

Breaking: Democrats Declare A New Holiday – ‘Impeachment Day’

☒ Greg Holt

If you thought (even for a moment) that you have seen it all, think again. You just can't fix stupid – but you can laugh at it.

Yesterday I wrote about the Democrats desperate impeachment attempt to cover their own crimes – crimes they of course have accused Trump of. [EXPOSED! Adam Schiff and the Dems Impeachment Circus a Desperate Attempt to Cover for the Bidens & Others REAL Crimes in Ukraine](#)

Then today along comes this *serious* news story:

What does one “conservative” blogger, and one utterly frivolous and stupid idea equal? I'm not sure, maybe you can tell me, or better yet, tell [Jennifer Rubin](#).

Mrs. Rubin, a *supposedly* conservative writer, decided that today, December 18th should be declared a holiday – “Impeachment Day.”

We should make Dec 18 a holiday (like Flag Day): Impeachment Day, in which we honor the heroes and read in every public square the articles of impeachment.

WOW.

Apparently Rubin had this tweet pinned at one point today, but after all the negative blowback, she pinned a different tweet.

Twitter reaction to this idiocy is priceless:

O.k. Doomer...Happy Impeachment Day. Tomorrow [@realDonaldTrump](#) will still be your president ☐☐☐

Yes, please do – let's read the articles of impeachment, shall we?

And then ask... why aren't there any criminal violations in them?

– Lyndsey Fifiield (@lyndseyfifiield) [December 18, 2019](#)

Democrats don't need criminal violations do they? Eye roll...

Is impeachment Trump's Christmas present from the Democrats?

Or...you can be a normal human being and just get some friends or a hobby.

Maybe you can find a career you're good at. It's never too late.

I can feel the burn from here...

And finally – this gem:

If we can't fix stupid, we may as well try to enjoy it.

Oh, and GO Trump!

According to [CBS News](#), a vote on the two articles of impeachment against Trump should happen in the House sometime tonight.
