

America, the Roman Empire and Illegal Aliens

Below is a short excerpt from a speech I made at an event held by the Free Enterprise Society, July 6, 2002, in Sunnyvale, California. Fabulous evening. How well it compares what destroyed the Roman Empire and what will destroy our great republic if Americans don't become engaged (non-violent) – seriously

Wayne Allyn Root: Go For the Win

His proposal addresses getting millions of ILLEGAL aliens to flee to “blue states” because despite President Trump’s best efforts, it’s going too slow. Agree 1,000%. The road blocks are the cockroaches in CON-gress who want votes by illegals. Loons rioting and attacking ICE doing their lawful job are simply brainwashed useful fools.

GOP Governors & Second Amendment MIA

In this case, the “alleged” shooter, 29-year-old Afghan national Rahmanullah Lakanwal, who was heard by witnesses’

yell 'Allahu Akbar' before opening fire, is going to live. One trial. If found guilty, one appeal within one year and then take him out and shoot his worthless being straight to Hell and skip the phony 72-virgins crap.

Big Beautiful Bill: Tax Nightmare

As we get closer to the end of 2025, Americans are preparing for turkey day and Christmas. But, while not welcome news, many Americans are spooked by what's going on and spending for tens of millions is being targeted towards survival needs like food, rent/mortgage, gas to get to the job vs their monthly income.

Ousting the Cockroaches In Between Elections

The selections elections earlier this month was just more of the same as I've seen and written about since 1993. Elections have consequences as they say but are real American voters left with no options to throw out the garbage? Do we have to suffer another two years to the mid-term elections; some elected offices are four years?

Fake “American” Voters & Election Fraud

Vivek Ramaswamy Is a Fraud—and Always Has Been: “While Ramaswamy vocally opposes ESG principles, Roivant’s major institutional investors—including Morgan Stanley, Viking Global, and BlackRock, the very firms he criticizes by name—are among its largest stakeholders, owning over 500 million shares. Ramaswamy himself holds more than 80 million shares, making him an essential partner of these major ESG funds.

Robots: Think It’s Great Technology?

If you haven’t watched the A+ movie, Stanley Kubrick’s film “2001: A Space Odyssey”, 1968, which centers on Hal, an artificial Intelligence computer, do take the time to watch as it will blow your mind because it is today. This is a short clip of the hero trying to shut down Hal after Hal goes off the rails. (4:56)

AI – Intelligence or Destruction?

Artificial intelligence or AI as it's called, right along with robots some say is the greatest thing since night baseball. It's controversial AND there is big, big money involved. Forget us humans. The global warming scam rebranded climate change cult is, finally, starting to lose its clout as millions in America and other countries have found out the hard way about that hoax hatched way back in 1928.

Constitutional Militia & the Out-of-Control Rioting

My column last week, ANTIFA Are Communists Who Claim to Oppose Fascism, focused on the in-your-face insurrection and attempt to overthrow our government (a constitutional republic, not a democracy) and the support given by 'blue' state Comrade governors, mayors and ignorant, foolish "community leaders who wouldn't know their arse from their elbow.

ANTIFA Are Communists Who Claim to Oppose Fascism

Americans who are paying no attention to the violence that's

been targeting certain cities across America have ZERO understanding of the criminal domestic operation identified as ANTIFA who are nothing but thugs allowed to run wild in big cities like Portland, Oregon. Comrades and Nazis together pumping violence like a fire hydrant.

Is the Climate Change Hoax Finally Being Exposed and Obliterated?

Our ranchers and farmers are the best stewards of our lands, not nitwits like AOC, Cha-ching cardboard cut-out, low IQ former VP, Al Gore, or media created “climate super star”, teen Greta Thunberg. All of them yelling about the earth burning up from “climate change” caused by cows farting and other nonsense.

Court: Media Has Right to Lie to You

Independent media has gained more public trust over the past two decades which makes us dangerous. Slowly but we’re winning for truth. Unfortunately, some of what I read is not accurate; I believe some of the so-called “conservative” web sites are actually fakes who deliberately post nonsense or provable lies to lead concerned Americans astray. Mark my words: AI will be

a big contributor down the road.

Satan Busy Harvesting Souls

Unless and until one understands exactly how communists go about recruiting by duping uninformed Americans, they will continue to gain ground in their quest to destroy this republic and enslave all of us under an iron fist. The goal for world communist domination and how it is being implemented is right in the face of Americans if they would just get out of denial and take a good look at their party's platform.

Illinois Governor is a Slimy Piece of Work

Never in my long life have I ever seen so many selected elected officials side with criminals – in this case illegal aliens (the proper legal description, not the marketing ploy migrants, immigrants or undocumented) as we've seen the past few years. President Trump, our brave ICE and BP risk their lives everyday to get the human trash off U.S. soil as they have no right to be here regardless of what some high paid lawyers who hate our constitutional republic bellow.

None Is So Blind As He Who Will Not See

Perhaps a few words from the past will shake some of the dust out of people's brain cavities long enough to think about the words below. And for those who think communism and fascism are dead, I'm sorry to inform you that they are alive and well, they're just being sold under a different name with "new and improved" packaging.

Ignorant, Foolish Democrat Herds Believe They Are Above the Law

Attorney General Ken Paxton Continues to Urge the Supreme Court of Texas to Declare Rogue Democrats' Seats Vacant for Abandoning Office, August 21, 2025: Attorney General Ken Paxton filed his merits brief before the Supreme Court of Texas, presenting the legal grounds for declaring vacant the seats of the Democrat legislators who abandoned their duties and fled the state to break quorum.

Election Fraud: Mid-Term

Elections

One of the shadow governments greatest achievements is election fraud and mail-in-ballots have become their sledgehammer. Of course, the toxic Motor Voter of 1993 aka the National Voter Registration Act, was the first stepping stone. Us old timers fought like warriors to stop it but those who hate America with their millions and billions with the help of the prostitute media defeated us.

My Name is Corruption – My Master is Greed

Keeping with the Obama Administration's mission to conduct the most diverse outreach campaign in history, the director of the U.S. Census Bureau is touring Mexican border towns with high illegal immigrant populations to personally assure that those who fill out questionnaires this spring will not be deported.

Will RFK, Jr. Stop the Lies and Unnecessary Killing of Our Food Supply?

I'll tell you something else. I live in W. Texas in what's known as the Permian Basin. While the 'Bird Flu' hysteria was

pumped and dumped on the nightly snooze (that would be the propaganda machine called a TV and their “news” programs; I haven’t owned one in almost ten years), the cost of eggs here remained about the same as usual at the HEB where I usually shop.

Jerome Powell Isn’t the Problem, the Real Problem is...

Initially it was reported Trump was going to fire Jerome Powell, “President Trump has backed off of his threats to fire Federal Reserve Chair Jerome Powell – for now. “The president appeared to reach a breaking point with Powell last week when he told Republican lawmakers he would likely be nixing the Fed chair soon. But

No One is Above the Law – Except Illegal Aliens – Push for Amnesty

This legislation is being cooked up by Trump’s new Agriculture Secretary, Brook Rollins and Susie Wiles, his Chief of Staff. Trump apparently told his supporters at a rally at the Iowa State Fairgrounds Americans who don’t support amnesty for illegal farm and hospitality workers are “Serious Radical Right People”. Really? Doesn’t the Trump Organization own

hotels and golf courses – hospitality workers.

NO Amnesty for Illegal Aliens

Now, granted, we have to remember there was a time of mandatory draft to serve in some branch of our military. Thousands of farmers and ranchers were pulled off their land and sent off to fight in undeclared wars like the VietNam “era”. It was a time when LEGAL seasonal workers crossed the border and at the end of planting/harvesting time, went back to their home country.

Yesterday's Conspiracy Theory is Today's Truth

The dirty, filthy game of politics in Washington, DC has saturated the prostitute media on every platform from the propaganda machine (TV) radio shows to web sites on overload regarding President Trump's so-called One Big Beautiful Bill.

Okay for Reagan, Clinton &

Obama but Not Trump

Clinton's former Secretary of Labor, Robert Reich, USA Today, January 7, 1999: "The dirty little secret is that both houses of Congress are irrelevant." Reich cut to the chase when he said that "America's domestic policy is now being run by Alan Greenspan and the Federal Reserve and America's foreign policy is now being run by the International Monetary Fund [IMF]."

How About Separate Stand-Alone Constitutional Bills Instead of a Huge Debt Bomb?

This is his second and final time as president and I believe President Trump has changed quite a bit – for the good. During the illegitimate Biden administration, Trump wasn't sunning at the beach eating ice cream cones. I believe he finally found out just how rotten and corrupt the U.S. CON-gress (a lot of RINO's) is right along with agencies like the FBI, CIA and many more.

Illegal Aliens Will Become Violent: I Told You So in

2006

Trump moves fast to save LA from a 1992 repeat – California governor calls deployment ‘purposefully inflammatory’ while federal officers face deadly attacks from protesters, June 8, 2025 – “Los Angeles is rioting again. Mobs, amped up by professional agitators and implicit support from Democratic elected officials, have attacked federal law enforcement officers with deadly intent.

Water and Weather Modification – Crisis

Americans, I would speculate more than the majority, have no clue just how dire the situation is either due to apathy, stupidity or they simply will not take the time to get informed or involved. Yes, I do remember what it was like to work full time taking care of my only child with zero support from her father who skipped to Canada when she was 2 years-old to avoid paying \$75.00 a month in child support.

Mark Steyn: Here’s to you!

Going back to Mark Steyn. Sean Hannity, Clay and Buck and some others have large audiences (do miss Dan Bongino’s show), but I favor Mark’s radio show; he has a very large listening audience. You can listen [here](#). His interviews on climate

change are here and worth listening to. What a gentleman and someone to admire for his intelligence; a dedicated truth seeker with wit and grit.

Why the Seventeenth Amendment MUST Be Abolished

The U.S. House of Representatives was to be the legislative body for the people. Each district within the states of the Union would elect an individual to Congress (Art. I, Sec. II) who would represent them under Art. 1, Sec. 8 of the U.S. Constitution. The framers were adamant that the states remain sovereign entities and have equal representation in Congress.

Self-Deporting Illegals: Solution Has Been Ignored Since 1993

It sickens and disgusts me to see those who claim to be Americans have become crazed supporters and doing everything in their power to protect and keep ILLEGAL aliens from being deported. ILLEGAL means just that and the INVASION which took place, as planned, during the illegitimate Biden administration can only be fixed with a permanent solution by the GOP in Congress who need to find their spine.

Congressman's Frontal Lobotomy Was Successful

It was just a matter of time after President Trump legitimately won the election last November before some member of the Democrat/Communist Party USA in Congress files Articles of Impeachment. I knew it was coming. Anyone who followed the disgusting political lawfare war against Trump during his first term knew the cockroaches in Congress would try again if Trump was re-elected.

New Transparent Government? What about KAL Flight 007?

It's taken 62 years to release the files who really killed President Kennedy? A 62-year cover-up. Yes, promises have been made to release everything that's been withheld, 63,400 pages which I haven't read. However, many who are combing through those pages say it's pretty much nothing we haven't known for decades.

New Government? Transparent Congressman: What About 9/11? Former

Last week my column covered our new “transparent government” and a former NSA long time (well over 30 years) employee; Technical Director considered a genius in his field who became a whistleblower: Bill Binney. If you missed it, take the time to at least watch the documentary embedded in my column, A Good American.

New Government? Transparent What About Bill Binney?

A new dawn seemed to open up for America when Donald Trump was announced reelected by tens and tens of millions of Americans last November. Who knows the exact count because there were voting problems both human and likely machines. Not enough this time around to stop the overwhelming support for Trump. But, hey, let’s try a couple of assassination attempts to get rid of him!

Who is Looking at Your Federal Income Tax Return?

Operation overload – the key word being overload created by DOGE which has birthed a very telling panic, not just among current and former members of CON-gress, but private sector NGO's (Non-governmental organizations) and religious denominations getting their cut of the gift.

Don't Fall for the Flat Tax Scheme

"For forty years the tax and spend Democrats ruled Washington, DC, looting the people's treasury for social programs that are clearly outside their authority under the Constitution. LBJ's great society jump started this insanity and sadly, my parent's generation bought into their chains of dependency and have passed this mess to my generation. Their addiction was fed by Congress and the state legislatures for votes.

Congress: End Judicial Warfare. Federal Judges are

not gods

It's not 'March Madness' in sports, it's "judicial madness" that has hit this country like a Cat 5 hurricane. It's the same old playbook shoved down our throats the first time Donald Trump was lawfully and fairly elected president. The shadow government "got him" in 2020 through in-your-face election fraud and cheating.

Democrat Lunatics & Maniacs Want Violence

Since Donald Trump was legally and honestly elected last November, brainwashed lunatics, insane maniacs in this country whether they be ignorant, empty headed female hosts on the propaganda box (TV both "mainstream and cable...The View top of the list), college students, and their America hating professors and the Democrat/Communist Party USA have been in meltdown the likes I've never seen in my adult life and I've been in the trenches full time for 31 years.

Americans Coming Out of Darkness into Truth and Light

I highly recommend you take an hour and listen to this interview with Rob Natelson on the true meaning and

application of “general welfare of the United States”.
Podcast: A Lesson on the General Welfare Clause: “Rob Natelson, recognized national expert on the framing and adoption of the United States Constitution, offers a lesson on the general Welfare clause of the United States Constitution.

Stop the Bird Flu Culling Madness

“On February 27 and 28, 2006, I attended the First National Bird Flu Summit in Washington, DC. UN Senior Coordinator for Avian and Human Influenza, and special representative to the WHO Director General, Dr. David Nabarro, was the meeting second speaker.

REAL ID: Your Privacy – Become an International ID

Well, we’re seeing what none of us ever thought would happen: Exposing the rot and corruption oozing out of the District of Criminals for many, many decades. Endless “oversight” committees one sees on C-SPAN that never accomplished what Elon Musk and his team have in less than a month. Of course, a lot of planning was underway for months, I’m sure. We just had to get Trump elected instead of cheated again.

The DOGE Tsunami – Crooks and the Greedy Scramble

The second legitimate election win for President Trump has been a hyper speed effort to clean up the mess left from Marxist usurper “president” Hussein Obama, Joe Biden and rotten, corrupt members of the Democrat/Communist Party USA. The shadow government’s liars, crooks, thieves and the greedy have been crapping their pants for weeks.

President Trump and Social Security

We constantly hear the word ‘entitlement’ when it comes to social security benefits. SS is not an entitlement it is a tax. A very important difference. It’s also not insurance. You must apply for an SSN; it is not automatically forced upon you. When you retire you receive benefits based on your past life time work history. SS is a Ponzi scheme.

“Anchor babies” and Ignorant

Judges, Part 3

It wasn't just the ACLU, political whores, "non-profit" agenda driven organizations and "churches". The biggest profiteers have been NGO's (Non-Governmental Organizations). Like the rest of the above, they're part of the mob who deliberately ignore federal LAW to aid, abet and harbor ILLEGAL aliens for big money.

"Anchor babies" are NOT Automatically U.S. Citizens – Part 2

So called 'anchor babies' has been a tool of illegal alien females for decades to get their child U.S. citizenship when in fact, a child born of someone who smuggles themselves into OUR country, someone who was not invited into OUR country, has no right to U.S. citizenship.

Bird flu: Another Gain-of-Function Disaster?

Now, it's the bird flu that's been making headlines (until the massacre in New Orleans) with MILLIONS of chickens and turkeys killed, severely damaging making a living for our family-owned

farmers and ranchers who feed us.

“Anchor babies” are NOT Automatically U.S. Citizens – Part 1

Members of the Democrat/Communist Party USA, voters and elected officials, all have their panties in a wad about separating illegal minor alien children from the parent(s). Their biased attorneys all try to use the Fourteenth Amendment as proof that an illegal mother who gives birth on U.S. soil, that baby is automatically a U.S. citizen. Wrong.

His Birth, His Death. His Resurrection

As Washington knelt in the snow during the winter of Valley Forge (1777-1778), most likely feeling such despair as to overwhelm the average man, he put his faith in God and his sword to freedom. We ask for God's blessings, for strength to fight for what's right and to keep our troops safe as we work to bring them home.

Christmas Gift to the World: Courageous Doctors and Scientists Who've Risked It All

Then more and more courageous doctors and scientists in dozens of countries who still believe in “do no harm” come forward with case history of those who took the injections which are bioweapons, not vaccines. Like Dr. Peter McCullough and a hundred others who had the courage to speak the truth using science, not some “fact checkers” employed by the prostitute media who were/are not doctors or scientists.

The Indoctrinated Brain – What's Been Done & How

Over the past couple of decades, we've seen a nation toss common sense, self-determination and individuality to little more than recipients of carefully planned dumbing down and sheep-like compliance. Collectivism – embrace the deadly poison promoted by Karl Marx.

Is The Federal Death Administration (FDA) at it Again?

Thanksgiving is in four days. From all I've read, yes, some dog foods are turkey but not the same as you might be cooking: no spices, onions, etc. You might wish to look up feeding your furr baby turkey on Thanksgiving – especially not giving them turkey bones. While families across the nation give thanks for blessings, please pray for our fellow Americans who are suffering.

Detransitioned Teens: Regret for the Rest of Their Lives

Another horrible crime against humanity. Parents should find out exactly what their child's school teaches or promotes this butchery – mostly in secrecy so parents don't find out. Keep them away from social media (Tik Tok, etc) and the poison plastered all over about how wonderful it is to have your penis removed and a new vagina!

November 2024: Votes Still

Being Counted Congress: Are Those Elections VOID?

While brainwashed Marxist voters wail and cry because Trump was able to keep from being cheated a second time and pollsters and blabber mouths on cable networks or political pundits on line – who also support the goals of the Communist Party International, a number of states/counties are still counting as I write this who have yet to finish counting votes long AFTER election DAY for federal offices.

Alleged GOP Losers: Immediately File to Stop Certification of Vote

Candidates: If you allegedly lost your race, don't just walk away. Immediately file to stop certification of the vote which varies from 20-30 days depending on the state. Demand a FORENSIC ANALYSIS. I guarantee you the numbers won't match and I say that after pursuing this cheating of We the People for the past 31 years when few would listen or even look at the evidence.

Nov. 5, 2024: Will a Winner Be Announced? Part 1

Let me start with the despicable and dangerous vomit out of the mouths of Trump haters in the prostitute media, members of Congress and the grand Dame of Lies and Deceit: Hillary Clinton.

Nov. 5, 2024: Will a Winner Be Announced? Part 2

Now tell me election is going great. Clean and fair! We're told – again just like 2020 by the whores in the Mockingbird media, Secretaries of State, party honchos: There's no fraud, no vote flipping and more excuses than the massive fraud in countries like Venezuela to install dictators.

No More Money for the BIG “Climate Change” Lie

I have written about this before: Why the Environmental Protection Agency must be abolished, Jan. 5, 2005: “The Environmental Protection Agency must be abolished because it is destroying the rights of Americans, it's another monumental waste of money and America doesn't need it.

Not Voting? I Say This to You

—

I've been disgusted by the articles and interviews of "Americans" who are going to "sit out the election" and not vote. Let me quote the "Father" of YOUR freedom speak better than I can. Samuel Adams[1] is known as the Father of the Revolutionary War. Historically, if it wasn't for his tenacity and sacrifices, the colonials would still be licking the boot straps of the British

Helene's Odd Trajectory — Lots of questions

By the time it got to Georgia, news reports announced it was a Cat 1 as predicted. This is a very good blog keeping up with its path and all the warnings given to the public in real time. All the governors, mayors and news stations warned people over and over: Catastrophic flooding is coming, get out. But, up in the Appalachian Mountains that kind of flooding just doesn't happen.

Exposing the Corrupt Destroyers – By Name

Having been “in the trenches” full time for now over 31 years, I’ve read and watched more bogus “legal” claims/theories, outlandish conspiracy theories that turn out to be not true (and many, many that have been solidly proven over the past few years) and Soviet-style propaganda pumped out daily by politicians, pimps in the Mockingbird media and dishonest hustlers out to make a buck.

Our Election Process Is a Mess by Design

Following the proven steal in 2020 denying Donald Trump a second term in office, the only (rather impolite) label I can attach to all of them (including ABC, CBS, NBC) is that they’re whores paid enormous sums of money to outright lie and they do it with a straight, serious face.

The Ten Commandments Are Not Requests

Ohio residents in small town erupt over havoc caused by massive influx of 20,000 of Haitians. ‘I want out of this

town. I am sorry. Please give me a reason to stay,' a citizen who is considering leaving Springfield said." Nov. 9, 2024. Short video: "Haitians are in the park grabbing ducks, cutting the heads off, and eating them"

The Bull, the Cape and the Matador

The next day the cape will find something new to blast with their click bait headlines and articles and columns filled with provable lies. Then the next day is another cape which is a partisan pretend-fight over protecting social security and Medicare and who has the best plan to save it. Or, a cape that says the Republicans care more about national security than the Democrats.

GOP Must Take the House & Senate

Those threats MacArthur spoke about from within are directly dictated by the global masters who orchestrate wars and who are draining the lifeblood of America. The threat to the Union is both foreign and domestic. Right now, the threat is another stolen election.

How the States Can Suppress Illegal Immigration

In addition, it would not be amiss for “the people” to make crystal clear that public officials’ failure, neglect, or refusal to act immediately and effectively to obviate these “grievances” in exact accordance with the proposals for “redress” presented by the citizenry will constitute further “grievances”, leading inexorably to “redress” in the form of those officials’ removals from office—to be followed in due course by appropriate punishments for their derelictions of duty.

Is a Political Earthquake Coming for the Democrats in October?

Watching Ho Harris lie through her teeth and doesn’t have a single original thought in her empty head is akin to seeing a proctologist. In a fair election the dirty traitors behind the curtain know damn well Trump would win by a major landslide.

Democrat Voters Want a Communist America

Progressives are full blown Marxists. Oh, they might huff and puff and say that's not true but well-crafted Soviet style brain washing indoctrination methods were slowly inculcated using America's schools even before I was born. By the time impressionable (and sometimes rebellious) young Americans got out of high school or colleges, they believe America is a democracy which it is not.

Why Countries and Some Cities Ban or Restrict 5G

"On July 14, the FCC voted to unleash 5G in the United States, approving sweeping Spectrum Frontiers rules to make spectrum bands above 24 GHz available for 5G. Even though serious health risks are associated with the proliferation of cell phone technology, the attitude of the FCC seems to be 'full speed ahead and damn the torpedoes.'

Trump Will Release Remaining JFK Assassination Files –

What About 9/11?

There are many tentacles to this international cabal of bankers and billionaires. It's not just the CFR or Trilateral Commission, but – and I thank a deep-diver researcher, Robert, for providing me with some of them, despite the amount of research I have been doing the past 31 years.

Sheriff Slupe: YOU investigate Attempted Assassination of Donald Trump

Trump is a private citizen. An attempt was made on his life. An innocent attendee leaving behind a wife and daughter, was killed. Two other innocent Americans were critically injured. Sheriff Slupe is the ultimate law enforcement official in his county. A sheriff can request assistance from outside agencies like State Police, FBI, ATF, but he is top dog in his county and those felony crimes were committed in his county.

The Destroyers – Flood Congress with Calls This Week

Whose running our government? Marxist traitor Hussein Obama and Valerie Jarrett as I covered in my History Being Written

column cited above. But, they are just the 'errand boys'. Multitudes of those mega DNC/Biden donors are connected and work with the organizations I've listed. Americans fund them with their wallets not knowing who pulls the puppet strings

America, the Roman Empire and Illegal Aliens

While Taylor Caldwell's books were fiction, she used them to try to educate the American people about the CFR which she used a slightly different name for. Caldwell's books sold millions. She was right on point and here we are today. Unlike William Wallace, we have the right to vote, to protest, the Internet, credible social media and through recall (can't do Congress) get rid of the destroyers.

History Being Written and It Isn't Going to be Pretty

Well, last week was a doozy to say the least. The whole world knows the Biden Audition (aka Trump/Biden debate) was a sorry spectacle. The prostitute media who've been protecting a career criminal they've known since 2020 was and is mentally gone have been in shock since Thursday night. In reality, all of those junkyard dogs really don't give a tinker's damn about Joe Biden.

Stop Non-Citizens from Voting – Here's How

Thankfully, Willard “Mitt” Romney’s niece, Rona McDaniel, is gone from the RNC National Committee; she was head hen for four terms. One has to wonder why she wasn’t booted years ago because her record as a complete failure was there for all to see? Some changes have come about along with pledges: RNC co-chair Lara Trump promises to prosecute anyone who cheats in an election: ‘We will track you down’.

Vote Every Muslim Out of Office

I’ve said it before and I’ll say it again: Muslims should never have been allowed into the U.S. Knowing their centuries of history, violence and one major goal: A world caliphate. It isn’t because I hate Muslims (except the ones who want me, an infidel, dead), it’s because of their goal and they will lie through their teeth to achieve world domination. The good news is a lot of American Muslims are throwing off the yoke of slavery and women being treated like chattel.

Ninth Circuit Court of Appeals Re COVID-19 Experimental Injections

“Paxton is also investigating whether the companies misrepresented the efficacy of their Covid-19 vaccines and the likelihood of transmitting Covid-19 after taking the vaccines in violation of the Texas Deceptive Trade Practices Act. The investigation will also look into the potential manipulation of vaccine trial data.

Stopping Another Steal November 2024 Elections

In my Jan. 24, 2024, column, Finally: RNC Files Bombshell Election Lawsuit, I covered a new lawsuit by the RNC regarding violation of federal election law (Foster v Love) and how Trump was cheated out of his second term in 2020. All candidates for federal office (House & Senate) were also cheated but that was the game plan and it hasn't changed four years later.

Get US Out of NATO

Oh, and let's not forget trade between No. and So. Koreans

while thousands of our military have been “guarding” the demilitarized zone for since I was a toddler. North & South Korea have a long history of trade that’s had its good times and bad times. No. Korea is in bed with the commies (China) but there’s still a lot of trade going on.

New Election Lawsuit: Plaintiffs RNC & Donald J. Trump

There is great hope President-Elect Donald Trump, who was absolutely cheated for a second term, will win this November. Never mind all the conspiracy theories peddled by the prostitute media and mindless hens on garbage TV shows like The View that career criminal, Joe Biden, won in 2020.

Pro-Hamas/Palestine Protesters: Ignorant Dupes

First thing on the madness we’ve been seeing on campuses of lower learning. Two factions. One is ignorant students who are actually enrolled in one of the colleges/universities and second are paid professional cockroaches who travel around the country. Their job is to whip up violence, rioting, spew hatred on college campuses while promoting Marxism/collectivism.

What Made America Great

During the hearings on that monster, GATT/WT0*, French billionaire financier, the late Sir James Goldsmith, testified in front of Ernest Hollings committee. He demonstrated that GATT would gut the American textile market. The following are some quotes from the Washington Times, Dec. 6, 1993, which accurately reflect Sir Goldsmith's statements during the hearings

Why is Everyone Complaining About Communist China?

1972 Richard Nixon met with Chou En-Lai in Shanghai to "cement a new world order". America crawled into bed with the commies. The same communists who were holding our POW/MIAs from the Korean and Viet Nam "conflicts." Only God knows how many were still alive, but those butchers of Beijing had them at the same time Nixon was over there kissing En-Lai's backside and toasting champagne.

Trump's Campaign Promises, Congress & the States, Part 3

Then president Trump signed an extension for the Export-Import Bank which was twisted up in the "Further Consolidated Appropriations Act in 2020 which allows that "independent" agency to operate until 31 Dec. 2026. Trump should have said no. Supposedly that bank was created to help small businesses. It's not the function of the U.S. government to help small businesses.

Can Trump Deliver on His Campaign Promises? Part 2

No April Fool's joke. The shadow government's plans are being shredded between deliberate, malicious prosecutions falling apart to Americans, regardless of skin color or ethnic background becoming more educated on critical issues while they struggle to put food on the table and gas in the tank to go to work.

Can Trump Deliver on His Campaign Promises? Part 1

We're all tired. I know Americans work full time or even part

time, raising a family – we're all pressed for time every day. But, there's plenty of retired Americans who do care and need to step up to the plate. Sure, it requires we all sacrifice our time but our country is imploding from within right now and it's only going to get worse and dirtier.

He Should Be Trump's #1 Choice for U.S. Attorney General

President-elect Donald Trump is the presumptive GOP nominee. I use President-elect because contrary to the conspiracy theories by the prostitute media, Trump won the 2020 election. No question the massive and documented fraud cheated him out of his second term.

The 2020 Steal: Part of God's Plan?

Yellow journalism rules big newspaper conglomerates either for their fat paychecks or because of blind loyalty to the Democrat/Communist Party USA and for which it stands: The total destruction of these united States of America; nullifying the Bill of Rights through unconstitutional bills signed into "law" upheld by partisan black robes who think they're gods on the bench.

Illegal Aliens: Can Trump's Deportation Plan Work? – Part 1

The plan to flood America with millions of freeloaders, terrorists and criminals has worked perfectly. Crime is soaring and those “newcomers” are bleeding taxpayers dry thanks to rotten, corrupt politicians and gutless cowards in Congress and state legislatures.

Illegal Aliens: Can Trump's Deportation Plan Work? – Part 2

If only Republicans had passed Dirty Harry Reid's bill in 2017, this on-going invasion would NOT be happening. No doubt open border cockroaches like the ACLU and others would have sued but I believe the bill will be declared constitutional.

I Demand Biden Forgive My Home Mortgage Loan

No question for those who fully understand the game being played, dirty Marxist traitor and yet another constitutionally ineligible individual to hold the office of president, can see Hussein Obama and his underlings are running the show. Of course, Obama takes his marching orders from the shadow government kingpins.

Primary: Will Texans Vote to Clean Out Corrupt RINO's in the Legislature?

Our governor, Greg Abbott, should have used the power and authority given to him by statute here in Texas to call up the State Militia (which is NOT the National Guard) to “repel an invasion” the day impostor president Biden was sworn into office. No, instead he seems to want to keep relying other states to send their National Guard. I’m done writing him on that issue.

We MUST Stop Illegal Aliens

from Voting

Despite all the conspiracy theories by the MSM and their anchors, all of whom have mental constipation and continue to barf Biden won, the 2020 election counting process was the dirtiest, most massive fraud I've ever seen since I started learning about election fraud back in 1993. Fair and equal elections have been stolen from us since the 1960's.

Raise the Minimum Wage to \$100.00 An Hour

I've asked NWV's to run this old column because inflation is absolutely killing all but the very wealthy. It is critically important we educate our fellow Americans about this issue, so please do share with your email lists and all social media. Manipulation of the currency and the "Federal" Reserve – something the majority of our adult aged population knows absolutely nothing about.

Iran: Cut Off the Head

20 years in Afghanistan with no formal declaration of war by Congress. Thousands more of our military dead, thousands injured; too many who will never recover mentally. And, still the U.S. continues to shove our military on Middle Eastern countries who do not want us there. Their religious groups

have been fighting each other for a thousand years.

Finally: RNC Files Bombshell Election Lawsuit

Like tens of millions of Americans, watching the 2020 presidential race stolen from Donald Trump, I was sickened. As someone whose been writing about election fraud since 1993, I knew the lying, cheating Democrat/Communist Party USA would use every dirty trick in the book. Only this time around, the Big Steal was made possible not just by rigged machines and cheating human vote counters but by ignorant or partisan judges.

New Push for Amnesty MUST Be Crushed

The border INVASION has back fired for the evil doers. Oh, it's worked as far as allowing more than 8 MILLION unvetted illegal aliens to be distributed around the country, but now even The UnReachables are starting to realize the "compassionate" theme has brought crime, chaos and in some way is now touching their lives.

Will Fulton County DA Trump Persecutor Fani Willis Be Indicted?

Last week new blasting headlines featuring low intelligence diva, Big Fani Willis, Fulton County, GA DA persecuting Trump burned up the Internet. A grand jury returned a RICO indictment against Trump and 18 others in her county. That grand jury either has zero ability to process and fully understand the charges or they were all Democrat Unreachables.

Terrorists Coming Across the Border Will Strike at Some Point

Congress after Congress has refused to tighten current asylum laws so now, we have free-loaders by the MILLIONS applying for asylum for spousal abuse or a hang nail. Court dates are being set for five to as long as 10 YEARS from now because the system is past overloaded. Under Trump, not under the illegitimate Biden open border policy...

Will Trump's Attorney's Stop the Second Steal in Nov. 2024?

Only you and I can stop another steal. The most important thing is to get this information out to all of the above. And don't forget this about the 2024 election besides voting for president, house reps and senators: the U.S. Supreme Court. Clarence Thomas is 74. Alito is 72. They might wish to retire. With Mitt Romney retiring, it's critical Republicans take control of the senate.

Get Rid of the "Black Vote"

It's time to turn the tables on the race baiters trying to divide We the People. Professional politicians of both parties always trying to out do the 'other side' with fake promises of this that or the other for the "black vote" when they could care less about black Americans.

It's Now Our Patrick Henry Time in History

But, how do we do this? There are literally thousands of groups and organizations fighting for our very existence as a

constitutional republic. Really hard-working dedicated Americans. I know because I've been in the trenches full time for 31 years and I do a hell of a lot of research. Unfortunately, too many get infiltrated by RINO's pretending to be for American values, real freedom and liberty while stablign us in the back.

War-Monger Nimarata Nikki Haley: Globalist's Darling

Back in 2004, Haley ran for Congress as a Republican while voting for many Democrats in previous primaries. Haley supported flying the Confederate Flag on the statehouse grounds but decided after the Charleston church shooting it was a good thing to erase history just like the mobs who've toppled or removed historical statues since Black Lies Matter began their destructive rampages over three years ago

He, Should Be Trump's VP Running Mate

We must remember the purpose of a VP is clear cut: Should something happen to a lawfully elected president (assassination, crippling health issues, natural passing away), the VP must be someone who can immediately step into the job of being America's president. Nothing personal, but Tucker Carlson is not that person. You may not agree and

that's okay.

Want to Make a Difference? Read On

Americans are very worried about the economy. Millions more have been added to poverty level since President-Elect Donald Trump was cheated out of his second term. Not going to get into the finer intricacies of the root of that problem and why Congress refuses to implement the only solution in this column. What millions of us do know is inflation has been killing the middle class by design for decades.

Islam: A Political Party of Death, Violence & Oppression

As I wrote in my previous column, Rashida Tlaib – What People Are Ignoring, Islam is not a religion although it's been sold as one for well over a thousand years. Their goal is a world caliphate and death to all infidels. You will find this booklet in mosques all over the world – including the U.S.

Rashida Talib – What People Are Ignoring

Never in all my adult life (I'm 74) could I imagine so-called Americans in the year 2023 would be screaming, yelling and rioting on college campuses and other public locations supporting the most grizzly, grotesque massacre the terrorist group known as Hamas pulled off, Oct. 7, 2023.

Pfizer, Moderna, J & J: Will Grand Juries Recommend Criminal Charges?

Do you think Trump was told that by prolific liar, Dr. Death Anthony Fauci? He was suckered using the big fear stick. Trump wasn't even told about COVID-19 until on or about January 27, 2020.

TX: Property Tax Reduction – Must Vote Nov. 7, 2023

Property taxes have been killing the middle class in Texas for years. Our legislature only meets every other odd year for 140 days. Because the House has a RINO turn coat for Speaker who's in bed with the Democrat/Communist Party USA, important

bills (border security, no forced COVID injections by employers, school choice) never made it to a vote.

Why Haven't They Been Arrested and Indicted?

'Sanctuary Church' Helped Illegal Alien Evade Deportation Before He Allegedly Killed Father of Five, Aug. 9, 2019 – "As Breitbart News reported, 40-year-old illegal alien Miguel Ramirez Valiente from El Salvador is accused of hitting and killing Sean Buchanan, a father of five children, on August 2. Valiente has a criminal record dating back to 2011, including a drunk driving charge in 2017."

Italian Mafia vs. Hamas

Before anyone gets upset, my mom's parents came over on the boat to Ellis Island from Palermo (Sicily), Italy. My grandparents waited three years and entered this country legally. My father's parents came from Munich, Germany; they waited one year and came here legally. The Italian Mafia in Italy was greatly feared and my Sicilian grandparents did not want their future children raised living in fear.

Russia, China, WEF: New World Order Chaos

Putin is no choir boy and I'm not defending him. But, his justification for going after Ukraine has everything to do with NATO expansion encroaching too close to his country's border. The divide in this country over Putin vs Ukraine is unbelievable. The American people have been sold nothing but lies.

TX AG Ken Paxton: PLYLER v. DOE, 457 U.S. 202 Must be Overturned

AG Ken Paxton is very intelligent. He's also a fearless fighter. I believe he would be on solid legal ground. That obscene 1982 SCOTUS decision needs to be overturned. Illegal aliens (K-college) have no right to get a free education while sticking the bill on the backs of hard-working Texans.

Yawn: Governor Greg Abbott Officially Declares INVASION

at Southern Border

Texas mayor calls for resources as thousands of migrants await entry, Sept. 21, 2023: "At one point, the line of migrants stretched 5 miles long and into Mexico." (BOYCOTT EVERYTHING MEXICO AND THAT INCLUDES VACATION SPOTS. Use the power of our wallets.)

Paxton Impeachment Trial: Proven Facts & Evidence Didn't Matter to Democrats

GOP Speaker of the House, Dade Phelan, is worse than a RINO. He and his co-conspirators, mostly Democrats, should ALL be thrown out in the March primaries. Paxton called out Phelan for being drunk on the House floor while conducting business. Paxton beat George P. Bush, son of former Florida Governor Jeb Bush and nephew of Bush, Jr., in 2022 by a whopping 39%.

Illegals Invasion: What Are You Waiting for Governor Abbott?

Add a new section which sets a moratorium on LEGAL admission to the U.S. for 24 months while the new law is being

enforced. Take away the welfare, free medical, free dental, in California free cash (that's a fact), free education from K – colleges and universities, no federal or state food stamps. Nothing. They will leave.

Feinstein, Fetterman, McConnell & 17th Amendment. Anyone Listening?

Life-long crook, Diane Feinstein (Democrat, age 90) should have been put into an Alzheimer facility years ago; it's no secret in DC. China's pimp, Mitch McConnell, another life-long crook (Republican, age 81) is now in trouble with his health.

Lahaina (Maui) Destroyed by Directed Energy Weapon – Round Two

At least 36 people confirmed dead in devastating wildfires: Maui County, Aug. 8, 2023, 1:11 am – (Emphasis mine) “Maui County says 36 people are now confirmed dead in the devastating wildfires that have decimated entire communities, including historic Lahaina... Meanwhile, at least three large fires on Maui – including the blaze in Lahaina – are still active and out of control, which means a full picture of the

devastation hasn't yet come into view."

Lahaina (Maui) Destroyed by Directed Energy Weapon – No Proof

Within 24 hours after the monster fire that destroyed the city of Lahaina on the island of Maui on Aug. 8, 2023, my email box started filling up. FACT: A DEW or Directed Energy Weapon is what started that fire. It looks exactly the same as the fire in Paradise, California on Nov. 8, 2018, which also destroyed that city!

Can Donald Trump Sue the State of Georgia?

This fourth indictment is like something from an alternative universe. Can't be real but it is and serious as a heart attack. The law means nothing to rotten, corrupt Democrats in public offices and too many Democrat voters. It is beyond obscene. The American people are seeing this pile-on as purely political.

Think Democrat Machine Isn't Planning on Rigging the Primaries & Election?

Religion, just like race, should not be a factor in electing someone to office. Allegedly 46% of CINO's (Catholics in name only) voted for Hillary Clinton in 2016 and 47% for dirty old man, Biden, in 2020. Presidential candidate Vivek Ramaswamy (net worth \$630 million) is a Hindu, same as Tulsi Gabbard. Vivek is working hard for the Evangelical vote by stating he's not a Christian but does believe in the "one god". Which one would that be?
