

Texas Under Siege: The Stealth Islamic Takeover We Can't Ignore

We can't allow Texas to become a testing ground for Sharia. Our leaders – Abbott, Paxton, and every red-blooded lawmaker – must combat this stealth invasion with every tool available to them. Investigations are a starting point, but we need action: shut down these projects, enforce our laws, and send a message that Texas will never bend the knee.

Rudyard Kipling and the Power Elite

The Power Elite's plan to take over the world about 200 years ago used a dialectical process. America was a young independent Republic (not a Democracy). The antithesis of America would be Communism, so they created Karl Marx's Manifesto. The synthesis would be a World Socialist Government, but before that could happen, each nation would first have to become Socialist, and that is what the word Nazi means (National Socialist Worker's Party).

South Africa Needs all the Products and Transportation fuels that Renewables CANNOT provide

Oil, coal, and gas are foundation to the global economy, contributing to thousands of products—estimated at over 6,000—that underpin modern living standards. These fossil fuels drive economic activity by providing energy and raw materials for industries, transportation, and manufacturing, while their derivatives permeate everyday life, from plastics to medicines.

How a Conservation Easement Ruined the Owner of a 4th-Generation Farm

Anne Hohenstein's family settled on the Hudson River south of Albany, NY, four generations (~100 years) ago. Anne's grandmother and Anne's infant daughter are buried in the small family graveyard on the property, near an old farmhouse and barn, where Hohenstein and her family kept horses and goats.

Texas AG Ken Paxton Running For US Senate to Unseat Treasonous Texas RINO

Your career is a testament to honor, courage, and an unshakable commitment to the Lone Star State. It takes guts to confront our enemies—whether they're radical leftists or spineless so-called "allies" within our own ranks. You've repeatedly proven that you'll fight for what's right, no matter who comes at you. We've seen this alongside Senator Ted Cruz and President Trump, both battered by the Deep State for daring to defy the swamp.

Infiltration, Not Invasion

Would it be safe to say that we are seeing the manifestation of evil like no time in recorded history? Are we foolish enough to believe that this is simply a POLITICAL battle? Do we not understand that this is a SPIRITUAL manifestation of the Bible into the natural world? The heart of man is the target, and individual souls are the prize.

Raging Against Old Age:

Tripping Into the Vicinity of Getting Old

Instead of raging against all the bad news in April of 2025, how about each of us contemplating our own struggles while living in America, especially us baby boomers. We've lived through some pretty amazing moments since WWII. I don't have to name them because you all know them from living through them.

Karl Marx Was a Global Free Trader

Marx declared his support for free trade while giving a lecture on England's corn laws, a set of tariffs and restrictions on the import and export of grain in Great Britain. Marx explained that "The system of free trade is destructive. It dissolves the old nationality and drives towards extreme antagonism between the bourgeoisie and the proletariat. In a word the system of free trade hastens social revolution."

Saving Democracy?

Aside from the constitutional fact that the United States isn't actually a pure "democracy," but rather a Constitutional

Representative Republic, which guarantees every citizen and member state “a republican form of government” in Article IV – Section 4 of the U.S. Constitution, today’s constitutional illiterates claim to be “saving democracy” when in fact, they are the greatest threat to democracy in the USA.

Enemy of Freedom are Taking Over Western Governments Globally

However, what are you being told by the media that 94% of you say that you don’t believe? You are being told that they are contributing to society, that they are the victims of corrupt government regimes, genocides, war, etc. In some cases, this may be true. Yet, let me propose statistically who I am addressing here.

Imagine DeSantis as POTUS!

Those fake voter guides, lying about which candidates were supported by Trump last year, also carried DeGov’s image. Was he part of that, or was that just one more thing he “didn’t know”? Those candidates were, shall we say, amendable to development, and, by Tally reckoning, needed to be in power.

Whose Safety Matters More?

I have a lot of concerns regarding this case. Yes, Mr. Robinson was in the act of committing a crime by being a felon in possession of a firearm, but no one other than Mr. Robinson knew that until after he was frisked. Yes, the stop was legal, since the officer observed the occupants driving without their seatbelts on.

Democrats Brace for Martial Law

Over the course of my career, I have covered literally dozens of demonstrations on the left, from anti-nuclear protests featuring Jane Fonda to openly communist conferences sponsored by the Workers World Party (from which I was ejected), and have never witnessed such a hunger for death and destruction.

Who is Looking at Your Federal Income Tax Return?

Operation overload – the key word being overload created by DOGE which has birthed a very telling panic, not just among

current and former members of CON-gress, but private sector NGO's (Non-governmental organizations) and religious denominations getting their cut of the gift.

Hear O Israel—How do I hate thee?

If it weren't so serious, and deadly, it would be almost comical, considering that the massive, heavily armed, immensely populated, and hugely influential empires that tried to annihilate the Jews—the Babylonians, Greeks, Romans, Byzantines, Assyrians, et al.—have been extinct for centuries, while the teeny, tiny world of Judaism flourishes to this day.

Why Do Democrats Want Trump, Thus America To Fail?

Have you looked out across the American political landscape for the past three months? If you remember, President Trump won the popular vote, the electoral vote, the Senate and House. Such victories gave him a mandate to correct multiple problems with America's finances, political standing and resurgence in the world.

Pardon Graciously Given

Kim Dae-jung (1924-2009), a South Korean activist, politician, and statesman, lived through very tumultuous times in his country's history. Several times in his life he faced certain death, but he believed God was always with him and that He graciously preserved his life for a special purpose.

Trump 2.0: Causes for Great Concern!, Part 1

The most likely culprit is Michael Waltz, Trump's national security advisor, who initially insinuated Goldberg might have hacked his way into the chat somehow, which is nonsense. Goldberg wouldn't have known about it. Then it became an accident. Taken as a whole, this security breach makes all involved look like mental lightweights. And hypocrites if they ever again bring up Hillary Clinton's emails.

Beware the Taxman

Bottom line: if the average American citizen handled their money the way our federal government does, they'd be in prison. But it's even worse than that. Imagine if the

average American citizen handled someone else's money the way our federal government handles our money. They'd be behind bars the rest of their lives. They'd never again see the light of day. But again: "Rules for thee, but not for me."

Trump is Obeying Only Parts of the Constitution, Guaranteeing Armageddon and Dystopia!

It is impossible to return to a Constitutional government with prosperity if you don't adhere to the Constitution, ALL OF IT. Income Taxes also make a Constitutional Government impossible.

The Magnaforce of Trump's DC is Blowing Minds

Since God and the American people have managed to get Donald Trump back to the White House, truly incredible political dirt has surfaced. Since the 2020 Coup delayed his second term, President Trump spent those four years assessing what real progress was needed in our nation, and how to make it happen.

Trump's Tariffs are Putting America First After Decades of Exploitation

The truth is, Trump's tariffs involve more than just economics—they concern our sovereignty. We've allowed unelected bureaucrats and foreign powers to dictate our destiny for too long. Now, we have a president who prioritizes America and recognizes that a strong nation begins with a robust economy.

The Evil Forces of Control Have NOT Given Up. They Have a Plan

Americans who are today fighting for the goal to reestablish our freedoms, and who are cheering the incredible steps President Trump is taking to limit the massive federal intrusion in our lives – please hear this warning. The forces of control never give up. We keep hearing the news media and Republican leadership report that these forces are finished, that they have no plan! No leadership. That is absolutely untrue. They never quit.

Trump 2.0: Causes for Great Concern!, Part 2

Consider Social Security. Around 73 million Americans receive social security benefits. The average payout is around \$1,800/mo. The agency handles around 9.5 million new claims per year. Under DOGE direction it has now cut thousands of jobs, conducted a restructuring which will make it harder to apply for benefits.

The Communists Are Stealing Your Medical Records

Our leaders and their “intelligence agencies” have finally recognized that the China virus came out of China, from a Chinese military lab. We spend tens of billions on this kind of “intelligence” when common sense costs nothing. We need DOGE to clean house in the “Intelligence Community.”

George Foreman 1949-2025;

Final Message From the Boxer, Christian Minister, and Entrepreneur

It is written that even the elect will be deceived, if possible. It has become abundantly clear, for anyone with eyes to see, that Western medicine is in the sick-making business for profit. They make no money off of a healthy population. Furthermore, there are the wicked ruling elites who wish to depopulate the world. There are rumors that they are already scheduling the next plandemic for 2030.

The “New” New York

When you import people in large numbers, you also import their cultures and ways of thinking and doing, matters that, frequently, are different than and frequently contrary to our own. We need to face the fact that freedom, the rule of law, domestic tranquility, and high levels of civic functioning that characterize Western nations are great achievements and not accidents of history!

The Great American Taxation

Rip-Off Of Your Money

Let's face it, today we KNOW that the Deep State bureaucracy in Washington DC has been lying, cheating, screwing and stealing American taxpayers blind. Over the past 50 years, you have been paying into the U.S. AID slush fund for the benefit of every rat, scoundrel and politician in that Swamp called our U.S. Congress.

Put This Love Of Old Up Against Those Who Talk Much Of Love Today

Love seems to be the popular message of many of these 1960s hippie hirelings occupying the pulpits in America today (John 10:12). What's worse is that they know nothing of the love of God (Psalm 78:9). After all, holding God's love that has been shed abroad in our hearts by the Holy Ghost (Romans 5:5), who has been given unto us, hates what He hates and loves what He loves (Psalm 97:10; Romans 12:9).

Duty to Violate Your Rights

That is why I urge you to contact your state representatives and urge them to rescind these "duty to inform" laws. In this country, we are not only to be assumed innocent until proven

guilty, but we have the right to both be secure from unreasonable searches and to not be forced to witness against ourselves.

Government “Will Be The Death Of Us Yet”

My grandmother spoke those words, in the 1950's. The image above is of a desk plaque I rescued from her office after her death. I have it, today, on mine. I treasure it, above most all else I own, as it links me to those gone before, in heart and mind.

Big Tech's Invisible Hand: How Google and Meta Manipulate Our Elections

This isn't about silencing Big Tech; it's about leveling the playing field. They've had their turn rigging the system; now it's time to take it back. The stakes couldn't be higher. Every election they manipulate is a step toward a future where our votes don't count, and our voices are mere echoes in their machine. We've seen the agenda, felt the betrayal, and understand what's at risk.

FBI Must Probe the Communist-Muslim Alliance

If the Justice Department truly wants to hold Hamas supporters accountable, as it announced when it created a Joint Task Force to seek justice for the victims of the October 7, 2023, terrorist attack in Israel, it can begin by investigating the network planning the April 5 March on Washington, just blocks from the FBI building.

Biotech and Big Pharma Dodge a Bullet With FDA Nominee

Children's Health Defense was the first organization in the nation to stand with fired New York City workers who refused the Covid jabs on religious principles and stated that natural immunity is valid. Drs. Makary and Bhattacharya also supported them. Hopefully, they will stand for freedom when the next "exceptionally dangerous" H5N1 "gain-of-function" bird flu pandemic is hyped and Big Pharma enters the scene with their fowl play.
