

Trump, Russia, and the Threat of Total War

Like Trump, Reagan survived an assassination attempt. Reagan brought down the Soviet empire through a combination of military and monetary pressure, until Vladimir Putin assumed the Russian presidency and tried to bring it back, with his first invasion of Ukraine under President Obama and then a massive invasion under Biden. This is the world that President Trump inherits. With God's help, he will make the right decisions.

Beginning of the End for the Johnson Amendment (501-c-3)

The Johnson Amendment is the very definition of arbitrary and capricious. It was introduced by a United States Senator to protect his own re-election campaign. It was targeted not only at the non-profit organizations, some of whom were impacting Johnson's campaign, but at religious and other organizations.

Criminal and State Scoundrels Must Be Brought To Justice

If there is one drum that I have been pounding on since the

first day of my ministry, it is justice upon the heads of the guilty (Isaiah 26:9). This article proves exactly just why that is. If there is a scoundrel amongst us in the halls of government, there are few that equal the reprobate wicked, and traitorous state of CIA-planted Minnesota Attorney General Keith Ellison (Luke 22:48).

Is the American Political System Broken Beyond Repair?

Trump's enemies spent the next four years trying to destroy him, using every legal/judicial tool they could command. They tried to keep him off the 2024 ballot as an "insurrectionist." They accused him of concealing payments to a porn star, cheating by overvaluing his properties, making off with classified documents, and of being a sex abuser and rapist. Did I miss anything?

Is Trump the President or Not?

I, for one, am getting sick and tired of those weak-kneed "conservatives" who think somehow that the president must take orders from the Court. He takes order from our founding documents, the Constitution and Declaration of Independence. The response, if people disagree with him, is impeachment by the legislative branch.

New Transparent Government? What about KAL Flight 007?

It's taken 62 years to release the files who really killed President Kennedy? A 62-year cover-up. Yes, promises have been made to release everything that's been withheld, 63,400 pages which I haven't read. However, many who are combing through those pages say it's pretty much nothing we haven't known for decades.

Earth Day: Let's Take Stock of How Much Damage We're Doing To This Planet

It wasn't until 1983-84 when I took a bicycle trip around the world where I touched down on four continents. That adventurous journey to see overpopulation firsthand knocked me upside the head. China just about hit 1.0 billion along with India. I witnessed people stacked up on people beyond anyone's comprehension in Europe, Canada and America. Who could imagine expressways with 50 lanes in one direction, which is their reality in 2025?

The Systematic Killing of America, Part 1

I do not enjoy writing articles like this but my LORD has commissioned me and I shall obey Him. Christians had better awake from their religious coma and hear what God is saying to the church in America. This article was written with the help of a new book, the “Killing of Uncle Sam” by Pastor Rodney Howard- Browne and Paul l. Williams.

Marriage & Family – Doing Life Right

Proverbs 18 tells us that “he who finds a wife finds a good thing and obtains favor from the Lord.” Proverbs 31 reminds us that our wives are more precious than jewels. Guys, don’t take your wife for granted. Instead, go out of your way to intentionally serve her on a regular basis. Be a gentleman. Protect her, provide for her, make her life easier and give her the security of the assurance of your love.

Islam: America’s Historical Failure

Fellow Americans, it is time for us to confront the

advancement of Islam in America. The destiny and survival of the free world are at stake. Avoiding this responsibility would be an unpardonable act by every enlightened individual and organization that values humanity.

Only Communists and Idiots Prefer Income Tax Rather Than Tariffs

Again, as is my wont, I have covered only some of the key points, otherwise I would have to write a book for far fewer readers. I have noticed that few federal officials are aware of some of the points covered. My compensation for the time and risk of writing is for readers to voluntarily forward articles to federal officials who would appreciate it as much as the devil appreciates the cross.

What Is Our Future

The original system was meant to give states a direct role in federal governance, but it resulted in federal overreach by reducing states' ability to check the national government. Then, the Supreme Court expanded its role by asserting its power to declare acts of Congress unconstitutional.

Is Liberalism Dead (In All Forms)? – Part 5

It was the kind of economy that prevailed prior to the industrial revolution. If you go back enough centuries, huge tracts of arable land were owned by no one. They were settled and homesteaded. When feudalism came (12th century or thereabouts), its lords turned land into enclosures. Former homesteaders became serfs if they remained on land now owned by someone much more powerful than them.

America at the Tipping Point

In short, we need to open our eyes and see how the scheme played out in Europe. Much of Europe is already past the stage of no return. This is not a game. This is real. This ideology will devour your entire family, both Republicans and Democrats, if not now, soon enough. Americans need to wake up now and stop Islam from growing to the point of no return.

Unleash Mass Deportation: Due

Process for Citizens, Not Illegal Aliens

You need to speak up, write up, and stand up for your country. Cut, paste, and send this letter into your senators and House member. Thank you to Merlin for the bulk of this column. We either take action for preservation of our country...or consequences will visit us in greater tragedies, endless crime, homelessness, lack of American representation, schools trashed, growing loss of pride in America, and ultimately, an unsustainable civilization.

JFK File Released 62 Years Late – If This Does Not Define Cover-Up, What Does?

It does not get any plainer than the nose on your face when it comes to the fact that for over 62 years, your government, let me say that again, YOUR GOVERNMENT has been covering for the conspirators, themselves and those whom they have covenanted with, (Isaiah 28:18) who are guilty of murdering their president! Innocent people do not conceal the truth, they reveal it (Luke 12:22).

How and Why “Free Trade” Came to America

William J. Gill had it right – the real trade wars were being waged against America. Unfortunately, his legal case, which argued that NAFTA violated the Constitution of the United States, was dismissed. The governments of Canada and Mexico intervened on behalf of President Bill Clinton, who passed NAFTA and its implementation act with the assistance of Republican Newt Gingrich in the House of Representatives.

Military Used For 80 Years as CORPORATE MERCINARIES, Never for National Security

I will continue to write what I determine to be useful and lawful truth. If the FBI remains corrupt and comes after me, so be it. In the meantime please use my articles to inform your members of congress. Most members of congress will appreciate this information as much as the devil appreciates the Cross.

Retaining Your Wealth in a

Worrisome World

At some point in the coming debacle, or “Great Unraveling”, we will reach the point when virtually the only “safe” investments will be precious metals and real estate. However, precious metals and real estate ownership will only be safe if they are located outside an endangered jurisdiction.

Deport the Judicial Oligarchs

With the Supreme Court ruling 7-2 against the Trump Administration on deportation of foreign terrorists and gang members on American soil, the so-called “Supreme Court,” with two exceptions, has been exposed as the long arm of the Deep State. Deport the Seven. These are the real oligarchs.

New Government? Congressman: What About 9/11? Transparent Former

Last week my column covered our new “transparent government” and a former NSA long time (well over 30 years) employee; Technical Director considered a genius in his field who became a whistleblower: Bill Binney. If you missed it, take the time to at least watch the documentary embedded in my column, A Good American.

Why America Can't Fix Itself Or Correct What's Happening

This entire situation with the MS-13 illegal alien Kilmer Abrega Garcia stuns any rational, reasonable, and common sense American citizen. He violated our borders. He beat his wife numerous times. She took out restraining orders against him. He trafficked other illegals without a license. Two judges deemed him an MS-13 gang member. He is not a citizen. He has no rights to 'due process' under our Constitution. He belongs in prison in El Salvador.

An Audience of One

Special courts were established by 1934 to penalize anyone who refused to perform the Nazi salute. The penalties varied from fines or intimidation to incarceration in detention camps. Knowing this, Landmesser still refused to do the salute even with the peer pressure of everyone around him doing it and in the presence of Hitler himself.

The Day Will Be Both Great and Terrible

Following repentance comes a lifetime of sanctification. And understand that you were saved to serve. To minister. To witness. You need to be more eager to lay down your life for the sake of Christ, if that should be required of you, than you are to simply spend your time on earth in comfort, luxury and ease while you await your heavenly “reward.” Because you may not get the “reward” you’re expecting.

The Resurrection of Jesus and the Victory of Eternal Love

Those gifts produced a faith and a love, renewed every Easter for the last two thousand years, that have transformed the world. In spite of the flaws of many individuals who struggled to live up to the transcendent love of God and Jesus, the victory of the eternal love of the resurrection has never been lost.

Cinco de Mayo – Know Your History

So don’t be surprised with a nation recently over run with 15

million illegals from south of the border that we see an effort to make May 5th, an ostensibly anti U.S. Chicano Movement, turned from national party time into a federal holiday. Is it still okay to Remember the Alamo? At least we still have Columbus Day.

This is An Easy Way to Do Your Duty to Send Your Orders to Congress

It is usually difficult for the average person to find the time to collect the information required and format it to give his or her orders to their elected representatives. I have attempted to do the work for you in a simple format that allows you to add or subtract items as you desire. See the suggestions below. Then all you do is mail or email to your elected members of Congress.

Automatic License Plate Readers

There will always be tension between our desires for privacy and safety. We're all for privacy, until we find that an invasion of said privacy could have stopped some terrible event. But are we willing to trade our privacy for safety? As Benjamin Franklin said: "They who would give up an essential

liberty for temporary security, deserve neither liberty or security.”

Islam's Dark Cloud Spreading Over Europe

As the continent faces these challenges, the international community must observe closely. The decline of democracy in Europe will not only change the global balance of power but also serve as a cautionary tale for nations worldwide. The time to act is now, before the ideals of liberty and self-governance are lost to history.

How To Destroy America: Long Drawn-Out Decline

Today, we see guys pretending to be girls. They're giving psychologists headaches trying to figure out what kind of mental illness to categorize them. We've got "gays" parading around like crazy people wearing absurd outfits and performing sickening acts of decadence. Morality, children, ethics and rational behavior be damned! Anyone want them in uniform defending our country?

Net Zero Policymakers Remain Oblivious That Electricity Came AFTER Oil!

Today, “Net Zero” policymakers setting “green” policies are oblivious to the reality that so-called “renewables”, ONLY generate electricity but CANNOT make anything. In addition, everything that NEEDS Electricity, like iPhone and computers, are made with petrochemicals manufactured from crude oil, coal, or natural gas.

Was Your Favorite Preacher Crucified For You? Then Why The Division & Contention?

When you look at Godly men such as John Calvin (Calvinism-Presbyterians), John Wesley (Wesleyans), John Smyth (Baptists), Martin Luther (Lutherans), etc. do you think that within themselves that these men wanted a denomination that would take up their names? Absolutely not!

MoveOn...NO!

Americans have become accustomed to “going-along to get-along,” but there are some things that we just can’t move-on

from without confronting the issue and fixing what was broken. In a nation focused on precedence rather than the rule of law, we cannot allow bad precedence to stand.

Trump Versus the Big Banksters

Antony Sutton's 1974 book, *Wall Street and the Bolshevik Revolution*, documents a link between U.S. banking interests and the Bolshevik cause, the subsequent rise of Communist China, and the invasions of South Korea and South Vietnam, resulting in 100 million dead. In addition, tens of thousands of American military personnel died attempting to stop the advance of international communism.

The Latest SCOTUS Gun Rights Infringement

I don't know which of the three branches of government does the most to infringe on your rights. Take, for example, the recent Supreme Court decision in the case *Bond v. Umstead*, where Mr. Umstead challenged the recent regulation from the Bureau of Alcohol, Tobacco, Firearms, and Explosives redefining weapons parts kits as firearms. It seems the Supreme Court has a hard time reading either the law or the Constitution.

New Government? What About Bill Binney?

A new dawn seemed to open up for America when Donald Trump was announced reelected by tens and tens of millions of Americans last November. Who knows the exact count because there were voting problems both human and likely machines. Not enough this time around to stop the overwhelming support for Trump. But, hey, let's try a couple of assassination attempts to get rid of him!

If You Could Destroy America: How Would You Do It?

Over 20 years ago in 2003, Colorado Governor Richard D. Lamm gave a speech in Washington, DC on how to destroy America. He titled the speech, "The Eight Ways to Destroy America." I sat in the crowd, dumbfounded at his brilliant/sobering points on how to take down our country. At the end, no one applauded because they were pretty stunned

Is the World About to Destroy Itself?

The masses become more corrupt, perverse, confused. They are ever more robotized, subject to insidious forces that lead them. They worship shrewd, cunning leaders who parade them straight into the calamity just around the bend.

God's Lifeboat Is More Than Half Empty

This month marks another anniversary of the sinking of the Titanic. For generations, this tragic story has captivated hearts and minds. The loss of the Titanic left a shaken world in disbelief and made people stop and think. I, personally, became deeply intrigued by the Titanic from the moment I learned of the story as a young child.

More of Hell Moving Into America

Every day, every minute, every second, something is telling me to quit, to back off, chill out, ease up – things will get better. Even now God is shaking everything that can be shaken. No things will not get better until Christians change their

thinking and get back to obedience to our LORD Jesus Christ. In America, with all our freedoms, Christians do just about anything we please.

Texas Under Siege: The Stealth Islamic Takeover We Can't Ignore

We can't allow Texas to become a testing ground for Sharia. Our leaders – Abbott, Paxton, and every red-blooded lawmaker – must combat this stealth invasion with every tool available to them. Investigations are a starting point, but we need action: shut down these projects, enforce our laws, and send a message that Texas will never bend the knee.

Rudyard Kipling and the Power Elite

The Power Elite's plan to take over the world about 200 years ago used a dialectical process. America was a young independent Republic (not a Democracy). The antithesis of America would be Communism, so they created Karl Marx's Manifesto. The synthesis would be a World Socialist Government, but before that could happen, each nation would first have to become Socialist, and that is what the word Nazi means (National Socialist Worker's Party).

South Africa Needs all the Products and Transportation fuels that Renewables CANNOT provide

Oil, coal, and gas are foundation to the global economy, contributing to thousands of products—estimated at over 6,000—that underpin modern living standards. These fossil fuels drive economic activity by providing energy and raw materials for industries, transportation, and manufacturing, while their derivatives permeate everyday life, from plastics to medicines.

How a Conservation Easement Ruined the Owner of a 4th-Generation Farm

Anne Hohenstein's family settled on the Hudson River south of Albany, NY, four generations (~100 years) ago. Anne's grandmother and Anne's infant daughter are buried in the small family graveyard on the property, near an old farmhouse and barn, where Hohenstein and her family kept horses and goats.

Texas AG Ken Paxton Running For US Senate to Unseat Treasonous Texas RINO

Your career is a testament to honor, courage, and an unshakable commitment to the Lone Star State. It takes guts to confront our enemies—whether they're radical leftists or spineless so-called "allies" within our own ranks. You've repeatedly proven that you'll fight for what's right, no matter who comes at you. We've seen this alongside Senator Ted Cruz and President Trump, both battered by the Deep State for daring to defy the swamp.

Infiltration, Not Invasion

Would it be safe to say that we are seeing the manifestation of evil like no time in recorded history? Are we foolish enough to believe that this is simply a POLITICAL battle? Do we not understand that this is a SPIRITUAL manifestation of the Bible into the natural world? The heart of man is the target, and individual souls are the prize.

Raging Against Old Age: Tripping Into the Vicinity of Getting Old

Instead of raging against all the bad news in April of 2025, how about each of us contemplating our own struggles while living in America, especially us baby boomers. We've lived through some pretty amazing moments since WWII. I don't have to name them because you all know them from living through them.

Karl Marx Was a Global Free Trader

Marx declared his support for free trade while giving a lecture on England's corn laws, a set of tariffs and restrictions on the import and export of grain in Great Britain. Marx explained that "The system of free trade is destructive. It dissolves the old nationality and drives towards extreme antagonism between the bourgeoisie and the proletariat. In a word the system of free trade hastens social revolution."

Saving Democracy?

Aside from the constitutional fact that the United States isn't actually a pure "democracy," but rather a Constitutional Representative Republic, which guarantees every citizen and member state "a republican form of government" in Article IV – Section 4 of the U.S. Constitution, today's constitutional illiterates claim to be "saving democracy" when in fact, they are the greatest threat to democracy in the USA.

Enemy of Freedom are Taking Over Western Governments Globally

However, what are you being told by the media that 94% of you say that you don't believe? You are being told that they are contributing to society, that they are the victims of corrupt government regimes, genocides, war, etc. In some cases, this may be true. Yet, let me propose statistically who I am addressing here.

Imagine DeSantis as POTUS!

Those fake voter guides, lying about which candidates were supported by Trump last year, also carried DeGov's image. Was he part of that, or was that just one more thing he "didn't

know"? Those candidates were, shall we say, amenable to development, and, by Tally reckoning, needed to be in power.

Whose Safety Matters More?

I have a lot of concerns regarding this case. Yes, Mr. Robinson was in the act of committing a crime by being a felon in possession of a firearm, but no one other than Mr. Robinson knew that until after he was frisked. Yes, the stop was legal, since the officer observed the occupants driving without their seatbelts on.

Democrats Brace for Martial Law

Over the course of my career, I have covered literally dozens of demonstrations on the left, from anti-nuclear protests featuring Jane Fonda to openly communist conferences sponsored by the Workers World Party (from which I was ejected), and have never witnessed such a hunger for death and destruction.

Who is Looking at Your Federal Income Tax Return?

Operation overload – the key word being overload created by DOGE which has birthed a very telling panic, not just among current and former members of CON-gress, but private sector NGO's (Non-governmental organizations) and religious denominations getting their cut of the gift.

Hear O Israel—How do I hate thee?

If it weren't so serious, and deadly, it would be almost comical, considering that the massive, heavily armed, immensely populated, and hugely influential empires that tried to annihilate the Jews—the Babylonians, Greeks, Romans, Byzantines, Assyrians, et al.—have been extinct for centuries, while the teeny, tiny world of Judaism flourishes to this day.

Why Do Democrats Want Trump, Thus America To Fail?

Have you looked out across the American political landscape for the past three months? If you remember, President Trump

won the popular vote, the electoral vote, the Senate and House. Such victories gave him a mandate to correct multiple problems with America's finances, political standing and resurgence in the world.

Pardon Graciously Given

Kim Dae-jung (1924-2009), a South Korean activist, politician, and statesman, lived through very tumultuous times in his country's history. Several times in his life he faced certain death, but he believed God was always with him and that He graciously preserved his life for a special purpose.

Trump 2.0: Causes for Great Concern!, Part 1

The most likely culprit is Michael Waltz, Trump's national security advisor, who initially insinuated Goldberg might have hacked his way into the chat somehow, which is nonsense. Goldberg wouldn't have known about it. Then it became an accident. Taken as a whole, this security breach makes all involved look like mental lightweights. And hypocrites if they ever again bring up Hillary Clinton's emails.

Beware the Taxman

Bottom line: if the average American citizen handled their money the way our federal government does, they'd be in prison. But it's even worse than that. Imagine if the average American citizen handled someone else's money the way our federal government handles our money. They'd be behind bars the rest of their lives. They'd never again see the light of day. But again: "Rules for thee, but not for me."

Trump is Obeying Only Parts of the Constitution, Guaranteeing Armageddon and Dystopia!

It is impossible to return to a Constitutional government with prosperity if you don't adhere to the Constitution, ALL OF IT. Income Taxes also make a Constitutional Government impossible.

The Magnaforce of Trump's DC is Blowing Minds

Since God and the American people have managed to get Donald Trump back to the White House, truly incredible political dirt has surfaced. Since the 2020 Coup delayed his second term,

President Trump spent those four years assessing what real progress was needed in our nation, and how to make it happen.

Trump's Tariffs are Putting America First After Decades of Exploitation

The truth is, Trump's tariffs involve more than just economics—they concern our sovereignty. We've allowed unelected bureaucrats and foreign powers to dictate our destiny for too long. Now, we have a president who prioritizes America and recognizes that a strong nation begins with a robust economy.

The Evil Forces of Control Have NOT Given Up. They Have a Plan

Americans who are today fighting for the goal to reestablish our freedoms, and who are cheering the incredible steps President Trump is taking to limit the massive federal intrusion in our lives – please hear this warning. The forces of control never give up. We keep hearing the news media and Republican leadership report that these forces are finished, that they have no plan! No leadership. That is absolutely

untrue. They never quit.

Trump 2.0: Causes for Great Concern!, Part 2

Consider Social Security. Around 73 million Americans receive social security benefits. The average payout is around \$1,800/mo. The agency handles around 9.5 million new claims per year. Under DOGE direction it has now cut thousands of jobs, conducted a restructuring which will make it harder to apply for benefits.

The Communists Are Stealing Your Medical Records

Our leaders and their “intelligence agencies” have finally recognized that the China virus came out of China, from a Chinese military lab. We spend tens of billions on this kind of “intelligence” when common sense costs nothing. We need DOGE to clean house in the “Intelligence Community.”

George Foreman 1949-2025; Final Message From the Boxer, Christian Minister, and Entrepreneur

It is written that even the elect will be deceived, if possible. It has become abundantly clear, for anyone with eyes to see, that Western medicine is in the sick-making business for profit. They make no money off of a healthy population. Furthermore, there are the wicked ruling elites who wish to depopulate the world. There are rumors that they are already scheduling the next plandemic for 2030.

The “New” New York

When you import people in large numbers, you also import their cultures and ways of thinking and doing, matters that, frequently, are different than and frequently contrary to our own. We need to face the fact that freedom, the rule of law, domestic tranquility, and high levels of civic functioning that characterize Western nations are great achievements and not accidents of history!

The Great American Taxation Rip-Off Of Your Money

Let's face it, today we KNOW that the Deep State bureaucracy in Washington DC has been lying, cheating, screwing and stealing American taxpayers blind. Over the past 50 years, you have been paying into the U.S. AID slush fund for the benefit of every rat, scoundrel and politician in that Swamp called our U.S. Congress.

Put This Love Of Old Up Against Those Who Talk Much Of Love Today

Love seems to be the popular message of many of these 1960s hippie hirelings occupying the pulpits in America today (John 10:12). What's worse is that they know nothing of the love of God (Psalm 78:9). After all, holding God's love that has been shed abroad in our hearts by the Holy Ghost (Romans 5:5), who has been given unto us, hates what He hates and loves what He loves (Psalm 97:10; Romans 12:9).

Duty to Violate Your Rights

That is why I urge you to contact your state representatives

and urge them to rescind these “duty to inform” laws. In this country, we are not only to be assumed innocent until proven guilty, but we have the right to both be secure from unreasonable searches and to not be forced to witness against ourselves.

Government “Will Be The Death Of Us Yet”

My grandmother spoke those words, in the 1950’s. The image above is of a desk plaque I rescued from her office after her death. I have it, today, on mine. I treasure it, above most all else I own, as it links me to those gone before, in heart and mind.

Big Tech’s Invisible Hand: How Google and Meta Manipulate Our Elections

This isn’t about silencing Big Tech; it’s about leveling the playing field. They’ve had their turn rigging the system; now it’s time to take it back. The stakes couldn’t be higher. Every election they manipulate is a step toward a future where our votes don’t count, and our voices are mere echoes in their machine. We’ve seen the agenda, felt the betrayal, and understand what’s at risk.

FBI Must Probe the Communist-Muslim Alliance

If the Justice Department truly wants to hold Hamas supporters accountable, as it announced when it created a Joint Task Force to seek justice for the victims of the October 7, 2023, terrorist attack in Israel, it can begin by investigating the network planning the April 5 March on Washington, just blocks from the FBI building.

Biotech and Big Pharma Dodge a Bullet With FDA Nominee

Children's Health Defense was the first organization in the nation to stand with fired New York City workers who refused the Covid jabs on religious principles and stated that natural immunity is valid. Drs. Makary and Bhattacharya also supported them. Hopefully, they will stand for freedom when the next "exceptionally dangerous" H5N1 "gain-of-function" bird flu pandemic is hyped and Big Pharma enters the scene with their fowl play.
