## **World Economic Forum, Totalitarian Enslavement**

The Great Reset is caused by government manipulation, with the guidance of the World Economic Forum (WEF), the United Nations, and other elites, Rockefeller and Ford Foundations, etc., who believe they have the right to steer nations and economies into a new "totalitarian world order." All of this

is being fueled by green energy policy lies.

# **The Global Food System and Totalitarian Control**

As a youngster, my church and my family educated me as to what was coming in the future, Biblically and politically. I knew about communism, but back then I didn't know it had been around since the early 19th century. President Kennedy was shot and killed when I was a junior in high school. Then came the murders of...

# **The Great Reset is Communism's Final Solution**

The communist state took the place of God. Under the rhetoric of liberation, Lenin's Red Terror plundered the rural middle class, known as Kulaks, and when they resisted, it slaughtered. The confiscation and redistribution of grains from Kulaks in Ukraine and Russia led to starvation on an epic scale.

# **Weather Modification, Another Way to Starve Americans**

In 1962, President Lyndon Baines Johnson said, "He who controls the weather will control the world." The Great Reset, the New World Order, and ultimately United Nations Agenda 21/30 are one and the same thing, the godless control of humanity by Luciferian forces. Their goal is depopulation and the enslavement of remaining humanity.

## **The America I Grew Up In**

Before you start the barbecues and fireworks, watch this six-minute video, and ask the Lord for help in resurrecting the marvelous America we once had. Won't you take just a few minutes every day to bend your knees to the Lord and ask for Him to give us wisdom and guidance in saving our beloved country?

## **The Most Glorious Freedom Loving Nation in the World is Dying, Can We Save Her?**

We have lost so much in these 235 years of America. Our country was founded by great statesmen, men of letters and men

of faith, men who desired freedom and liberty at all costs. We have failed to defend what they gave us.

## **Decoration Day, A Solemn Day of Remembrance**

Decoration Day was officially changed to Memorial Day by Federal law in 1967. On June 28, 1968, the Congress passed the Uniform Holidays Bill, which moved four holidays, including Memorial Day, from their traditional dates to a specified Monday in order to create a convenient three-day weekend.

## **Trump's Endorsements Are Inflating the Swamp**

Former news anchor for Fox 10 in Phoenix, Kari Lake was endorsed by President Trump for the Arizona gubernatorial race. She is a registered republican, but was a democrat voter in 2008 for Barack Hussein Obama. She has also been registered as an independent. She is a constant guest on Fox News, and will likely be the next governor of Arizona.

# **Enemies on the Left False Friends on the Right, Part 1**

A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself.

## **Remembering Roger Fredinburg**

I remember it well, because as Roger's Executive Producer, I had asked him if we could do this program. His answer was a resounding YES! Roger has little patience with anti-Semites, and he always loved his Jewish brethren. The music he chose for Wednesday nights was perfect, and his warmth and gentleness during the interviews made every program even more beneficial to the audience.

## **The Homicidal Killing Fields of America's Medical System**

All of this was accelerated with the improper FDA, CDC and NIH protocols given to hospitals and physician groups for COVID-19 and daily spewed via our propaganda media by Dr. Anthony

Fauci. Millions died needlessly and alone. VP Pence and the people he hired...Fauci, Birx and Redfield, ran the Deep State show. Had Trump listened to Dr. Scott Atlas and Peter Navarro, perhaps the outcome would have been different.

---

## **Military Medical Evisceration of America's Finest**

Some who have received the injections can no longer function in the military, others may have negative effects down the road, but one thing remains clear, our soldiers are being experimented on, injured and sometimes killed by injections that long ago should have been pulled in disgrace from the market for all humanity.

---

## **America's Descent Into Darkness**

Up next...are digital health cards for a virus with a 99.8% recovery. The goal is total control despite Pravda's porn fear that it's, "for your protection." Remember, "we're all in this together." Yeah, like hell we are. Nursing home residents were exterminated for lack of proper care and their families weren't even allowed to be with them when they were dying.

---

# **Patriotic Americans Classified as Domestic Terrorists**

Our Judeo-Christian society has long been the object of destruction. We must pray, fight and stand. "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Ephesians 6:12

# **1885 Smallpox Vax Was the Blueprint for Today's Covid-19 Vax**

The killing fields of America are here. We are at a crossroads. Death by government and Big Pharma is staring us in the face. This isn't the Tuskegee Syphilis experiment by our US Health Department, this isn't the cancer-causing polio vaccine injections of the 50s, or the plutonium experiments on babies and military in the 40s, all of...

# **Mass Murder by a Medical System that has Lost Its Direction and Soul**

The globalist goals were always pointed at a “vaccine,” where billions would funnel into the pockets of Gates, Fauci, and their friends in Big Pharma. Thus, the maligning of repurposed wonder drugs, and the murder of millions was accomplished to fill the coffers of the depopulation enemies of freedom and complete the Great Reset.

## **Dr. Robert Malone, Knight in Shining Armor or Controlled Opposition?**

Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit. Matthew 7:15-16

# **Chosen by the Deep State, Gorsuch, Kavanaugh and Barrett**

The three Supreme Court Justices placed on the court by President Trump were actually chosen by Mike Pence and Kellyanne Conway. Brett Kavanaugh replaced Justice Anthony Kennedy on the court. Kennedy was often thought of as the “swing” vote. All three of Trump’s appointees have been “swing” voters, as we just saw with Justice Kavanaugh siding with the left against medical freedom and for Biden’s unconstitutional healthcare medical mandate.

# **Variants, Propaganda, Fear and Genocide**

Between 1933 and 1939, about half of the German-Jewish population and more than two-thirds of Austrian Jews (1938-1939) fled Nazi persecution. Others stayed as they hadn’t the wherewithal to leave or they thought the situation temporary, but by 1939 it became too late. The citizenry had become so fearful that they bowed their heads and said not a word despite seeing the pervasive evil against their neighbors.

---

# **The Bait and Switch Con Game to Destroy Our 1787 Constitution**

At the time the Articles of Confederation were written there was a widespread fear of a strong central government among Americans whose loyalties were to their own state rather than any national government. During the American Revolution, the Articles purposely kept the national government as weak as possible and the states as independent as possible.

---

## **Trump's Lethal "Operation Warp Speed" Jabs**

You can make the case of malicious contempt in the action of Fauci and the officials of Big Pharma, all of whom need to do time at the very least. Trump keeps pushing the lethal vax, why? Is it pride alone? Is it stupidity? Or is it that he is not what he represented himself to be?

## **The Gifts of the Maji: Gold, Frankincense and Myrrh**

It's Christmas! It's a holy time, a time of celebration for the birth of our Messiah. It's a time with family and friends,

a time for joy, peace, love, sharing and giving. We offer up gifts to those we love and care about and to those less fortunate; giving gifts freely because of the gift given to us by the Holy One of Israel.

## **Forty-Five Years of Mask Studies Prove They're Worthless**

Parents who are standing up against the masking of their children at school board meetings are being threatened. Attorney General Merrick Garland admits he took the word of the National School Boards Administration that parents voicing concerns at their local school board meetings should be targeted as "domestic terrorists."

---

## **Tyranny With A Needle**

Our only weapon is the truth and, in the end, the truth must always defeat the lie. Ten years ago, we would have been shocked and outraged by the very idea of censorship, but I'm afraid we've all become acclimated to cruelty and injustice by being exposed to it in steadily increasing doses throughout the years.

---

# **General Mike Flynn Inspires the Left to Speak About God**

The brother of one of our dearest friends served under General Flynn. Our Marine friend told us what his brother said about the General, "For us, General Flynn walked on water and never even got his shoes wet." That's from the men who loved their leader, and those men were of all races and religious beliefs which underscores Mike's love of all Americans, especially his fellow soldiers.

## **The Gathering Storm and Its Historic Precedent, Part Three – America**

Buffalo Public Schools go on to suggest that George Washington, the man who founded this country, was a fraud; that Colin Kaepernick is a moral hero; and that we should celebrate Indigenous Peoples Day instead of Columbus Day. Apparently, we have no right to give thanks for a country that isn't ours.

---

# **The Gathering Storm and Its Historic Precedent, Part 2 – America**

“My country, right or wrong” doesn’t belong to us. There are dangers to blind obedience to government. The American Government is not doing the best for its citizens. Yet our people are still reclining with their beers and watching Monday night football. What will it take to wake Americans up to the threats at our door?

---

# **The Gathering Storm and Its Historic Precedent, Part One – Nazi Germany**

The despotic seeds of tyranny were planted in America long ago and have now come to fruition. Klaus Schwab’s World Economic Forum, Fauci’s filthy NIH, Bill Gates’ Foundation, the Rockefeller Foundation, Soros Foundations and Big Pharma are making huge profits via the propaganda spewed by their comrades in our Pravda media.

---

# **Vaccine Tyranny Ignites Brushfires of Freedom**

US Treasury deputy secretary warns unvaxxed Americans that shortages will continue until everyone is jabbed. When there aren't enough folks left working to run the country, there will be even more shortages, but to stop the tyranny and authoritarianism, Americans must take a stand. So stock up now!

---

## **Tyranny in Shelby County, Tennessee**

I beg of my fellow Americans to wake up and smell the decay of our Republic...we are dying. The only thing that will save us is if more people like the folks in this video stand up and demand the freedoms God gave us and our founders recorded in both the Declaration of Independence and our Constitution and especially our unalienable Bill of Rights.

---

## **The Demonic Road to Genocide and Depopulation**

The reality is that it is dangerous to "Covid-vaccinate" immune-competent individuals. The jab to a Covid recovered

patient with antibodies means they're in danger of a war inside the body activating a hyper-immune response leading to significant tissue injury and death.

---

## **America's Medical Stasi, From Subjugation to Slavery**

Sharyl Attkisson reports that 1,685 health care workers are jobless after refusing vaccine mandates – and that's just a small sampling. Basically, those left to care for you are jabbed and they have 251 times the viral load in their nasal passages. Not good for those in nursing homes or hospitals.

## **Mike Pence, a History of Treachery and Betrayal**

Pence and his wife Karen have always wanted the presidency, but what he doesn't understand is the fact that he followed the advice of his good friends from Congress, Paul Ryan and Jeff Flake, rather than standing with the man who gave him the chance to one day lead the country. Pence is our 21st Century Benedict Arnold...he stabbed the president in the back and the Republic in the heart.
