

Christmas Gift to the World: Courageous Doctors and Scientists Who've Risked It All

Then more and more courageous doctors and scientists in dozens of countries who still believe in "do no harm" come forward with case history of those who took the injections which are bioweapons, not vaccines. Like Dr. Peter McCullough and a hundred others who had the courage to speak the truth using science, not some "fact checkers" employed by the prostitute media who were/are not doctors or scientists.

The Indoctrinated Brain – What's Been Done & How

Over the past couple of decades, we've seen a nation toss common sense, self-determination and individuality to little more than recipients of carefully planned dumbing down and sheep-like compliance. Collectivism – embrace the deadly poison promoted by Karl Marx.

Is The Federal Death Administration (FDA) at it Again?

Thanksgiving is in four days. From all I've read, yes, some dog foods are turkey but not the same as you might be cooking: no spices, onions, etc. You might wish to look up feeding your furr baby turkey on Thanksgiving – especially not giving them turkey bones. While families across the nation give thanks for blessings, please pray for our fellow Americans who are suffering.

Detransitioned Teens: Regret for the Rest of Their Lives

Another horrible crime against humanity. Parents should find out exactly what their child's school teaches or promotes this butchery – mostly in secrecy so parents don't find out. Keep them away from social media (Tik Tok, etc) and the poison plastered all over about how wonderful it is to have your penis removed and a new vagina!

November 2024: Votes Still

Being Counted Congress: Are Those Elections VOID?

While brainwashed Marxist voters wail and cry because Trump was able to keep from being cheated a second time and pollsters and blabber mouths on cable networks or political pundits on line – who also support the goals of the Communist Party International, a number of states/counties are still counting as I write this who have yet to finish counting votes long AFTER election DAY for federal offices.

Alleged GOP Losers: Immediately File to Stop Certification of Vote

Candidates: If you allegedly lost your race, don't just walk away. Immediately file to stop certification of the vote which varies from 20-30 days depending on the state. Demand a FORENSIC ANALYSIS. I guarantee you the numbers won't match and I say that after pursuing this cheating of We the People for the past 31 years when few would listen or even look at the evidence.

Nov. 5, 2024: Will a Winner Be Announced? Part 1

Let me start with the despicable and dangerous vomit out of the mouths of Trump haters in the prostitute media, members of Congress and the grand Dame of Lies and Deceit: Hillary Clinton.

Nov. 5, 2024: Will a Winner Be Announced? Part 2

Now tell me election is going great. Clean and fair! We're told – again just like 2020 by the whores in the Mockingbird media, Secretaries of State, party honchos: There's no fraud, no vote flipping and more excuses than the massive fraud in countries like Venezuela to install dictators.

No More Money for the BIG "Climate Change" Lie

I have written about this before: Why the Environmental Protection Agency must be abolished, Jan. 5, 2005: "The Environmental Protection Agency must be abolished because it is destroying the rights of Americans, it's another monumental waste of money and America doesn't need it."

Not Voting? I Say This to You

—

I've been disgusted by the articles and interviews of "Americans" who are going to "sit out the election" and not vote. Let me quote the "Father" of YOUR freedom speak better than I can. Samuel Adams[1] is known as the Father of the Revolutionary War. Historically, if it wasn't for his tenacity and sacrifices, the colonials would still be licking the boot straps of the British

Helene's Odd Trajectory — Lots of questions

By the time it got to Georgia, news reports announced it was a Cat 1 as predicted. This is a very good blog keeping up with its path and all the warnings given to the public in real time. All the governors, mayors and news stations warned people over and over: Catastrophic flooding is coming, get out. But, up in the Appalachian Mountains that kind of flooding just doesn't happen.

Exposing the Corrupt Destroyers – By Name

Having been “in the trenches” full time for now over 31 years, I’ve read and watched more bogus “legal” claims/theories, outlandish conspiracy theories that turn out to be not true (and many, many that have been solidly proven over the past few years) and Soviet-style propaganda pumped out daily by politicians, pimps in the Mockingbird media and dishonest hustlers out to make a buck.

Our Election Process Is a Mess by Design

Following the proven steal in 2020 denying Donald Trump a second term in office, the only (rather impolite) label I can attach to all of them (including ABC, CBS, NBC) is that they’re whores paid enormous sums of money to outright lie and they do it with a straight, serious face.

The Ten Commandments Are Not Requests

Ohio residents in small town erupt over havoc caused by massive influx of 20,000 of Haitians. ‘I want out of this

town. I am sorry. Please give me a reason to stay,' a citizen who is considering leaving Springfield said." Nov. 9, 2024. Short video: "Haitians are in the park grabbing ducks, cutting the heads off, and eating them"

The Bull, the Cape and the Matador

The next day the cape will find something new to blast with their click bait headlines and articles and columns filled with provable lies. Then the next day is another cape which is a partisan pretend-fight over protecting social security and Medicare and who has the best plan to save it. Or, a cape that says the Republicans care more about national security than the Democrats.

GOP Must Take the House & Senate

Those threats MacArthur spoke about from within are directly dictated by the global masters who orchestrate wars and who are draining the lifeblood of America. The threat to the Union is both foreign and domestic. Right now, the threat is another stolen election.

How the States Can Suppress Illegal Immigration

In addition, it would not be amiss for “the people” to make crystal clear that public officials’ failure, neglect, or refusal to act immediately and effectively to obviate these “grievances” in exact accordance with the proposals for “redress” presented by the citizenry will constitute further “grievances”, leading inexorably to “redress” in the form of those officials’ removals from office—to be followed in due course by appropriate punishments for their derelictions of duty.

Is a Political Earthquake Coming for the Democrats in October?

Watching Ho Harris lie through her teeth and doesn’t have a single original thought in her empty head is akin to seeing a proctologist. In a fair election the dirty traitors behind the curtain know damn well Trump would win by a major landslide.

Democrat Voters Want a Communist America

Progressives are full blown Marxists. Oh, they might huff and puff and say that's not true but well-crafted Soviet style brain washing indoctrination methods were slowly inculcated using America's schools even before I was born. By the time impressionable (and sometimes rebellious) young Americans got out of high school or colleges, they believe America is a democracy which it is not.

Why Countries and Some Cities Ban or Restrict 5G

"On July 14, the FCC voted to unleash 5G in the United States, approving sweeping Spectrum Frontiers rules to make spectrum bands above 24 GHz available for 5G. Even though serious health risks are associated with the proliferation of cell phone technology, the attitude of the FCC seems to be 'full speed ahead and damn the torpedoes.'

Trump Will Release Remaining JFK Assassination Files –

What About 9/11?

There are many tentacles to this international cabal of bankers and billionaires. It's not just the CFR or Trilateral Commission, but – and I thank a deep-diver researcher, Robert, for providing me with some of them, despite the amount of research I have been doing the past 31 years.

Sheriff Slupe: YOU investigate Attempted Assassination of Donald Trump

Trump is a private citizen. An attempt was made on his life. An innocent attendee leaving behind a wife and daughter, was killed. Two other innocent Americans were critically injured. Sheriff Slupe is the ultimate law enforcement official in his county. A sheriff can request assistance from outside agencies like State Police, FBI, ATF, but he is top dog in his county and those felony crimes were committed in his county.

The Destroyers – Flood Congress with Calls This Week

Whose running our government? Marxist traitor Hussein Obama and Valerie Jarrett as I covered in my History Being Written

column cited above. But, they are just the 'errand boys". Multitudes of those mega DNC/Biden donors are connected and work with the organizations I've listed. Americans fund them with their wallets not knowing who pulls the puppet strings

America, the Roman Empire and Illegal Aliens

While Taylor Caldwell's books were fiction, she used them to try to educate the American people about the CFR which she used a slightly different name for. Caldwell's books sold millions. She was right on point and here we are today. Unlike William Wallace, we have the right to vote, to protest, the Internet, credible social media and through recall (can't do Congress) get rid of the destroyers.

History Being Written and It Isn't Going to be Pretty

Well, last week was a doozy to say the least. The whole world knows the Biden Audition (aka Trump/Biden debate) was a sorry spectacle. The prostitute media who've been protecting a career criminal they've known since 2020 was and is mentally gone have been in shock since Thursday night. In reality, all of those junkyard dogs really don't give a tinker's damn about Joe Biden.

Stop Non-Citizens from Voting – Here's How

Thankfully, Willard “Mitt” Romney’s niece, Rona McDaniel, is gone from the RNC National Committee; she was head hen for four terms. One has to wonder why she wasn’t booted years ago because her record as a complete failure was there for all to see? Some changes have come about along with pledges: RNC co-chair Lara Trump promises to prosecute anyone who cheats in an election: ‘We will track you down’.

Vote Every Muslim Out of Office

I’ve said it before and I’ll say it again: Muslims should never have been allowed into the U.S. Knowing their centuries of history, violence and one major goal: A world caliphate. It isn’t because I hate Muslims (except the ones who want me, an infidel, dead), it’s because of their goal and they will lie through their teeth to achieve world domination. The good news is a lot of American Muslims are throwing off the yoke of slavery and women being treated like chattel.

Ninth Circuit Court of Appeals Re COVID-19 Experimental Injections

“Paxton is also investigating whether the companies misrepresented the efficacy of their Covid-19 vaccines and the likelihood of transmitting Covid-19 after taking the vaccines in violation of the Texas Deceptive Trade Practices Act. The investigation will also look into the potential manipulation of vaccine trial data.

Stopping Another Steal November 2024 Elections

In my Jan. 24, 2024, column, Finally: RNC Files Bombshell Election Lawsuit, I covered a new lawsuit by the RNC regarding violation of federal election law (Foster v Love) and how Trump was cheated out of his second term in 2020. All candidates for federal office (House & Senate) were also cheated but that was the game plan and it hasn't changed four years later.

Get US Out of NATO

Oh, and let's not forget trade between No. and So. Koreans

while thousands of our military have been “guarding” the demilitarized zone for since I was a toddler. North & South Korea have a long history of trade that’s had its good times and bad times. No. Korea is in bed with the commies (China) but there’s still a lot of trade going on.

New Election Lawsuit: Plaintiffs RNC & Donald J. Trump

There is great hope President-Elect Donald Trump, who was absolutely cheated for a second term, will win this November. Never mind all the conspiracy theories peddled by the prostitute media and mindless hens on garbage TV shows like The View that career criminal, Joe Biden, won in 2020.

Pro-Hamas/Palestine Protesters: Ignorant Dupes

First thing on the madness we’ve been seeing on campuses of lower learning. Two factions. One is ignorant students who are actually enrolled in one of the colleges/universities and second are paid professional cockroaches who travel around the country. Their job is to whip up violence, rioting, spew hatred on college campuses while promoting Marxism/collectivism.

What Made America Great

During the hearings on that monster, GATT/WTO*, French billionaire financier, the late Sir James Goldsmith, testified in front of Ernest Hollings committee. He demonstrated that GATT would gut the American textile market. The following are some quotes from the Washington Times, Dec. 6, 1993, which accurately reflect Sir Goldsmith's statements during the hearings

Why is Everyone Complaining About Communist China?

1972 Richard Nixon met with Chou En-Lai in Shanghai to "cement a new world order". America crawled into bed with the commies. The same communists who were holding our POW/MIAs from the Korean and Viet Nam "conflicts." Only God knows how many were still alive, but those butchers of Beijing had them at the same time Nixon was over there kissing En-Lai's backside and toasting champagne.

Trump's Campaign Promises, Congress & the States, Part 3

Then president Trump signed an extension for the Export-Import Bank which was twisted up in the "Further Consolidated Appropriations Act in 2020 which allows that "independent" agency to operate until 31 Dec. 2026. Trump should have said no. Supposedly that bank was created to help small businesses. It's not the function of the U.S. government to help small businesses.

Can Trump Deliver on His Campaign Promises? Part 2

No April Fool's joke. The shadow government's plans are being shredded between deliberate, malicious prosecutions falling apart to Americans, regardless of skin color or ethnic background becoming more educated on critical issues while they struggle to put food on the table and gas in the tank to go to work.

Can Trump Deliver on His Campaign Promises? Part 1

We're all tired. I know Americans work full time or even part

time, raising a family – we're all pressed for time every day. But, there's plenty of retired Americans who do care and need to step up to the plate. Sure, it requires we all sacrifice our time but our country is imploding from within right now and it's only going to get worse and dirtier.

He Should Be Trump's #1 Choice for U.S. Attorney General

President-elect Donald Trump is the presumptive GOP nominee. I use President-elect because contrary to the conspiracy theories by the prostitute media, Trump won the 2020 election. No question the massive and documented fraud cheated him out of his second term.

The 2020 Steal: Part of God's Plan?

Yellow journalism rules big newspaper conglomerates either for their fat paychecks or because of blind loyalty to the Democrat/Communist Party USA and for which it stands: The total destruction of these united States of America; nullifying the Bill of Rights through unconstitutional bills signed into "law" upheld by partisan black robes who think they're gods on the bench.

Illegal Aliens: Can Trump's Deportation Plan Work? – Part 1

The plan to flood America with millions of freeloaders, terrorists and criminals has worked perfectly. Crime is soaring and those “newcomers” are bleeding taxpayers dry thanks to rotten, corrupt politicians and gutless cowards in Congress and state legislatures.

Illegal Aliens: Can Trump's Deportation Plan Work? – Part 2

If only Republicans had passed Dirty Harry Reid's bill in 2017, this on-going invasion would NOT be happening. No doubt open border cockroaches like the ACLU and others would have sued but I believe the bill will be declared constitutional.

I Demand Biden Forgive My Home Mortgage Loan

No question for those who fully understand the game being played, dirty Marxist traitor and yet another constitutionally ineligible individual to hold the office of president, can see Hussein Obama and his underlings are running the show. Of course, Obama takes his marching orders from the shadow government kingpins.

Primary: Will Texans Vote to Clean Out Corrupt RINO's in the Legislature?

Our governor, Greg Abbott, should have used the power and authority given to him by statute here in Texas to call up the State Militia (which is NOT the National Guard) to “repel an invasion” the day impostor president Biden was sworn into office. No, instead he seems to want to keep relying other states to send their National Guard. I'm done writing him on that issue.

We MUST Stop Illegal Aliens

from Voting

Despite all the conspiracy theories by the MSM and their anchors, all of whom have mental constipation and continue to barf Biden won, the 2020 election counting process was the dirtiest, most massive fraud I've ever seen since I started learning about election fraud back in 1993. Fair and equal elections have been stolen from us since the 1960's.

Raise the Minimum Wage to \$100.00 An Hour

I've asked NWV's to run this old column because inflation is absolutely killing all but the very wealthy. It is critically important we educate our fellow Americans about this issue, so please do share with your email lists and all social media. Manipulation of the currency and the "Federal" Reserve – something the majority of our adult aged population knows absolutely nothing about.

Iran: Cut Off the Head

20 years in Afghanistan with no formal declaration of war by Congress. Thousands more of our military dead, thousands injured; too many who will never recover mentally. And, still the U.S. continues to shove our military on Middle Eastern countries who do not want us there. Their religious groups

have been fighting each other for a thousand years.

Finally: RNC Files Bombshell Election Lawsuit

Like tens of millions of Americans, watching the 2020 presidential race stolen from Donald Trump, I was sickened. As someone whose been writing about election fraud since 1993, I knew the lying, cheating Democrat/Communist Party USA would use every dirty trick in the book. Only this time around, the Big Steal was made possible not just by rigged machines and cheating human vote counters but by ignorant or partisan judges.

New Push for Amnesty MUST Be Crushed

The border INVASION has back fired for the evil doers. Oh, it's worked as far as allowing more than 8 MILLION unvetted illegal aliens to be distributed around the country, but now even The UnReachables are starting to realize the "compassionate" theme has brought crime, chaos and in some way is now touching their lives.

Will Fulton County DA Trump Persecutor Fani Willis Be Indicted?

Last week new blasting headlines featuring low intelligence diva, Big Fani Willis, Fulton County, GA DA persecuting Trump burned up the Internet. A grand jury returned a RICO indictment against Trump and 18 others in her county. That grand jury either has zero ability to process and fully understand the charges or they were all Democrat Unreachables.

Terrorists Coming Across the Border Will Strike at Some Point

Congress after Congress has refused to tighten current asylum laws so now, we have free-loaders by the MILLIONS applying for asylum for spousal abuse or a hang nail. Court dates are being set for five to as long as 10 YEARS from now because the system is past overloaded. Under Trump, not under the illegitimate Biden open border policy...

Will Trump's Attorney's Stop the Second Steal in Nov. 2024?

Only you and I can stop another steal. The most important thing is to get this information out to all of the above. And don't forget this about the 2024 election besides voting for president, house reps and senators: the U.S. Supreme Court. Clarence Thomas is 74. Alito is 72. They might wish to retire. With Mitt Romney retiring, it's critical Republicans take control of the senate.

Get Rid of the "Black Vote"

It's time to turn the tables on the race baiters trying to divide We the People. Professional politicians of both parties always trying to out do the 'other side' with fake promises of this that or the other for the "black vote" when they could care less about black Americans.

It's Now Our Patrick Henry Time in History

But, how do we do this? There are literally thousands of groups and organizations fighting for our very existence as a

constitutional republic. Really hard-working dedicated Americans. I know because I've been in the trenches full time for 31 years and I do a hell of a lot of research. Unfortunately, too many get infiltrated by RINO's pretending to be for American values, real freedom and liberty while stablign us in the back.

War-Monger Nimarata Nikki Haley: Globalist's Darling

Back in 2004, Haley ran for Congress as a Republican while voting for many Democrats in previous primaries. Haley supported flying the Confederate Flag on the statehouse grounds but decided after the Charleston church shooting it was a good thing to erase history just like the mobs who've toppled or removed historical statues since Black Lies Matter began their destructive rampages over three years ago

He, Should Be Trump's VP Running Mate

We must remember the purpose of a VP is clear cut: Should something happen to a lawfully elected president (assassination, crippling health issues, natural passing away), the VP must be someone who can immediately step into the job of being America's president. Nothing personal, but Tucker Carlson is not that person. You may not agree and

that's okay.

Want to Make a Difference? Read On

Americans are very worried about the economy. Millions more have been added to poverty level since President-Elect Donald Trump was cheated out of his second term. Not going to get into the finer intricacies of the root of that problem and why Congress refuses to implement the only solution in this column. What millions of us do know is inflation has been killing the middle class by design for decades.

Islam: A Political Party of Death, Violence & Oppression

As I wrote in my previous column, Rashida Tlaib – What People Are Ignoring, Islam is not a religion although it's been sold as one for well over a thousand years. Their goal is a world caliphate and death to all infidels. You will find this booklet in mosques all over the world – including the U.S.

Rashida Talib – What People Are Ignoring

Never in all my adult life (I'm 74) could I imagine so-called Americans in the year 2023 would be screaming, yelling and rioting on college campuses and other public locations supporting the most grizzly, grotesque massacre the terrorist group known as Hamas pulled off, Oct. 7, 2023.

Pfizer, Moderna, J & J: Will Grand Juries Recommend Criminal Charges?

Do you think Trump was told that by prolific liar, Dr. Death Anthony Fauci? He was suckered using the big fear stick. Trump wasn't even told about COVID-19 until on or about January 27, 2020.

TX: Property Tax Reduction – Must Vote Nov. 7, 2023

Property taxes have been killing the middle class in Texas for years. Our legislature only meets every other odd year for 140 days. Because the House has a RINO turn coat for Speaker who's in bed with the Democrat/Communist Party USA, important

bills (border security, no forced COVID injections by employers, school choice) never made it to a vote.

Why Haven't They Been Arrested and Indicted?

'Sanctuary Church' Helped Illegal Alien Evade Deportation Before He Allegedly Killed Father of Five, Aug. 9, 2019 – "As Breitbart News reported, 40-year-old illegal alien Miguel Ramirez Valiente from El Salvador is accused of hitting and killing Sean Buchanan, a father of five children, on August 2. Valiente has a criminal record dating back to 2011, including a drunk driving charge in 2017."

Italian Mafia vs. Hamas

Before anyone gets upset, my mom's parents came over on the boat to Ellis Island from Palermo (Sicily), Italy. My grandparents waited three years and entered this country legally. My father's parents came from Munich, Germany; they waited one year and came here legally. The Italian Mafia in Italy was greatly feared and my Sicilian grandparents did not want their future children raised living in fear.

Russia, China, WEF: New World Order Chaos

Putin is no choir boy and I'm not defending him. But, his justification for going after Ukraine has everything to do with NATO expansion encroaching too close to his country's border. The divide in this country over Putin vs Ukraine is unbelievable. The American people have been sold nothing but lies.

TX AG Ken Paxton: PLYLER v. DOE, 457 U.S. 202 Must be Overturned

AG Ken Paxton is very intelligent. He's also a fearless fighter. I believe he would be on solid legal ground. That obscene 1982 SCOTUS decision needs to be overturned. Illegal aliens (K-college) have no right to get a free education while sticking the bill on the backs of hard-working Texans.

Yawn: Governor Greg Abbott Officially Declares INVASION

at Southern Border

Texas mayor calls for resources as thousands of migrants await entry, Sept. 21, 2023: "At one point, the line of migrants stretched 5 miles long and into Mexico." (BOYCOTT EVERYTHING MEXICO AND THAT INCLUDES VACATION SPOTS. Use the power of our wallets.)

Paxton Impeachment Trial: Proven Facts & Evidence Didn't Matter to Democrats

GOP Speaker of the House, Dade Phelan, is worse than a RINO. He and his co-conspirators, mostly Democrats, should ALL be thrown out in the March primaries. Paxton called out Phelan for being drunk on the House floor while conducting business. Paxton beat George P. Bush, son of former Florida Governor Jeb Bush and nephew of Bush, Jr., in 2022 by a whopping 39%.

Illegals Invasion: What Are You Waiting for Governor Abbott?

Add a new section which sets a moratorium on LEGAL admission to the U.S. for 24 months while the new law is being

enforced. Take away the welfare, free medical, free dental, in California free cash (that's a fact), free education from K – colleges and universities, no federal or state food stamps. Nothing. They will leave.

Feinstein, Fetterman, McConnell & 17th Amendment. Anyone Listening?

Life-long crook, Diane Feinstein (Democrat, age 90) should have been put into an Alzheimer facility years ago; it's no secret in DC. China's pimp, Mitch McConnell, another life-long crook (Republican, age 81) is now in trouble with his health.

Lahaina (Maui) Destroyed by Directed Energy Weapon – Round Two

At least 36 people confirmed dead in devastating wildfires: Maui County, Aug. 8, 2023, 1:11 am – (Emphasis mine) “Maui County says 36 people are now confirmed dead in the devastating wildfires that have decimated entire communities, including historic Lahaina... Meanwhile, at least three large fires on Maui – including the blaze in Lahaina – are still active and out of control, which means a full picture of the

devastation hasn't yet come into view.”

Lahaina (Maui) Destroyed by Directed Energy Weapon – No Proof

Within 24 hours after the monster fire that destroyed the city of Lahaina on the island of Maui on Aug. 8, 2023, my email box started filling up. FACT: A DEW or Directed Energy Weapon is what started that fire. It looks exactly the same as the fire in Paradise, California on Nov. 8, 2018, which also destroyed that city!

Can Donald Trump Sue the State of Georgia?

This fourth indictment is like something from an alternative universe. Can't be real but it is and serious as a heart attack. The law means nothing to rotten, corrupt Democrats in public offices and too many Democrat voters. It is beyond obscene. The American people are seeing this pile-on as purely political.

Think Democrat Machine Isn't Planning on Rigging the Primaries & Election?

Religion, just like race, should not be a factor in electing someone to office. Allegedly 46% of CINO's (Catholics in name only) voted for Hillary Clinton in 2016 and 47% for dirty old man, Biden, in 2020. Presidential candidate Vivek Ramaswamy (net worth \$630 million) is a Hindu, same as Tulsi Gabbard. Vivek is working hard for the Evangelical vote by stating he's not a Christian but does believe in the "one god". Which one would that be?

Bidenomics: Selling Bull Manure

But, that's only part of what's killing the economy. The cauldron has been boiling for years and it IS going to blow up. I want Americans to be warned so they aren't bulldozed like 2008 because this time it will make 2008 look like prosperity. My recent column, Can Banks Dump the Fed? has important information.

UFO Second-Hand Hearing: Another Distraction?

I've been to Roswell, NM; made a relax time stop during one of my many road trips. Visited the Roswell UFO Museum and Research Center out of curiosity as I am, by nature, a curious person. Really nice people, true believers. I learned nothing new at the museum nor did it change my mind.

IRS Whistleblower Hearings: Scabs on Full Display

The campfire is becoming a bon fire and the next week or so will be quite telling. Nixon fell on his sword proclaiming his purity to the end. Joe Biden has no connection with reality and you can be sure, the puppet masters are busy plotting right now how to remove him that will cause the least hurt to their agenda.

Can Banks Dump the Fed?

Changing banks is always a hassle – especially if your mortgage and vehicle payment is auto deduct like mine. But, I would never have any account at JP Morgan Chase, B of A, Wells

Fargo or any of those big names who think nothing of canceling out someone's account for purely political bias. Not to mention globalists at the highest levels who really don't give a damn about you.

Solar Flares, Blowing Out Satellites, Massive Infrastructure Damage

Not just from a terrorist attack which a lot of people are very concerned about right now. Top of the list would be a false flag event to blame MAGA supporters and all of us conservative constitutionalists working to stop the forces of evil. At this point in time, nothing is off the table for these madmen determined to destroy this country and all she's stood for since the Revolutionary War.

Central Bank Digital Currency Fight Heats Up

Central Bank Digital Currency (CBDC) remains a hot topic as the push for CBDC is accelerating. I'm speculating way more than half the adult population in America have zero knowledge of what CBDC is other than "bank business". Or, they've heard it's a new, wonderful way to instantly make your transactions. Hooray! With CBDC one doesn't even need a

bank!

Do We Want to Stop Judicial Tyranny?

The herds of useful fools on what is called the left, but in reality, are disciples of Marxist ideology, continue screeching about the U.S. Supreme Court whenever those nine robes issue an opinion on a case they don't like. Stack the court! they bellow.

Independence Day & the Second Amendment

Have you had enough of this fight that should never even be an issue? Are you ready for a sensible, cold revolution by getting boots on the ground at your state capitols? Haven't you sent enough money to gun groups to fight for the Second Amendment and look where we are?

Keep Artificial Intelligence (AI) Out of America's Schools

Just like those experimental COVID-19 “vaccines” that turned out not to be vaccines but experimental bioweapons, AI has real problems in so many areas and in my opinion cannot be trusted. I know it's being used for stock market predictions, real estate and other areas of commerce, but to put it in schools is just asking for failure.

EMP Weather Attack Can Destroy Your Home & Vehicle

This doesn't mean a person should go crazy thinking any minute now, but rather be prepared for the worst. Have a plan. Those \$500.00+ fancy phones won't be of much use to save your bacon as they say. And you can't eat them. Be sure to share this information with family and friends.

Artificial Intelligence: Lawsuits Already Underway

Everyone is a-buzz over AI which actually has been in use for a long time, but is just coming to the attention of the

American people with a whole lot of articles on the Internet. Few can really understand it and that includes members of Congress. Well, perhaps a few, but the shouting and yelling for Congress to regulate AI continues to grow.

A House Divided: We Will Not Play Your Game

Our nation has become horribly divided from mass immigration by those who care nothing for OUR history, traditions and culture. We see large portions of our population where no English is spoken and where there is no respect for our laws. Come squat in America but never become a real American – and don't forget my welfare check.

As the World Awakens: We Will Not Comply

No doubt in my mind little Napoleon, Merrick Garland, is drowning in joy over this latest persecution of Trump. Garland is a loser. He wanted to be an Associate Supreme Court Justice but was rejected by the Senate; nominated by another illegitimate usurper who brought Hell to this country, Hussein Obama.

Abolish and Eliminate Unconstitutional Federal Cabinets & Agencies

I sincerely hope Americans come to understand what just happened with the “debt ceiling” bill signed by the fake president, China Joe Biden, on June 3, 2023. Most won't or can't even process the information. What's underway will make 2008 look like prosperity.

AI & the WEF: You Should Be Very Worried

And: God will no longer make any decisions. The Pope will not make any decisions. All important decisions will be made by AI. There will be no more democratic elections nor will individual consumers make their own decisions. It will all be done by algorithms.

Texas AG Ken Paxton Take-Down

– Why Now?

Dade Phelan is a registered Republican whose been sleeping with the Democrats for years. We finally got rid of Phelan's predecessor, another rotten RINO. In Phelan's first term he appointed 13 Democrats as committee chairs. To say grassroots Republicans were incensed is putting it mildly.

Should You Worry About an EMP Attack?

You can install the EMP shield or as in my case since I'm purchasing a unit for my home (my SUV is always in the garage, never leave it outside) and being a widow, I'll have to hire someone. No, I'm not rich or even 'upper class'. But, like auto insurance, you may never have an accident, but if you do, that insurance policy can make the difference if you get sued or badly injured.

Debt Ceiling Battle – Same Old Band Aid

If the debt ceiling isn't raised then the CONS in Congress – both parties – won't be able to continue borrowing \$6 BILLION DOLLARS A DAY to pay for their reckless and out-of-control spending. A chunk comes from the Godless, brutal savages

known as the Chinese Communist Party. That's right. China.

Why This Amendment to the Constitution MUST Be Repealed

James Madison wrote in The Federalist Papers #45: "The Senate will be elected absolutely and exclusively by the State legislatures." (Madison was considered the 'Father of the Constitution' so there's no misconstruing what he meant.

**Illegal Aliens
Invasion: Texas GOP
Legislators Selling Out
America**

America: Tomorrow will be the beginning of hell most can't imagine or don't want to think about. Turning America into a third-world hell hole continues. I covered it fully in my last column, #Boycott Everything Mexico

#Boycott Everything Mexico

The hordes are gathering to storm the border as Title 42 expires this Thursday. THIS and more are waiting to storm across OUR border. As of today, about 350,000 of them. Back packs and that's it. YOU and I are being raped to pay for all their new clothes, phones, free medical, dental, illegal minors overloading our schools from dozens of countries who speak no English bringing diseases into this county.

Debt Ceiling Battle – More of the Same

I know Americans are very worried about the economy as well they should be because between Congress, the WH and the "Fed", it's going to get very, very ugly. 2008 will look like prosperity when so many still haven't recovered from the destructive and unnecessary COVID lockdowns.

Urgent Warning: Livestock mRNA "Vaccines" Status

"But this doesn't necessarily mean there is no mRNA product in the beef, or there won't be in the future. Attorney Thomas Renz warned that since Congress removed country of origin labeling on beef imports, the U.S. beef supply could already

be tainted with mRNA product from the likes of China and other countries.”

Classified Documents Leak: To What End?

When the news broke last week about a 21-year-old National Guard member allegedly leaking classified documents – not just leaking but posting to something called a chat app for months, I was flabbergasted. Something didn't smell right. How could such a thing happen?

Every Move You Make...I'll Be Watching You

As Catherine Austin Fitts said in her interview, use cash for everything. I look at my errands, where I'm going to spend money, approximately how much, add it up, go to the bank (or ATM), get cash and use it. After all, you're going to use that debit card anyway. Use cash instead. Flood the country with cash but don't flash it around.

School Shootings: Congress Butt Out

On March 27, 2023, we had yet another school shooting which killed three 9-year-old children and three adult staff members. No amount of words can ease the pain and suffering for the family and friends of those innocent lives lost. I'm a mother. My daughter is 48 and Dept. Head of Mathematics at one of the largest school districts in the metro city where she lives.

Warning Before You Fly on A Commercial Airplane

Now the industry is faced with a growing problem stemming from the COVID hysteria and forcing their pilots and personnel to get those experimental gene editing technology injections. I'm not writing to scare you but to inform people there is a huge danger with what's going on and the diabolical and inexcusable action by the FAA putting every passenger and crew at risk.

Bank Failures: Ignoring the

800 Ton Elephant Erasing Your Money

Tens of millions of Americans have little or no savings and that is a fact. Don't even have the money to handle a \$500 emergency. Inflation has been ravaging savings accounts, especially seniors. The two political parties did not cut off the head of the beast in 2008, the "Fed", get us out of the Basel Agreements, IMF and World Bank.

Jan. 6th Judges Should Be Impeached by Congress

There's NO doubt in my mind our Navy shot down TWA Flight 800 by mistake. NO DOUBT and one of the "greatest" (in scope) cover-ups in our history. My dear friend who went to Heaven in December 2019, Brigadier General (Ret.) Ben Partin (bio) designed missiles like the one accidentally fired bringing down that commercial air liner.

Article V Convention: Beware Treacherous RINO's

Efforts to flush the U.S. Constitution down the toilet by convening an Article V Convention of the States has been

around a long time. Back in 1993 (could have been '94), I became acquainted with a constitutional warrior, Jackie Patru. Boy, did she enlighten me on what was going on regarding the push for a 'Con-Con' out in Philadelphia. I had no idea as I was only a few years into my journey of seeking the truth.

COVID Experimental Injections: Prosecute Now

Yes, there's been hearings here in Texas with health and safety committee members headed up by Sen. Bob Hall but those injections are still being given in the state. Sen. Ron Johnson [R-WI] brought together those injured and maimed in front of the public and media to tell their gut-wrenching, heart-breaking stories...

Republicans Must Denounce Climate Change Scam

We'll all be forced to drive those disasters called electric vehicles. Yes, auto makers are pledging to do away with all gas powered cars, SUV's and trucks. I have a ton of disasters regarding EV's and buyer's remorse. Mark my words: Republicans WILL get massive support not only from Republican voters but independents who know the truth.

How Congress Destroyed Health Care

While the Democrat/Communist Party USA members of Congress spend all their time screaming on the House and Senate floor about racism and other BS, Americans are going to suffer greatly because of this mess created by Congress that should never have happened. Real solutions are being ignored for politics and votes.

Rebuttal: Nullification Is A Fake Solution

As someone who believes in free speech – even if I find something offensive – a free people have the right to their opinion or position on an issue. It is our God given right we must always fight to keep. We can civilly agree to disagree – unless you're one of the deranged maniacs out there who are adamant you must believe what they believe.

Two New State Nullification

Bills – Will They Pass?

Time is short for our legislative session. We must get these bills passed: Texas Sovereignty Act, HB 384 & SB 313. I voted for our new state senator, Kevin Sparks, and have already written him on a half dozen issues. I had the opportunity to meet and speak with him on the phone a couple of times before the primary and Nov. election.

GOP Bill Abolish IRS /End Income Tax – Another Trap

They all lied about the safety of those experimental injections and among the biggest liars are Twitter, Google and Fakebook, er, Facebook by censoring the truth and unleashing their phony “fact checkers.” The deaths and life-long injuries will continue at a rapid pace. Those who choose to call it conspiracy are the ones who’ve taken the injections and are scared to death about what’s really going on inside their body.

Kevin McCarthy: New Benedict Arnold Speaker of U.S. House

The McCarthy Speaker of the House show down is over and once again we have a lying globalist puppet who will continue

betraying America. The voters in his district are either willfully blind or stupid to reelect McCarthy but they did this past November after winning his primary last June.

2023: Abolish the Standing “Requirement” in Federal Courts

Americans, well those of us paying attention to the rot and tyranny in Washington, DC and our federal judicial system, hear a case is thrown out because some federal judge decides the plaintiff(s) do not have “standing” to bring the case. I see it as an escape for gutless judges who are either too afraid of a particular case or are in the closet partisan puppets.

COVID-19 “Vaccine” Conspiracy: A Volcano Waiting to Erupt Underway

Since the middle of February 2020, the world has been plagued by SARS-CoV-2 dubbed COVID-19. Researchers around the globe desperately trying to discover its origins and how to stop the spread. Here in the U.S. the prostitute media whipped the American people into a massive frenzy of fear using optics and

outright lies.

Hypocrites of Christmas

Power concedes nothing without a demand. It never did and it never will. Find out just what any people will quietly submit to and you have found out the exact measure of injustice and wrong which will be imposed upon them, and these will continue till they are resisted with either words or blows, or with both.

Florida Surgeon General: COVID Injections Profoundly Unsafe

“Vaccines normally take 10-15 years before getting approval for mass distribution. The first injections were rolled out in hospitals on Dec. 14, 2020. That SEC filing was last day of 2019 before production began. Clinical trials are scheduled through 2023, so yes, humans on this planet are being used as test subjects.”

Re-Examine COVID-19, Disease or Virus?

It's past time cities put a stop to any hospital, clinic or pharmacy from giving those injections and they can do it just like our city council has the authority to do. Stop giving those injections or we will suspend your business license. I have provided my city councilman and our city attorney a package of information but haven't heard back yet.

Died Suddenly Documentary – An Honest Review

Before I cover that documentary, denial regarding those COVID experimental injections and safety is being driven by fear. Over the decades Americans have been conditioned to trust their doctors, mother government out in DC and the rotten, corrupted MSM. When COVID hit, scumbag former VP president, Mike Pence,[1] brought us Dr. Death Fauci and liar Deborah Birx.

“Biden Inflation” Misses the Real Target

Putting all the blame for the nightmare inflation we are

experiencing on the walking corpse in the WH was a very effective political tool during this mid-term selection/election. In no way am I defending the life-long crook and usurper president, Joe Biden.

Post-Midterm Elections: When the Real Work Begins

Anticipation for the midterm elections tomorrow is running at fever pitch. Socialists (liberals) and progressives (communists) are in absolute meltdown to the point of madness. Republicans are likely to regain control of the House and hopefully, the Senate.

Federal Elections End at Midnight ON Election Day

President Elect Donald Trump won the 2020 election. I watched every hearing and watched every credible video following the steal. Massive ballot dumps in the middle of the night – hundreds of thousands between Georgia and Pennsylvania alone.

Communist China Needs Your Money to Destroy US

Please let me remind Americans what communism is: replacing private ownership and capitalism with a classless economic system. The State is their master and you will obey or you will be put in re-education camps or simply killed. The CCP (Communist Chinese Party) runs the show and they are brutal murderers and liars. Communists always lie with a smile. Socialism is simply the big stepping stone to communism.

Proof Mail-In Ballots Facilitates Voter Fraud

Over time, it's morphed into an open invitation for voter fraud. As someone who has been researching and writing on election fraud since 1993, between advanced technology, dishonest, partisan voters and political operatives, the situation has only worsened.
