

The Animating Contest of Freedom

Are you willing to suit up for Freedom? Are you willing to risk it all in this noble cause? Are you willing to be called an “extremist” and do the revolutionary thing of defending Freedom? We don’t need a majority, but we need an active and vigilant core that appeals to Heaven, refuses to submit to slavery, and values dangerous Liberty more than tyrannical security.

Biden – Unfit for the Presidency

Joe Biden is perhaps the most unfit individual ever to run for the presidency in United States history. Not only are his principles taken from the socialist playbook, but his mental incompetency and physical unfitness are so glaring as to make him thoroughly unqualified for any office, let alone the highest office in the land.

Americanism vs. Communism

With all her flaws and internal spasms, America is still the greatest nation on earth. We are still the hope of the world. We are the only thing holding back the full tsunami of

communistic tyranny from sweeping over the globe. We have the potential to yet realize our forefathers' vision of America as a shining city on a hill – an asylum for Liberty.
