

# The Paranormal is Demonic

The chaos that we are currently dealing with in our nation is not political but Spiritual. Only a return to BIBLICAL Christianity can cure our cultural issues. We will not vote our way out of the mess we find ourselves in. According to an internet search there are currently 45,000 denominations of Christianity in the world today. DENOMINATE means to divide.

---

## Secular Christianity

By the way, for those of you in the back row, an Evanjellyfish is a Christian without a backbone. Most American churches are populated with them. They are the mutant children produced by the false prosperity gospel. You know...the name it and claim it crew with the big church and the media-star pastor.

---

## And the Pulpits Are Still Silent

A May 2005 survey of American pastors and ministers conducted by George Barna asked Christian leaders to identify what books were the most influential on their lives and ministries." The Purpose Driven Life was the most frequent response [not their Bible]. Today's pew sitting Christians are more familiar with the words of Warren than the Words of Jesus.

---

# **The Political Persecution of Oath Keepers Founder Stewart Rhodes**

I did an interview with Stewart Wednesday morning. It was great to reconnect. I had not spoken with him in years. Please take the time to listen. The Biden justice department destroyed the life of this Christian man...and the organization he founded.

---

## **Stupid is As Stupid Does**

Say what you want to about the depth of President Trump's PERSONAL Christianity...I am not here to debate that...but he has clearly opened the door and welcomed Christianity back into our government. No wonder the phonies in both parties are kicking against the pricks.

---

## **The Sissification of Christianity**

Americans love watching brave men. We live vicariously through them as we witness the controlled violence before us.

Our nation dedicates an entire weekend to Super Bowl Sunday. Churches gather men together to watch the gladiators compete. All men and women love bravery. It is the most noble of character traits.

---

## **Infiltration, Not Invasion**

Would it be safe to say that we are seeing the manifestation of evil like no time in recorded history? Are we foolish enough to believe that this is simply a POLITICAL battle? Do we not understand that this is a SPIRITUAL manifestation of the Bible into the natural world? The heart of man is the target, and individual souls are the prize.

---

## **For God's Sake, Tell Folks the Truth!**

I suppose it is dangerous to write about this topic...seeing how the idea of "judging" is no longer kosher in American Christianity. In fact, "Judge not", a partial statement taken out of context by many American Christians, is the modern command of those practicing modern soft American Evangelical Christianity.

---

# **Keep Your Paddle in the Water**

I often wondered if, in fact, America would survive. Although my hopes are a little bit higher than they were this time last year, the survival of the America we all grew up in still seems to be hanging in the balance. Perhaps it is just my stage in life, but I still long for the days of “baseball, hot dogs, apple pie, and Chevrolet.” I want those days for my 10 grandbabies.

---

## **America is Drowning in Artificial Stupidity**

I’m sure you could add a few. It is my firm belief that artificial stupidity is a far greater risk to America than artificial intelligence. Just look around. Nearly 75 MILLION Americans voted for Kamala Harris. I rest my case. To steal a line from Forrest Gump... “Stupid is as stupid does.” Sorry folks, but this ain’t natural.

---

## **The Persecution of Innocent American Christians**

My wife and I attended the J6 rally in DC. Millions of us did. Several of my friends were hunted down and locked up. One of those was my Pastor/friend Bill Dunfee who served 4

months in prison for his part in the “insurrection.” He was sentenced to 36 months. He was not given a fair trial. He never violated any law. He never threatened nor harmed anyone.

---

## **The Tyranny of the Minority**

Evil men are nothing new, the history books are filled with the names of wicked men who pillaged their way through society. But never, until recently, have these wicked, vile men and women been exalted.

---

## **Please Help Our Innocent Friends in Jail**

President Trump will be sworn in as President in less the two weeks and many of our friends are currently languishing as political prisoners as victims of a “government sponsored fake insurrection” on Jan. 6th, 2021. We must go to bat to see them released

---

# Sayonara Obama, and Don't Let The Door. . .

When it became obvious that Dementia Joe was not going to be re-elected, Obama and his minions replaced him with Biden's goofy DEI VP whom they were sure they could control. No open primary, no "democratic" election of the DEMOCRAT candidate. No, my friends, they needed someone in the Oval Office that Obama could control...hence Kamala.

---

## See, I Told You So!

Millions of dollars made...millions of people dead. This is critical for you to understand. People died WITH covid...not FROM it. The treatment killed the patients. Again...it was all FAKE...the man-made virus and the man-invented response to it. Here are some lowlight admissions from the fraudulent, Christ rejecting American government. You can find these within the report.

---

## I'm Grateful Today

I don't want this to be a cheesy Thanksgiving-is-a-good-thing commentary, but, rather a genuine moment of reflection on how blessed we all are and don't even realize it. The focus of soooo much of what we discuss deals with the negative...things that are wrong with our lives...that I hope to change your focus

a bit. After all it IS THANKSgiving Day.

---

# **The Murder of the Mainstream Media**

Today, Donald Trump has been re-elected as President of the United States and the Fake News National Media is on its death bed. That will go down in history as President Trump's most valuable service to America. The Murder, in broad daylight, of the Government-Media Complex that JFK warned us about in 1963.

---

# **The Media are Simply Larry, Curly, and Moe**

In a bit of self-reflection, I dug into my archives this week to get a tempo of just how accurate I have been doing over the past 20 years in my evaluation of the evolution of the American culture. I was pleasantly surprised at how accurate my assessments have been...if you forgive me for patting myself on the back.

---

# Real Men Would NEVER Vote for Kamala Harris

Let us get one thing straight before you read ANY FURTHER. This is an opinion commentary. It is about what I think. I don't write it to make you feel good, make you love me, or even agree with me. I write it because it is the Truth.

---

## Lies, Deception, and Fear

I simply ask the obvious questions that no one else seems capable of asking. You know...why won't they release the JFK files...what made Tower 7 collapse...how come we never returned to the moon...why can they find over 1000 J6ers across America but we can't seem to find the names on the Epstein list? Does this bother anyone but me?

---

## The War on White Christian Men

The battle in America, and the world, is between two seeds. The term "Seed" represents offspring. Despite what you may have been taught in your church not all people are children of God. In fact, Jesus pointed that out "You are of your father the devil, and the lusts of your father you will do."

---

# **It's Not About Ducks and Cats in Springfield OH**

I went to Springfield, Ohio last week. Me and a couple dozen of my friends made the trip to pray over the city. We, like most of you, had heard the hype about the eating of ducks and cats. Too be honest, in today's America anything is possible. So, we went to see firsthand.

---

# **Can a Christian Vote Pro-Abortion?**

I am sure you are aware that the Republican Party has taken the pro-life plank out of their party platform. It comes as no surprise to me. As a guy who has spent countless hours on the streets defending the pre-born children this change in policy came as no surprise to me.

---

# **Why Don't ALL Americans Want Honest Elections?**

I don't know about you, but I would like to return to the good old days of paper ballots and same-day in-person voting, with

some non-government accounting business actually doing the counting. Sadly, our “government” has become too political to trust either side and I sure as hell don’t want the FBI investigating anybody or anything!

---

## **Driving a Parked Car**

Most of what passes as Christianity today is nothing more than self-help therapy masquerading as Bible preaching. Mega Churches are the worst. The larger the crowd, the softer the message. Soft preaching draws a crowd while hard preaching thins out the crowd.

---

## **The American Church has Developed Laryngitis**

Jesus was not a Roman. He was a Jew. The religious leaders took him to Pilate because only Pilate could sentence HIM to death. The Jewish leaders were mad because Christ was usurping THEIR power by declaring Himself KING of the Jews. He challenged THEIR authority.

---

# Cowering Christianity

Tough times are coming. But tough times produce tough people. Maybe a little bit of persecution will be good for Christianity. But we must face up to the reality that we are entering into a time of FIGHT or FLIGHT. How the church responds to the difficult times will determine the outcome. The tide is beginning to turn in America.

---

## They All Knew, Every Damn One of Them

They ALL knew. Every damn one of them. If a dolt like me can figure out that there is something wrong when the President of the United States is crapping his pants in public, certainly those who swim with the sharks in the Independent Nation of Washington, DC knew it as well.

---

## Damnably Lies and Damnably Liars

I do not know about you but I am getting pretty damn irritated by the liars who run the world. You do understand that liars run the world, don't you? Psalm 2 calls out the greatest conspiracy in world history...The kings of the earth set themselves, and the rulers take counsel together, against the

Lord, and against his anointed...

---

## **Does Everybody Go To Heaven?**

Our family lost a brother last week. Our brother Dan passed into eternity at the age of 73. It was unexpected, something millions of Americans have experienced over the past 4 years. Somehow the death of a loved one makes death seem so...well...final. We all have an appointment with death and the Bible teaches that "tomorrow is promised to no man..."

---

## **Make Christianity Masculine Again**

The compromised, weak, Jesus loves everybody messages emanating from the pulpits of America are responsible for the full bore, full steam ahead, in-your-face-assault on everything Christian in the nation.

---

## **Tired of Being Called "Anti"**

# Simply For Having an Opinion Counter to Someone Else

So...I am anti...anti...meaning I am sick and tired of being called "anti" simply because I have an opinion counter to someone else. It happened again to me this weekend. I got myself into a heap bowl of chili simply by asking an obvious question that I didn't know I wasn't allowed to think out loud.

---

## Let's Celebrate the Natural Family

Despise not the days of small beginnings! Get involved. Go to [HERE](#) to order some signs to put in your yard!! Let us start a groundswell of support for the NATURAL FAMILY and begin the restoration of sanity in this land. This will not happen overnight but you can make a difference RIGHT NOW

---

## Spiritual Dementia

I've recently begun to ask myself what in the heck is wrong with the church? Jesus told us that we were supposed to be "the salt of the earth and the light of the world" but the impact of Christianity on the American culture and the American way of life is almost non-existent.

---

## **I Am Grateful Today**

Last night another set of storms ripped through Central Ohio. That is where I have lived my entire life. Columbus, our Capital City, sits in the middle of the state. Although Cleveland and Cincinnati are more likely to come to mind when you think of the Buckeye State, Columbus is the largest city in the state.

---

## **I Am A Proud Conspiracy Analyst**

I cannot believe how gullible the average American is. Especially the Christians. That is hard for me to say and probably a hard pill for you to swallow. But Christians, who should be the greatest promoters of Truth, are some of the least informed, brainwashed folks I ever come across.

---

## **What If You Lost Everything?**

As many of you know, Pass The Salt Ministries is always on the front lines in disaster relief. Hurricane Katrina was the first relief effort that we were active in where we kept a boots-on-the-ground team for 6 weeks. Since then, our efforts

have taken us to Texas, Fla, Louisiana, Alabama, and Mississippi.

---

## **What if You Are Wrong?**

The Bible says a lot of things which, when taken out of context, can be made to sound true. But sounding like Truth and BEING the Truth are not the same thing. Context is everything.

---

## **Whatever Happened to Justice?**

But there is no EQUAL justice in America today. Sadly, our JUST-US system is being used to “get even” with political opponents. “Justice” has come to mean “punishment.” It has created a system called LAWfare...a tactic of WARfare. The courts are now being used as weapons of war against those who hold different political views.

---

## **It's My Own Damn Fault**

Life is about choices. Some good. Some bad. But at the end of the day, WE are all responsible for the choices we make. Until you accept the fact that it is your own damn fault nothing will ever change. Sorry Flip Wilson, the Devil didn't

make you do it.

---

## **Change the Words, Change the World**

America can be saved if Americans will wake up. Stop using their words. Words have power. Let us call a Marxist a Marxist. Stand up and speak up. Our kids are depending on us.

---

## **Are We Cleaning up the Wrong House?**

Do you lead family devotions with your children? Do you regularly pray and read the Bible with your spouse? Have you discussed spiritual issues with your children or do you leave that to the "youth leader?" Have you removed the influence of TV from your impressionable children? Have you checked their i-pods to see what they are listening to?

---

## **The New World Order is**

# Satanic

If there is a decay of conscience, the pulpit is responsible for it. If the public press lacks moral discernment, the pulpit is responsible for it. If the church is degenerate and worldly, the pulpit is responsible for it. If the world loses its interest in Christianity, the pulpit is responsible for it. If Satan rules in our halls of legislation, the pulpit is responsible for it. If our politics become so corrupt that the very foundations of our government are ready to fall away, the pulpit is responsible for it.

---

## Off to a Busy Start in Jan 2024

The decade of the 2020's has been nothing like the American people have ever experienced. In fact, it has overwhelmed the sleepy church as the assault upon Christianity in America has reached a fever pitch. 2024 is going to be a season where more evil is going to be exposed. That is what we have been doing on the front lines in America since the birthing of PASS THE SALT.

---

## Let's Make Americans Moral

# Again

That generation conquered Hitler, Stalin, Hirohito, and Mussolini and from the deep wounds of a foreign war, America forged the greatest economic explosion the world had ever seen immortalized by “Baseball, hot dogs, apple pie, and Chevrolet.” For a brief time, America was that “shining city set on a hill” illuminating the known world with the “blessing of liberty to ourselves and our posterity...” Until American men went soft.

---

## Kingdom Christianity

Make no mistake about it, much of Christianity has been hijacked by slick salesmen who masquerade as “ministers,” selling a product designed to appeal to the masses. These marketing techniques have worked wonderfully for the few and has given us a new genre’ of Christianity...the millionaire pastor.

---

## The Ballot Box is Broken

I had the opportunity to hear Dr Douglas Frank explain how rampant voter fraud is in America. Lots of good info here. Dr. Frank explains that the biggest fraud occurs not in ELECTRONIC voting machines...but in fraudulent voter ROLLS. False registrations, especially in the large cities, are used to increase the number of voters in the precincts. With mail-

in ballots, the verification of registered voters is almost non-existent.

---

# **The Hi-Jacking of Christianity**

The modern-American Church has been blown off course. Focusing on the end-times rather than the present times has caused the Body of Christ to go limp. Our once-Christian nation...land of the free and home of the brave...is gasping for air. Only a Holy Spirit revival in the heart of the American Christian male can resuscitate the rotting corpse of the Body of Christ. Most Pastors are afraid of manly men.

---

# **Has The American Church Taken a Knee?**

We are in the final drive to win the game. It is time for the defense to blitz and for the offense to put together a long, sustained drive for the endzone. I promise you this. Jesus Christ, the King of the Kings ain't bowing to Lucifer. Jesus is Champion of the World! Fasten your chin strap, tighten your belt, and lock on the Full Armor of God. This will be our finest hour!

---

# Are You Prepared?

As many of you know I host a daily podcast at [www.CoachDaveLive.com](http://www.CoachDaveLive.com). It is Christ-centered with a focus on how Christians should react to the craziness that is going on around us. Because I communicate DAILY with thousands of people it has become apparent that the Churches are not preparing the flock for the calamity that lies ahead.

---

# Where are the Republicans?

Conservatism is Pretend SALT...A watered down version of Biblical principles designed to curry the favor of voters without coming across as...well...too Christian. Jesus told us that "no man can serve two masters." I am a Christian who happens to vote Republican. I am not a Republican who just happens to be a Christian. I used to think they were one in the same.

---

# The Seed of Evil

The battle that is going on in America is not a political battle, it is Spiritual. The battle has been, and will remain, between God and Satan. It is a battle of good versus evil, light verses darkness, right verses wrong, the Truth against

lies. Seeing it as something other than that will lead you to a lot of wasted energy.

---

## **We Have Been Sold a Lemon**

Once again, prayer in school is legal. Bible reading is legal. The posting of the 10 Commandments is legal. Abortion is NOT legal. Every Christian statue, every copy of the 10 Commandments taken down from public buildings, should be returned! Christmas can be about Jesus again. Freedom OF religion...not freedom FROM religion.

---

## **Early Voting is Destroying Our Nation**

Most of the “ballot harvesting” happens in the larger cities because it is so much easier to fake names, addresses, and signatures. Some states allow up to 30 Days early voting with very little verification of the voter’s identification with ballots dropped in stand-alone boxes throughout the city.

---

# **Lions and Tigers and Bears, Oh My!**

Republicans will not save this nation. Democrats will not save us either. As long as we are content with telling and teaching lies, we will never escape out of “the snare of the Devil” Here is the good news. Millions are awakening every day.

---

## **The Church, Inc. Has Become a Business**

Here is a suggestion. Find a ministry that is fighting in the culture war. Support them financially. Street fighters need our support. They have no congregation and they certainly are not getting rich. Stop funding million-dollar ministries.

---

## **The Worm is Turning**

But here is where the rubber meets the road. Will the American “church” rise to the occasion? Will Christians see the opportunity to “restore righteousness” as an expected standard in our nation? This could be the American church’s finest hour.

---

## **Embrace the Hate**

Yes, my friends. Hate can be a good thing. In fact, America would be a better place if the American Church started to hate some things. I'm coming out of the closet today. I AM A PROUD HATER. I hate what God hates...not carnal hatred...PERFECT HATRED. Hatred should motivate us to fight.

---

## **Follow the Yellow Brick Road**

The judgement of God has brought us to the point where "educated" Americans have rejected the Truth. The danger is that we have created a people who will not only believe something...but will believe ANYTHING.

---

## **Let's Celebrate Natural Family Month**

This is our initial launch of what we believe can be a NATIONAL movement. All we are asking is for our place at the table...recognition that the NATURAL FAMILY is the foundation of American society. Gay Pride MONTH? OK. But we would like OUR FAMILY represented as well. Shouldn't we HONOR the family done God's way?

---

# **I Will Not Comply**

Like many of you I have read, and repeated, this Scripture hundreds of times in my life but I don't know if there is a more miss-understood verse than this in the entire Bible.

---

# **The Devil is Real**

The Devil is real. The American Apostate Church has yielded all authority to Satan's acolytes. It is not Left/Right, white/black, young/old, rich/poor, conservative/liberal, Republican/Democrat. The battle is Spiritual...the battle of two seeds.

---

# **When Are You Gonna Wake Up?**

THIS weekend, March 24-25 we are sponsoring a conference in Cincinnati designed to provide SOLUTIONS for the mess we find ourselves in. We have an ALL-STAR team of speakers lined up. These are some of the folks that the DEEP STATE doesn't want you to hear!

---

# **Wrong People Are in Jail, While the Guilty Walk Free**

Chuck Schumer wants to hide exculpatory evidence. Watch this. A sitting US Senator wants exculpatory evidence purposely withheld from those charged. So does REPUBLICAN Mitch McConnell. Watch. Is it just me or do Schumer and McConnell appear to be playing on the same team?

---

# **There is Something in the Water**

A calamity of Biblical proportions has hit the small Ohio town of East Palestine. A train derailment on Feb. 3 and the subsequent burning off hazardous material sent a plume of poison spreading over the Eastern Half of the United States. The consequences of it may be catastrophic. I live in Ohio. So, this hits close to home.

---

# **Let's Storm the Gates of Hell**

Here is the plan. We are going to gather online to pray against the Principalities and Powers and their Diabolical plan. Instead of offering our time and attention to the Halftime Orgy we invite you and those you are watching the game with to join us for 30 minutes of prayer and intercession

as their Satanic ritual is streaming.

---

## **Crowning the Good?**

Because in their hearts, most American parents wish their son had turned out like Tim Tebow, and they long for their daughter to marry a man like him. They have had enough of the Lindsay Lohans, the Charlie Sheens, and the decadence of America's pop culture icons. The dirty little secret is that fly-over country wants a return to a crowning of the good.

---

## **Depraved Indifference**

Permit me to put it in regular language. It used to be a CRIME to look the other way when potential harm was inflicted upon an innocent victim. If a person was aware of the crime, AND DID NOTHING ABOUT IT, the witness was just as guilty as the person who actually performed the criminal act. Looking the other way...not getting involved...ignoring the danger to others was a crime.

---

## **I am Homo-Nauseous**

What is wrong with the Church? Can't they see what is happening to America? Can't they see what is happening to our

children? Can't they see the rug is being pulled out from under them?

---

## **Thank GOD For Elon Musk: Are The Rocks Crying Out**

America's churches are full of soft men sitting in king's houses. They are afraid to bark. Most harsh men want nothing to do with feminized Christianity. They want to keep their gonads. They are not interest in being TRANS-CHRISTIAN.

---

## **The Apostate Church of Today**

What if it was available to us? What if the advancement of the Kingdom was dependent on our own willingness to fight? What if Satan only had control of what we had surrendered to him? The gospel of defeat. The gospel of surrender. The gospel of nice.

---

## **The Bible Belt is Broken**

As a football coach I have often heard experts say that you can tell a lot about a coach by watching the way his team plays. Watching the way most "churches" play tells me volumes

about the weenie in the pulpit.

---

## **...and the Pulpits Are Silent**

Secular Humanism, and Truth has fallen in our streets. Our preachers are attending church-growth seminars, using “self-help” books to supplement the Bible, and chasing after the butts and bucks. They are fiddling while the nation burns, building their church rather than Christ’s Kingdom

---

## **What Are Christians Supposed to DO?**

No one can earn or work their way into Heaven. Salvation is by grace alone...through faith alone...in Christ alone. But works are evidence of belief. The idea of WORKS has gotten a bad rap in the church. Works are the evidence of the living out of the Christian Faith.

---

## **Invasion or Surrender?**

It is into this SPIRITUAL war that we have all been birthed. There is no demilitarized zone in this war. It is all encompassing. It is a battle for rightful ownership of the

WORLD. The natural world. The one into which each and every human has been birthed. That is the first Truth that one must grasp before a deeper understanding of this war can be understood.

---

## **Bloody Hill**

Divide and conquer is the oldest trick in the book. They shut down the churches. They told you to stay at home. They destroyed small businesses while Big Box stores thrived. You took the jab. You gave it to your children. Now they are sick. Many are dying. Most are damaged. It is only the beginning.

---

## **I'm Still Standing**

I fought them and I fought them hard...often times standing alone...as the cowardly pastors in our community hid under the pulpits. They called me a law-breaker. They whispered that I wasn't acting in a Christian way by not following Romans 13. They told me I was making Christianity look bad.

---

# **The Suppression of the Truth**

Not to act when they are destroying the soul of a child IS TO ACT. Not to act when they are teaching boys that they can be girls IS TO ACT. Not to act when they are suppressing the truth IS TO ACT. Not to act when they are destroying a nation IS TO ACT! The wrath of God IS being revealed in America today.

---

## **Americans Can No Longer Think For Themselves**

Today I would simply like to make YOU think. Rather than ME telling you WHAT to think, I would like to simply encourage you to think on your own. That was how Jesus taught. He simply asked questions. Rather than telling us what HE thought He chose to engage others in the thought process.

---

## **Wanna Light a Fire Under Your Pastor?**

Here is a stern warning to pastors. Write it off if you like. The folks in the pew are greatly dissatisfied. I hear it when I speak in churches and I hear it every time I write a commentary. Churches are hemorrhaging members and sadly, the leadership wants to blame the sheep. A good coach never blames

the players. The sheep are a reflection of the shepherd.

---

## **Abortion is Murder, Period!**

For nearly 50 years Americans have played hide and seek with the truth in a diabolical lie that a woman has the right to take the life of her pre-born child. None of their science works. The only weapon remaining in the arsenal of the pro-aborts is the lie that an unborn child is not a human being.

---

## **Change the Words, Change the World**

But the battle is far from over. Each one of us is going to have to make a decision on just how valuable we think liberty is. Are you willing to sit silently as the chains of slavery are forged for your children? Ben Franklin warned us, "Anyone who trades liberty for security deserves neither liberty nor security."

---

## **Just Doin' My Job – Following**

# Orders

That's what the Nuremburg Trials were all about. Obedient soldiers were held accountable for simply following orders. But the Judges ruling over the trials determined that "calling it one's job" did not make something right. In fact, one had a DUTY to disobey an illegal order.

---

## Where are the Papa Bears?

How did Christianity become so passive in the face of the onslaught of evil? Who taught us to blend in...not make waves...go along to get along...submit to the rule of the "unfruitful works of darkness?" The Scriptures actually teach us just the opposite.

---

## Were There Giants in the Bible?

There is so much we don't know about the Bible and there is a great unveiling that is taking place today. Many believe the Nephilim were the mixed seed of fallen angels and human women. Because the fallen angels were not human, they were immortal and unable to die.

---

# **Bring Back the Nuremberg Trials and do it Publicly**

The United States of America is under siege. We are being defeated from within. Even our police departments defend the power of the corrupt government rather than the rights of the people. Look at what is going on in Canada. Cops stealing the truckers diesel fuel so they won't be able to keep warm. Loyal to a dictator Justin Trudeau for a paycheck.

---

## **The Devil Made Me Do It**

All of the problems we face in America are in our minds. That is where all the trouble begins. That is why "mind control" and television "programming" are so essential in this war. Every decision we make begins as a thought. If you can control, or influence, the thoughts of people then it becomes easy to control them.

---

## **Will Anyone Blow the Trumpet?**

Millions have died because of their stand. Millions more will. The current crop of Christian leaders are an affront to the Christ they claim to serve. Our spiritual DNA speaks of

the exploits of the unnamed heroes of Hebrews 11, which describes such folks as those “of whom the world was not worthy.”

---

## **Why Are We Content to Believe Lies?**

So much of what the world feeds us is bunk. Most Americans are incapable of discerning good from evil. Look around at the confusion that reigns in America today. We have been lied to and we don't even know it and we wouldn't care if we did. The delusion is strong. Even in the church.

---

## **What God Do you Serve?**

Everything that is happening in this nation is the fault of the church. “Evil walks on every side when the vilest of men are exalted.” Truth is surrounded by evil and the pulpits are complicit with the coup. America's problems are Spiritual not political.

---

# **Faith Followed by Action Will Save This Country**

“Faith” is a term that is thrown around in Christian circles as if it is as simple as making a wish when blowing out a birthday cake. Faith is more than simply “believing.” Faith is not a stand alone thought process. Faith is something that is lived out...acted upon. If action does not follow faith, then faith becomes nothing more than a fleeting wish.

---

## **How Christianity Lost the Savor**

Have you noticed they are sandblasting the 10 Commandments off buildings and replacing them with nothing? Fighting for what is right is not evil. Not fighting evil is evil. Godly men have abandoned the field in the battle for Truth. Evil rules when evil men make the rules and good men do nothing.

---

## **A Preponderance of the Evidence**

I had just run down a litany of issues that are plainly apparent to anyone who has any sense of what is happening in this nation when my precious wife of 42 years and 4 days asked

me that question in a moment of frustration. That question hung in the air like a thick fog on a steamy August morning.

---

# **The Doctors are Killing Americans**

Doctors should know better. Big Medicine protocol is killing American citizens. Isn't it time we asked why? Aren't doctors subject to the Nuremberg Codes? America's Doctors are either ignorant of the facts, or ignoring the facts. Neither excuse excuses their behavior. Wake up America! Our medical system is being bought and sold.

---

## **Dereliction of Duty**

It is time for Christians in America to stand up and do their duty. We can no longer point the finger of blame at the wicked officials that we have allowed to rule over us. All we have to do is look in the mirror and we come face to face with the culprit. We have met the enemy and it is us.

---

# Today's American Church is Spiritually Impotent

But the American Church is the 98-pound weakling that Charles Atlas used to talk about. At some point Christians are going to have to hit the weight room and fight back against the Luciferian bullies. Getting one's ass kicked does not make one more Holy. Fighting pressure does. In fact, it is often called "resistance training." At the heart of resistance training is the act of pushing back.

---

## We Know Who Is Funding Evil, Who Is Funding Good?

We all know who is funding evil. George Soros and his army of Luciferians, BLM, which has raised over \$1 BILLION, and a long list of others who are hell bent on destroying all things good. Perhaps you could name a few of the culprits on your own.

---

## The Free Exercise Thereof

Read the Mayflower Compact. "The advancement of the Christian Faith" was the reason the Puritans came to America. Today, Christianity has been relegated to the back of the bus, equal in standing with a myriad of other gods riding in the rumble

seat of the Government.

---

## **We Have Not Yet Begun to Fight**

It is time to move from the Church House to the School House.  
It is time to move from the Church House to the Court House.  
It is time to move from the Church House to the State House.  
It is time to move from Church Street to Main Street. Religion is Politics. It is time to take back what the Devil stole.

## **The Cowards Go First**

There is nothing in this world that is more repugnant to Christianity than cowardice. In fact, it is so repulsive to Christ that it is considered worth of the death penalty. Not just PHYSICAL death...but Spiritual death. Cowardice gets you an express ticket to hell.

## **America Has Been Taken by**

# Force

They forced abortion on us. They forced the removal of the Bible from public schools. They forced the end of prayer in our schools. They forced the acceptance of deviant sexual behaviors upon us. They forced us to pay for the murder of pre-born children. They use the tax system to force compliance with things that violate your faith. They used the fear of jail time to coerce us to violate our conscience.

## Are All Americans Truly American?

What does it mean to be American? Is it something that is determined by birth? Partially, I assume. But simply being born in America does not make one a real American.

---

## America Needs a Tourniquet Generation

The battle in America is a very simple one. It is over Truth. Everything emanates from that key word. TRUTH. What IS the TRUTH? In fact, it is the same question Pontius Pilate asked before he sentenced Jesus Christ to death. What is THE Truth?

---

# **The Rise of the Ex-Vangelicals**

The American Church is so compromised it has become good for nothing. Not Christianity. Christianity is alive and well. But the building where people gather on Sunday has become almost as useless as a rotary phone.

---

## **Are America's Pastors the Real Thieves?**

Look. I am not itching for a fight, but I refuse to play along with the religious establishment as they continue to bow their cowardly knees to the idol of government. Don't you find it ironic that brave men across the world are being chastised by their Christian brethren for pushing back against the forces of our Demonically controlled government?

## **The Seven Principalities of Hell**

I have never used my column to discuss something that another author had written but I am going to break that tradition. On

my daily show we talk about all things spiritual and how the dark forces are having their way with the American church. We are warned in Scripture that “my people are destroyed for a lack of knowledge”

## **Without The Rightful Authority Freedom Will Vanish**

Words have meaning. They are the vehicle through which every thought is communicated. For years, most Americans shared an understanding of a common language...based on common usage of words. Slowly and steadily the meanings morphed into confusion. Today, so many words no longer mean what they used to mean, and most Americans still have not bridged the language barrier.

## **Beware the Government- Corporate Complex**

Most white guys will not write about race because the media has successfully silenced our voices for fear of being called the R word. Well, I am not one of them. As Yogi would say, “I call them like I see them” and no amount of intolerance from the tolerance crowd is going to silence my voice.

# Sorry Kids, But the Adults Have Lied to You

I had the opportunity to speak to a group of high school seniors again this week. I love the opportunity to openly dialogue with our future leaders. This is the best way to find out exactly what is the make up of those “skulls full of mush.”

## A Costless Christianity

Our life. True Christianity will cost you YOUR life. That completes the Covenant. Jesus laid down HIS life for you and all He asks is that YOU lay down YOUR life for HIM. Done deal. Signed in blood. But modern Christianity has lost this message.

---

## Death by Fear

Courage is no longer a characteristic emblematic of Christianity. Compromise and capitulation have replaced it. In fact, courageous Christians have become the exception rather than the rule. Finding a man who will not bend to the wind of the cancel culture is a rare quality these days.

---

# **I Am A Proud Evangelical Redneck**

Evangelical Rednecks are the most generous people on the face of the earth. We slog our way to work everyday in support of our families only to watch the Government Beast steal the fruits of our labors and give to those who we feel have no right to take it, like those who come across our border illegally for all the free stuff at taxpayer expense.

---

## **Show Me the Law**

If we do not get an understanding of how America was designed to operate, we have no chance of restoring this nation. Basic civics is no longer taught in America's government schools because those who are in control of The Government do not want you to understand how we have been snookered.

---

## **The Rotten Fruit of Friendship Evangelism**

We are in a war. It is not a new war...but one that is ramping up on both sides. God has enemies and His enemies are my

enemies. They should be yours as well.

---

## **Are Christians Stupid?**

They call that “acting stupid.” But some of the stupidest people I know are Christians. Before we cast stones at the uninformed, perhaps we should ask ourselves which is worse: Fooling ourselves. or being fooled by others? Here is a list of stupid things that our “government” does that Christians dutifully accept.

---

## **The Ambivalent Christian**

America lies in the crucible. We are hanging by our fingernails. Never in the history of this nation has the dark side been so out in the open. Dorothy warned us about the “man behind the curtain” but we failed to realize that the images were true. There really was a Wizard spinning the levers of this nation. Our failure to distinguish truth from fiction has left us in a lurch.

## **Rude Awakening Before the**

# Great Awakening

Your church is non-essential. The Government suggested that services be cancelled, and the pastors complied. It will be a year next month. Thousands of churches will never open again. Is your pastor in it for the Lord, or for the perks? Look around you. Christianity has become good for nothing when it comes to impacting the culture.

---

## Fake Salt

Do not blame Donald Trump. Look in the mirror. Lack of salt is the residue of cowardice. Some of your friends voted for a baby butcher and you didn't open your mouth and peep. You did not want to offend...or lose friendships.

---

## The Castration of the Christian Male

I am not considered a "fan" of Pastors. Most of them are weenies. For the most part they are the ones who are responsible for the mess that America is in today. In a time when America most needed wartime pastors America's pulpits are filled with skinny-jeaned charlatans who have sucked out of the men what little testosterone remained...

# Honor Thy Father and Mother

The Ten Commandments are at the heart of the American culture. Although they do not receive the prominence they once held in America, they are still the backbone of our society. America would be a much better place if we still taught them to our children today.
