“This is a perversion and a molestation of the minds of the kids and it needs to stop... You have 7 days to have this removed or else we will have 50-100 people around the block protesting this store!”

On Saturday, after getting back from doing events in Arizona, we took the time to not merely complain about what it is that most tolerate in this country, but we actually took the time to lawfully confront things to set the record straight (Psalm 94:16).

Most already know that Adidas, Disney, Starbucks, Kohls and Target are pushing a state-backed, illegal agenda (Leviticus 18:22, 20:13; Psalm 94:20; Jude 1:7).

Everything about this criminal agenda is an abomination against both God and man and must not be put up with, but rather exposed for what it is (Ephesians 5:11).

The good news here is that enough people are saying and then acting upon their beliefs (James 2:14-26) in bringing this to a quick halt nationwide.
