

IRS Whistleblower Hearings: Scabs on Full Display

The campfire is becoming a bon fire and the next week or so will be quite telling. Nixon fell on his sword proclaiming his purity to the end. Joe Biden has no connection with reality and you can be sure, the puppet masters are busy plotting right now how to remove him that will cause the least hurt to their agenda.

Can Banks Dump the Fed?

Changing banks is always a hassle – especially if your mortgage and vehicle payment is auto deduct like mine. But, I would never have any account at JP Morgan Chase, B of A, Wells Fargo or any of those big names who think nothing of canceling out someone's account for purely political bias. Not to mention globalists at the highest levels who really don't give a damn about you.

Solar Flares, Blowing Out Satellites, Massive

Infrastructure Damage

Not just from a terrorist attack which a lot of people are very concerned about right now. Top of the list would be a false flag event to blame MAGA supporters and all of us conservative constitutionalists working to stop the forces of evil. At this point in time, nothing is off the table for these madmen determined to destroy this country and all she's stood for since the Revolutionary War.

Central Bank Digital Currency Fight Heats Up

Central Bank Digital Currency (CBDC) remains a hot topic as the push for CBDC is accelerating. I'm speculating way more than half the adult population in America have zero knowledge of what CBDC is other than "bank business". Or, they've heard it's a new, wonderful way to instantly make your transactions. Hooray! With CBDC one doesn't even need a bank!

Do We Want to Stop Judicial Tyranny?

The herds of useful fools on what is called the left, but in reality, are disciples of Marxist ideology, continue

screeching about the U.S. Supreme Court whenever those nine robes issue an opinion on a case they don't like. Stack the court! they bellow.

Independence Day & the Second Amendment

Have you had enough of this fight that should never even be an issue? Are you ready for a sensible, cold revolution by getting boots on the ground at your state capitols? Haven't you sent enough money to gun groups to fight for the Second Amendment and look where we are?

Keep Artificial Intelligence (AI) Out of America's Schools

Just like those experimental COVID-19 "vaccines" that turned out not to be vaccines but experimental bioweapons, AI has real problems in so many areas and in my opinion cannot be trusted. I know it's being used for stock market predictions, real estate and other areas of commerce, but to put it in schools is just asking for failure.

EMP Weather Attack Can Destroy Your Home & Vehicle

This doesn't mean a person should go crazy thinking any minute now, but rather be prepared for the worst. Have a plan. Those \$500.00+ fancy phones won't be of much use to save your bacon as they say. And you can't eat them. Be sure to share this information with family and friends.

Artificial Intelligence: Lawsuits Already Underway

Everyone is a-buzz over AI which actually has been in use for a long time, but is just coming to the attention of the American people with a whole lot of articles on the Internet. Few can really understand it and that includes members of Congress. Well, perhaps a few, but the shouting and yelling for Congress to regulate AI continues to grow.

A House Divided: We Will Not Play Your Game

Our nation has become horribly divided from mass immigration by those who care nothing for OUR history, traditions and

culture. We see large portions of our population where no English is spoken and where there is no respect for our laws. Come squat in America but never become a real American – and don't forget my welfare check.

As the World Awakens: We Will Not Comply

No doubt in my mind little Napoleon, Merrick Garland, is drowning in joy over this latest persecution of Trump.

Garland is a loser. He wanted to be an Associate Supreme Court Justice but was rejected by the Senate; nominated by another illegitimate usurper who brought Hell to this country, Hussein Obama.

Abolish and Eliminate Unconstitutional Federal Cabinets & Agencies

I sincerely hope Americans come to understand what just happened with the "debt ceiling" bill signed by the fake president, China Joe Biden, on June 3, 2023. Most won't or can't even process the information. What's underway will make 2008 look like prosperity.

AI & the WEF: You Should Be Very Worried

And: God will no longer make any decisions. The Pope will not make any decisions. All important decisions will be made by AI. There will be no more democratic elections nor will individual consumers make their own decisions. It will all be done by algorithms.

Texas AG Ken Paxton Take-Down – Why Now?

Dade Phelan is a registered Republican whose been sleeping with the Democrats for years. We finally got rid of Phelan's predecessor, another rotten RINO. In Phelan's first term he appointed 13 Democrats as committee chairs. To say grassroots Republicans were incensed is putting it mildly.

Should You Worry About an EMP Attack?

You can install the EMP shield or as in my case since I'm purchasing a unit for my home (my SUV is always in the garage,

never leave it outside) and being a widow, I'll have to hire someone. No, I'm not rich or even 'upper class'. But, like auto insurance, you may never have an accident, but if you do, that insurance policy can make the difference if you get sued or badly injured.

Debt Ceiling Battle – Same Old Band Aid

If the debt ceiling isn't raised then the CONS in Congress – both parties – won't be able to continue borrowing \$6 BILLION DOLLARS A DAY to pay for their reckless and out-of-control spending. A chunk comes from the Godless, brutal savages known as the Chinese Communist Party. That's right. China.

Why This Amendment to the Constitution MUST Be Repealed

James Madison wrote in The Federalist Papers #45: "The Senate will be elected absolutely and exclusively by the State legislatures." (Madison was considered the 'Father of the Constitution' so there's no misconstruing what he meant.

Illegal Aliens Invasion: Texas GOP Legislators Selling Out America

America: Tomorrow will be the beginning of hell most can't imagine or don't want to think about. Turning America into a third-world hell hole continues. I covered it fully in my last column, #Boycott Everything Mexico

#Boycott Everything Mexico

The hordes are gathering to storm the border as Title 42 expires this Thursday. THIS and more are waiting to storm across OUR border. As of today, about 350,000 of them. Back packs and that's it. YOU and I are being raped to pay for all their new clothes, phones, free medical, dental, illegal minors overloading our schools from dozens of countries who speak no English bringing diseases into this county.

Debt Ceiling Battle – More of the Same

I know Americans are very worried about the economy as well they should be because between Congress, the WH and the "Fed",

it's going to get very, very ugly. 2008 will look like prosperity when so many still haven't recovered from the destructive and unnecessary COVID lockdowns.

Urgent Warning: Livestock mRNA “Vaccines” Status

“But this doesn't necessarily mean there is no mRNA product in the beef, or there won't be in the future. Attorney Thomas Renz warned that since Congress removed country of origin labeling on beef imports, the U.S. beef supply could already be tainted with mRNA product from the likes of China and other countries.”

Classified Documents Leak: To What End?

When the news broke last week about a 21-year-old National Guard member allegedly leaking classified documents – not just leaking but posting to something called a chat app for months, I was flabbergasted. Something didn't smell right. How could such a thing happen?

Every Move You Make...I'll Be Watching You

As Catherine Austin Fitts said in her interview, use cash for everything. I look at my errands, where I'm going to spend money, approximately how much, add it up, go to the bank (or ATM), get cash and use it. After all, you're going to use that debit card anyway. Use cash instead. Flood the country with cash but don't flash it around.

School Shootings: Congress Butt Out

On March 27, 2023, we had yet another school shooting which killed three 9-year-old children and three adult staff members. No amount of words can ease the pain and suffering for the family and friends of those innocent lives lost. I'm a mother. My daughter is 48 and Dept. Head of Mathematics at one of the largest school districts in the metro city where she lives.

Warning Before You Fly on A Commercial Airplane

Now the industry is faced with a growing problem stemming from

the COVID hysteria and forcing their pilots and personnel to get those experimental gene editing technology injections. I'm not writing to scare you but to inform people there is a huge danger with what's going on and the diabolical and inexcusable action by the FAA putting every passenger and crew at risk.

Bank Failures: Ignoring the 800 Ton Elephant Erasing Your Money

Tens of millions of Americans have little or no savings and that is a fact. Don't even have the money to handle a \$500 emergency. Inflation has been ravaging savings accounts, especially seniors. The two political parties did not cut off the head of the beast in 2008, the "Fed", get us out of the Basel Agreements, IMF and World Bank.

Jan. 6th Judges Should Be Impeached by Congress

There's NO doubt in my mind our Navy shot down TWA Flight 800 by mistake. NO DOUBT and one of the "greatest" (in scope) cover-ups in our history. My dear friend who went to Heaven in December 2019, Brigadier General (Ret.) Ben Partin (bio) designed missiles like the one accidentally fired bringing down

that commercial air liner.

Article V Convention: Beware Treacherous RINO's

Efforts to flush the U.S. Constitution down the toilet by convening an Article V Convention of the States has been around a long time. Back in 1993 (could have been '94), I became acquainted with a constitutional warrior, Jackie Patru. Boy, did she enlighten me on what was going on regarding the push for a 'Con-Con' out in Philadelphia. I had no idea as I was only a few years into my journey of seeking the truth.

COVID Experimental Injections: Prosecute Now

Yes, there's been hearings here in Texas with health and safety committee members headed up by Sen. Bob Hall but those injections are still being given in the state. Sen. Ron Johnson [R-WI] brought together those injured and maimed in front of the public and media to tell their gut-wrenching, heart-breaking stories...

Republicans Must Denounce Climate Change Scam

We'll all be forced to drive those disasters called electric vehicles. Yes, auto makers are pledging to do away with all gas powered cars, SUV's and trucks. I have a ton of disasters regarding EV's and buyer's remorse. Mark my words: Republicans WILL get massive support not only from Republican voters but independents who know the truth.

How Congress Destroyed Health Care

While the Democrat/Communist Party USA members of Congress spend all their time screaming on the House and Senate floor about racism and other BS, Americans are going to suffer greatly because of this mess created by Congress that should never have happened. Real solutions are being ignored for politics and votes.

Rebuttal: Nullification Is A Fake Solution

As someone who believes in free speech – even if I find something offensive – a free people have the right to their

opinion or position on an issue. It is our God given right we must always fight to keep. We can civilly agree to disagree – unless you're one of the deranged maniacs out there who are adamant you must believe what they believe.

Two New State Nullification Bills – Will They Pass?

Time is short for our legislative session. We must get these bills passed: Texas Sovereignty Act, HB 384 & SB 313. I voted for our new state senator, Kevin Sparks, and have already written him on a half dozen issues. I had the opportunity to meet and speak with him on the phone a couple of times before the primary and Nov. election.

GOP Bill Abolish IRS /End Income Tax – Another Trap

They all lied about the safety of those experimental injections and among the biggest liars are Twitter, Google and Fakebook, er, Facebook by censoring the truth and unleashing their phony “fact checkers.” The deaths and life-long injuries will continue at a rapid pace. Those who choose to call it conspiracy are the ones who've taken the injections and are scared to death about what's really going on inside their body.

Kevin McCarthy: New Benedict Arnold Speaker of U.S. House

The McCarthy Speaker of the House show down is over and once again we have a lying globalist puppet who will continue betraying America. The voters in his district are either willfully blind or stupid to reelect McCarthy but they did this past November after winning his primary last June.

2023: Abolish the Standing “Requirement” in Federal Courts

Americans, well those of us paying attention to the rot and tyranny in Washington, DC and our federal judicial system, hear a case is thrown out because some federal judge decides the plaintiff(s) do not have “standing” to bring the case. I see it as an escape for gutless judges who are either too afraid of a particular case or are in the closet partisan puppets.

COVID-19 “Vaccine” Conspiracy: A Volcano Waiting to Erupt Underway

Since the middle of February 2020, the world has been plagued by SARS-CoV-2 dubbed COVID-19. Researchers around the globe desperately trying to discover its origins and how to stop the spread. Here in the U.S. the prostitute media whipped the American people into a massive frenzy of fear using optics and outright lies.

Hypocrites of Christmas

Power concedes nothing without a demand. It never did and it never will. Find out just what any people will quietly submit to and you have found out the exact measure of injustice and wrong which will be imposed upon them, and these will continue till they are resisted with either words or blows, or with both.

Florida Surgeon General: COVID Injections Profoundly

Unsafe

“Vaccines normally take 10-15 years before getting approval for mass distribution. The first injections were rolled out in hospitals on Dec. 14, 2020. That SEC filing was last day of 2019 before production began. Clinical trials are scheduled through 2023, so yes, humans on this planet are being used as test subjects.”

Re-Examine COVID-19, Disease or Virus?

It's past time cities put a stop to any hospital, clinic or pharmacy from giving those injections and they can do it just like our city council has the authority to do. Stop giving those injections or we will suspend your business license. I have provided my city councilman and our city attorney a package of information but haven't heard back yet.

Died Suddenly Documentary – An Honest Review

Before I cover that documentary, denial regarding those COVID experimental injections and safety is being driven by fear. Over the decades Americans have been conditioned to trust their doctors, mother government out in DC and the rotten,

corrupted MSM. When COVID hit, scumbag former VP president, Mike Pence,[1] brought us Dr. Death Fauci and liar Deborah Birx.

“Biden Inflation” Misses the Real Target

Putting all the blame for the nightmare inflation we are experiencing on the walking corpse in the WH was a very effective political tool during this mid-term selection/election. In no way am I defending the life-long crook and usurper president, Joe Biden.

Post-Midterm Elections: When the Real Work Begins

Anticipation for the midterm elections tomorrow is running at fever pitch. Socialists (liberals) and progressives (communists) are in absolute meltdown to the point of madness. Republicans are likely to regain control of the House and hopefully, the Senate.

Federal Elections End at Midnight ON Election Day

President Elect Donald Trump won the 2020 election. I watched every hearing and watched every credible video following the steal. Massive ballot dumps in the middle of the night – hundreds of thousands between Georgia and Pennsylvania alone.

Communist China Needs Your Money to Destroy US

Please let me remind Americans what communism is: replacing private ownership and capitalism with a classless economic system. The State is their master and you will obey or you will be put in re-education camps or simply killed. The CCP (Communist Chinese Party) runs the show and they are brutal murderers and liars. Communists always lie with a smile. Socialism is simply the big stepping stone to communism.

Proof Mail-In Ballots Facilitates Voter Fraud

Over time, it's morphed into an open invitation for voter fraud. As someone who has been researching and writing on election fraud since 1993, between advanced technology,

dishonest, partisan voters and political operatives, the situation has only worsened.

Bombshell Covid-19 Lawsuit – Finally

It's said the wheels of justice turn slowly. I say when corruption is involved with big names and lots of filthy money, yes, defendants and judges would sell their own mother to keep from going to trial. Such is the lawsuit which I covered June 16, 2021, by my dear friend, Larry Becraft...

GOP's Commitment to America: Another Gingrich PR Stunt?

Now it's poltroon hot shot Kevin McCarthy leading the faithful with more "well thought out" words and the same old recycled plan that has done nothing. A Nation's that safe. That is what the military and constitutional militia (Second Amendment) are all about. Congress does NOT have any authority to run rough shod over city police departments.

COVID Experimental Injections: Criminal Prosecutions Must Happen Now

Push back from around the world is starting to turn the tide as there's just too much data and FACTUAL scientific evidence those COVID experimental injections are killing massive numbers of people, causing tens and tens of thousands of people developing serious medical issues that will kill them within a few years and it was all planned well in advance.

Bombshell: Sars-Cov2, Those Responsible by Name and How it Was Done

There will be another development very soon so stay tuned. The day of reckoning is here for the guilty and that includes unnamed individuals in the alphabet soup agencies. They all need to be indicted, tried, convicted and sent to a federal SuperMax prison locked down for 23 hours a day until they all die.

FACTS: Experimental COVID Injections and SADS

The mass sucking sound started with NAFTA then GATT/WTO and all these other “free” trade treaties. “Free” trade killed our manufacturing, industrial and agriculture sectors which made America the wealthiest industrial nation in the world. Once robots replace humans, where will they go for work?

NIST Continues to Protect 9/11 Lies

America was attacked twenty-one years ago today, thousands of innocent human beings died and the cover-up began immediately. Those who still believe the “official” narrative of what happened are those who not only have done no research, but are too afraid of the truth to acknowledge what their own eyes saw.

Climate Change Scam Will Bring Death & Misery This Winter

Politicians across this country for votes began hyping how wonderful renewable energy is when in FACT renewable energy is

the LEAST reliable energy source on the planet. Only in the past year or so have Americans awakened to the FACT that those expensive electric cars depend on fossil fuels to recharge...

Protectionism vs Isolationism

Selling NAFTA by Congress and the biggest mouth being Newt Gingrich was America wants cheaper goods! Yep. NAFTA and the GATT/WTO gutted cities and towns across the country and there has been nothing cheap about it. Ask me because I've driven through hundreds from Sacramento to DC and back; north and southern routes several times.

87,000 New IRS Agents to Enforce the Big Lie

Nothing new for those not familiar with the IRS and their special agents armed to the teeth. And, make no mistake about this: Just as what happened a decade ago, these newly minted "public servants" will go after constitutional groups and non-profits fighting back against this in-your-face tyranny we are living in every day.

FLASHBACK: Letter to 1100 State Legislators

Knowing the truth will allow people to plan and go for solutions instead of more Band Aids. There's been a few hick ups with the market but as I said in my Global Depression column, what's underway will rock the world.

Global Depression is Already Underway

Joe Manchin was the news last week when he reached a deal to further RAPE the American people with more debt in cahoots with career crook, Chuckie Schumer [D-NY] regarding the globalist robber baron's bill. Biden is in the first stages of Alzheimer's disease so you can forget anything coming out of his mouth as coming from any original thought.

Honest Opinion of Recent GOP Primaries

I want to add a couple of things since I wrote the column below. The Democrat/Communist Party USA will stop at nothing to cheat in these on-going primaries and in November. While Republicans are winning their primaries, so many are RINOs and

will do the same as they've been doing to cure the cancers:
NOTHING.

Prosecute COVID Injections Conspirators Now – Number of Dead Staggering

As far back as December 2019, some of the finest scientific minds on this planet warned people NOT to take those mRNA experimental injections. If you don't die within the first week, millions will have severe reactions. Anywhere from four to eighteen months (could be as long as 3-5 years) those experimental injections will have been working on destroying your natural immune system.

Raping US Taxpayers to Fund Corrupt Ukraine

The American people, touched by the savagery of war between Russia and Ukraine, Putin vs. Zelinsky, opened their hearts and wallets. But what do they really know about why Putin – who believe me – is a ruthless, authoritarian (it's his way or the cemetery) moved against Ukraine?

Illegals Invasion: Sheriff Says Enough

Along came President Trump who had to fight RINO's as well as maggots in Congress, the Democrat/Communist Party USA and partisan judges who did everything they could to keep "the wall" from being built.

Congress Does NOT Care About Seniors

I turned 73 last week and am a widow. I can tell you stopping taxing my SS benefits would go a long way for my monthly budget. If you're a senior you know what I'm talking about and if you're not and God willing you live a long and happy life, one day you will also apply for your benefits you've already paid taxes on only to be taxed again.

EV's, Green Deal Destruction & Warning Extreme Diesel

Engine Oil Shortage

The communist plan known as the “New Green Deal” is nothing but a con job. Another catastrophe that will play out for decades and destroy our economy even worse than what’s underway. But, that’s always been the game plan for nearly 100 years. The communist plan known as the “New Green Deal” is nothing but a con job. Another catastrophe that will play out for decades and destroy our economy even worse than what’s underway. But, that’s always been the game plan for nearly 100 years.

Illegal Aliens Stealing Our Jobs, Food, Housing, Water, Clogging the Courts & Health Care System

How much food, water, gasoline, “free” cash and jobs are stolen by tens of millions of illegals every day in this country? Yeah, stolen as thieves steal from others. Not to mention as covered above depleting the resources of public schools and health care.

“Preferred Pronouns” Madness MUST Stop

Make your voices heard. If possible, get your children out of public schools that teach such immoral and dangerous rot. Enroll them in private Christian schools if possible, even if you have to sacrifice buying things to would like to have but can live without. Is it any wonder home schooling has skyrocketed?

What We All Must Do to Save our Republic

In May 2008, I visited the homestead of Nathan Hale in CT. Nathan Hale was hanged by the British at the age of 21. Before he was hanged, young master Hale said, “I only regret that I have but one life to lose for my country.” Just a kid he gave his life for future Americans to be free.

Tax Cuts, Fair Tax Schemes Keep People Herded in the Wrong Direction

For forty years the tax and spend Democrats ruled Washington, DC, looting the people’s treasury for social programs that are

clearly outside their authority under the Constitution. LBJ's great society jump started this insanity and sadly, my parent's generation bought into their chains of dependency and have passed this mess to my generation.

Help for the Obscene, Unnecessary Baby Formula Disaster

I spend a lot of time researching on the Internet (and books) and when I saw the headlines start popping up about this, I thought why? I half expected to see it is because of the Russia/Ukraine disaster. But, it appears baby formula manufacturers is pretty much controlled – just like the parasites who call themselves “mainstream media” by a small number of manufacturers...

Honest Opinion of Recent GOP Primaries

I've analyzed more elections than I can count as well as hammering on vote fraud since 1993. Like so many millions of Americans I've read countless books, watched videos and have been active at both the state and federal level. Worked to get candidates elected, voted for Trump twice.

Is it Possible to Have a World Without Cancer & Autism?

66% of all vet appointments are over gastrointestinal issues. The Gut, just like humans. I want you and your family to be healthy and all the beautiful children in the world with autism cured. It is absolutely critical, though, that the parent or caregiver follow the program to the letter. I want to see cancer a thing of the past or at the very least, rare.

Mexican Pirates vs. Constitutional Militia

The bottom line is the U.S. Constitution guarantees under Art. IV, Section 4: "The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

Term Limit Bill in Congress

Many states have term limits for offices such as governor. I live in Texas where a governor if elected other than by vote fraud can serve 50 years if that's what voters want. Lucky for Arizona their wimpy governor is being term limited out (2 terms) and hopefully, Kari Lake will become their next governor. Unless, just as Trump was cheated even though he hands down won in Arizona, Lake is defeated by election fraud.

Biden to Open Border to All – Constitutional Militia to Be Called Up

Gov. Abbott is using Band Aids to treat a patient on the operating table with a gut shot. Personnel in the agencies here in Texas have/are been giving it all, but come My 23rd, the big invasion will start and it will NOT stop unless Abbott takes drastic action to stop illegals before they put one foot on U.S. soil.

WARNING: Why Is Anyone Shocked China Joe Said This?

– Part 2

Most certainly I've known all about Vlad Putin and have read all Antony Sutton's thoroughly researched books on who and when financed the Russians, built up their military- We the American people. Many are free on line; the long list can be found on Amazon and then look for it perhaps at your library or free on line.

WARNING: Why Is Anyone Shocked China Joe Said This? – Part 1

Those who control Washington District of Criminals through use money and bestow massive power over Americans by cooperative members of the U.S. Congress and cabinets. The Biden family is just one on the long list of life time criminals because they play the game within a game. Just another marionette who lies every time he opens his mouth – lies fed to him by his handlers.

What Can YOU Do for Your Country? – Part II

Some of the most active people I know are in their early 80's

doing what they can. I will be 73 in June with not many years left. But, when I take my last breath I will know I did everything I could to help save a country birthed with the blessings of Almighty God. Please, don't let all the blood that was spilled be for nothing.

How Much History of Russia, Ukraine & NATO Do Americans Really Understand?

There is so much deliberate lying out there about what's going on right now but thanks to so many intrepid writers who actually do in-depth research, the truth about Russia & Ukraine both past and present, is getting to the people of the world. Ukraine is one of the most corrupt countries on the planet. I didn't say the average everyday Ukrainian Joe, but the oligarchs and their ever-changing governments.

Think You Really Know An Incumbent or Challenger?

Allow me to insert this here as it IS the raw truth. Many have already seen it but we continue to get new readers every day. There are a lot of truly constitutional based candidates running against incumbents. Rotten incumbents in both the house and senate who absolutely must be primaried out, but

it's up to US – YOU AND ME. First, though, we have to accept the bitter truth and fight back smart.

Death to Democracy in America Top Goal

I bring the issue of democracy up at this time because that's all the chanting going on right now: Saving democracy in Ukraine and around the world! What rubbish. Our Founding Fathers hated democracy as a form of government. They knew it amounted to little more than two wolves eyeing one lamb for lunch. Democracy is simply a form of government which destroys every country infected by it.

Jan. 6th Political Prisoners: Where are the Jerry Spence's to Defend Them?

This will not be a popular column but after 31 years in the trenches 24/7, I've had it with cowards, liars and thieves from both political parties at all levels of government – especially judges. I've had it with so-called Americans who spend more time yapping on those damn fancy phones than lifting one finger to help save our constitutional republic.

Re-Elect Same Incumbents: America Will be Dead by 2024

Since 1993, I and so many others tried our very best to get Americans to understand our elections were being stolen through modern technology. Millions of words, thousands of examples, speeches by me and so many others with proof. Get rid of hand counted ballots in front of the public and the tsunami of voter theft was underway.

No, You Didn't Test Positive for COVID-19

Americans who are informed about this monstrous plandemic scheme have been fully aware of the problem with testing for this phantom virus since April of 2020 – specifically the PCR test. The column below goes into detail about that test promoted by both the CORRUPT FDA (Federal Death Administration) and the CORRUPT CDC (Center for Disease Creation)

OSHA – No Authority to Force Experimental Injections

Fifth Circuit overturns nationwide injunction on vaccine mandate for health care workers, Dec. 15, 2021 – “In the underlying lawsuit from 14 state attorneys general, a federal judge in Louisiana issued a nationwide injunction against the mandate that cuts federal funding to Medicare- and Medicaid-certified hospitals, hospices and other care facilities if they employ unvaccinated workers.”

The Mother, The Son and God's Promise

Today is the big day. Christians around the world are celebrating the birth of our Lord and Savior, Jesus Christ. Lots of cheer, the Christmas tree, gifts and too much snow in many places. I hope everyone is able to be with their loved ones this day. I know things are very bad, but family is what makes our lives worth living, at least for me.

The Demonic Desecration of America

The destruction of all that made America good is in full

forward mode. What made America good is being replaced by mentally ill people who've succumbed to brain-washing through the media, schools (K- college grads) and "tolerant" politically correct parents, also victims of brain washing.

Biden's Christmas Gift: 13 Empty Chairs

The Taliban WE funded. Five months before 9/11, Bush, Jr., "gifted" the Taliban \$43 MILLION borrowed dollars for allegedly joining the 'War on Drugs'. Opium, heroin, poppy fields. Go watch this 4:40 video of Geraldo Rivera interviewing the commanding officer in one of the provinces: Our Marines were guarding the poppy fields. Rivera tries to spin it with "we tolerate it" BS.

COVID-19: Weaponized Flu Designed to be Endemic

Those experimental injections being sold as vaccines, which they are not, were sold as safe so line up and get yours now so America can return to normal. Despite the best efforts by scientists and doctors around the world warning do NOT take them, the iron fist of censorship by tech-giants like Facebook, Twitter, Google and the prostitute media

Americans Continue to Enrich the Chinese Communist Party

China's got big money woes but they can always count on the American people to continue buying from them because of those heinous trade agreements that destroyed our most important job sectors: Ag, industrial, manufacturing.

Can You Sue Employer: Mandatory COVID-19 Injections Death or Injury?

The relentless tyranny both here in the U.S. and in countries around the world to force those COVID-19 experimental injections on every man, woman and child is beyond surreal. The continued lying about SARS-CoV-2 being a virus [1][2][3] vomited up everyday is just more ignoring science.

Agony, Hope and the Grace of

God

Americans are the most giving and compassionate people on this earth. We can be very proud of that. We can be proud of saving the lives of people we don't even know. We are America strong and giving.

As Predicted Oct-Dec: Second Wave COVID Injection Deaths Underway

Scientists from around the world have warned for a year now how dangerous those experimental gene editing technology COVID-19 injections are to the human body. Yet the prostitute media and elected career political cockroaches – that would be members of Congress, your state legislature, governors, mayors, school boards and state health agencies – continue to encourage people to get injected.

Pentagon's Threat to OK National Guard: You'll Be Militia!

In case you are a new reader to my columns, I don't hate our military. My late husband was a disabled amputee retired U.S.

Army Colonel who had 27 years of honorable service. Lloyd Austin is a disgrace to the uniform and I don't give a tinker's damn the color of his skin. He's a fool and errand boy for the agenda.

Think “Vaccine Passports” bad? This is Already a Done Deal, Part 2

There's a lot of garbage peddled on so-called conservative web sites and podcasts. Those that use splashy headlines which most of the time are completely misleading are neither reporters or investigative journalists. They're wanna-be's who want you to click onto their site for ad revenues or buy whatever they selling.

Think “Vaccine Passports” bad? This is Already a Done Deal, Part 1

There are two more critically important components to this nightmare which I will cover in part 2. One deals with COVID-19 and the other is the Real ID which will be a shocker to Americans who are worried about what's going on. This is not something down the road it is here and now.

COVID Experimental Injections: Can Employers/Employees Sue OSHA?

There are so many lawsuits that have been filed over the past six months over those COVID-19 experimental injections one can hardly keep up. One court grants a stay and another simply kicks the case to the curb. Trump's Supreme Court Denies Religious Exemptions to Mandatory COVID-19 Shots to Maine Health Care Workers, Oct. 30, 2021

Supply Chain Catastrophe: The Real Genesis, Part 2

Supply chain woes worsen following Biden's intervention, October 29, 2021 – "Two weeks ago, Joe Biden announced with fanfare that he was taking steps towards having our main port facilities operate around the clock to alleviate the supply chain snags that are causing so much disruption. Since then, according to the Washington Post, the backlog of ships anchored off the coast of Southern California has increased.

Fauci Isn't the Only Sadistic Bastard

I could have added a hundred more photos that would break your heart, but I hope you will make your voice heard on this and if you're running for city council, county commissioner, your state legislature or Congress, make a promise you will work to stop such unnecessary and horribly cruel torture on helpless creatures.

Supply Chain Catastrophe: The Real Genesis, Part 1

Most Americans by now are aware of the supply chain catastrophe. As of October 22, 2021, more than 100 ships off the So Cal ports are sitting and waiting – many for weeks. More excuses have been offered up than one can count. This is just one of the real problems...

Either We Go After Plandemic Planners & Co-Conspirators or It Will Never End

Never in my life time have I seen what's been going on with those COVID injections. The resistance here in the U.S. and

around the world is unprecedented. Tens and tens of millions of Americans refuse to get injected even at the cost of their job.

What Can YOU Do for Your Country?

In college sports stadiums across this country and even car racing events, crowds are roaring F-Joe Biden. Some partisan brain-dead reporter at one of those events said, oh, no, you didn't hear F*ck Joe Biden, it was "Let's go Brandon". That set this new meme off on every social media flat form and it's all over the country and Internet.

Warning: True State of the Economy

Allegedly, the people of Nevada continued voting that career crook back into office. Reid retired in 2017 but make no mistake: He still runs the State of Nevada for the Democrat/Communist Party USA and their corrupt cheating ways. Dirty Harry Reid served in Congress (House & Senate) for 34 years.

50 Governors Not Bothered by Massive COVID Injection Deaths

The horrific number of deaths, permanent disabilities and very serious injuries caused by those Pfizer, Moderna and J & J COVID-19 experimental injections continues to skyrocket. The predicted second major spike, October through December is underway.

SARS-CoV-2: Isn't It Time Someone Did this?

Never in my long life have I seen what we're seeing now around the world regarding those experimental injections being passed off as vaccines to "protect yourself and those around you". In Australia, their lockdown situation is akin to being in prison...

Second Amendment: Massive, Dangerous Foreign Invasion by

Illegal Aliens

Trump was sworn in January 2017. Democrats allegedly swept the House in 2018. Don't believe that vote count. It was imperative to stop Trump getting the wall built as well as his other campaign promises. All the new Marxists were sworn in January 2019. Republicans controlled Congress under Trump long enough to fix this nightmare. They did NOTHING...

COVID-19: The Omega Brief

When career criminal impostor president, Biden, issued his handler's latest unconstitutional mandate, state governors went ballistic. Americans who have refused those gene therapy injections now have even more fear of losing their paycheck. That walking corpse has no clue what's going on.

9/11: The Unspeakable Film Premiere

I firmly believe Flight 77 did not crash into the Pentagon. In the past 30 years, the three issues I've written a million words about after spending a zillion hours doing research are the Federal Reserve, 9/11 and COVID-19.

Can the CDC, FDA, Fauci & NAID Be Sued for Fraud?

The best, smartest, most experienced and courageous molecular biologists, biologists, virologists and doctors who've been speaking out here in the U.S. and other countries will be expert witnesses in a court room. Dr. David Martin on the State Little RICO. The list is too long to name each one but we've got them to testify.

COVID Injections: Killing, Permanently Disabling Nurses, Doctors, Teachers

I highlighted a web site in a recent column regarding victims of the experimental injections being passed off as vaccines. Here is their short introduction and letter begging for help. (Bold emphasis mine). How many more don't we know about as tens of thousands of Americans are suffering?

Replacing “President” Harris: The Long Game

In the meantime, pray for Americans and our military trapped in Afghanistan. Thousands will likely not be able to get out. I know private charities and groups (former military) are running “digital” rescue flights to get Americans home using technology to coordinate with those trapped outside the bigger cities, God bless them.

Afghanistan: Predictable Outcome

Nowhere in the U.S. Constitution does it authorize a president or Congress to steal from the people’s treasury to fund foreign humanitarian efforts or nation building. Humanitarian efforts should and are funded through private organizations and charities. The fact that there’s never enough money is the fault of dictators, potentates and crooks running countries around the world.

Stop COVID Injections: Cut Off the Head

Career criminal, Anthony Fauci, long ago lost the respect of

many governors and a large number of Americans. Only the brainwashed continue to think Fauci the Faker has any credibility left. Doctor Death as he is called, needs to be indicted along with a number of major players in this scheme.

COVID-19: The Canadian & The Walk Outs

This really goes to heart of what caused the panic thanks to the prostitute media which birthed lockdowns based on a science project by a 14-year old child. How obscene is that? Pushed hard by career criminal, Anthony Fauci and all the other “experts” who’ve brought Hell to America wrapped in fake science.

Mandatory COVID-Injections: More Information & Resources

My August 2, 2021 column, Mandatory COVID Injections: What Can Be Done? provided some resources to fight back against employers demanding workers submit to taking a COVID-19 experimental injection or lose their job. Demands which violate federal law and the Nuremberg Codes.

Mandatory COVID Injections: What Can Be Done?

Why? I submit to you – and I could be wrong as I'm neither a doctor nor a scientist but only one who has spent thousands, not hundreds, of hours researching for the past 17 months – COVID is not a virus but a weaponized flu, if you will. That might sound preposterous unless you have read as much as I have which I've covered endlessly in columns.

COVID-19: Why Are American Scientists Silent on This?

From day one this mysterious “new novel” coronavirus was labeled that and remains today as a virus allegedly released from a bioweapons lab in Wuhan, China. Then along comes scientists and researchers who state no one can prove – not the CDC or any other government or health agency or lab in the world – including the Koch Institute in Germany has a purified isolated particles specimen of that virus.

COVID-19 Patents: State Little RICO Acts Prosecution?

On July 16th, I was on the phone with Larry Becraft who is

lead council on the EUA lawsuit explaining all this when that Open VAERS web site and sections all went down at the same time. When it came up about five minutes later, I hit on several links I had flagged for ID case pages and surprise, surprise.

COVID-19 Not a Virus: Can Any Scientist Prove Dr. Stefan Lanka Wrong?

My April 5, 2021 column, COVID Vaccines: Dead Must Be Autopsied, dealt with getting anyone who dies after one of those injections whether it was last Dec. or last week. Why? Because this so-called SARS-CoV-2 does not exist. Every one of the tests being used is fraud, fakery. The truth about using a PCR test continues to be heavily censored.

Evil, Madness or Narcissism?

Those Americans who know the big picture are constantly asking: Why can't people see the truth? Why do they buy into the madness that's been saturating our country for decades? How come liberals and progressives cannot see the truth? First one must remember the goals of the Communist Party International...

COVID-19's 800 Ton Elephant in the Room

Here in the U.S., the prostitute media continues to toss out numbers like rice at a wedding with zero science to back up their inflated numbers. 600,000+ Americans have died from COVID-19. A provable, bald faced lie. 26,000,000 "cases" is another bait and switch game full of holes like a spaghetti sieve.

COVID Injections: Whistleblowers & Horrific Number of Dead

The new June 11, 2021, data dump on VAERS is stale, by design, I believe. Personally, I've believed for months the CDC has been deliberately dragging their feet getting the data posted to VAERS for political reasons. Weeks behind but there's more to what's been going on than we knew.
