

Seismic Political Shift 2024

The global Marxist democrats in the USA are reeling from the seismic political shift underway in the 2024 elections, lashing out in all directions looking for who to blame for their massive loss, taking crazy to a new level, as they wrestle with a clear and compelling message from American electors that they just refuse to comprehend.

Great Again vs. 3rd World Destruction

Because Harris was never elected as the nominee, intelligent people can see who the real threat to democracy really is, the candidate not elected by anyone. And because democrats have promised to “raise people out of poverty” by using taxpayer revenue to do it, without ever lifting anyone out of poverty, smart people don’t buy this lie anymore either.

2024 Back to the Basics

If the USA is no longer free and prosperous, no place on earth will be! It’s not possible to plunder the assets of the USA to raise the world out of poverty, war and starvation. It’s only possible to bring the USA down to the same unsustainable 3rd world status, by killing the goose that laid the golden egg. A lowering tide, grounds all ships...

Election Fraud Cover-up Begins

Obama's Democrat Party has done everything possible to steal yet another election and prevent the legal American Electors from choosing their leadership. Since 2009, the Obama regime has been in control of the entire Federal government, even while Trump held the Presidency, which is why and how the Federal government worked around the clock to undermine, destroy and end the Trump administration.

Who's Voting in America 2024?

In the leadup to the 2024 elections, an estimated 65% of Americans lack faith and trust in current election systems, across the political spectrum. Only 35% of Americans say they trust that our elections are free, fair, secure, lawful and transparent, proving that 35% don't pay attention at all, or lie to suit their undemocratic agenda.

An Uncertifiable Election

2024

So, to defeat the extreme left in this election, it will require a vast number of past democrat voters to defect from the party and vote for America. I see a lot of movement in this direction via social media, but the news media continues to claim Harris is a “sure winner” due to the fraud in place.

An Americans First Platform

Both candidates have their policy priorities posted on their campaign websites, the TRUMP PLATFORM HERE and the HARRIS PLATFORM HERE. Every voter should take the time to carefully look at the posted platforms of the two candidates before attempting to cast an intelligent vote. Fully informed voters make the best voters.

Just 51 Days to STOP THE STEAL

If you made it to the end of this piece, you can never again ask what you can do to help save this country, because I just told you what all of us can do. You can never again claim that there's nothing you can do, because there's plenty you can do. You can not continue to blame anyone else for what doesn't get done, if you're not going to do it yourself.

Equality v. Equity

Throughout most of my life, I have been a firm fighter for equality, freedom, liberty, true justice, national sovereignty and security, peace and tranquility. Millions of Americans think they stand for these same things and many do. But today, millions do not stand for these things at all and fundamentally, it is what divides our nation in every election.

Why are Kids Killing Kids?

Of course, every time another school mass shooting takes place, Marxists rush to blame the inanimate object, the weapon used to commit the crime. Never mind the fact that the inanimate object is entirely incapable of harming anyone on its own, or that decades of crime statistics here and around the world prove two very important facts...

The Entire Democrat Party is Built on Lies

The made-for-TV con-job masquerading as a party convention may be the final straw that breaks the back of the Democratic

Party for the next hundred years. For at least the past seventy-years, the party has been built upon two failing ideas that have left the party painted into a corner they may not be able to escape in the 2024 elections.

Our Government is a Reflection of YOU

Baseball used to be the national pastime in the USA. But that's back when a single income was enough to raise a family. It's back before online pornography, and kids who have been raised in their bedrooms playing video games with their doped up virtual friends, desensitized by killing, rioting and looting for points of no value whatsoever.

Trump Must Challenge Harris Eligibility

The insanity rapidly destroying the USA has gone on long enough and if it's not properly addressed in the 2024 election cycle, this country will never be of, by, or for, legal U.S. Citizens ever again.

Are Women Destroying the USA?

Before I explain, let me just say that I love women, real women. I'm married to one and I'm the father of another, brother of two and brother-in-law to three more, and they are all amazing human beings, real women. They are smart, loving, caring and tolerant people, and ferocious protectors of those they love, especially children.

Natural Born Citizen Clause Still Ignored

Yet, on any given day, the people could decide the time has come for them to enforce the Charters of Freedom. On that day, the people will have begun the process of reclaiming their country and their future...but not until. If you want your country back, you'll have to take your Oval Office back first!

How “Undemocratic” of Democrats

After years spent painting themselves into this fatal corner, with the democrat party on the brink of extinction, party leaders work around the clock to terminate 14,465,519 2024 DNC primary voters and pick their own puppet candidates for President and Vice President at the upcoming convention.

2024 Elections and the Tytler Cycle

I have written numerous times now that the 2024 U.S. Elections will represent a final opportunity for the American people to turn our country away from evil and bondage before the clock runs out on our Constitutional Representative Republic. It will be one of two things when the smoke clears and the dust settles this fall, and the American people will decide. It will be reformed, or it will be gone!

Team Biden Lies are Off the Charts

In truth, the Clintons, Obamas and Bidens have gotten away with years of national and international crimes and the walls are closing in on them politically at this moment. The SCOTUS ruling makes certain that none of them are free from investigation or prosecution, in the event that the Department of Justice is ever returned to a constitutional agency engaged in enforcing real laws, not political persecutions.

I'm My Own Factchecker

As the Democrat Party controlled mass media sticks to their talking points memo, allegedly “factchecking Trump” without factchecking Biden at all, maybe it's time for YOU to do your own factchecking!

Biden to be Replaced on the Ticket

Under the DNC convention rules, Biden must “voluntarily withdraw” from the race to open up a “brokered convention.” Biden would have to release his delegates to open up a “brokered convention” and he's pretty much already out of time to do that, even if he could be convinced by Obama to do so.

In God We Trust

When it comes to the matter of rulers over mankind, throughout human history, rulers over societies have in every case, proven to be the greatest threat to those societies, always in the end, abusing their power and turning on the very people they are sworn to protect. In fact, throughout human history, there has never been a government worthy of its people's trust.

President Hillary Clinton 2025?

The entire democrat party is reeling from their freefall from popularity as their poll numbers nosedive to all-time record lows. The word panic isn't strong enough to describe the level of fear sweeping across the country throughout the failing democrat party.

With Liberty and Justice for All

But somewhere along the way, a society distracted by daily life itself, forgot to remain "forever vigilant" in the defense thereof, and politicians who refuse to abide by their Oaths to the same, allowed this most basic foundation for life in America to collapse under the weight of partisan agendas and purposeful deep and fatal divisions in the electorate.

Obama Seeks 4th Term

As everyone with an IQ above their shoe size already knows, the so-called "Biden Administration" is actually the 3rd Obama

Administration. The entire Biden staff and cabinet is made up of all the Obama era Executive Branch officials and Obama has been in charge again since January 20, 2021.

Time to Take a Side and Make a Stand

But one thing is very clear at this moment in history...our government is currently full of the most criminally imperfect people in our country, and that must change! Right now, a growing majority of Americans across the political spectrum see Trump as that agent of change...and the more the corrupt government tries to prevent him from running, the more patriotic Americans rush to his side in a growing revolt against that maniacal anti-American corruption.

What 2024 Polls Really Tell Us

My favorite line about polls and statistics is, 99% of all statistics are made up on the spot to suit someone's agenda, and man is that true when it comes to modern political polling data. Today, most Americans don't even care how accurate the information is, they will share the polls of their choice, so long as it suits their agenda.

VP The BIGGEST Decision of Trump's Life

Like Trump, he's an unapologetic AMERICA FIRST leader and a take-no-prisoners style of freedom fighter, who deeply believes that America's greatness comes from its free people, not government. He's extremely intelligent and well-spoken. He can lead the nation after Trump completes a second term.

The Truth and Consequences of Targeting Tik Tok

When they told you 2-million Americans were going to die from COVID in just two weeks in April 2020, they lied. When they told you wearing a mask and social distancing would save you, they lied. When they told you they didn't know where COVID came from, they lied. When they told you taking the JAB would save you, they lied about that too.

Single Female Voters are

Destroying America

You can shoot the messenger here if you want, but it won't change these facts! Single female voters are the single largest problem in the USA electorate as 70% of them are single issue voters, seeking a protected right to kill their own children in the womb...abortion!

What Bill of Rights?

Unfortunately, by the time the people have had enough, they will have already lost everything, including the means to right their own ship. Everything they tried to protect by keeping their head down and mouth shut, they will lose. Freedom once lost, has never been regained in the history of mankind.

Anti-Federalists vs. Federalists circa 2024

And don't kid yourself...if the Federal Government has even one penny in your school, by any means, it's public education with a curriculum controlled by the US Department of Education. The government doesn't fund anything it doesn't control.

How Elections Are Stolen 101

Approval of Congress and the press are in the single digits today, and rightfully so. Neither does anything to deserve the trust of the people, and they in fact, do so many things to deserve the utter distrust and disdain they currently enjoy. The vast majority of Americans know that we are being lied to and manipulated 24/7 by everyone in a position of power.

FACTS Regarding Contested Presidential Elections

Now democrats Biden and Hillary Clinton are openly claiming that “republicans have a plot to steal the 2024 elections” – once again, accusing their opponents of the actions that the democrat party has been using almost since the Constitution and Bill of Rights were signed.

Proper Single-Issue Voting

Understand, no matter what you think of Trump, he made his fortune building things, producing things, profiting from the work he spent a lifetime doing. His political opponents have all become wealthy and powerful on the backs of American

taxpayers, while working around the clock to destroy the very foundations of freedom and drive every Citizen into bankruptcy.

Democrat Party in Freefall 2024

Modern Christians do not live their claimed faith in every day life, certainly not in the election booth. Until they do, evil will consume this nation. "Faith without works is dead." We either save this Republic in this election, or we will not be able to save it at all. Evil will win, so long as your silence and inaction remains your consent.

Eligible vs. Ineligible Voters

According to long-standing US Election Laws under the US Constitution, voting rights are not based upon ones presence in the USA at election time. There's a distinct and critical difference between those who are eligible to vote in US elections, and those who are not.

Nikki Haley Had a Chance at Greatness

Nikki could have been important to the future of the USA. But she chose to hate and to do the bidding of democrats instead, and unless Biden wins and throws her a bone for her help, her political future just ended.

Two Visions, Two Agendas, No Middle Ground

For the next eight months, we will be flooded with an endless stream of outright lies, half-truths, and globalist propaganda. Mainstream Media, Social Media, Hollywood elites, talk shows, friends, family, education, lecture halls, you name it...we will be bombarded by the worst political garbage slinging we have ever seen in this country.

The TRUTH About Trump Voters

Thanks to decades of anti-American false propaganda flooding the airwaves from pretty much every form of mass media in the country, today's leftist echo chamber has taught millions of American voters a laundry list of gaslighting lies that simply are not true, including their misguided misperception of Trump voters.

Foreign Occupation of Our White House

At a time when our beloved country is being systematically flooded with foreign invaders from all over the globe, South America, China, the Middle East, most of them military age males unaccompanied by women and children, it seems more important than ever to establish a means to prevent “illegal aliens” from voting in our elections...

The Nikki Haley Plot Against the USA

In the good ole days when the average American was smarter than the average politician, citizens would defeat Nikki Haley in the GOP Presidential race just because they know that millions in her campaign funds come from far-left democrat donors and over 70% of her primary voters are also democrats. Republican voters have had it with democrats voting in republican primaries, for just this reason.

How Democrat Leaders Feel About Their Voters

2024 will be the last chance WE have to stop the final destruction of the American Dream and American way of life. If WE fail in this duty this time, well, throughout history, freedom once lost, has never been regained! Our children and grandchildren will remember us as only those who stood up in the face of evil tyranny, and those who didn't. No one will be remembered any other way...

Divided, You've Already Been Conquered

2024 is the final hour...Americans will either rise united against all enemies, foreign and domestic, or they will lose their country forever, divided and conquered. The time for choosing has arrived...

Marxist Murder of the American Dream

From day one, July 4, 1776, when a handful of real American patriots declared our independence from England and British rule, they also established our independence from any form of

government tyranny, foreign or domestic. The basis of the American Dream is self-determination and self-governance.

What's Wrong With this Picture 2008-2020

In 2024, we will either have free, fair, lawful, and transparent elections, or we will be off to the races. 2024 is the breaking point. Trust me on this... I follow growing public sentiments very closely.

How the Republican Party became the RINO Party

To turn the Republican Party back into a conservative party, leave independent status and rejoin the party. Not to go-along to get-along, but to flood the party with real conservative republican voters and take back control.

Free, Fair, Lawful,

Transparent Elections 2024

The USA is very unique in the world in that all political authority exists at the pleasure of the governed, the People. Our government has a right to exist only so long as the People say so, and only so long as governments perform within the limited powers they are granted. Taxation without representation is prohibited in the USA, no matter which party you're loyal to, or how you might feel about it.

Oval Office Immunity?

The US Federal Government exists solely by way of the US Constitution. If the Constitution and Bill of Rights are dead and gone, then the Federal government has no legal basis to even exist at all.

Celebrating January 6, 2021

On the 3rd anniversary of J6 2021, events of that day are celebrated by all sane Americans as the day when the once silent majority, stopped being silent. Before going any further, there's a few basic facts about J6 that some foolish Americans must come to grips with...

The 2024 Presidential Frauds

Now, I'm well aware of all the folks who have been trying to sell their "three-legged stool" theory since McCain in 2008...Father, Mother and Born on Soil. I'm well aware of the fact that some women think that the Natural Law focus on the father alone, is some kind of slight to the mothers.

To Be or Not To Be...American

The Constitution and all its terms and conditions are the legal mechanisms by which the Federal government has any right to exist at all. When that government refuses to abide by the terms and conditions of the Constitution, and has become destructive of its sole purpose, it has no right to exist, much less rule over the people. The contract is null and void the moment the government breaches that contract and refuses to self-correct.

Democrats Total Disconnect from Reality

WE are God's stewards responsible for what happens in this country. We all have a duty, the same as our forefathers. God will provide for our victory if we stand together to fight evil. If God was going to do it alone, he would not have needed Moses or Noah. Let's get busy!

American Democide 2024

Why was J6 declared an “insurrection” when even the FBI investigation concluded that there was no evidence of any such thing? Why have the Nazi global elites labeled every red-blooded American a “threat to democracy” and every Christian a “right-wing extremist?” Why has the O’Biden Administration illegally flooded our country with more than 8-million military age males...

No Longer Capable of Freedom?

No, a vast majority of Americans are no longer capable of freedom, therefore, the hour glass on freedom will soon expire. It’s one problem to be ill-informed. It’s a whole different problem to be unteachable or unreachable. As I told my kids while they were growing up... smart people learn from their mistakes.

Did “The Federalists” Create our DC Monster?

In 1776, 8 American men initiated what became the Declaration of Independence from British rule. It took until 1787 to adopt

a constitution and until 1789 to adopt the Bill of Rights. But before the calendar ticked over to 1800, the federal government was already busy destroying the republican form of government they created.

WHAT “Lack of Standing?”

After decades of dumbing-down and drugging-up Americans, the vast majority of Americans know nothing about what I just explained in this piece. Yet, it is the reason why our country is not our country today, and it's the foundation for any honest effort to save this republic from certain ruin.

It's Not Our Government in DC

Americans haven't just been missing in action in terms of being forever vigilant in protection of their own freedom, many have been missing in action when it comes to raising their own children as well. That's why we see thousands of young students so easily manipulated into our streets in support of the most blood-thirsty brutal terrorists to ever roam the earth.

USA Point of NO Return

The only thing that separates “patriot” from “pretender” is ACTION. Without ACTION in “our” group, including the financial resources to move mountains instead of propping up politicians, there are absolutely no solutions to anything.

USA Survival – A Matter of Priorities

This country is what the people make it or allow it to be. Either politicians work for us, or we work for them. The government either operates within Constitutional confines, or it has no right to exist at all. These truths are so fundamental and obvious that if you don't get it, it's because you don't want to get it. It's because you choose to put yourself ahead of the country and everyone else in it.

Time to Defund ALEC

Instead of ALEC and other think tanks driving our legislatures, it's supposed to be us, “We the People” from whom all political power is derived. We simply cannot afford to allow so-called “experts” to continue running our country into the ground. They have driven the USA to the brink of collapse.

Deprivation of Rights Under Color of Law

This means that by some method, health threat, threat of war, or real war, economic collapse, the list is endless now, the powers who did these things intend to create another “emergency” ahead of the 2024 elections. The plan is to stop the 2024 election from even taking place...

Did the 14th Amendment Alter Natural Born Citizen?

There is no statute of limitation on treason and sedition. If the American People don't stand together to enforce the Natural Born Citizen requirement today, and prosecute all who have violated it to date, no matter which political party, there is no way to save our Constitutional Republic from certain ruin.

House Republicans Surrender

to Democrats

But this time, there won't be 15 rounds of voting like McCarthy had before becoming Speaker at the beginning of the new congress. Instead, after three losses, Jordan received the boot in a so-called "SECRET VOTE" by his fellow fake republicans, who apparently but unofficially removed Jordan as a candidate for speaker in a reported 86-122 vote behind closed doors.

Democrats in Republican Seats

The Obama 3.0 administration has set the entire world on fire in just the past 2 $\frac{1}{2}$ years, using mental midgets and moral misfits Biden and Harris as his human shields to protect the person actually running the Federal regime...Barack Hussein Obama. They are already responsible for millions of deaths around the globe, and an America on the brink of total collapse and Civil War, in just 2 $\frac{1}{2}$ years.

To American Pro-Hamas Terrorism Supporters

You vote overwhelmingly democrat because you're told to, despite seeing every democrat run city in the USA turned into 3rd world toilets by those democrats. You believe in socialism despite knowing that socialism and communism are just forms of

fascism and totalitarianism, which have failed every time they have been tried in the world.

Deniers of Undeniable Truths

Since no one can do anything alone, we have no choice but to work together. To work together, we must join, and support groups heading in the right direction and fully engage in the correct doable things. Together, there is nothing we cannot do. Alone, a house divided against itself will fall.

Executive Orders are NOT Laws

Most Americans have been gaslighted to believe that White House Executive Orders are laws that every American must follow, or else. But Executive Orders only apply to Executive Branch employees. The U.S. government formed by the U.S. Constitution is a Republic, not a dictatorship. It's not a pure "democracy" either, nor should it ever be.

Vote for Who We Say, or Else?

Clearly, neither party wanted Donald J. Trump to ever be President of the United States. Both parties have worked together to destroy Trump since the day he came down the

escalator to announce his bid for the Oval Office in 2015. Both parties are behind the myriad of false accusations and failed prosecutions of Trump, simply designed to prevent him from occupying the Oval Office again.

When TREASON is No Longer a Crime

In 247 years, not even one President or Vice President has ever been removed from office via impeachment, even when convicted of their crimes in a Senate trial. Impeachment is a political stunt designed to convince unwitting People that politicians are “doing something” about crime and corruption in the government, when in fact, nothing is being done.

The United States of America Will Soon Go Through a Total RESET

The gaslighting by the global Marxists currently in control of all federal assets under the leadership of Barack Hussein Obama, has been entirely successful. In fact, it has been so successful that many Americans still send their children to equally anti-American school systems tearing families apart and destroying generations at breakneck speed.

The Man Standing in the Gap

You know I'm speaking the truth here. Drop all pet agendas and stand together for the only agenda that matters now, Freedom, Liberty, the Rule of Law, real justice, and real opportunity for all. STOP THIS INSANE INVASION OF OUR BELOVED COUNTRY. The sand is all at the bottom of the hourglass.

First 24 GOP "Debate" 8/23/23

But I'll be watching this debate, for entertainment value. Never get in the way of your enemies while they are busy digging their own grave... Nothing is more entertaining than watching traitors dig their own hole!

USA Death by Sheep

WE THE SHEEP are the real problem. Sheep are incapable of self-governance, freedom, and liberty. They must be governed by others. So it is, and so it shall be... Face it, if you are the type of person to go-along-to-get-along no matter the consequences, YOU ARE A SHEEP! If you are counting on anyone but yourself to save your country, YOU ARE A SHEEP!

Really, What More to Say?

God forgive us for the hell we have doomed all future generations to! God bless all who tried in vain. The sleeping giant is on life support! Remember, friends won't just tell you what you want to hear, they will tell you the truth that you need to hear!

No Pain, No Gain

I recently spoke with several brilliant doctors and scientists about the facts concerning the deadly "vaccines" and they are all growing increasingly frustrated with the reality that despite how much evil they uncover and present to The People, no one ever reacts to the information with appropriate ACTION.

Dear President Trump

The foundation for these cases exists in the many "criminal investigations" that cleared you and proved beyond any doubt that these people are the real criminals. Both you and our country have suffered extraordinary damages...financial and far worse. People are dying as a result. Young democrat Marxist generations are in the streets committing mass "insurrections" in cities across America, all due to the lies these people

tell.

HOW the RIGHT Can UNITE

I seek equality for all. I seek a constitutional form of government of, by and for all decent freedom lovers. I seek a sane society, where you are free to own whatever you earn...but threaten no one else with it. I seek the America that used to be, where every Citizen is free to dream, work, build, own, enjoy and pass on to the next generation, the fruits of their labor.

U.S. or Them

By now, millions of you have figured out that our country has been intentionally and systematically divided into two groups, those who love, revere, and have chosen to defend freedom, liberty, and justice for all...and those who hate everything about America, freedom, liberty, and justice for anyone.

The DNC is the CCP of the USA

In the good ole days, we had liberals and conservatives, both seeking peace, freedom, liberty and justice, but with different ideas how to achieve those common goals. Now, there

are no liberals, just galvanized true conservative American patriots trying to save freedom for all, and whacky Marxist morons trying to steal from everyone else, to enrich themselves.

RIGHT, There's Nothing YOU Can Do!

So, the only reason for American Citizens to fear this government is, they either do not know that "all governmental powers and authorities are derived from The People themselves," or they have allowed their government to become so corrupted, big, and powerful that they can only "go-along to get-along," no matter the destruction it creates.

UNITY 101 – E Pluribus Unum

We now have whole generations that were never taught the official national motto of the United States, E Pluribus Unum. The Latin phrase means "Out of many, one". In other words, the USA is an immigrant nation, not to ever be confused with the illegal foreign invasion of our country we are witnessing today.

Economics 101 for 2023 Idiots

As the first BIG U.S. BANK backed by the FDIC collapses, SVB (Silicon Valley Bank) known as a leading lender to tech start-up companies, it seems like a good time to write about Economics 101 for Idiots who were never taught any better growing up. Remember, never discuss money, religion, or politics. It might hurt someone's sensitive feelings.

Quitters Never Win

When I was a kid, most of us were raised to understand that "quitters never win, and winners never quit." But for a few generations now, kids have been raised with no mention of such a blatantly obvious reality, instead raised on participation trophies for just showing up. Even worse, they were raised to see winning and losing as a negative concept.

O'Biden Regime World War

Going-along to get-along brought us all here. Americans will soon learn the hard way, that you will never be able to go-along enough to ever get-along with the evil miscreants we are dealing with today.

Systematically America, Part 2

Erasing

As of today, our Constitution and Bill of Rights are NO LONGER in force or effect! Let that sink in! Our country has been carefully prepared to become a member of the “Great Reset” global commune, while Americans were asleep at the helm.

Systematically America

Erasing

In keeping with my tradition of telling you truths you may not want to know, we have to discuss the fact that leftist democrats and their Marxist “scholars” have been systematically erasing America for decades now and unless we stop them, there won't be a USA soon.

End the Insanity Immediately!

The Book of Revelations isn't a book of how God destroys the world. It's a book that foretells how a “Godless” people will destroy the world, and we are on the brink! This time, the entire world will go the way of the Roman Empire!

The Powers Not Delegated

You don't need a state nullification bill for a thousand unconstitutional act of the federal government. Those acts have no force of law to begin with...there's nothing to nullify. Mass non-compliance is all that is necessary, and not a single U.S. citizen has any legal, moral, or ethical duty to comply with any unconstitutional act of the federal government...or their state or local government for that matter.

Real Solutions Undermined from Within

A State cannot secede from the union other than by withdrawing from the U.S. Constitution, including the Bill of Rights. The very things people are trying to enforce upon the federal government, found in the Constitution and Bill of Rights, will no longer protect any state that withdraws from that compact. Secession defeats the purpose it's intended to achieve.

Dear Dr. Trump – NOW is Your

Moment

THEN, immediately call for a real House investigation into who is responsible for the mass “vaccine” genocide that has taken place for more than three years now, from Klaus Schwab and Bill Gates to Dr. Fauci, the NIH, CDC, WHO and UN, and thousands of WEF Partners, including every big pharma company involved in making billions via mass murder.

The Right and Duty of The People?

For the past two years, global Marxists in control of the federal government and national news media have worked around the clock to redefine the term “insurrection” in order to label the J6 Trump rallygoers in a manner which paints all Trump supporters or conservatives’ “insurrectionists,” with a clear purpose.

Land of the Sheep, Home of the Defeated

Unlike the Americans of 1776, who voluntarily pledged to each other their Lives, Fortunes, and sacred Honor for the cause of freedom and liberty, today’s Americans are of the go-along to get-along sort.

Deceived, Divided, Distracted, Demoralized & Defeated

The only difference between winners and losers is, winners believe they can win, and the odds are not even part of the equation! So, they take ACTION. Losers never take action simply because they don't believe they can win, so they don't.

2022 – This ONE is It

Although the fake media does its best to make every election look like a beauty contest, all about personalities, pretty faces, and smooth talkers, it's about far more than that! The best we can do is the best we can do. All we can do, is what we have to do tomorrow! Shame on anyone who doesn't do what we all have to do tomorrow!

Rattlesnakes and Americans...Be Like

Though the world doesn't like our politicians any better than we do, or than they like their own, respect for the American

people themselves, remains high. For more than 245 years, Americans have given of themselves for the cause of freedom and liberty all over the globe, asking only peace in return.

Stop The Steal 2022

For two years now, literally thousands of experts and average Citizens have worked to uncover and expose the massive election fraud that took place in 2020. These efforts have resulted in a gross mountain of hard evidence proving beyond any reasonable doubt that the 2020 elections were the most corrupt, “unlawful and unconstitutional” elections in the history of elections, worldwide.

2022 The Single Issue Election

More than any election in the past hundred years, this one will determine if the USA remains an independent nation of free people, or nose dives into the hellish pits of some maniacal One World Global Commune under Nazi Klaus Schwab and his evil band of international criminals.

There Was No Insurrection in DC

Just because the masters (the People) have not monitored or held their servants (politicians) accountable for many years now, doesn't mean that they can't, or never will. Sooner or later, human nature will demand nothing less than freedom, liberty, and justice.

Why Democrats WILL lose 2022 BIG

The ONLY way democrats win in November is if good men and women do nothing. After the past two years of Biden disasters, millions are ready to take control of their own futures by putting AMERICA FIRST in the 2022 elections. Most can now see exactly why socialism fails everywhere it's tried.

Tulsi Gabbard's Sudden Conscience

I too agree with much of what Tulsi is saying lately, and I too hope she means every word of it. But I won't risk the future of freedom and liberty on it! Will you?

Equality vs. Equity

All tyrannical governments around the world have promised their citizens "equity," not equality...and all have provided their citizens an equal depth of poverty, causing those governments to become ever more brutal to the people they keep under boot. Americans hypnotized by the "equity" scam, are being bribed and used for evil.

Now that we've tried the GREATER EVIL (again)

The whole world knows that Biden and Harris were chosen by the global communist cabal simply because they are both expendable useful idiots easily controlled by their puppet masters, and easily disposed of when they are no longer useful. Both are total simpletons who made their way to the top lying, cheating, sleeping, and stealing their way there.

The Laws of Nature and of Nature's God

Natural Rights are different than Civil Rights. In the USA,

Civil Rights have been established by government via Civil Rights Acts, a legislative process. Civil Rights are guarantees of equal social opportunities and equal protection under the law, regardless of race, religion, or other personal characteristics.

WOMEN: The #1 Cause of Death in the USA

In an effort to figure out why our government and media are so concerned with lawful and responsible gun ownership, I decided to study the leading causes of death in the USA. With all of the focus on disarming the law-abiding citizens of the USA, I expected to see that gun violence by law-abiding citizens was a leading cause of death in the USA.

2022 Election: A Battle of Two Factions

Only women can convince other women to change, specifically, the 42% of women who voted for Life and Liberty in 2020. I suggest that every female voter in that 42% group get very busy convincing women in the 57% death cult group, to change, and really fast. There isn't much time left.

Why MAGA Americans are Indeed Dangerous

Let's be honest here, people who can't even tell if they are male or female and don't believe in guns, are picking a fight they can't survive. We don't want this for them, but they will bring it upon themselves.

What is the "Supreme Law of this Land" Today?

But if the Constitution and Bill of Rights are still the Supreme Law of this Land, then we need only enforce it. Contrary to common modern false beliefs, we never did have any Rights beyond those we are willing to fight and die for. Our Founding documents tell us what our Rights are, but it is up to us to enforce them.

Enough of the Democrat Death Cult

To those who have not voted in years, if you care about this country and the future for your children and grandchildren,

now is the time to rejoin the fight for freedom, liberty, decency, and justice. May God Bless this country and lead us out of the darkness that democrats have led this country into!

Fascism: It's All in Who Defines It

It has become custom in American politics to misuse words to define, label and target Citizens and political opponents in order to divide and conquer the electorate by pitting American against American on the basis of false propaganda. The false propaganda includes the intentional false rewriting of history...

Mass Media Mind Control

For many years, I made fun of the "chem-trail" conspiracy theorists because as a fixed wing pilot for years myself, I'm quite familiar with vapor trails. But the recent display of utter mass-insanity in our country made me wonder if we were not being poisoned by our own government, be it via chem-trails or our food and water supply.

Selling Your Freedom for a Pittance

Like easily predictable clock work, the O'Biden regime is in pre-election rapid fire attempts to buy votes from unsuspecting young YOLO (you only live once) voters only thinking about today, with no foresight into the hellish future they are creating for themselves and everyone else.

Republican, Democrat, or Independent

Every issue presents either truth or lie, and an opportunity to choose either right or wrong, not just for ourselves, but for our town, county, state and country, and all posterity. Like any other team sport, if you are not part of a competitive team, you're not even on the field of play and cannot possibly affect the outcome of the game.

The USA is Totally Insane

The vast majority of Americans trust no one now, and largely for very good reason. Americans have been openly betrayed by politicians in all political parties, every news outlet, the social media CEOs, church leaders, "patriot" group leaders, Hollywood, and due to COVID, even their...

Ask Not What Your Country Can Do For You

Because Americans have been asleep at the wheel for so long and still not ready to make a united stand against tyranny, I suspect we will find out what they can do before November, when democrats are poised to lose political power from sea to sea and border to border.

The Bill of Rights Shall Not be “Infringed”

In response to this ruling, the Democrat controlled House just passed a new “infringement” bill in “Assault Weapons Ban of 2022, H.R. 1808,” by a narrow 217-213 four vote margin. Seven House democrats broke ranks with Pelosi, but two House Republicans broke ranks to vote with Pelosi, against the Constitution and Bill of Rights.

Biden’s Greater Depression

Every REAL American must have a single common goal at this point, to immediately regain control of our rogue government,

local, state, and federal. Numerous things must be done to accomplish this goal. But every minute and penny spent on anything else at this point, is a total waste of precious time and resources.

Americans Have Only Two Choices

If you have any idea what the global Marxists are leading the world into, then you know, doing nothing isn't even an option. Countries all over the globe are collapsing due to citizen uprisings. Economies are collapsing, as are many national currencies. Our own is teetering on the brink...

How Bad Will Election Fraud Be in 2022?

And of course, there is nothing new about global nation-wreckers like Nazi George Soros spending billions to manipulate elections from the top of the ballot to the bottom, coast to coast.

If YOU Can't be Trusted to Protect Your Own Child

If YOU can't be trusted to protect your own child, can you be trusted with anything else? If you have demonstrated no regard for human life at all, should any human anywhere trust you with their life? If you don't believe in the most foundational Right to Life, what other Rights could you possibly believe in?

SCOTUS Affirms Broad 2nd Amendment Protection

For the first time in about 200-years, the U.S. Supreme Court is on a Constitutional roll. In this case, the highest court in the land ruled strictly upon the basis of Constitutional text instead of on the basis of partisan political activism, as has been a practice in the courts ever since Jefferson warned about it repeatedly in the early 1800s.
