

Academy Award a Dud – Time to Go Back to Hand Cranked Cameras!

The so-called Academy Awards Show tonight was the worst presentation ever shown on TV. First of it exhibited no excellence. There was no structure. It was like Amateur Night in Dixie. Indeed there was not one iota of professionalism spotlighting a skilled profession which should be trusted to be totally polished.

The Cancer Of Identity Politics

Every morning that by the grace of God I arise from my overnight slumber I give thanks to our Creator for another day of life. I am also thankful for being born in the United States of America. My wonderful Dad taught me at the age of eight how blessed we are to be sovereign United States citizens.

Is This Nation's Fait

Accompli An Acceptance of Our Destruction?

Tucker Carlson said, "Demographic change is the key to the Democratic party's political ambitions. Let's say that again for emphasis because it is the secret to the entire immigration debate. Demographic change is the key to the Democratic party's political initiative. In order to win and maintain power, Democrats plan to change the population of the country."

The Far Left Tool Kit

Fundamentally transforming America into a socialist hell-hole is a big job, even for confirmed fanatics and other bad guys. But they're doing it as fast as they can; and here are six of the most useful tools in their kit.

Without The Rightful Authority Freedom Will Vanish

Words have meaning. They are the vehicle through which every thought is communicated. For years, most Americans shared an understanding of a common language...based on common usage of words. Slowly and steadily the meanings morphed into confusion. Today, so many words no longer mean what they used

to mean, and most Americans still have not bridged the language barrier.

Trump's Miracle Vaccines Save Millions

Not only is the China virus real, but the Drug Enforcement Administration (DEA) confirms that "China remains a key source of supply for the precursor chemicals that Mexican cartels use to produce the large amounts of fentanyl they are smuggling into the United States."

To Stop Mob Violence You Must Crush It!

Every parent instinctively knows, or should know, that if a young child acts out, becomes violent, belligerent, or disrespectful, some form of discipline is in order. And the discipline has to be the kind that gets the message across. If no discipline is applied or if the discipline is not sufficient, the child will continue his or her behavior and that behavior will only get worse over time.

Manipulating Vaccine Recipients Numbers to Isolate The Non Vaccinated

This is the reason for the Saul Alinsky tactic that, once again, is being played out right before your eyes: "Cause the enemy to believe that there are more of us than there really is." It is to isolate you into believing that you are the only ones that are refusing to comply.

Gov. Abbott: Stop COVID-19 Vaccinations Now

If you are unfamiliar with my latest columns on this nightmare, please go to my archives. This time my letter isn't to the Health & Safety committees in our state legislature, but to my GOP governor, Greg Abbott. You need to do the same, just tailor my letter to your governor.

Chauvin Trial Verdict Was a Foregone Conclusion Even

Before the Trial Started

The autopsy that the prosecution referred to as conclusive evidence of Chauvin's guilt is anything but conclusive. The "facts" as stated by the various "experts" are far from even being in agreement as to cause of death. Dr. Andrew Baker, who is the chief medical examiner for Hennepin County gave conflicting testimony on what the cause of death was.

Officer Derek Chauvin, Human Sacrifice to Marxist Mobs

Jurors were terrified that BLM and Antifa Marxist mobs would come to their homes and splatter pig's blood on their doors or burn their homes to the ground or worse. Alternate juror, Lisa Christensen admitted same to reporters when she stated she didn't want to go through the rioting.

Multicultural America: Are We Becoming a Land of Strangers?

Is Biden purposely flooding America in order to displace us from our own country? Yesterday, my wife Sandi and I shopped at a Costco store in Denver, Colorado. It sounded and felt like shopping in different countries with so many languages being spoken and strange modes of dress.

An Unaware and Compliant Citizenry

In a previous article, I quoted from emails by Democrat strategist Bill Ivey to John Podesta and Podesta's subsequent strategy as Hillary Clinton's 2016 presidential campaign manager. The response by NewsWithViews readers was underwhelming, so I will try to explain the emails' importance.

State of Texas. Tailor to your state committees both house and senate.

Rep. Stephanie Klick, House Committee on Public Health Senate Committee on Health & Human Services P.O. Box 2910, Austin, Texas 78768

Sen. Lois W. Kolkhorst, P.O. Box 2910 P.O. Box 12068, Capitol

Cf: Rep. Jacey Jetton, Sen. Charles Perry, Rep. Tom Oliverson
and Sen. Dawn Buckingham

Dear Chairwoman Klick and Chairwoman Kolkhorst:

Since my last letter to your committees, April 6, 2021, number
of deaths following a COVID-19 *experimental* gene editing
technology shot has increased as predicted. "To get a
perspective on the magnitude of deaths following COVID shots
that are being reported to the CDC, there were only 3,445
deaths reported to the CDC following all vaccines from
1/1/2005 through 11/30/2020, the **15-year period** prior to the
FDA issuing emergency use authorizations for experimental
COVID injections in December of 2020." [Brian Shilhavy](#)
[Editor, Health Impact News](#)

April 3,2021: 2,249 deaths. An increase of 199 in seven
days. The number of adverse "events" 50,861. During the
same time serious injuries reached 7,726, an increase of 631.
28% of deaths within 48 hours of getting the shot, 19% within
24 hours. 43% of deaths were victims who got sick within 48
hours of the jab.

VAERS is lagging **weeks** on posting. **Here are the April 16th**
numbers:

3,486 deaths. 86,080 injuries, 1,217 permanent disabilities,
12,374 emergency room/doctor visits, 6,282 hospitalized, and
1,906 life threatening injuries.

April 3: 2,249 deaths. April 16: 3,486 deaths. Increase of
1,249 dead Americans.

April 3: 50,861 adverse" events. April 16: 86,080 injured.
A whopping increase of 35, 219 injured.

March 11: 734 permanent disabilities. The victim can no longer function normally or work.

April 16: 1,217, an increase of 734.

March 15: 6,716 visits to ER. April 16: 12,374. An increase of 5,658.

March 15: 3,976 hospitalizations. April 16: 6,282. An increase of 2,306.

Reporting to VAERS is only about 1-10% at the most. Now, 71 million Americans have tragically received one or more of those experimental gene editing technology shots, roughly 123 million doses. Pharma houses want to make it yearly. Changing.

Many vocally condemned the 'pause' because of blood clots from Johnson & Johnson's experimental shot. "Only" 6 out of six million who got the shot, one dead, one fighting for her life in the hospital. As of this date, it's now 15 with what the CDC described as "massive clots close to the brain". 3 dead, 7 still hospitalized, all women.

The three dead victims have names. They were wives, mothers, grandma, favorite auntie, sister, human. Those who condemned the 'pause' remind me of the bumper sticker: **Those who support abortion have already been born.** So what if it was your mom or wife or your teen age daughter? It's all for the "greater good". Their lives, their pain mean nothing. In the eyes of COVID-19 shots advocates, their lives don't matter.

It is shocking the CDC decided last week everything is just fine. Johnson & Johnson can go ahead and keep giving those shots. The dead mean nothing to them; just the usual acceptable collateral damage. It's for the "greater good".

A new book has been released by Dr. Karina Reiss and Dr. Sucharit Bhadki titled Corona Unmasked: New Facts and

Figures. I have enclosed the [cover page and pg 20](#) from one of the chapters which closes with: “Until reliable and convincing data are available, **this high-risk human experiment must not be allowed to continue.**” If you think these are ‘anti-vaxxers’ or arm-chair conspiracy theorists, their bio’s are also enclosed. Both doctors are no light-weights just like the hundreds globally who have been trying to warn the world since last Dec: Don’t take those shots.

I’ve also enclosed a copy of this: Microbiology & Infectious Diseases. [COVID-19 RNA Based Vaccines and the Risk of Prion Disease](#) by J. Bart Classen, MD, an immunologist with decades of experience and under attack as are experts around the world trying to stop this horrific nightmare. Classen says risk, he does not say everyone will develop Prion Disease.

(CDC: Prion diseases or transmissible spongiform encephalopathies (TSEs) are a family of rare progressive neurodegenerative disorders that affect both humans and animals. They are distinguished by long incubation periods, characteristic spongiform changes associated with neuronal loss, and a failure to induce inflammatory response.

The causative agents of TSEs are believed to be prions. The term “prions” refers to abnormal, pathogenic agents that are transmissible and are able to induce abnormal folding of specific normal cellular proteins called prion proteins that are found most abundantly in the brain. The functions of these normal prion proteins are still not completely understood. The abnormal folding of the prion proteins leads to brain damage and the characteristic signs and symptoms of the disease. Prion diseases are usually rapidly progressive and always fatal.)

I urged you in a previous letter to bring in to testify in front of your committees, microbiologists and scientists who are the real experts and ask them the hard questions. I would include Drs. Reiss, Bhadki and Classen.

The more people given those experimental shots the more deaths we'll see. More suffering, more permanent disabilities. All of those experts, hundreds of them (globally and here in the U.S.) unlike career criminal Anthony Fauci who should have gone to a federal prison decades ago, know what they're talking about. Again, I ask you: **Are they ALL "anti-vaxxers" and conspiracy theorists?**

Over two months ago, our Howard County GOP Club sent all of you a letter supported by signatures from our members requesting an investigation into the existence of this purported SARS-CoV-2 so I won't repeat myself. I provided all of the research proving neither the CDC nor health agencies in 40 countries have a purified isolated particles specimen.

Everywhere you read this alleged virus came from Wuhan, China. But recall what I included in my letter to you dated March 3rd: "Ten days ago I watched a video that absolutely caused my jaw to drop. This interview on Jan. 23, 2021, was between an NBC reporter in Wuhan, China and Dr. Wu Zunyou, Chinese Center for Disease Control. In response to the reporter's question about why they haven't shared data, Zunyou said, "They didn't isolate the virus." **And, there you have it.**

Computer models are not specimens.

https://brandnewtube.com/watch/return-to-wuhan-dr-wu-zunyou-virus-has-not-been-isolated-but-nwo-control-has_tjV4YdbUlVFPhnn.html?lang=arabic

Two most common questions asked: If people aren't dying from this alleged virus, what are they dying from? Everyone says the virus came from Wuhan labs, I mean, didn't it?

For the past year microbiologists, epidemiologists, virologists and doctors have stated, based on their individual DECADES of experience, this is a nasty influenza flu and should be treated as is done with other respiratory illnesses. For only the second time since the CDC was birthed, they abruptly stated they would not be reporting

cases of influenza flu for 2020/21. Why not? Because the big money is in vaccines and “cases” reported.

There It Is: CDC Equates Coronavirus Hospitalizations to Seasonal Flu and Finally Admits It’s MUCH LESS Dangerous for Children, May 2, 2020: “In May the CDC equated the Wuhan coronavirus to the seasonal flu. The COVID-19 hospitalization rates are “similar to” those in the 65 and older category during “recent high severity influenza seasons.”

But we saw all the clips on the nightly snooze (news) showing hospitals over flowing, desperation, dire circumstances. Reported number of deaths as of today: 571,922. By the CDC’s own admission, only 6% are caused by this alleged virus bringing the true number to around 34,315. Influenza viruses float around all year. That is a fact.

Highest number of deaths from influenza flu was 2018: 80,000 with 900,000 hospitalized. Why weren’t hospitals over run then? To date, hospitalized for COVID from [Mar. 15, 2020 – Mar. 4, 2021](#): 120,000. For that this country was brought to her knees. 2019-2020 influenza flu season: 38 million caught it. 18 million saw a health care provider. 400,000 hospitalized and 22,000 deaths. We did not lockdown this country. Peak season is December – March but can go to May. Viruses hate heat which is why forcing people to wear masks outdoors last summer and this one is rank stupidity.

We don’t shut down this country over the yearly flu. **People sadly died from the flu because too many are unhealthy.** With a 42% obesity rate in this country, you’re looking at tens and tens of MILLIONS of Americans with serious health problems like heart disease, strokes, kidney disease, eye problems, nerve damage and more.

Then, when a severe strain of influenza comes along, boom! **Down they go because their immune systems are severely compromised.** Despite all the warnings, Americans don’t seem

to care because obesity rates just continue to climb. The elderly with one or more serious health conditions make up a large number of deaths. The population in this country is severely lacking vitamin D which is critical.

The upside is vaccination sites around the country are closing down because people are doing their research and getting fully informed. They do not want some experimental shot. 40% of our military have also said no to those experimental shots.

As I informed you before, all my letters to your committees are published in my weekly column. Notification is sent to over 70,000 subscribers who then send the link to their email lists, onto social media platforms of every stripe. We are getting the truth out. *Then voters by the hundreds of thousands who get this data and verified facts are going to wonder why lawmakers and governors did nothing to stop the carnage.*

Recall I mentioned life insurance corporations and no payout if the person dies from taking a COVID-19 experimental shot? Enclosed is a copy of a letter to an individual belonging to, if I read it correctly, HUPA, which appears to be subsidized health care under Harvard plans. Name and membership ID protected. It says side effects from the COVID-19 vaccine are not covered. So far, 86,080 adverse reactions, 12,374 emergency room/doctor visits, 6,282 hospitalized, and 1,906 life threatening injuries. Will all those victim's medical insurance plans cover them? Americans should check.

The requests to your committees are not unreasonable. Tedros Adhanom Ghebreyesus is Director General of the thoroughly CORRUPT WHO. Tedros started the hysteria by declaring a pandemic. Ghebreyesus isn't even a doctor. He is however a member of the Leftist Tigrayan People's Liberation Front (TPLF) which is a Marxist/Leninist group. TPLF is listed in the Global Terrorism Database. The Communist Chinese contribute ten times more \$\$ to the WHO than the U.S. Trump

put a stop to it, the imposter “president”, dementia addled Cheater China Joe Biden, restored funding.

Fauci, Tedros, Bill Gates, George Soros – all part of a grand incestuous cabal. And speaking of Fauci, who knew he was a prophet? Jan. 11, 2017, at a forum on pandemic preparedness at Georgetown University: [“There is no question](#) that there will be a challenge to the coming administration in the arena of infectious diseases,” Fauci said during his “Pandemic Preparedness in the Next Administration” speech, which came shortly before Trump’s inauguration on Jan. 20. He added, “the thing we’re **extraordinarily confident** about is that **we’re going to see this in the next few years.**” *USA Today*

Just because the thoroughly corrupt WHO declares a pandemic doesn’t mean the cause they promote exists. It seems to me this should be relatively easy. Haul in the new CDC Director, Rochelle P. Walensky before your committee and ask her the key question: Does the CDC have a *purified* isolated particles specimen? Not a computer model but the real deal.

We also requested a forensic analysis of death certificates. This country was brought to its knees over astronomical numbers of “cases”. Cases based on using a PCR test that DOES NOT test for viruses. It recognizes RNA and DNA. It is a manufacturing technique, not a diagnostic tool. Yet, media and politicians continue blasting over 25 million “cases”. Deaths from that alleged virus reaches landmark of over half a million! We know that to be a manufactured lie as only (God rest their souls) about 6% of those who passed away was a direct result of that alleged virus.

CDC Reveals Hospitals Counted Heart Attacks as COVID-19 Deaths – 130,000 of them. And pneumonia, influenza.
https://www.youtube.com/watch?v=7x-biB_JrcU

And, now this:

Biden Administration Allowing Death Certificates to Be

“Modified”: “On April 12, radical congresswoman Alexandria Ocasio-Cortez (D-NY) and Senate Majority Leader Chuck Schumer (D-NY) held a press conference. They let New Yorkers know that if a relative died in the early stages of the pandemic and their death certificate doesn’t mention COVID-19 as a cause, they can now have the certificate edited – and claim up to \$35,500.” **Including illegal aliens.**

“If you tell a lie big enough and keep repeating it, people will eventually come to believe it. The lie can be maintained only for such time as the State can shield the people from the political, economic and/or military consequences of the lie. It thus becomes vitally important for the State to use all of its powers to repress dissent, for the truth is the mortal enemy of the lie, and thus by extension, the truth is the greatest enemy of the State.”

(“This is an excellent definition of the “Big lie,” however, there seems to be no evidence that it was used by Nazi propaganda chief Joseph Goebbels, though it is often attributed to him. The original description of the big lie appeared in *Mein Kampf*. Adolf Hitler applied it to the behavior of Jews rather than as a tactic he advocated.”

Giving those experimental shots to children makes me sick to my soul. Well-meaning parents or school districts demanding kids get shot up like guinea pigs, they’re now getting them as I write this. Moderna has never produced a vaccine before and they haven’t now. It’s mRNA technology and it’s deadly. People have no idea how many billions have been paid out by Moderna & Pfizer in lawsuits. Trust them? When pigs fly. Just plug this into a search engine and be prepared, it will shock you: [moderna pfizer history of lawsuits](#)

Safe? Look it up. **Children Next to be Sacrificed to COVID-19 mRNA Injections as 12-Year-Old Girl is Paralyzed During Trials**

This is totally reprehensible as masks DO NOT protect you or anyone else from viruses. Facial masks for doctors and nurses started a long time ago. They began wearing them to keep body fluids, brain and other body tissue and blood from getting on them.

That's what has been going on in this country for the past 13 months. I know this is political Kryptonite, but to ignore the truth is heinous. **Americans MUST be told the truth about those experimental shots.** As I explained in my last letter, it's also criminal to give the shot without informed consent. People have to be told under federal law they are getting an experimental drug.

I hope lawsuits against PCR manufacturers for fraud succeed because it is fraud. They knowingly sell test kits that don't test for any virus. I hope class action lawsuits are filed against pharmacies, hospitals and others for giving those

experimental drugs in violation of federal law which I explained in one of my recent letters to you.

[Dr Reiner Fuellmich PCR Lawsuit Update – March 2021](#)

“In Germany, two cases have been filed, each contain the PCR tests. Dr Fuellmich is about to file twelve more complaints and will try to include motions for a preliminary judgement so that we will not be pushed aside towards the end of the year because this is what happened to both of these complaints. We filed them at the end of last year and we now have gotten trial dates and the trial is scheduled, the oral hearing is scheduled for 9 November 2021.

“Obviously, this is an attempt at slowing us down because everybody knows by now that the PCR test are the centrepiece of this entire hoax. It’s Drosden (Christian) who promoted his PCR test as the gold standard for detecting infections and it’s the WHO under Tedros who recommended this worldwide, so this is at the centre of this entire scandal. If we destroy the PCR test as a means of detecting infections the whole house of cards is going to crash.

“You probably know that there’s another PCR test complaint that was filed in New York by our friend Ray Fleurs of CHD Children’s Health Defence. This is seven or eight weeks ago, and we expected the oral hearing was on this motion for preliminary judgement was seven or eight weeks ago, and everybody who saw him argue this case said this is brilliant, he did an excellent job and it was obvious that the judge is going to decide in our favour. This hasn’t happened yet, but that’s because the filing of the case and probably the oral argument got the other side scared shitless, let me put it this way.

“That’s why the state of NY, not the city of NY this is about school closures, rather about the duty of mandatory of PCR testing for students who want to go to school. Now the state

of NY changed its tune and all of a sudden issued a letter saying that no student can be forced to undergo PCR testing in order to go to school.”

All those microbiologists, virologists and other doctors with decades of experience are telling us that the process of killing a person’s immune system starts 4-18 months after the shot. Then, that technology begins to attack vital organs (liver, kidney, heart, lungs) and people will develop auto immune diseases for which there is no cure. Too many will die within a few years. There is no going back after the shot.

In closing, you must meet with Gov. Abbott. **Stop all vaccinations in this state.** Forget about politics and elections. How many more dead or permanently damaged will it take for Gov. Abbott to do what’s best for the people of Texas?

This will be my last letter to your committees. All that’s left is to keep reporting the latest number of dead Americans, number of those maimed for life, suffer horrible “adverse” events and hospitalizations.

Cordially,

How Long will Honest and Ethical Scientists and Doctors Remain Silent About Mass Murders and Population Reduction?, April 22, 2021:

“Pfizer’s former Vice President and Chief Scientist for Allergy and Respiratory, Dr. Michael Yeadon, continues to grant public interviews sounding the alarm about COVID fraud and efforts to reduce the world’s population through dangerous COVID injections.

“Yesterday, *Perspectives on the Pandemic* published a recent interview with Dr. Michael Yeadon on their YouTube channel.

Much of what Dr. Yeadon talked about can be found in the videos and articles we have already published featuring Dr. Yeadon, but one thing Dr. Yeadon shared in this interview was that even though he is one of the few scientists speaking out about the COVID lies and deception, that most of his peers in his field actually agree with him.

“He then proceeded to explain why most of them have chosen to remain silent, as they are intimidated and fear speaking out. Dr. Yeadon talks about what it has cost him, so far, to go public with the truth and expose the lies of Big Pharma over COVID-19.

“He has been attacked and slandered, and it has basically ruined his career as a scientist. He has nothing to gain for going public with the truth, and has actually suffered great harm for doing so.

“Like the doctors who stood by and said nothing in Nazi Germany in WWII as human experiments were conducted on children and other patients without informed consent, one has to wonder just how long these honest and ethical doctors who are not part of the COVID scam can remain silent, as thousands are now dying from the experimental injections, and many more are casualties of bad COVID policies that have caused joblessness, suicides, mental depression, and more.

“We have lifted that portion of Dr. Yeadon’s interview into a short clip where he discusses why he is alone in speaking out, and what that has cost him. This is from our Rumble channel, and it should also be available soon on our Bitchute channel.

“The acute warning symptoms are headaches, drowsiness, dizziness, issues in concentration, slowing down of reaction time – reactions of the cognitive system. However, when you have chronic oxygen deprivation, all of those symptoms disappear, because you get used to it. But your efficiency will remain impaired and the under-supply of oxygen in your brain continues to progress.

“We know that neurodegenerative diseases take years to decades to develop. If today you forget your phone number, the breakdown in your brain would have already started 20 or 30 years ago. While you’re thinking that you have gotten used to wearing your mask and rebreathing your own exhaled air, the degenerative processes in your brain are getting amplified as your oxygen deprivation continues.

“The second problem is that the nerve cells in your brain are unable to divide themselves normally. So in case our governments will generously allow us to get rid of the masks and go back to breathing oxygen freely again in a few months, the lost nerve cells will no longer be regenerated. What is gone is gone.”

In a recent broadcast, Tucker Carlson featured a story destined to send shockwaves throughout America. In discussing Canada's new policy of mandatory detention of people who test positive for Covid in "government facilities," Tucker referred to these "facilities" as "internment camps."

Mandela's Communist White Hatred Germinates In American Soil

Despite the fact that both Obama and Oprah fawned over Nelson Mandela, he was not a savior for South African blacks. He deplored the white farmers who planted fields and raised cattle that fed all South Africans. By black hands, many white families and even their babies were macheted to death. The seeds of Mandela's "anti-apartheid" have been planted in America and are now being thrust to fruition on our soil.

Surrender by Fear of a Cold

If you had told me America was going to elect an 80-year old career politician with zero accomplishments and late stage dementia as President, or a zero resume former racist prosecutor who has laughed and slept her way to power as Vice President, I would have called the medics from the Funny Farm to gather you up myself.

The Grinding Predicament of Canada, Australia, Europe and

America in the 21st Century: Endless Immigration

My friend, Canadian writer Tim Murray, watching Canada being flooded, wrote, "Once again, someone claims that any focus on immigration to the United States is a meaningless distraction. In effect, I am saying that the annual addition of more than 30 million consumers to the third most populous and industrialized nation on earth is irrelevant."

Republicans Can "Pack the Court", Too

Members of Congress who belong to the Democrat/Communist Party USA are in a hurry, a bit hurry. Most of them know Cheater China Joe Biden did not win the election last November and that chapter is not closed by any means. Watching the illegitimate "Biden administration" since January 20, 2021, has been like watching Keystone Cops.

The Trumpcine Liberates the American People

In a previous statement, Trump had demanded that the bureaucracy "clean up the record" and "and get the Johnson &

Johnson vaccine back online quickly.” He concluded, “The only way we defeat the China Virus is with our great vaccines!”

Biden Qualifies For Impeachment

The articles of impeachment were drawn up to save us from imperial presidents who manage to grab the office, not for the service of the people, but on the contrary, a deterrent to the people as well as society itself. Unfortunately, some political figures, including presidents, get into office to serve themselves, not the country they are supposed to represent.

The Son of Man Cometh

Some things in this world can simply be chalked up to coincidence. Others, not so much. For those who have studied God’s Word and have eyes to see, it’s obvious that the words of prophecy in Scripture are coming to pass now, before our very eyes. Let’s look at just a few things that have been happening on Planet Earth in just the past month.

The Truth About Energy, Part 3

We keep hearing about how all we need to do is build more solar panels and wind farms and we can save the world. Well, when you look at the logistics of this you find that that dream of not being dependent on fossil fuels is nothing but an unobtainable pipe dream. Let's look at some hard facts. All energies have limits to their abilities.

Pressing Toward the "Mark"

Before we get into the methods that have been used over many decades to lure us into the beast system, we need first to know and understand that our Creator, Redeemer and God did solemnly warn us about the dangers in putting our trust and care in men or men's governments.

2020 Election Post-Mortem

Now that the putative Biden-Harris administration is going full tilt, as we catch our breath and reflect on what has transpired in our country, we would do well to consider the wider implications of the theft of this election. So let's return to the scene of the crime—actually, to the scenes of the multiple crimes inflicted on our nation.

Capitol Police Knew All About the Riot Before it Happened – So Did Facebook, Instagram, and YouTube

The Capitol Hill riot of January 6th was blamed squarely on then President Trump – still president as far as I'm concerned. At least that is the story line you will hear from the mainstream media. The question has to be asked however, who trusts what the mainstream media reports?

The Jab

The reason this article is called the JAB is because it is not a vaccine. The definition of a vaccine is a molecule injected into your body to allow your system to manufacture an antibody to a disease process. What is being called a vaccine is in no way, shape or form a vaccine. It is a product designed to achieve a specific outcome.

Super Rich Started Last Civil War and They are Doing it Again

The wealthy, self appointed rulers and their corrupt followers started the last civil war when 500,000 people died, and half of the country was destroyed. Now they are starting another civil war for the same reasons, power and money. This time the death toll will be many times higher due to starvation in the inner city plantations.

The Fourth Industrial Revolution = Planned Dystopia

Kimberly Amadeo, President of World Money Watch defines fascism as: “a brutal economic system in which a supreme leader and their government controls the private entities that own the factors of production. The four factors are entrepreneurship, capital goods, natural resources, and labor. A central planning authority directs company leaders to work in the national interest, which actively suppresses those who oppose it”.

The China Virus Was an Inside Job

We have lost 564K people to the China virus, while Europe has lost more than 1 million. But Avril Haines, China Joe's Director of National Intelligence, refuses to say that China is an enemy. It is a "threat," she conceded, but U.S. intelligence agencies are on top of the problem. These are real people and real deaths. This is communism in action. And the slaughter continues.

It Is Not About Left Or Right But Rather Up Or Down

There is a right or wrong way to do every single thing in life. Children are to be raised properly in the way they should go, so that they do not permanently drift off from the good moral path through life. The United States was founded upon the hallowed principles listed in the Holy Bible. She was also built upon the principles of liberty and personal responsibility.

Beware the Government -

Corporate Complex

Most white guys will not write about race because the media has successfully silenced our voices for fear of being called the R word. Well, I am not one of them. As Yogi would say, "I call them like I see them" and no amount of intolerance from the tolerance crowd is going to silence my voice.

When Stopped by Cops: Don't Fight or Run from the Law

Over the last several years, a number of really stupid people have been stopped by the police, but then, resisted arrest. The local juvenile thug in St. Louis robbed a convenience store, got stopped by a cop, and then wrestled with the cop, only to escape, then turn to charge toward the cop with an intent to do bodily harm. Michael Brown proved to be one stupid kid.

More About Joe and the Jews

Right by Obama's side for his entire eight years in office was VP Joe Biden, consistently endorsing, approving of and applauding his boss's policies, including the Iran deal, which pretended to delay the world's most malign terrorist state from acquiring nuclear weapons that the mullahs said then—and say today—are intended to eliminate the State of Israel.

Video: People Take Stand For Business Owner, Tell Health Department Gestapo “To Get Out”

The video depicts two health inspectors speaking with the restaurant’s owner, Rebecca Matthews. No one inside the eatery appeared to be wearing face masks, except for the government officials.

Vaccines Are a Self-Defense Weapon Against China

Feeding the fear, which will accelerate after Biden’s suspension of the Johnson & Johnson’s one-dose vaccine, G. Edward Griffin, creator of Red Pill Expo, warns of “The Great Culling by Vaccine,” a reference to an alleged depopulation scheme.

Biden, You're Not A President. You're Just An Old Fool!

Somehow the people manage to elect the dimmest Democrat politicians to public office who seem to be disconnected from reality, devoid of logic and reason and without a lick of common sense. The electorate is so stupid it votes for party over substance, it votes for government dependence instead of independence and self-reliance, it votes for race over character and it votes for socialism over constitutional freedom. Now just how smart is that?

The New World Order's Pied Pipers

Now it is up to us, We the People, to stand for our Lord, our Republic, our liberty, and our posterity. But to do so, we need to first acknowledge the truth of what has befallen us, painful though that may be. Then, like our forebears who founded this great nation, we oppose tyranny and do all we can to restore our Republic, our Constitution, and our sovereignty, so that government of the people, by the people and for the people shall not perish from the Earth.

Unraveling the Lies and Dropping the Masks

Last week, I received a lovely note from Les Fradkin, world-famous award-winning composer and virtuoso MIDI guitarist and so much more. He said, "I read your NewsWithViews columns all the time. You really need to hear this. Quote it if you like in your column. My gift to you." I loved it because he sang about what is happening to our country, and for us to "turn to the truth and turn to the light."

Nation of Lawyers, Not Laws

On April 8, 2021 in a speech pertaining to his maniacal "gun grab" agenda, pseudo-president Joe Biden plainly proclaimed that "no amendment to the Constitution is absolute," meaning, that nothing in the Constitution or Bill of Rights is absolute, all of it, subject to change via the whims of Executive Orders.

The U.S. Not Prepared for Mini Ice Age: Wake Up

Imbecile, Alexandria Ocasio Cortez, 'climate change' cult members from the brain dead Hollywood screeching club, ignorant politicians including too many Republicans in

Congress, reporters, those scared by the nonsense coming from mega mouths Greta Thunberg , Al Gore (bechev) and others believe we have a scant 9-10 years before the earth fries us all like a microwave oven.

The Unabomber and Other Transgender Pioneers

“Abortion Is Health Care” was the actual headline over an email I received from the Center for American Progress, with a message quoting a young woman as saying, “I celebrate my abortion, and no one can take that away from me.” This is today’s “progressive” point of view. The actual destruction of a human being is passed off as “health care.”

Is Anyone Angry About Biden’s Inviting An Invasion Of Our Borders?

Did the American people vote to make this country the babysitter for the rest of the world? Did anyone vote to have \$60 million allocated per month as reported by “60 Minutes”, for housing and feeding this foreign mob of people? And, their children?

Satan's Great Wrath, Because His Time is Short

Sometimes I find myself envying the uninformed. Being so involved in the news tends to weigh heavily on a person. I get a LOT of news. More than you can imagine. It's nearly 24/7 from all parts of the globe, from all types of sources.

The Truth About Energy, Part 2

Looking at our energy today we saw the disaster in Texas with the windmills and the solar that supports about 18% of their total power. If it snows hard neither are reliable. Liberals are pushing for alternative sources for energy which I don't think is bad but until we have an alternative source that is reliable 100% of the time as fossil fuels are, we shouldn't even consider replacing fossil fuels.

We Warned You, Biden and the

Dems Are Bad For This Country – and Things Are About to Get a Lot Worse

Biden in his infinite wisdom also killed the Keystone Pipeline project, also on day one in office. This move instantly destroyed thousands of jobs, and coupled with the “no new drilling rule” has endangered America’s recently achieved energy independence. Notice gas prices at the pump are rising? Thank commander Biden for that.

Are American Enemies Using Our Ports and Borders to Invade America?

Lastly, this is an astounding overview of how the British attempted arms control and confiscation just before the Revolutionary War. Not much mainstream history likes to expound on the reality that the British tried to disarm the colonists. There are eerily similar strains from those days to this day.

Great Americans Looking Toward Our Creator

Long before the Pilgrims journey to what they considered “The New World”, great leaders sought the mighty wisdom of God. When God asked Solomon, “what do you desire? The wisest man who ever lived replied, saying “I desire to be filled with your wisdom.” God was well pleased and promised Solomon that because he first sought His wisdom, that his kingdom would be blessed and prosperous.

So, this is Communism...

Karl Marx is the globally acknowledged creator and author of today’s “democratic socialism.” Marx is also the author of the Communist Manifesto, in concert with Frederick Engels. As Marx himself wrote, “true democracy is the road to socialism, and socialism is merely a steppingstone into communism.”

Does Former Officer Derek Chauvin Have a Chance at a Fair Trial in “Woke” America?

Many of us, wherever we are. followed the first four days of the trial of former Minneapolis police officer Derek Chauvin,

45, charged with second and third degree murder and second degree manslaughter in the death of George Floyd on May 25, 2020. Chauvin has plead not guilty to all charges.

The Next Big Lockdown

The Portland school board has provided us with a harbinger of things to come. They were about to adopt a fir tree as the mascot for their schools, but suddenly had second thoughts. Wait a minute! Those trees... they might be—oh, no!—racist trees. After all, “trees” were often used in lynchings. That would make them racist.

Sorry Kids, But the Adults Have Lied to You

I had the opportunity to speak to a group of high school seniors again this week. I love the opportunity to openly dialogue with our future leaders. This is the best way to find out exactly what is the make up of those “skulls full of mush.”

China's "Death to America" Plan

If anyone has pretensions of being an "anti-Christ," it is Chinese President Xi Jinping, as America's leaders continue to dawdle in the face of Chinese aggression, genocide against Muslims, and mass murder using the China virus against the entire population of the world.

How Many Millions of Refugees and Immigrants Can America Absorb?

During the month of March 2021, according to the United States Border Patrol, President Joe Biden, with one signature on an Executive Order, allowed 104,000 illegal aliens a free pass into the United States. Buses take them to cities with welfare offices, Section 8 Housing and all the taxpayer goodies you provide with your hard-earned money.

America's Vaccine Passports and China's Social Credit

System

All three branches of our government are held today by hardcore Democratic Socialists, who are extremely fond of Marx and Engels. Their followers immigrated to America in 1848 after the failure of socialism in Europe and have assiduously worked to change America into a communist state, one that too closely resembles the massive citizen control in the CCP.

COVID “Vaccines” and Auto Immune Diseases

Colleges and universities have announced mandatory vaccination or students should not show up for classes. How despicable. I have published all my letters to you in my weekly columns (including this one) asking readers to get them up on every social media platform possible as well as email lists. Hopefully parents who have children will stand up to those institutions of lower learning and inform them they are in violation of the law.

Political Pawn Franklin Graham Steps Into To What The

Corrupt Are Selling – Vaccines!

“The chief danger that confronts the coming century will be religion without the Holy Ghost, Christianity without Christ, forgiveness without repentance, salvation without regeneration, politics without God, Heaven without Hell.”

Conservatives Had Better Learn How To Start Saying No!

If you really want to say NO! to government tyranny and corruption, we've designed a powerful tool for that purpose. We call it “The Mandate” from “We The People.” Take the time to review it and then follow the instructions. It doesn't require a signature. We have created a PDF file and a WORD file of “The Mandate” for those who are interested.

American Corporate-Funded Chinese Communism

It seems strange to some that Major League Baseball (MLB) pulled its All-Star game out of Atlanta, to punish Georgia for its voter ID law, but signed a deal with a Chinese company for rights to broadcast MLB games. It's an indication that MLB

recognizes China is in charge internationally, and that the Republicans' days as a national political force in the United States are numbered.

Real Covid Facts You're Not Allowed to Know

Americans need to WAKE UP and stop going along with people they will never be able to get along with. We have been lied to regarding the COVID19 event for over a year now and even as States finally take control of their sovereign Rights and reopen, most Americans are still stumbling along under mask in fear of their lives...for no reason at all!

COVID Vaccines: Dead Must Be Autopsied

When your state reps and senators on those committees get thousands of snail mail letters, they will feel the heat. Emails will get you a canned response. This country was brought to its knees literally in a matter of a few weeks. My God, the lives of tens of millions of Americans were destroyed and still being herded like cattle.

The Racial and Sexist Divide Intensifies Across America

In Time Magazine this week, it speaks to “white privilege,” “racism,” “systemic white superiority” and a host of ills perpetuated by White America. If you’re white, you’re pretty much the blame for everything wrong with America. Time editors reported on how Black students suffered under admissions standards too high for their educational backgrounds.

Race With The Devil

As my family was visiting Rome in February of 2020, we took a tour of the Colosseum only to discover a statue of Moloch, the pagan deity of child sacrifice, being displayed. It was truly shocking. The Colosseum is viewed by many Christians as a sacred site because early Christians were martyred there. Sacrifice and resurrection are what we celebrate on Easter.

Easter Special: How Jesus Might Look Back at the Cross

The world today is in chaos. There are no restraints in human conduct. Absolute values have long been abolished. Good is considered evil, and evil is considered good. And never has The Cross been more offensive to society than it is today. Sin

abounds. Any mention of the name Jesus Christ brings contempt and ridicule.

Understanding Socialism, Communism and Marxism

There's been a great deal of talk, recently, regarding the coming "Great Reset" and in conservative Christian circles, much talk about the "New World Order" and the coming "One World Government" that's now moving ever closer to complete implementation under totalitarian rule.

The Truth About Energy, Part 1

For the last twenty years, we have been hearing the left wail about the dangers of global warming. Al 'I invented the internet' Gore declared in 2000 that by 2014 the ice caps would be melted and all the coastal cities would be underwater but that could all be stopped with a 'carbon tax'.

Standing Trial for a “Face-Mask Crime” That Does Not Exist

The World Health Organization (WHO) has recently confirmed that the Covid-19 PCR test is a flawed procedure. This means that all the estimates of “Positive Cases”, which you have been hearing about incessantly for more than a year now are, at best, inconsequential and, at worst, totally meaningless.

A Smorgasbord of Corruption, Part 1

We are incessantly told by our so-called health authorities that we have a health crisis which is caused by the COVID-19 viral pandemic. However, many health officials, both physicians and scientists refute this. Many are currently proclaiming that there is no pandemic and no COVID, that it is all a concoction to create a climate of fear.

Why Property Rights Matter: Part 4 – How to Fight Back

How do we effectively fight to restore private property, and our freedom of movement in America? Most think that just

getting a president elected is the answer, but what if we lose that race? Or, what if we win the Presidency but lose the House of Representatives and the Senate? What chance do we then have to make any progress in protecting liberty?

America's Leaders Dawdle as the China Plague Continues to Kill

One of the most popular lies among conservatives is that the coronavirus is as harmless as the common cold. President Trump, who launched Operation Warp Speed to develop anti-China virus vaccines, disagreed. We are beginning to find out, even from the "official" sources, that the virus came out of a Chinese weapons laboratory.

Where Do We Go From Here? GloboCorp and Collapse, Part 6

As with the Second Coming of Christ, we have no timetable for GloboCorp's collapse. And we can be sure, GloboCorp has learned from past errors. It will shore itself up for as long as it can. Moreover, never before will there have been a Leviathan the size of GloboCorp. Its tentacles are everywhere...

The Equality Act Is The Most Unequal Act Ever

Recently, leftist Illinois Senator Dick Durbin who chairs the Senate Judiciary Committee started deliberations on the Equality Act. The Equality Act as it is, literally threatens our religious liberty, the safety of women, boys and girls, and the unborn.

Killing Our Culture

First, you can hardly hope to wreck a civilization unless you can trash its arts and, at the same time, make it virtually impossible for people to communicate with one another. The nitwits in the Oxford University Music Dept. know that. So they're thinking of getting rid of... musical notation.

A Costless Christianity

Our life. True Christianity will cost you YOUR life. That completes the Covenant. Jesus laid down HIS life for you and all He asks is that YOU lay down YOUR life for HIM. Done deal. Signed in blood. But modern Christianity has lost this message.

Critical Race Theory: Turning Reality into Something Beyond Understanding

After 245 years since America became a new nation, its greatest internal conflict continues as a 'tension' between the Negro race and the Caucasian race. And lately, the Asian race. White versus Black continues with a vengeance. No number of laws, equal rights, education or wealth seems to change the racial conflict dynamic not only in the USA, but in Canada, Europe and wherever races intermingle.
