The Celestial Magic Of A Campfire And Friends

To sit around a campfire with a stick while you poke the glowing embers before you, may be one of the most tangible of all visible mysteries of the universe. You stare into pulsing energy that feeds your soul. Warmth comforts your sense of belonging to the wilderness.

The First Woman President Will Be. . .

The first woman American president is inaugurated. She is a deeply patriotic woman of the people who got her start in government as a small-town mayor. She became governor of her state, where her approval rating exceeded 80%. She was nominated for vice president. In her first national campaign she demonstrated rare political acumen, even though her RINO handlers muzzled her message.

This Is Spiritual Warfare – Dress Appropriately

This is a battle of good versus evil. The devil would have Christians remain apathetic and ignorant of God and His Word, worshipping, instead, a “god” of our own imaginations in our “spectacular” church coffee bars and lounges – but doing very little else.

A Call For Boldness, Courage,

And Fearlessness

What we need today is a powerful move of the Holy Spirit upon us so that we go forth fearlessly and in boldness proclaim to this dying world that only Jesus saves. We have a great cloud of witnesses surrounding us that give testimony to the power of God to save.

Ben Carson-HUD Housing Only For American Citizen

Author’s New Book Examines The Spiritual Darkness That Is Destroying America And The Church

Much of the “Church” has little idea of what the Gospel is; let alone how to explain/teach it to someone else. The Church believes in a large amount of false doctrine, and ignores biblical precepts. Homosexuals and lesbians are welcomed as pastors; same-sex marriage is endorsed by many denominations today.

Can The Islamization of America Be Stopped?

The credit for the phrase “Islamization” should go to my friend, Pamela Gellar. Pamela has not only been active, but for the first time she came up with this word which correctly defines our state of affairs in America and elsewhere.

If You Don't Know Your Rights You Don't Have Any

We know that ignorance of the law is no excuse when someone engages in illegal activity, whether they meant to or not. Unfortunately, the government does not seek to recognize or protect your right if you do not know them.

The Southern Border Invasion

Is Endangering Americans

Americans who understand what is happening to our nation are growing tired of our ancestors being compared to the migrants of today. Settling in an undeveloped land and building a civilization is not comparable to invading a post-industrial nation and signing up for welfare.

FBI Visits Coach Dave Daubenmire, No Joke

I was visited by the FBI a couple of weeks ago. No joke. They actually showed up at my house to do a “threat assessment.” It seems that someone reported me to them. One of the agents began reviewing my daily show and they decided they needed to pay me a visit.

The Muslims Are Colonizing Under Your Noses – Putting Muslim Representatives Into Position Only To Attack!

Nothing Will Change Until The People Act

A million authors can write a zillion articles on what ails America. Well meaning patriots can hold thousands of conferences on freedom. Half the people in a country can talk and debate until they are blue in the face, but it won't change anything.

The Movie “Unplanned” Gives Insight To Dehumanizing Acts Like Sri Lanka

Prison, Anyone?

And it wasn't about the power of the media to shape/influence/determine public opinion. As I wrote in a former article, "Media Whores," people who have the conceit to call themselves journalists are really employees who take direct orders from their employers.

Did Muslims Start The Notre Dame Fire?

Muslims hate Christians and the Christian church. In France there is a huge population of Muslims who have virtually taken over the country, establishing "No Go" zones that are strictly for Muslims who are demanding that Sharia Law replace current laws. The way to accomplish that is to show 'who's the boss?'"

While The Media Is Diverting Your Attention To The Southern Border, So Far 13 States Have Been Handed Over To Illegals! This Is Treason!

The media continuously attempts to divert your attention to the southern border through the circus of politics. You know, where the left blames the right, and then the right blames the left, and in the end, the American people are stripped of their God-given rights.

The DNC Trojan Horse, Facebook (And Google And Twitter)

Most of the employees of the three major social media companies and their founders are products of our liberal colleges, not to mention being subjected to three generations of social Democrat indoctrinations in public schools and academia. That they lean left en masse should hardly be a shock.

Three Profound Secrets To A Happy Life

I read aloud this second secret to happiness daily. I engage the energy of London's wisdom for squeezing every second out of every day. That may mean contemplative thought and grateful moments versus quickening intensity. I understand that each moment of living constitutes a marvelous endowment.

Much Ado About Nothing

Anyway, I am very happy that Mr. Mueller and his minions

didn't find any evidence of collusion between Putin and Trump. Had it been found, now we would be frantically raising funds to pay sculptors to carve Putin's head on Mount Rushmore, honoring the guy who saved us from Hitlary.

20/20-Rebecca Schaeffer Murder Report Resonates With Columnist

Last evening the NBC program, 20/20 told the story of the murder of popular actress Rebecca Schaeffer by a deranged stalker/fan. At that time in 1989, this writer had a high profile public career and had several mental cases stalk me, trying to find where I lived with the intention of harming me.

Many Preachers Today Could Be Considered Great Pretenders

For the most part, ministers of early America were the real McCoy, when it came to the Gospel and insuring its great influence on society, no matter the risk. In recent decades, ministers have had a much smaller positive impact upon our republic.

The Tea Party Is Back

Society Of The Elect – The Movie

People don't read anymore, so perhaps the only way to catch their attention regarding the plan for a world government is with a movie. It could take several forms, such as a sequel to Julia Roberts and Denzel Washington in "The Pelican Brief," or Mel Gibson and Julia Roberts in "Conspiracy Theory," or MacGyver in "The Lost Treasure of Atlantis."

America: Stealth Jihad On Steroids

Psychologically, Islam has become part and parcel of our society and the American mind. In other words, Islam has managed to merge into Western culture as though it has always been here. Whose fault is that?

Replacing The Everyday American City With The 'Ideal Communist City'

Several years ago, I wrote a series of articles for NewsWithViews, explaining Sustainable Development. Today two of them are popping up regularly in the media. On the Liberal/Leftist Mantra: "Our Common Humanity"

Lettuce: \$2.98 A Head – No Inflation?

Before the flooding I was paying \$2.50 for a head of organic lettuce; a few days ago it bumped to \$2.98 a head. That's an increase of \$.48 for just one item in my cart. Even lettuce grown in Mexico was running nearly \$2.00 a head.
