

A 'Great Reset' Toward Reality is Arising

We can expect that once the Great Reset is in place and the New World Order is smoothly moving forward (and leaving the rest of us behind in slavery and poverty), all of these Green concerns will cease to be and the EVs and windmills abandoned because they are too costly and too stupid.

Redress of Grievances

The First Amendment prohibits Congress from passing laws that abridge your right to petition the government for a redress of grievance. Yet not only has Congress ignored that restriction on their actions, but the federal courts have piled on as well. Today, I will look at what the right to petition means, how that has been violated, and what the American people can do about it.

John Locke Foundation Supports ERIC! "Clueless" is the Nicest Thing I Can Say...

If the informed consumer of news is aware of the potential for fraud in the ERIC constructs, how can the John Locke

Foundation NOT be? I urge them to do further research on ERIC and withdraw their request that the NC legislature provide immediate funds for ERIC. NOW. The JLF is better than this latest article.

Back to Basics: Freedom? Or Serfdom? The Choice Is Yours

Those for whom freedom is a core value need to start standing up and saying so, loudly, and in sufficient numbers to make a difference (my writing these articles is definitely not good enough). That means rediscovering, or perhaps discovering for the first time, freedom's preconditions: responsibility and sufficient real education to take care of oneself, and the character to deal consistently with others honestly and with empathy.

Too Stupid to Remain FREE

But the two most dangerous lies today are the Climate Change hoax and the COVID19 scamdemic. The Climate Change hoax is designed to get unwitting citizens to go-along with killing innocent people to save mother earth. And the COVID19 scamdemic is designed to gain total control over populations through constant...

Remembering Roger Fredinburg

I remember it well, because as Roger's Executive Producer, I had asked him if we could do this program. His answer was a resounding YES! Roger has little patience with anti-Semites, and he always loved his Jewish brethren. The music he chose for Wednesday nights was perfect, and his warmth and gentleness during the interviews made every program even more beneficial to the audience.

Who Is John Galt? Why, It's Elon Musk of the 21st Century

In Rand's book *Atlas Shrugged*, she featured John Galt, a man who bucked the norm, a man who stood his ground, and a man who made a difference. In the 21st century, billionaire Elon Musk may be the new John Galt. It took a pair to buy up radically left-leaning Twitter for \$44 billion.

Are We Winning?

Secret "transition closets" in schools all over the country, encouraging children to "change their gender" while keeping it a secret from their parents—exposed! The mighty Disney Corp

smacked down by the state of Florida, after having defied a new state law against grooming children for sex. And CNN+ canceled before it lasted a month.

Death by a Thousand Lies

Many have tried to WAKE YOU UP for decades, myself included. Yet, even at this late date, under unprecedented open assaults on every freedom and liberty you have ever known, most remain asleep at the wheel of our country, waiting to see what the tyrants have planned for us next, or who might ever do something about it.

Stifling Your Mind and Soul to Bring You Under Their Control

It is an inescapable fact that a massive global cabal is intent on destroying the sovereignty of every nation on Earth and reducing most of the human race to a species of A.I. trans-humans while those who escape that fate become nothing more than statistical entities and slaves.

The Origin of Covid-19, Updated, Part 15

Another flight surgeon, Dr. Peter Chambers, has said that about 75-80% of soldiers getting infected are “double-vaxxed” compared to only about 15% who are not vaccinated. Dr. Chambers himself received the Moderna vaccine in January 2021 and quickly developed “brain fog.”

Governor Signs Bill to Make Parents Aware of Sexual Materials for Their Children

Not blaming the government for that to which the parents give their children over (Proverbs 22:6), but since when was it the government’s place to sexualize your children?

The US Senate Race In NH Heats Up

Since 2004 we have been exposing wide spread corruption in NH politics and beyond from both parties. I have been involved in 24 court cases. I have yet to lose. Joe “The Joker” McQuaid, editor of the Manchester Union Leader, has been fully informed of this corruption.

Stomach Problems Are The #1 Complaint To Doctors

The slow accumulation of toxins and fecal debris lingering in the digestive system are the direct cause of a wide range of modern diseases. Toxicities not only slow the body's elimination systems down and weaken it, but they also interfere with cellular integrity by causing a massive load of free radicals to enter the bloodstream.

Is it Possible to Have a World Without Cancer & Autism?

66% of all vet appointments are over gastrointestinal issues. The Gut, just like humans. I want you and your family to be healthy and all the beautiful children in the world with autism cured. It is absolutely critical, though, that the parent or caregiver follow the program to the letter. I want to see cancer a thing of the past or at the very least, rare.

We Need to Focus on State and Local Governments

Misdirection is the stock and trade of both magicians and politicians. Over the years, the American people have been conditioned to focus on Washington, D.C. as both the source of our problems and their solution. In doing so, we are allowing those in our state and local government to steal our rights and our liberties right out from under our noses.

Quiet, Tranquil Sweden: Now Rioting and Burning

Swedish professor Eva Vlaardingerbroek said, "I blame the liberal left-wing elites who have allowed all of this to happen because they know that they have allowed these people to come into our countries with vast numbers. And they knew that this was going to happen because this is all part of their plan to destroy our social fabric and to destroy our identity and our society."

Who Are America's Enemies? Part 1

John Quincy Adams stated: Posterity: you will never know how

much it has cost my generation to preserve your freedom. I hope you will make good use of it. I hope that this generation isn't the one that lets it slip through their fingers.

How To 'Get Right' With God

Unfortunately, many choose the path of least resistance. It's not easy to be a Christ-follower. It's a narrow gate that leads to life and Jesus said "FEW" will ever find it. But still, for the few, Christ came to earth as a perfect, holy sacrifice for US. He was crucified, died and was buried. Satan thought he'd won the battle.

Dr. Scott W. Atlas: An American Hero

They say crises bring out the best and the worst in people. They also often inspire a few gallant men and women to rise to the occasion at great cost to themselves—whether that involves risking their livelihoods, reputations, or even their lives—to fight for the rest of us.

Constitutional Militia

The bottom line is the U.S. Constitution guarantees under Art. IV, Section 4: “The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.”

The Dramatically Devolving and Changing Face of America

Each day, Joe Biden and Congress import an average of 10,000 legal and illegal third world immigrants into our country. They can't speak English. They lack any educational background. They carry corrosive cultural practices. They head toward the welfare and food stamp offices of each city where Biden flies them. They arrive from 190 different countries at your expense.

Replacing God

You can see, can't you, that the New York Times isn't just totally full of Schiff after all. Everything God can do, Science and Money—our current gods—can do. They may not do it for everybody—that kind of technology can be expensive—but what us common folk can't be, we can still worship.

Change the Words, Change the World

But the battle is far from over. Each one of us is going to have to make a decision on just how valuable we think liberty is. Are you willing to sit silently as the chains of slavery are forged for your children? Ben Franklin warned us, "Anyone who trades liberty for security deserves neither liberty nor security."

The Poisoning of America's Food Supply: 45 Out of 86 Products Contained Alarming Levels of Glyphosate

The Detox Project recently published their latest results from the most comprehensive glyphosate testing of food products ever conducted in the U.S., showing that the contamination of the U.S. food supply with the cancer-causing herbicide glyphosate is becoming significantly worse since their first report published 5 years ago.

Cold War II – Part 2

Before reading any further, if you want to believe the narrative that good old America, the red, white, and blue will always come through and that truth, justice, and the American way will always prevail, then take the blue pill and read no further.

Misconceptions and Deceptions Re: the Ukrainian Conflict

Of course, higher transportation costs, especially when added to higher food production costs, must result in higher prices at the grocery store. The food costs shock arising from the Ukrainian war will be as severe as the oil costs shock of the 1970s the only difference being not everybody needs gas and oil while everybody does need food!

Deja Vu All Over Again, Part 2

I have written before about how the Nazis in the 1930s used hydrofluorosilicic acid in the water of occupied countries like Czechoslovakia to narcotize a particular part of the brain, and many American cities have had this same chemical in their water for decades. This is one reason Americans have

become dumber and dumber.

How and Why Our Wonderful Nation Came About and How Do We Keep It, Part 2

In my last article, I explained how God had made promises to Abraham and promised that two great and powerful nations would arise from Abraham's seed. The first would become a multitude of nations that would spread over the entire world. That nation would be the British Empire. The second would become...

Term Limit Bill in Congress

Many states have term limits for offices such as governor. I live in Texas where a governor if elected other than by vote fraud can serve 50 years if that's what voters want. Lucky for Arizona their wimpy governor is being term limited out (2 terms) and hopefully, Kari Lake will become their next governor. Unless, just as Trump was cheated even though he hands down won in Arizona, Lake is defeated by election fraud.

Let's Face It: We're Being Invaded At The Hands Of Our Own President

But the even greater mystery stems from the fact that our U.S. Congress remains in full complicity with Biden's treasonous acts. Why not stop him? Let's face it, Speaker Nancy Pelosi impeached Trump twice over a phone call and a whim about January 6th.

The Journey of Self Destruction

The more we deny God to be god (always right, never wrong), the more deeply we will involve ourselves with the people, places, pleasures, and intrigues that will surely kill us in the end.

Will America Be Hit With Food Shortages, Part 2

The predictions that are out there are not really promising for us. But there are things we can do to make it easier. The politicians that we have in Washington are the biggest reason we are in this situation. It will be several months

before we can replace them but that is the first step we need to take.

ERIC, The Largest Components of The National Voter Fraud Issue

The Electronic Registration Information Center, ERIC, is one of the largest components of the national voter fraud issue. The more I learn about ERIC and the action of its 30 member states, the more sure I am that the construct of the organization was designed for it, with words of plausible deniability, of course.

“Control Your Soul’s Desire for Freedom”

This is the message being echoed by drones throughout Shanghai China today in yet another massive total city lockdown of over 26-million Chinese citizens. Thousands are screaming from their balconies as others leap from their balconies to their death. They are being starved to death.

9/11 and American Exceptionalism (Take Two)

So, we should not discard the possibility that the mad globalist conspirators are currently planning to provoke Russia into killing 80 million innocent Americans and Russians as a first step to fulfill their dream of eliminating 85 percent of the global population while they enjoy the show from their deep holes in New Zealand and the Patagonia.

How Much More 'Sex Ed' Will People Tolerate?

The people of New Jersey are public schooling's latest victims. They were shocked last week when the state Board of Education suddenly announced a new "comprehensive sex education" curriculum, to go into effect this fall, featuring the usual potpourri of gender identity, sex-change, "gay" relationships, all seasoned with gender-neutral pronouns.

Green Energy: What It Really Costs You

Bartender AOC screams "Green Energy" from her high perch in Washington DC. Like a third grader, she doesn't possess a clue

about what she's screeching to all of us. At 79, Joe Biden ramps up his own call to push America for Green Energy, but In reality, he doesn't possess a clue, either.

Homeland Security Defines Law Abiding Americans as Potential Terrorists (Video)

Recently the unconstitutional agency known as Homeland Security (Psalm 94:20) posted a warning about the rising concern of what and who may be a threat to our homeland.

Freedom of Religion Under Attack in Washington State

Imagine your rights are under attack. You seek assistance from those who have sworn to protect you, only to be attacked again. You reach out to what you think is your last hope, only to be rebuffed. Now consider how that must feel: To be abandoned by those who have sworn to protect you.

Dissecting the Beast ERIC Laid Open

If you have been following the breaking news, there is quite a LOT to unpack, so stay tuned. If you are a resident of any of these states, my very next article will be how to secure the vote in your states by organizing and acting on a local level.

Starting Over (and Finding Hope)

Conservatives need a grand vision, and it has to be something more than make America great again. It can't be Utopian, because conservatives are by nature non-Utopian. It can draw on great documents such as the Declaration of Independence and Federalist 51, among others. It must appeal to what is best in us, and thus attract the interest of the remnant.

Russia's Geopolitical Game Plan

Once Europe gets mostly on board with cutting off purchases of coal, oil and gas from Russia, a fresh new "green" push will be underway. Forget the fact that going green got us into this mess in the first place.

Biden to Open Border to All – Constitutional Militia to Be Called Up

Gov. Abbott is using Band Aids to treat a patient on the operating table with a gut shot. Personnel in the agencies here in Texas have/are been giving it all, but come My 23rd, the big invasion will start and it will NOT stop unless Abbott takes drastic action to stop illegals before they put one foot on U.S. soil.

Growing Old In Your Own Country You No Longer Recognize

We look in vain for a Ronald Reagan, a Lincoln or Teddy Roosevelt. Instead, we find corrupt clowns like wizened Nancy Pelosi, Commissar Ocasio-Cortez (the Cuban pinup girl selling socialist snake oil) and our president – a cranky septuagenarian slipping noisily into senility.

Will America Be Hit With Food Shortages?

Biden is blaming literally everything wrong in America on the fact that Putin invaded Ukraine. Our border problem is 100% Biden's fault. Our historic high gas prices are 100% Biden's fault. Unemployment increases are Biden's fault. Inflation is Biden's fault. It all stems from the liberal's desire to turn America into a third-world hell hole.

Don't Procrastinate: Get Right With God, Right Now

The end-game in all this is a digital, One-World currency. That should concern you. Because in order to achieve this, the US dollar must be crushed. Russia has already abandoned the US dollar – and other world currencies – as Putin is attempting to back the ruble with gold. India has also abandoned the dollar. Other nations will soon follow.

Why Biden Wants Ukraine to Lose

This could be one of the building blocks of Biden's New World Order, one of his long-time goals. The reputation of the U.N.

will be enhanced and the Russian regime will be welcomed back into the family of nations, perhaps with Putin officially stepping down from power after his victory over Ukraine.

Repucrats for the New World Order

The true reason the globalist traitors in ours midst hate Russia so much is not because the Russians have suddenly turned back to the communist totalitarianism the globalist conspirators imposed upon them at the beginning of the past century,[1] as some “conservative” Republicans and “progressive” Democrats I call them “Repucrats” want us to believe.

The Reptilian Brains of Terri's Executioners

It's too late for Terri—and the millions of babies who were the victims of infanticide through abortion since her death—but it's not too late for American citizens to take careful note of those elected officials—overwhelmingly liberals—who through their support of abortion and now euthanasia are responsible for what has become a “culture of death” in our country...

Do We Still Need the Consent of the Governed?

President Kamala then appoints two-time loser Hillary Clinton, the most corrupt woman in the world, vice president. The next step is to persuade Kamala to resign—maybe appoint her to the Supreme Court, where she can mindlessly cackle for the rest of her life. However they manage it, Kamala's gone. And Hillary becomes our president...

Just Doin' My Job – Following Orders

That's what the Nuremburg Trials were all about. Obedient soldiers were held accountable for simply following orders. But the Judges ruling over the trials determined that "calling it one's job" did not make something right. In fact, one had a DUTY to disobey an illegal order.

Thanks To Congress: What

America Will Look Like In 2050–Cultural Disintegration

If you're not in tears or feel a shot of fear up your spine when you read the facts, you might be brain dead. Your children will inherit this demographic nightmare. My latest book describes their coming ordeal: America's Overpopulation Predicament–Blindsiding Future Generations.

Genocide and the Next Red Line

Once and for all, this Russian war on Ukraine, which began on February 24, demonstrates the complete ineffective nature of the United Nations, whose Security Council is powerless in the face of Russian membership and a Russian veto. It's finally time to defund the U.N.

USA Women MUST Wise Up FAST

Only women can cause other women to wise up today. The truth hurts, but it's the only way to save this country and we are fast running out of time and opportunity to do it. God Bless the GREAT mothers of this country, who fight harder to protect their young than most neutered men will today.

US Government Paid Mainstream Media \$1 Billion in Tax Dollars To Falsify Covid-19 “Vaccine” Narrative

This ministry has been faithful to expose the MSM’s corruption at every given turn (Ephesians 5:11), only to have the corrupt to fill up their cup with a new deception (Ephesians 4:14). The American people know all the while that there is no truth in them (John 8:44)

The Descent of Western Man

The New World “Orderlies” constantly change our perceptions to align with their ever changing deceptions. History becomes history in favor of the current political flavors with hysterics and gaslighting used to gas up the deceptions. Thus, the themes in the increasingly pertinent and popular novel “1984” by George Orwell are novel no more.

Limitations on Foreclosure

We all recognize that property can be foreclosed on for failure to pay a tax debt. What happens when the value of the foreclosure is greater than the debt owed? A case out of Michigan, recently appealed to the Sixth Circuit, seeks redress for just such situations. Eight citizens of Oakland County Michigan are suing the county for...

Nothing Hidden That Will Not Be Revealed

Biden has already stated we should be vigilant of a Russian cyber attack. And FEMA has published guidance as to what we should do in case of a nuclear explosion (go to our basements, wear our masks and practice social distancing while we're down there). Nothing is off the table for these lunatics.

Are the Good Times Really Over?

How many fraudulent paper ballots were dumped into the 2020 elections in the dark of night, in places like Michigan, Wisconsin, Georgia, Arizona, Pennsylvania, Nevada and North Carolina? In reality, election fraud happened in all fifty states in 2020, although the focus has been largely on the

“swing states.”

WARNING: Why Is Anyone Shocked China Joe Said This? – Part 2

Most certainly I've known all about Vlad Putin and have read all Antony Sutton's thoroughly researched books on who and when financed the Russians, built up their military- We the American people. Many are free on line; the long list can be found on Amazon and then look for it perhaps at your library or free on line.

New Latino-Hispanic Majority US Population Demographic By 2042

Not mentioned in the USA media: racism flourishes all over the world where different racial groups co-exist. Mexico supports entrenched racism. Japan manifests racism by its non-immigration stance and sense of superiority over most other races. Racism abounds in the Middle East. Same in South America!

WARNING: Why Is Anyone Shocked China Joe Said This? – Part 1

Those who control Washington District of Criminals through use money and bestow massive power over Americans by cooperative members of the U.S. Congress and cabinets. The Biden family is just one on the long list of life time criminals because they play the game within a game. Just another marionette who lies every time he opens his mouth – lies fed to him by his handlers.

American Deceit

Being an American comes with a JOB. The Founders intended it that way! Being an AMERICAN comes with RESPONSIBILITY. If taught properly in school, students would know the way their government works, understand the Rule of Law, and realize the law does not change for different GROUPS of people. All GROUPS have the same rights under the Constitution and the Bill of Rights.

Biolabs – What Is the Government Hiding?

I, for one, will not stand still and let a handful of elites take my country. Seventy members of the Democrats in Congress belong to the Democrat Socialists of America. You can see what they have been allowed to do. Senator Joseph McCarthy was mocked for trying to identify communists with our society.

Do We Still Have Freedom of Religion?

The governor who executes the laws of the Commonwealth work for the people. If they are unwilling to follow the laws created by the representatives of the people, they should be removed. If the people of the Commonwealth of Virginia are unwilling to hold their elected officials accountable, they have no one to blame except themselves.

Our Lying Corporate Media III: Is Putin “One of Them”?

The globalists are playing BOTH SIDES of the Ukraine conflict. This is reality. It's very important to understand and accept this fact, otherwise you will not be able to grasp the events

that happen next.

The Hidden Depths of the Deep State, Part 2

John Foster Dulles was a partner at Sullivan and Cromwell law firm and they floated bonds for Krupp AG, the German arms manufacturer, and managed the finances of IG Farben, the German chemical conglomerate that manufactured Zyklon B, the gas that would be used to kill millions of European Jews.

Deja Vu All Over Again, Part 1

In the 1980s, I had already written articles in THE HOUSTON POST and ARIZONA REPUBLIC (which nobody remembers because people have been conditioned to be temperocentric) explaining how Khrushchev had actually suckered President Kennedy in the Cuban Missile Crisis in 1962, but nobody knows this either.

Cesar Chavez Was No Hero

The farm workers in California, in the 1970s, knew what a threat Chavez was to them and they hated him. They tried to tell America then, but the media, Hollywood, and liberal politicians had their own agenda to promote. Does that sound familiar? So, puffed up on their own “compassion” and in the name of their version of justice for the poor, they sacrificed the very people they claimed to help...

Beware Of the Sorcerer's Medicine

The primary purpose of this story has been to educate you further about the occult roots of the pharmaceutical industry and to expose the demonic forces behind the drastic increase of pharmaceutical drugs and vaccines. This story offers no medical advice other than a warning to readers to “Beware of The Sorcerer's Medicine”.
