

Islam Has Conquered Minnesota

But this isn't Minnesota's first "rodeo." I should mention the "Feeding Our Future" scandal. "Feeding Our Future" was a Minnesota nonprofit, originally set up during COVID to help provide meals to children. But federal prosecutors determined that instead of feeding kids, the organization and a giant web of associates, fraudulently stole hundreds of millions of dollars.

The Prince Of the Power Of the Air

We're in the ultimate age of deception. Satan and his demons are going to and fro' on the earth, prowling around like a roaring lion, seeking whom he may devour. The spiritual battle is real and the "ruler of this world," the god of this age" is the father of lies. So be aware, and beware of the "prince of the power of the air, the spirit that now worketh in the children of disobedience."

Truth Never Changes

We live in an age of moral relativism, where anything goes and the so-called "truth" is always changing, as our carnal, lustful hearts grow ever darker. Today, there can be just as many "truths" as unrepentant sinners believe there are "ways

to God.” But the fact is, truth never changes. And neither does God or His Word.

Ticking Away the Seconds Toward Eternity

None of us know what 2026 will bring, but we know from Romans 13 that “now is our salvation nearer than when we first believed.” Beware of fake predictions, fake messiahs, fake prophets and fake news. Stick to God’s Word. And don’t just sit and wait for the “rapture.” Instead, in this new year, keep your lamps filled with oil and be about your Father’s business, working diligently for His Kingdom.

Foolish Disputes and Arguments

What would Jesus do? What did Jesus do? During His prayer time in the Garden prior to His arrest, He prayed to His Father for His disciples – and all believers. This is His prayer: “I pray not only for these, but also for those who believe in Me through their message. May they all be one, as You, Father, are in Me and I am in You. May they also be one in Us, so the world may believe You sent Me.

Foolish Disputes and Arguments

In the first century, after Jesus' life, death and resurrection, His followers were known as "The Way," before eventually being referred to as "Christians." The Way echoes the words of our Lord from John 14:6, "I am the way, the truth and the life."

Thank God for Jesus

I hope you do the same. And turn off your "devices" and hold your loved ones close. Hug them. Tell them you love them. Reverence God and teach your children what the truth really is. And in the new year, endeavor to make your lives count by being always in the service to the King of Kings.

Reaping What We've Ignored

Let's start in my own town here in Wisconsin. Last summer, two 41-year-old parents were finally charged with felony child neglect after years of reports, but no charges. Incidents at this home date back to 2017 when a 3-year-old child, with shoes on the wrong feet and clothes unsuitable for the

weather, was found wandering the streets late at night by a stranger who called police.

Gently, Humbly and Patiently

The bottom line, friends, is that we can be the salt and light we are required by God to be and we can and must educate and inform, but we do not have to insult. Simply speak the truth, expose the lies and provide the answers to the lost, suffering in turmoil at the devil's hands. But the key, as found in 2 Timothy, is to do it gently, humbly and patiently.

A Mission In Your Own Backyard

So, when you think of "missions" or "missionaries," don't just automatically think that's only someone who goes overseas and works in third world countries... "Making friends" in coffee shops, teaching English as a second language or building houses for those who have none.

Count Your Blessings

When the enemy of our souls has you discouraged and depressed – again, simply begin to count your blessings and name them, one by one. Thank the Lord for all He's given you, and then with a grateful heart for the privilege of serving your King, pick yourself up, dust yourself off and get back to work.

Socialism (AKA Communism) Has Come Out Of the Closet

The average lifespan of a nation? – 250 years. For America, that's just a few months away now. Americans need to wake up, start paying attention, educate others and identify and dismantle these threats to our once-cherished freedom. And it must begin with God's people doing more than just reciting 2nd Chronicles 7:14. And, we'd better start immediately, because the curses of Deuteronomy 28 are upon us.

A Mission In Your Own Backyard

I know many who support missionaries in foreign countries, overseas. I also know many who support the good work being done by ministries that stand up for the preborn, and work to turn people's hardened hearts from accepting abortion as "a

woman's choice" to becoming staunchly pro-life. And others who plead with women outside abortion centers, begging them to not kill their babies.

Truth Is Our Outreach To the Lost

We also feature hard-hitting commentaries from some of the best writers in the nation. Every page is filled with truthful news and vital information, from a biblical perspective. And yes, we also feature in-depth Bible studies. The information in our pages is current, relevant and addresses topics that all of us are impacted by in our daily lives.

Acknowledging 'Male Loneliness'

Loneliness has been linked to a wide range of negative health outcomes, including increased depression, heart disease and even early death. In researching this, I learned that one out of four men in the US feel lonely or isolated either all of most of the time, and that same 25% of men reported having no close friends at all.

It's No Better To Be 'Safe' Than Sorry'

No "politics." No "religion." That's the new proper etiquette we have now here in America. It's been going on for decades, but today, it's at a whole new level. Whether you're out with a group of colleagues from work or even attending a family meal or gathering, the "polite" rule is, "No politics, no religion" allowed for discussion.

Either You're Serious, Or You're Not

There are many troubled people, troubled marriages, dysfunctional families, broken homes, wayward children, grandparents in anguish because their grandchildren are growing up estranged from them and in Godless, secular homes. Friends, the only answer to all these things is humble repentance and turning once again – or for some, for the very first time – to God our Father and Creator, and Jesus His Son.

'Casting Down Imaginations'

We are seeing a lot of this lately. In fact, I believe we are nearing the close of time, the last days, and people are choosing now to seal their fate, and pick their eternal destinies. It is a scary thing, but know this: God has never condemned a single soul to hell who did not have ample opportunity to know Him and return to His loving arms.

January Is Coming

Yes, we must work, provide, protect and care for our loved ones. We must also be about our Father's business, obeying His commands, seeking and doing His will every day. But part of doing His will is taking time to appreciate all our blessings and thanking Him for every opportunity and every circumstance in each passing day. We're so blessed.

The Left Uses Violence to Get Their Way

Still, Pastors won't give wise, Godly counsel to troubled, confused people. They won't speak on any of these matters, and I know many who will vilify me for bringing these truths to light. Imagine if they had even an ounce of courage, to preach the whole counsel of God, regardless of the opinions of men. How different our society would be today.

Blue In the Face

Recently, I received an email from someone who reads my commentaries on one of the many online platforms that republishes my messages from Wisconsin Christian News and our radio broadcasts. This is someone who contacts me frequently, always starting out telling me how they enjoyed my message and agreed with most of it, but then spends another fifteen minutes telling me how I missed the mark.

The Strong Delusion of AI

There's no bottom to the depths of depravity to which mankind will go when they choose to live apart from God. We now mock the "Intelligent Design" of God's creation, yet find ourselves worshiping at the altar of Artificial Intelligence, choosing to believe the lie, while intentionally denying the truth. Truly, many now have been given over to depraved minds and strong delusion. God help us.

Trump is Right, We Live in

Democrat Controlled Hell Holes

A few examples: we must ask the government's permission now to collect rain water, plant a garden, go fishing, own a property, start a business, build a home or do any type of home improvement, own a dog, drive a car, get married, own a weapon, go hunting, hold a rally and even set up a lemonade stand.

An Attitude of Gratitude

There are so many sad, depressed and lonely people in our world today. They're not just pessimistic about the future, they're frightened of the present and overwhelmed with deep depression that they live with every day. For some, it's the loneliness from the loss of a loved one or a fractured family. For others, its fear of their financial situation or future.

Knowledge Increasing

I've read that in 1900, human knowledge doubled every 100 years. By the end of 1945, the rate had come down to every 25 years, and by 1982, our knowledge doubled every 13 months. I've also read that within the coming year, and through the use of Artificial Intelligence, which is rapidly expanding, human knowledge will double every twelve hours!

‘Rage and Vain Things’

There IS hope, but you MUST take this seriously now. TURN BACK, people! Remember God, and if we seek Him in true sorrowful repentance, He will hear from heaven and have mercy on us. He IS merciful and gracious and full of love for those who truly seek Him. But time is short. RIGHT NOW is your time of decision.

Seven Things God Hates

God doesn’t hate America, but He most certainly does hate what our nation has become, under cowardly “Christian” leadership, and ignorant, apathetic sheep – who are supposed to be the salt and light of this dark world. God does hate those things He calls “abominations” and they will be our ultimate demise, I have no doubt.

Not As Smart As We Think We Are

I have no doubt that God’s Word gives us all the information we need to know, and nothing is hidden from us that we, as Christ followers, must understand. But the Bible is also

filled with information that is not YET for us all to understand. This is especially true when it comes to Bible prophecy.

This Is Your Brain On Drugs – Any Questions?

And, a majority of the people I see now, especially younger people, are covered in tattoos. Many have their noses pierced, their faces and tongues pierced, and the style of clothing for young women today confuses me. It's as if they either want to show as much skin as possible, even in cold weather, or they dress like vagabonds, having obtained their wardrobe from a Goodwill dumpster.

Graveyards Filled With Tombstones, Waiting For Names

And all those who've profited from the deaths of millions overseas all these years will come to understand just what they have done. That's what I predict is coming to America, but don't live your lives in fear of what might happen. Instead, fear the Lord and seek His wisdom and be about your Father's business. While there's still time.

Fear Sells

Don't get me wrong, there's a lot of bad stuff going on. A lot of bad things happening in the world. And that "great and terrible Day of the Lord" certainly could come at any moment. But after a lifetime of watching fearful and abominable things come upon the earth and then disappear, only to be replaced by the next big "apocalyptic" event, I'm tired of it.

Noxious Weeds and Black Mold Took Over

No, this movement is not natural and hasn't come about by chance. It's been nurtured from a tiny crack in the moral fabric of our nation. Those who should have known better and should have done better ignored it, and now we have an uncontrolled infestation, an overgrowth of noxious weeds, a black mold enveloping the hearts, minds and souls of our young people, and it's time we grow a backbone, stand up

What's Up With the Post

Office?

But now, Amazon has developed their own delivery service. After being a big part of the reason our Postal Service is bankrupt, Amazon now has their own distribution and sorting facilities, their own trucks and delivery drivers, so they're using USPS much less than before and plan to phase it out completely.

Out Of The Abundance Of The Heart

As the world sinks deeper into darkness and depravity, chaos and confusion, some of those lost ones will soon be looking to US to find God. I believe the hunger and thirst for righteousness will increase in these last days, at least among SOME, and those of us who name the name of Christ need to be set apart, our lives shining examples of what COULD be for those who are lost and seeking. So let us represent our Savior and our Lord well.

Nothing In the World Like A Mother's Love

If you're blessed enough today to still have your Mom with you in this world, go give her a hug and let her know how much she

means to you. I can no longer do that, but my kids remember their grandma's sweet, loving embrace – that same love that my wife is now passing on to our children's children. Pray for your Mom, thank God for her. There truly is nothing in the world like a mother's love.

What A Friend We Have In Jesus

Also in the Old Testament, we have the Psalms, the Song of Solomon, and Ecclesiastes, all song-related books. In the New Testament, we read of Jesus and His disciples singing in Matthew 26, the apostles singing in Acts 16, the angels of heaven singing when Jesus was born, recorded in Luke 2, and more song lyrics in Revelation 5, 7 and 15.

Try It the God's Way

It's a spiritual battle we're in. Satan attacks children and families relentlessly, but to do that, he first must get a foot in the door by attacking husbands and wives in their marriages. One of his most effective tools is whispering in our ears that we "deserve better," that we are "entitled" to whatever we want, that we should come first. Jesus said the opposite.

Marriage & Family – Doing Life Right

Proverbs 18 tells us that “he who finds a wife finds a good thing and obtains favor from the Lord.” Proverbs 31 reminds us that our wives are more precious than jewels. Guys, don’t take your wife for granted. Instead, go out of your way to intentionally serve her on a regular basis. Be a gentleman. Protect her, provide for her, make her life easier and give her the security of the assurance of your love.

The Day Will Be Both Great and Terrible

Following repentance comes a lifetime of sanctification. And understand that you were saved to serve. To minister. To witness. You need to be more eager to lay down your life for the sake of Christ, if that should be required of you, than you are to simply spend your time on earth in comfort, luxury and ease while you await your heavenly “reward.” Because you may not get the “reward” you’re expecting.

God's Lifeboat Is More Than Half Empty

This month marks another anniversary of the sinking of the Titanic. For generations, this tragic story has captivated hearts and minds. The loss of the Titanic left a shaken world in disbelief and made people stop and think. I, personally, became deeply intrigued by the Titanic from the moment I learned of the story as a young child.

Beware the Taxman

Bottom line: if the average American citizen handled their money the way our federal government does, they'd be in prison. But it's even worse than that. Imagine if the average American citizen handled someone else's money the way our federal government handles our money. They'd be behind bars the rest of their lives. They'd never again see the light of day. But again: "Rules for thee, but not for me."

Revival & Reverence, Returning To God

But according to this study, American churches have lost 82% of their attendees since 1970. Of course, they've tried many things to retain their congregations, but today, the vast

majority of people are just not going to church anymore. Those that are, are often disappointed in their church or with their pastor...for numerous reasons.

Don't Let Your Weak Flesh Stop You

Worship of, and reverence for God is something all Christ-followers have in their hearts, something we certainly want to make a priority, but often times, life just gets in the way, unless we are intentional about our spiritual commitment. The spirit is willing, but the flesh is weak, and today, both the spirit and flesh easily grow weary.

Don't Let Your Weak Flesh Stop You

This is a once-in-a-lifetime opportunity, and that door of opportunity is open to you now...but now you must decide what you really want and need in your life. More of the same? Or something infinitely more deep and substantial? April 4 & 5 is coming up quickly. You owe it to yourself, your loved ones and God to commit to one weekend. Your spirit is willing. Don't let your weak flesh stop you.

Good Help Is Hard To Find and DEI Insanity

Delving deeper into this company, I learned that they're deeply committed to their DEI programs. Diversity, Equity and Inclusion...but clearly their workers don't know and don't care what they're doing. My experience with DEI was frustrating. In other occupations it can be deadly. I wouldn't want to fly an airline with a DEI-hire pilot. Or trust a surgery to a DEI-hire doctor.

Hard Work Is Good For You

Work is essential, not just for us to earn a living, but also for our own mental and spiritual wellbeing. The satisfaction of a job well done really can't compare to anything else. Our work, when we do it well, can bring us great happiness and joy – even the hardest of work. Through our work, we can transform useless things into useful ones. We can restore order out of chaos.

Revival & Reverence, Returning To God

But according to this study, American churches have lost 82% of their attendees since 1970. Of course, they've tried many things to retain their congregations, but today, the vast majority of people are just not going to church anymore. Those that are, are often disappointed in their church or with their pastor...for numerous reasons.

Cautiously Optimistic

For now, there's much work to be done, and we can't just sit back and leave it up to Trump to "fix it all." Those of us who claim the name of Christ must take this opportunity to "build back better," and by that, I mean courageously and boldly working to bring individual people, couples and families back to God and His perfect plan for mankind.

Was It Darkest Before the Dawn?

I'd like to think the nightmare of the past four years is over, but I have a feeling it's not going to be that easy. Case in point, the nest of snakes at the ceremony, made up of pure corruption and evil, embodied in the former presidents,

as well as the DC swamp creatures that appear to be impossible to remove.

Either You're Serious, Or You're Not

Even more heartbreaking for these parents is when their children don't even allow them to see or have a relationship with their precious grandchildren. Perhaps you can't relate to this because it sounds so very dysfunctional. Make no mistake: it is very dysfunctional, and not at all healthy, yet it's becoming more and more common every day.

No King But King Jesus

As I write this, Donald Trump is set to take office in less than a week. That's one job I definitely wouldn't want. Never, in the history of our nation, have we seen so much disaster, on so many levels and in every sector of society. I can't think of any incoming president in history that ever faced what Trump is facing going into this.

The Ultimate Pardon

Injustice has always been a part of life in this world, ever since the fall of man in the Garden, but in this nation, never so blatant and wicked as the injustice we've lived through these past four years. But God has seen it all, and He is not pleased. Those who have done evil in our land and have not repented will face His wrath – if not in this life, then surely in the next. Have no doubt.

You're Not "Giving Up" Anything

In my younger days, I couldn't imagine living in the year 2025. It sounded so futuristic. Still does. But here we all are...and still without the flying cars that Popular Mechanics promised were just around the corner back in 1969. In elementary school, our teacher once gave us an assignment to draw a picture of what the year 2000 would look like.

Appalachia Needs Help – This Is Real

Meanwhile, the mud that now covers everything is highly toxic, contaminated with "forever chemicals" that have been stirred into the mix from chemical plants and factories that were

destroyed. Some have called it “East Palestine, Ohio “times” a thousand.” Cadaver dogs, and horses used to reach those trapped in the mountains are dying from the poisonous mud.

God Gave America a Second Chance, Don’t Blow-it

Lastly, I do believe the next few months, and possibly years, will be times of violence, because the devil never sleeps, nor do his demons. Brush up on your spiritual warfare skills, because we’re now entering a time like no other. Watch, pray and take action.

Traitors, Haters and Demons

Friends, in the days ahead, understand that it is God who sets up and removes kings. As Christ-followers we have power, love and sound minds. Defend your family and neighbors, stand for righteousness, don’t let any untruth go unchallenged – but don’t let yourself get caught up into violent conflicts if there’s any way you can avoid it.

There's No Political Solution

In 2016, Donald Trump took the White House in a massive victory with his “Make America Great Again” campaign. Despite enormous popularity with his enormous rallies, he wasn’t supposed to win, but Americans were fed up after eight years of the radical leftist and communist agendas of Barack Hussein Obama and the globalists that pull his strings.

Kamala Wants You to Pay Tax on “Unrealized Capital Gains.”

How will people afford to pay these annual taxes so they can keep the homes they worked so hard for all their lives – and were responsible enough to pay off? The short answer is, they won’t. “You’ll own nothing and be happy.” Get it now? The chickens are coming home to roost, perhaps much sooner than anyone realizes.

No Happy Ending

Americans just want to be left alone. We want to be able to go about our daily lives, raise our families in peace, pay our bills and not be crushed to death by sadistic tax burdens. We want to raise our kids ourselves, not have their health, their

hearts, minds and souls stolen by Big Brother. We don't want to be forced to agree that 2 plus 2 equals five or that evil is good and good is evil.

The Eve Of Destruction

As I write this message, I feel obligated to put a "time stamp" on it because things are happening so quickly now. So, for your reference, this is being written in early October, 2024. The presidential election is just a little more than a month away now. By the time you read or hear this, it will be less than a month away.

Absolutely Unsustainable

I'm sick to death of hearing the word, because nothing the government does is "sustainable." And our so-called "representatives" in Congress exempt themselves from every insane new rule they mandate for the rest of us. In a recent TV ad from Amazon.com, they used the word "sustainable" or "sustainability" eight times in thirty seconds. Give me a break.

Why America Is Lost?

It's really too bad that I need to take time out of my very busy schedule to address today's topic. I've been publishing Wisconsin Christian News for 25 years now, so I know that what I'm about to share with you is par for the course and to be expected, but it still bothers me a lot. Even though I know this is just another attempt of Satan to get under my skin and weigh me down with discouragement, I can't seem to just let it go.

Do People Ever Consider Their Spiritual Eternal Destiny?

Many who consider themselves "spiritual" will revere "ancient" books of wisdom of all kinds, yet despise and dismiss the most ancient of Books, the most reliable of Books, the most sacred and Holy of Books, with the most truth of any Book ever written. Open God's Word. Study it. It's the history of the world, it's the future of all life, and it contains the key to the Kingdom of God.

The Woke Mind Virus

How far we've fallen here in America. This isn't the nation I grew up in anymore. Those infected with the "woke mind virus" will call this "progress." It's not. Today, we have a nation

of lawlessness and insanity, the by-products of men and women being lovers of themselves, and haters of God.

The Left Is Energizing Their Base

What we do, as Christians, makes a difference, whether we want to accept that responsibility or not. Perhaps more importantly, what we fail to do, as Christians, has a profound impact in the nation and world we live in – and the nation and world our children and grandchildren will inherit from our watch.

We Can't Do It Without You

Wisconsin Christian News is now in it's 25th year of publication. Prior to starting the newspaper, I owned and operated a photography studio in my hometown, which I started from scratch. We built up a great business there, with over 300 regular clients.

That's What Christians Do Now

God's "Church" is meant to be a restraining force against evil, darkness and wickedness in this world. God gives His Holy Spirit and the very power of God that raised Christ from the dead lives within those who are truly, soundly saved. I have to wonder how many are truly, soundly saved in our American churches today – and how many think they are, because they've been deceived by cowardly false teachers...

If I'd Known Then What I Know Now

And the official nation-wide hospital protocol – and the ONLY drug allowed for use in American hospitals for COVID – was Remdesivir. I didn't learn of this until two years after Bob died, when multiple doctors and scientists came out and blew the whistle on it. Remdesivir, they said, was actually a bio-weapon. It had been tested in Africa, but so many people died during the tests, that testing was halted.

Well, That Was Fast

In my message from last week, titled "So Predictable," I predicted that although Joe Biden repeatedly vowed, he would never drop out of the presidential race, that he definitely would, eventually. And almost immediately after my message

was published or broadcast by all the media outlets that carry it, he did. I knew it was coming, but I didn't expect it to happen as quickly as it did.

So Predictable What Americans Want

I didn't watch the presidential debate in June. I knew it was just another act in this macabre theater play that the government and media wants us to believe is real. By now, I would hope that most Americans understand that nothing they show us is real. Unfortunately, that's not the case. Most still believe what they're told by the mainstream press, and what is put forth by politicians, political parties, special interest groups and social media.

Ominous Signs In a Godless Nation

Satan, the dragon, the serpent, is raging. Meanwhile, our pastors are silent, like dumb dogs, and rarely, if ever, train their people for the any type of significant kingdom work. But God gave us His Word. We must use it to educate, train, prepare and equip ourselves and one another for this work and work as hard as we can, while we still can.

Get Out Of the ‘Lift Chair!’

Friends, no matter what age you may be, if you are a true Christ-follower, understand that if Jesus is truly your Lord, then He has called you, and you have work to do for His kingdom. You’re not too old. You’re not without value. On the contrary, you have tremendous value and more to offer than you realize. Your work on this earth is not, by any means, finished – as long as you’re still breathing air.

There’s No Excuse For Being Clueless

Given the work that I do, it grieves me to see so many professing Christians who are so ignorant of the days and times we’re living in. Most don’t know and don’t want to know what’s really going on in this world – or how Christ-followers are to respond to it all. Truly, those who are not Christians, or are “nominal Christians” at best, are much more well informed than those who claim to be “devout.”

We Can't Do the Work For You

Well, it's better late than never, I suppose. After nearly 60 years of allowing the homosexual agenda to move forward, claiming they just wanted "equal rights," claiming this was a legitimate civil rights issue, people are just now starting to wake up to what's really happening, and I've been getting phone calls, emails and letters from people who are outraged and panicked.

Yearning For the Good Old COVID Years

Interesting that this is coming now...just in time for the most significant presidential election of our lifetimes. Just in time for them to release "Disease X" or whatever other depopulation protocol they're brewing up. Just in time for the next American civil war. Just in time for the coming mayhem and attacks by those who've invaded all Western nations. Just in time for World War 3.

Net Zero: The Plan Put Forth by the Globalist Tyrants

As for "Net Zero," that's the whole extent of what we, as human beings will get out of this demonic plan of the

Globalists for the depopulation and tyrannical control of mankind. Through taxation, regulations, restrictions and shady backroom deals involving dirty money, they will net trillions.... while we net ZERO.

The War To End All Wars

There will be no doubt when World War 3 goes hot. It truly will be the “War to end all wars.” Friends, those of you who will, be in prayer for this nation. Be in prayer for those you love. I believe God will protect and provide for those who are truly His, but none of us will escape persecution. I urge you to draw close to God today, and bring as many souls with you as you can. Our time is growing short, and we have but one Savior.

Lighting A Candle

Friends, as goes the church, so goes the family. Sadly, our churches have failed to build solid God-honoring families. But also, as goes the family, so goes the nation. And we can all easily see how desperately our nation needs strong families again – free of the shackles of mindless TikTok videos and gaming and soul-sucking electronic “entertainment” and social media.

God's Lifeboat Is More Than Half Empty

Throughout the Bible are accounts of proud men who refused to humble themselves and acknowledge God, who built monuments to themselves and their achievements, trusting in their own abilities, possessions and self-efforts, rather than acknowledging the Lord. All inevitably came to a tragic end.

Kneeling Before Tyrants

On June 4th of 1963, President John F. Kennedy signed Executive Order 11110, which returned to the US Government the power to issue currency and did away with the so-called "Federal Reserve System." Kennedy was killed on November 22 of that year, just five months later, and on that same day, Lyndon Johnson rescinded that order...keeping Americans enslaved to the Rothschild banking system, and ensuring the eventual bankruptcy of our nation.

It Needs To Stop

It Needs To Stop

Rob Pue

Good is now called "evil" and evil is now called "good" and there can be no discussion or debate. That's not allowed. Truth is censored and scrubbed from public view. News of

Government-orchestrated disasters is put through the “spin cycle” of the mainstream media and then dispatched down the “memory hole” as if it never happened.

There's No Excuse For Being Clueless

Given the work that I do, it grieves me to see so many professing Christians who are so ignorant of the days and times we're living in. Most don't know and don't want to know what's really going on in this world – or how Christ-followers are to respond to it all.

It's Our Turn Now

Friends, I'm afraid the “professional” Christians, the pastors and religious leaders have become a lost cause now. And thus, the point of this message. It's our turn now. It's time for the least of us, it's time for God's remnant people, His chosen ones, those who are true humble servants, saved by grace, to step up and take their position as courageous shepherds.

We Won't Back Down

But the miracle took place on their way home, which is what she wrote to tell me about. The six-hour drive home was completely different from the drive there. Instead of the kids immersed in their phones and tablets, the family talked together in a way they had never done before. In fact, they talked all the way home.

Obama's Third Term – Going For Four

The United States of America has become the laughingstock of the world, with Joe Biden playing the role of our “president” in this macabre stage production put on by the Luciferian Globalists. Indeed, one foreign news agency recently ran a headline referring to Biden as “President Mumblebub.”

Globalist Babylon Is Coming

So many in our land have fallen for great deception. But as I stated, God always warns His people. He always makes a way of escape before He pronounces judgment and destruction. I pray that many will open their eyes today, awake from their stupor and turn back to God. Open that dusty Bible, get on your knees and pray and seek His face and turn from your wicked ways.

Our Man-Made Pandemic Of Anxiety

I've come to understand that anxiety and worry is the by-product of a spirit of pride and self-sufficiency. The truth is, we can't help or save ourselves. Apart from God, we can do nothing. (John 15:4-5). When we become hard hearted and believe we can control and do things in our own power, it's no wonder we worry and become anxious.

Babylon the Great Is Fallen

I have good news, and bad news. First the good news, from Psalm 33: "Blessed is the nation whose God is the LORD." Now the bad news: God is not pleased with the United States of America. Almighty God is no longer Lord of our nation.

Honoring Our Husbands and Wives

Today, we live in a world of confusion and delusion, like I never could have dreamed we'd see in my lifetime. Or ever, for that matter. The "goats" on the Left have done their job

well, putting forth lies and deception, so much so, that if it were possible, even the “elect” would be deceived.

2023 Year In Review

The Minnesota legislature announced their first order of business would be to enshrine a “right” to completely unrestricted abortion up to the time of birth in that state. Governor Tim Walz signed the bill into law on January 31st, making Minnesota the first state to formally “legalize” such atrocities.

Bearing One Another’s Burdens

This world is a dark, often lonely place. People need the Lord desperately, and I pray those who don’t yet know Him will find Him while there’s still time...but people also need one another, and as Christ’s own children, if we don’t minister to our own brothers and sisters and help lift the weight of the burdens they’re bearing off their shoulders, even just a little bit, even just for a time, then who is going to?

Thank God for Jesus

Yes, I'm sad for the children of today, growing up without Jesus, or growing up with a "fake Jesus" as taught to them by so-called "progressive churches." We've lost our reverence for God, our awe for His Son and we've become so intimidated by a spirit of political correctness that we've trashed not only our own history and heritage but even our once-deeply-held Christian faith.

Count Your Blessings

When the enemy of our souls has you discouraged and depressed – again, simply begin to count your blessings and name them, one by one. Thank the Lord for all He's given you, and then with a grateful heart for the privilege of serving your King, pick yourself up, dust yourself off and get back to work.

All the World's A Stage

Over the past three or four years, the "acts" in this macabre theater production have sped up exponentially, to where we now find ourselves moving from one horrendous, tragic event to another on a daily basis. It's a race toward Agenda 2030 – now, I'm told, moved up to Agenda 2025 – with a goal of absolute, total control over all humanity by tyrants we can't see; are never allowed to see.

What Should Christians Be Doing?

The big news today is the war in Israel, the middle East, Ukraine, and Russia. We have foreign armies on American soil, just waiting for their call to arms when they will attack in full force. Christians are being persecuted and prosecuted. Lies flow out of the mainstream media 24/7 as they broadcast deceptions and delusions. Madness and fear are thriving in the atmosphere.

This Is Your Brain On Drugs – Any Questions?

As I go about my business around town and to various parts of the state and the country, everything looks so very different from the America I knew as a kid and young adult. Everywhere I go, people look weird. Girls in their early 20s with bright pink, green, purple or blue hair, have half their heads shaved, or their bangs cut straight across in a “bowl” cut that would have been embarrassingly ugly for even boys to have to wear when I was a kid.

Non-Stop World-Wide Chaos

I fear too. For my children and grandchildren. So precious. I'm sure there are many parents and grandparents around the world, in war-torn countries, who feel the same. So friends, don't think it can't happen here. It's already here. All it's going to take is for the signal to go out on all those free cell phones the illegals have been given and then we'll be living a real-life "Red Dawn."

I Smell a Great Reset Coming

I smell a "Great Reset" coming – America's been bankrupt for a long time, so Central Bank Digital Currencies will be necessary, resetting our entire economy, and moreover, our entire way of life. When that happens, the last of our few remaining freedoms will be stolen from us once and for all, and we will truly, as Klaus Schwab has told us, own nothing.

Knowledge of the Truth is Essential

Those on the Left seem to be so concerned about the welfare of children, that they're willing to pump opposite-sex hormones into 12-year-old girls and expose preschoolers to filthy pornography. Yet they turn a blind eye to the epidemic of missing children. On September 26, it was reported that in

Cleveland, Ohio fifty children have mysteriously gone missing in one month alone – and over a thousand are missing from that one city alone, this year alone.

Either You're Serious, Or You're Not

Then they spend 40 hours a week in the public schools, where all the “fairy tale” stories they’ve heard in Childrens’ Church are dispelled as nonsense and superstition and what little they heard about God is replaced with things like evolution, sex education, “social justice” and atheism.

Prepare For the Coming Storm

And we know the wiles of the enemy, the Globalists, bent on our destruction. We’ve already been named as the most dangerous threat to America. A prudent Christ-follower would prepare for the storm before it hits and overtakes us. Jesus told us to be ready. Let us not be “ensnared” like the rest of the world.

Out Of the Seats and Into the Streets

That's how you get "out of the seats and into the streets." Just DO SOMETHING! For far too long we've been brainwashed into believing we can just go vote Republican, and let them take care of everything. For too long, we've been brainwashed into believing we can just drop our kids off at youth group, and let them raise our children to be proper Christians...because we're too lazy to get out of the seats.

Lahaina HI: officer responded, "I'm just following orders."

One man, who escaped on foot, begged the police officers to let people out, but officers responded, "I'm just following orders." As the man continued on, he began to hear loud explosions and then people screaming, as they perished in the inferno. Despite no warning sirens, no help from firefighters and the water being turned off, they could have escaped certain death, but police were ordered to barricade them in.

The Rainbow Flag Conquered America Right Under the Noses of the Sleeping Churches

The sodomite demon has conquered America, and the dumb, sleeping churches, led by hireling, cowardly “pastors” have let it happen, for the love of popularity and money – the root of all evil. The Rainbow Flag is a symbol of conquest, and it’s everywhere you look now, especially wherever children may be found.

Build Back Better

Meanwhile, banks are failing, businesses are shutting down, joblessness is rampant, the homeless population has exploded nationwide with people living on the streets or in “tent cities.” The US dollar is collapsing. Violent crime is rising, even in small towns. Cities have become no-go zones, with their streets littered with human feces and drug needles. This is where we’re at, folks.

Count It All Joy

I pray that God’s will is done on earth as it is in heaven. He accomplishes His will through people – but the souls of His children must be tested, our characters cleansed and it’s

through hardship and persecution that we grow closer to Him in sanctification.

Closer to God Through Prayer & Works

We live in troubled times. Things have changed. Satan, his demons and his minions among humanity have fundamentally transformed our world into a hideous thing that our forefathers wouldn't recognize. Troubled times, indeed. Perilous times have come.

Praise God With Reverence and Awe

Things have changed rapidly over the past couple of years and those who serve as watchmen have been sounding the warning to "repent!" "Seek God." "Choose who you will serve and if it be God, then get serious about your service to Him and the commission He's called you to." But few have listened.

The Root Of the Fruit

Even in small towns, but in larger cities, companies are closing their doors because of unbridled shoplifting, which is now allowed by law enforcement. And “Thou shalt not lie?” Everything we hear from the government, mainstream media, Big Pharma and the industrial medical complex is a lie. “Bearing false witness?” Look at the double standards between those innocent individuals rotting in the J6 Gulags and the Biden crime family.

We Need More Courageous Godly Men With A Backbone

If our nation and world is going to see any salvation, it's only going to come by the hearts of men repenting of their worldliness and seeking the higher things – the things of God and the Holy Spirit. Turn aside from all the silly, vain, useless enticements of this world, and pursue God. He's your father, and He will lovingly embrace you when you seek Him

‘Our Reasonable Service is Not Comfort’

Today's message may not be very popular. But it is time to call things like they are. First, a disclaimer, what I am

about to say does not apply to EVERY pastor and EVERY church. But I believe any thinking person must agree that it most certainly DOES APPLY to MOST. Yes, the VAST MAJORITY, ... of pastors and churches... and professing Christians.

Optics, Visions and Dreams

Let me finish with this: when I was about 16 years old, I had a series of dreams for about two weeks in a row. The dreams were not all exactly alike, but all were similar. The one consistent element of those dreams were the sight of Chinese tanks rolling down the main street of the small town I grew up in. Maybe those were just dreams. Maybe they meant nothing.

Show Them What A Natural Family Is

What was once considered hard core pornography is now being welcomed into our public schools. Even some of our so-called "Christian" schools, under the banner of "diversity, equity and inclusion." Like our education system, our public library system is also beyond saving now, having gone "woke" under the leadership of a lesbian activist president of the American Library Association.

Manufacturing Mental Illness

I've described before my experiences doing street ministry at one of the country's largest "pride" parades, with a half-million people in attendance. I can tell you that mental illness and the worst perversion you can imagine reigns supreme at these events.

'Casting Down Imaginations'

We are seeing a lot of this lately. In fact, I believe we are nearing the close of time, the last days, and people are choosing now to seal their fate, and pick their eternal destinies.

'Imagine'

Friends, if you are confused today, if you have believed in your heart the things the world has presented as beautiful and lovely, only to find they are an illusion, thank the Lord for your confusion! It is the first step toward looking now at the real, honest truth of God.

Young People: When Would You Want to Know?

I hate what our culture has done to our young people. We've allowed them to be brainwashed with lies, including the lie that the best they can hope for in this life is to indulge all their carnal, hedonistic desires with an attitude of "entitlement." No limits, no rules, no right, no wrong.

The Legacy We Leave Behind

So how will we be remembered? Are we doing our best to make the world a better place for us having been here? Are we putting God first in our lives, being good examples, role models, and providers for those whose lives the Lord has entrusted us to care for and nurture? Are we influencing the world around us, leading the lost and lonely back to God?

America's Economic and Spiritual Woes

Let me tell you about an incident I experienced recently that got me thinking about the entitlement mentality of Americans today. I was in a convenience store, waiting in line. Ahead of me, at the counter, was a young couple, who may or may not have been married.

“Come Out of Her (The Apostate Churches) My People”

I shouldn't be, but I'm still amazed at the number of professing Christians who have never heard some of the things I'll share with you today. Honestly, they have no clue and if Christians are so ignorant of the most important issues of the day, imagine how uninformed the “average Joe” on the street is.
