

# **When You See a Snake...LIke Covid**

Because many of those who would have campaigned against such crimes in the distant past are presently involved in the commission of them, some hesitation on the part of the victims is understandable. However, to allow these snakes to go without accountability only guarantees the spawning of more snakes and our ultimate enslavement or worse. We must band together and act.

## **USA: Age of Propaganda, Disinformation and Fascism**

Fascism, one learns, is an authoritarian government composed of a single political party with government in league with huge, capitalistic, nominally private business concerns. The government and the mega-businesses each wash each other's backs. The people can still own property and form business concerns for profit.

## **Why Do We Talk About Communists?**

Marx, Lenin, Mao and others at the forefront of that inhuman

and anti-human ideology anticipated the communal (hence “commune” or “communist”) ownership of all property and the means of production. All power was reserved for the state. The idea was “to each according to his needs, from each according to his ability”.

## **Is the CIA For Us or Against Us?**

The American people need to wake up. Serious opposition to our way of life is waging a winning conflict today in the United States. We need to create our own issues and cease to allow them to be defined by the media and by corrupt, entrenched politicians and bureaucrats.

## **Does the Republican Party Stand For Anything?**

It seems that whenever I see a news article about a Republican member of congress, it ends up being about that person’s attack on some Democrat or other personality. And when there are plenty among their own ranks deserving of condemnation, their silence in that regard makes the attack on the Democrat or other figure more unseemly.

# **Time For The Pundits to Explain the Big Ruse**

What are conservative pundits really about? Are they really about solutions? When one has a plumbing problem, does one merely say “Oh, looks like the toilet is overflowing. Yes, it certainly is overflowing. Look! Now there’s water on the floor. Um, and it’s getting deep. Looks like it could go into the living room.

## **What’s More Important Than Power?**

Along with the Council for Foreign Relations, the UN, the Trilateral Commission and global financial elites, Schwab’s WEF are behind this destruction. People like Biden, Obama, Bush family and their acolytes are their tools.

---

## **When Will the Republican Party Get A Backbone?**

At a minimum, these are vital measures to ensure the fiduciary to the voters. They will effectively eliminate the corrupting

influences currently taking our country down. Engage your imagination, don't listen to the inevitable naysayers with no solutions, and let's show the shades of those in our nation's mid-1800's that we too can act in our own interests!

---

## **We Have to Stop Kidding Ourselves**

Is there any time to lose? Isn't it past time to stop kidding ourselves, thinking that "voting out the RINOs" is a useful strategy? As for "hope", that's just an excuse to do nothing. "Hope" is not a strategy. How about closing our ears to the naysayers and pressing on with a real strategy based on a new method?

---

## **Why Do We Stay With The GOP?**

By now it should be very apparent to Republican voters and conservatives, a growing number of which are migrating to "independent", that the Republican Party as it is manifested in congress and elsewhere in the federal government, does not represent our interests. They have had more than twenty years to get some of our interests passed into law. To date their score is ZERO.

# DeSantis Had It Right

Under the Communists, things didn't change much, except that the nobility was replaced by the Communist Party of the Soviet Union. Only 5% of the population were party members and only they had limited access to decent food, clothing and housing as well as other privileges. There was no private property as the state owned all land and all means of production.

---

## Conspiracy Theorists Rock

A few of the direct results include the enormously unconstitutional "Patriot Act", a huge power grab by federal authorities. Let's not forget that, fairly unique among the world's nations, the US population is an armed population. Those who might be seeking absolute power would necessarily have to move slowly here.

## Is Washington DC Ruling For or Against Americans?

Seymour Hersh has recently reported that it was the CIA which carried out the attack to blow up Russia's Nordstream Pipeline. Not surprising. After all, who believed the CIA's media when they suggested that it was Russia itself behind the attack? That was an out and out LOL! Russia had absolutely no motive for such an act and every reason to never consider

such abject stupidity.

---

## **Only The Cabal Matters**

Two things are very clear. One, we have no credible fighting force for the retention of US sovereignty and a return to our founding principles of limited government, individual responsibility, equality under the law and freedom. The second thing which is totally clear is that...

## **Time For The Pundits to Explain the Big Ruse**

Day in and day out, we are inundated with articles and video about what is “wrong” in our country. Ground breaker in talk radio, Rush Limbaugh made millions telling us about it, why and how. Presumably so do people like Hannity and Levin – not to mention so many others. Is it just for the money? Are they really “patriots”?

---

## **Is The Fix In For Vice**

# President Hillary Clinton?

At any rate, the media has been full of “go away Joe” stories now for months. That’s no accident, redolent of the Cold War days when, if one wanted an idea of what was happening behind the scenes in Moscow, one read Pravda. Those falling out of favor would usually first be scolded in that paper or on Vremya, the Soviet TV news station.

## RINO: What Does It Mean?

Did the GOP candidates all campaign on more massive spending and expanding the size and scope of the federal government? Did they campaign on promising to concentrate even more power in Washington and in fewer hands?

---

## What’s the Point of the GOP?

GOP voters are seeing their legislative and policy wants and needs totally rejected. In the mid-1800’s there were two political parties. They were the Democrat and Whig parties. Whig voters were disgusted with slavery and wanted it abolished. However, the Whig leadership opposed abolition.

---

# What's the Point of the GOP?

It begins with our expectations. When we cast a vote for a representative of some office, we vote with an expectation that the person, if elected, will follow through with what they told us they would do if elected. However, as often as not, we've been disappointed in that regard.

## Put Events Into Context

In terms of Great Reset, Schwab himself said that the government shutdowns in response to the virus aided the Reset in ways they hadn't imagined, by killing off so many small businesses. What about all the deaths? What about the phony "cures" with the government bureaus denying the effective low-cost cures while mandating the deadly, kidney-destroying Remdesivir/respirator regimen?

## If It Doesn't Make Sense, It's Probably Not True: Ukraine

For a decade or more, the US media public has been inundated with invective directed at the fledgling state of Russia. "Fledgling" because although it's been around for centuries, Russia has shed the wastrel, civilly abusive structure which

was the USSR.

## Think “Right” For Freedom

Surely the readers of NewsWithViews are aware of the way the terms “political Right” and “political Left” are used. Ditto “right wing”, “left wing”. Where do they come from? The use, or rather, the overuse of these terms in political discourse is crafted to create illusions, not to clarify anything.
