

Marriage & Family – Doing Life Right

Proverbs 18 tells us that “he who finds a wife finds a good thing and obtains favor from the Lord.” Proverbs 31 reminds us that our wives are more precious than jewels. Guys, don’t take your wife for granted. Instead, go out of your way to intentionally serve her on a regular basis. Be a gentleman. Protect her, provide for her, make her life easier and give her the security of the assurance of your love.

The Day Will Be Both Great and Terrible

Following repentance comes a lifetime of sanctification. And understand that you were saved to serve. To minister. To witness. You need to be more eager to lay down your life for the sake of Christ, if that should be required of you, than you are to simply spend your time on earth in comfort, luxury and ease while you await your heavenly “reward.” Because you may not get the “reward” you’re expecting.

God’s Lifeboat Is More Than

Half Empty

This month marks another anniversary of the sinking of the Titanic. For generations, this tragic story has captivated hearts and minds. The loss of the Titanic left a shaken world in disbelief and made people stop and think. I, personally, became deeply intrigued by the Titanic from the moment I learned of the story as a young child.

Beware the Taxman

Bottom line: if the average American citizen handled their money the way our federal government does, they'd be in prison. But it's even worse than that. Imagine if the average American citizen handled someone else's money the way our federal government handles our money. They'd be behind bars the rest of their lives. They'd never again see the light of day. But again: "Rules for thee, but not for me."

Revival & Reverence, Returning To God

But according to this study, American churches have lost 82% of their attendees since 1970. Of course, they've tried many things to retain their congregations, but today, the vast majority of people are just not going to church anymore. Those that are, are often disappointed in their church or with

their pastor...for numerous reasons.

Don't Let Your Weak Flesh Stop You

Worship of, and reverence for God is something all Christ-followers have in their hearts, something we certainly want to make a priority, but often times, life just gets in the way, unless we are intentional about our spiritual commitment. The spirit is willing, but the flesh is weak, and today, both the spirit and flesh easily grow weary.

Don't Let Your Weak Flesh Stop You

This is a once-in-a-lifetime opportunity, and that door of opportunity is open to you now...but now you must decide what you really want and need in your life. More of the same? Or something infinitely more deep and substantial? April 4 & 5 is coming up quickly. You owe it to yourself, your loved ones and God to commit to one weekend. Your spirit is willing. Don't let your weak flesh stop you.

Good Help Is Hard To Find and DEI Insanity

Delving deeper into this company, I learned that they're deeply committed to their DEI programs. Diversity, Equity and Inclusion...but clearly their workers don't know and don't care what they're doing. My experience with DEI was frustrating. In other occupations it can be deadly. I wouldn't want to fly an airline with a DEI-hire pilot. Or trust a surgery to a DEI-hire doctor.

Hard Work Is Good For You

Work is essential, not just for us to earn a living, but also for our own mental and spiritual wellbeing. The satisfaction of a job well done really can't compare to anything else. Our work, when we do it well, can bring us great happiness and joy – even the hardest of work. Through our work, we can transform useless things into useful ones. We can restore order out of chaos.

Revival & Reverence, Returning To God

But according to this study, American churches have lost 82% of their attendees since 1970. Of course, they've tried many

things to retain their congregations, but today, the vast majority of people are just not going to church anymore. Those that are, are often disappointed in their church or with their pastor...for numerous reasons.

Cautiously Optimistic

For now, there's much work to be done, and we can't just sit back and leave it up to Trump to "fix it all." Those of us who claim the name of Christ must take this opportunity to "build back better," and by that, I mean courageously and boldly working to bring individual people, couples and families back to God and His perfect plan for mankind.

Was It Darkest Before the Dawn?

I'd like to think the nightmare of the past four years is over, but I have a feeling it's not going to be that easy. Case in point, the nest of snakes at the ceremony, made up of pure corruption and evil, embodied in the former presidents, as well as the DC swamp creatures that appear to be impossible to remove.

Either You're Serious, Or You're Not

Even more heartbreaking for these parents is when their children don't even allow them to see or have a relationship with their precious grandchildren. Perhaps you can't relate to this because it sounds so very dysfunctional. Make no mistake: it is very dysfunctional, and not at all healthy, yet it's becoming more and more common every day.

No King But King Jesus

As I write this, Donald Trump is set to take office in less than a week. That's one job I definitely wouldn't want. Never, in the history of our nation, have we seen so much disaster, on so many levels and in every sector of society. I can't think of any incoming president in history that ever faced what Trump is facing going into this.

The Ultimate Pardon

Injustice has always been a part of life in this world, ever since the fall of man in the Garden, but in this nation, never so blatant and wicked as the injustice we've lived through these past four years. But God has seen it all, and He is not pleased. Those who have done evil in our land and have not repented will face His wrath – if not in this life, then

surely in the next. Have no doubt.

You're Not "Giving Up" Anything

In my younger days, I couldn't imagine living in the year 2025. It sounded so futuristic. Still does. But here we all are...and still without the flying cars that Popular Mechanics promised were just around the corner back in 1969. In elementary school, our teacher once gave us an assignment to draw a picture of what the year 2000 would look like.

Appalachia Needs Help – This Is Real

Meanwhile, the mud that now covers everything is highly toxic, contaminated with "forever chemicals" that have been stirred into the mix from chemical plants and factories that were destroyed. Some have called it "East Palestine, Ohio "times" a thousand." Cadaver dogs, and horses used to reach those trapped in the mountains are dying from the poisonous mud.

God Gave America a Second Chance, Don't Blow-it

Lastly, I do believe the next few months, and possibly years, will be times of violence, because the devil never sleeps, nor do his demons. Brush up on your spiritual warfare skills, because we're now entering a time like no other. Watch, pray and take action.

Traitors, Haters and Demons

Friends, in the days ahead, understand that it is God who sets up and removes kings. As Christ-followers we have power, love and sound minds. Defend your family and neighbors, stand for righteousness, don't let any untruth go unchallenged – but don't let yourself get caught up into violent conflicts if there's any way you can avoid it.

There's No Political Solution

In 2016, Donald Trump took the White House in a massive victory with his "Make America Great Again" campaign. Despite enormous popularity with his enormous rallies, he wasn't supposed to win, but Americans were fed up after eight years of the radical leftist and communist agendas of Barack Hussein Obama and the globalists that pull his strings.

Kamala Wants You to Pay Tax on “Unrealized Capital Gains.”

How will people afford to pay these annual taxes so they can keep the homes they worked so hard for all their lives – and were responsible enough to pay off? The short answer is, they won't. “You'll own nothing and be happy.” Get it now? The chickens are coming home to roost, perhaps much sooner than anyone realizes.

No Happy Ending

Americans just want to be left alone. We want to be able to go about our daily lives, raise our families in peace, pay our bills and not be crushed to death by sadistic tax burdens. We want to raise our kids ourselves, not have their health, their hearts, minds and souls stolen by Big Brother. We don't want to be forced to agree that 2 plus 2 equals five or that evil is good and good is evil.

The Eve Of Destruction

As I write this message, I feel obligated to put a “time stamp” on it because things are happening so quickly now. So, for your reference, this is being written in early October, 2024. The presidential election is just a little more than a month away now. By the time you read or hear this, it will be less than a month away.

Absolutely Unsustainable

I’m sick to death of hearing the word, because nothing the government does is “sustainable.” And our so-called “representatives” in Congress exempt themselves from every insane new rule they mandate for the rest of us. In a recent TV ad from Amazon.com, they used the word “sustainable” or “sustainability” eight times in thirty seconds. Give me a break.

Why America Is Lost?

It’s really too bad that I need to take time out of my very busy schedule to address today’s topic. I’ve been publishing Wisconsin Christian News for 25 years now, so I know that what I’m about to share with you is par for the course and to be expected, but it still bothers me a lot. Even though I know this is just another attempt of Satan to get under my skin and weigh me down with discouragement, I can’t seem to just let it

go.

Do People Ever Consider Their Spiritual Eternal Destiny?

Many who consider themselves “spiritual” will revere “ancient” books of wisdom of all kinds, yet despise and dismiss the most ancient of Books, the most reliable of Books, the most sacred and Holy of Books, with the most truth of any Book ever written. Open God’s Word. Study it. It’s the history of the world, it’s the future of all life, and it contains the key to the Kingdom of God.

The Woke Mind Virus

How far we’ve fallen here in America. This isn’t the nation I grew up in anymore. Those infected with the “woke mind virus” will call this “progress.” It’s not. Today, we have a nation of lawlessness and insanity, the by-products of men and women being lovers of themselves, and haters of God.

The Left Is Energizing Their Base

What we do, as Christians, makes a difference, whether we want to accept that responsibility or not. Perhaps more importantly, what we fail to do, as Christians, has a profound impact in the nation and world we live in – and the nation and world our children and grandchildren will inherit from our watch.

We Can't Do It Without You

Wisconsin Christian News is now in it's 25th year of publication. Prior to starting the newspaper, I owned and operated a photography studio in my hometown, which I started from scratch. We built up a great business there, with over 300 regular clients.

That's What Christians Do Now

God's "Church" is meant to be a restraining force against evil, darkness and wickedness in this world. God gives His Holy Spirit and the very power of God that raised Christ from the dead lives within those who are truly, soundly saved. I have to wonder how many are truly, soundly saved in our American churches today – and how many think they are, because they've been deceived by cowardly false teachers...

If I'd Known Then What I Know Now

And the official nation-wide hospital protocol – and the ONLY drug allowed for use in American hospitals for COVID – was Remdesivir. I didn't learn of this until two years after Bob died, when multiple doctors and scientists came out and blew the whistle on it. Remdesivir, they said, was actually a bio-weapon. It had been tested in Africa, but so many people died during the tests, that testing was halted.

Well, That Was Fast

In my message from last week, titled "So Predictable," I predicted that although Joe Biden repeatedly vowed, he would never drop out of the presidential race, that he definitely would, eventually. And almost immediately after my message was published or broadcast by all the media outlets that carry it, he did. I knew it was coming, but I didn't expect it to happen as quickly as it did.

So Predictable What Americans Want

I didn't watch the presidential debate in June. I knew it was just another act in this macabre theater play that the government and media wants us to believe is real. By now, I would hope that most Americans understand that nothing they show us is real. Unfortunately, that's not the case. Most still believe what they're told by the mainstream press, and what is put forth by politicians, political parties, special interest groups and social media.

Ominous Signs In a Godless Nation

Satan, the dragon, the serpent, is raging. Meanwhile, our pastors are silent, like dumb dogs, and rarely, if ever, train their people for the any type of significant kingdom work. But God gave us His Word. We must use it to educate, train, prepare and equip ourselves and one another for this work and work as hard as we can, while we still can.

Get Out Of the 'Lift Chair!'

Friends, no matter what age you may be, if you are a true Christ-follower, understand that if Jesus is truly your Lord,

then He has called you, and you have work to do for His kingdom. You're not too old. You're not without value. On the contrary, you have tremendous value and more to offer than you realize. Your work on this earth is not, by any means, finished – as long as you're still breathing air.

There's No Excuse For Being Clueless

Given the work that I do, it grieves me to see so many professing Christians who are so ignorant of the days and times we're living in. Most don't know and don't want to know what's really going on in this world – or how Christ-followers are to respond to it all. Truly, those who are not Christians, or are “nominal Christians” at best, are much more well informed than those who claim to be “devout.”

We Can't Do the Work For You

Well, it's better late than never, I suppose. After nearly 60 years of allowing the homosexual agenda to move forward, claiming they just wanted “equal rights,” claiming this was a legitimate civil rights issue, people are just now starting to wake up to what's really happening, and I've been getting phone calls, emails and letters from people who are outraged and panicked.

Yearning For the Good Old COVID Years

Interesting that this is coming now...just in time for the most significant presidential election of our lifetimes. Just in time for them to release "Disease X" or whatever other depopulation protocol they're brewing up. Just in time for the next American civil war. Just in time for the coming mayhem and attacks by those who've invaded all Western nations. Just in time for World War 3.

Net Zero: The Plan Put Forth by the Globalist Tyrants

As for "Net Zero," that's the whole extent of what we, as human beings will get out of this demonic plan of the Globalists for the depopulation and tyrannical control of mankind. Through taxation, regulations, restrictions and shady backroom deals involving dirty money, they will net trillions.... while we net ZERO.

The War To End All Wars

There will be no doubt when World War 3 goes hot. It truly will be the “War to end all wars.” Friends, those of you who will, be in prayer for this nation. Be in prayer for those you love. I believe God will protect and provide for those who are truly His, but none of us will escape persecution. I urge you to draw close to God today, and bring as many souls with you as you can. Our time is growing short, and we have but one Savior.

Lighting A Candle

Friends, as goes the church, so goes the family. Sadly, our churches have failed to build solid God-honoring families. But also, as goes the family, so goes the nation. And we can all easily see how desperately our nation needs strong families again – free of the shackles of mindless TikTok videos and gaming and soul-sucking electronic “entertainment” and social media.

God's Lifeboat Is More Than Half Empty

Throughout the Bible are accounts of proud men who refused to humble themselves and acknowledge God, who built monuments to themselves and their achievements, trusting in their own

abilities, possessions and self-efforts, rather than acknowledging the Lord. All inevitably came to a tragic end.

Kneeling Before Tyrants

On June 4th of 1963, President John F. Kennedy signed Executive Order 11110, which returned to the US Government the power to issue currency and did away with the so-called "Federal Reserve System." Kennedy was killed on November 22 of that year, just five months later, and on that same day, Lyndon Johnson rescinded that order...keeping Americans enslaved to the Rothschild banking system, and ensuring the eventual bankruptcy of our nation.

It Needs To Stop

It Needs To Stop

Rob Pue

Good is now called "evil" and evil is now called "good" and there can be no discussion or debate. That's not allowed. Truth is censored and scrubbed from public view. News of Government-orchestrated disasters is put through the "spin cycle" of the mainstream media and then dispatched down the "memory hole" as if it never happened.

There's No Excuse For Being Clueless

Given the work that I do, it grieves me to see so many professing Christians who are so ignorant of the days and times we're living in. Most don't know and don't want to know what's really going on in this world – or how Christ-followers are to respond to it all.

It's Our Turn Now

Friends, I'm afraid the “professional” Christians, the pastors and religious leaders have become a lost cause now. And thus, the point of this message. It's our turn now. It's time for the least of us, it's time for God's remnant people, His chosen ones, those who are true humble servants, saved by grace, to step up and take their position as courageous shepherds.

We Won't Back Down

But the miracle took place on their way home, which is what she wrote to tell me about. The six-hour drive home was completely different from the drive there. Instead of the kids immersed in their phones and tablets, the family talked together in a way they had never done before. In fact, they talked all the way home.

Obama's Third Term – Going For Four

The United States of America has become the laughingstock of the world, with Joe Biden playing the role of our “president” in this macabre stage production put on by the Luciferian Globalists. Indeed, one foreign news agency recently ran a headline referring to Biden as “President Mumblebub.”

Globalist Babylon Is Coming

So many in our land have fallen for great deception. But as I stated, God always warns His people. He always makes a way of escape before He pronounces judgment and destruction. I pray that many will open their eyes today, awake from their stupor and turn back to God. Open that dusty Bible, get on your knees and pray and seek His face and turn from your wicked ways.

Our Man-Made Pandemic Of Anxiety

I've come to understand that anxiety and worry is the by-

product of a spirit of pride and self-sufficiency. The truth is, we can't help or save ourselves. Apart from God, we can do nothing. (John 15:4-5). When we become hard hearted and believe we can control and do things in our own power, it's no wonder we worry and become anxious.

Babylon the Great Is Fallen

I have good news, and bad news. First the good news, from Psalm 33: "Blessed is the nation whose God is the LORD." Now the bad news: God is not pleased with the United States of America. Almighty God is no longer Lord of our nation.

Honoring Our Husbands and Wives

Today, we live in a world of confusion and delusion, like I never could have dreamed we'd see in my lifetime. Or ever, for that matter. The "goats" on the Left have done their job well, putting forth lies and deception, so much so, that if it were possible, even the "elect" would be deceived.

2023 Year In Review

The Minnesota legislature announced their first order of business would be to enshrine a “right” to completely unrestricted abortion up to the time of birth in that state. Governor Tim Walz signed the bill into law on January 31st, making Minnesota the first state to formally “legalize” such atrocities.

Bearing One Another's Burdens

This world is a dark, often lonely place. People need the Lord desperately, and I pray those who don't yet know Him will find Him while there's still time...but people also need one another, and as Christ's own children, if we don't minister to our own brothers and sisters and help lift the weight of the burdens they're bearing off their shoulders, even just a little bit, even just for a time, then who is going to?

Thank God for Jesus

Yes, I'm sad for the children of today, growing up without Jesus, or growing up with a “fake Jesus” as taught to them by so-called “progressive churches.” We've lost our reverence for God, our awe for His Son and we've become so intimidated by a spirit of political correctness that we've trashed not only our own history and heritage but even our once-deeply-held Christian faith.

Count Your Blessings

When the enemy of our souls has you discouraged and depressed – again, simply begin to count your blessings and name them, one by one. Thank the Lord for all He's given you, and then with a grateful heart for the privilege of serving your King, pick yourself up, dust yourself off and get back to work.

All the World's A Stage

Over the past three or four years, the “acts” in this macabre theater production have sped up exponentially, to where we now find ourselves moving from one horrendous, tragic event to another on a daily basis. It's a race toward Agenda 2030 – now, I'm told, moved up to Agenda 2025 – with a goal of absolute, total control over all humanity by tyrants we can't see; are never allowed to see.

What Should Christians Be Doing?

The big news today is the war in Israel, the middle East, Ukraine, and Russia. We have foreign armies on American soil, just waiting for their call to arms when they will attack in

full force. Christians are being persecuted and prosecuted. Lies flow out of the mainstream media 24/7 as they broadcast deceptions and delusions. Madness and fear are thriving in the atmosphere.

This Is Your Brain On Drugs – Any Questions?

As I go about my business around town and to various parts of the state and the country, everything looks so very different from the America I knew as a kid and young adult. Everywhere I go, people look weird. Girls in their early 20s with bright pink, green, purple or blue hair, have half their heads shaved, or their bangs cut straight across in a “bowl” cut that would have been embarrassingly ugly for even boys to have to wear when I was a kid.

Non-Stop World-Wide Chaos

I fear too. For my children and grandchildren. So precious. I'm sure there are many parents and grandparents around the world, in war-torn countries, who feel the same. So friends, don't think it can't happen here. It's already here. All it's going to take is for the signal to go out on all those free cell phones the illegals have been given and then we'll be living a real-life “Red Dawn.”

I Smell a Great Reset Coming

I smell a “Great Reset” coming – America’s been bankrupt for a long time, so Central Bank Digital Currencies will be necessary, resetting our entire economy, and moreover, our entire way of life. When that happens, the last of our few remaining freedoms will be stolen from us once and for all, and we will truly, as Klaus Schwab has told us, own nothing.

Knowledge of the Truth is Essential

Those on the Left seem to be so concerned about the welfare of children, that they’re willing to pump opposite-sex hormones into 12-year-old girls and expose preschoolers to filthy pornography. Yet they turn a blind eye to the epidemic of missing children. On September 26, it was reported that in Cleveland, Ohio fifty children have mysteriously gone missing in one month alone – and over a thousand are missing from that one city alone, this year alone.

Either You're Serious, Or You're Not

Then they spend 40 hours a week in the public schools, where all the "fairy tale" stories they've heard in Childrens' Church are dispelled as nonsense and superstition and what little they heard about God is replaced with things like evolution, sex education, "social justice" and atheism.

Prepare For the Coming Storm

And we know the wiles of the enemy, the Globalists, bent on our destruction. We've already been named as the most dangerous threat to America. A prudent Christ-follower would prepare for the storm before it hits and overtakes us. Jesus told us to be ready. Let us not be "ensnared" like the rest of the world.

Out Of the Seats and Into the Streets

That's how you get "out of the seats and into the streets." Just DO SOMETHING! For far too long we've been brainwashed into believing we can just go vote Republican, and let them take care of everything. For too long, we've been brainwashed into believing we can just drop our kids off at youth group,

and let them raise our children to be proper Christians...because we're too lazy to get out of the seats.

Lahaina HI: officer responded, "I'm just following orders."

One man, who escaped on foot, begged the police officers to let people out, but officers responded, "I'm just following orders." As the man continued on, he began to hear loud explosions and then people screaming, as they perished in the inferno. Despite no warning sirens, no help from firefighters and the water being turned off, they could have escaped certain death, but police were ordered to barricade them in.

The Rainbow Flag Conquered America Right Under the Noses of the Sleeping Churches

The sodomite demon has conquered America, and the dumb, sleeping churches, led by hireling, cowardly "pastors" have let it happen, for the love of popularity and money – the root of all evil. The Rainbow Flag is a symbol of conquest, and it's everywhere you look now, especially wherever children may be found.

Build Back Better

Meanwhile, banks are failing, businesses are shutting down, joblessness is rampant, the homeless population has exploded nationwide with people living on the streets or in “tent cities.” The US dollar is collapsing. Violent crime is rising, even in small towns. Cities have become no-go zones, with their streets littered with human feces and drug needles. This is where we’re at, folks.

Count It All Joy

I pray that God’s will is done on earth as it is in heaven. He accomplishes His will through people – but the souls of His children must be tested, our characters cleansed and it’s through hardship and persecution that we grow closer to Him in sanctification.

Closer to God Through Prayer & Works

We live in troubled times. Things have changed. Satan, his demons and his minions among humanity have fundamentally transformed our world into a hideous thing that our

forefathers wouldn't recognize. Troubled times, indeed. Perilous times have come.

Praise God With Reverence and Awe

Things have changed rapidly over the past couple of years and those who serve as watchmen have been sounding the warning to "repent!" "Seek God." "Choose who you will serve and if it be God, then get serious about your service to Him and the commission He's called you to." But few have listened.

The Root Of the Fruit

Even in small towns, but in larger cities, companies are closing their doors because of unbridled shoplifting, which is now allowed by law enforcement. And "Thou shalt not lie?" Everything we hear from the government, mainstream media, Big Pharma and the industrial medical complex is a lie. "Bearing false witness?" Look at the double standards between those innocent individuals rotting in the J6 Gulags and the Biden crime family.

We Need More Courageous Godly Men With A Backbone

If our nation and world is going to see any salvation, it's only going to come by the hearts of men repenting of their worldliness and seeking the higher things – the things of God and the Holy Spirit. Turn aside from all the silly, vain, useless enticements of this world, and pursue God. He's your father, and He will lovingly embrace you when you seek Him

'Our Reasonable Service is Not Comfort'

Today's message may not be very popular. But it is time to call things like they are. First, a disclaimer, what I am about to say does not apply to EVERY pastor and EVERY church. But I believe any thinking person must agree that it most certainly DOES APPLY to MOST. Yes, the VAST MAJORITY, ... of pastors and churches... and professing Christians.

Optics, Visions and Dreams

Let me finish with this: when I was about 16 years old, I had a series of dreams for about two weeks in a row. The dreams were not all exactly alike, but all were similar. The one consistent element of those dreams were the sight of Chinese

tanks rolling down the main street of the small town I grew up in. Maybe those were just dreams. Maybe they meant nothing.

Show Them What A Natural Family Is

What was once considered hard core pornography is now being welcomed into our public schools. Even some of our so-called “Christian” schools, under the banner of “diversity, equity and inclusion.” Like our education system, our public library system is also beyond saving now, having gone “woke” under the leadership of a lesbian activist president of the American Library Association.

Manufacturing Mental Illness

I’ve described before my experiences doing street ministry at one of the country’s largest “pride” parades, with a half-million people in attendance. I can tell you that mental illness and the worst perversion you can imagine reigns supreme at these events.

‘Casting Down Imaginations’

We are seeing a lot of this lately. In fact, I believe we are nearing the close of time, the last days, and people are choosing now to seal their fate, and pick their eternal destinies.

‘Imagine’

Friends, if you are confused today, if you have believed in your heart the things the world has presented as beautiful and lovely, only to find they are an illusion, thank the Lord for your confusion! It is the first step toward looking now at the real, honest truth of God.

Young People: When Would You Want to Know?

I hate what our culture has done to our young people. We’ve allowed them to be brainwashed with lies, including the lie that the best they can hope for in this life is to indulge all their carnal, hedonistic desires with an attitude of “entitlement.” No limits, no rules, no right, no wrong.

The Legacy We Leave Behind

So how will we be remembered? Are we doing our best to make the world a better place for us having been here? Are we putting God first in our lives, being good examples, role models, and providers for those whose lives the Lord has entrusted us to care for and nurture? Are we influencing the world around us, leading the lost and lonely back to God?

America's Economic and Spiritual Woes

Let me tell you about an incident I experienced recently that got me thinking about the entitlement mentality of Americans today. I was in a convenience store, waiting in line. Ahead of me, at the counter, was a young couple, who may or may not have been married.

"Come Out of Her (The Apostate Churches) My People"

I shouldn't be, but I'm still amazed at the number of professing Christians who have never heard some of the things I'll share with you today. Honestly, they have no clue and if Christians are so ignorant of the most important issues of the day, imagine how uninformed the "average Joe" on the street

is.

The Great Pushback Conference

The vast majority of pastors will never speak a word on any of these matters. They preach “cowardly Christianity.” This is courageous Christianity – learning to use the power, love and sound minds God’s given us to accomplish His good work, while we still can.

Because ‘Good’ Men Continue to Do Nothing

This is what happens when a nation turns aside from Almighty God. God has simply given us what we’ve begged for: no more God. So this is our nation, without His hand of protection. The wicked rule, the people mourn, yet still cling to their sin.

Not Aliens, Demons

Recently, I had a lady call me from the East Coast. She’s one of the readers of our Wisconsin Christian News newspaper. She was alarmed at having seen a triangular UFO the night before.

Prior to calling me, she called another alternative media researcher, who told her that these things have been in US airspace for weeks...

The Pandemic of Doubting God

Satan and his minions can only do what God allows. His will WILL be done here on earth as it is in heaven – with or without us. My final bit of advice is, focus on that. And more than that, put your own personal needs and comforts aside and become one of His remnant faithful believers, pushing back against the lies, deception and tyranny of the enemy, and do your utmost to see that God's will IS done on earth.

The Great Pushback Conference

Yes, the Lord's will WILL be done on earth, as it is in heaven. And I do believe terrible times will come, just as the Bible tells us. Don't you want to be equipped and ready? Many have asked, "What can we DO?" Come to our Conference, and find out.

We Are Without Excuse

I really can't understand how people can live without God. Our American culture has grown increasingly Godless, and as people no longer have a relationship with their Creator, as they once did in this country, our nation is becoming more violent, more perverse, and more evil and wicked.

2022 Year in Review

There were a great many more very important things that happened in 2022, but space doesn't allow to remind you of them all here. Suffice to say, America and the World is on a "woke," downward spiral toward a totalitarian One World Government Beast System. There is no political solution.

Wake Up, Strengthen the Things That Remain

So stop wasting time. Occupy until He returns. Refuse to accept any falsehood, any lie, and call out the lies and wickedness – stop ignoring it for fear of being called names. For goodness' sake, how weak is your faith? How wimpy are you? Stand up for God's Word and truth. Do your job, Christian, or else stop calling yourself one, because that's just using the Lord's name in vain.

Not As Smart As We Think We Are

I have no doubt that God's Word gives us all the information we need to know, and nothing is hidden from us that we, as Christ followers, must understand. But the Bible is also filled with information that is not YET for us all to understand. This is especially true when it comes to Bible prophecy.

Unbelievable

And the Climate Change Cult is still at work around the world. The Dutch government is planning to seize and close 3,000 farms in order to comply with EU environmental rules. The government will conduct a "compulsory purchase" of these farms as part of a voluntary, one-time offer. If farmers refuse the offer, their land will be seized and farmers will receive nothing.

The Deception Of the

Sorcerers

Some alarming information has come my way recently, and once again, it's regarding our young people. According to the Pew Research Center, 57% of "Generation Z" are now taking prescription medication for "serious mental illness." "Gen Z" includes those born between 1997 and 2012, now ages 10 – 25.

What Are You Worried About?

Yes, our actions do create consequences that we must deal with. Many now, are dealing with health concerns – some potentially life-threatening. Many have been forever injured or already killed by the COVID jabs – whether they were coerced into taking them against their will or they did so willingly. Either way, the warnings I, and many others, shouted from the rooftops all along went unheeded and ignored...

Were You Expecting a "Red Wave" With the Same, Easily Manipulated Electronic Voting Machines?

Were you expecting a "Red Wave" on November 8th? Why would you think that? Did you forget about the presidential

election of 2020? We were still using the same, easily manipulated electronic voting machines.

Which Would You Rather Have?

Is this really what we want for the future of our children and grandchildren? The future of our country? Compare what you see in these seeds of the satanic agenda with those who stand for God, righteousness and justice. Which would you rather have for the future of our country?

Save the Children

Earlier this year, major life insurance companies were sounding the alarm that death rates had risen to a 200-year high, starting immediately after the jabs were rolled out, meaning that some died within hours or days of receiving their first dose of the shot. For others, it took months for death to occur.

What Are You Holding On To?

So refuse to allow any falsehoods or lies – about any topic – to go unchallenged. Stand up for righteousness and justice, in whatever venue it's needed... get involved in your school

board, your library board, your city counsel, and wherever public policy is made.

This Is Our Time

I understand that all generations, as they get older, look back on the past and long for the “good old days.” Even though they probably weren’t all that great. If you look at the big picture, every generation has had it’s challenges to confront and overcome. Some fared better than others. My concern is that I don’t think Americans today are up to the task at hand.

Looming Doom on the Horizon

How do you think things are going so far with the “Build Back Better” plan of the Great Reset? Are you better off today than you were four years ago? Are you more optimistic about the USA and the world than you were four years ago? Or are you seeing looming doom on the horizon?

The Death of Personal Privacy

I have some questions about those cameras. For instance, who’s watching? Are these cameras monitored by someone? Are

they recording video footage, taking still photographs, or what? I tried doing some research to find out, but found no answers to these questions.

Stop Being a Victim

So young people, maybe you won't listen to your parents. But maybe – just maybe – you'll listen to me, a stranger. Now, I have no doubt that what I'm about to say is going to make you very angry. You'll be tempted to reject outright all the information I'm going to share with you. I hope you don't do that.

When the Credit Card Comes Due

How do we rescue ourselves from such despotism? The answer is, we don't. God can, and maybe He will, if we will sincerely repent of our national hedonism and apathy and the lukewarmness among professing Christians. But I believe we're too stiff-necked as a people to ever bow the knee to the Almighty...

Our Country, Apart From God

Meanwhile, Klaus Schwab of the World Economic Forum recently stated that people should not be allowed to own their own cars any longer – cars should be shared with others or “rotated” between groups of people – but people should not be allowed to own their own cars.

Seek the Old Paths

Just about every week, I’m contacted by folks who are desperately searching for a church body in their area to be a part of, with a pastor who is unafraid and unashamed of preaching the whole counsel of God, regardless of who it may offend. Unfortunately, I can offer little hope to them. Churches like this seem to have gone the way of the horse and buggy.

Some Call it The Highway to Hell

But it’s not just the young people and there was much more news this summer than I could mention here. Our country is being destroyed from the inside out, and this is all an insidious, purposeful plan. The “self destruct” button has been pressed and cannot be undone... not without a true spiritual revival of every man, woman and child.

The Summer of Rage

In this world we will have tribulation. But take heart. Jesus Christ, our Lord, has overcome the world. For now, we remain in a spiritual battle against the forces of darkness as we endure a “Summer of Rage.” Yes, the heathen are raging. But God’s about to unleash His rage as well. Undoubtedly this battle will cost many of us our lives.

‘Toxic Masculinity’ – The Lie

The Leftists have been incredibly successful over the past few years in pushing their crazy ideas. What was once UNTHINKABLE in America has now become the “norm.” Good has become “bad,” and BAD has become “good.” While most of these ideas are only accepted now by a small, but VOCAL minority, if things do not change, it won’t be long before this nonsense is embraced by an overwhelming majority.

We Are Proud of THIS?

It’s very much like the story of Sodom in Genesis, where the men of the city marched to Lot’s house and surrounded it, demanding they send out the two angels so they could have sex with them, and then attempted to break down the door.

Violence against Christians at these “pride parades” has ramped up substantially with the complicity of the local police.

A Great Time to Invest in Millstones

Today, we’re facing the highest prices for essential goods and services than ever before. Part of this is due to the purposely-orchestrated hyperinflation that’s begun – but we ain’t seen nothin’ yet, folks. If you think \$5 at the gas pump is tough, wait until you’re paying \$10, gas is rationed and people are trading their “carbon credits” just to be allowed the privilege of buying more.

It’s Not Easy Bein’ Green

Although I guess you could say there have been “earth worshipers” since just about the beginning of time, it was the civil unrest of the 1960s that spawned the radical environmental movement we’re dealing with today. It was an age of unbridled lust and hedonism, and the effects of communist infiltration into our public schools and college campuses was starting to pay off for a new generation of Leftists in America.

How Do You Sleep At Night?

Pastors have the very power of God Himself at their disposal, and nothing to fear, yet most continue to live according to the flesh – fearful, cowardly and unbelieving. And they're leading millions astray while the world burns. If only they had an ounce of courage.

Seven Things God Hates

God doesn't hate America, but He most certainly does hate what our nation has become, under cowardly "Christian" leadership, and ignorant, apathetic sheep – who are supposed to be the salt and light of this dark world.

We Were Warned. We Didn't Listen.

This is all part of the plan for a New World Order. Next up: the death of the US dollar and the "need" for a One-World digital currency, embedded under the skin. Those who refuse will be outcasts, or forced to live in captivity, if they're allowed to live at all. Regardless, the coming Great Reset and New World Order will have to be Communist in nature.

The Wilderness Experience

I think I was about 8 years old when I wrote my first “Bible commentary” for a school assignment. I received an “F” on that assignment, by the way, because the teacher said the subject matter was “inappropriate” for school.” When I was ten years old, I developed – seemingly out of nowhere – an interest in writing and publishing.

What A Small Price to Pay

If you do this, you can expect ridicule, mocking, disdain and in some cases, outright hatred from those who choose to remain in the world, practicing worthless religion. As Paul warned Timothy, “Everyone who wants to live a godly life in Christ Jesus will be persecuted.” Oftentimes, the worst persecution comes from religious people and false Christians; the love of God is not in them.

How To ‘Get Right’ With God

Unfortunately, many choose the path of least resistance. It’s not easy to be a Christ-follower. It’s a narrow gate that leads to life and Jesus said “FEW” will ever find it. But still, for the few, Christ came to earth as a perfect, holy

sacrifice for US. He was crucified, died and was buried. Satan thought he'd won the battle.

Don't Procrastinate: Get Right With God, Right Now

The end-game in all this is a digital, One-World currency. That should concern you. Because in order to achieve this, the US dollar must be crushed. Russia has already abandoned the US dollar – and other world currencies – as Putin is attempting to back the ruble with gold. India has also abandoned the dollar. Other nations will soon follow.

Nothing Hidden That Will Not Be Revealed

Biden has already stated we should be vigilant of a Russian cyber attack. And FEMA has published guidance as to what we should do in case of a nuclear explosion (go to our basements, wear our masks and practice social distancing while we're down there). Nothing is off the table for these lunatics.
