

What If?

In fact, Mr. Trump had sent a threatening ultimatum to Hamas, letting them know that the consequences of their failure to comply with the deal that his envoy—lawyer and business megamogul Steve Witkoff—worked out, would be the following: “There will be ALL HELL TO PAY in the Middle East, and for those in charge who perpetrated these atrocities against Humanity.”

Once Again, Having No Faith in the Smartest Guy in the Room

Do you think they studiously avoided discussion of the ongoing and escalating war not between but among Israel and Hamas, Hezbollah, Iran, Syria, Yemen, and Iraqi groups, and what to do about this existential threat to the tiny Jewish state?

Ms. Candace—Pretty Little Virulent Racist

Pretty brainy Black girls who were born into the right era came of age during the Obama regime. But sometimes those pretty brainy Black girls realized that if they wanted to get

noticed, they could never join the poor-me, I'm-a-victim, racist mantra of Obama's Democrat Party.

Yep... Still the Smartest Guy in the Room

Why these questions? Because of the great number of people he has appointed to high positions in his upcoming administration who have longtime leftist connections, have themselves played for the other team, and have eye-raising suspicions about their backgrounds or associations.

The Experts, Science, Medicine—All Amazing, All Fallible

For thousands of years, going back to the Bible, women have wept and grieved and pleaded to God over their miscarriages. Indeed, it took all these millennia for modern-day pharmaceutical companies to develop solutions to this ongoing nightmare. In the 1940s, they were happy to offer doctors the ability to...

Let Me Count the Ways Liberals

China's President Xi Jinping congratulated Donald Trump on his U.S. presidential win and urged both nations to find the "right way to get along," as looming U.S. tariffs threatened to return, as they did years ago.

Trump's Electrifying, World-Changing Victory—He Literally Took Out the Garbage

For the past four years, hard-working Americans resented spending their 8-10-12-14-hour days—more if they have two jobs—working their butts off, only to have their taxes and food prices and gas prices and regulations raised, and crime off the charts, and for what?

Voter Fraud—The ONLY Issue That Matters in 2024

Clearly, the only thing Democrats have cared about for the past hundred years is winning elections at any cost, the better to inflict their strangulating socialist/communist and now Islamist style of government on the American people.

Heads up, Liberal Jews—Don't be Jews On Your Knees

Today, President Biden heartily endorses the Iran nuclear deal—which President Trump canceled—and has let Israel know that he adamantly opposes Israel attacking Iran's nuclear sites. That is the same Iran whose stated mission for decades is to eradicate "The Big Satan" (America) and to exterminate from the face of the earth "The Little Satan" (Israel).

The Coming Calamity of the Cackling Candidate

I will not be surprised if, at the Democrat National Convention in Chicago, Walz is waltzed out of the picture—perhaps by an unfortunate health emergency—and Kalamity with him, all orchestrated by the real brains behind the circus we've been looking at for the past four years.

The Media Still Turn Tricks

for The Democrat Party

Once hired, these wannabe journalists are thrilled to be on their way until they learn that their bosses don't give a damn about anything they think, believe, want to convey to a hungry public. For most media employees, it soon becomes clear that they are expected—indeed, mandated—to reflect and convey the belief systems of their employers.

What is wrong with Biden – Jill Biden, that is

Surely, in both her education and clinical work, she was aware of, sensitive to, knowledgeable about – and protective of – the students whose limitations rendered them incapable of higher function. Surely, she became capable of detecting, even diagnosing, thought and speech disorders, dissociative thinking, and incoherent ramblings.

Heads-Up Jewish Americans: Democrats Are Your Enemies! – Don't Vote For Them

Don't be fooled by the boilerplate, politically correct press releases written by their aides. Once these statements are

made public, these cowards go back to cowering before the radical leftists who now call the shots in the Democrat Party, most prominently the racists who continue to vent their anti-Semitic bile to this day.

The Jew Haters in Power Were Very Carefully Taught

Strangely, it is liberal Jews, and there are many of them—read my article: Suicidal Jews—who vote for the Jew-hating Democrats and raise not one objection when these floridly racist politicians are thunderously silent as their colleagues spew their anti-Semitic bile and then proceed to enact policies that are viciously antagonistic to Israel...

The Transgender Follies—More Madness from the Left

There was not one case of a surgeon cutting off the breasts of 13-year-old and 14-year-old girls because these far-from-fully-developed females claimed they were “born into the wrong gender.” Nor were there medical doctors prescribing hormone blockers to teenage boys to stem the tide of their surging testosterone.

Looking For Answers to the Autism Epidemic in All the Wrong Places

As Caroline Rodgers said, there is an elephant in the room when it comes to the subject of autism —and that elephant is the worldwide blitzkrieg of ultrasound exams on pregnant women, exams that have bombarded the babies they're carrying with the brain-warping sound waves and heat that will continue to affect them every second of their autistic lives.

Know What Drives Anti-Semites Like Ye? Just Peel the Onion of the Human Psyche

According to the Federal Bureau of Investigation's (FBI) Hate Crime statistics, Jews remain the highest target of rampant racism in America, but it is rare to see any reaction from the media when Jews are assaulted, insulted, harassed, vilified, physically attacked and even murdered, not only in America but around the world.

The Premeditated Murder of the American Family

The enemies of America thought long and hard about how to destroy this fledgling experiment. It was clear to them that America's strength was a function of three phenomena...

Is the Biden Administration Riddled With Jew Haters?

But don't believe me. Here, in alphabetical order, are the direct quotes and credentials and behavior of some of Joe Biden's hand-picked Jew-hating and Israel-loathing appointees, which are not limited to the Oval Office, but also include officials in the State Department, the National Security Council, the Defense Department, and U.S. intelligence agencies.

The Reptilian Brains of Terri's Executioners

It's too late for Terri—and the millions of babies who were the victims of infanticide through abortion since her death—but it's not too late for American citizens to take careful note of those elected officials—overwhelmingly

liberals—who through their support of abortion and now euthanasia are responsible for what has become a “culture of death” in our country...

Hell Hath No Fury

As everyone now knows, there has been a massive eruption of nationwide protests as tens, no hundreds, no thousands of mostly Muslim women (and a few of their husbands) have descended on School Board meetings across the country to protest the fact that Critical Race Theory (CRT) is now being inflicted on their children, starting in kindergarten.

Heads Up, Jew Haters! Don't Take This Medicine!

Maybe I don't frequent the right journals, Internet sites, TV shows or radio stations, because all I've seen and read and heard since the 1960s is that the Arabs who call themselves “Palestinians” —you know, those perpetual “victims” who have received literally billions—maybe trillions—in “aid” from America, have become famous for five or six things only...

The Jew Haters in Power Were Very Carefully Taught

A particularly powerful and influential song from the musical, “You’ve Got to Be Carefully Taught,” carried the message that hatred does not arise spontaneously in the human species, but rather is inculcated—taught, sermonized, infused—by parents, teachers, coaches, political figures or other impassioned haters.

More About Joe and the Jews

Right by Obama’s side for his entire eight years in office was VP Joe Biden, consistently endorsing, approving of and applauding his boss’s policies, including the Iran deal, which pretended to delay the world’s most malign terrorist state from acquiring nuclear weapons that the mullahs said then—and say today—are intended to eliminate the State of Israel.

What Is Wrong With Jill Biden?

Inducting Jill Biden into a National Hall of Shame for the elder abuse of her failing husband may seem to pale in light of the above problems, but there are prison cells all over our country holding those convicted of this crime. What she is

doing is cruel and inhuman, plain and simple.

Joe's Jews

Make no mistake, Biden's Court Jews, like Obama's, are identical to those of the past—going back centuries—who financed, supported, licked the boots of and sold out the Jewish people in order to gain the personal influence, privileges, wealth, proximity to power, and protection that the “nobles” afforded them.

Pearl-Clutchers on Parade

Because, as the esteemed Daniel Greenfield points out, Democrats heartily approve of violent acting-out riots —as long as they support Democrat ideology! In 2018, he reminds us, there were “glowing stories” about the hundreds of Women's March members who were engaging in “direct action” to disrupt the Senate's Kavanaugh hearings. They blocked hallways, shouted down Senate members, and draped protest banners from balconies. Democrats cheered them on.

Tucker Goes Megyn

When Tucker Carlson recently attacked attorney Sidney Powell, who was initially on the Trump legal team but is now independently pursuing justice for the president for the massive voter fraud that has put his reelection in question, We the People immediately suspected that Fox management had ordered Carlson to sing their leftist song.

The Real Reason Regressives Are Pretending Biden Won

It goes without saying that those proprietors—who spent multi-thousands of dollars to protect the businesses that support their families, and that help them pay taxes to our government, boarded up their properties knowing that if President Trump won reelection, they would be the merciless targets of the bought-and-paid-for Democrat anarchists who unfortunately symbolize today's Ugly Americans.

Heads Up, Liberal Jews—Don't Be Jews With Trembling Knees

Today, candidate Biden pledges to reopen the Palestinian Liberation Organization (PLO) mission in Washington, D.C. And he vows, incomprehensibly, to rejoin the Iran nuclear deal, in

which the arch-terrorist state in the entire world has vowed to exterminate the State of Israel.

Democrats Now in Full Panic Mode

Given the choice between the systemic corruption and hate-America mentality of the left and the burgeoning peace, prosperity and love-America administration of President Trump, pulling the right lever on November 3rd is a no-brainer!

50 State Rout for President Trump – Eyes + Ears = 50!

Do these bought-and-paid for goons not have parents, grandparents, aunts and uncles, siblings and friends who work in such businesses; who have spent blood, sweat, tears and often 25-hour days building such businesses; who depend on their work to pay their bills, care for their families?

Voter Fraud the Only Issue in 2020 Election

But now, quite suddenly and quite chillingly, President Trump is in the hospital fighting Covid-19. Is this the Deep State's last malevolent attempt to prevent his reelection...and to save themselves from Leavenworth? Sounds about right to me. I only hope the president has several private armed guards and a food taster!

Democrats' Destroy-Trump Efforts Almost Comical

No doubt, these frantic, Democrats will keep up the anti-Trump drumbeat until Election Day on November 3rd—fabricating explosive headlines, leveling damning accusations, and working overtime to rig the election. But this effort will earn them a Z for zero success. That is because I suspect that most Democrats are not that dumb

Emperor's New Clothes, Anyone?

President Trump has offered immediate help to all the mayors of the Democrat-run cities in which this violence is taking

place, but following orders from the moneybags who are funding this mayhem, they refuse his offers, leaving the citizens they've taken an oath to protect in abject fear.

The Democrats' Mental Problem

Not a single smile in four days—only relentless negativity. And not one word—from candidate Biden, VP candidate Kamala Harris, the speakers, or their leftwing media whores—about the nearly three-month, non-stop rampaging destruction by the communist group Black Lives Matter and the anarchists of Antifa in committing daily and nightly acts of violence

Democrats Offer a Rancid Smorgasbord

Why? Because as you can see by the behavior of the mayors who run those cities, it's perfectly okay with them as long as they serve the "big picture" goal of the Democrat Party, i.e., to have things get so bad that there is no choice but to turn to Big Government to intervene, take over, and run all of our lives from cradle to grave.

Kalamity Kamala a Calamity for America

But let's not fool ourselves," Diaz continues, Kamala won't be Biden's VP. Biden will be Kamala's president only if she gets up in a good enough mood to give him permission. She has two big things going for her: that she is a woman and that she is black—a truly extraordinary feat that has never been accomplished by anyone before.

The Democrats' Abandonment of the Jews

Jewish Democrats, it is long overdue for you to wake up and smell the now-contaminated coffee. A vote for Joe Biden is a full-on endorsement of the poisonous Jew hatred that has commandeered the Democrat Party and told you—meaning all Jews including left-wingers

President Donald Trump is the Existential Enemy of Globalism

President Donald Trump is the existential enemy of globalism. His proud and unapologetic America-first policies are the

intractable obstacle to Obama's insidious plan to transform America into socialism—the stepping stone to globalism's one-world government. The Democrats have shown they will lie, cheat, and try to steal the election to defeat Trump...

The Stone Commute Highlighted Democrats' Hypocrisy—But Now They're Waking Up

On the positive side, President Trump is opening up America and, happily, the Democrats themselves are now waking up! According to an article in The New York Times, “Two-thirds of battleground state voters who chose Trump in 2016 but selected Democrats in the midterms say they will return to the president”

Heads - Up Jewish Americans—Democrats Are Your Enemies

Sadly the Democrat Party of old—of JFK, Sen. Henry “Scoop” Jackson, Senator and VP Walter Mondale, et al—has vanished, replaced by Democrats like “the squad” who spew their poisonous hatred of Jews and Israel from the House of Representatives itself.

Once Again, President Trump Hands Democrats Enough Rope

Here's an old, irrefutable chestnut: If you find yourself in a hole, stop digging! But Regressives refuse to learn that lesson and are yet again falling into the chasm of a trap President Trump has set for them.

Systemic Racism Inherent in Democrats' DNA

If the upcoming presidential election on November 3, 2020, were not so serious, it would be downright hilarious just watching the Democrats twist themselves into pretzels in their efforts to project onto President Trump their own lengthy and shameful record of racism.

Democrats Exposed as the Racists They've Always Been

As I said, good comes out of bad. A black vote of 20 percent, and quite possibly 30 percent for President Trump, will teach the Democrats that even their most cherished

“value”—abortion—is not enough to keep the black population loyal to their historically empty promises and innate racism.

While Anarchists Fail, Americans Prevail

On Christmas Eve in 2009, 60 Senate Democrats cast their final votes to approve Obamacare, which was finally voted on again by the House and enacted into law on March 23, 2010. It was only two months into Barack Obama’s first term when they magically produced the exhaustively detailed, 2,300-page bill. But it turns out it wasn’t magic.

Trump’s Baptism Scene

In this case, as it turned out, “the best and the brightest” of the Obama regime and the “best and the brightest” of the leftist media were no match for the singular brilliance of President Trump.

Leftist **Nonsense-Like**

Shooting Fish in a Barrel

But the reaction to the Trump presidency, they told me, was so extreme, the hysteria so sustained, the venom so poisonous, the rationality so nonexistent, that they can't even go to a happy affair like a birthday party or wedding or dinner at a restaurant without World War III breaking out.

Blue Bloods Gone Oprah

Of course, the goal of the real wusses who are writing this junk is to convince the viewing public that they've been wrong all along about Blue Bloods, that what we should really believe is that the police are the problem, prayer is the problem, Jesus is the problem, and we should vote for all the left wing candidates who believe this tripe.

After Four Years of Democrat Treachery, I Smell a Corona Virus Rat

Is it a coincidence that the model Dr. Birx uses to assess the progress of the virus—the IHME, Institute for Health Metrics and Evaluation—is funded by the Bill & Melinda Gates Foundation and that she, Dr. Birx, sits on the board of that foundation and has received mountains of money from that

foundation?

What Is Wrong With Biden–Jill Biden, That Is?

Again, I suspect that the powers-that-be—among them brainiacs like David Axelrod, Valerie Jarrett, and especially George Soros, who appears, through his massive contributions, to own the Democrat Party, the Democratic National Committee, and most if not all Democrat fund-raising committees...

Is This a Pandemic Or a DemPanic?

Now that we're in a de facto Martial Law mode—a shutdown of entire industries and small businesses, night time curfews, social isolation, a run on goods, huge sports events cancelled, a “shelter-in-place” mandate in California, releasing prisoners in New York (God forbid these miscreants get a flu!), Broadway gone dark, and a craven media inciting and delighting in the panic they're causing, it is relevant to ask

Nothing New in the Sick World of Jew Hate

That's right, the very people presidential candidate Joe Biden (D-DE) cannot bring himself to condemn! No surprise here, as former VP Biden presided over the illegal and unconstitutional Iran Deal, which gave the virulently anti-American, anti-Semitic mullahs in Iran \$150 billion dollars in cash to create nuclear weapons with Tel Aviv's address on them

Politicide: The Attempted Murder of the Jewish State by Victor Sharpe

In these riveting volumes, Sharpe describes in painful detail the annihilating attacks upon the ancient Jewish homeland by the immensely powerful Assyrian, Babylonian, Greek and Roman empires, which, significantly, no longer exist.

Jew Hate

According to author and columnist Ben Shapiro, "Media coverage of Israel has long been skewed in favor of Israel's enemies. Jews...are targeted by those perceived as higher on the scale of privilege. It's the reason Rev. Al Sharpton has a show on

MSNBC, the reason Democratic politicians continue to play footsie with Louis Farrakhan, the reason the New York Times ignores hate crimes in its own city...”

Hillary Clinton—The Human Spittoon

Writer’s note: I wrote the following article last year, but it now appears that Hillary’s mental condition and pathological desperation have devolved. Just this week, she accused the leftist presidential candidate, Rep. Tulsi Gabbard (D-HI)—a combat veteran and Major in the Hawaii Army National Guard—of being a “Russian asset” groomed to ensure President Trump’s reelection.

The Groveling Jewish Lefties

But will the leftist Jews of the world wake up and smell the coffee? Realize that the people they’re fighting for loathe them? Reclaim their own glorious heritage and start to fight on behalf of their DNA brethren?

Autism—Still Looking For Answers In All The Wrong Places

The increased incidence of autism has been attributed by legions of parents and a number of professionals to the mercury-containing preservative thimerosal, used to prevent bacterial or fungal contamination in the vaccines babies and children routinely receive.

Baby Killers

Guess who objected to these eminently reasonable and humane guidelines in February of this year? None other than 44 out of 47 Senate Democrats who blocked the Senate from voting on this bill, including presidential wannabes Kamala Harris, Bernie Sanders, Kirsten Gillibrand, Amy Klobuchar, Cory Booker, and Elizabeth Warren

The Sludge Sisters

Yet, the Jew haters plod ahead, as we can see by the new Sludge Sisters in the U.S. Congress—Rep. Ilhan Omar (D-MN) and Rep. Rashida Tlaib (D-MI)—and their sycophantic supporters, including the Speaker of the House Nancy Pelosi, who is so intimidated by these far-left racists that she has

rewarded them with influential positions on House committees.

Prison, Anyone?

And it wasn't about the power of the media to shape/influence/determine public opinion. As I wrote in a former article, "Media Whores," people who have the conceit to call themselves journalists are really employees who take direct orders from their employers.

Antisemitism On Parade—Everything Old Is New Again

"...the Democrats have become an anti-Israel party. They've become an anti-Jewish party." —President Donald J. Trump

"...the chickens of the Democratic Party are coming home to roost...maybe then they will also realize that anti-Semitism, like most cancers, is fatal unless it's removed." —[Michael Goodwin, NY Post](#)

Most people thought antisemitism had been relegated to the trash bin of history after Hitler and millions of his willing German-Polish-Austrian-French-Swiss-Belgium executioners—with savage premeditation—murdered six-million Jews in the 1930s and '40s, and the world—significantly after the fact—seemed to wake up to the psychotic, irrational, obsessed nature of

Jew hatred.

But today, less than 75 after the founding of Israel, Jew hatred has emerged from the cesspool in which it festers. The maniacal obsession with Jews is on the rise, not only throughout the Middle East and Europe—[France](#), [England](#), [Germany](#), [Ireland](#), [Scandinavia](#), [Belgium](#), et al—but it is also contaminating America the Beautiful!

Why? One reason is that Jew hatred didn't really disappear after World War II. It simply went underground because people were chastened enough by the sight of crematoria-charred remains and cadaverous survivors to hold their tongues.

But Jews haters never rest. While they abstained from vicious stereotypes and outright physical attacks until they could make their dreamed-about comeback, they were driven stark raving mad when Israel was declared a state in 1948 and the stragglers of the Holocaust joined their brethren in the land God promised to the Jews in the Bible thousands of years ago.

Even then, the Jew haters held back, certain that on the day of Israel's founding, the five massive Arab nations that attacked her on land and by air—Lebanon, Syria, Iraq, Jordan, and Egypt—would annihilate the fledgling state.

Instead, in its War of Independence, tiny Israel—outnumbered by millions in dollars and manpower—defeated her aggressors, increased the size of her borders and captured much of her attackers' land.

Many wars ensued: the Sinai-Suez War in 1956, the Six-Day War in 1967, the War of Attrition in 1967-1970, and the Yom Kippur War in 1973—with Arabs attacking Israel and Israel either holding its own or winning (in spite of catastrophic losses). And after all those wars, the Arabs engaged in not one but two protracted armed-uprisings (intifadas)—in 1987 and 2000—neither of which stopped Israel from flourishing. In fact, every

encounter with Israel drove both Arabs and liberals everywhere into paroxysms of rage.

Arabs because of the humiliation...how could 300-million Arabs go down to defeat to five or six million Jews? And liberals because they only identify with losers—er, victims. It is irrelevant to this leftwing species that Arab nations include in their mission statements that their goal is to kill all Jews and wipe Israel off the map! If Israel wins a war, they are the bad guys. Such is the liberal mentality—to this day!

WHY THIS RESURGENCE?

The religious-political-supremacist system of Islam was invented in the seventh century and has since led a relentless drive to literally take over the world, establish a caliphate ruled by sharia law—the law that mandates cutting off the clitorises of five-year-old girls, throwing homosexuals off roofs to their deaths, engaging in “honor killings” of teenage girls whose behavior they disapprove of, and killing all Jews. *That* sharia law.

It is no surprise that this megalomaniacal goal captured the imagination of leftists worldwide, including in our country, who share Islam’s goals, particularly of destroying America—the “Big Satan,” and Israel—the “Little Satan.”

While Islam’s biggest competition is Christianity and the billions of people who love Jesus, their chief target has always been the Jews of the world (who today number 14 million) who they’ve despised for thousands of years—since Abraham’s second-born son Isaac prevailed over his first-born Ishmael. Believe me, that’s it in a nutshell.

In order to gain a foothold in America, many Arab countries have donated multimillions of dollars to colleges and universities across the U.S. for decades, giving them de facto license to endow chairs and dictate curricula, most of which militate against Israel and paint a rosy picture of the 22

Arab nations—all of them dictatorships—that surround the tiny Jewish state.

In addition, the lobbyist groups of what Pres. George W. Bush called “the religion of peace,” have been very effective in insinuating themselves into our body politic, even reaching the highest reaches of power—in the State Department, Homeland Security, the IRS, all intelligence agencies, and even the Oval Office—especially during the Barack Obama regime. Among the many that operate openly is The Council on American-Islamic Relations (CAIR)—an offshoot of the terrorist-founded Muslim Brotherhood—which is a notorious neo-Jihadi group in the United States that pretends to be a civil rights organization.

Islamists have also poured multimillions into lobbyists and public-relations efforts to convince the world that the religion of peace is not behind the worldwide pandemic of terrorism that, as only one example, is happening today on a [horrifically massive scale in Germany](#), as documented in sordid and graphic detail by Soeren Kern, a Senior Fellow at the New York-based Gatestone Institute. Equal data exist in England, Sweden, Belgium, et al.

Any surprise, then, that the florid metastasis of anti-Semitism has come to our shores?

THE SLUDGE SISTERS

I’ve already written about the latest Jew haters to contaminate the public discourse—the newly-elected U.S. Representatives Ihan Omar (D-MN) and Rashida Tlaib (D-MI), and their ardent admirer Alexandria Ocasio-Cortez (D-NY)—all of them young, attractive, articulate, and seasoned in the kind of rabble-rousing that comes with training (or observing) the [community-organizing tactics](#) of Karl Marx, Saul Alinsky, and Barack Obama.

What is striking is their commonness, their utter lack of

originality. When I listen to their compulsive antisemitism—kind of like watching the regurgitation of untreated acid reflux—there is not one word that hasn't been leveled toward the Jews for the past 5,000 years. C'mon, girls, besides your jealous rants, is there even one original grievance in your arsenal?

What comes to mind whenever I see or read about this echo-chamber triumvirate is the Vessel Theory I developed a couple of decades ago and wrote about in my book, [All About Love](#). Basically, it says that whatever comes out of a person is what's inside of a person. But I used vessels—specifically vases—to demonstrate that point.

Let's say you come into a room and see 10 vases on a shelf. One is very ornate and beautiful, another plain and unadorned, yet another made of clay, the fourth is ceramic with elaborate artwork, a fifth is crystal, the sixth is made of Chinaware, and the seventh of woven reeds, et al.

But when the plainest vase was turned on its side, pure spring water poured forth, and when the most beautiful vase was emptied, pure sludge! You're familiar with sludge—that muddy mixture of dirt, muck, slime, dregs, contaminants, filth.

While writer David Catron of *The American Spectator* calls this triumvirate a "fractious coven" and ["the weird sisters,"](#) I think they can more accurately be labeled The Sludge Sisters!

- Omar: Israel has "hypnotized the world" and I pray that "Allah awaken the people and help them see [its] evil doings ..." Also that the American Israel Public Affairs Committee (AIPAC) buys off Congressmen/women to support

Israel, among almost daily regurgitations of Jew-and-Israel-hating memes. Sludge!

- Tlaib: those who supported the bill *against* the Boycott-Divest-Sanction (BDS) movement—which seeks to strangle Israel economically—were torn by their “dual loyalty” to both Israel and the United States, and the bill’s supporters “forgot what country they represent.” And she [supports](#) a global economic, academic and cultural boycott against Israel. Sludge!
- Ocasio-Cortez: supports BDS and falsely and maliciously [condemned](#) Israel last July for committing a “massacre” against Gaza “protesters” when in fact the Arabs (who call themselves “Palestinians”) were violent rioters trying to infiltrate Israel to murder Jews. And who was standing right behind her at her election victory party? A longtime [vicious hater of both Jews and blacks](#). Sludge!

POWER POLITICS AT WORK

Meanwhile, when a brouhaha arose demanding that Democrats condemn the rank racism of their new members, particularly Rep. Omar, House Speaker Nancy Pelosi couldn’t quite make that happen.

According to journalist and author [Kurt Schlichter](#): “‘She could only get her caucus to agree to condemning all prejudice, sort of, including the tsunami of prejudice against Pacific Islanders that we all see around us so much in our daily lives. Of course, the Democrats never named the actual bigot because the Democrat base is affirmatively pro-bigotry. They hate Jews, Christians, white people, dissident non-white people, men, women who like men, and people who blaspheme against the creepy climate cult, among others.’”

To add insult to injury, another Sludge Sister, Linda Sarsour, a Women’s March co-chair who believes [Israel doesn’t have a right to exist](#), denounced Speaker Pelosi as a [“typical white](#)

feminist” who does the dirty work of powerful white men, and castigated her for pushing the anti-Semitism resolution.

Not so fast, girls! All of a sudden, Ms. Ocasio-Cortez is being investigated by the Federal Election Commission (FEC) for running a gigantic slush fund with her campaign’s Chief of Staff, Saikat Chakrabarti, for funneling more than \$1 million in political donations into two of his own private companies.

Questions are being asked about Rep. Rashida Tlaib’s failure to disclose her financial ties to George Soros—to the tune of thousands of dollars that were not reported on financial disclosure forms—as required by the House ethics committee. This while she announces to the world her upcoming plan to introduce articles of impeachment toward President Trump next week!

Rep. Omar has Laurie Cardoza-Moore, an Evangelical leader and president of Proclaiming Justice to the Nations (PJTN) calling on the US Justice Department “to launch a full and thorough investigation” into the congresswoman’s “possible connections to the Muslim Brotherhood” and “fundraising for two Muslim Brotherhood charities that seek to destroy America.”

Now really, do these freshman congresswomen—does anyone—believe that Ms. Pelosi is not behind these “coincidental” investigations? And further, that it is a coincidence that she proclaimed “NO IMPEACHMENT” for President Trump?

And did they think they had defeated the opposition when the weakling Democrats in the House and Senate caved to their racism by offering a watered-down, toothless resolution?

If so, they should all go back to kindergarten!

FIGHTING BACK

As journalist and author Bruce Bawer spells out, it may be

time for Jewish Americans and the Democrat Party to part ways.

Just as Candace Owens has spearheaded the “Blexit” movement, Bawer writes, inspiring “black Americans to recognize the damage done to them by the Great Society and its aftermath [and to] leave the Democratic plantation, so has Brandon Straka led other gays to see that they’ve been “served a bill of goods by the mainstream media and Democratic Party and is now heading his WalkAway campaign.” But what about the Jews?

Well, whaddaya know? Here comes Elizabeth Pipko, a 23-year-old Jewish figure skater-turned-model who, in an effort to aid a “mass Jewish exodus from the Democratic party,” has popularized the “JEXODUS” movement” initiated by Republican activist Jeff Ballabon.

“Right now,” Ms. Pipko said, “as a Jewish person, you cannot support the Democratic Party and support the Jewish people at the same time.” The first JEXODUS rallies are scheduled for April in New York and Florida.

But even before those marches, the National Conference of Jewish Affairs, headed by Rabbi Aryeh Spero and his wife Beth Gilinsky, have organized a “sit-in” at the office of Speaker Pelosi at her office in Washington, D.C. at 1:00 p.m. on Thursday, March 14th.

If you miss the rally, call Rep. Pelosi’s office at 202-225-4965. Each phone call represents 50 votes.

The message is simple:

- ◆ Rep. Ilhan Omar's history of anti-Semitic slurs and comments demonizing Israel make her unfit to serve on the Foreign Relations Committee.
- ◆ Moreover, she is unfit to represent the interests of the United States on the Foreign Relations Committee.

It is wise to [hearken to the words](#) of Abraham Miller, *professor emeritus of political science at the University of Cincinnati and a distinguished fellow at the Haym Salomon Center*:

"While parallels to Nazi Germany are often overdrawn on one hand and too conveniently dismissed on the other, the recent decision by the Democrat Party to stand with Congresswoman Ilhan Omar and refuse to issue a resolution condemning anti-Semitism is very much like the Nazi removal of the protection of Jews in the legal system.

"The Democrat Party," Prof. Miller continues, "has institutionalized anti-Semitism and it has once-again, as it did during the Holocaust, [abandoned the Jews.](#)"

Heads-up, sane Jews! Leave the Democrat Party of Hate today, before you too find yourselves in the 21st century's version of the cattle cars of the Holocaust!

Suicidal Jews

When individuals kill themselves, we look for answers in [their DNA](#), their environments, their personal reactions to feelings

of impotent rage, rejection, disappointment, heartbreak.

But how to explain group suicide? [Wikipedia lists](#) numerous cases, starting in 206 B.C., and these relatively recent cases:

- In 1943, in the final phase of the [Warsaw Ghetto Uprising](#), many of the Jewish fighters besieged in the “bunker” at [Miła 18](#) committed mass suicide by ingesting poison rather than surrender to the Nazis.
- In 1945, about 1,000 residents of [Demmin](#), Germany, [committed mass suicide](#) after the [Red Army](#) had sacked the town.
- In 1978, 918 Americans—including 276 children—died of cyanide poisoning in the [Peoples Temple](#) led by [Jim Jones](#) in Jonestown, Guyana.
- In 1997, 39 followers of the [Heaven’s Gate](#) cult in California died in a mass suicide, believing they would travel on a spaceship that followed [comet Hale–Bopp](#).

Clearly, some groups took their lives *en masse* for ideological reasons, while others—particularly vulnerable people in dire need of a “leader”—simply followed orders.

In all the mass suicides in recorded history, dozens, hundreds, and up to one-thousand people took their own lives.

But today, when looking at suicidal Jews, the numbers could be in the millions!

LOOK AT THE NUMBERS

Currently, out of a worldwide population of eight-*billion* people, there are 14-*million* Jews: approximately six-and-a-half million in Israel, six-and-a-half million in the United States, and about one-million throughout the world—by any measure, a few grains of sand compared to the massive total population of the world.

According to U.S. voting patterns, Jews are overwhelmingly liberal...up to 80 percent, which means they vote in huge numbers for leftists like Barack Obama and Hillary Clinton—whose staffs were comprised almost exclusively of career anti-Semites and who did everything in their power to effect anti-Israel policies like the Iran deal, knowing that the fanatical mission of the mullahs in Teheran was—and is—to wipe Israel off the map and exterminate every Jew.

As Karin McQuillan [explains](#) in “Lefist Jew Hatred Has Come to America”: “The Left began with blacklisting and boycotting conservatives. Now American Jews are in the crosshairs, no matter how liberal their politics.”

But they won’t jump off the bandwagon, she says, because that would mean “losing your friends, being shunned at synagogue, and stunting your career... changing party affiliation is a such a tall cliff, it feels suicidal, that is, the loss of their entire identity. The identity politics, blame-America crowd can’t stand the Jewish-American success story.”

McQuillan quotes the estimable [Daniel Greenfield](#): “There is no future for Jews on the left except as collaborators in anti-Semitism.”

Look no further than the full-bodied ideological and financial support that liberal—suicidal—Jews lend to virulently anti-Israel organizations, many of them founded and financed by leftist Jews, such as [the Woman’s March](#), [Black Lives Matter](#), [the fascistic Antifa](#), [J Street](#), [If Not Now](#), [Americans for Peace Now](#), [B’Tselem](#), [Bend the Arc](#), [Breaking the Silence](#), [New Israel Fund](#), [Jews for Racial and Economic Justice](#), [The Forward](#) newspaper (recently defunct), Michael Lerner’s [Tikkun](#) magazine; [Reform Action Center](#), [T’ruah](#) (formerly Rabbis for Human Rights), [Jewish Voice for Peace](#), and [Jews for Racial and Economic Justice](#), et al.

Impossible, you may say. To the contrary, it’s not only

possible but a hard, cold reality that these unJews, as political commentator Dan Friedman calls them, support the very people identical to those who annihilated the entire population of Europe's Jews during Hitler's reign of terror during the 1930s and '40s.

Why? Because it's hard to be a Jew, and liberal Jews are simply not up to the task. The desperate need to be liked, accepted, admired and embraced are the historical downfalls of weak Jews.

That is why so many Jews adored President Franklin Delano Roosevelt, who stacked his administration with [Court Jews](#) and then stabbed every Jew in the world in the back... [refusing](#) refuge to the few who escaped Hitler's murderous onslaught by turning away thousands from our shores and sending them back to their grisly deaths. And he counted on—who else?—weak liberal Jews and a complicit leftist media—to cover for his mortal sins!

Even if only 50-percent—and not the actual 80 percent—of liberal Jews support candidates who hate Jews and hate Israel, that means that seven-million of the 14-million Jews on earth are paving the way to another Holocaust.

HERE IS WHY

Liberal-turned-conservative icon Norman Podhoretz, author and longtime editor of Commentary magazine, further explains this aberration in his latest article, [“Why Are Jews Liberal?”](#)

“Most American Jews sincerely believe that their liberalism, together with their commitment to the Democratic Party...stems from the teachings of Judaism and...the heritage of ‘Jewish values.’ But if this theory were valid, the Orthodox would be the most liberal sector of the Jewish community. [Yet] on every single cultural issue, the Orthodox oppose the politically correct liberal positions taken by most other American Jews precisely because these positions conflict with

Jewish law.”

Podhoretz continues: “Liberalism has become more than a political outlook. It has for all practical purposes superseded Judaism and become a religion in its own right...indeed, many such secular Jews, when asked how they would define ‘a good Jew,’ reply that it is equivalent to being a good liberal.”

Precisely! And, I would add, a good Democrat!

Another reason why Jews in our country are liberals is because, unlike those who lived for thousands of years before them—and were forced into a cruel diaspora, ejected from every country they tried to call home—American Jews grew up in the freest, most bountiful, most law-and-order country in world history, where none of them suffered the indignities and life-threatening specters of annihilation from pogroms or Crusades or an Inquisition or forced conversions or a Holocaust—and few of their parents or teachers taught them about these historical obscenities!

Yes, [there was prejudice](#) from the likes of Hitler admirers [Henry Ford](#), Joseph P. Kennedy Sr., and Charles Lindbergh, Yes, there were quotas for Jews in American universities and medical schools, so Jews built the most prominent medical centers in the U.S. Yes, it was hard to get jobs in the entertainment business, so Jews invented Hollywood. Yes, it may have been difficult for some nerdy guys to get dates or get noticed, so Jews created Facebook and Google and Twitter, among other leftist enterprises.

By the way, that’s why there is and always has been so much antisemitism—pure green-eyed jealousy! How did a tiny people who were slaves in ancient Egypt for over 200 years and then marginalized for thousands more years wherever they went manage to survive and thrive and flourish so spectacularly?

Instead of emulating the seemingly superhuman power of Jews to

survive millennia of oppression, ostracism, and outright murder, the antisemites among us would rather kill them off!

That's what the strongest human emotion—jealousy—does to the human psyche. When they see that the Bloomberg Innovation Index for 2019 lists the fledgling state of Israel—only 70 years old—as the 5th most innovative country in the world—ahead of Singapore, Japan, the U.S., France, Norway and China—it drives those pathetic envious Jew haters stark raving mad!

CONVERSION

In this bastion of American liberty, the freedom of religion Jews had never experienced led many to abandon what they considered the oppressive strict observances they were accustomed to. At the same time, an awareness of their painful history inspired tremendous empathy for the underdog, the oppressed, the maligned—the victims of society. Hence, the liberal Jews converted from Judaism to a religion called Social Justice.

But according to Noah Rothman, author of [Unjust: Social Justice and The Unmaking of America](#), so-called social justice “has become the antithesis of blind, objective justice...its essential nature compels its believers to treat individuals unequally in the name of equality.”

For leftist American Jews, going the “social justice” route allows them to bask in self-congratulatory narcissism, while distorting the Bible's teachings and replacing them with a universalist theology they call “*tikkun olam*” or what they delude themselves into believing is “repairing the world.” These are the same people who applaud the new NY State law to engage in the premeditated murder of in utero babies of nine-months gestation the day before—actually the minute before—they're born. Some repair!

And in the midterm elections of November 2018, the American

electorate—including those leftist suicidal Jews—voted for not one, not two, but three in-your-face Jew haters and Israel haters! Here is a relatively short list of the Jew haters that liberal/leftist/progressive American Jews continue to support.

WHO HATES THE SUICIDAL LIBERAL JEWS?

♠ Black leftists. According to [historian Rafael Medoff](#), “American Jews played a significant role in assisting the African-American community throughout the past century—having a central role in creating the NAACP, building more than 5,000 schools for rural African Americans from 1914 to 1932, and participating actively in the black civil-rights movement of the 1950s and 1960s.” But when the Black Power movement arose in the mid-‘60s, the first people blacks irrationally turned against were the Jews.

♠ The World Council of Churches, which represents [350 member churches in 110 countries](#), and half a billion Christians throughout the world...fully embraces the vicious Boycott, Divest and Sanction (BDS) campaign to destroy Israel.

♠ Amnesty International, which just issued a report that isn’t just anti-Israel, it obliterates Jewish history. The organization, as [you can read here](#), has gone full-blown antisemitic.

♠ Doctors Without Borders prides itself on its neutrality, but consistently launches [venomous anti-Israel political campaigns](#).

♠ AirBNB, an American company offering short-term lodging services to lease or rent internationally, [removed all listings of Jewish homes](#) in of Judea and Samaria (aka the West Bank) although not in other disputed territories owned by Turks in Cyprus, Moroccans in Sahara, Chinese in Tibet, or Russians in the Crimea, et al.

♠ The American Friends (Quakers), which “[boasts](#),” says writer

Tabitha Korol, “of their history of non-violent activism, yet work to ultimately destroy the Jewish people and their ancient homeland, Israel, by inciting others to strive for Israel’s annihilation, often through violence.”

♠ The unhallowed halls of academia are a hotbed of virulent antisemitism throughout the country, with [Columbia University leading the pack](#). Here is an example of how J Street U and Students for Justice in [so-called] [Palestine torture Jewish students at the University of Vermont](#).

♠ The Anti-Defamation League under the leadership of Jonathan Greenblatt, a former Obama official. As [Daniel Greenfield expresses](#): “Once upon a time, the ADL was a

THE GREEN IS THE ARAB WORLD THE RED IS ISRAEL

THE ARABS COMPLAIN THAT ISRAEL IS "OCCUPYING" THEIR LAND

Because 99.6% just isn't enough when your hate for the Jews is the center of your life

threat to Jews.”

♠ The United Nations, a [cesspool of tin-pot dictators and anti-Semites](#) on 2nd Avenue in NY City, has a virtual fetish with the “Palestinian” issue. From 2012 to 2015, the U.N. General Assembly criticized individual nations 97 times, of

Jewish civil rights organization. Now it’s just another generic lefty group that pretends to care about Jewish causes only long enough to fleece some of its donors. As the Left goes antisemitic, the ADL is becoming a

which [83 were against Israel](#)! Here, prolific author, former Harvard Law Professor, and longtime liberal [Alan Dershowitz explains](#) that, *“The suffering of the Palestinians, which does not compare to the suffering of other groups, has been largely self-inflicted. They could have had a state, with no occupation, if they had accepted the Peel Commission Report of 1937, the United Nations Partition Plan of 1947, the Clinton-Barak offer of 2000-2001, the Ehud Olmert offer of 2008. They rejected all these offers—responding with violence and terrorism—because they would have required them to accept Israel as the nation-state of the Jewish people—something they are unwilling to do even today.”*

♠ The heads of the Women’s March: Linda Sarsour (“nothing creepier than Zionism”), Tamika Mallory (“white Jews, as white people, uphold white supremacy”), and Carmen Perez—all ardent admirers of hate preacher and head of the Nation of Islam Louis Farrakhan (Jews “are termites”). All of them share Ms. Mallory’s sentiment that [Israel doesn’t have the right to exist](#).

♠ Newly-elected Congresswoman Rashida Tlaib (D-MI), the vulgarian who thought it appropriate to announce to the entire world (and worse, her nine-year-old son) her intentions re President Trump: “We’re gonna go in there and impeach the motherf—er.” Rep. Tlaib is a Muslim and daughter of people who call themselves Palestinians. She took her oath of office on Thomas Jefferson’s Koran, which the third U.S. president obtained in order to understand the Muslim Barbary Pirates against whom he went to war, wrapped herself in a “Palestinian” flag (but [accuses Jews of dual loyalty](#)), aggressively supports the [Boycott, Divestment and Sanctions](#) (BDS) movement—[which is a front for terrorist groups](#)—designed to destroy Israel, and opposes aid to Israel.

♠ Newly-elected Congresswoman Ilhan Omar (D-MN), who also supports the antisemitic BDS movement, and has wished: “may

Allah awaken the people and see the evil doings of Israel”—a country she has said should not exist and has accused of apartheid. And she has also [appealed to a federal judge](#) to get lighter sentences for 33 Islamic State jihadists. Amazingly—talk about a crooked media—PJ Media documented that “105 articles covered Ilhan Omar’s win but zero covered her antisemitism.”

♠ Newly-elected Congresswoman Alexandria Ocasio-Cortez (D-NY) also fully supports the BDS movement, speaks constantly of “the occupation of Palestine” (which is nowhere on any map or Atlas in existence), and says that she descends from Sephardic Jews who fled the Spanish Inquisition to Puerto Rico but disclaimed this lineage by saying: “culture isn’t DNA.” And now she’s having an oh-so-simpatico lovefest on Twitter with one of the world’s most virulent antisemites, Jeremy Corbyn, the leader of the British Labor Party, who says that Jews, not Islam, are [the source of global terrorism](#).

Wannabe president Sen. Kirsten Gillibrand (D-NY) called these Jew haters “the suffragists of our time.”

And House Speaker Nancy Pelosi—she with [the Jewish grandchildren](#)—appointed these Jew-and-Israel haters to prestigious positions: Rep. Tlaib to the Financial Services Committee; Rep. Omar to the powerful House Foreign Affairs Committee, which give her a platform to push her pro-Muslim, anti-Israel, anti-American agenda; Rep. Ocasio-Cortez to the influential House Oversight Committee.

It’s relevant to mention here that Rep. [Pelosi secretly hosted](#) a fundraising event in 2012 with Hamas-tied CAIR (Council on American-Islamic Relations) with a price tag of \$5,000 per person and \$30,000 per couple. CAIR was named “unindicted co-conspirator” in the largest terrorist-funding trial in American history, but the indictment never happened because Barack Obama—who 80 percent of liberal, suicidal Jews voted

for—shut it down.

And—surprise, surprise—the woman who ran the country from 2009 to 2016, Valerie Jarrett, told these antisemites she's backing them up!

WHY ARE LIBERAL JEWS SUICIDAL?

Because, as I've documented, all the people and organizations they embrace, vote for, give money to, and teach their children to support HATE THEM and WISH THEM DEAD!

Proof? Where are the voices in the Democrat Party of protest or outrage at the blatant antisemitism spewing every minute of every day from Democrat office holders and the huge crowd of Democrat presidential wannabes?

Where is there a single word about the beauty of diversity and multiculturalism when it comes to Jews?

Where is there even a whisper of support for Israel, our longtime ally and the only democratic nation in the entire Middle East?

From Democrats: NOT A SINGLE WORD!

Where, [asks](#) longtime Israeli columnist Isi Liebler, are "American Jewish leaders?" The Jew hatred today in the U.S., he says, goes "back to the Obama administration," when Mr. Obama "began to treat Israel as a rogue state, grovel to the Iranians, describe Israeli defenders and Arab terrorists as moral equivalents, and finally declined to veto the most biased and despicable resolution ever passed against Israel by the UN Security Council. The response by the majority of the American Jewish establishment, who were previously never reticent about raising their voices, was a deafening silence."

And the past decade, Liebler continues, "has been one of unprecedented passivity and cowardice by the Jewish establishment—including the ADL, J Street, the Jewish Council

for Public Affairs, the National Council of Jewish Women, progressive rabbis...[and] the Conference of Presidents of Major American Jewish Organizations, comprising 51 affiliates..."

"If the Jewish leaders do not reverse the tide," Liebler concludes, "most American Jews will be betraying Israel and, in the process, obliterating what little is left of Jewish identity."

TOO LATE!

It's too late to reignite the love and pride and passion American Jews once had for Israel and the miraculous rebirth of their ancestral home in 1948, [thanks to](#) the heroic courage of President Harry Truman.

Because of assimilation and intermarriage and the massive influx—actually invasion—of millions of Muslims into Europe (including the Scandinavian countries) and America, and the capitulation of the multiculturalist and diversity crowd to their money, as well as acceptance of [Sharia law](#) —including the barbaric [female genital mutilation](#) and sadistic [honor killings](#) that exist in great numbers in the United States—there is once again a pandemic of antisemitism, only this time with the passive acquiescence of liberal Jews.

We Jews are taught by our sages to accept and embrace all Jews, no matter their flaws or shortcomings. We are a tiny people and only by understanding the imperative for unity will we survive. Look for the good in even the most egregious behavior of our fellow Jew—does he or she help the poor, take in the widow and orphan, donate generously to charity, et al? Then accept that Jew, embrace him, love her.

In Genesis 12.3, God tells Abram (before he became Abraham): "I will make you into a great nation...I will bless those who bless you and curse those who curse you."

Personally, I don't embrace the quisling Jews and other antisemites who opt for the toxic American liberalism that vilifies Jews and Israel. I curse them. And I promise them that their determination to destroy the Jewish state—because of their rancid hatred and obsessive jealousy—will fail as thunderously as all attempts over the past 5,000 years have failed.

Still The Smartest Guy In Washington DC

Well, whaddaya know? In the midterm elections of November 6, 2018, the American people rewarded the president—for only the third time in almost a hundred years—with a net gain of three and possibly four Senate seats, lost half the House seats that his predecessor lost, and left the radical leftwing Democrats not rejoicing at their meager gains, but still chomping at the bit to bring down the president who has effectively destroyed everything they believed in, worked for, and thought they achieved over the past 75 years.

The Blue Wave that the leftist media has been predicting for a year now turned out to be a blue puddle, with even their most aggressive spokesperson, former House Minority Leader Nancy Pelosi, making nice and wanting to make deals with the man who sits in the Oval Office.

And Republicans still control the Senate and can still boast that President Trump is solely responsible for:

- Two rock-ribbed conservative justices on the Supreme Court (for the next 40 years!),
- A booming economy,
- Sky-high employment of women, blacks, Hispanics, and young people,
- A significantly strengthened military,
- Equitable foreign-trade deals,
- And the beginning of The Wall, which promises to stop the rising tide of illegal aliens and sanctuary cities and the punishing price they cost hard-working Americans.

PLOTTING ANOTHER COUP

After President Trump's annihilating defeat of Hillary Clinton in the November 2016 election—306 decisive Electoral votes to Hillary's paltry 232—Americans witnessed an unprecedented reaction from what used to be called the loyal opposition. It was not the requisite graciousness of the disappointed loser. Nor was it the anticipated anger and frustration of

those who knew their political philosophy and programs were about to be overturned.

Instead, when the new president was elected—and even before that, on the very day in June of 2015 that he announced his candidacy—the Grand Poobahs of D.C. who always considered themselves the smartest guys in the room by virtue of their

educations, lofty positions, fancy credentials, grandiose senses of entitlement, and vaunted self-regard, got together and decided that:

1. They reviled the results of the election and the loss of the prestigious jobs they believed they'd maintain under a Democrat chief executive,
2. They feared that a Trump administration would discover the vast corruption of the previous Obama regime and act to prosecute the criminals involved,
3. They believed it was the job of these far-left socialists, communists, and jihadist sympathizers from Obama's Federal Bureau of Investigation, Obama's Department of Justice, Obama's Central Intelligence Agency, Obama's National Security Council, et al, to destroy the Trump candidacy and, failing that, his presidency.
4. They resolved to put their brain trust together, their collective professional experiences, and do anything and everything in their power to depose or criminalize or impeach a duly elected President Trump.

And they fervently believed in their ability to actualize this plan because they had already successfully executed a coup d'état only eight years before, ferreting Barack Obama—of dubious American citizenship and the paltriest of credentials—into the core of America's body politic, concealing his past history, enlisting their reliable media whores to savage anyone who questioned his eligibility and even his very competence, and counting on their Hollywood stooges to use their [vaseline camera trick](#) to give the Obama persona a gorgeous glow.

The plot was hatched, and as Rudy Giuliani, one of the president's lawyers, [told TV host Sean Hannity in mid-August](#), ex-CIA director John Brennan was behind the entire bogus investigation into the alleged collusion of the Trump presidential campaign with Russian operatives.

The entire salacious sham is spelled out [here](#) in graphic detail by Forbes' reporter Paul Roderick Gregory.

However, with Pres. Trump's ascension to the presidency, they dreaded—with good reason—that their carefully-constructed [House of Cards](#) would be dismantled by a seasoned chief executive who loathed their visceral antipathy to the notions of American exceptionalism, a powerful military, booming capitalism, the sanctity of the U.S. Constitution, and borders that protected America against foreign invasion, et al.

In fact, the multi-billionaire George Soros, [the mad genius](#) behind so many of these anti-American philosophies and [the chief financier](#) behind a [huge number](#) of leftwing organizations which help elected Democrats (and many RINOS—Republicans in Name Only) and also those with seditious and/or treasonous agendas, recently [admitted as much to The Washington Post](#), **saying that President Trump has almost destroyed the New World Order, and “that he (Soros) did not foresee Trump's meteoric rise to power.”**

According to [Zerohedge.com](#), Mr. Soros “actually has a reason to feel that way because Trump has single-handedly presided over the dismantlement of the Liberal-Globalist world order that Mr. Soros has worked for decades to build. In a simple spree of tweets, and presiding over the return of [Judeo]-Christian morals, ethics, and values in American society, ideas that are absolutely anathema to the atheist billionaire,” the president has literally decimated the Soros vision.

Boo hoo!

CAST OF CHARACTERS

My personal belief is that the entire Obama regime—indeed the entire country, the entire world—was run by [George Soros](#), with the brainy [Valerie Jarrett](#) as his personal emissary. In the coup he effected, the wily hedge-fund mega-mogul anointed Mr. Obama the titular head of what now appears to have been a collusion-riven criminal enterprise.

And make no mistake, the fish always stinks from the head. Today, the faux former “president” Barack Obama is still running around the world talking amiably to despots and, recently in Africa, [admitting](#) that he was born not in the United States but in—ta da—Kenya! Exactly why “Birthers” like me thought that, according to the U.S. Constitution, he was ineligible to even think about running for the presidency, much less occupying the Oval Office fraudulently for eight years!

Who are the henchmen the poseur Obama chose to run his corrupt regime, the “smart guys” who contrived [the phony Steele Dossier](#) and who orchestrated the plot to destroy the Trump candidacy and then presidency? We can start with the poseur himself.

THE NOT-SO-SMART SMART GUYS

- Barack Obama, former state senator from Illinois, former “president” of the United States: supposedly educated at Occidental College, Columbia University, Harvard Law School (but every transcript and diploma—if, in fact, they exist—sealed forever!).
- Valerie Jarrett, senior advisor to Barack Obama: Stanford University, University of Michigan Law School.
- John Brennan, former director of the Central Intelligence Agency (2013 to 2017), former Deputy National Security Advisor for Homeland Security and Counterterrorism, and Assistant to Barack Obama: Fordham University, master’s from University of Texas at Austin. Oh, and also [voted for the Communist Party candidate in the 1976 presidential election!](#)
- James Comey, former director of the Federal Bureau of Investigation (2013-2017): College of William and Mary, University of Chicago Law School.
- Peter Strzok II, former Deputy Assistant Director of the Counterintelligence Division of the FBI: bachelor and master’s degrees from Georgetown University,

- Andrew McCabe, former [Deputy Director of the FBI](#) (2016 to 2018): Duke University, Washington University in St. Louis Law School.
- Rod Rosenstein, United States Deputy Attorney General: [Wharton School](#) of the [University of Pennsylvania](#), [Harvard Law School](#),
- James Clapper, former Director of National Intelligence: University of Maryland, master's from St. Mary's University in Texas.
- Hillary Clinton, former first lady of Arkansas, former first lady of the United States, former U.S. senator from New York, former Secretary of State: Wellesley College; Yale University Law School.
- Sally Yates, U.S. States Attorney and U.S. Deputy Attorney General under Mr. Obama: U. of Georgia undergrad and law school and executive editor of Georgia Law Review.
- Susan Rice, former National Security Advisor (2013 to 2017), U.S. diplomat, Brookings Institution fellow, U.S. Ambassador to the United Nations, staff of the Nat. Security Council and Asst. Sec. of State for African Affairs (under President Clinton): Stanford Univ (Phi Beta Kappa), Master's and Doctorate degrees from New College, Oxford (in England).
- Bruce Ohr, former associate deputy attorney general under Mr. Obama, Harvard (degree in physics), Harvard Law School.

DISTAFF COLLABORATORS

And let us not forget the wives of these Deep State colluders, as [scrupulously documented by journalist Marilyn Barnewall](#) in her must-read article, "Deep State Husbands."

Barnewell tells us about the central roles played by Bruce Ohr's wife Nellie Ohr: (Harvard and Radcliffe Colleges with a major in Russian History and Literature, Master's and Ph.D. from Stanford Univ.). But Ms. Nellie just revealed that [she](#)

[would refuse to testify](#) because of spousal privilege or some such nonsense. If she has nothing to hide, why on earth wouldn't she testify?

Then there is Peter Strzok's wife, Melissa Hodgman, who according to Barnewell, "must be admired for being very quiet as her husband's romantic episode with Department of Justice (DOJ) lawyer Lisa Page has been media-blasted on front pages world-wide. Or perhaps the Page episode was part of a plot?"

Ms. Hodgman-Strzok's career boost happened at precisely the time the FBI needed someone at the Security and Exchange Commission (SEC) to, if need be, control access to any illicit contributions or other transactions from publicly-traded entities (like governments and corporations) involving the Clinton Foundation."

And let us not forget the wife of Asst. Attorney General Rod Rosenstein, Lisa H. Barsoomian (called the "Guardian of the Deep State's Secrets Gate, and as an expert in destroying evidence, or "the cleaner").

According to Barnewell, Barsoomian "has represented Robert Mueller three times, James Comey five times, Barack Obama 45 times, Kathleen Sebelius 56 times, Bill Clinton 40 times and Hillary Clinton 17 times. Another source says that between 1998 and 2017 Barsoomian herself represented the FBI at least five times."

This is the short list, but there are many other like-minded collaborators. Hillary Clinton (Wellesley, Yale Law School) is way up there, her mission in life to bring down the legal, legitimate, fairly-won presidency of Donald J. Trump, the guy who permanently wiped her off the political map.

Look at all their fancy credentials. I have... including the oh-so-impressive degrees of the executives and reporters from The New York Times, The Washington Post, The Los Angeles Times, The Chicago Tribune and Chicago Sun Times, on and on and on.

I've also researched the degrees and advanced degrees of the men and women who fancy themselves anchors and commenters and reporters on MSNBC and CNN and the leftist networks ABC, NBC, CBS, and also PBS and radio's NPR, and that is not to omit the career leftists at Fox, like Chris Wallace and Shepard Smith (and, I suspect, Bret Baier and Brit Hume), who consistently fail to conceal their anti-Trump bias.

All the Ivy League schools these leftists attended, as well as the London School of Economics, the graduate schools of Stanford and Cornell and U. of Chicago and the Columbia School of Journalism, on and on, should be deeply ashamed of the colossal and deeply dishonest and biased and sometimes sociopaths they graduated!

All of them wrote and talked on and on for months and months on end about Bad Trump and Good Democrats and all of their predictions fell far short of the Blue Wave they predicted!

WHAT HAPPENED

In the midterm vote the other day, Americans told the aggressive, arrogant and vociferous left that they failed to seize the ultimate reins of power because:

- The pink pussy hats didn't work.
- Hollywood didn't work.
- The bought-and-paid-for demonstrations didn't work.
- The pajama boy college snowflake meltdowns didn't work.
- The fake dossier and the Russian-collusion thing didn't work.
- The creepy porn lawyer didn't work.
- The Kavanaugh hit job didn't work.
- The racist allegations didn't work.
- The illegal-alien invading army from Honduras isn't working.
- Oprah didn't work.
- The New York Times didn't work.

- The billions poured into their campaigns didn't work.
- On and on and on and on.

WHAT DID WORK

November 6, 2018, will go down in history as the day the American electorate *affirmed* America's legacy that our brilliant Founding Fathers established 242 years ago, and that the American public has now opted for once again—a balance of power—with the lion's share remaining with the president!

And who accomplished this stunning feat? None other than President Donald J. Trump, who single-handedly wrested the reins of power from the previous thug regime which had effectively contaminated our country's most esteemed agencies—the FBI, CIA, NSA, the Pentagon, Homeland Security, et al—and implanted hundreds of far-left judges, as well as an entire industry of media whores, far too many of whom were and are:

- Anti-American.
- Anti-Semitic.
- Against the U.S. Constitution.
- Against a strong American military.
- Against free speech.
- Against gun rights.
- Against fair trade.
- Against American law enforcement.
- Against secure borders.
- Again, on and on and on and on and on.

THE SMART SET—REALLY?

There is no doubt that the immense number of people who attempted to impeach, indict, or generally bring down the Trump presidency were of the upper-crust of America's intelligentsia—educated, sophisticated, seasoned in the nefarious ways of Washington D.C., and ferocious in their mission to cover their own crimes by eliminating the one

person—President Trump— who could and would expose them and call for his Attorney General to indict them, prosecute them, find them guilty, and imprison them.

No problem, they all thought. We are smart and he is, well, not so smart.

But ha ha ha on all of these misguided egomaniacs. In spite of the massive, collective effort all of them made over the past three years to bring down our chief executive and Commander-in-Chief, they now have to deal with the cold hard fact that President Donald J. Trump—who has formidable education credentials himself—is indeed the smartest guy in the room!

Watch out!

Dead Jews—What Else Is New?

This past Saturday morning, 11 Jews were shot to death in a Pittsburgh synagogue by one of the millions of Jew haters who contaminate our world.

To Jews like me, who know and appreciate Jewish history as I do, this is no surprise. Tragic, yes; shocking, no.

We are a tiny, indeed microscopic, people, only 15 million in a world of nearly eight billion. That ratio equals the proverbial grain of sand on the vast beaches of life, only one drop in the immense oceans that cover most of our globe.

But Jew hatred is very powerful, written about in thousands of

books and articles by erudite scholars who posit theories ranging from resentment that God selected Jews as his “chosen people” to the myth that the Jews killed Jesus to the accusation that Jews are either greedy capitalists or cruel communists to the grievance that Jews run the world.

My own take is that when you peel back every layer of the onion of anti-Semitism, the root cause is that the anti-Semites among us are obsessively jealous. How can it be, they wonder, that this tiny people, dispersed in a diaspora for the last 5,000 years to far-flung communities all over the world where they landed with no language skills, no money, no resources, no nothing—and in the process survived the Jew-targeting Inquisition, Crusades, pogroms. Concentration camps and pandemic outbreaks of anti-Semitism—managed to flourish and rise to prominence wherever they went?

Here in America, we have living proof that the green-eyed monster is alive and well, Exhibit No. One being the [execrable](#)

[“Reverend” Louis Farrakhan](#)—one of Barack Obama’s buds—who little more than a week ago spoke before a smiling, nodding, applauding audience as he called Jews “termites” and “stupid.”

Did I mention his glowing admiration for Hitler? “The Jews don’t like Farrakhan,” he said some years ago, “so they call

me Hitler. Well, that's a good name. Hitler was a very great man." Last May, this Nation of Islam leader—who has been manically obsessed with Jews his entire life—spoke of "Satanic Jews who have infected the whole world with poison and deceit."

YOO HOO MEDIA BLATHERERS

No need to continue to question what could possibly have provoked the Pittsburgh mass murderer, Robert Bowers, to go on his Jew-hating rampage. Is there any doubt that it was Mr. Farrakhan, as well as the violence-promoting rhetoric of leftist Democrats such as:

- Rep. Maxine Waters (D-CA): "'If you see anybody from that cabinet in a restaurant, in a department store, at a gasoline station, you get out and you create a crowd. You push back on them. Tell them they're not welcome anymore, anywhere!" And under the Obama regime, she also "guaranteed" that "the U.S. would not support Israel militarily should fighting break out with Iran."
- Former Democrat Attorney General Eric Holder: "When they go low, we kick them. That's what this new Democrat Party is about."
- Actor Robert DeNiro: "I want to punch Trump in the face...he's a punk, a dog, a pig, a mutt...", and at the Tony Awards, "'First, I wanna say, 'f-k Trump,'"
- The violent behavior of the fascistic Antifa thugs who with absurd inaccuracy describe themselves as anti-fascist?
- The violent behavior of professional victim organizations like [Black Lives Matter \(BLM\)](#) which insist, according to Philip Carl Salzman, that the group "has been guided to anti-Semitism by the [flawed] concept of 'intersectionality,'" and that "supporters of [this bogus concept] cheer terrorists when they murder Jews. To them, that is just 'social justice' at work."

This is the short list and the media know all this but steadfastly fail to cover it because of their rosy-eyed infatuation with all things diverse and multicultural, their hard-left bias—and, of course, all things anti-Trump. The idea of actually broadcasting Mr. Farrakhan's racist rants and Jew hatred going back decades, as well as the provocative and inflammatory outbursts of the other Democrats I mentioned, is unimaginable to the hard leftists of the American media because their bosses are so heavily invested in the global economy. It is always about following the money!

THE NEW JEW HATRED

In the saga of contemporary anti-Semitism, Mr. Farrakhan is not alone. In fact, I believe the fulminating resurgence of anti-Semitism in the United States is a direct result of Barack Obama's influence, which persisted for the entire eight years—2009-2016—he occupied the Oval Office.

As we now know, President Trump has not yet purged the government of all the seditious and even treasonous operatives left over from the Obama regime.

According to journalist Mona Charen, Mr. Obama had a "genocidal hostility toward Israel." Here is the very short list of those he surrounded himself with (you can look up each person's decades-long antagonism, in words and deeds, to Israel—meaning Jews).

Secretary of State Hillary Clinton, Susan Rice, National Security Advisor; [Lee Hamilton](#), former Congressman, advisor and "fixer"; Zbigniew Brzezinski (the man behind Obama's foreign policy); John Brennan, Deputy National Security Advisor for Homeland Security; Samantha Power, U.N. Ambassador and before that on the National Security Council; Iranian-born Valerie Jarrett, Obama's Senior Advisor; [Dalia Mogahed](#), the "[most influential Muslim](#)" in the White House, and close colleague of [John Esposito](#), a staunch [defender](#) of the Muslim

Brotherhood.

And that is not to omit Mr. Obama's "court Jews," who like past lackeys financed, supported, licked the boots of and sold out the Jewish people in order to gain the personal influence, privileges, wealth, and protection that the "nobles" afforded them. They helped Roman emperors kill Jews. They helped Hitler kill Jews. But after their groveling and traitorous service, they were blamed for economic downturns and used as scapegoats to explain away the failures of the evil regimes and leaders they abetted. Fools and dupes, to a person! They included:

Rahm Emanuel, White House Chief of Staff; David Axelrod, chief strategist and media advisor for Obama's 2008 presidential campaign and White House insider; Robert Malley, a fan of Hamas and Hezbollah and son Simon Malley, an Egyptian-born Jewish journalist, and Barbara Silverstein, a New Yorker who worked for the U.N. delegation of the Algerian National Liberation Front, both of whom loathed Israel and apparently passed their toxic DNA onto their son; Dennis Ross, Mr. Obama's special adviser for the Persian Gulf and Southwest Asia, which included Iran, who participated in 12 years of failed Israeli-Palestinian "peace" efforts; George Soros, the Budapest-born multibillionaire and Nazi collaborator who is also devoted to vilifying Israel and funding numerous groups that work unstintingly to bring about its destruction. Soros also has ties to numerous news outlets—including The New York Times, Washington Post, Associated Press, NBC, ABC, et al.

FRUIT OF THE POISONOUS DEMOCRAT TREE

These Jew-and-Israel haters and many others have spawned a new generation of Jew-and-Israel haters who continue to contaminate our body politic. They include:

Self-described "Palestinian"-American [Linda Sarsour](#), principal organizer of the "pussy hat" Women's March on Washington, avid supporter of BDS, [supporter](#) of the incarcerated [Palestinian](#)

[Islamic Jihad](#) member Muhammad Allan, a known [recruiter](#) of suicide bombers, supporter of Sharia law, and firmly opposed to Israel as a Jewish state...you get the picture.

[Alexandria Ocasio-Cortez](#), (D-NY) who won a stunning primary victory over 10-term NY Congressman Joseph Crowley, and who Democratic National Committee Chairman Tom Perez called “the future of our party,” called Israel’s killing of 60 [terrorist “protesters”](#) in May a “massacre.”

Senator Cory Booker (D-NJ), [according to](#) Daniel Greenfield, is an ardent admirer of former Black Panther and Hitler admirer Stokely Carmichael (better known as Kwame Ture), and quotes him often on the flaws in the U.S. Constitution. “When Sen. Booker casually quotes a violent anti-Semitic racist, there’s a serious racism problem,” Greenfield says. “As the senator brings his hatred for the Jewish State to the Senate, he should be asked whether he agrees with his hero, “The only good Zionist is a dead Zionist...we must take a lesson from Hitler.” Oh, and Mr. Booker also voted against the Taylor Force Act that cut off funding for the Palestinians while they subsidize terrorists and their families.

According to pro-America, pro-Israel warrior Pamela Geller (www.pamelageller.com), the Democrat Congressional Committee Chair Rep. Ben Ray refuses to withdraw support for these anti-Semitic candidates, as well as for the following candidates:

Democrat Ilhan Omar who is running for Congress in Minnesota. She recently [claimed](#) that she hoped Allah would awaken people to “the evil doings of Israel,” and vilified “the apartheid Israeli regime.” And she also defended nine men who [sought to join ISIS](#).

Munich Olympic terrorist scion [“Palestinian-Mexican” Ammar Campa-Najjar](#), (D-CA) running for Congress.

Andre Carson (D-IN), running for his second term as Congressman, has been a speaker at numerous pro-jihad

conferences and terror-tied Muslims have given him generous donations. [CAIR proudly lists Carson](#) on their website, along with Keith Ellison and many other Democrats.

[Democrat Rashida Tlaib](#) (MI) wants to be the first Muslim woman in Congress and supports Rasmia Odeh, convicted of murdering two American students in a Jerusalem bomb attack. Tlaib has also supported Islamic Relief, a group linked to the Muslim Brotherhood and designated as a terrorist organization by the United Arab Emirates.

Democrat candidate for Congress Scott Wallace (PA) was criticized after it was found that his charitable foundation had given [hundreds of thousands of dollars to groups that promote the BDS campaign](#). And in a recent debate—in a synagogue, no less—he told his Republican opponent, Rep. Brian Fitzpatrick, to “f–k off.”

Leslie Cockburn (D-VA) was accused by the Virginia GOP of being a “[virulent anti-Semite](#),” based on her-co-authorship of “Dangerous Liaison: The Inside Story of the U.S.-Israeli Covert Relationship,” a book that “advocated for the inherently anti-Semitic belief that Israel controls America’s foreign policy.”

Perhaps the worst is Senator Kristen Gillibrand (D-NY), appointed for her first term and now running for her second six-year term in a state that boasts the second largest Jewish population in the world. But the formerly pro-gun, pro-life political conservative from upstate New York now supports the virulently anti-Semitic, Sharia-law-defending Linda Sarsour, who has stated publicly that Gillibrand “works for us on the inside.” Gillibrand also supports the “Israel Anti-Boycott Act,” which opposes the anti-Semitic Boycott, Divestment, Sanctions movement targeting Israel. And she voted for the nuclear deal with Iran—a state of fanatical anti-Semitism which vows every day to wipe Israel off the map and kill every Jew who walks the earth.

How any Jew can vote for this anti-Israel senator is incomprehensible to me.

And here is what the lovely Missouri State Senate Democrat, Maria Chappelle Nadal, had said: "I hope Trump is assassinated," and "Police are pigs."

A SIMPLE LESSON

If you don't want rabid racists, anti-Semites, tax-raisers, and open-border fanatics to run our country, DON'T VOTE FOR ANY DEMOCRAT! They all hate the fact that President Trump has helped our economy soar into the stratosphere, boosted employment for blacks, Hispanics, youth, and women to all-time highs, strengthened our military ten times over, the list of wins goes on and on.

Or, vote for the party of Jew hatred, high taxes, a weak military, and the kind of toxic racism that belonged more in the Jim Crow era than in 2018 and beyond. Holy Mackerel...what a simple choice!

P.T. Barnum Had Nothing On The Democrat's Freak Show

The Ringling Brothers Barnum & Bailey Circus that I attended in my youth showcased acts like the freak show in which people with all sorts of [bizarre physical features](#) would attract millions of morbidly curious wide-eyed visitors.

But even Tom Thumb and the Siamese twins, the bearded lady and the dog-faced boy, and the head of Medusa that “turned men into stone” had nothing on the oddities of the 2018 circus that billed itself as the U.S. Senate’s Judiciary Committee’s Hearing to determine if Judge Brett Kavanaugh, President Trump’s selection for the Supreme Court, is fit for that august position.

Those oddities, however, were not physical, but rather deformities of character, integrity, honor.

After an exhaustive interview process, a marathon of visiting members of Congress for personal interviews, and being investigated six times by the FBI for his position as U.S. Circuit Judge on the Court of Appeals for the District of Columbia (and other lofty positions), the married father of two adorable young daughters seemed headed straight to take his place beside the president’s former pick, conservative jurist Neil Gorsuch.

But wait! What is this slithering worm in the ointment?

It was the prospect of a majority of conservative justices on the highest court in the land eventually overturning their most cherished law—the “right” to kill in-utero embryos, fetuses, and babies...right up to the ninth month of pregnancy! And we all know how proud State Legislator Obama was about his legislation in Chicago that allowed doctors to snuff the lives out of living, breathing infants who survived the gruesome abortion procedure.

As far as the left is concerned, you can take military strength, low taxes, high employment (for blacks, Hispanics, women and youth), the genuine protection of our borders, equitable treaties between the U.S. and other countries, huge inroads in foreign policy, on and on and on, and throw them all in the garbage in comparison to the absolute Holy Grail of leftism: abortion.

THE PLAN

The Democrats' initial plan to quash the Kavanaugh nomination was to grill him so relentlessly and to examine his judicial decisions so microscopically that personal and professional flaws would be found to disqualify him for the job. It turned out, to their everlasting anguish, that he passed all the tests with flying colors and the only remaining procedure was a vote in the Senate which promised to be narrow but successful.

Then quite suddenly—literally out of the blue, it seemed—came a challenge to Judge Kavanaugh's heretofore sterling reputation: an accusation from a female professor in California that when teenager Kavanaugh and his friend were 17 and drunk, he groped her 15-year-old self and her bathing-suit-clad body and put his hand over her mouth when she tried to scream. Her report was a little sketchy—not sure of the date or venue—but quite sure of the perpetrator.

Where did this challenge come from? Why none other than the Senate Judiciary Committee ranking member Senator Dianne Feinstein from California, who said that almost two months earlier she had received a letter from the aggrieved professor, Dr. Christine Blasey Ford, but was asked to keep it secret.

Obviously Sen. Feinstein or a member of her staff leaked the confidential letter to a member of the always-accommodating leftist media...and the race was on for all the Progressives to express their terminal outrage and demand—DEMAND!—to question the judge about this 36-year-old accusation.

Don't ask these evolved politicians the color of their neckties two days ago or what they ate for dinner three nights ago, but trust them when they say that a memory from drunk teenagers almost 40 years ago is credible. Can't make this up!

Better than the dog-faced boy!

THE STARS OF THE D.C. FREAK SHOW

RING ONE: Step right up, ladies and gentlemen, to the greatest show on earth. Watch the magic taking place in the center ring as the craven leftwing media elevate innuendo over truth, lies over objective reality, fantasy over rationality.

Yes, they have tried and utterly failed to destroy the Trump presidency since the day citizen Trump and his gorgeous wife Melania [came down the escalator](#) to announce his intentions to run for president. In fact, nothing the media have done, said, invented, distorted, fabricated and twisted has diminished the president's blazing effectiveness and successes. The media bosses—aka media whores—are leftists and globalists at heart and have aided and abetted every effort to undermine the president and have paid their shills (anchors, reporters, commentators, et al) to do the same.

But watch as they continue to contort themselves into knots never before seen in the human species!

RING TWO: In the second of our three rings is the left's newest darling, the 51-year-old woman, wife, mother, widely traveled jet-setter (who's afraid to fly, she says), and aggrieved party. Observe the professor, Christine Blasey Ford, as she speaks in a widdle biddie liddle three-year-old voice, implying, at least to me, that the accused predators of her teens must have been attracted to what was then goo goo gurgles that sounded like an 18-month-old widdle baby!

But wait! In all the media blather, why has no mention been made of what famed radio host Michael Savage [has alleged](#), that Dr. Ford is deeply tied to the CIA (Central Intelligence Agency)?

"She just so happens to head up the CIA undergraduate internship program at Stanford University," Savage reveals. And her brother Ralph, "used to work for the International Law Firm of Baker, Hostetler...the firm that created Fusion GPS,"

the company that wrote the [phony] Russian “dossier” that was fraudulently used to try to destroy the Trump presidency.

Savage continues: “Baker Hostetler is located in the same building where the CIA operates three companies...all operated by Ralph Blasey II, the father of Christine. Also that Christine’s Grandfather was Nicholas Deak—former CIA Director William Casey acknowledged Deak’s decades of service to the CIA.”

For that matter, why have the media not investigated or brought to public awareness Professor Ford’s [extensive writings](#) on—ta da—abortion? According to Mary L. Davenport, M.D., Dr. Ford “has 21 articles listed in PubMed...six of them are on mifepristone, the abortion pill.”

Mmmm...CIA connections, a fetish with abortions. Nothing to see here. After all, she was “credible.” Really? Does that mean she was able to read her answers without drooling? Refer to her hippocampus without laughing out loud?

But the question remains: what *don’t* we know about her background? What notes did her therapist take that have not been publicly revealed? Does she have borderline personality disorder? Is she a sociopath, the type who can look directly in your eyes and lie through her teeth or pass any number of lie detector tests without blinking an eye?

Will the FBI investigation this week include those therapist’s notes and more in-depth information about the professor who can’t seem to remember where or when the groping incident took place and cannot explain why the people she claims were present during the incident all deny being there and, in one case, knowing her!

RING THREE: In the third ring of our three-ring circus is ranking Judiciary Committee member Senator Dianne Feinstein, the arch manipulator of the hearings. After the judge presented an airtight explanation of his whereabouts on the

evening in question, even providing a decades-old calendar proving he was nowhere near the teenage get-together, Sen. Feinstein, writer Roger Simon [reports](#), **“was up to her old tricks...reading a litany of recent accusations against Kavanaugh so ludicrous even the *New York Times* wouldn’t print them.**

As Monica Showalter [spells out](#), about Sen. Feinstein’s decision to sit on Dr. Ford’s letter for 60 days: “Sen. Dianne Feinstein dropped herself to the bottom of the barrel as a political hack. Her performance, from start to finish, was a disgrace. It was so bad, so loathsome, even to the left, that it’s hard to think it won’t cost her Senate seat, where she is in a tight race this November... being challenged by a crazed far leftist of the worst Sacramento-swamp stripe. Couple it with her employment of that Chinese spy for 20 years and her defense of the Steele dossier, and an ugly Jurassic partisan hack picture emerges.”

And the inimitable Senator John Kennedy (R-LA), clearly directing his remarks to Sen. Feinstein, [had this to say](#): **“To the person who leaked Dr. Ford’s letter, to the person who breached Dr. Ford’s anonymity, and to the person who did not tell her she could have avoided this by testifying privately in her home in California, you know who you are. You should bow your head in shame, in my opinion, and you should hide your head in a bag every day for the rest of your natural life.”**

Oh... and Sen. Feinstein’s husband, Richard Blum, has served the university of Palo Alto as a member of the University of California Board of Regents since 2002. Kinda ironic that this is where Christine Blasey Ford works!

JOINING THE CAST...

Hard to know if D.C. is a magnet for political freaks or if the very business of politics itself produces them.

Whatever...in 2018, there seem to be 20 circuses worth of these Democrat miscreants, pathological liars, career victims, and raving hypocrites.

They were all on display during the hearings, still saturated in Trump Derangement Syndrome, still entertaining the unicorn fantasy of a Blue Wave in November, still displaying all the character defects that led their role model Hillary to go down in ignominious defeat in November of 2016.

First is Senator Jeff Flake (R-AZ), whose obsessive, nearly psychotic hatred of President Trump—much like that of his fellow Arizonan, the late John McCain—compels him to try to sabotage every facet of the president's agenda. Also like McCain, he is an easy touch for the attention and kudos of the left, who he collaborates with at every turn.

As JudyBeth Wagoner [explains](#): “Soon-to-be United States ex-Senator Jeff Flake just can't overcome his bitterness as a swamp creature being drained from the Washington swamp. He continues to inject his worthless progressive sentiment into the national conversation, even though his representation was rejected by his own constituents...[he] went to Washington by presenting himself as a conservative Tea Party candidate. Once there he betrayed the people who put him in office and became a flaming progressive establishment hack.”

So there was the hack, “trapped” in an elevator—cameras and microphones at the ready to capture the entire phony scene—with an aggrieved woman pleading with him to take women's grievances seriously. The clearly orchestrated scenario impelled the senator—Roger Simon calls Sen. Flake “the captain in the #NeverTrump resistance movement from within the Republican Party”—to ask for another week so the FBI could investigate further.

Well whaddaya know? That shrieking harpy was none other than Ana Maria Archila, the co-executive director for the Center

for Popular Democracy and the Center for Popular Democracy Action Fund, the latter heavily funded by Trump-loather George Soros. _

And did I fail to mention this little factoid that makes every Flake move and word stink to high heaven? Specifically, [as reported by](#) Joe Hoft for Gateway Pundit, the last person Sen. Flake called before asking for another week of Supreme Insanity was Deputy Attorney General Rod Rosenstein—which “sends a clear message that the Deep State is now involved in the Supreme Court nomination process.” The anti-Trump Deep State, I might add.

“The fact that Flake contacted Rosenstein (Redactenstein) should worry the entire country,” Hoft continues. “Who in Rosenstein’s corrupt DOJ or FBI should be investigating anything related to the President? God help this country...”

Perhaps Karin McQuillan [explains the Flake phenomenon best](#). “Jeff Flake is an ambitious man. His ambition is to sabotage President Trump, the Republican Party, and Trump voters by any means possible. Flake [sides with the Left](#) on cultural issues, on immigration, on the war on coal. [He] was a reliable ally for Obama on those causes and more...his only major accomplishment was joining the ‘Gang of 8’ open borders initiative.”

“Flake plotted a mini-coup on Friday morning to snatch away Kavanaugh’s moral victory over the Democrats’ smear campaign. [He] is doing “the most despicable thing” any of us have seen in politics in our lifetimes—using uncorroborated and implausible allegations from 36 years ago to launch scummy attacks against a decent man,” said Sen. Lindsey Graham (R-SC). “No amount of rhetoric about ‘healing the country’ can cover Flake’s perfidious deed.”

Then there is Richard Blumenthal (D-CT) who repeatedly lied and lied and lied about serving in the military in Vietnam.

Think about that. Is that not the definition of unbalanced, irresponsible, pathological? Yet, when confronted with the truth, he repeated the lie! As writer Daniel John Sobieski has [pointed out](#): “Sen. Blumenthal asked Kavanaugh to explain the judicial concept of ‘falsus in uno, falsus in omnibus,’ a phrase that means ‘false in one thing, false in everything’ and allows jurors to discount the entire testimony of someone caught lying on a particular point. This pearl of wisdom came from a man who himself lied that he served in Vietnam, something [Sen. Tom Cotton has rightly noted and condemned](#). In fact, Blumenthal...sought at least five military deferments and eventually landed a spot in the Marine Reserve, where he was essentially guaranteed not to serve in the conflict itself, The New York Times reported.”

Then there is Senator Dick Durbin (D-IL), the man who is famous for [comparing brave American soldiers to Nazis](#).

And who can forget Senator Cory Booker (D-NJ), whose recent notoriety, as [detailed by](#) Debra Heine, describes the senator’s own written words, not 36 years ago, but in the student-run *Stanford Daily* newspaper in 1992 in which [Booker admitted](#) to taking advantage of an intoxicated classmate: “New Year’s Eve 1984 I will never forget. I was 15. As the ball dropped, I leaned over to hug a friend and she met me instead with an overwhelming kiss. As we fumbled upon the bed, I remember debating my next ‘move’ as if it were a chess game. With the ‘Top Gun’ slogan ringing in my head, I slowly reached for her breast. After having my hand pushed away once, I reached my ‘mark,’” he continued, without explaining what he meant by “mark.”

Booker returned to the subject of “date rape” a few months later: “But by my second column, as I raised my noble pen to address the issue of date rape, I realized that the person holding it wasn’t so noble after all,” he [wrote](#). “With this issue as with so many others, a dash of sincere introspection has revealed to me a dangerous gap – a gap between my beliefs

and my actions.”

What? No trial for this self-admitted groper for what Heine calls his own lurid sexual misconduct allegations? And this man is judging Judge Kavanaugh!

There are so many other guilty-until-proven-innocent Democrats, the most egregious of whom is Sen. Kristen Gillibrand (D-NY), a lawyer who uttered perhaps the most blazingly idiotic statement of this entire travesty of a hearing: “I believe Dr. Blasey Ford because she’s telling the truth.”

According to writer Michael Anton, [The Gillibrand Standard](#) is now that “accusation suffices to destroy. Not only is no corroborating evidence necessary, to ask for such evidence makes one just as guilty as the accused. Especially monstrous is to ask questions of the accuser; that is to repeat or compound the alleged crime. The accusation, once stated, immediately takes on metaphysical certainty. To doubt is to blaspheme.”

There is “but one limiting principle to the Gillibrand Standard,” Anton continues: “It shalt be used only against the Right and Republicans. Credible accusations—with evidence, witnesses, contemporaneous police reports—against Democrats and liberals are not merely to be ignored but also stonewalled and attacked, alleged victims and witnesses alike smeared.”

Incidentally, as reported by Seth Barron in *The City Journal*, “in 11 years of serving in Congress, Gillibrand has sponsored just one bill that became law—the naming of a post office in Washington Heights after deceased councilman Stanley Michels.”

Astoundingly, both she and the above-mentioned species actually win elections!

THE BRIGHT LIGHT AHEAD

Personally, I'm confident of Judge Kavanaugh's ascension to the Supreme Court of the United States. And there is more good news ahead.

Writer Larry Schweikart [believes](#) that when Sen. Feinstein hatched her malevolent plot in July, "when Christine Ford's letter first arrived on her desk, it was at that time almost certain that she believed—based on polling—that the Democrats stood a chance of taking the Senate in November." The strategy she devised was to delay, delay, delay the Kavanaugh nomination.

Today, he continues, "not only will the Democrats stand no realistic chance of winning the Senate, but it increasingly looks as though they will lose another five to seven seats, and if [Sen. Feinstein's] trick has incensed enough Republicans to turn out, they could face a 60-seat majority next January."

Schweikart concludes by saying that "California Senator Dianne Feinstein has done something even President Donald Trump could not do: Awaken the sleeping giant of the Republican electorate to defeat the Democrats in the 2018 midterms—she has mobilized a somnambulant Republican base and filled it with a terrible resolve!"

The Bad Boy Brett BaLoney

Judge Brett Kavanaugh has always been in the crosshairs of the left, ever since he played a major role in urging the

impeachment of their icon of moral rectitude, Pres. Bill Clinton, and also led the investigation into the alleged suicide (or fishy murder) of Vince Foster, Clinton's Deputy White House Counsel and close friend of Ms. Hillary.

No doubt red flags were raised by the powers-that-be in the Democratic Party when Kavanaugh was confirmed for the Court of Appeals in 2006 as a potential candidate for the Supreme Court—especially because an analysis covering the period 2003–2018 found that in every area of policy he had the most or second-most conservative voting record on the D.C. Court.

It didn't help that Kavanaugh was given thorough and extensive and exhaustive colonoscopies—I mean vetting—by the F.B.I., not once or twice or three times, but six times!

Yet somehow, this microscopically intrusive process failed to uncover the mortal sin—or was it simply typical teenage rambunctiousness?—that the archeologists of the left just uncovered. Specifically, that a drunken 17-year-old Brett Kavanaugh, and his equally drunken friend, got a hold of the cold-sober and very proper teenager Christine Blasey, who went where with the boys? To the porch? the den? the kitchen? the backyard? Noooooo—to the bedroom! Clearly to talk about college applications!

Then, according to Ms. Recovered Memory, Mr. Drunk misinterpreted her none-too-subtle behavior and lay down alongside her or on top of her on the bed and—gasp—touched her!

Now how on earth could a smart kid like Brett Kavanaugh have been so amazingly clueless that he thought a girl who went into a bedroom could have anything in mind except taking a rest? Kinda like saying that the person who opens the refrigerator isn't hungry or thirsty!

As they say in the Bronx—gimme a break!

CONSIDER THE SOURCE

Of course, the foregoing scenario depends on how credible you consider the now-51-year-old professor of psychology, Christine Blasey Ford, or the woman who brought this sordid story to light, Senator Dianne Feinstein (D-CA).

Yes, *that* Dianne Feinstein, the woman whose husband, real estate mogul Richard Blum, obtained an exclusive contract with the U.S. government in 2015—while she was a U.S. Senator—and [earned as much as \\$1 billion dollars](#) selling 56 U.S. Postal Service buildings across the country.

According to journalist Steven Rosenfeld, “Feinstein dismissed the conflict-of-interest allegations at the time, which were followed by numerous investigative reports criticizing the deal, [but] even if Feinstein’s word is true—that she never lobbied or intervened with the USPS on behalf of her husband—the political world in Washington is like a village where longtime players know everyone else, and favors are implicitly given and taken without explicit approval.”

Swamp, anyone?

And last month, according to [Breitbart.com](#), there are numerous reports that an alleged Chinese spy reportedly infiltrated Sen. Feinstein’s office by posing as her driver for 20 years. “Five years ago,” Politico reported, “the FBI told Feinstein—who served as chairwoman of the Senate Intelligence Committee—that her staffer was a spy. But the FBI could not charge the man with espionage because none of what he leaked was considered to be classified information, making it difficult for the agency to prosecute him.” Uh huh.

And why did Sen. Feinstein wait until the 11th hour to produce this tabloid accusation? Because the best efforts of the Democrats to stop Judge Kavanaugh from ascending to the Supreme Court had failed thunderously and she thought she

could delay the hearings until after the midterms when Democrats dream of reclaiming a majority in the U.S. Congress, thereby increasing their power to obstruct the president's agenda.

PANTS ON FIRE?

Prof. Blasey Ford reported the incident to her therapist (who took notes) in 2012, about 36 years after she said it happened. As reported by WorldNetDaily.com, she wasn't quite sure of the location, or for that matter the year, but she was quite sure that she tried to scream and he put his hand over her mouth, which led her to believe that "he might inadvertently kill me." She said that his friend Mark Judge intervened and saved the day...or night.

But Mark Judge, an author and journalist, has thoroughly refuted this description: "It's just absolutely nuts," he said, and, according to [The New York Times](http://TheNewYorkTimes.com), he said the incident never happened.

In fact, the therapist's notes *never* mention the name Kavanaugh at all! Duh.

But what about the polygraph test she passed last month—the one administered by an FBI agent? Was that agent, perchance, connected to any of the FBI agents who are now being accused of [plotting to overthrow](#) the Trump presidency—the likes of Rod Rosenstein, Peter [Strzok, Lisa Page](#), Andrew McCabe, on and on and on?

If there is such a connection, why would anyone trust the results of such a test? Besides, it is well known that sociopaths and pathological liars have an easy time passing lie detector tests. Does Professor Blasey Ford—a Democrat partisan and Hillary fan—fit into either category? We don't know because, unlike Judge Kavanaugh, she has never been vetted.

Or is Professor Blasey Ford more like the women who lawyer Gloria Allred rounds up for her victims-on-parade showcases? The kind of women who brag of longtime marriages, raising children, coping with adversity (including breast cancer), pursuing successful careers, but then produce tears on cue, speak with oh-so-poignant catches in their voices, and claim that 10 or 20 or 30 years ago they couldn't quite muster a voice of resistance or a flat refusal or a slap in the face to an overly-aggressive amorous pursuer.

We don't know, but we certainly can't rule out that possibility.

And then there are the recovered-memory poseurs who journalist Dorothy Rabinowitz brilliantly exposed in Harper's Magazine and The Wall St. Journal. Her exposés of the dubious—indeed, malevolent—sexual-abuse charges filed against the operators of daycare centers and other individuals, notably the Amirault family in Massachusetts and those in Washington State, not only freed the wrongly accused from lengthy prison sentences, but earned her a 1996 Pulitzer nomination, formed half of the articles cited for her 2001 Pulitzer Prize win, and were the basis of her book, [No Crueler Tyrannies: Accusation, False Witness, and Other Terrors of Our Times.](#)

Elizabeth Loftus and Katherine Ketcham have also written about the subject in [The Myth of Repressed Memory: False Memories and Allegations of Sexual Abuse.](#)

Of course, Judge Kavanaugh has “categorically and unequivocally” denied that the event ever occurred. And Senate Judiciary Committee Chairman Charles E. Grassley (R-IA) released a letter signed by 65 women who knew him in high school and praised him highly.

Yes, there are women who have legitimate grievances about abuses that occurred in their pasts. Today, however, partisan plaintiff Christine Blasey Ford is telling us how she

remembers a surge of teenage testosterone—if the incident happened at all. I'm not buying what she is selling and I hope the legislators who vote on the matter agree!
