

America Plunging Into An Endemic Lawless Society

The lawlessness rises right up the Joe Biden White House. He invited 2,000,000 lawbreakers into our country in 2021. He's still in violation of his oath of office in 2022 as he continues to break our laws. If the President of the United States won't enforce our laws, that's a pretty good indication that we're becoming an endemically lawless society.

What's Really Going On In America: Do We Want To Survive, Or, Simply Commit National Suicide?

On February 7, 2022, the Washington Post editorial board wrote one of the most absurd, if not completely senseless, editorials to come out of that paper in the past 20 years. It's titled: "The U.S. Needs More Immigrants and More Babies."

580,000 Homeless Americans

Need Our Help: Not Illegal Immigrants

In 2019, I bicycled through San Francisco to see it for myself. The streets reeked with feces, rotten food, rat droppings, needles, trash everywhere and urine. When I pedaled through Los Angeles, it was almost beyond imagination how anyone could live in such human misery.

This Valentine's Day: More Wonder, Please

For the record, my wife Sandi and I live day to day with a sense of hope and harmony. We exercise, do our jobs, fix dinner, watch movies and contribute to our community in Golden, Colorado. We enjoy friends, go dancing and laugh a lot. We're grateful for all our blessings.

The Dramatically Devolving and Changing Face of America

Each day, Joe Biden and Congress import an average of 10,000 legal and illegal third world immigrants into our country. They can't speak English. They lack any educational background. They carry corrosive cultural practices. They

head toward the welfare and food stamp offices of each city where Biden flies them.

Corruption Is A Mechanism By Which Third World Countries Operate

If any politician tries to stop the human trafficking, sex trade or drug trade, they kill them, and/or their family members. Guys like the drug lord Al Chapo kill with impunity. With all the billions of dollars in the hands of the rich and powerful, the average Mexican lacks a 6th grade education. They murder police officers who get into their way.

Aren't You Tired Of Celebrities Trashing America?

For the past several years, Hollywood and TV celebrities continually trash the United States at every juncture. Ironically, most of them attained millionaire status from their "make-believe" jobs of acting. Few of them ever picked up a shovel to actually work a real job that makes America viable.

Joe Biden Smuggling Illegal Aliens, Drugs, And Terrorists Into America: Against Every Law On The Books

Let's face the facts: The president of our country—Joe Biden invited-allowed-encouraged 2,000,000 illegal alien migrants to violate our borders in 2021. Our U.S. Border Patrol documented that fact. That's 2.0 million people who unlawfully jumped our borders. They arrived from 160 countries.

Our Bedrock Community Known As America

What's happening to Western Countries cannot continue if we hope to hold a shred of freedom and/or viability for future generations. When respect for the rule of law diminishes to a point of what's happening in Chicago, Detroit, Minneapolis, Seattle, Portland, San Francisco, St. Louis, Baltimore and Los Angeles—those are the markers that lead us into a lawless society.

Biden's Press Conference: Why Weren't These Questions Asked?

If Joe Dementia Biden or his handlers keep him from dealing with reality, it means our country will be dealing greater consequences down the road. I'm reminded of Eleanor Roosevelt's famous quote: "We must prevent human tragedy rather than run around trying to save ourselves after an event has already occurred."

It Makes You Sick To Your Stomach: The Killing of Brianna Kupfer

And yet, no one does anything to stop it. A female black law attorney of Chicago gives a pardon to every hardened criminal that comes across her desk. Mayor Lori Lightfoot cannot and will not solve the "Murder Zone" of Chicago. We're talking ineptitude, incompetence and corruption at the highest levels.

Transgender DNA Males

Competing Against DNA Female Athletes: Woke Senseless

Can you imagine all those trans-athletes with five o'clock shadows, hairy arms and a package between their loins arriving at the athletic event in dresses, high heels and makeup? Good grief! What a show! After they set new "Trans-records" in the butterfly, crawl, and breaststroke, etc., they could all hug each other and give butterfly kisses because they are so happy for each other.

The Droning On of Racism in America: What Is It Exactly?

The invective today has a much broader connotation, meaning essentially that the accused is not on board the woke / critical race theory bandwagon. So, if you don't hate whites in general, you're a racist. Ironically, this means that unless you are a racist, you are therefore a racist.

January 6th: A Date That Will Live In Maximum Hyperbole

On January 6, 2021, an estimated 700 American citizens broke into the U.S. Capitol. They didn't carry guns or firebombs or

heavy artillery. At the very most, history will call it a spontaneous “riot.” One female suffered a gunshot death by a capitol police officer. One officer suffered a heart attack.

Humanity's War Against Planet Earth

One of my dearest friends, Don Collins, former U.S. Navy commander, and brilliant historian when it comes to America's past and future, gave me a sobering interview from his 90 years of living on this planet.

Looking Back on 2021: The Diminishing Value Of Being An American Citizen

Do you get the feeling that 2022 will become much worse than 2021? Do you get the feeling that our government spirals out of control or should we say, competence? Do you feel that SO much corruption in Congress brings with it political Karma and real consequences?

Looking Back At 2021: Trans athletes, Climate Change, Chicago Killings, Open Borders

If we import enough of warring tribes out of the middle east, we will see our own country suffer a conflagration that we won't be able to put out because it will become endemic to our entire system. We can't even stop Black Lives Matter from burning our cities to the ground.

Looking Back At 2021: Afghanistan Withdrawal, Covid, CRT, BLM, Jesse Smollett, Immigration

As we sit in our homes to wave goodbye to 2021, it may be worthwhile to look back over a very sobering year. Sure, most of us lived through the pandemic. But, over 800,000 Americans didn't live through Covid. Our hearts go out to their friends and families.

A Christmas Story: A Moment Frozen in Time

I stood up, tightened my hood and looked for the penguins. They were gone. Only the pack ice rumbled toward the horizon. I turned to my bike. It's hard to believe that two rubber tires laced together with spokes and rims—and attached to a metal frame could carry me from the Amazon Jungle, to Death Valley and on to where the bolt goes into the bottom of the globe.

At This Christmas Hour: Maximize Your Spiritual Self

Years ago, as a math-science teacher, I rode my bicycle to work each day to Brighten, Colorado. At 22 miles, I pedaled my legs off to make it to work in 80 minutes. A quick shower, dress, open the doors to my classroom, and welcome 33 students, daily.

We Are Eyeball Deep In Financial Suicide

But underlying all of that, Joe Biden stacked another 2,000,000 refugees onto America that he invited to violate our

borders...and your tax dollars will run into the billions to pay for their welfare for years if not decades. You will pay for their medical, schooling of their kids, ESL courses, breakfasts and lunches, apartments, cars, fuel and more.

Jussie Smollett: Corruption of Integrity, Honesty, Honor—A Tale Told by an Idiot

Except it's not White people "smashing and grabbing" millions of dollars in mercantile goods in San Francisco, Los Angeles, Minneapolis, New York City, Detroit, Chicago, et al in 2021. In the summer of 2020, it wasn't White people who burned, looted and killed to the tune of \$2 billion in property and goods.

Who Do You Believe? CNN? FOX? CBS? NPR? PBS?

In 2021, we American citizens face a cavalcade of misinformation from every direction in the news media 24/7. It's almost incredible that we can't get the straight scoop from CBS, NBC, ABC, NPR, PBS, and CNN.

Inordinate Amount of Killing and Crime: What About Parenting?

My wife and I lived right next to the Columbine killings in Denver, Colorado 20 years ago. The two boys gave every kind of notice that they were violent and ready to kill for weeks before their slaughter of a dozen fellow students at Columbine High School. Nobody paid attention. Their parents ignored all the aberrant signs of their kids.

Christmas Gift: Your Fate Follows Your Vibrations

This Christmas season, humanity's vibrations accelerate toward love, fellowship, brotherhood, sisterhood, family and friends. Each of us gravitates toward kindness, reverence and gratitude.

Biden: Full Delusion On

Display

You can't quite wrap your arms around what's happening in the United States today. You can't reasonably grasp what the president of our country stands for or what he's saying with his vastly differing directions and words. One message one day, and a completely different action the next! Don't feel like the Lone Ranger, Joe Biden doesn't understand what's going on, either.

Thank You God, Thank You America, Thank You American Citizen

So, this Thanksgiving, let all of us bow our heads in prayer. Let us give thanks to God, thanks to our spouses, thanks to our kids, thanks for our grandparents, thanks to our friends. When we do that, we enrich our lives, and we enrich their lives.

Covid Pandemic Creating An Equally Dangerous Obesity

Pandemic

Most people don't remember when the "junk food revolution" started, but I remember those 20 cent hamburgers at McDonald's just off my college campus back in 1965. Who didn't carry a buck in their pocket for so much cheap "food"? You could buy three burgers, a packet of fries and a Coke for less than a dollar.

What If Biden Allows Another Two Million Illegals Into Our Country In 2022?

As the U.S. Border Patrol reports in November, Joe Biden invited 2,000,000 (million) illegal border jumpers into the United States in 2021. They walked, ran and/or swam across our southern border on an average of 200,000 monthly. During that time, Biden has airlifted, bussed, and Uber'ed those two million people into cities and communities across America.

Biden: Working On Becoming The Worst President, Ever!

Jesse Watters declared Joe Biden a "horrible president" Saturday on "Watters' World," highlighting the president's

failed promises and low approval ratings at 38 percent. You have to wonder who those 38 percenters are and what are they thinking?

What Is The Carrying Capacity of America?

As we learned in the previous column, our president and Congress continue flooding our country with legal and illegal refugees. An estimated 5,000,000 (million), net gain, added to our shores in 2021. If that continues for another eight years to 2030, we'll see 40,000,000 people added to our country.

Carrying Capacity: Most Important Discussion of the 2020's

This year, Joe Biden facilitated an invasion of our country of an estimated 2,000,000 (million) illegal aliens. Additionally, Congress invited 1,000,000 (million) more legal immigrants. All immigrants, in turn, average 900,000 new babies inside our country annually. Also, Biden flew 100,000 Afghan refugees illegally into our country. On top of that...

Competing Cultures Breaking Down America's Culture

The governor's race in Virginia this week proved that you can't keep bashing America's basic goodness by pushing the sheer stupidity of Critical Race Theory. You can't force America's children into hating each other via the color of their skin. You can't make...

Greg Gutfeld: He Is Funny, PERIOD!

In this age of political corruption, worthless Congressional Critters, our president advocating for open borders, useless wars and political pundits...humor might keep you sane. At least, if you're laughing, you've got a chance to keep your sanity. Otherwise, you'd be reduced to balling your eyes out daily.

Covid Pandemic Creating An

Equally Dangerous Obesity Pandemic

All those fast-food joints sell non-nutritious, unhealthy, chemicalized and over-caloried food stuffs. Those “foods” do more damage to one’s body over the years because it’s a slow-motion process. The average American eats 140 pounds of white sugar annually. The amount of Coke, Pepsi and Mt. Dew screams off the charts.

At The Town Hall Meeting: Biden Clearly Not In Touch With Reality

Joe Biden is a product of 47 years in Washington DC. Clearly, as a U.S. Senator, he accomplished not much more than endless, meaningless speeches. Even more clearly, as you witnessed in last week’s nationally televised Townhall meeting with Anderson Cooper, Joe Biden lacks a grasp of what’s happening in America.

What Will We Do When We Can’t

Solve Our Problems?

This president continues to break our laws. He ignores our Constitution. He refuses to enforce and/or secure our borders from invasion. Article IV, Section 4. He blindly, if not stupidly, or via his dementia, ignores what's really going on in our country. Or, is he doing it on purpose?

Democrats Importing 6th Century Afghanistan Into 21st Century America: Big Mistake

In Norway last week, a Muslim man who was unable to procure a weapon, decided to use a bow and arrows to shoot four women dead and injured two others—all in the name of Allah. Right now, in Oslo, Norwegians flee as that city suffers 36 percent middle eastern immigrants brought to them by their president of Norway.

Is America's Culture, Language and Ethos Being Changed On Purpose?

Who stands to gain from America's changing into tribal factions such as you see in India, Mexico and/or today, in

Europe? Why would such rich and powerful men want to destroy our highly successful civilization—and turn it into a poverty-stricken multicultural morass? Who will benefit?

White Americans Blamed for Everything: Domestic Terrorists, White Privilege, CRT

America stands for free speech, freedom of job choice, freedom of education, freedom of spousal choice, freedom to make a decent living, freedom to eat what you want and live where you want, and just about every other freedom known to humanity.

Overcoming the Threat to America and Humanity's Future

Are there any community leaders in Chicago sick about the continuing violence in their communities? Why aren't they enacting solutions? Why not parenting classes? What about after school classes and peaceful activities? Why isn't Oprah taking her billions of dollars and helping her people out?

What Will We Do When We Can't Solve Our Problems?

"If a political party does not have its foundation in the determination to advance a cause that is right and moral, then it is not a political party. It is a conspiracy to seize power." –President Dwight D. Eisenhower, March 6, 1956

Greg Gutfeld: He Is Funny, PERIOD!

In this age of political corruption, worthless Congressional Critters, our president advocating for open borders, useless wars and political pundits...humor might keep you sane. At least, if you're laughing, you've got a chance to keep your sanity. Otherwise, you'd be reduced to balling your eyes out daily.

This Is HOW Angry Most Americans Feel Today

In the past week, U.S. Border Patrol agents tried their best to stop 18,000 Haitian illegal migrants from violating our

borders. All of it caused by President Biden's insane invitation to illegally invade our country. Biden can now take credit for the dumbest retreat of our military in the history of the United States: Afghanistan of the Taliban.

Gabby Petito: Tip of the Iceberg of Violence Against Women in America

What's almost beyond understanding stems from the fact that a motorist called 911 to report that Laundrie hit and slapped her alongside the road. A cop intercepted the couple. He talked to them. He could see her distress and the cut on her face, but for some reason, he allowed her excuses to not arrest Laundrie.

America's Wide Open Borders: You Can't Fix Stupid

In the past nine months, over 1.4 million illegal refugees violated our borders and now reside in our country at a cost of upwards of \$65 million per month of our taxpayer dollars. That's on top of the 1,000,000 legal immigrants that entered our country this year. That's on top of the 300,000 anchor babies and their mothers that subsist on our tax dollars.

Part 1: None Of What's Going On In Washington DC Makes Any Sense

Does anyone of those 545 Congressional Critters possess an ounce of common sense? Do you think what's going on in Washington DC resembles anything that's reasonable?

Part 2: Does Anything Going On In Washington DC Make Any Sense?

If you're a Republican, Independent or Democrat—you must be scratching your head daily as to the utter folly of those 545 people that you elected to serve our nation. Why aren't they collectively solving our nation's problems? Why aren't they making common sense decisions? Why don't they do what's right?

Part 5: Climate Change,

Wildfires, Chaos in Big Cities

In the past week, the Dixie Fire in Northern California burned 432,000 acres by Sunday. By the time you read this column, another 100,000 acres. In other words, we can't contain it or control it. Too much heat in the atmosphere and too much kindling on the ground.

Is Our Country Committing Demographic/Sociological Suicide?

We now understand by the Department of Homeland Security, that between 23 to 27 honor killings are committed annually in the USA with another 500,000 cases of female genital mutilations all committed by Muslim immigrant men as commanded by their Islamic religion. We're talking murders and assault and battery on young girls.

An Interview With Reality of Our Country's Present Mess

One of my journalistic colleagues, Charley Reese, recently retired from the Orlando Sentinel. He's a journalist for as

long as I have been a journalist around 50 years. He's seen what I have seen. He shares his views of America and our current quagmire as brought to you and all of us by those 545 rascals in Washington DC.

Thirteen Brave Soldiers Should Never Have Died: Absurd Theater of Afghanistan

Like you, I am sick to my stomach that 13 of our finest military men died in a suicide terrorist's blast in Kabul, Afghanistan. I'm even sicker to my stomach that Joe Biden, a draft dodger in his youth, made it happen. I am sicker still that Four Star General Milley LET it happen.

Our Leaders Have Lost Their Cotton Pickin' Minds

We've got Jen Psaki standing out in front of the cameras every day, pretending that she knows what she's talking about, but she doesn't have a clue as to what's really going on. In fact, she learns more on CNN and Tucker Carlson with Lara Logan than she knows from her hideout in the White House.

The Quagmire In Afghanistan And At The Border

On February 23, 1945, U.S. Marines planted Old Glory on Mt. Suribachi, Iwo Jima. It marked our victory over the Japanese. It's been America's iconic symbol of victory over tyranny since that epic moment. All Americans who visit the Washington DC Mall step up to that enormous bronze statue that dominates the area.

The Most Incompetent President, Ever!

And to top off the Afghanistan debacle, this cognitive deficient president has opened our borders to an invasion of illegal refugee migrants, literally waltzing over borders to enjoy food, housing, and medical care paid for by us. All at the expense of our own poor, our own homeless, our veterans, and our own dispossessed.

Part 7: America's Twilight

Years—Less Water, More People, Big Pile Up

As the 20 years of Washington DC's stupidity plays-out in the final American defeat in Afghanistan during the next week, let us remember why G.W. Bush attacked: to kill bin Laden after 9/11. Well, our Seal Team Six accomplished that mission in 2011. Why didn't we pull out a day after that event occurred?

Part 6: America's Twilight Years—Education, Erasing Cultural Foundation

In 2020, Black Lives Matter and Antifa anarchists ruled the streets of many American cities. One faction celebrated a lifelong known career federal felon. George Floyd proved himself a model for everything wrong in a human being: drug addict, woman beater, car thief, robberies, passing counterfeit money, porno star, shoplifter, federal prisoner...just an all-around nasty, contemptable human being.

Part 5: America's Twilight

Years: Catastrophic Climate Destabilization, Loss of the Rule of Law

In the past week, the Dixie Fire in Northern California burned 432,000 acres by Sunday. By the time you read this column, another 100,000 acres. In other words, we can't contain it or control it. Too much heat in the atmosphere and too much kindling on the ground.

This “Racism” and “Woke” Thing is Getting WAY Out of Hand

Dr. Seuss' "Cat in the Hat" is now a racist book! That's like saying if you drink white milk instead of chocolate, you're a racist. If you like daytime more than nighttime, you're a racist. That's like saying the reason that Tom Brady won the Superbowl stems from the fact that he enjoys "White Privilege."

Part 4: America's Twilight

Years—Too Big, Too Much, Too Many

Have you ever watched the TV program, “My 600 pound life”? If not, it shows obscenely obese men and women who have eaten themselves into gargantuan bodies from 600 to 800 pounds of rolls hanging all over their frames. They can barely breathe, walk or live.

Part 3: America’s (Likely) Violent-Fractured Future

Racial strife boils into violence at the drop of a hat in our big cities. African-American gangs in San Francisco, Chicago, LA and New York City openly shoplift products in bags and run from the stores. How much do they steal? According to crime reports, shoplifters steal \$50 billion annually. Over 27 million Americans are regular shoplifters.

Leaderless Leader, Non-Existent Borders, Cultural Disintegration

As an extensive world traveler, I’ve witnessed failed civilizations. At 1.38 billion people, India touted as the

largest “democracy” in the world, must also be deemed the biggest “failed” country in the world. India defines mass poverty, human overpopulation, human misery and hopelessness in the majority of its citizens.

Part 1: Is America Heading Into Its Twilight Years?

First of all, I am a Baby Boomer and an old man of 74 years. I watched America trudge through the Korean War, Vietnam War, Desert Storm, Afghanistan and Iraq wars. All of them fraudulent, unnecessary, costly in money and lives, and benefited no Americans other than corporate elites and bankers.

We're Being Invaded By Our Own President Biden's Hand

Wednesday night on national news, one of the top broadcasters noted that a United States Border Patrol official reported that 1.0 million, that's 1,000,000 illegal migrants have passed into the United States since Biden took office. That's ONE MILLION illegal entries.

Erasing America's History Diminishes Our Chances for the Future

Last week, crews removed the iconic statue of Lewis & Clark/Sacagawea in the center of Charlottesville, Virginia. They also removed General Robert E. Lee on his horse. Rioters have toppled statues of Lincoln as a racist, Columbus and even civil rights icons.

Always Sit: Down Wind of Flowers

My friends and I decided to pitch our tents in a nook blooming with purple-white Columbine flowers. That night, the campfire's smoke curled into the ink-black of space toward a starlit sky. Shooting stars punctured the stillness as if to put an exclamation point on the day.

You Always Command Choice in Your Life

Many people drag the past back into the present. Others make excuses for poor choices. Still others wave personal responsibility onto circumstances. Others abandon themselves

in favor of the modus operandi of their “shadow” side.

Walking Across America for Little Children: Anna Harrington

When you take a walk, especially in the woods, you feel a connection to nature that transforms your energy, quiets your body and soothes your mind. Walking allows you to enhance your thoughts, feelings and ideas. Magic follows you on a walk.

We're Doomed Buffalo Breath: What is That Smell?

I camp in the wilds. It's peaceful, aesthetic and spiritual. It is a communion with nature. Whether it's the desert or mountains, I prefer the smell of the wilds. But wilderness camping has precarious moments.

There's a Patience in the Wild: Dogged, Tireless, Persistent

But when you overrun the age of 70, your life changes. Your perspectives change. Your understandings of the years, piled up like silage in a silo, remind you that this life is a terminal disease. You've used up a good bit of it. You might enjoy a year or ten years, but you're not sure as you attend a lot of funerals.

Bear Scare, Or, Is My Hair Standing Up For No Reason?

Adventure is not always comfortable; however, it's still adventure. It's not always safe, either. Whatever it is, it beats a couch, remote control and the inane, indolent TV any day of the week.

Hawk Fluttering in the Sky: Snake Coiled on the Ground

Heading eastbound across southern California, the sun set low in the sky. MY cycling mate and I looked for a campsite in the rocky terrain east of Joshua Tree National Monument.

Part 4: These Questions Need To Be Asked Across America—But Aren't!

They refuse to dig into what's really happening across America. Let's face it, Biden's invitation to over 600,000 illegal migrants in the past six months proves to be an "invited invasion." Biden's actions violate Article IV Section 4 of the U.S. Constitution.

These Questions Need To Be Asked Across America, Part 3

As we stumble into 2021 with a conflicted Congress and a slothful president trying to figure out what to do next, countless Americans sit in coffee shops and/or bull sessions across America wondering why our leaders don't ask pertinent questions about what's happening to our country.

These Questions Need To Be

Asked Across America, Part 2

If you look at the 535 Congressional critters leading America toward ruin, destruction and civil strife—you must ask questions as to why they are doing it to us. Let's ask another set of pertinent questions that need answers from your two U.S. Senators and House Member.

These Questions Need To Be Asked Across America

If you look at the 535 Congressional critters leading America toward ruin, destruction and civil strife—you must ask questions as to why they are doing it to us. Let's ask a few pertinent questions that need answers from your two U.S. Senators and House Member.

This Memorial Day: What's In An Empty Pizza Box?

During Memorial Day Weekend, let's honor our fallen and those serving on active duty. It's a rare luck of fate that each of us enjoys being an American citizen. If you have cycled or traveled across six continents and endless countries, you understand that America remains a beacon of hope and inspiration for the world.

How To End Alzheimer's and Dementia

Today in America, we eat fast foods, junk foods, chemicalized foods, GMO foods, preserved foods, Coke, Pepsi, Mt. Dew and a host of artificially sweetened sodas along with chips, beer, hard liquor, pizza, very little fiber, TV dinners, and endless “white sugar injected” foods from ketchup to salsa to salad dressing.

Critical IQ Theory Versus Critical Race Theory

For all of 2020 and now, 2021, racial tensions flare at the slightest tribal confrontation between White police officers, government officials, academics and Black Americans. Black Lives Matter stands to burn and loot any city where it deems police as racists or murderers or biased.

Multiculturalism: Splitting

Our Country At The Seams

This past Tuesday night, over a dozen Palestinian-Americans, driving cars around Los Angeles with large Palestinian flags, attacked patrons at restaurants as they dined on the sidewalk. They yelled, "Are you a Jew?"

We're Riding on the U.S.S. Titanic: Few People Understand Our Dilemma

Last Thursday's column, May 13, 2021, America Not Prepared for the Future, should have been the highest read column in the United States. It exposed Biden's "U.S. Citizenship Act" that would add, at the minimum, another 37 million immigrants to the USA, the highest number of people added to our or any country in 10 years, in the history of the world.

America Is NOT Prepared for the Future; Nor What's Coming

If you are worried about the future of your kids, this latest development will really cook your emotions, your sense of right and wrong, and ultimately, this 90 second video will show you the most distressing, if not incomprehensible future

for our country.

What About the Confusion of Our Leadership in Washington DC?

Our country suffers from so many problems, it's beyond difficult to find a path leading toward solutions. In the past three weeks, Sandi and I traveled through four states—Colorado, New Mexico, Arizona and Utah. At each tourist spot, we engaged people from all over the country. Most of them were retired “baby boomers” getting a jump on the summer crowds.

Is This Nation's Fate Accomplish An Acceptance of Our Destruction?

Tucker Carlson said, “Demographic change is the key to the Democratic party's political ambitions. Let's say that again for emphasis because it is the secret to the entire immigration debate. Demographic change is the key to the Democratic party's political initiative. In order to win and maintain power, Democrats plan to change the population of the country.

Multicultural America: Are We Becoming a Land of Strangers?

Is Biden purposely flooding America in order to displace us from our own country? Yesterday, my wife Sandi and I shopped at a Costco store in Denver, Colorado. It sounded and felt like shopping in different countries with so many languages being spoken and strange modes of dress.

Who Should be Concerned About America? Answer: Everyone Who Wants to Eat

First of all, thank each and every one of you who write me with your ideas on what our country faces. Most importantly more and more of you understand what “someone” is doing to our country by flooding it with endless millions of third world immigrants either legally or illegally.

The Grinding Predicament of

Canada, Australia, Europe and America in the 21st Century: Endless Immigration

My friend, Canadian writer Tim Murray, watching Canada being flooded, wrote, "Once again, someone claims that any focus on immigration to the United States is a meaningless distraction. In effect, I am saying that the annual addition of more than 30 million consumers to the third most populous and industrialized nation on earth is irrelevant."

When Stopped by Cops: Don't Fight or Run from the Law

Over the last several years, a number of really stupid people have been stopped by the police, but then, resisted arrest. The local juvenile thug in St. Louis robbed a convenience store, got stopped by a cop, and then wrestled with the cop, only to escape, then turn to charge toward the cop with an intent to do bodily harm. Michael Brown proved to be one stupid kid.

Is Anyone Angry About Biden's

Inviting An Invasion Of Our Borders?

Did the American people vote to make this country the babysitter for the rest of the world? Did anyone vote to have \$60 million allocated per month as reported by "60 Minutes", for housing and feeding this foreign mob of people? And, their children?

How Many Millions of Refugees and Immigrants Can America Absorb?

During the month of March 2021, according to the United States Border Patrol, President Joe Biden, with one signature on an Executive Order, allowed 104,000 illegal aliens a free pass into the United States. Busses take them to cities with welfare offices, Section 8 Housing and all the taxpayer goodies you provide with your hard-earned money.

The Racial and Sexist Divide Intensifies Across America

In Time Magazine this week, it speaks to "white privilege," "racism," "systemic white superiority" and a host of ills

perpetuated by White America. If you're white, you're pretty much the blame for everything wrong with America. Time editors reported on how Black students suffered under admissions standards too high for their educational backgrounds.

Critical Race Theory: Turning Reality into Something Beyond Understanding

After 245 years since America became a new nation, its greatest internal conflict continues as a 'tension' between the Negro race and the Caucasian race. And lately, the Asian race. White versus Black continues with a vengeance. No number of laws, equal rights, education or wealth seems to change the racial conflict dynamic not only in the USA, but in Canada, Europe and wherever races intermingle.

Let's Blame All The White People In America For Everyone's Problems

Now, Congress wants to ban guns. They fail to mention that cars kill around 40,000 Americans annually. Also, 80,000 drug overdose deaths via drugs coming over our borders! And, 114,000 total military suicide deaths from Congresses' 20 year

wars in Iraq and Afghanistan.

The Boulder, Colorado Muslim Shooter

Eleven American citizens, dead! From 21 to 65, dead. A 51-year-old police officer and father of seven kids, dead. Families devastated. Lives ruined. A community sickened at the deadly rampage of a religion not able to comprehend or engage with 21st century civilized society.

Joe Biden WAY Past the Threshold of Senility & Fragility

Last week, Joe Biden tripped not once, not twice, but three times while ascending the staircase to Air Force One. He might have suffered from mini-strokes. It might have been from exhaustion from his harsh schedule as President of the United States. His handlers said, "It was the wind."

Immigration Is an Act of War: With Violence Delayed

In February 2020, the U.S. Border Patrol calculated 9,000 people crossed America's southern border under the Trump administration, illegally. In February 2021, the USBP calculated 104,000 people crossed illegally. All of them echoed Joe Biden's welcoming speech of amnesty and open borders.

Dismantling America's Culture: Kermit The Frog As a Racist

Dismantling America's culture, also known as "The American Way," has been deliberate, steady and ongoing for the past 50 years. Certain interests started attacking our most cherished events such as Christmas, Easter and Halloween. They want them erased. Lately, Megan Markle and Oprah Winfrey have made everyone in Great Britain and America total 'racists'.

Watering Down America Into A

Conglomeration of Strangers

What can you do? You might want to get on the phone and start screaming into your House member and two U.S. Senator's ears. Not just about the drugs, but about allowing our nation to become a refugee center for the world's poor, desperate and unending masses.

This “Racism” and “Woke” Thing is Getting WAY Out of Hand

Dr. Seuss' "Cat in the Hat" is now a racist book! That's like saying if you drink white milk instead of chocolate, you're a racist. If you like daytime more than nighttime, you're a racist. That's like saying the reason that Tom Brady won the Superbowl stems from the fact that he enjoys "White Privilege."

Write a Letter to Your Congressional Representatives in DC

For some reason, American voters continue voting Senators and House Members into office with huge paychecks term after term,

but those elected officials fail to accomplish anything from year to year and in many cases, from decade to decade. I personally write my Golden City Council, governor of Colorado, state senators, two U.S. Senators and my House member...regularly.

Killing the Keystone Pipeline: Are We Being Led by Fools or Idiots in Washington DC?

Do you realize we suffer a lot of stupid people in Congress and in the White House that are taking our country for a 'ride'? I mean, Joe Dementia closes down the oil pipeline only to open up our borders for the human invasion violating our laws. He celebrates BLM, but won't honor our borders or our U.S. Constitution.

What's It Like In "Woke" America

Today, biological DNA males enjoy legal competition against biological DNA females. The same goes for those DNA males walking into DNA female bathrooms. Those same DNA males can out-muscle, out run, out hit, out wrestle and outperform any

and all DNA females.

America's Leaders and Citizens Fail To Grasp The Enormity Of Our Predicament

The freezing event in Texas last week stands as a precursor of what's coming to all of America. The electrical grid crashed. People died. Chaos dominated. Confusion spread. Anger multiplied. It's confounding to this writer that few leaders address it, and the entire mainstream media avoid this issue and even suppress it at all costs.

Mathematics Is Now A Racist Equation: White Privilege vs Black Privilege

As a former math-science teacher, it perked my ears to hear that the term "mathematics" is America's newest 'racist' equation. In other words, some pretty higher-ups have equated excellence in math to racism. From Euclidian geometry to Newton's calculus, we now find that such intellectual practices are now regarded as racist in America.

America Is A Nice Prison: If You Don't Like It, You Have Choices

That's truer today than in his time when we actually enjoyed Americans attempting to move our country forward. Today, we've got a Somalian refugee in the House of Representatives trying to dismantle our political and economic system while she supports installing Islamic Sharia Law in place of our U.S. Constitution

This Impeachment: Criminal Politicians in Congress Undermining Our Laws

For the past four decades, 535 men and women elected to serve our U.S. Constitution failed to not only uphold our laws, but undermined our laws in deference to lawbreakers. Upon being elected, each one of them swore on a Bible to uphold the Constitution of the United States. Additionally, we see governors, mayors and city council members breaking our laws.

114,000 Needless Military Suicide Deaths Via Iraq and Afghanistan Wars

This past weekend, my wife Sandi and I watched a documentary of WWII in color. It covered Hitler's rise, Mussolini, and the Emperor of Japan. Hirohito. It covered incredible atrocities from the Auschwitz death camps, 12 of them in Germany and Poland, that killed six million Jewish people by gas, machine gun slaughter and plowing them under.

What's Really Going On In America?

On social media, you might have seen Captain Jean Luc Picard shaking his head in disgust while uttering, "We spent \$738 billion in defense in 2020, but the Capitol Building on January 6th was taken over by the Duck Dynasty and a guy in a deer skin bikini with horns for a hat."

Baby Boomer Raging Against Old Age: Enormous Appetite

for Life

As it is, I pray each day for world peace, health for everyone, tranquility for America, and I wish every human being the very best in his or her own journey. After these 74 years of world travel, I know every human being tries to live as decently as possible. For the ugly humans in the world, I wish them commensurate Karma.

America: Not A Nation of Trespassers

Don't you feel safer today with House Speaker Nancy Pelosi in power? How about Charles Schumer leader of our U.S. Senate? What about the presidency led by Joe Biden? Have they fulfilled their oaths of office to protect all American citizens...in the last 30 to 47 years serving in Washington DC?

Curious Feelings About Losing America's Sovereignty

America's new president vowed to open the borders, tear down the existing wall, no deportations for violating our laws, and promises to give amnesty for 25 million people who arrived illegally and without invitation. Along with their children. Without sovereign borders, America is no longer a country.

If I Became President of the United States: Here's What I Would Do

Our country stands on the edge of a cliff racially, economically, environmentally, sociologically, culturally and linguistically. We also face, along with the rest of the world, the greatest threat to our existence as to "catastrophic climate destabilization."

Blacks Are Superior to Whites: Said Head of Biden's Civil Rights Division—Kristen Clarke

Joe "Post Turtle" Biden named African-American Kristen Clarke to head the Civil Rights Division of the United States once he becomes president. She said in an interview that her job was simple: "End hate!" There's only one problem: she's an out and out purveyor of racism.

To All The Frustrated Step-Fathers In America

As a stepfather, I know and understand the trials and tribulations of stepping into an “already created” family by another man. It’s a landmine waiting to be stepped-on by unsuspecting single males.

Biden As the Post Turtle President of America

Half the people in America scratch their heads in wonderment concerning the Biden Administration. How did Joe Biden, after 47 years of accomplishing about as much as a chicken scratching in the dirt for worms, ascend to the presidency of the United States?

America’s Difficult Path Into 2021

As of last night’s results in Georgia, the democratic party will now be able to run roughshod over the other half of our country’s citizens. It’s a clean sweep of power, money and influence. The mainstream media made it possible along with the CIA, FBI and corruption of the Deep State that pulls all

the levers of power.

The Problems Biden-Harris and Their Congress Won't Solve In 2021

We elect our presidents and Congresses to fix, repair and solve our national problems. As we enter 2021, however, we will discover that they won't solve any of our major problems in the next 52 weeks. Why is that? Answer: they didn't solve those problems in the past 52 weeks.

The End of a Very Nasty, Desperate, Angry Year

What about our political divide? How do the 74 million Americans who voted for Trump all of a sudden support Biden who has insulted half the country with his vitriolic statements? What happens when half our elected officials despise the other half—and then work against each other? They get paid enormous salaries, yet get nothing done to solve any of our problems.

Follow Your Dreams No Matter What Your Age

At the end of 2020 and the beginning of 2021, you might consider your life on this planet as an “eternity” of 80 years, give or take. You may choose any style, any path and any attitude. You may live large, average or choose a “meek” existence. It’s up to you. It’s your choice. It’s your individual “eternity.”

Merry Christmas in an Upside-Down World

Merry Christmas to you and yours during these waning days of 2020. May the birth of Jesus soothe your soul and inspire the days ahead of you. May your generous love for your family sustain them, bring joy and hope.
