

By Definition: We Live In Bewildering Times

Are you confused about life in 2023 America? Are you confused about the meaning of a boy or a girl? Are you stymied as to why we have borders to protect our country, but our president has invited the largest invasion of criminals over those borders for the past 26 months? Does it concern you that drugs such as fentanyl have killed 100,000 of our youth annually...

What The American People Weren't Told About January 6th

We're being led by a president with severe dementia, forever Senators and House members who are so corrupt, they would shame Caligula, Al Capone, Charles Manson, John Wayne Gacy, Ted Bundy, and Jim Jones.

Can Our Country Be Put Back Together?

My question repeats itself: are we going to ever stitch this country back together? Are we ever going to enjoy racial peace? Are we going to fix our schools? Are we going to

protect and defend our borders? Are we going to repair America's emotional and spiritual balance? Or, is this nation going straight to hell?

Our Completely Decrepit & Incompetent President

In reality, everyone is waiting for him to keel over dead, or suffer a heart attack or a stroke. But in the meantime, he's taking this country apart by not serving the American people. Historians will write that this is America's dumbest hour, and this president is the worst in American history because he was incapable of serving the American people.

Affirmative Action, Equity, Diversity, Inclusion, Transgenderism: Recipe For Disaster

That's how a society thrives. It's how America succeeded. It's how all of us benefit from the truck driver to the first-grade teacher to the carpenter to the dentist to the waitperson. Whatever you're doing from the janitor to the CEO of a corporation, you're benefiting this society by your actions, your responsibilities, and your personal gifts.

Train Wreck In East Palestine, Ohio: A Living Nightmare

When transporting such deadly chemicals by rail, why wasn't the train going slower? Why weren't the tracks checked for defects? Why hadn't Norfolk Southern maintained the utmost in maintenance for such a deadly cargo being transported on its tracks? Why weren't standards in place to make sure that such a tragedy never happened?

What Are "They" Doing To Our Country? Will We Survive?

While listening to NPR over the weekend, Scott Simon casually announced that the United States of America in the past 12 months, via Joe Biden and Congress, imported 100,000 Ukrainian refugees. He flew them 8,000 miles to our country, put them up in hotels, spread them across the nation and will be feeding them for the foreseeable future. Who paid for all of it? Answer: your tax dollars!

We Are Teaching Our Kids Violence In America

In a few words, I think our country is TOO big, TOO complicated, TOO fast, TOO multiculturalized, TOO crazy and going more insane by the day. And, as this system adds more human misery and humans without purpose or community connection...it can only worsen in the years ahead.

Our American Ecological Footprint Is Three Times Larger Than Our Country

As you know, Biden and Congress have invited over 6.6 million refugees into our country within the past 25 months. The next 24 months with Biden's push to leave our borders open to anyone and everybody will result in another 6.6 million people. That's over 13.2 million added people and another 4.0 million of their babies.

The Mannequin President: Stilted Walk, Not Quite

Alive, Shaking Hands With The Air

Let's face it, Joe Biden has been blowing hot air and shaking hands with other politicians for over 50 years in that den of thieves, liars and cheats called Washington DC. Notice how they promise to solve America's problems during their stump speeches, but when it comes down to brass tacks, they fail the American people on all fronts.

Your Anguish May Be My Anguish: Climate Change, Open Borders, Unlimited Criminals

You may be wondering what kind and how many incompetent elected officials continue running our country over a cliff. Whether it's the president or his handlers, who must be as senile as he is, or it's the woke crowd—or it's simply all too much to grasp. Whatever is going on in America, you can't quite intellectually grapple with the insanity of it all.

Tell Me Exactly What Is The

Meaning White Supremacy, Again?

Worst of all, the American people sit by and watch it happen...and do nothing to stop it. They continue voting in the same corrupt Congressional critters...so they get the same results. In the end, the inner cities will continue with crime, murders, mayhem, misery, suffering and anarchy.

Americans Not Aware of China's Onslaught of the USA

One writer who asked to remain anonymous said, "The Smithfield Foods acquisition is a good example. Smithfield Foods is the largest pork producer and processor in the world. It has facilities in 26 US states, and it employs tens of thousands of Americans. It directly owns 460 farms and has contracts with about 2,100 others.

Transgender Woke Balderdash: I Am A Cat

What astounds this journalist stems from the fact that guys pretending to be girls weren't allowed to compete against real women at the U.S. Open, Wimbledon, Australian Open, French

Open or any other big tennis venues. Why? The crowds would have “Booed” the DNA male tennis players right out of the stadium.

251,400 Border Jumpers in December: This Is An Invasion Of America

According to the Associated Press, the U.S. Border Patrol reported that it processed 250,400 illegal alien border jumpers last month, December of 2022. All of them were placed on airplanes, busses and trains to be distributed all over America. All of them were invited by Joe Biden...

Anti-American Media Terrorists: Reid, Lemon, Sheila Jackson Lee, Whoopi Goldberg, Al Sharpton, Maxine Waters

As you enter 2023 with your hopes held high for a good year for you and your family, you can't help but wonder how we're going to survive the continuous attacks on the “character” of

the United States by what might be termed, “media terrorists.”

Importing Barbarians Into America: Animal Sacrifices In Hamtramckistan, Michiganistan

As a first world country in the 21st century, how much further can we degrade our society back to the 6th century? How can we allow “animal sacrifices”? How can we tolerate Halal suffering of animals? How can we tolerate female genital mutilation? How can we accept honor killings...

The Exponential Growth Factor: What It Means To Your Future in America

The United Nations stated that India expects to become the most populated country in the world this year, 2023. In other words, India will exceed China’s 1.45 billion people on India’s way to 1.55 billion within three decades. Which, as you can imagine, equates to a “blink in time.”

A Pretend President Pretending To Protect America's Borders

If you had visited America's southern border in the past 24 months, you would have discovered yourself facing 6.6 million illegal refugee border jumpers. That's more than many of our states' populations. You would have witnessed millions of fentanyl pills, heroin, meth, ecstasy and other deadly drugs pouring over the borders.

Educational Equity, Racist Mathematics, Lowest Common Denominator

The farther a society goes down the "dumb" rabbit hole, the sooner it ends up in chaos, mayhem and breakdown. You can see examples all over the world in places like India, Mexico, Africa, and South America. Nothing works because most of their citizens lack educational excellence to repair electrical outlets in buildings.

Charles Manson Was Right In His Madness: Helter Skelter In America

If you look across America in 2020, 2021, 2022 and heading into 2023, you're watching Charles Manson's Helter Skelter mayhem playing out in big cities across the land. Mass shootings, school shootings, individual mass murders like the one in Moscow, Idaho...

Your Dreams For Your Life In 2023

Along your path, stick your neck out. Sniff the wind. Harness your mind. Call upon your muscles to engage. Gaze upon the horizon with your eyes. Remain alert to the creative process.

Inequities, Ironies and Insanities In 2022

How much longer can our country continue on this kind of unethical path where so many of our House and Senate members are dishonorable, our president is senile beyond anyone's comprehension, and we citizens are taken for fools?

This Christmas: A Letter of Thanks to My Dad

When I finally breathe my last breath, I want you to know that I made you proud. I honored you in my daily life. I know that you were never a famous man...and at the same time, you've been the highest towering figure in my life. I sure hope you're still umpiring behind the plate in Heaven.

Christmas Gift: Your Fate Follows Your Vibrations

By changing your inner thoughts, by acting on your highest vibrations and by moving with those energies that transform you—you in turn, transform the world. If a little child in a manger can transform the world with his or her vibrations—you carry the same power in your sphere.

Pedaling To The Edge Of The Map

Later, I rode up on Monkey Mia Beach where I discovered some people playing with dolphins racing around in the water. The

Aussies invited me to play with the dolphins, too. I jumped into their play-pen to catch a ride on their dorsal fins. I was literally dancing in the water with wild Indian Ocean dolphins. How's that for pedaling to the edge of the map?

Brittany Griner Who Hates America Vs U.S. Marine Paul Whelan Who Served America

Help me understand this situation that unfolded on the international stage last week. We had a “supposedly” female Women’s National Basketball Association player named Brittany Griner, who hates America, receive a swap with the “Merchant of Death” Viktor Bout of Russia.

America Becoming An Old Nation, A Lost Nation, Bereft of Identity

Will America become like Rome, Troy, Greece, Great Britain? Will it simply fall into the ash-heap of history? You might ask yourself, what am I doing to support, defend and secure America for future generations?

A Methodical Path To Destroy America: The Butcher's Bill of Illegal Immigration

Did you watch the video on Tucker Carlson last Friday night (Tucker Carlson, Fox News, Dec 2, 2022), where two minority kids in their twenties walked into an Apple Store in front of customers and swept \$35,000.00 in products into their bags and walked out without anyone stopping them and no police chasing them?

If America Stays On This Path: This Is Where It Will End

That totals 6.6 million individuals who now reside in America illegally in the past 22 months. But it doesn't end there. Another 2.0 million refugees legally migrated into the United States from January 2020 to December of 2022. They arrived from 140 different countries.

I'm Just Sad At What's Happening In Our Country

This Christmas, with love and respect for God and our fellow Americans, we need a Renaissance of Thought and Action in our country. I say my prayers every night...hoping for a better tomorrow. What are you doing to bring such a Renaissance to your family and community?

This Thanksgiving: Forgive Them Anyhow

During Thanksgiving, let us do our best to lighten our emotional loads by appreciating our friends, thanking our parents, enjoying our neighbors and forgiving those who have hurt us. Let us all work as Americans toward a more peaceful, united and stable society.

Something Fundamentally Going Wrong With Our Country

Our founders based the success of the U.S. Constitution and the Bill of Rights on the premise that most if not all of our citizens contribute to their country via educated, moral, ethical, personal accountability and personal responsibility

as the mainstay of our laws. Obviously, that ain't happening!

Humanity Just Hit Eight Billion On This Planet: What Does It Mean For America, Canada and Europe?

Canada has seen over 2,000,000 refugee migrants cross its border to the invitation of Justin Trudeau. Those middle eastern and African refugees are changing the entire culture of Canada into a mixture of racial conflict, welfare burden for Canadians and outright overpopulation of that once sane country.

Our Enormous, Insane, Crippling National Debt: \$31 Trillion

What's the worst part of all this nightmare? From what this journalist can tell...it's only going to get worse. And, since our own leaders fail us at every juncture, there's nothing we citizens can do about it. And, from the elections last week, we voted most of the same idiots that have done nothing to secure our borders...back into office.

A Few Post-Election Thoughts: Our Tumultuous Future

You gotta' ask, how much worse does the crime have to become? How many millions more refugees do we have to import before our society breaks down? How many more drug overdose deaths will it take to close our borders? How much more in debt do we have to fall before our entire system fails? When are we going to solve our problems rather than import more of them?

Democracy Is On The Ballot: Actually, Viable Candidates Are On The Ballot

If you're sick and tired of the nightmare Joe Biden and his supporters have created, vote for anyone but the people who support and allowed 6.1 million illegal refugees to violate our borders, endless drugs killing 100,000 Americans annually, inflation, waste, racial conflict, rampant crime, no answers to our problems, and a continuation of incompetence.

Affirmative Action: The Most Racist Program In America

Affirmative action is a policy in which an individual's color, race, sex, religion or national origin are taken into account to increase opportunities provided to an underrepresented part of society. What affirmative action isn't: it's not based on achievement, effort or intellectual abilities.

Breakdown Of The American Family: Tom Brady & Gisele Bundchen

You're darned right! You need to be matched up with a spouse that shares those eight factors. That way, you don't have to "work" at your marriage. You simply enjoy each other, and life shows you a great time!

Why Are Our Borders Wide Open To Everyone In The World?

Who exactly continues to destroy America with open borders? Is it Biden? his handlers? Is it the New World Order people? Is it Soros? Is it the people attempting to imitate the European Union by creating a North American Union

of Canada, America, Central America and Mexico?

Joe Biden & His Handlers Place NO Value Or Respect For U.S. Citizenship

Are you not tired of getting screwed by President Biden, and/or his handlers (really...does anyone think Dementia Joe is running this country?) He can't even finish a simple sentence or walk up a flight of stairs. How much worse do you think it will become in the next 27 months?

St. Louis, Baltimore, Chicago, Philadelphia, NYC, LA, And San Francisco Becoming More Like Detroit

But today, we're seeing a U.S. Senator candidate, John Fetterman, from Pennsylvania promising to empty more than half the prisoners from that state's prisons. We've got NYC District Attorney Alvin Bragg failing to keep criminals off the streets by giving them immediate "bail-less" free passes.

What About America's Conflicted and Confused Future?

Islamic schools in the United States teach the purpose of Islam is to impose "Allah's divine law – sharia – on all humans on earth." Sharia mandates that all non-Muslims convert to Islam or be subject to capital punishment."

Is There Something Drastically Wrong With American Society?

Well fellow American, I am sick to my stomach at how we treat ourselves and how we treat our animals. Is there a way to solve this daily nightmare across America? Or is it just too big, too much and too pervasive to change?

The Biden Border Rush IS A

National Disaster: By Design

Take a look at Sweden, Denmark, Norway, France, United Kingdom, Germany, Finland and Belgium. They are losing their identities, their languages, their cultures and their way of life. Here's a harsh reality: they are not going to get their countries back.

What's Going On At The Mexican Border Right Now Is An Invasion

We need a national outcry to stop mass legal and illegal immigration into America. Otherwise, your children are screwed, and their lives totally ruined. If you are alive in 2050, you won't like what happened to your country...the United States of America.

Autumn Gold Backpack Adventure into Mt. Holy Cross

In late September, changes arrive in the High Country of the Rocky Mountains. A whisper of cool winds rustles through the trees. The mountain creeks run low over their rocky beds as the snowfields diminish from their summer melt. Forever green

If I Had Elon Musk's \$250 Billion Bank Account

Over 60 years ago, in the infancy of television, from 1955 to 1960, a wealthy benefactor gave away \$1,000.000.00 to lucky recipients. During the program, the benefactor tracked their lives, their choices, and their outcomes.

War On Western Culture: Why?

We are being diversified to death and multiculturalized to death, and immigrated to death by the hands of our own Congress and this president. Reality: we don't need one single more immigrant added to our country, period. In fact, every new immigrant added is another brick of destruction...

War On Western Culture: Why Continue Along Our Current

Path?

Joe Biden said, "We want an unrelenting stream of immigration. Non-stop. Non-stop. Folks like me who were Caucasian, of European descent, for the first time, we'll be an absolute minority in the United States of America. Absolute minority."

War On Western Culture: Will We Survive What's Coming?

The harsh reality we face: if we keep allowing endless refugee immigration into America, at some point, whether it's in Detroit or Minneapolis where a virulent religion prevails, we'll hear something like what's happening in Sweden...an imam will proclaim, "Michigan is America's first Islamic State and Sharia Law dominates...long live Allah."

War On Western Culture: Losing America's Identity

Do you think we're going to survive this invasion of cultures and languages? Will our youth survive the endless drug invasion? Will we survive our mass functional illiteracy? Why don't the goofballs in Washington DC not see what's happening? Why are they allowing, and in fact, applauding Joe Biden's total disregard for our country's borders?

War On Western Culture: Losing Western Identity

If I were in power in America? I would create video instructional programs in schools that show every student what he or she faces if he or she chooses crime of any kind. We're talking hard time in a cell and what it's like in a prison yard. Let each student know what they face if they choose crime.

War On Western Culture: Crushing The Modern World

As reported by the media, Memphis' murders reached over 352 in 2021. Even more tragic, if the two had reversed skin colors, Memphis would still be in flames as of this writing. But because she was white, the legal process will move forward without BLM rampaging throughout the city.

Joe Biden: His Worst Speech

In American History!

For certain, millions will race across our open borders until we no longer enjoy our own society. We will resemble a third world cesspool of illiteracy, cultural chaos, linguistic confusion and religious conflict. That's what's coming out of Joe Biden. He will prove to be one of the worst presidents in U.S. history...

Is There Really Any Human-Caused Climate Change Going On Around This Planet?

Here in America, we can't even solve the documented 540,000 homeless in our own country. I just traveled along the West Coast last month. Good grief! Los Angeles houses 66,000 homeless with no solutions. Over 35,000 suffer homelessness in San Francisco. It's no longer that romantic "City by the Bay"...

A Morning to Remember: Magic of Glacier National Park

Canada to Mexico, Continental Divide, waking up to a sunrise over St. Mary's Lake, Glacier National Park. With such energy in the air and such visual transformation, we felt blessed to

see the sky, the long white cloud wafting over the valley, two grizzly bears, eagles, deer and wildflowers.

Is Anyone Taking Climate Change Seriously? Apparently Not!

My challenge to Time Magazine editors: get off your complacent rear-ends and start reporting the down and dirty facts of what we face: massive human die-off, endless animal extinction rates, accelerating water scarcity, growing loss of energy, exhaustion of natural resources, toxic biosphere from 10 billion people burning fuel to eat, keep warm and transport.

Part 2: Will America Survive Our Multicultural Future? The Rest Of The Plan!

If you've ever heard Victor Davis Hanson interviews with Tucker Carlson, Hanson's probably the smartest and wisest historian in America. His book predates Murray's book by 20 years. Southern California has been devolved into El Norte Mexico of America.

Will America Survive Our Multicultural, Diverse And Divided Future?

CNN's Joy Reid makes bold statements that ours is a racist, white supremacist and systematically "white privileged" society by European Americans. The author of Critical Race Theory states that "white privilege" dominates America.

Trying To Wrap Your Arms Around Our Criminal Society

For what this society once was after WWII, it's almost beyond frightening as to what's coming once the baby boomers die out. There won't be any moral, ethical or spiritual foundation left to carry on our way of life. Why? Because the Constitution needs a responsible, educated, moral and ethical citizenry to continue.

Honor Killings In America and

Female Genital Mutilation in 2022

Muslims call it “Sharia Law” and for them, it supersedes America’s Constitutional Law. They have no intention of ever becoming citizens of America, but in fact, expect to continue their conquest until we submit to their Sharia Law. It’s creeping across America with every Muslim immigrant added.

Betrayed By Our Own President: Drugs Pouring Into America

Last week, I listened to NPR’s Terry Gross interview Scott Higham, the author of American Cartel, the opioid death crisis overwhelming America in 2021 with 107,000 overdose deaths. Please note that authorities expect another 100,000 deaths in 2022.

Learn How To Dribble A Football: Life Calls You

How Do We Make The World A Better Place? Gossip—The Devil’s Radio

When confronting or dealing with small mindedness or a toxic environment, whether at the office or at home, the key remains openness, hearing all sides and an appreciation of all perspectives. Once you move issues into the open, many people step to the positive side of the equation. In the end, you vanquish the “devil’s radio” while you open lines of communication for better understanding...

I own my mistakes and I apologize for my mistakes. Thank you for your kindness. God bless and keep you and yours, Frosty Wooldridge, Golden, CO

America in 2022: Leaderless, Rudderless, Confused, Muddled

When you see that the President of the United States must use a cue card to tell him where to sit, stand, speak and shake hands—you might deduce that this country lacks a competent leader. When you see him reading a teleprompter and repeating at the end of a quote, and he reads it, “...end of quote”, you might figure out that he doesn’t know what he’s doing or what he’s saying.

What’s This Non-American Demographic Going To Look Like In 30 Years?

Most Americans go about their daily lives by eating breakfast, going to work for eight to 10 hours per day, and driving home to dinner with their families. Most Americans don’t really know what’s going on in Washington DC, because the mainstream media hides pertinent information that affects us now, and into the future.

We've Lost Our Moral Footing: Hang Them All In The Public Square

With my last column titled, "America's Ethicality, Morality and Decency Quotient Spiraling Into The Toilet" July 14, 2022, your responses dropped in like paratroopers landing in France during WWII. Many of you expressed your fury as to what's happening to our country. Others felt saddened.

America's Ethicality, Morality and Decency Quotient Spiraling Into The Toilet

It means we're losing the basic tenants of bringing up our children to be responsible, honest and contributing adults in America. It means that we all pay for that \$52 billion in stolen goods annually. It means that anyone of us can get killed by felons let back onto the streets.

What's Happening To Our

Country?

We see our baby boomers as the fattest, most obese generation ever on the face of the planet. We're seeing their kids following in their footsteps. We've got millions upon millions of kids tattooing their bodies into total "ink disfigurement." And, countless millions of kids addicted to cell phones, so much so, they can't operate without those phones.

This Ain't Norman Rockwell's America Anymore!

This country faces some really nasty events in the near future. We've got useless politicians who won't prosecute criminals, an absolutely senile president who lacks any understanding of what he is doing, and his "handlers" are as incompetent as he is, and, to tell you the truth from my position...nothing is going to change for the better.

Part 3: What Do We Do About The Homeless In America? Are There Any Answers?

If you look at cities like San Francisco, Los Angeles and

Chicago...you're watching dying cities. It's amazing to me that we saw Detroit, Michigan "die" in the 80's and 90's from lawless tribalism by minorities, and now, we're seeing it repeat in our other big cities.

What Do We Do About The Homeless In America? Solutions!

When the woman who wrote me for solutions to the homeless problem in Los Angeles, she described her feelings of "homeless fatigue." Yes, we must possess compassion for hundreds of thousands of Americans who either became homeless by their own poor choices, or by the economy and loss of jobs, and/or drug and mental problems.

What Do We Do About The Homeless In America?

For the record, America suffers from a documented 540,000 homeless people. They languish in the streets of our big cities, in the woods, in U-Haul storage lockers, in tents, in abandoned trailers, in vacant warehouses and in just about every state in the Union. They are white, black, brown, veterans, men, women and children. They are alcoholics, drug addicts and run-away teens from abusive households.

Part 3: Interesting Responses To My Commentaries: Flood The USA With Third World Refugees

Without a doubt, the United States stands eyeball deep in trouble in 2022. It's not only the gas prices, food prices and tremendous political divide—it's also about the loss of the rule of law, common decency of citizens toward one another in the big cities, and most importantly, a loss of loyalty to our country.

Part 2: Interesting Responses To My Commentaries: Great Points

In speaking with a retired cop friend, he says that places like LA, Chicago, New York, Miami are what cops call self-cleaning ovens. As EBT cards stop, food stops, money system fails, like Rats in BF Skinner's experiment, they will self-clean. I see it beginning with massive uptick in violence in Miami. The key is to be a couple tanks of gas away from any of those places.

Interesting Responses To My Commentaries: Thank You Everyone, Part 1

To each of you who write me responses. Thank you from the bottom of my heart. Sandi and I are doing the best we can as to Alzheimer's. We're also doing the best we can to bring America back to its foundation, morality and ethics. It's going to be a hard slog, yet we're going to be here for at least another 10 to 15 years...so you will be hearing from us.

Several Flavors Of Stupid Facing The American People

We're paying \$5.00 a gallon for gas all over the country in 2022 because of choices in 2021 to shut down the Keystone Pipeline that destroyed our energy independence. In California on the Big Sur, I paid \$8.55 a gallon. I even took a picture of the gas pump. What form of stupidity would you call that when our leaders are strangling us at the pump?

Uvalde, Texas: A Date That

Will Live In Infamy

Instead of spending \$6 trillion on two–20-year wars in the middle east that accomplished nothing, shouldn't we care of our country and our jobs, and our families? What about enacting stiff laws to prevent rampant crime, irresponsible gun sales to youth and solid jail consequences?

Part 3: Absurdities Of Our Times In America–Unreasonable

As to the racial equity push, United Airlines reported that it will have 50 percent “people of color” in the cockpit within two decades. They stated that too many airlines pilots are white. It begs the question: when did skin color qualify anyone to pilot a 747 jetliner?

A Bursting Heart: Dynamic Infusion of Intentions

Doyne created a Nepali board of directors and established an orphanage: Kopila Valley Children's Project. She formed an NGO by using her last \$5,000.00 to buy a boarding house. This mind you, at the tender age of 22 years old.

Why Are The American People Ignoring This Phenomenon?

Ever since 1965, this national phenomenon has been working on changing the entire demographic of America from a successful European-dominated Republic to a country racked with violence, racial strife and ultimately, disintegration.

Part 2: Absurdities Of Our Times In America—Just Irritating

How absurd were 107,000 opioid overdose deaths last year in the USA? But then, how absurd is it that Biden invites all the drug cartels to invade our open borders with all their drugs. Biden is a one man drug cartel himself! And, your kids are paying a severe price. Absurd? It's off the wall absurd.

Absurdities Of Our Times In

America

What stands as our most absurd moment in American history? Answer: a purported 51 percent of Americans voted for a senile, old man who has accomplished nothing in his entire life in Congress other than give blow-hard speeches. And, now, he's running America into the ground faster than a bullet train.

Why Is Everyone In America Avoiding This Topic?

In April, I spent most of my time in Arizona. It's hot, dry, suffering from severe drought, with spontaneous wildfires, and temperatures in the summer at 120 degrees. To walk outside equates to jumping from your air-conditioned house into a frying pan.

Roe vs Wade: Ironies, Dichotomies, Human Tragedies

I want to make this very clear: I do not support abortion. It's the taking of an innocent life in the womb. By any other name, it's murder. As a matter of fact, we are the only animal on the planet that aborts its young. So, what I'm going to try to do in this column is mark the ironies and the

pitfalls of humanity's current problems in the 21st century.

What's Happening in Africa, China, India, Mexico?

In March, 221,000 illegally jumped our borders to be distributed throughout our entire country by Joe Biden. The same numbers will continue to flood into our country in April, and every month for the rest of this year. They will add up to 2,000,000 illegals within our country.

Alzheimer's Disease Rampaging Across America: It Just Hit Our Home

This is a very painful column for me to write. It's painful because my wife Sandi, the love of my life, my dance partner, my camping partner, my funny partner, my bicycle partner, and movie partner—has contracted Alzheimer's Disease. We've already cried buckets of tears, suffered from futility, depression and anger at what has happened to us.

The Non-Equity of the “Equity” Movement to Bring Everyone up to Equity

First of all, Black America enjoys more advantages than any and all Africans or other people of color anywhere around the world. Blacks enjoy the highest standard of living, billionaires, housing, jobs, sports, entertainment dominance and SO many other areas. It's a privilege to be Black in America.

Cognitive Dissonance: The Ministry of Biden's Truth

And this from GOP congressional candidate Errol Webber: “Adolf Hitler had a Ministry of Truth...Joseph Stalin had a Ministry of Truth along with Mao Zedong. All of them were dictators. Who Is John Galt? Why, It's Elon Musk of the 21st Century

In Rand's book Atlas Shrugged, she featured John Galt, a man who bucked the norm, a man who stood his ground, and a man who

made a difference. In the 21st century, billionaire Elon Musk may be the new John Galt. It took a pair to buy up radically left-leaning Twitter for \$44 billion.

Quiet, Tranquil Sweden: Now Rioting and Burning

Swedish professor Eva Vlaardingerbroek said, “I blame the liberal left-wing elites who have allowed all of this to happen because they know that they have allowed these people to come into our countries with vast numbers. And they knew that this was going to happen because this is all part of their plan to destroy our social fabric and to destroy our identity and our society.”

The Dramatically Devolving and Changing Face of America

Each day, Joe Biden and Congress import an average of 10,000 legal and illegal third world immigrants into our country. They can't speak English. They lack any educational background. They carry corrosive cultural practices. They head toward the welfare and food stamp offices of each city where Biden flies them. They arrive from 190 different countries at your expense.

Let's Face It: We're Being Invaded At The Hands Of Our Own President

But the even greater mystery stems from the fact that our U.S. Congress remains in full complicity with Biden's treasonous acts. Why not stop him? Let's face it, Speaker Nancy Pelosi impeached Trump twice over a phone call and a whim about January 6th.

Green Energy: What It Really Costs You

Bartender AOC screams "Green Energy" from her high perch in Washington DC. Like a third grader, she doesn't possess a clue about what she's screeching to all of us. At 79, Joe Biden ramps up his own call to push America for Green Energy, but In reality, he doesn't possess a clue, either.

Growing Old In Your Own

Country You No Longer Recognize

We look in vain for a Ronald Reagan, a Lincoln or Teddy Roosevelt. Instead, we find corrupt clowns like wizened Nancy Pelosi, Commissar Ocasio-Cortez (the Cuban pinup girl selling socialist snake oil) and our president – a cranky septuagenarian slipping noisily into senility.

Thanks To Congress: What America Will Look Like In 2050–Cultural Disintegration

If you're not in tears or feel a shot of fear up your spine when you read the facts, you might be brain dead. Your children will inherit this demographic nightmare. My latest book describes their coming ordeal: America's Overpopulation Predicament–Blindsiding Future Generations.

New Latino-Hispanic Majority US Population Demographic By

2042

Not mentioned in the USA media: racism flourishes all over the world where different racial groups co-exist. Mexico supports entrenched racism. Japan manifests racism by its non-immigration stance and sense of superiority over most other races. Racism abounds in the Middle East. Same in South America!

America's Downward Spiral: It's The Little Things That Add UP

If you have traveled to America's southern border with Mexico—like I have six times in the past 20 years—you would be appalled at the sheer numbers of 25 million migrants who have jumped them illegally. You would be witness to endless thousands of tons of trash along that 1,952-mile border.

America's Downward Spiral: Why Is Congress Doing It To Us?

At the same time, in excess of 100,000 homeless Californians she represents, live with drugs, poverty, alcohol, and

futility. She hasn't, won't and refuses to help them. They constitute the wretched masses that can eat dirt while she shows off her \$20.00 pints of ice cream at her mansion.

Church Leadership & U.S. Congress: 100 Percent Responsible for America's Downward Spiral

But along with that, Biden invited billions of dollars in drugs that are being distributed all over America to your kids. Over 100,000 opioid deaths last year! Do you think one single Senator or House member has or will stop the flood of barbiturates, ecstasy, fentanyl, and heroin? Answer: NO! Who suffers? You and your kids.

Greatest Practical Joke In America: Will "Lia" Thomas—A Guy In a Girl's Swimsuit

How a DNA male swimmer can put on a girl's one-piece bathing suit and compete with girls must be senseless, most misogynistic, and REALLY creepy, if not emotionally warped choice in this day in age.

Ethnic Conflict, Racial Conflict, Religious Conflict: Humans Are Deadly

Every day in America, men kill three women in domestic violence incidents. In Muslim lands, annually, men kill 20,000 of their wives or daughters known as “honor killings” because the women said or did something that displeased the savages of that peaceful and delicate religion.

Non-Assimilating Soup Of Ethnic Diversity

All I know stems from the fact that children, mothers and old people face death daily from an invasion of Ukraine. Additionally, those young conscripted Russian boys die like flies. Those young and old Ukrainian men die by the thousands. Over 2,000,000 refugees flee to surrounding countries. What's to become of them? Who is right? Who is wrong? Is Putin a hero? Is he a monster?

The Night Watchman: How Biden Drove Up Our Gas Prices

While all of the above is quite true, the summation of the DOE leaves out the important fact that during the Trump administration, we were completely independent of foreign oil. And now we once again rely on the Arabs, Russia, Venezuela, Mexico and others, and import a huge percent of our energy needs.

War: Death, Destruction, And Human Misery On The Little Guy

Every veteran reading this column knows that there are no heroes in wars. If you lucked out, a bullet didn't have your name on it. For every guy on the Vietnam Memorial Wall, a bullet, bomb, napalm or shrapnel carried that kid's name on it. If that bullet missed you, you've enjoyed a long and hopefully, fulfilling life.

How Did Biden Give His State

Of The Union With A Straight Face?

The miracle is, how did he do it with a straight face? How could he stand in front of all the members of Congress and a dwindling American audience of only 30 percent approval rating—and tell us what a wonderful job he's done?

Putin's War Against Ukraine: His War Against All Of Us

Hitler ran over Poland the same way Putin invaded Ukraine. The Mein Kampf madman that caused millions to die...and now, in the 21st century, another madman causing countless thousands, maybe millions to die! We stand in the 21st Century for heaven sakes. Why wage war?

America Plunging Into An Endemic Lawless Society

The lawlessness rises right up the Joe Biden White House. He invited 2,000,000 lawbreakers into our country in 2021. He's still in violation of his oath of office in 2022 as he continues to break our laws. If the President of the United States won't enforce our laws, that's a pretty good indication

that we're becoming an endemically lawless society.

What's Really Going On In America: Do We Want To Survive, Or, Simply Commit National Suicide?

On February 7, 2022, the Washington Post editorial board wrote one of the most absurd, if not completely senseless, editorials to come out of that paper in the past 20 years. It's titled: "The U.S. Needs More Immigrants and More Babies."

580,000 Homeless Americans Need Our Help: Not Illegal Immigrants

In 2019, I bicycled through San Francisco to see it for myself. The streets reeked with feces, rotten food, rat droppings, needles, trash everywhere and urine. When I pedaled through Los Angeles, it was almost beyond imagination how anyone could live in such human misery.

This Valentine's Day: More Wonder, Please

For the record, my wife Sandi and I live day to day with a sense of hope and harmony. We exercise, do our jobs, fix dinner, watch movies and contribute to our community in Golden, Colorado. We enjoy friends, go dancing and laugh a lot. We're grateful for all our blessings.

The Dramatically Devolving and Changing Face of America

Each day, Joe Biden and Congress import an average of 10,000 legal and illegal third world immigrants into our country. They can't speak English. They lack any educational background. They carry corrosive cultural practices. They head toward the welfare and food stamp offices of each city where Biden flies them.

Corruption Is A Mechanism By

Which Third World Countries Operate

If any politician tries to stop the human trafficking, sex trade or drug trade, they kill them, and/or their family members. Guys like the drug lord Al Chapo kill with impunity. With all the billions of dollars in the hands of the rich and powerful, the average Mexican lacks a 6th grade education. They murder police officers who get into their way.

Aren't You Tired Of Celebrities Trashing America?

For the past several years, Hollywood and TV celebrities continually trash the United States at every juncture. Ironically, most of them attained millionaire status from their "make-believe" jobs of acting. Few of them ever picked up a shovel to actually work a real job that makes America viable.

Joe Biden Smuggling Illegal Aliens, Drugs, And Terrorists

Into America: Against Every Law On The Books

Let's face the facts: The president of our country—Joe Biden invited-allowed-encouraged 2,000,000 illegal alien migrants to violate our borders in 2021. Our U.S. Border Patrol documented that fact. That's 2.0 million people who unlawfully jumped our borders. They arrived from 160 countries.

Our Bedrock Community Known As America

What's happening to Western Countries cannot continue if we hope to hold a shred of freedom and/or viability for future generations. When respect for the rule of law diminishes to a point of what's happening in Chicago, Detroit, Minneapolis, Seattle, Portland, San Francisco, St. Louis, Baltimore and Los Angeles—those are the markers that lead us into a lawless society.

Biden's Press Conference: Why Weren't These Questions

Asked?

If Joe Dementia Biden or his handlers keep him from dealing with reality, it means our country will be dealing greater consequences down the road. I'm reminded of Eleanor Roosevelt's famous quote: "We must prevent human tragedy rather than run around trying to save ourselves after an event has already occurred."

It Makes You Sick To Your Stomach: The Killing of Brianna Kupfer

And yet, no one does anything to stop it. A female black law attorney of Chicago gives a pardon to every hardened criminal that comes across her desk. Mayor Lori Lightfoot cannot and will not solve the "Murder Zone" of Chicago. We're talking ineptitude, incompetence and corruption at the highest levels.
