

Bilderbergers notorious for choosing our presidents, not this time!

Pompous Congressman Gohmert Requires Trump Apology

Representative [Louis Gohmert](#) recently appeared on O'Reilly's show on Fox News, and made the statement that he would not support Trump until he apologizes to Lyin' Ted Cruz. Can you believe this nonsense? He is obviously following the hubris of Paul Ryan. If anyone should be apologizing to the American people and Donald Trump, it is Ted Cruz, for all his underhanded and dirty shenanigans during the primary campaigns. I'm not going to list them again because they're all well known, but this arrogant self-aggrandizing ass, who is supposed to be the peoples' servant, actually was discussing his "conditions" for supporting Donald Trump. Add to this list the foul smelling MSM, the likes of crazy Glenn Beck, and all the heretical dominionists backing Cruz. Kiss my grits Gohmert!

I don't recall any "conditions" for supporting Willard Romney, John McCain, George W. Bush, or George Bush Sr., or any of the other globalists who were on the ticket prior to those mentioned. However, because Mr. Trump is not one of their NWO cabal buddies, there are "conditions" Mr. Trump must meet to get these rotten traitorous scalawags to support him. How I wish Trump could just tell them where to stick it! But of course, that would not be good politics.

Watch the video with Gohmert; it will make your blood boil, and there's more...Wait until you read what Bilderberger Bill

Kristol has to say about Trump.

They Want to Stop Trump

Back in March of 2016, top tech giants from Apple, Google, Napster and Facebook, along with GOP elites, including Karl Rove, Mitch McConnell, Paul Ryan, Ben Sasse and Kevin McCarthy, met at a Sea Island, a private barrier island off the coast of Georgia to plot how to stop Trump. [[Link](#)]

Phyllis Schlafly stated the following in a recent article by [the Gateway Pundit](#):

“In 1957, I discovered that a secret group of business leaders, political and elected officials, and media elite were meeting off the coast of Georgia. They flew into Georgia on private planes and had catered meals flown in from New York. That meeting was an annual gathering of a group calling itself DeBilderberg after the hotel in Europe at which the group first convened. The first account of that previously  unreported meeting appeared in my 1964 book, A Choice Not An Echo.

*The Bilderbergers, as they came to be known, were **globalists who sought to undermine the sovereignty of America** by deeper involving. Over the coming decades they served at the highest levels of government, business, and media. They were **the Kingmakers who sought to influence the nominees of both major parties**. In 2004, for example, the selection of John Edwards as the Democratic vice-presidential candidate was attributed by the New York Times to Edwards’ ‘performance at Bilderberg.’” [see p. 236 of 50th anniversary Choice Not an Echo].*

Well, nothing has changed. Phyllis Schlafly has been right about the Bilderbergers choosing our Presidents. Except, this time is different, and Mrs. Schlafly is backing the only hope to save America, Donald J. Trump.

❌ **Bill Kristol, National Review, and the Bilderbergers**

Bill Kristol is editor of the [Weekly Standard](#) with Fred Barnes. He is also a Fox News commentator. He is the son of Trotskyite, Irving Kristol.

Newsmax reported that [Bill Kristol tried to recruit a National Review staff writer](#), David French, to run against Mr. Trump. Kristol said he'd love to see Romney run, or former vice-presidential candidates Joe Lieberman or Paul Ryan, former cabinet officials Mitch Daniels or Condoleezza Rice, or former presidential candidates Marco Rubio or Jeb Bush, governors Nikki Haley or Susana Martinez. [Kristol even stated](#) he'd rather see Hillary win than Trump. Some conservative he is!

French has since [backed out](#) of Kristol's desire for him to run as a third party candidate.

Remember, National Review was founded by William F. Buckley, who was CFR, CIA agent, and Skull and Bonesman. They came out against Donald Trump months ago, with a list of [neo-con Trotskyite globalists as the signees](#), even including Thomas Sowell, and later, Ron Paul.

❌ However, a sharp reader, [Drudge Addict](#), smartly points out these same voices were the exact group who gathered together in an exclusive meeting with President Obama in 2009 to [sing his praises after the '08 election](#). The list included, George Will, Michael Barone, David Brooks, Charles Krauthammer, Bill Kristol, Lawrence Kudlow, National Review President Rich Lowry, and Peggy Noonan. So is it any wonder these people hate Trump when he is diametrically opposed to Obama's policies?

But what a lot of people don't know is that Bill Kristol is a long time member of the Bilderbergers, and [he attended their recent meeting](#). Of course, they're backing Hillary for the 2016 Presidential campaign.

Bilderberger Attendees

Bill Kristol rubs shoulders at the Bilderberger meetings with the likes of Diane Feinstein, George Soros, David Rockefeller (at 101, he was not present at the recent meeting), CFR President Richard Haass, Timothy Geithner, Robert Zoellick (who is employed at Goldman Sachs and was a contributing member in the drafting of the North American Union, as is Heidi Cruz), Bill Clinton, Henry Kissinger, Vin Weber and many more.

Up Next, the Convention

The Never Trump wing of the GOP is totally out of ideas concerning derailing the candidacy of Donald Trump. In the words of Mick Jagger, "You can't always get what you want."

Now they will try to derail Mr. Trump at the July RNC Convention. I do not believe they'll succeed there either, because Trump has the secret weapon of Paul Manafort.

Roger Stone and many other great people are working to help Mr. Trump Make America Great Again. That includes all of us at Newswithviews.com who are keeping Americans abreast of the latest shenanigans pulled by the globalists against Mr. Trump. Stay tuned!
