

How Many Understand What The Government is Doing to You?

Big Tech will simply censor you, label your article as fake news, unscientific, or even close your account. The media meanwhile will just ignore the story if it doesn't trumpet the prescribed Leftist values. If the media does deign to report on an issue that isn't in their collective comfort zone, they will not report all the facts and will even outright lie about it.

Biden's HHS Secretary Xavier Becerra Implies Possibly Forced COVID Vaccination

Faced with a steep decline in vaccination rates, President Biden said on Tuesday that his administration would send people door to door, set up clinics at workplaces and urge employers to offer paid time off as part of a renewed push to reach tens of millions of unvaccinated Americans.

The Joe Biden Tax Plan is

Unsustainable, Unwarranted, and Economic Suicide

Wanting to see to the needs of the American people is great, I'm all for that. But, if the government is going to see to the needs of the people, we have a big problem – socialism anyone? Increasing spending by trillions of dollars is not going to fix anything.

**Get Ready For: Severe
Shortages, Layoffs,
Increasing Prices, Empty
Shelves, and Economic Chaos**

The Left would have us believe that the economy is skyrocketing and everything is going gangbusters – except that the evidence says otherwise. All over the U.S. there are shortages, as well as around the world. If you need a reason, can you say Plandemic? I wrote back in October of 2020 that the purpose of COVID and all the related nonsense was and is power and control, and nothing has changed.

Rep. Ilhan Omar Slams Israel for Defending Itself While Ignoring Hamas Rocket Attacks

Where is the rightful outrage over the atrocities of Hamas and others committed against Israel? The above tweeted video is just more of the same, justification for Hamas and others to do as they please against Israel without consequence, while Israel is soundly condemned for defending themselves against terrorist attacks.

COVID Police Fail Again – Mask Mandate and Lockdown Narrative Coming Apart

This has all been a game, a game of power and control. There is no worry about your health as you don't even matter. This is all about controlling the Sheeple. Mask mandates came about, and most people were only too eager to obey. If you don't wear one, you are scum, a criminal, a Nazi. One problem, masks don't work.

Democrats, Media, and Big Tech Attack Senator Tim Scott – For Speaking the Truth

Democrats and their staunch allies the media and Big Tech don't want We the People to understand, they don't want the truth to come out. Finally Joe Biden's handlers let him out of the closet they keep him locked up in.

Chauvin Trial Verdict Was a Foregone Conclusion Even Before the Trial Started

The autopsy that the prosecution referred to as conclusive evidence of Chauvin's guilt is anything but conclusive. The "facts" as stated by the various "experts" are far from even being in agreement as to cause of death. Dr. Andrew Baker, who is the chief medical examiner for Hennepin County gave conflicting testimony on what the cause of death was.

Capitol Police Knew All About

the Riot Before it Happened – So Did Facebook, Instagram, and YouTube

The Capitol Hill riot of January 6th was blamed squarely on then President Trump – still president as far as I'm concerned. At least that is the story line you will hear from the mainstream media. The question has to be asked however, who trusts what the mainstream media reports?

We Warned You, Biden and the Dems Are Bad For This Country – and Things Are About to Get a Lot Worse

Biden in his infinite wisdom also killed the Keystone Pipeline project, also on day one in office. This move instantly destroyed thousands of jobs, and coupled with the “no new drilling rule” has endangered America's recently achieved energy independence. Notice gas prices at the pump are rising? Thank commander Biden for that.

Eight Year Old Social Media Star Reveals She is ‘Dating’ 13-Year-Old Boy

How far the world has fallen. Nothing is any longer off limits or taboo so it would seem. An 8-year-old revealed on social media that she is dating a 13-year-old – with her mom’s blessing. Both are so-called influencers on social media.

What is the ‘Super Straight’ Movement and Why Should it Concern You?

Have you heard about the new “Super Straight” movement? I hadn’t until yesterday in fact. Very interesting and it is already gaining significant traction, as well as more than its fair share of detractors, or more like angry hate filled people.

Indisputable Proof That Donald J. Trump Won the

Election

Election 2020, a hotly contested subject. Many people are beginning to realize that the so-called win by Biden-Harris in the 2020 election was anything but; it was in all actuality a highly organized and carefully orchestrated theft on the grandest scale imaginable.

Politicians Continue to Grant Early Release for Violent Criminals With Disastrous Results

Lawrence Paul Anderson was first sentenced to prison for attacking his girlfriend, pointing a gun at her, and possession of crack cocaine with intent to sell. Sentenced to four years, he was out in less than two. Six years later he was sent to prison again, this time for selling crack cocaine – near to an elementary school.

Who Says Crime Doesn't Pay? Google and Facebook Censoring

an Entire Country

So Australia is taking action against Big Tech. Facebook decided to take action as well. Facebook announced that they are BLOCKING all news posts from the ENTIRE country of Australia. Yes you did read that correctly. Facebook is censoring an entire countries posts – because Facebook doesn't like the fact that Australia won't roll over and take whatever Facebook (and Google) decide to dish out.

Disney the Epitome of What's Wrong in America Fires Gina Carano

I think it is safe to say that if you are a foul-mouthed degenerate, an LGBTQ activist (even if violent), a liberal, a Democrat, your skin color is black (unless you are Candace Owens), a globalist, a RINO, or a member of the mainstream media – you can say anything you please with complete and total impunity.

The Biden Administration's Purge of the U.S. Military

Has Begun

Austin's purge of the military is yet another witch hunt orchestrated with the blessing of Joe Biden and the Democrats who all hate Trump with a passion. I think it is reasonable to say that the Democrats hatred of Trump goes hand-in-hand with a deep hatred for America. Look at the news, look at what these people are doing, and tell me that We the People are important to them.

Biden Administration Sacrificing Jobs, Destroying Oil and Gas Industry

America's decent into insanity has begun, via Joe Biden and the Left's insane obsession with a non-issue – climate change. Naturally there are variances in weather, and things change. This is only normal, if one looked back in history, one would readily see this. If you visit this site on climate history, you will notice two things right away: First, right now, today, the earth is cooling.

Joe Biden's America: Silence

Everyone Who is Exposing Our Socialist Agenda

I and many others have written repeatedly about the danger of Joe Biden and Kamala Harris. Joe Biden will do what is expedient for the Democratic Party, according to the new power players and the old power players that support far-left policies. Kamala Harris is nothing more than a prostitute for power, anything goes if Harris achieves and receives what she desires.

Did Mike Pence Had the Authority to Decide the Election in Favor of Trump?

That being said, Trump was and is wrong in what he said and how he treated Mike Pence, I will NOT recant on that. For the sake of our country, people ought to be glad that Pence had the character (in this case) to say he did not have the authority to decide, because as I exhaustively pointed out here via the Constitution and the Electoral Count Act – he did not.

Gutless Republican says Trump Must be Removed From Office Immediately, Chuck Schumer Cheers

The problem I have with this is that I personally don't believe Trump supporters are the guilty parties here. More like ANTIFA infiltrators and other wild and violent Democrat supporters seeking to make Trump and his supporters look bad. Trump supporters (as a rule) do not act like this, they never have.

Senate Hopeful Raphael Warnock: This Pastor is NO Pastor, What is Wrong With Christians

Raphael Warnock is a Democrat who also happens to be a pastor. First I cannot understand how anyone can possibly say they are a believer in Jesus – and be a Democrat. Does that sound a little too strong to you? A little “off” maybe? It's not.

The Daily Caller should change their name to: The Daily Propagandist

Fox news has fallen to the Leftist regime, and now apparently The Daily Caller is in hot pursuit of the Leftist dogma train. The list is getting smaller every day of news outlets that can actually be trusted. Conservative outlets NEED your support, including this one. Sign up for our daily news brief and desktop notifications and bypass the censorship machine.

Longtime Democrat Strategist Masterminding the 2020 Election Steal

This is none other than the attorney of record who works for the high-powered Democratic law firm Perkins Coie. The same lawyer who hired Fusion GPS – who hired former British spy Christopher Steele, who in turn wrote the infamous Steele dossier. Elias was also an attorney for the DNC and Hillary Clinton – both of which financed the spurious Steele dossier.

Senate Hopeful Raphael Warnock: This Pastor is NO Pastor at All: What is Wrong With Christians?

Raphael Warnock is a Democrat who also happens to be a pastor. First I cannot understand how anyone can possibly say they are a believer in Jesus – and be a Democrat. Does that sound a little too strong to you? A little “off” maybe? It’s not.

Despite the Democrats sworn lapdogs saying the election was secure – the evidence says otherwise in a big way

The mainstream media these days is nothing but a collection of lying, worthless, good-for-nothing lapdogs that have no journalistic integrity and are incapable of reporting the truth. The media’s bias – their slant if you will, in Joe Biden’s favor is so glaringly obvious a child can see it.

Did Joe Biden Use THE HAMMER to Steal the Election?

Having personally monitored the election, I noted of course how well Trump was doing – despite the fact that Biden had more electoral votes. In fact, Donald Trump was on track, strongly I might add to win the election. Overnight, poof – just like that Biden is winning. How did this happen?

Social Media Terrorism: Jack Dorsey Admits That ‘Mob Rule’ Drives Twitter’s Decisions

Freedom of speech, the free and open exchanges of ideas, the ability for all to express their opinions – both liberal and conservative, is largely a thing of the past. This unconstitutional removal of our God-given rights will largely become cemented in stone should Joe Biden win the election.

Joe Biden’s plan to Improve Policing: Handcuff Cops so

They Can't do Their Job!

So, did Biden's handlers screw up, or is it that they too believe in this so-called "plan" to improve our nation's policing operations? I would venture to say that the Leftist morons who use a couple of chunks of dirt instead of brain cells to do their thinking – actually buy into this idiocy.

Woman Fears for Her Life After Seeing Trump Yard Signs

How far we have fallen as a nation, academia doesn't turn out intelligent well-rounded highly qualified individuals anymore, no instead our indoctrination centers turn out people so brainwashed in Leftist dogma that they can see a simple yard sign and be terrified for their life.

The 2020 Election, Liberalism, Joe Biden, Domestic Terrorists, and the USSA

The Democrats have accomplished nothing of lasting value because they are fully and completely invested in destroying President Trump and then removing him from office. There was

the Russian collusion narrative built on bought and paid for shady information via the Democrats – more specifically bought and paid for by the DNC and Hillary Clinton.

Press Sec. Kayleigh McEnany Roasts NY Gov. Cuomo – Then Destroys Nancy Pelosi

Pelosi and Cuomo and so many other Democrats are vile, disingenuous, lying, and greedy power seeking politicians who will stop at nothing nowadays to accomplish their mandate, socialism and an eventual One World Government.

A Biden Presidency Would be A Disaster – His VP ‘Picks’ as President Would be Worse

If you haven't heard of Bass's pet "bill," the New Way Forward Act, let me be the first one to acquaint you with it, this is some epically bad legislation. This "bill" would require the U.S. government to reimport hundreds of thousands of illegal aliens that were deported for – now get this, committing crimes!

Politically Correct Lies – the Big Bang Theory, Evolution, and There is NO God

It's funny how many people will grasp at straws and see reason in completely illogical thought processes. People will believe outright lies and falsehood rather than believe the truth. Anything that lets a person hold on to the belief that there is no God – many will embrace and defend these beliefs even with undeniable proof that these so-called beliefs are incorrect.

Shortage of Aluminum Cans, Food Staples, and Coins is Only Going to Get Worse – Act Now!

I said it before and I will say it again, the Coronavirus was Created to Destroy the U.S. Economy & Create a New Nation State. Democrats and their allies are so desperate to stop Trump, they will do anything to accomplish this including sabotage the economy. America needs to realize that the Coronavirus, lockdowns, etc. – it's all about controlling the

sheeple.

Did Epstein's Gal Ghislaine Maxwell Run One of the Most Popular and Powerful Reddit Accounts in History?

Ghislaine who was Epstein's girlfriend and was often referred to as his "madam" was arrested July 2nd on charges related to sexual exploitation of minors and could face 35 years in prison if convicted.

Peter Strzok Handwritten Notes Released – Implicate Obama, Biden in Framing Gen. Flynn

Former FBI agent Peter Strzok's handwritten notes have been declassified by the FBI (with redactions) and these notes specifically detail a meeting between Obama, Biden, Comey, Yates, and Susan Rice.

Seattle's 'Autonomous Zone' is Setting an Extremely Dangerous Precedent While State and Seattle Encourage Domestic Terrorism

Black Lives Matter and Antifa burned down Minneapolis – if they didn't burn it, they defaced it or stole it. The Useless mayor watched it happen, and now this Leftist mayor (Jacob Frey) wants Trump to bail his city out after these lawless hoodlums used George Floyd as an excuse to loot and burn. Protests yes – looting, burning, defacing, and attacking police, etc. no.

Obama's NOT so Subtle Marching Orders to George Floyd Protestors

Obama in his “town hall” and more specifically in the article he penned for Medium makes it clear where his priorities are – that the aftermath of Mr. Floyd's death needs to be used for gain, to affect changes Obama deems necessary, and the troops need to be front and center; keep up the pressure to “make people in power uncomfortable.”

The Undisputed Kings of Fake News Are at it Again – Trump is Golfing Without a Mask

What a bunch of idiots. First, Trump works more hours in a day than any of these clowns do, and he is entitled to a break. Second, sunshine is a natural killer of the Coronavirus, and why on earth would one wear a mask outdoors?

Declassified Susan Rice Email Proves Joe Biden not Only Knew – But Aided in Plotting Against Flynn

As noted, Obama and Biden both knew about and participated in this sham operation against General Flynn. Joe Biden has repeatedly claimed he knew nothing about Michael Flynn. Sounds a lot like Hillary Clinton who knew nothing about 33,000 missing emails. In a recent interview, Biden stated: “I knew nothing about those moves to investigate Michael Flynn...,”

Obama's Inner Circle Requested 'Unmasking' of General Flynn

Acting Director of National Intelligence Richard Grenell on Wednesday sent top Republican senators a list of former senior Obama administration officials who might have been involved in efforts that "unmasked" former national security adviser Michael Flynn – including former Vice President Joe Biden.

Illegals Suing the U.S. Government Because They did Not Receive Coronavirus Stimulus Checks

Unfortunately, it is known worldwide how American lawmakers so foolishly ignore our own laws and Constitution in order to grant all rights and privileges to illegals, and even rights that American citizens do not possess.

Major Crisis Averted! Netflix

and AOC Propaganda Film to Educate Your Kids

AOC and the rest of the socialist Democrats are highly organized, well funded, and have a lot of power players backing them – like most of the media, Facebook, Twitter, and George Soros and plenty of other progressive voices. Many of AOC's positions are, like the Green New Deal – an exercise in futility combined with stupidity.

Was the Coronavirus Created to Destroy the U.S. Economy and Create a New Nation State?

Noted and well-respected financial and geopolitical analyst, Lyle Martin Armstrong contends that the Coronavirus is a deliberate attempt to destabilize and destroy the entire world economy. So then, what is the point of all of this? The point is to further the socialist/One World government agenda, while wiping out the opposition – like We the People

Report: the Solution to the Mental Disorder Known as Liberalism Has Been Found

Libfornia will likely become the Mecca of political correctness and the world bastion of liberal thought. It is also anticipated that medical care will be free for everyone, and a college education will cost zero. Residents of Libfornia will almost assuredly be able to apply for and receive a Universal Basic Income in the very near future.

Is Coronavirus Deadly? Yes, Just Not In The Way You Might Think

CNN is not only staffed by incompetent liars that would not know journalism if it walked up and slapped them, they are also clearly out to destroy President Trump. The basic problem is that the Coronavirus, or COVID-19 is being blown way out of proportion.

Not So Super Tuesday –

Democrats Unite Behind the Worst Candidate Ever: Joe ‘the Gaffer’ Biden

Why would anyone in his or her right mind vote for any of these people? Mark my words; if you vote Democrat, you are voting destruction upon yourself. Lest anyone think I’m kidding or being overly dramatic here – simply check out the cities and states run by Democrats, and look at what kind of shape they are in. I will even give you a head start, look at California.

Confirmed: Ilhan Omar Married Her Brother and May Have Committed the ‘Worst Crime Spree in Congressional History’

No, Ilhan Omar definitely does NOT have America’s best interests in mind, she has her OWN interests in mind, and that of Islam; Islam I want to remind my readers seeks to dominate the world, to control it, not assimilate. Don’t forget that.

All Aboard the Trump Train: Trump Guaranteed to Win – Democrats Freaking Out

Warren finished fourth in New Hampshire; your goose is cooked Lizzy, only you don't seem to know it yet. Historically speaking, no one who performs poorly in New Hampshire has ever won the nomination, Republican or Democrat. Trump suggested Warren should go home and have, "a nice cold beer with her husband." We agree.

The Prosperity Gospel Is No Gospel At All

In the second verse, God promises that if we will follow Him, He will provide for us. Again, said provision is according to God, not us. The heart will lie, telling us we have to have this and that. Except that we do not.

How to End House Impeachment Games: Senate Impeachment

Trial Rules – the ‘Kill Switch,’ Spicer:

Nancy Pelosi shamelessly played partisan political games in the House with an extremely serious matter, impeachment. Impeachment is a serious step in attempting to remove a president, and should be treated as such. In the Senate trial, the games are over.

AOC is ‘Stressed’ About Having Kids – I’m Stressed About AOC Having Kids Too

With people like AOC (and the Squad), Bernie Sanders, Elizabeth Warren, Joe Biden, etc. – there will never be a stable and healthy world, let alone a stable and healthy U.S. How can the U.S. be “stable” when idiots like AOC and company pursue wild fantasies that cost more money than there is in circulation today?

Cell Phones, Bullying, the Age of Reason, and Typical

Democrat Stupidity

While the author of a new bill submitted in the Vermont state Senate says the bill is only to make a “point,” this bill exemplifies the Democratic mindset – ignorance and stupidity. So what is this new bill about you ask? Cellphones – more specifically, taking them away from those under the age of 21. Yup, you read that right.

Teen Vogue Claims That Antifa ‘Aspires Toward Creating A Better World’

Anyone supporting Teen Vogue is supporting dangerous Leftist propaganda and an obviously dangerous group of homegrown terrorists. One does not make things better through intimidation, threats, and the use of violence. That is exactly how terrorist groups like Hamas and Hezbollah operate.

Adam Schiff and the Dems Impeachment Circus a Desperate Attempt to Cover

for the Bidens and Others REAL Crimes in Ukraine

Trump has been accused of wrongdoing since before he assumed the office of the president. The Ukraine fiasco has been a large part of the Democrat's plan to impeach Trump. So along comes information via John Solomon that Hunter Biden was "flagged" for "suspicious" payments way back in 2016

Breaking: Democrats Declare A New Holiday – 'Impeachment Day'

Yesterday I wrote about the Democrats desperate impeachment attempt to cover their own crimes – crimes they of course have accused Trump of. EXPOSED! Adam Schiff and the Dems Impeachment Circus a Desperate Attempt to Cover for the Bidens & Others REAL Crimes in Ukraine

**College Students LOVE
Medicaid for All – Until They**

are Told the Truth

The Democrats have long touted Medicaid for All, or in other words, a single-payer healthcare system as “the” solution to rising healthcare costs. Many of the current Democratic presidential contenders are pushing this flawed concept rather hard. Especially Bernie the socialist Sanders, and Elizabeth Fauxahontas Warren.

Report: Iran is Secretly Transporting Nuclear Capable Missiles Into Iraq

According to The New York Times, American intelligence officials are saying that Iran is secretly moving short-range ballistic missiles into Iraq. These missiles are of course in response to what Iran views as U.S., Saudi Arabia, and Israeli “aggression” against the Iranian state. With ballistic missiles in Iraq, Iran is capable of hitting Saudi Arabia, Jerusalem, and American military forces inside Iraq.

You Can't Fix Stupid: Wausau Wisconsin Outlaws Throwing

Snowballs

Yes folks you did read that right, a city in Wisconsin has actually banned throwing snowballs. After all, public safety is at risk here. I have to ask, how is it that anyone can be this ignorant, or more to the point, blatantly stupid?

Prince Andrew's Disastrous Epstein Interview: The Icing on an Already Poisoned Cake

Vanity Fair is reporting that there are "rumors" that Prince Andrew wants to do another interview. Well, in this author's opinion, that could only add fuel to an already blazing fire the royals are having no luck putting out.

Tyrannical Rise of Google: Information Theft, Search Engine Manipulation, and the Complete Destruction of Free

Thought

This writer will say this – if there is to be an Orwellian 1984 society in America, and I believe it is already happening – Google will be at the forefront of those leading the way and cashing in on it. You can take that to the bank

Leaked Ukrainian Documents Show Millions of Dollars Funneled to Hunter Biden and John Kerry's Family

Despite all this, Trump perseveres and has accomplished much including the removal of China as the controller of our second largest seaport. Few reported on this important accomplishment because reporting on the impending impeachment of Trump was and is more important.

The State of Today's Church is Very Dark Spiritually

“What has happened to America? What sort of “inheritance” are we leaving to our children and grandchildren? As I’ve said before, “As go the pulpits, so goes the nation.” Even so-called “good” Bible-believing, Bible-preaching pastors and

churches avoid all this like the plague.

The Leftist Cabal's Most Outrageous Crime Yet

Democrats through controlling the narrative, or more properly, verbacide – have convinced many a person of deep and serious untruths. School indoctrination has convinced many “educated” people of truths that are no truths at all.

The Important Trump Victory for America That You Have Not Even Heard About

Communist China has no business being in charge of anything in the U.S. What fool would consider handing over control of a sensitive port of entry to China? Answer: the same fool that handed over billions to attempt to bribe the Iranians via the disastrous Iran Nuke Deal.

Busted: The Ukraine Whistle Blower Fiasco is a Last Ditch Desperate Democratic Setup to Stop Trump

This latest attack on Trump and the specifics surrounding it should be all the evidence anyone needs that the Democrats are engaged in a battle to destroy Trump and all who support him – in order to return to the status quo of the Washington DC perpetual swamp. And the swamp is not We the People friendly, rather it is we the criminals, friendly.

Hollywood's Trump Derangement Syndrome is Off the Charts

News that Nancy Pelosi initiated a formal impeachment inquiry was to Hollywood libs like being invited to the ultimate drug and alcohol fueled party where everything is free. Liberals everywhere are beside themselves with rapturous joy at the thought of President Trump being impeached.

Iran Allegedly Attacked Saudi

Arabia – According to This Idiot, the U.S. is Completely at Fault

I am in no way endorsing war with Iran, and hopefully cooler heads will prevail. A war with Iran is not a winning strategy. The entire Middle East is one huge ticking time bomb – one wrong move and World War Three could be instantly upon us, and the majority of the people in the U.S. do not understand this or are simply ignoring reality.

Anti-American Congresswoman Rashida Tlaib Says America Needs a ‘Revolution’

As for Rashida Tlaib and her Squad cohorts, they need to focus on what is good for America, not for themselves. President Trump has done more good for this nation than these fools have even thought of doing.

Dan Rather – Still the Same

Clueless Mudslinging Leftist He Always Was

All one needs to do to see all this in action is to turn on the news, look around on the Internet and social media, and listen to the Democratic candidates for president who all promise outlandish and impossible items as they vie for the Democratic nomination

Since When Did Patriotism Become Un-American?

Here is what the Democrats will not speak of: many of these illegals are here sucking up resources that could and should be going to American citizens – like health care, food stamps, and schooling. Many illegals are drug dealers; murderers, gang members, rapists, and many carry dangerous diseases.

Report: If Trump Declassifies These Documents – the Democrats Are Finished

I hope Trump soon plays the “Trump” card. We the People have been held hostage long enough – it is high time America sees the Clintons, the Obamas, Comey, Brennan, Page, Strzok, and so

many others for exactly what they are: evil.

Democrats Condemn Israel's Decision to Deny Access to Anti-Semitic Israel Hating Rashida Tlaib and Ilhan Omar

Rashida Tlaib, Ilhan Omar, Alexandria Ocasio Cortez, and Ayanna Pressley – otherwise known as “The Squad,” need to be eliminated from office for being the dangerous anti-American, pro socialism, pro open borders, and pro New World Order vermin that they are.

Twitter's Evil Double Standard

One last thing: there is now a new movie coming out by Leftist Hollywood – called The Hunt. In this so-called movie, hateful Americans can physically hunt their political opponents (“deplorables”) for sport. You have been warned America, speak up now and defend America

Ilhan Omar and the ‘The Squad’ are Dangerous Enemies of America

Unsurprisingly, Ilhan also refuses to comment on the fact that her district is a hotbed of terrorist group recruitment, not to mention that many people from her district left the U.S. to fight with ISIS and other terrorist organizations.

Fake News CNN’S Attempted Attack on President Trump Spectacularly Blows up in Their Faces

CNN correspondent Randi Kaye during a segment on “Anderson Cooper 360” asked eight Dallas-area women what amounted to some loaded questions. The responses Kaye got from these women were not at all what he was expecting or wanted to hear.

Alexandria Ocasio Cortez

Comedy Show: The Gift That Keeps On Giving

Remember how AOC's insane leftist buds managed to kick a hilarious eight-year-old ('Mini-AOC') off of social media by doxing her and threatening to kill her? This is the mentality and maturity of the Left folks – they hate you if you do not bow at the altar of liberalism.

Today's America Takes 'Pride' In The LGBTQ Agenda, Infanticide, Debauchery, And Destroying Those Who Stand For God

Debauchery at every level is openly celebrated everywhere such as in the "gay pride" parades. Those attempting to witness to these people, trying as Paul did to save who ever he could reach with the message of the Gospel – these are treated worse than criminals.

The Final Nail in the DNC's Coffin: 'Rejoicing in the Queerness of God'

The Democratic Party leaders of today tend to view religion as something that divides us all, something that merely presents a problem, an unwelcome intruder into politics and American life. Beto O'Rourke is one such Democrat; there are many others such as – Bernie Sanders, Elizabeth Warren, AOC, and Kirsten Gillibrand among others.

Ilhan Omar: A Dangerous Anti-American Muslim Seeking To Undermine President Trump And The U.S.

Ilhan Omar is all for taking in refugees, while at the same time doing her best to make Trump look like he is evil and cares nothing for refugees and immigrants – I want to point out here that Donald Trump's own wife Melania is an immigrant

New York State Pays Out Over \$60,000 For Registered Sex Offenders

Please, give me a break; hypertension and other conditions can be treated by other medications. Who in their right mind is going to give an ED drug to a registered and possibly dangerous sex offender? Are the people making these decisions crazy, or just brain dead?

Democrats Trashing Trump Are Trashing We The People

([True Conservative Pundit](#)) It's simply amazing to this writer at times (only for a minute or so) how low the Democrats will sink into the filth and mire to enforce [the Democratic playbook](#). Actually, it rather disgusts and sickens me, as well it should any *right* thinking human being, and I do *not* mean Republicans.

What is the Democratic playbook you ask? These days it is pretty simple actually:

- Impeach Trump
- Defeat Trump in 2020
- Oppose anything Trump does – even if it is for the good of this country
- Mire the Congress and the country down in endless investigations of Trump and company – while lying and smiling for the camera

- Preserve the right to murder babies (infanticide) at all costs
- Keep the Southern Border open and porous.
- Support socialism/communism
- Transform the U.S. into a third-world country ([Venezuela](#))

It was the [Democrats who attempted to derail a Republican campaign using false information](#) with the power of the U.S. government behind it. It was and is the Democrats and their Republican RINO allies who have pushed for the election of Donald Trump to be over-turned. It is the Democrats who are seeking to unseat a duly elected president through spurious means including calling for the use of the 25th amendment, and impeachment – for which they have NO legitimate grounds.

There is also a growing movement, again by the Politicrats to subvert the election process. This idea – electing the president via the popular vote only, is gaining steam with many states. I have written a couple of articles on why this is a very bad idea. Do you think everyone's voice should be heard in the presidential election? That WILL change if the Politicrats have their way. The goal here is to guarantee that there will [never again be a Republican president](#), while suggesting that [utilizing the popular vote only, will make elections more fair – in fact, it will accomplish the exact opposite](#).

Many will say that this cannot happen (ditching the Electoral College), many have told me I am wrong. Those who think this cannot happen are not paying attention. This is a serious threat, and it CAN happen. So it's unconstitutional, big deal. Has this stopped the Politicrats thus far? NO, it has not. Why does anyone at this point think that the Politicrats

will follow the Constitution and the rule of law when they have repeatedly demonstrated their willingness to disregard the Constitution and the law at will?

Even as new evidence continues to come out as to the [real perpetrators of crimes](#), the Politicrats are *still* seeking to find non-existent evidence that Trump and/or his staff committed a crime(s) in order to win the 2016 election.

Adam Schiff is still living in fantasyland and dreaming of a Trump conviction for wrongdoing. This despite the fact that Mueller did not find any evidence of a crime or collusion. Apparently he was not looking hard enough.

From [Real Clear Politics](#):

"REP. ADAM SCHIFF: Well, this has been a concern I've had for quite some time. It appeared to me that Mueller was not following the money."

So, Adam shifty-Schiff would have us all believe that Mueller, the Democrat's fair-haired boy just ignored evidence that would have brought charges against Trump? The very thing Mueller worked so hard to achieve for over 2 years, and he just looked the other way? Also, Rosenstein who signed off on at least one illegal FISA application did not allow Mueller (within the supposed scope of the investigation) to pursue this alleged *evidence*? Does anyone actually believe this? One has to wonder if Schiff is just this desperate, or if he actually *is* stupid enough to believe his own rhetoric.

The Politicrats (Democrats and RINOs) have [no agenda](#) that in any way brings fact-based solutions to the table in order to solve any problems America has.

The Politicrats would rather kiss the camera, spend money like a drunken sailor, and line their own pockets while enjoying all the perks of power courtesy of We the People's dime.

The Politicrats are like two-year-old children with a new toy, they can't wait to take it out and play with it at every opportunity – namely the Get Trump toy.

If anyone dares to throw facts in their faces, all these anti-America fools can do is to blather on spouting untrue nonsense carefully prepared to almost sound intelligent while really saying nothing at all. On top of that, the America hating mainstream media backs every comment, and every move of these American-in-name-only backstabbers.

Where was the appropriate outrage when lying Obama covered up Benghazi? Where is the outrage now that the evidence seems to point to (strongly) Obama's involvement in the plan to prevent Trump from ever being president? Where was the outrage at Hillary using an unsecure server to send and discuss classified material that wound up in enemy hands? Where was the outrage when FBI protocol was set-aside during the Hillary *interviews* concerning her unsecure email server? The free pass given to Hillary by James Comey? Where was the outrage when the U.S. government abused its power in an attempt to railroad Donald J. Trump?

That's right, I forgot – the Left hates Trump and anyone like him, so that makes all of this ok.
