

Surviving the Digital Garden of Eden

In the dawn of creation, as whispered in the sacred verses of Genesis 2:9, the divine hand of the LORD God fashioned the Garden of Eden—a realm of unparalleled beauty and profound significance. Within its hallowed grounds, every tree that was pleasing to the eye and nourishing to the body flourished, offering sustenance and delight.

Alien Deception vs Human Superiority and the Resurrected Superbeing

At the heart of many religious traditions, particularly Christianity lies the belief in a resurrected superbeing. In Christianity, this figure is Jesus Christ, whose resurrection signifies not only a historical event but also a profound theological cornerstone. The belief in Christ's resurrection holds immense significance for Christians worldwide, as it embodies the promise of redemption, eternal life, and divine guidance.

The Devil's in the Details

Moreover, people's choices are very often made without full awareness of the potential consequences or access to accurate information. There can be complex social, economic, and historical factors that shape the choices available to individuals and influence their decision-making processes.

Mind Control: Conversion by Technological Means

In this era dominated by advanced technology and rapid information flow, our minds are constantly bombarded with various stimuli, leading to a state of perpetual distraction and susceptibility to external influences. Modern mind control techniques have evolved, leveraging our deep reliance on technology, to subtly shape our thoughts, behaviors, and even our beliefs.

Looking Forward to the New 'New World Order' Tomorrow

Looking forward to the new tomorrow... in the coming NOW World Order the survival of the FINEST (the moral and most authentically virtuous) will determine and guide the destiny of humanity. I want all of you in this equation to

deeply grasp that you are superior in every respect for holding and continuing to embrace your connection to God.

Woke and Communist Kissing Cousins!

It is generally not in the interest of any group or individual to seek an economic collapse, as it would result in widespread suffering and chaos. However, some extreme anarchist or anti-capitalist groups do seek to destabilize or overthrow the current economic and political system, which they view as exploitative and oppressive.
