

Land of the Sheep, Home of the Defeated

Unlike the Americans of 1776, who voluntarily pledged to each other their Lives, Fortunes, and sacred Honor for the cause of freedom and liberty, today's Americans are of the go-along to get-along sort.

Deceived, Divided, Distracted, Demoralized & Defeated

The only difference between winners and losers is, winners believe they can win, and the odds are not even part of the equation! So, they take ACTION. Losers never take action simply because they don't believe they can win, so they don't.

2022 – This ONE is It

Although the fake media does its best to make every election look like a beauty contest, all about personalities, pretty faces, and smooth talkers, it's about far more than that! The best we can do is the best we can do. All we can do, is what we have to do tomorrow! Shame on anyone who doesn't do what we all have to do tomorrow!

Rattlesnakes and Americans...Be Like

Though the world doesn't like our politicians any better than we do, or than they like their own, respect for the American people themselves, remains high. For more than 245 years, Americans have given of themselves for the cause of freedom and liberty all over the globe, asking only peace in return.

Stop The Steal 2022

For two years now, literally thousands of experts and average Citizens have worked to uncover and expose the massive election fraud that took place in 2020. These efforts have resulted in a gross mountain of hard evidence proving beyond any reasonable doubt that the 2020 elections were the most corrupt, "unlawful and unconstitutional" elections in the history of elections, worldwide.

2022 The Single Issue Election

More than any election in the past hundred years, this one

will determine if the USA remains an independent nation of free people, or nose dives into the hellish pits of some maniacal One World Global Commune under Nazi Klaus Schwab and his evil band of international criminals.

There Was No Insurrection in DC

Just because the masters (the People) have not monitored or held their servants (politicians) accountable for many years now, doesn't mean that they can't, or never will. Sooner or later, human nature will demand nothing less than freedom, liberty, and justice.

Why Democrats WILL lose 2022 BIG

The ONLY way democrats win in November is if good men and women do nothing. After the past two years of Biden disasters, millions are ready to take control of their own futures by putting AMERICA FIRST in the 2022 elections. Most can now see exactly why socialism fails everywhere it's tried.

Tulsi Gabbard's Sudden Conscience

I too agree with much of what Tulsi is saying lately, and I too hope she means every word of it. But I won't risk the future of freedom and liberty on it! Will you?

Equality vs. Equity

All tyrannical governments around the world have promised their citizens "equity," not equality...and all have provided their citizens an equal depth of poverty, causing those governments to become ever more brutal to the people they keep under boot. Americans hypnotized by the "equity" scam, are being bribed and used for evil.

Now that we've tried the GREATER EVIL (again)

The whole world knows that Biden and Harris were chosen by the global communist cabal simply because they are both expendable useful idiots easily controlled by their puppet masters, and easily disposed of when they are no longer useful. Both are total simpletons who made their way to the top lying, cheating, sleeping, and stealing their way there.

The Laws of Nature and of Nature's God

Natural Rights are different than Civil Rights. In the USA, Civil Rights have been established by government via Civil Rights Acts, a legislative process. Civil Rights are guarantees of equal social opportunities and equal protection under the law, regardless of race, religion, or other personal characteristics.

WOMEN: The #1 Cause of Death in the USA

In an effort to figure out why our government and media are so concerned with lawful and responsible gun ownership, I decided to study the leading causes of death in the USA. With all of the focus on disarming the law-abiding citizens of the USA, I expected to see that gun violence by law-abiding citizens was a leading cause of death in the USA.

2022 Election: A Battle of

Two Factions

Only women can convince other women to change, specifically, the 42% of women who voted for Life and Liberty in 2020. I suggest that every female voter in that 42% group get very busy convincing women in the 57% death cult group, to change, and really fast. There isn't much time left.

Why MAGA Americans are Indeed Dangerous

Let's be honest here, people who can't even tell if they are male or female and don't believe in guns, are picking a fight they can't survive. We don't want this for them, but they will bring it upon themselves.

What is the "Supreme Law of this Land" Today?

But if the Constitution and Bill of Rights are still the Supreme Law of this Land, then we need only enforce it. Contrary to common modern false beliefs, we never did have any Rights beyond those we are willing to fight and die for. Our Founding documents tell us what our Rights are, but it is up to us to enforce them.

Enough of the Democrat Death Cult

To those who have not voted in years, if you care about this country and the future for your children and grandchildren, now is the time to rejoin the fight for freedom, liberty, decency, and justice. May God Bless this country and lead us out of the darkness that democrats have led this country into!

Fascism: It's All in Who Defines It

It has become custom in American politics to misuse words to define, label and target Citizens and political opponents in order to divide and conquer the electorate by pitting American against American on the basis of false propaganda. The false propaganda includes the intentional false rewriting of history...

Mass Media Mind Control

For many years, I made fun of the "chem-trail" conspiracy theorists because as a fixed wing pilot for years myself, I'm

quite familiar with vapor trails. But the recent display of utter mass-insanity in our country made me wonder if we were not being poisoned by our own government, be it via chem-trails or our food and water supply.

Selling Your Freedom for a Pittance

Like easily predictable clock work, the O'Biden regime is in pre-election rapid fire attempts to buy votes from unsuspecting young YOLO (you only live once) voters only thinking about today, with no foresight into the hellish future they are creating for themselves and everyone else.

Republican, Democrat, or Independent

Every issue presents either truth or lie, and an opportunity to choose either right or wrong, not just for ourselves, but for our town, county, state and country, and all posterity. Like any other team sport, if you are not part of a competitive team, you're not even on the field of play and cannot possibly affect the outcome of the game.

The USA is Totally Insane

The vast majority of Americans trust no one now, and largely for very good reason. Americans have been openly betrayed by politicians in all political parties, every news outlet, the social media CEOs, church leaders, “patriot” group leaders, Hollywood, and due to COVID, even their...

Ask Not What Your Country Can Do For You

Because Americans have been asleep at the wheel for so long and still not ready to make a united stand against tyranny, I suspect we will find out what they can do before November, when democrats are poised to lose political power from sea to sea and border to border.

The Bill of Rights Shall Not be “Infringed”

In response to this ruling, the Democrat controlled House just passed a new “infringement” bill in “Assault Weapons Ban of 2022, H.R. 1808,” by a narrow 217-213 four vote margin. Seven House democrats broke ranks with Pelosi, but two House Republicans broke ranks to vote with Pelosi, against the Constitution and Bill of Rights.

Biden's Greater Depression

Every REAL American must have a single common goal at this point, to immediately regain control of our rogue government, local, state, and federal. Numerous things must be done to accomplish this goal. But every minute and penny spent on anything else at this point, is a total waste of precious time and resources.

Americans Have Only Two Choices

If you have any idea what the global Marxists are leading the world into, then you know, doing nothing isn't even an option. Countries all over the globe are collapsing due to citizen uprisings. Economies are collapsing, as are many national currencies. Our own is teetering on the brink...

How Bad Will Election Fraud Be in 2022?

And of course, there is nothing new about global nation-wreckers like Nazi George Soros spending billions to

manipulate elections from the top of the ballot to the bottom, coast to coast.

If YOU Can't be Trusted to Protect Your Own Child

If YOU can't be trusted to protect your own child, can you be trusted with anything else? If you have demonstrated no regard for human life at all, should any human anywhere trust you with their life? If you don't believe in the most foundational Right to Life, what other Rights could you possibly believe in?

SCOTUS Affirms Broad 2nd Amendment Protection

For the first time in about 200-years, the U.S. Supreme Court is on a Constitutional roll. In this case, the highest court in the land ruled strictly upon the basis of Constitutional text instead of on the basis of partisan political activism, as has been a practice in the courts ever since Jefferson warned about it repeatedly in the early 1800s.

Americans v. Demoniac Democrat Socialists

The battle for the heart and soul of the USA was brought into vivid focus last week with two landmark Supreme Court decisions that should have been properly settled many years ago. Congratulations to the current SCOTUS members who had the intestinal fortitude...

Abortion Protesters are Entirely Ignorant of the Facts

Democrat Socialist politicians and entertainment personalities have been telling American women that they have a “constitutionally protected Right to murder their children in the womb” ever since the fatally flawed Roe v. Wade ruling. It has always been a complete and total outright lie. No such Right exists anywhere in the Constitution...

If January 6th Had Been a Real “Insurrection”

So, what are WE going to do about the continued open fraudulent assault on innocent freedom and liberty loving

Americans, playing out on pretty much every news network, all of whom know the truth? Without the frauds in Congress and their lying minions in the news media, none of this could be happening.

Neither Republic, nor Democracy Today

At present, our country is not functioning as a Constitutional Republic or a “mob rule” Democracy. Right now, we are governed by unconstitutional criminal tyrants via unlawful orders, court opinions and legislation, all of which is repugnant to every foundation of freedom. This cannot end well at this point...unless THE PEOPLE wake up...

Necessary to the Security of a Free State

When Americans feel like they need to flee the USA in search of freedom and liberty elsewhere, it's time to replace the entire government. And when history presents this challenge once again, to free itself from tyrannical governments, we will need every weapon we can lay our hands upon, to protect ourselves and loved ones from tyrants.

Grave Lessons in Defenseless

Last, had our earliest settlers not been armed, the USA would have never existed...no one would have ever known American freedom and liberty, as the citizenry would never had been able to defeat the most powerful military on earth at the time, freeing themselves and us, from British rule.

Why are Kids Killing Kids?

The question isn't who has a right to keep and bear arms, that question is answered in the 2nd Amendment. The right question is, who has the right to take them from decent law-abiding Citizens? The answer to that is...NO ONE!

Is Socialism a Liberal Idea?

The answer to that question depends on who you ask. If you ask a young public school or college indoctrinated kid, they will likely tell you yes. But if you ask anyone old enough or properly educated enough to know the truth, the answer is no. However, I'll present the facts on the matter, and you can decide for yourself.

The Root of ALL Evil

Contrary to modern indoctrination institutions that are responsible for making sure that the average American isn't even smart enough to tie their own shoes by High School graduation much less vote for their own future, to include many global one world churches today, money itself is NOT the root of all evil.

Our Unconstitutional Federal Government

Our Declaration of Independence established the USA as an independent sovereign nation under the Laws of Nature and Nature's God on July 4, 1776. The US Constitution drafted by the Continental Congress in 1787 and adopted in 1789 created and guaranteed the people a republican form of self-governance of, by and for the people of the USA...

2022 GOP Primaries Got TRUMPED

Whether you love President Donald J. Trump or hate him,

there's no denying the fact that he remains the most popular and powerful figure in American politics today. Firebrands like Trump always ignite a firestorm of controversy. We could say the same of every Founding Father!

Too Stupid to Remain FREE

But the two most dangerous lies today are the Climate Change hoax and the COVID19 scamdemic. The Climate Change hoax is designed to get unwitting citizens to go-along with killing innocent people to save mother earth. And the COVID19 scamdemic is designed to gain total control over populations through constant...

Death by a Thousand Lies

Many have tried to WAKE YOU UP for decades, myself included. Yet, even at this late date, under unprecedented open assaults on every freedom and liberty you have ever known, most remain asleep at the wheel of our country, waiting to see what the tyrants have planned for us next, or who might ever do something about it.

“Control Your Soul’s Desire for Freedom”

This is the message being echoed by drones throughout Shanghai China today in yet another massive total city lockdown of over 26-million Chinese citizens. Thousands are screaming from their balconies as others leap from their balconies to their death. They are being starved to death.

USA Women MUST Wise Up FAST

Only women can cause other women to wise up today. The truth hurts, but it’s the only way to save this country and we are fast running out of time and opportunity to do it. God Bless the GREAT mothers of this country, who fight harder to protect their young than most neutered men will today.

YOU are Non-Essential and Unsustainable

This is exactly how Marxism, Socialism and Communism work. No one has any human or natural Rights. It’s all about the “greater common good.” Of course, it’s always about the greater common good of the ruling class elites, not you. Guess who gets to decide if YOU are essential and sustainable...and on what basis?

Putin's Peace Offer in Ukraine

Before I discuss Putin's current offer for peace to Ukraine, you need to know that I am not at all interested in convincing you that Putin is a "good guy." I have no interest in convincing you that the Ukraine government is any better than the Russian government either, because they may in fact be worse.

What Impacts the Price of Gas?

Vladimir Putin has nothing to do with the current prices at the pump. Joe Biden and his Green New Deal is 100% responsible for what you are paying at the pump today, and what it will cost you tomorrow. Follow crude prices and they will track entirely to what you pay at the pump.

Land of the Ignorant, Home of

the Cowards?

Those who gave birth to the greatest free people ever known to mankind some 246-years ago were fearless in the face of overwhelming odds. God help us if there are no such men alive today!

Response to Sen. Rick Scott 11-Point Plan

As democratic socialists in power continue to burn the entire free world to the ground by way of the “COVID19 GREAT RESET,” and we enter yet another election year wherein Republicans hope to gain political power against the most unpopular federal administration since Jimmy Carter, Senator Rick Scott issues his “plan to save America.”

Klaus Schwab's Young Global Leaders (USA)

In 1971, Schwab founded the European Management Forum, which in 1987 became the World Economic Forum (WEF) – often referred to simply as “Davos”, the name of the town where the forum is hosted each year. First, he controlled the EU nations and now, he aims to control the world.

What Have We Learned From Ottawa?

However, 73% of all U.S. commerce across the country moves by way of trucks. If truckers simply shut down and stop hauling, 73% of the nation's commerce ends in an instant. Take those trucks home and drop anchor. With government forced supply chain shortages already affecting most Americans, it would only take a few days to have everyone's attention.

Will Trudeau and Biden Pull the Trigger?

Meanwhile, cops are becoming increasingly violent as they attempt to steal gas, wood, food, and water and essentially starve or freeze protesters out of position, even after a Canadian court ordered police to stand down and return the truckers private property. A court order totally ignored by the Trudeau government.

Law Enforcement (or) Gestapo

for Hire?

Over the past two years, we have learned that most Americans will do just about anything for money, even if it costs them everything. They'll follow unlawful and unconstitutional orders that threaten their health and safety, lock themselves up, wear worthless masks, take injections without any knowledge of what's in those injections.

The VAXXED Are Still UNVAXXED

As for those who are now trapped in the endless injection system, Americans used to be born smart enough to never trust politicians, lawyers, global Marxists and used car salesmen. How did you get so foolish?

Canadians Are Better Americans Now

The fact is, if just one trucker hit the road today in California, headed for DC, by the time he arrived in DC, there would be a hundred thousand truckers, farmers, and citizens right behind him. This is what leadership looks like. Do we need some Canadians to come down to start our fight for freedom?

It's the RIGHT Dividing the RIGHT

So long as the American patriots allow themselves to be divided by their public servants and fellow citizens out to make a buck in their pet agendas, they will remain unable to unite, fight and win the future of freedom and liberty together.

Dear Vaccinated Americans

No one has the Right to force or coerce inject another person with anything, for any reason whatsoever. And no one is immune from legal liability or criminal prosecution, when they are involved in force injecting others, knowing that those injections are causing massive harm and death, thanks to more than a million VAERS Reports.

No More Medical Community

The Supreme Court could have and should have made sure that every healthcare professional was protected from these unconstitutional medical dictates forced upon the entire industry by Medicare and Medicaid. But they didn't, due to the

overt political nature of that court.

REAL Insurrection vs. January 6, 2021

But in the end, public perceptions often trump reality and it's the criminal cabal in D.C. that's in charge of creating public perceptions. They totally control what the American people are allowed to see and hear, based on what they deem to be "appropriate content," also known as their "approved propaganda."

Democrats WILL Win 2022 and 2024

And THEY are the reason the greatest free nation ever known to mankind is headed for the ash heap of history. People who think they are going to "take America back in 2022 and 2024" didn't do anything to stop the steal in 2020. They created their own demise! That's the end of that!

Cancelling TRUTH Across the Board

Before We the People can fix anything else, we must first end the cancel culture that is fast removing truth from public access and realize that it is TRUTH and TRUTH alone, that can set us free. Can we begin with just ONE true FACT...there are not 43 human genders, there are only 2... If we can't agree on that FACT, then we can't agree on any truth today!

NEVER “Forever Vigilant”

There is no other way to remain a free people. These Charters of Freedom will either be enforced by the people, or the people will no longer live free. Not a single American can afford to count on anyone else to handle the enforcement. WE are the People who are supposed to be “forever vigilant.”

Dear Dr. Trump, PHD in Virology?

Don't bother writing me about how I'm attacking “a good guy” or how “we need Dr. Trump” to save us. He had his chance, and he blew it, big time! We must move on to solving our problems ourselves now. My next column will focus on what we must do, because there is no one else to do it.

What More Can Anyone Say?

This isn't rocket science. You don't need to be a scholar of any kind to know we are in very serious trouble here. You only have to be smart enough and courageous enough to know that if YOU aren't going to fix it, then no one will...

TOP Reasons why Patriots are Losing

To be certain, America has literally millions of true "patriots," although I don't think most of them are cut from the same cloth as the patriots who came before us. The Patrick Henry and George Washington type of patriots may indeed, be a thing of the past. Those patriots were willing to give up everything to secure freedom and liberty, not just for themselves, but for all of us.

Overturn 2020 – We have NO choice

No COVID19, would have meant no lockdowns. That would have meant no mail-in balloting and no mail-in balloting, would

have made a Biden-Harris victory totally impossible. Think not? Let's try no mail-in balloting in 2022 and see what happens... Bet you won't get any Biden fans to support that!

Something to Think About over Thanksgiving

Be thankful for the many gifts we have been endowed by our Creator, under the Laws of Nature and of nature's God. But, let no man take from us, that which God has given...

Pandemic of the Unvaccinated?

If you thought you were vaccinated after receiving your first COVID19 bioweapon injection, think again. Even if you stayed the course and received a second injection and then your first booster, and another booster, you're still not vaccinated, according to Fauci and the CDC.

Only Two Things Americans

MUST Do

To be certain, once these top two things are accomplished, and only then, there is a laundry list of critical things Americans will need to fix if they ever want the USA to have a chance at freedom, liberty, justice, and decency again. But before we can afford to worry about that laundry list, Americans must...

What COVID Authority Does OSHA Have?

The problem is, most Americans don't know it and most lawyers, politicians, and news media personalities, don't want you to know it either! Most Americans just stumble their way through life without paying much attention to anything important. This is the same herd that has stumbled their way right into these lethal vaccines, without following any science at all.

Biden is Destroying all Labor Unions

The unions have been propping up the Democrat Party for decades, in return, the democrats have been propping up the unions, even while destroying all U.S. manufacturing. Today, the biggest unions in the country are government employee

unions, including teachers...

All Who Refuse to Stand Against Tyranny

By wasting precious time and resources on utter nonsense, trying to create a false impression that you are doing something that matters, just like most politicians today, are you really making a stand for freedom, liberty, and justice?

Why There Has Never Been an Article 5 Convention

It's a shame that so much time has to be wasted on eliminating outright lies, just to arrive at truth today. The mere fact that George Soros is also pushing for an Article 5 Convention...

There Are NO Blue States

Most Americans think we are headed into some form of "civil war" between BLUE and RED states, as the nation is divided, angry, and motivated to fight, more than at any point in our history. But the simple truth is, there are no BLUE states in

the USA. There are only a handful of BLUE cities...

NO ONE is “Forcing” YOU to Do Anything!

How cheap will the average American sell their soul, their lives and freedom, and that of their children? Well, the average USA income today is \$36,000 per year, down over 25% from 2019, due to ongoing governmental destruction of our economy. Anyone who has been “forced” (coerced) to take a fatal injection to keep their job, sold out themselves, their kids, freedom, liberty, and life itself...

Since it's ALL about the Money and Power

Those who cannot resist the demonic urge to seize dominion over all people, must be stripped of any and all power. They must be ruined, destroyed, so that no such evil will dare raise its ugly head again in the Land of the Free and Home of the Brave. We can no longer act as though we have any choice in this matter...

What we NOW Know About COVID-19

Americans are dying, but not from COVID19. They are dying at the hands of the mad scientists, corrupt politicians and go-along-to-get-along “experts” who will kill you by mandate, before giving up their Mercedes and private country club membership. These things we know... but what we don’t know, is when will Americans fight back?

Under Democrats, Parents Are Now The NEW “Domestic Terrorists”

Following some lively public meetings between Public School Boards and area parents, the National School Boards Association issued a letter to President Biden under the heading, “Federal Assistance to Stop Threats and Acts of Violence Against Public Schoolchildren, Public School Board Members, and Other Public School District Officials and Educators.”

The Truth About Mass

Extinction Vaccines

All scientific evidence points in one direction... that there is a mass extinction event underway. Deeper research indicates that COVID19 was not the first of these events, and it won't be the last either. We expect to see more "new viruses" emerging from the same folks who brought us SARS1 and SARS2, COVID19, the Delta variant and now these fatal vaccines.

E Pluribus Unum2021 – Out of Many, ONE!

We have reached a moment in history when 100% of federal democrats are anti-American, and two-thirds of republicans are too! The people can stop the tyranny any time they want, but they will have to unite in one voice, one people, to do it.

The Unvaxxed ARE Following the Science

No intelligent human would ever take one of these vaccines after reading these adverse event reports. No decent human being would ever suggest anyone else take one, much less force them on anyone, after reading these VAERS Reports. I feel sorry for those who have been duped into following the herd instead of following the science.

Medical Tyranny Machine – SPECIAL REPORT

Since the onset of the COVID19 “regime change” operation that was planned and launched as early as 2013 when Patents were first sought for COVID19 and related mRNA technologies...and later used to unseat Trump and his supporters from power in 2020 via totally unregulated “mail-in” balloting...I have worked with a team of serious Americans to uncover the whole truth.

Land of the Masked, Vaxxed and Terminally Scared

Fear is a terrible thing. It causes people to lose all common sense and react in fear, all real science and data facts totally ignored and even rejected. If you are moving with the herd, you are likely moving in the wrong direction today.

Supreme Law of Unelected Dictators

247-years later, hard proof of mass dumbing down of American society is overwhelming now. In fact, America has absolutely

reached the level wherein society may be “too dumb to remain a free people.”

The ONLY COVID Facts You Need

I know, the Nazis running our country these days have total control over the news media and social media, and they only allow ONE narrative in the USA right now, their false narrative. That has conned millions of Americans into voluntarily accepting a “fake vaccine” that has already maimed millions and killed tens of thousands.

Does Trump Even Have A Plan?

As of this morning, 295 days have passed since the November 3, 2020 elections which resulted in an overt global Marxist overthrow of the USA via the most blatant election fraud in the entire history of elections, worldwide. Millions have been spent to uncover hard evidence...

FDA Caves Under Immense

Corruption

So, until now, they have worked closely with global Marxist collaborators in BIG Pharma, BIG media, BIG international corporations, universities and even small “Christian colleges” like NO-HOPE COLLEGE in Michigan, to essentially “force vaccinate” via bribes or under threat of lost wages and income, kicked out of classes, and even threat of incarceration in a mental facility for making your own medical decisions.

Enough of the Mad Science, Part I

Many of the most published and celebrated scientists and doctors all over the globe have been screaming as loudly as they can, to STOP THE VACCINATIONS due to “never before seen” massive adverse reactions and permanent damage to human beings, including death. But ALL “mainstream” communication outlets are blocking their dire warnings...

Nazi Vaxxers – The New Segregationists

We have been lied to by the mad scientists (Fauci, Gates, Soros), the cowardly politicians (both political parties), the

global Marxist owned media (all mainstream mediums), many conned or cowardly doctors and nurses, many of them are more worried about their paycheck than the health of their patients. We have been lied to by pretty much everyone in a position of power.

Dear U.S. Uniformed Freedom Fighters

Yes, I am talking to you, those in uniform who swore an oath to protect and defend the U.S. Constitution and the free people of the United States from all enemies, foreign and domestic. That means all members of the U.S. Military, all federal, state, and local law enforcement, all members of United States National Security Agencies and yes, all judges...

When Employers Practice Government Tyranny

A united sit-out strike will end this insanity. When trucks don't move, products aren't delivered, goods can't be sold and services can't be rendered, all because no one showed up to work – then the employers will find the true value of their employees and the dangers of “going along to get along” with corrupt politicians and mad scientists.

CDC has Been Cookin' the Books

In other words, our entire existence is awash in a sea of outright lies. We are drowning in bold faced lies. We can all see the lies, but people allegedly on our side of the battle are lying too. The only news network I know of in the USA today that has shown some regard for reporting the pure facts is OANN, which is why most of the big cable TV companies won't put them on their systems.

My Body, My Choice, My Ass!

Isn't it funny how Marxist democrats who have spent 48-years fighting for a mother's "right" to murder her own children in the womb, are the same maniacal nut-jobs fighting tooth and nail for their "right" to inject anything they want into YOUR body, claiming you have "no right" to decline?

Stupid is as Stupid Does

You said mask, so we masked, and it didn't work. You said social distance, so we social distanced for months and it didn't work. You said lock healthy people in quarantine, so we

locked healthy people in quarantine and gave up our incomes, families, friends, and lives for months, and it didn't work.

Why Governor DeSantis Thinks YOU are SAFE if Vaccinated

Allow me to begin with this FACT... we have One President, One Vice President, 435 members of Congress and nine unelected and totally unaccountable members of the U.S. Supreme Court, fifty Governors and thousands of City Mayors... and not a single one of them was...

Most Important COVID Facts

Now that we all know that we have been and are being lied to by "science" and "media" regarding the virus and the so-called vaccines, it's time to stop following the fraudulent science and start following common sense and natural survival instincts.

Sheeple v. Sheeple?

While people all over the world are already in the streets fighting global Marxists for their freedom and liberty,

Americans are mostly still going about their lives as if life is normal, trying to hold on to all of their earthly possessions as they rapidly lose their entire country and way of life. It's a fool's errand!

Dear Mike Lindell

Especially in today's corrupt and convoluted federal court system, I would do everything possible to avoid asking Federal courts for their legal opinion about anything, especially if it puts them in a highly uncomfortable position of having to consider overturning a national election that has already been allowed to happen and stand for more than six months.

Dear President Trump, Please STOP!

If you really do have America's best interests at heart, NOW is the time to prove it and act on it. Soon, this critical window of opportunity will pass. I plead with you to be the American we all thought, hoped, and prayed you were. This is YOUR time Mr. President... don't shrink from it!

What Authority do Courts Have Over the Second Amendment?

The people who do know these facts intimately, are the “experts” who use British Common Law courts in the USA today, to undermine everything the Founders created 245-years ago. They rely entirely upon the sad reality that more than 80% of Americans have no clue about any of this.

America’s Lost Generations

These schools are funded by our tax dollars. School boards are elected by and therefore answer to us, We the People. Before the Marxist “critical race theory” appears in every school across America, the time is now to prevent that from happening and to force pro-American change in our taxpayer funded classrooms.

2021 4th of July – Declaring Our Independence Again

But this time, July 4, 2021 – the time has arrived to refocus all citizens on the purpose of the celebration, honoring all who created our free sovereign Constitutional Representative Republic following their Declaration of Independence from British rule, 245-years ago.

Good News – COVID Emergency Officially Over

In a phone call on June 29, 2021 – from the Massachusetts Department of Veterans Affairs, they announced that “the COVID19 pandemic emergency is officially over!” The call is going out to all veterans who had been receiving COVID19 emergency funds during the economic crisis created by the government’s mishandling of the event nationwide.

State Legislatures Hold the Power to Reverse 2020

However, the States actually hold the power to solve every federal problem, because it’s the States that created, empowered, and can dissolve our federal government, if need be. The Federal Government exists at the pleasure of the fifty States, not the other way around.

Overturning Election Fraud is

the ONLY Agenda Now

Every true American knows without any doubts that if we fail to overturn the massive election fraud of 2020 and hold everyone responsible for it 100% accountable, the United States of America is FINISHED! Our Constitutional Republic exists no longer! Our Bill of Rights is DEAD! Our Declaration of Independence is CANCELLED!

Covid Triggered Mass Psychosis Grips America

A psychosis is defined as “a severe mental disorder in which thought, and emotions are so impaired that contact is lost with external reality,” be it temporary or permanent. There is no other way to explain the mass hysteria and ongoing fatal fear that grips a vast majority of Americans today...

Decertifying 2020 – Right the Wrong

Since the stolen elections on November 3, 2020, people have floated dozens of theories on what to do about it and how to do it. All sorts of half-baked – hair-brain ideas have been circulating social media ever since. But the real answer is quite simple...

Good Global Citizens v. Marxist Globalism

The American Marxist media is doing all it can to prevent the American people from knowing the truth about a lot of things, from the facts about the 2020 fraudulent elections to the global scamdemic titled COVID19 and the continued assault on mankind by mad scientists like Fauci.

Next Comes the “National Security” Excuse

Soon, it will be proven to every sane person on earth that the 2020 elections were the most unlawful, fraudulent, unconstitutional, and illegitimate elections in 245-years of American history. That proof will come from numerous states, and it will be entirely indisputable.

True Definition of Assault Weapon

Because today's Marxist Democrats are determined to disarm all American Citizens in order to protect themselves from a real

The Trump Plan

Nation of Lawyers, Not Laws

On April 8, 2021 in a speech pertaining to his maniacal “gun grab” agenda, pseudo-president Joe Biden plainly proclaimed that “no amendment to the Constitution is absolute,” meaning, that nothing in the Constitution or Bill of Rights is absolute, all of it, subject to change via the whims of Executive Orders.

So, this is Communism...

Karl Marx is the globally acknowledged creator and author of today’s “democratic socialism.” Marx is also the author of the Communist Manifesto, in concert with Frederick Engels. As Marx himself wrote, “true democracy is the road to socialism, and socialism is merely a steppingstone into communism.”

Real Covid Facts You’re Not Allowed to Know
