

# Authoritarian, Totalitarian, Tyrannical, Dictator – What's the Difference?

“Of all tyrannies a tyranny sincerely exercised for the good of its victim may be the most oppressive. It may be better to live under robber barons than under omnipotent moral busybodies. The robber baron’s cruelty may sometimes sleep, his cupidity may at some point be satiated, but those who torment us for our own good will torment us without end for they do so with the approval of their own conscience.” – C. S. Lewis

“[I]f the public are bound to yield obedience to laws to which they cannot give their approbation, they are slaves to those who make such laws and enforce them.” –Candidus in the Boston Gazette, 1772, Hillbilly Politics

We are allowing America to be dismantled before our eyes. Are we to do nothing? In the name of the greater good we have allowed the Authoritarian, Totalitarian, Tyrannical, Dictator, Globalists ... It doesn't matter what we call them, they are all the same... to abuse us and put America into deep debt which will take years to correct.

Authoritarian: Au•thor•i•tar•i•an

favoring or enforcing strict obedience to authority, especially that of the government, at the expense of personal

freedom: "the transition from an authoritarian to a democratic regime"

Totalitarianism: To•tal•i•tar•i•an•ism a system of government that is centralized and dictatorial and requires complete subservience to the state

Dictator: Dic•ta•tor

a ruler with total power over a country, typically one who has obtained control by force.

Tyranny arbitrary or unrestrained exercise of power; despotic abuse of authority.

the government or rule of a tyrant, dictator or absolute ruler.

Tyrant, King, Absolute Ruler, Dictator, Prime Minister, Globalist, I could go on and on but they are all the same. They are beyond evil and will stop at nothing to keep power. NOTHING. They think of themselves as ELITE. One of their biggest achievements is getting the people to sacrifice and restrict themselves or mutilate the children in order to prevent racism and save the planet. (Code for pay off politician donors.)

One day the people will realize that just like the ancient times days, they are sacrificing themselves and their children to the god and goddess of greed and pleasure. Our Republic based on democratic principals took the good from past forms of government, put them together and came up with the American experiment based on Judeo-Christian values. The experiment was that man is sovereign. Any personal property owned by that sovereign was his to own and control.

The Globalists take the evil from each government: Murder, Torture, Slavery.

Globalists are now are running drugs and people, it doesn't matter. They lie all the time. How stupid are we to allow

children to be sacrificed on the alter of WOKE? As long as the people die or become victimized Americans, globalists are happy. By going along with the insanity we are making it easy for them to destroy America.

Lets learn the truth and start making them prove their actions by asking questions like: Who, What, Where, When and Why. Make them prove their empty talking points. Be prepared. They have no answers so they will yell at you. Stay calm and answer with the truth. Ask questions like: What will the plants do without CO2? How will we eat if there are no plants?

In the name of climate change the Obiden EPA is now focused on making all appliances inefficient and more expensive. Ask them to prove how their change will stop climate change. Stop accepting their orders without proof. Our congress have give up their power to these abusive agencies who make up rules without basis. We must stop accepting them and their rules. Time to end the unconstitutional alphabet abusive agencies. Close the agencies and block grant the money to the states.

Remember: Everything is connected. Nothing is random, Everyone follows the same plan. ALL PLANS ARE BASED ON LIES. Globalists must control opposition, Bye Bongino, Carlson. Globalists must take away our voice. Don't let them.

Globalists only care about MONEY, POWER and CONTROL

Lets take away their money. Boycotts work.

Let's take away their power. Vet your candidates

Let's take away their control – GET YOUR KIDS OUT OF PUBLIC SCHOOL
