

The Cost of Not Supporting Ukraine

It is time for the opponents of aid to Ukraine to reverse course, admit the error of their ways, and urge the House under new leadership to pass a budget with higher defense spending, more aid to Israel and Ukraine, and a plan to secure our southern border based on the identification and deportation of all suspected terrorists immediately.

First Ukraine, Now Israel, and Then America

Israeli Prime Minister Benjamin Netanyahu was someone who was supposed to understand all of this. Yet, just last month, in New York, Ukraine President Volodymyr Zelensky, the Jewish president of Ukraine, was forced to plead in person for Netanyahu to provide “more assistance and a more coordinated front against Iranian weapons transfers to Russian forces in Ukraine,” as Time magazine noted.

Russia and Iran are the Real Enemies

President Trump had a different approach. He ordered the

assassination of Iranian general and top terrorist leader Qassem Suleimani. Suleimani headed the Islamic Revolutionary Guard Corps-Quds (IRGC) Force, a U.S.-designated Foreign Terrorist Organization responsible for producing many of our wounded warriors from Middle East conflicts. More than 600 American soldiers died at his direction.

The Fall of Ukraine and the Coming Refugee Disaster

The open borders of the United States have created a “man-made disaster” of millions flowing in. In rectifying this problem, the House Republicans should avoid creating another flow of refugees in Europe, many of whom will want to escape to the United States.

Is Mark Levin a Big Phony?

Whether you like him or not, Trump is the candidate who temporarily derailed Barack Hussein's Obama's “Permanent Revolution,” which was supposed to go forward under “President” Hillary Clinton. He is clearly seen as the one candidate in the future who can stop the Democrats from consolidating their power.

Making Russia Great Again

In effect, Biden is making Russia, an oil-rich country, even more powerful. That policy, combined with his “green energy” approach to cars and trucks, makes the United States weaker by comparison. All of this makes sense when you consider the fact that it has been documented that the Bidens received millions of dollars from oligarchs in Russia, Kazakhstan, and Ukraine.

De-Nazification and De-Communization in Russia

The Hitler-Stalin Pact, which started World War II, has been carefully “forgotten” by the Russian government in its war against Ukraine, a former Soviet republic. In a major on-going Russian propaganda operation, former KGB operative and Russian President Vladimir Putin insists that it is Ukraine which must be de-Nazified.

D.C. Churches “Love the Stranger” But Lock Their Doors

In a calculated putdown, the Washington Post once highlighted conservative Christian voters as “poor, uneducated, and easy

to command.” But that seems to be a more accurate description of the residents of Washington D.C., who will vote to convict former President Trump of anything presented to them by a partisan prosecutor and grand jury.

Impeachment for the Wrong Reasons

Will Biden be impeached for the right reasons? Or will the “impeachment inquiry” divert our attention from the issue of whether America can survive under Biden? We don’t have time to waste, and the issue goes far beyond several million dollars to Hunter and the Big Guy.

The NSA and America’s Enemies

On the anniversary of 9/11, we are forced to consider the sad state of our so-called “intelligence” agencies, unable or unwilling to protect America. Much of the conservative commentary emphasizes the political nature of the FBI and the CIA and their determination to keep Donald J. Trump out of the White House and maintain the Obama/Biden Administration in power.

Pentagon Targets the Unborn Enemy

Rather than kill the enemy, the Pentagon is now in the business of killing the unborn. How much confidence should we have in these “leaders?” They are a disgrace to the uniform.

Coach Tuberville Cries Foul to Politics as Usual

Consider a message from Harmeet Dillon, of the Center for American Liberty, about how Fulton County, Georgia’s District Attorney isn’t just going after President Trump – “she’s going after his lawyers too.” She points out, “The radical Left wants to send a loud, clear message to attorneys across the country that if they question the integrity of elections or provide legal services to conservative candidates, they could be held criminally responsible.”

Climate Emergency To Produce a Global Government aka New World Order

Before our YouTube channel was censored, we aired a program on how the New Age Movement could use Pope Francis as their

“Messiah” for purposes of influence or control in what has been called a New World Order.

The Russians are Coming

Since Mike Pence did betray Trump with his failure to send the 2020 election results back to the states for reconsideration, it is difficult to say anything positive about Trump’s former vice-president. But on the debate stage he made a lot more foreign policy sense than Ramaswamy, a favorite of the Fox News Channel who has been rising in the polls.

Trump Loses the Debate

It doesn’t matter who’s up and who’s down, who got views and who didn’t. The issue is war and peace and the survival of the Republic. Trump had his chance to save the Republic and he failed. This former friend of Chris Christie took his advice and nominated Christopher Wray to run the FBI. Enough said.

The Next Phase of Obama’s

“Permanent Revolution”

When Trump supporters in effect endorse Obama’s “Permanent Revolution” by smoking pot in front of the cameras, you know the legacy of our first Marxist president has had a lasting impact. It remains to be seen whether Obama’s revolution can be stopped in its tracks now that acceptance of mind-altering drugs is affecting Trump supporters who should know better.

Biden On the Beach, Trump in the Dock, Conservatives Out to Lunch

Let’s start talking about the obvious solution, which is a Republican House of Representatives that defunds Jack Smith and the United Nations. This is the only power available to Speaker Kevin McCarthy.

The U.N. Lawyer Prosecuting Trump

As the “lawfare” against Trump proceeds, we can anticipate an International Criminal Tribunal targeting the United States, focusing on President Trump or any Republican president. One charge could be “contempt” of international law over the ICC,

followed by charges of “racial terrorism” against America itself. Defunding the office of Special Counsel Jack Smith is one easy way for the House Republicans to stop these schemes.

Evil in the White House

The Roman Catholic Church had a role – and still has a major role – in facilitating the foreign invasion of the U.S. Indeed, in the face of declining membership, new immigrants arriving in the United States, including many Catholics from Latin America, provide new members and priests. Catholic Charities is among the NGO’s which facilitate the migration of illegal aliens into the interior of the country.

America’s Marijuana Army

It is entertaining to watch Republicans getting facetime by sniffing around the Hunter Biden scandal. But even if Hunter is finally sent to prison, which is unlikely, the Democrats continue to expand their ranks of voters with endless handouts, including promises of cheap dope.

The Supreme Court Won't Save Us

On July 4, in Philadelphia, communists are planning a rally, "America Is Nothing To Celebrate." The sponsor, a Maoist group by the name of the Revolutionary Communist Party (RCP), is in the middle of a \$100,000.00 fundraising drive and reports that about three-quarters of that amount has come in so far. The fundraising is conducted through YouTube videos.

Another Obama Poised to Replace Biden

President Trump spoke at a meeting of the National Rifle Association and stated that marijuana could be a root cause of much of the gun violence in the United States and that genetically engineered or high potency marijuana could be a cause of psychotic breaks.

Catching the Killers and Criminals

Meanwhile, the U.S. Embassy in the Vatican is flying the "gay pride" flag, and the Vatican itself is going gay, issuing a document welcoming "LGBTQ+ persons" into the Roman Catholic

Church. “Who am I to judge” is the famous statement of Pope Francis.

Living Under Communism

Meanwhile, the United Nations General Assembly is planning a summit in September 22-23, 2024, to unveil an “action-oriented” Pact for the Future that will include changes to the “global tax architecture.” A global tax is America’s future..

Celebrating Black Marxist Lesbianism on Monday “Juneteenth”

Juneteenth, a day to recognize black freedom, will be celebrated this year by the two black Marxist lesbians who started Black Lives Matter (BLM). With fatherless families disproportionately affecting black communities, black Marxist lesbianism hardly seems like an acceptable alternative.

The Really, Really Big Guy Behind the 'Big Guy'

With the back and forth over Trump versus Biden, we have lost sight of the really "Big Guy," the former president who was implicated in the Hillary email scandal and was running the Russia hoax. His name: our first openly Marxist president, Barack Hussein Obama.

The Living Hell of Gay Pride

Biden was quick to act and named Dr. Demetre Daskalakis as the new homosexual National Monkeypox Response deputy coordinator. Peter LaBarbera's WorldNetDaily story explores allegations that he is associated with Satanic-themed Pentagon images and tattoos and sadomasochistic sexual practices.

The U.S. Is Losing the World War

But the world was not saved. The communists attempted a complete takeover of Europe. They failed but they did take China and launched an invasion of South Korea. Later, they invaded South Vietnam and won. In the meantime, they took Cuba, positioning nuclear weapons for a first strike attack on the United States.

Constitutional Principles and the Debt Deal

Instead, House Speaker McCarthy begged for a meeting with Biden and his regime. At first, Biden refused to negotiate, putting pressure on McCarthy, who eventually agreed to the “negotiations.”

Why the Marxists Always Win

It should be obvious by now that the federal government has too much control over our money, and that money is quickly losing its value. We need a new beginning, a new revolution, the kind waged by our Founding Fathers.

The Origins of Queer Communism

The author of *Communism for Kids*, Bini Adamczak, wrote that “the Russian revolution instilled new hope, particularly in women and people who did not identify themselves within the hetero-normative paradigm.” The “destruction of the family,” she writes, was the goal.

The Next Phase of Communist Revolution

Self-defense, even vigilante justice, is a natural consequence of releasing criminals and terrorists on the streets of the major cities. Americans have no alternative but to defend their families and loved ones. But a long hot summer is being planned.

Ukraine Deserves the Right to Live

Amidst the witty banter on the Fox & Friends Weekend show, this nice lady with a pro-life reputation did her best Tucker Carlson impression and made it clear that she wants the U.S. to abandon Ukraine to the Russians in the name of "peace."

Kucinich, once a proponent of a Department of Peace, eagerly agreed.

The Russians in Russia-gate

The observations made by Durham and his staff indicate the FBI's corruption goes far beyond political bias against former

President Trump. But Durham didn't draw the conclusion that the FBI has been infiltrated by Russian agents and that the agency cannot be reformed until they are exposed and rooted out.

The Communist Moles in the U.S. Government

If Congress fails to act in the face of the overwhelming evidence of communist penetration of the intelligence agencies, we will have to conclude they fear the power of the State, including its ability to persecute and even assassinate its political enemies.

The “Very Stupid People” Are Communists

As he noted during the CNN Townhall, Trump was betrayed by many people, from Mike Pence on down. But his comment that “very stupid people” are destroying America was not quite accurate. These people are communists. Other than this omission, his performance on CNN was masterful.

How Communists Are Programmed to Kill

Former President Trump says, “They will continue to viciously attack me, smear me, and even ARREST me despite not having committed a single crime.” He left out one thing – they tried to kill him. A ricin-laced letter was sent to Trump by an anti-Trump activist from Canada by the name of Pascale Cecile Veronique Ferrier.

RFK Jr. Rejects the Kennedy Anti-Communist Legacy

Former Biden mouthpiece Jen Psaki explains, “Kennedy’s early numbers probably have a lot more to do with name recognition than policy. His family is still beloved by many in the Democratic electorate, even though most people would never recognize him on the street.” True or not, the critical fact is that RFK Jr. does not seem to have the same anti-communist credentials as his uncle and father.

We Need Another Lincoln

Interestingly, Karl Marx was a cheerleader for the northern states in the American civil war, since he saw slavery as just one phase in history that had to be surpassed on the way to

world communism. But Lincoln was not a Marxist. However, he did use extraordinary means to keep the nation together.

Trump's Attacks on DeSantis Are Insane

Attempting to define our problem as a nation, President Trump was right on target, telling Greg Kelly of Newsmax, "There's a little group, a small group of people that are very smart, very radical left, probably Marxists, and they're running our country into the ground..."

The Real Tucker Carlson Scandal

Glenn Beck says Tucker's firing is "a dark day for the conservative movement," adding, "We're looking at the death of Fox News." Beck knows better than this. Once a host on the channel, he was fired by Fox after exposing George Soros. If Fox died, it died years ago.

Fox News Loses \$787 Million and its Credibility

There is no way to spin it: Fox News has suffered a major embarrassment, with its \$787 million settlement in the Dominion voting case. Dominion lawyers now promise to pursue other cases, such as collecting \$1.6 billion from Mike Lindell of My Pillow, a major advertiser on Fox and other conservative outlets.

Abortion Drugs Kill Women and Children

As the judge's ruling demonstrates, abortion drugs are anti-human and were imposed on America by a rogue federal agency. More than that, these drugs are anti-unborn human and anti-woman. It is the Nazi program dressed up in feminist garb, with women and their children as the guinea pigs.

Is Fox News the Leading "Trans" Channel?

Two years ago, when Jenner ran for California governor as a Republican, I asked, "How can a Jenner candidacy, with a man appearing as a woman, do anything but support 'the

normalization of radical gender ideology?’ Having surrendered to gay ‘marriage’ and other perversions, the Republican Party and their conservative house organs are now ready to hop on the trans train.

The Church Needs an Exorcism

Years before hedge fund operator George Soros assumed funding of various Marxist and “progressive” groups, to the tune of billions of dollars, the Institute for Policy Studies in Washington, D.C. was the headquarters of those looking for ideas and funding of the communist revolution in America.

Trump’s Enemies May Surprise You

If you want to understand what’s happening with Trump, don’t turn to Fox News. Professor Jonathan Turley, their go-to “expert,” is the guy who made a fool of himself by delivering testimony about the dangers of “Eugene McCarthyism.” He meant Joe McCarthy. Either way, he was off-base. An error of this kind means that he is not a serious academic.

You Don't Need 'AI' Artificial Intelligence to Figure Out Why America is Dying

The job of implementing Joe Biden's order to impose transgenderism on the U.S. Armed Forces was assigned to Secretary of Defense Lloyd Austin, who was in the news on Wednesday when he denied, in the face of the evidence, that military bases were hosting drag queen story hours.

Guerrilla Warfare in the United States

Train derailments, attacks on power substations, lasers directed at aircraft, firebombing pro-life pregnancy centers, a communist-inspired Antifa attack on a police facility in Atlanta, and now a transgender killer at a Christian school.

Banning TikTok Won't Save America

Members of Congress from both major political parties were beating up the CEO of TikTok, Shou Chew, on Thursday, mostly

over the firm's links to Communist China. But while TikTok may gather data from teenagers and make them into zombies (or worse), it does not create a generation of communists. That has been the job of colleges and universities...

Arrest Communists, Not Trump

More than one thousand communists, socialists, and fellow travelers rallied on March 18 in Lafayette Square, next to the White House, and then marched across town in support of Russia, China, Cuba, and causes such as reparations for blacks and massive defense cuts. I was there covering the rally, taking dozens of pictures, in order to...

DeSantis is Finished as a Presidential Candidate

Mexican President Andrés Manuel López Obrador recently made a reference to "our fellow Mexicans that live in the US." He is apparently referring to the "territorial dispute" with the United States over who owns the Southwest United States. Mexicans claim that region for themselves.

Comrade Joe Blames Trump for Banking Collapse

If Comrade Joe succeeds in getting or federal control and regulation of the banks, he will accomplish what Obama/Biden never succeeded in doing – moving the United States into socialism on the road to full-blown communism.

The Five Stooges on Capitol Hill

Thanks to billionaires George Soros and Mark Zuckerberg, Oregon has decriminalized LSD, cocaine and heroin. Perhaps Wyden wants the use of psychedelics to be permitted by intelligence analysts. Perhaps the intelligence product will then improve.

Is DeSantis Ready for Prime Time?

Potential 2024 presidential candidate Ron DeSantis has been a good governor, but with global conflict on the rise, what experience does he have on foreign policy? Since the answer is none, how can he be a viable 2024 Republican presidential candidate?

Phonies on the World Stage

We have learned that Joe Biden's "unannounced" visit to Ukraine was actually announced to the Kremlin in advance. In other words, his "historic" visit was approved by Vladimir Putin. Meanwhile, playing the role of Christian statesman, Putin quoted scripture in his presidential address the other day.

Fire Tucker Carlson and Don Lemon

One of George Washington's famous quotes was that the new nation should avoid entangling alliances with other countries. At the same time, he realized that without the support of other nations, America would not exist.

We Are in a State of War

The only thing that will save us is a bigger and better and more ruthless military establishment than China and Russia combined. We need more nuclear weapons capable of obliterating both of those nations, and we need a president who will use them, or at least threaten to use them, for the benefit of the

American people.

Communists Conservatives Disinformation **Target With**

In the first place, the Russians originated the idea that Trump was a Russian agent. The Steele dossier which drove the FBI investigation contained Russian disinformation from Russian sources about Trump. All of this has been firmly established.

The Biden Doctrine of Demoralization and Defeat

Reagan, who fought communists in Hollywood and understood their strategy and tactics, had a Reagan Doctrine as president to overthrow communist and enemy regimes. But with his declaration that the U.S. will not send advanced F-16s to Ukraine, despite repeated requests, we have a new “Biden Doctrine” of demoralization and defeat.

The World War is Already Here

In regard to Ukraine, however, there is some good news – the U.S., Germany, Britain, Poland, Norway, Finland, the Netherlands, Spain and Portugal have now agreed to send tanks to destroy Russia's forces in eastern Ukraine. But is it too little too late?

Joe Biden's Great Replacement

When anti-communist analysts and security experts examined Barack Hussein Obama's history of associations with unsavory characters and communist figures, they had to wonder if Obama is a Marxist mole or a communist collaborator. In one sense, it didn't matter. As a candidate, Obama didn't have to undergo a background security check.

"There is No Shortage of Cruelty"

Russian dictator Vladimir Putin hides behind the spiritual. Divorced and said to have a mistress, he has presented himself as a defender of the Christian faith and Christian values. He counts on conservatives in the United States to ignore the fact that he was a Soviet KGB officer and ran its successor, the FSB.

Who Planted the Biden Documents?

The question of discovery, or timing, is more important than who planted them, since they were discovered as Biden was about to launch a 2024 election bid and was already the subject of a “progressive” push to step down from the race. This is just too coincidental.

Biden is Toast: The Lies of Obama-Biden

Everybody knows that Biden, like Santos, had a tendency to exaggerate or embellish but Biden’s career flourished since those incidents. It’s because he served the interests of the elites devoted to what Biden in a Wall Street Journal called the “New World Order.”

A Republican Church Committee?

I attempted to put the pieces of the puzzle together in two books, Comrade Obama Unmasked, and Red Star Rising. They tell

the story of how Obama came to power and was protected in office by Deep State or communist operatives in the U.S. intelligence community who were then enlisted in a campaign against President Donald J. Trump.

The Sad State of Conservative Journalism

Putin was raised a communist and became a spy for the communist regime in Moscow. He never disavowed communism and in fact lamented the demise of the old USSR. His modern mission is to reassemble it, making him a junior partner of Red Chinese dictator Xi.

Pope Benedict's World Government Disaster

If they love their country, Catholics in particular need to understand the message of "Our Lady of Fatma" has relevance today, as America faces a coordinated Russian-Chinese axis of military power that spreads suffering on a global basis and is preparing to deliver a death blow that is described in the Bible as Armageddon.

Two-Faced Tulsi

The controversy stems from Gabbard emerging as an independent and dissident voice in the Democratic Party who was willing to blow the whistle on Obama's pro-terrorist and pro-Muslim Brotherhood policies in the Middle East, which contributed to a civil war resulting in the deaths of hundreds of thousands.

Send the Migrant Buses to the Catholic Bishops

The Catholic Church has a "Join the Justice for Immigrants Campaign" that urges people to "Take action in solidarity with immigrants, migrants, refugees and people on the move." Why not send the immigrants, migrants, and refugees to Catholic Churches or the homes of Catholic politicians?

The Luciferian Plot to Steal Christmas

Until I read *The Devil and Bella Dodd*, I thought the greatest defector from communism was Whittaker Chambers, who fingered Alger Hiss as a communist spy for Soviet Russia and identified a communist network in the highest levels of the U.S. Government. But...

The Moral Bankruptcy of the Catholic Church

If you want to close the border, shut down federal funding of the Roman Catholic Church in America. Nothing else will work. The church is the handmaiden of the JoeBama regime in facilitating the invasion of the southern border.

Florida's False Prophet

He should quickly reverse course and request a grand jury to investigate Red China, demanding compensation for the millions of deaths caused by the China virus. That's what an anti-communist governor would do.

The Solution to Open Borders

Consider Fox News, leading the drumbeat. Fox owner Rupert Murdoch is co-chair of the Partnership for a New American Economy, along with liberal moneybags and billionaire Michael R. Bloomberg. The Partnership for a New American Economy is based on bringing in immigrant labor described as "new Americans."

A Top to Bottom Housecleaning of America

When we clean our house, my wife has a slogan, “Top to bottom,” meaning you have to target the whole house. The same advice applies to nations. We have one advantage. The USA has not gone full communist – at least not yet. This gives us an opportunity for redemption and reform.

Putin’s Soviet-style Power Politics

As many have commented, the release of former Soviet military officer Viktor Bout demonstrates the weakness of Joe Biden and the strength of Russian President Vladimir Putin. America was humiliated. But Ukraine will suffer as a result.

Security Risks in the Senate

I endorsed Trevor’s books, saying, “Exposing the unvetted, the compromised, and the blackmailed, Trevor Loudon applies the CARL Test to Congress and does the work the FBI can’t or won’t. He documents how communists help elect security risks

whose Character, Associates, Reputation, and Loyalty to the United States are in doubt.”

The Best Christmas Bargain: A Free Ukraine

Victory is within Ukraine’s grasp and that means that Putin could be deposed, put on trial, and Russia’s oppressed population could once and for all reject Russian Communism. It could be the dawning of a new anti-communist age, with dictator Xi the next target and victim of the people.

Saving America by Saving Ukraine

After Trump was evicted from the White House in 2020, betrayed by members of his inner circle, how are we supposed to conclude the Republicans will do any better without Trump in 2024? Nobody fights like Trump. He is the only candidate in Republican history, except for Ronald Reagan, to have assembled a coalition of voters who believe in national sovereignty and individual freedom.

China's Mass Murder Experiment, Phase Two

Dictator Xi knows better than that. He has something else up the sleeve of his Mao jacket and he's probably let his junior partner, former KGB colonel Putin, in on the secret. The worst is yet to come, either through the release of another virus or an actual invasion of the Republic of China on Taiwan.

How Trump Saved the World

As part of its drive to prevent Trump from running in 2024, the New York Post has run a Bill Barr column under the headline, "Trump threatens to burn down the GOP, it's time to move on." The real issue is why the GOP should be saved, with people like Bill Barr in it. Barr was an Attorney General under Trump who failed to do his job.

Life Will Never Be the Same

There are still a few things we can do. We can understand the one-party state that America has become. We can pursue various forms of resistance. And who knows? Perhaps divine intervention will cause a collapse of this evil system being imposed on us by evil people. That would lead to a real Thanksgiving.

Bury the Dead and Move On

There are some who blame the election results on vote fraud. I say it's mostly because of the dopes in the population who are now smoking dope and have lost awareness of what freedom really means. They are herded to the polls or else their votes are harvested. These are the people who think abortion is health care.

The Coming of the World Dictator

Today, Republicans are at a crossroads. Trump is attempting to save the GOP from itself while others want to "save" the party from Trump. Can the party under these circumstances be transformed into a home for constitutional conservatives? One thing we know for sure – the "conservative" media have been terribly compromised...

Red Faces After Red Wave Propaganda

The Republicans blew an opportunity to reverse the damage done

by China Joe. They were assisted by conservative media and MAGA commentators who ended up with egg on their faces after deceiving tens of millions of conservatives about what was really happening.

America Votes for Obama's Brand of Marxism

In Pennsylvania, the brain-damaged Democrat Fetterman (endorsed by Oprah) beat the Muslim doctor (a creation of Oprah) accused of quackery but backed by Donald J. Trump and Sean Hannity. Nothing more needs to be said about America's descent into oblivion and catastrophe, otherwise known as communism.

The Marxist General in the American Civil War

We can expect more of this kind of propaganda in the months ahead, as we anticipate the 2024 presidential race. The MAGA movement needs to understand how communists overthrow non-communist majorities and make democracies into dictatorships.

Obama is Never Going Away

It's true that Congress has the power of the purse, but you and I know that a Republican Congress under the control of Senator Mitch McConnell and Rep. Kevin McCarthy lack the expertise, knowledge, and will to "take America back" and dismantle the major elements of the so-called administrative state. The CIA, FBI, and the IRS will survive, and you and I know it.

The Serial Killers in Our Midst

A new Netflix film, "The Good Nurse," is based on the actual case of a serial killer operating in a series of hospitals who killed dozens if not hundreds of patients. At the end, we are told that the hospitals which employed Charles Cullen as a nurse were never prosecuted. He was shuffled around like the pedophile priests who were caught in one parish and then sent to other churches.

The Hucksters and the China Virus "Hoax"

Today, the controversy is over the effect of the China virus on children and whether the vaccine will save them from

hospitalization and death.

Mass Murder is Not a Hoax

Stephen K. Bannon and Darren K. Beattie were on “Real America’s Voice” claiming the jury’s \$1 billion verdict against Alex Jones is somehow a threat to the First Amendment and free speech.

Every Place Has Its Secrets

The American people are quickly understanding that the elites have stolen our wealth and mortgaged our future. They are criminals of the worst order and their institutions are corrupt to the core. They have almost complete control of our destiny as a nation.

Power to the People

On Monday, the big news was that the tax cuts being proposed by the new British Prime Minister Liz Truss were being somewhat scaled back because they might “favor the rich.” This is a Marxist line of attack. Yet, Stephen K. Bannon was on his “Real America’s Voice” show trashing Truss for proposing tax cuts in the first place.

How to Lose Winnable Elections

In terms of our current predicament, a key plank of the Communist Manifesto was “Centralization of credit in the hands of the state, by means of a national bank with State capital and an exclusive monopoly.” That means, for our purposes, the Federal Reserve, now exposed as a failure by The Economist and other mouthpieces of the establishment.

Biden Lied and People Died

Too many people are still getting sick and dying. We should not move on from this devastating disease. China and its collaborators must still be held accountable for this crime against humanity. Our only advantage in this struggle is the American-based technology that the communists desperately want to steal.

America on the Precipice

We also discussed the influence of Harry Hay, a Communist Party member who started the modern gay rights movement in America. He divorced his wife, after contracting a venereal

disease, became a “radical fairy” with an interest in the occult, and marched for the cause of adults having sex with children.

The Zombie Apocalypse

On the eve of the release of new inflation numbers, the elite publication Axios claimed that President Biden and Democrats were riding “a wave of good news.” The publication insisted that, “Inflation’s fury has cooled. Gas prices are down.”

The Truth About 9/11

Mueller ran the FBI and failed to implement reforms after a Russian agent, Robert Hanssen, was caught. Incredibly, Hanssen had worked on FBI counter-intelligence against the Russians!

Moving Toward Gorbachev’s “World of Communism”

The headline, “West mourns Gorbachev as peace champion,” helps explain why the West, led by the United States, is collapsing, and why the Communist world, including “post-Soviet” Russia, is coming out on top. Even some conservatives have been

fooled.

The Face of Communism in America

Closer to home, my group, America's Survival, Inc., examined how the Obama regime played a major role in the "success" of Canada's Liberal Party leader Prime Minister Justin Trudeau, who is corrupting Canada through drugs, sexual perversion, and a Muslim invasion.

How and Why Republicans Lose Elections

Bombarded with messages from the Obama campaign and the Soros-funded propaganda machine, including the Super PACs he funded, voters found Romney's private sector experience on Wall Street and wealth more objectionable than Obama's record as a Marxist president.

Why Obama Is Out to Get Trump

Professor Jonathan Turley was on Fox saying he had supported the confirmation of Merrick Garland as Attorney General but now says he is disappointed in Garland's political pursuit of Trump. Turley still doesn't get it. Garland is an agent of Barack Hussein Obama, who approved Hillary's plan to launch the FBI's "Crossfire Hurricane" investigation of Trump.

We Can't Impeach Our Way Out of This

Pinochet saved Chile from communism, and presided over a transition to a free-market economy and democratic system that produced the greatest prosperity in Chilean history. He led a revolution in Chile that by communist standards was virtually bloodless. Some 3,000 people were killed by the military when they overthrew Salvador Allende.

The Presidency from 'Beyond' Hell

Forget the talk about "The Biden White House." The Biden Administration is the spawn of Barack Hussein Obama. You can't understand what's happening now without an appreciation of Obama's communist mentor and Obama's relationship with China,

Russia, and radical Islam.

Oprah's Next Candidate for President

Indeed, Measure 110 (also known as Initiative Petition 44) passed in Oregon, with the support of George Soros, Mark Zuckerberg, and the Oregon Democratic Party, and decriminalized dangerous drugs like meth, cocaine, Oxycodone and heroin. As a result, to no one's surprise, substance abuse is rising.

It's Trump Versus Obama/Biden/Hogan in Maryland

Kelly Schulz is running commercials on Fox News claiming that she is a conservative candidate for Governor in Maryland. But on her website she touts her endorsement from the liberal Washington Post. The paper, a long-time voice of the national Democratic Party and the Deep State...

Cultural Marxism Spawns Narco-Nation

The Highland Park shooter, who was under police surveillance at one time, is just the latest example of mass violence that escapes the attention of the Biden's Department of Justice. A letter to Attorney General Merrick Garland from a national coalition urging him to support enforcement of federal marijuana laws has been ignored.

We Are Living Through a Communist Revolution

As we take pride in America, we have to recognize what has America become – and what is it becoming. For that answer, read the Communist Manifesto and take note of the fact that literally dozens of communist groups operate on American soil, in open violation of the Communist Control Act, which is still on the books.

Trump's Conservative Political Muscle

As a result of the electoral power of the Trump movement, the states of Pennsylvania, Maryland, and New York could elect

conservative Republican governors. That was the message Trump-backed candidate Doug Mastriano brought to the Dan Cox for Governor rally in Maryland on Saturday.

Russia's Geopolitical Game Plan

Once Europe gets mostly on board with cutting off purchases of coal, oil and gas from Russia, a fresh new "green" push will be underway. Forget the fact that going green got us into this mess in the first place.

Why Biden Wants Ukraine to Lose

This could be one of the building blocks of Biden's New World Order, one of his long-time goals. The reputation of the U.N. will be enhanced and the Russian regime will be welcomed back into the family of nations, perhaps with Putin officially stepping down from power after his victory over Ukraine.

Genocide and the Next Red Line

Once and for all, this Russian war on Ukraine, which began on February 24, demonstrates the complete ineffective nature of the United Nations, whose Security Council is powerless in the face of Russian membership and a Russian veto. It's finally time to defund the U.N.

Please Slap Me in the Face

Despite disasters at home and abroad, including a foreign war, record debt levels, soaring shipping costs, rising crime, surging inflation, and an educated idiot Supreme Court nominee, at least 40 percent of the American people support Brain Dead Biden. No wonder books for dummies are so popular with Americans.

Educated Idiots All Around Us

The communists, apparently, are calling in their chips on Ukraine because they are about to capture a seat on the Supreme Court and don't want a foreign war as a distraction. Cultural Marxism, which includes DNA denial, is now front and center. Biden's Supreme Court nominee, picked because she is a black woman, refused to define the word "woman" on the grounds that "I'm not a biologist."

Biden's Bay of Pigs
