Russia/Ukraine war. But now I am convinced that Ukraine President Zelensky is also a villain. He may be worse than that. He may be a Russian agent.

---

# Get Ready for World War III

In other words, the Republican favors traditional marriage between a man and a woman. He wants kids to have a mommy and a daddy. This is now the radical position. Hence, Catholic churches are being burned down in America and statues of the Virgin Mary are being beheaded. Traditional Catholic teaching is an obstacle to their New Age New World Order.

---

## Church Burnings in America

I had the opportunity of once interviewing the late Vatican insider Malachi Martin, who wrote penetrating books about the Catholic Church entitled *The Jesuits* and *The Keys of This Blood*. He believed that Mikhail Gorbachev, who presided over the “restructuring” of the old Soviet Union, never gave up on Marxism-Leninism but adopted the viewpoint of the Italian communist Antonio Gramsci that a worldwide communist state could only be achieved gradually.

---

## Can Trump Save His Campaign?

On the eve of the presidential debate, I received an email from Trump supporter Laura Loomer declaring that getting Christians out to vote for Trump in November is the key to victory. If this is the case, then why is Trump trying to appeal to Democratic Party voters on issues like abortion and drug legalization?

---

# **Trump Makes Bid for Dirty Drug Money**

Having lived through the Reagan years, I was pleasantly surprised to find that my 18-year-old waitress at a local restaurant had also seen the new Reagan movie and found it “educational.” She had not been around during that period to experience and witness a president who believed in total victory over communism.

---

# **Trump Projected to Lose to Harris?**

In retrospect, it looks like Florida Governor Ron DeSantis would have been a better choice for Republicans, as he demonstrated in his work as governor that he would stand by conservative principles. An economic conservative, he was strongly pro-life and opposed the legalization of marijuana in his state.

---

# **Trump's Big Move Into**

# Eugenics?

Eugenics is associated with the Nazis and other totalitarian movements and is an effort to “improve” the human condition through “science” and genetic manipulation. The Nazis wanted to create a master race.

---

## Is Trump Destroying Reagan's Legacy?

In 1933, when his wife became pregnant, Chambers said that he and his wife immediately knew that, as faithful communists, their immediate option was abortion. But his wife came over, took his hands, and burst into tears, saying, “We couldn't do that awful thing to a little baby, not to a little baby.” It was the instinct of a mother.

---

## The Assassins of the FBI

In the video game, Assassin's Creed, the gamer can play the role of a legendary samurai and a shinobi assassin in feudal Japan. In real life, President Trump's alleged would-be assassin in current-day America was facilitated in his mission by the FBI and then, after he was terminated, the FBI sanitized the crime scene, burned his body, and has failed to tell us what was in his encrypted overseas accounts.

---

# Is God Protecting Trump?

Our media are concerned about the hurt feelings of Kamala Harris. She doesn't like the "personal attacks" on her intelligence. Even the "conservative" channels focus on this, suggesting that President Trump take a different tack. This is a man targeted by "personal attacks" that included an attempted assassination and yet he is the one who has supposedly gone too far by questioning the intelligence of the Democratic nominee.

---

# America's Invasion from Within

With global IT outages, stock market crashes, open borders, attacks on Jews worldwide, and assassination plots against President Trump unfolding on a regular basis, many people know instinctively that something very bad is happening to America and the world. But retired Army Lieutenant Colonel Ralph Siegrist is warning that the worst is yet to come

---

# **We Need More Personal Attacks**

Fox News is the milquetoast network, sometimes offering good conservative news items but coupled with its own misguided opinions from various anchors and paid commentators about how President Trump should be conducting his campaign. Their latest advice: avoid the “personal attacks” and campaign on the “issues.”

---

## **Never-Ending Assassination Plots Against Trump**

I repeat my request to President Trump: He should pause his campaign and deliver a national address to the American people explaining that not only is his life in danger but that the American system of government is being subverted by powerful domestic and global forces that want to install Kamala Harris in the White House.

---

## **The Iranian Assassination Campaign Against Trump and America**

As a more than 40-year veteran observer of the American political scene, I have never seen anything like this

presidential campaign, where one political party, the Democrats, have eliminated their own candidate from the race and tried to kill the opposition candidate. But this is the situation America finds itself in.

---

## **Communism, Jews, and the Fate of Israel and America**

Rather than attend Israeli Prime Minister Benjamin Netanyahu's address to Congress, Kamala Harris went to a black college sorority event. Then, after Jewish Pennsylvania Governor Josh Shapiro was passed over for the vice-presidential pick, CNN's Van Jones, a leftist himself, admitted, "You also have anti-Semitism that has gotten marbled into this party."

---

## **Trumpamania in Pennsylvania**

During this chaos and controversy, much of it stemming from the attack on Trump's life and continuing threats, Trump has found a winning issue that will attract millions of people and many new voters – an alternative monetary system that bypasses the Federal Reserve through crypto currencies based on new technology, such as Bitcoin.

---

# Speaker Johnson's Phony Task Force

President Trump was almost murdered after a coordinated effort to jail and bankrupt him, which is still ongoing, and when that stalled, they tried to kill him. Johnson's response is to ask House Democrat Leader Hakim Jeffries to join a bipartisan effort to get to the bottom of the incident, when the Democrats' attacks on Trump as a dictator and Hitler inspired the attack.

---

## Blood On Their Hands

The article, "It's Biden's Fault," is the best analysis I have seen about the fact that Joe Biden (and Kamala Harris) bear responsibility for the attempted assassination of their political opponent, President Trump. These are basic facts about the chain of command.

---

## How the Deep State Arranged the Hit on Trump

In this case, as we saw in the Hunter Biden laptop coverup, there are honest people in the bureaucracy, such as those IRS whistleblowers. We must hear from the insiders, not the paid stooges running the Secret Service and the FBI. As for the

Trump campaign, bring in a private security service as soon as possible to protect him.

---

## **The Plot to Kill Trump Goes to the Top**

John Roberts of Fox News appears to be getting sick and tired of Secret Service stonewalling on the matter of its multiple “security failures” in the attempted assassination of President Trump. On Wednesday, he noted that the federal agency has not held a public briefing on what happened and he said the response is “approaching the level of scandal.”

---

## **The Deep State's Next Assassination Attempt**

If Trump is correct that God saved his life, and it sure looks that way, he understands there is something else at work in America. This is not secular politics. This is something more sinister. As such, his enemies won't stop at one attempt. I believe, based on my research, other assassination plots are already underway.

---

# **Is Trump Campaign Embracing Abortion and Homosexuality?**

Trump is an obvious target of many of these same forces but has decided, for reasons of political expediency, to make a deal with them. He has warned Republicans that opposition to abortion has “cost” the GOP politically. So he endorses abortion drugs and “state’s rights” on abortion, a formula that led to the first American Civil War when some states wanted to keep slaves and others wanted them to be free of bondage.

---

## **The Abortion Crisis in the Republican Party**

Its 2024 platform is weak, declaring that while the 14th Amendment to the Constitution of the United States “guarantees that no person can be denied Life or Liberty without Due Process,” the States are “free to pass Laws protecting those Rights.” By the same token, they are also “free” to deny those rights.

---

## **The Conspiracy to Save Joe**

# Biden

Dropping feces seems to be a new low, even for a communist dictatorship. They don't do that kind of thing here, in the great United States. Instead, poop is packaged as "news" emanating from the Biden White House and regurgitated by the "mainstream media." But one of the bags has exploded in their face. Biden stands exposed as a corpse, a cadaver, masquerading as president.

---

## Psycho Joe Turns on Dementia Joe

I am not "obsessed" with Joe Scarborough. But I am curious about his change of heart, the death of his former staffer, and his demonstrable lies about Biden's health. This is a person with contempt for his audience and a desire to deceive them for political purposes. He went from one end of the political spectrum to the other.

---

## The Deep State Threatens a Five-Year-Old Girl

Conservatives and Trump supporters must understand that Bannon is not a political prisoner. Yes, the J6 committee was biased, slanted, and illegitimate. But plenty of good people decided

to testify, including Donald Trump Jr. and Stephen Miller. They knew it was a kangaroo court but decided to go ahead with the confrontation with the witch hunters anyway.

---

## **Is There a “Conspiracy” to Kill Trump?**

Now that Biden is toast, the only avenue left for these agencies is to make Trump toast, too. That way, Biden and/or his replacement has a chance.

---

## **Democrats Run “Gay Pride” Events**

Rainbow flags were everywhere on June 22 when thousands of Democrats rallied in support of “gay pride,” abortion, condoms, transgenderism, and marijuana at the annual “Frederick Pride” festival in Frederick County, Maryland. So-called “pride” events like this one are barely disguised Democratic Party get-out-the-vote efforts to get Joe Biden back in the White House.

---

# **Is Trump's "Too Big to Rig" Strategy in Trouble?**

Setting the American people up for another communist "victory" at the polls, MSNBC and the liberal media are already warning of another January 6-style "assault on democracy" by those protesting vote fraud. Such a confrontation will certainly be another FBI set-up to capture, kill, and/or imprison Trump supporters.

---

## **Russia's KGB and Ours**

Biden exchanged a Russian arms dealer in an American prison for an American pothead lesbian basketball player held in Russia for drug dealing. Now, according to published reports, he wants Wall Street Journal reporter Evan Gershkovich, held in Russia on phony espionage charges...

---

## **Armed Enemies Within Plot Trump's Murder**

The Secret Service is a component of the Department of Homeland Security, run by Open Borders architect Alejandro Mayorkas. That means that the federal official ultimately in charge of the Secret Service "protection" for Trump is at the same time turning a blind eye to hundreds of foreign

terrorists entering the country, perhaps to assassinate Trump.

---

## **Trump is a Marked Man**

With right-wing parties making gains in European Union parliamentary elections, it is apparent that a global rejection of the status quo is paving the way for President Trump to win the U.S. presidency in a decisive manner. While some commentators are focused on whether Joe Biden can make it all the way to November's elections because of his senility and old age, the real question is whether the communists and globalists decide the time is right to take out Trump by any means necessary.

---

## **Trump's Life is in Grave Danger**

Eric Trump has told the cable channel Newsmax that his father's political enemies would like to see "real harm" done to his father because nothing else is working. Claims like this are quickly dismissed by the major media, and Special Counsel Jack Smith wants President Trump gagged in his federal documents case for saying that the Department of Justice wants to kill him.

---

# **The Republican Party is Dying in a Post-God World**

Most people don't have the time to actually watch the speech or read a transcript. It's just too much trouble. This is a reason why Larry Hogan goes with the secular culture and appeals for votes from those consumed with the murder of the unborn as a human right. Hogan understands the "spirit" of the times. It has consumed his soul and threatens the survival of our nation.

---

## **Honor Victims of the U.S. Government on Memorial Day**

As we witness the assault on Trump's home and the mass imprisonment of those protesting the stolen election of 2020, let us remember the scandals of the FBI/ATF armed assaults on Randy Weaver's home and family at Ruby Ridge, Idaho, and the Waco religious compound in Texas.

---

## **Press Conference on Narco-Nation America**

For those who think marijuana is a harmless drug and that "Reefer Madness" is the name of a funny out-of-date movie,

consider the case of Bryn Spejcher. She experienced what is called “cannabis-induced psychosis” and stabbed her boyfriend Chad O’Melia 108 times, killing him, then stabbed her dog and was trying to kill herself when the police arrived.

---

## **Preparing the Trial of Barack Hussein Obama**

This is not to say that the House Republicans have not made serious mistakes. They expelled Rep. George Santos, who fudged the facts about his background. But it was Barack Hussein Obama who campaigned under false pretenses as a Christian when he was a Marxist mole with sympathies for radical Islam. His policies are still guiding the Biden Administration.

---

## **Biden Buying Votes While Marjorie Taylor Greene Threatens to Remove Speaker Johnson**

As the Biden regime is consolidating its power and working to imprison the leader of the opposition, a “close” presidential election is developing, with a repeat of 2020 shaping up as mail-in ballots prepared in advance will be used to swing the results in Biden’s favor.

---

# **Join the Fight for Free and Fair Elections**

I am pleased to report that we have posted my new analysis of the 2020 presidential election and how it has resulted in thousands of patriots being investigated by the FBI and hundreds of them imprisoned in America. It's titled, Stolen Elections, Murder, Corruption and Deliverance, and paints an ugly picture of a communist "insurrection" in America.

## **Why the Cultural Marxists Are Winning**

Christopher F. Rufo is the winner of the 2024 Conservative Book of the Year Award for his work, America's Cultural Revolution: How the Radical Left Conquered Everything. This talented young writer has discovered, belatedly, that communism has come to America through infiltration of our culture and institutions. However...

---

## **Cyber Sabotage and the Key**

# Bridge Collapse

As a long-time media critic who has witnessed the paper's increasingly strange behavior under current owner Jeff Bezos, I believe the Post story about a "criminal investigation" was designed to divert the attention of the public away from a state of war with Iran that now exists and which threatens to escalate dramatically and sink Biden's re-election effort.

---

# Winning or Losing Two Wars at Once

Former President Trump is correct that the wars would not have occurred had he been in the White House. That is just a matter of fact. Unfortunately, that currently leaves Ukraine and Israel involved in quagmires that amount to no-win wars. The only thing these countries can do is attempt to hold on until Trump wins a second term and comes to power.

---

# Make Sodom and Gomorrah Great Again?

Years ago I wrote a major report on the homosexual infiltration of the Republican Party, driven in large part by financial hedge funds. It got no attention from Fox News, which has been part of the homosexual lobby for decades,

having poured tens of thousands of dollars into the Association of LGBTQ+ Journalists.

---

## **Trump Bails on Protecting the Right to Life?**

President Trump's "state's rights" approach to abortion is the same recipe for disaster that brought us the Civil War. The nation must be free, and that begins with human beings from the moment of conception. His new position solves nothing, and makes his attempt to get back into the White House much harder.

---

## **The Keystone Cops Are Running America**

There is a "humanitarian catastrophe" in Gaza is the scream heard around the world from those trying to create a second Holocaust for the people of Israel. This "humanitarian catastrophe" could have been avoided if Hamas had not launched terrorist attacks on Israel on October 7 and if the terrorist group had surrendered in the face of Israeli retaliation. The terrorists want civilians to suffer.

---

# Making Food from People is the Next Phase of Revolution

In addition to the marijuana business, a modern-day version of “Soma” from Huxley’s Brave New World, a new industry is emerging that is dedicated to “ecological death care,” complete with green funeral homes. Solve climate change by making Mom and Dad into mulch.

---

## The Attack on the Port of Baltimore

The evidence is overwhelming that Iran, with the help of Russia and China, disabled the ship. My report documents another attack on a U.S. port, the Port of Houston, in 2021, in which hackers were said to have breached a computer network and a “foreign-state actor” was involved but never identified.

---

## Terrorist Attack in Baltimore

After an attack like we saw in Baltimore, which we have to assume to be terrorism, government officials typically are quick to rule out terrorism and then congratulate themselves on their “quick” response and express regrets for the loss of life.

---

# **Biden's Bloody Revolution for America**

Netanyahu wants to win the war. But Biden wants Israel to fail, in part because the Muslims that are members of the base of the Democratic Party base are upset at Israel's success and realize that a nuclear-capable Iran is the next logical target for Israeli leaders anxious to save the Jewish state.

---

## **Let's Shout the Truth for a Change**

But Biden was clearly in command of his faculties when he was caught after the speech in an anti-Semitic outburst on a "hot mic," saying the Jewish Prime Minister of Israel, Benjamin Netanyahu, needed a "come to Jesus moment" because of the war against terrorism in Gaza. This was Biden's effort to pander to the pro-Hamas wing of his party.

---

## **"Days of Rage" Planned for**

# Democratic Convention

Protests that are sure to turn violent are being planned by communist factions in the Democratic Party and worldwide to replace Joe Biden at the top of the ticket. Vice President Kamala Harris's demand for a "ceasefire" between Israel and Hamas was clearly designed to save Biden from the gathering storm. In the speech, she condemned Israel for allowing a "humanitarian catastrophe" in Gaza.

## The Big Sucker Known as Tucker

"Let's be clear about Vladimir Putin," says conservative columnist Kurt Schlichter. "He's a murderous scumbag ex-KGB colonel. He's not a good guy. He's not a hero. He's a Russian nationalist and a massive thief." But then, this columnist for the website Townhall says that poor Tucker Carlson was "set up" by Putin when the Russian dictator gave him an interview. ..."

---

## Putin Entertains Tucker in Russia

Professor Renato Cristin (University of Trieste, Italy) and I are among the signatories of the Appeal for Nuremberg Trials

for Communism. We agree that Vladimir Putin should be put on trial for communist crimes against humanity.

## **Democrat Beats Democrat in New York Election**

With a narrow majority, House Republicans voted to expel one of their own members and then lost a special election for that vacant seat in New York on Tuesday to a Biden-supporting Democrat. But it turns out the “Republican opponent” was also a Democrat.

---

## **It's Trump Vs. Obama in 2024**

I wasn't sure if Taylor Swift would power the Chiefs to victory in the Super Bowl, but I am completely certain that that Barack Hussein Obama is the key to understanding the fate of Joe Biden. In our new report, The Super Bowl of Elections, I look at both candidates in this presidential election year. It's Trump Vs. Obama.

---

# **Trump is Right About Ukraine**

Looking back at the history of socialists in the West, Putin himself declared that “...the[U.S.] Democratic Party is traditionally closer to the so-called liberal values, closer to Social Democratic ideas, if compared to Europe. And it was from the Social Democratic environment that the Communist Party evolved.”

---

## **New Lies for Old as the Workers Revolt**

Lies about the economy are coming from three main sources: the government, the media, and the labor unions. The purpose is to save the Biden presidency.

---

## **Biden's Illegal Secret War**

The Obama-Biden policies do not benefit the United States and Trump wisely reversed them. If they are not reversed again, we can anticipate more disabled American veterans, if they are able to avoid losing their lives during Biden's re-election campaign.

---

# War Fever in Washington

House Republicans released their articles of impeachment against Homeland Security Secretary Alejandro Mayorkas on Sunday, the same day Biden's war with Iran escalated. It appears the Republicans should be targeting the "Commander-in-Chief" in name only for the immediate impeachment. Tell Mayorkas to wait his turn.

---

## Another Impeachable Offense from Biden

President Biden's war with Iran is illegal and unconstitutional, under the terms set by Biden for President Trump. "Let's be clear," said Biden in 2020. "Donald Trump does not have the authority to take us into war with Iran without Congressional approval. A president should never take this nation to war without the informed consent of the American people."

---

## Biden's Forever Wars

In the latest example of deepening involvement in another war, U.S. Central Command announced that the two "missing" U.S. Navy SEALs died "during the boarding of an illicit dhow [a small sailing vessel] carrying Iranian advanced conventional weapons..." but there was no explanation or constitutional

justification for this military operation.

---

## **The Communist Plot Against Trump**

You have probably heard about the scandal involving anti-Trump prosecutor Fani Willis and her well-paid lawyer lover/boyfriend. Their bizarre romantic and financial relationship may sink her case against Trump. If so, she will be replaced, and the case will go on.

---

## **Stop U.N. Lawyer Jack Smith**

To their credit, House Republican congressional committees are examining the China threat and the “weaponization” of government and have launched an impeachment inquiry into Joe Biden and his administration. But the more immediate problem is Jack Smith’s frivolous legal actions against Trump that threaten to lay the groundwork for United Nations legal action against our country as a whole.

---

# **The Pope is Not Catholic**

For traditional Catholics, this means more than just that the church has lost its way. It means the Vatican has entered into an alliance with the “Powers of Darkness,” a growing group of people in America and around the world who have broken with the Judeo-Christian tradition to instead endorse the notion of God as a mystical force inhabiting humans, the earth, or spiritual “masters.”

---

## **A Politician Wins on the Pro-Life Issue**

At a time when Christians celebrate the birth of Christ, the baby in the manger, a new survey finds that 24 percent of Democrats would base their vote on abortion. That is, pro-abortion. Only 14 percent of Republicans would vote pro-life. That means pro-abortion is winning. Except in Argentina.

---

## **How to Write Like a Propagandist**

Bloomberg is back with another ridiculous opinion piece masquerading as a news story, as a “journalist” with an “Evening Briefing” disguised as a “news” dispatch is telling his audience that Trump echoes Hitler and is a would-be

dictator. This is what passes for “journalism” these days.

---

## **Sandra Day O'Connor's Disgraceful Legacy**

Fox News calls her a “moderate conservative.” That is a lie. The truth must be told, even though Washington’s elites have gathered to honor her. Her funeral service is taking place at Washington National Cathedral, and pro-abortion President Joe Biden is delivering a eulogy.

---

## **The Constant Battle Against Constant Lies**

I got sick and tired of monitoring and exposing the lies in the media. But sometimes they are so egregious that we still have to take note, especially when they are gushing from a supposed respected outlet like Bloomberg.

---

## **China's Total War Against**

# America

On the heels of the passing of Henry Kissinger, who was praised by politicians of both major political parties, the House Select Committee on the Chinese Communist Party has concluded in a report that Kissinger's pro-China policy was a complete failure.

---

## Kissinger's "China Card" for the New World Order

As House Republicans prepare to impeach China Joe, it's important that Kazianis and other Nixon supporters and Republicans take Kissinger's betrayal of Free China on Taiwan more seriously. That occurred when Kissinger began the process of normalizing relations with the Communist dictatorship on the mainland.

## Will Someone Investigate the NSA?

The movie Oppenheimer is now for sale via various streaming channels at a cost of \$19.99 on Prime Video, a complete waste of money. I am offering for free my 24-page analysis of how this film whitewashes a prominent member of a communist spy ring that stole our atom bomb secrets.

---

# **The Palestinian Removal Act**

Anybody who thinks a “two-state solution” will solve the Arab/Muslim conflict with Israel is not paying attention. Neither Hamas nor the Palestinian Authority will co-exist with Israel. The only solution is a Palestinian Removal Act, modeled after the Indian Removal Act in the United States, which stopped the Indians from murdering the American settlers and allowed the new nation to develop.

---

# **The Next Phase of Communist Revolution in America**

An honest rendition of American history shows that Indians hostile to the revolution raided white settlements, murdering men, women, and children. The barbaric practice of scalping was so common by the Indians that some forts had people who specialized in treating scalped heads. One of the scalping treatments was called “pegging.”

**America's** **“Collective**

## **Pope Francis Embraces Global Islam and Mother Earth**

The FBI was caught with a memo authorizing surveillance of traditional Catholics but FBI director Christopher Wray disavowed the memo. We now understand that the assignment was subcontracted to Pope Francis, who just sacked a conservative Bishop in Texas. This does far more damage to the Catholic Church than anything the FBI could do.

---

## **The War Comes Home**

We remember the sacrifices of our veterans as wars are continuing in Europe and the Middle East and a new war has broken out here at home. Communists and their Arab and Muslim allies have proclaimed “From Atlanta to Gaza” as a major “protest” against “Cop City” in Atlanta is now underway. “Bring the war home” says one of their fliers.

# **Is the MAGA Movement Doomed?**

Referring to the votes in Ohio, in favor of abortion and dope, Cheryl Chumley writes, "If Ohio is a bellwether, then as America's once traditionally and biblically minded heartland goes – America's headed for even more moral degradation. And that means Democrats have the political advantage." So let the "MAGA movement" beware of what they think will happen in 2024.

---

# **Obama Defeats the Republicans in Virginia**

Similarly, America has been in decline because of the perverted elites in both major political parties. These are the people who refused to call Barack Hussein Obama a Marxist. These are the people who believe you can compromise with the cultural Marxists on issues like abortion, homosexuality, and drugs.

## **Is Mental Illness Celebrated on Fox News?**

In a brilliant move, Johnson has decided to introduce the Israel Security Supplemental Appropriations Act of 2024 so that U.S. ally Israel can get \$14.3 billion in needed funds in its war on Hamas from IRS funding in the so-called “Inflation Reduction” Act passed by Democrats.

---

## **Has Israel Already Lost the War?**

If this Axios story about Biden’s “post-war” plan for the Middle East is true, Israel has already lost the war – and its very existence is now in jeopardy. Biden financed the war by financing Iran, wants to finance Israel’s limited counter-attack, and now wants Israel to agree to a Moscow-backed “Palestinian state,” which will be a surrogate for Iran.

---

# **Communists Behind “Free Palestine” Movement**

The Congress once investigated communist groups supporting foreign enemies. But that is now considered “McCarthyism” and unacceptable. Instead, former President Donald J. Trump and his supporters are investigated. Special Counsel Jack Smith, who was trained at the United Nations’ International Criminal Court, targets Donald Trump personally.

---

## **The Isolation and Destruction of Israel**

More funding for Ukraine and Israel, without a clear strategy for victory, only delays the inevitable. Perhaps we ought to conclude that Biden does not want Ukraine or Israel to win. After all, he abandoned Afghanistan to the terrorists. He has also abandoned America to the terrorists through the open-borders policy.

---

## **The Hidden Hand Behind World Events**

The Muslims, though massive in numbers, are not capable of organizing the thousands of anti-Israel protests we see around

the world. Communists are behind these protests, as evident in the notations on many of the signs, such as “Party for Socialism & Liberation,” an openly communist group.

---

## **The Cost of Not Supporting Ukraine**

It is time for the opponents of aid to Ukraine to reverse course, admit the error of their ways, and urge the House under new leadership to pass a budget with higher defense spending, more aid to Israel and Ukraine, and a plan to secure our southern border based on the identification and deportation of all suspected terrorists immediately.

---

## **First Ukraine, Now Israel, and Then America**

Israeli Prime Minister Benjamin Netanyahu was someone who was supposed to understand all of this. Yet, just last month, in New York, Ukraine President Volodymyr Zelensky, the Jewish president of Ukraine, was forced to plead in person for Netanyahu to provide “more assistance and a more coordinated front against Iranian weapons transfers to Russian forces in Ukraine,” as Time magazine noted.

---

# **Russia and Iran are the Real Enemies**

President Trump had a different approach. He ordered the assassination of Iranian general and top terrorist leader Qassem Suleimani. Suleimani headed the Islamic Revolutionary Guard Corps-Quds (IRGC) Force, a U.S.-designated Foreign Terrorist Organization responsible for producing many of our wounded warriors from Middle East conflicts. More than 600 American soldiers died at his direction.

---

# **The Fall of Ukraine and the Coming Refugee Disaster**

The open borders of the United States have created a “man-made disaster” of millions flowing in. In rectifying this problem, the House Republicans should avoid creating another flow of refugees in Europe, many of whom will want to escape to the United States.

# **Is Mark Levin a Big Phony?**

Whether you like him or not, Trump is the candidate who

temporarily derailed Barack Hussein's Obama's "Permanent Revolution," which was supposed to go forward under "President" Hillary Clinton. He is clearly seen as the one candidate in the future who can stop the Democrats from consolidating their power.

## **Making Russia Great Again**

In effect, Biden is making Russia, an oil-rich country, even more powerful. That policy, combined with his "green energy" approach to cars and trucks, makes the United States weaker by comparison. All of this makes sense when you consider the fact that it has been documented that the Bidens received millions of dollars from oligarchs in Russia, Kazakhstan, and Ukraine.

## **De-Nazification and De-Communization in Russia**

The Hitler-Stalin Pact, which started World War II, has been carefully "forgotten" by the Russian government in its war against Ukraine, a former Soviet republic. In a major on-going Russian propaganda operation, former KGB operative and Russian President Vladimir Putin insists that it is Ukraine which must be de-Nazified.

# **D.C. Churches “Love the Stranger” But Lock Their Doors**

In a calculated putdown, the Washington Post once highlighted conservative Christian voters as “poor, uneducated, and easy to command.” But that seems to be a more accurate description of the residents of Washington D.C., who will vote to convict former President Trump of anything presented to them by a partisan prosecutor and grand jury.

# **Impeachment for the Wrong Reasons**

Will Biden be impeached for the right reasons? Or will the “impeachment inquiry” divert our attention from the issue of whether America can survive under Biden? We don’t have time to waste, and the issue goes far beyond several million dollars to Hunter and the Big Guy.

# **The NSA and America’s Enemies**

On the anniversary of 9/11, we are forced to consider the sad state of our so-called “intelligence” agencies, unable or unwilling to protect America. Much of the conservative

commentary emphasizes the political nature of the FBI and the CIA and their determination to keep Donald J. Trump out of the White House and maintain the Obama/Biden Administration in power.

---

## **Pentagon Targets the Unborn Enemy**

Rather than kill the enemy, the Pentagon is now in the business of killing the unborn. How much confidence should we have in these “leaders?” They are a disgrace to the uniform.

## **Coach Tuberville Cries Foul to Politics as Usual**

Consider a message from Harmeet Dillon, of the Center for American Liberty, about how Fulton County, Georgia’s District Attorney isn’t just going after President Trump – “she’s going after his lawyers too.” She points out, “The radical Left wants to send a loud, clear message to attorneys across the country that if they question the integrity of elections or provide legal services to conservative candidates, they could be held criminally responsible.”

# Climate Emergency To Produce a Global Government aka New World Order

Before our YouTube channel was censored, we aired a program on how the New Age Movement could use Pope Francis as their “Messiah” for purposes of influence or control in what has been called a New World Order.

## The Russians are Coming

Since Mike Pence did betray Trump with his failure to send the 2020 election results back to the states for reconsideration, it is difficult to say anything positive about Trump’s former vice-president. But on the debate stage he made a lot more foreign policy sense than Ramaswamy, a favorite of the Fox News Channel who has been rising in the polls.

---

## Trump Loses the Debate

It doesn’t matter who’s up and who’s down, who got views and who didn’t. The issue is war and peace and the survival of the Republic. Trump had his chance to save the Republic and he failed. This former friend of Chris Christie took his advice and nominated Christopher Wray to run the FBI. Enough said.

# **The Next Phase of Obama's "Permanent Revolution"**

When Trump supporters in effect endorse Obama's "Permanent Revolution" by smoking pot in front of the cameras, you know the legacy of our first Marxist president has had a lasting impact. It remains to be seen whether Obama's revolution can be stopped in its tracks now that acceptance of mind-altering drugs is affecting Trump supporters who should know better.

# **Biden On the Beach, Trump in the Dock, Conservatives Out to Lunch**

Let's start talking about the obvious solution, which is a Republican House of Representatives that defunds Jack Smith and the United Nations. This is the only power available to Speaker Kevin McCarthy.

---

# **The U.N. Lawyer Prosecuting**

# Trump

As the “lawfare” against Trump proceeds, we can anticipate an International Criminal Tribunal targeting the United States, focusing on President Trump or any Republican president. One charge could be “contempt” of international law over the ICC, followed by charges of “racial terrorism” against America itself. Defunding the office of Special Counsel Jack Smith is one easy way for the House Republicans to stop these schemes.

## Evil in the White House

The Roman Catholic Church had a role – and still has a major role – in facilitating the foreign invasion of the U.S. Indeed, in the face of declining membership, new immigrants arriving in the United States, including many Catholics from Latin America, provide new members and priests. Catholic Charities is among the NGO’s which facilitate the migration of illegal aliens into the interior of the country.

## America’s Marijuana Army

It is entertaining to watch Republicans getting facetime by sniffing around the Hunter Biden scandal. But even if Hunter is finally sent to prison, which is unlikely, the Democrats continue to expand their ranks of voters with endless handouts, including promises of cheap dope.

# **The Supreme Court Won't Save Us**

On July 4, in Philadelphia, communists are planning a rally, "America Is Nothing To Celebrate." The sponsor, a Maoist group by the name of the Revolutionary Communist Party (RCP), is in the middle of a \$100,000.00 fundraising drive and reports that about three-quarters of that amount has come in so far. The fundraising is conducted through YouTube videos.

# **Another Obama Poised to Replace Biden**

President Trump spoke at a meeting of the National Rifle Association and stated that marijuana could be a root cause of much of the gun violence in the United States and that genetically engineered or high potency marijuana could be a cause of psychotic breaks.

# **Catching the Killers and**

# Criminals

Meanwhile, the U.S. Embassy in the Vatican is flying the “gay pride” flag, and the Vatican itself is going gay, issuing a document welcoming “LGBTQ+ persons” into the Roman Catholic Church. “Who am I to judge” is the famous statement of Pope Francis.

## Living Under Communism

Meanwhile, the United Nations General Assembly is planning a summit in September 22-23, 2024, to unveil an “action-oriented” Pact for the Future that will include changes to the “global tax architecture.” A global tax is America’s future...

## Celebrating Black Marxist Lesbianism on Monday “Juneteenth”

Juneteenth, a day to recognize black freedom, will be celebrated this year by the two black Marxist lesbians who started Black Lives Matter (BLM). With fatherless families disproportionately affecting black communities, black Marxist lesbianism hardly seems like an acceptable alternative.

# **The Really, Really Big Guy Behind the 'Big Guy'**

With the back and forth over Trump versus Biden, we have lost sight of the really "Big Guy," the former president who was implicated in the Hillary email scandal and was running the Russia hoax. His name: our first openly Marxist president, Barack Hussein Obama.

---

# **The Living Hell of Gay Pride**

Biden was quick to act and named Dr. Demetre Daskalakis as the new homosexual National Monkeypox Response deputy coordinator. Peter LaBarbera's WorldNetDaily story explores allegations that he is associated with Satanic-themed Pentagram images and tattoos and sadomasochistic sexual practices.

# **The U.S. Is Losing the World War**

But the world was not saved. The communists attempted a complete takeover of Europe. They failed but they did take China and launched an invasion of South Korea. Later, they

invaded South Vietnam and won. In the meantime, they took Cuba, positioning nuclear weapons for a first strike attack on the United States.
