

# Chairman Bob and the New Socialist America

On his way out the door of the New York governor's office, Andrew Cuomo gave clemency to a communist terrorist, David Gilbert. Then a California parole board voted to free the Palestinian Marxist killer of Robert F. Kennedy, Sirhan Sirhan.

## The ONLY COVID Facts You Need

I know, the Nazis running our country these days have total control over the news media and social media, and they only allow ONE narrative in the USA right now, their false narrative. That has conned millions of Americans into voluntarily accepting a "fake vaccine" that has already maimed millions and killed tens of thousands.

---

## Eviction Moratorium Fiasco

There has been a fair amount of focus lately on the CDC eviction moratorium, including court findings and the fact that President Biden ignored them. By doing some research, we can find out the facts of this case, including the good, bad, and ugly when it comes to the constitutionality of the different actions taken.

# **COVID Injections: Killing, Permanently Disabling Nurses, Doctors, Teachers**

I highlighted a web site in a recent column regarding victims of the experimental injections being passed off as vaccines. Here is their short introduction and letter begging for help. (Bold emphasis mine). How many more don't we know about as tens of thousands of Americans are suffering?

# **Thirteen Brave Soldiers Should Never Have Died: Absurd Theater of Afghanistan**

Like you, I am sick to my stomach that 13 of our finest military men died in a suicide terrorist's blast in Kabul, Afghanistan. I'm even sicker to my stomach that Joe Biden, a draft dodger in his youth, made it happen. I am sicker still that Four Star General Milley LET it happen.

# **Texas is Taking the Bull by the Longhorns (Somewhat)**

In the UK, France, and other areas of Europe, resistance to the jabs and lockdowns in the form of demonstrations is increasing and reaching significant levels. Canada is completely lost to global communism as is Australia and New Zealand and the USA is not far behind.

---

## **The Failure of the Church, Part 3**

The failure of the church has not been overnight but at the same time, it has occurred very quickly. From the 1600s to the mid-1900s, there was very little change but from the mid-1900s until today it seems that there has been a total collapse of the ability to stand for the principles of God.

## **A Few Words for the Hyper-Conspiratorial and Devotees of The Science**

What we must do is encourage critical thinking skills—outside schools and an academia that dropped this ball decades ago. Dominant — well-moneyed! — institutions have become barriers

to knowledge, rational thought, and communication, instead of conduits of truthful information, learning, and understanding. This may be the real crisis of these Twilight Zone times we've entered.

## **Know at Least These Five Things to Survive**

## **Replacing "President" Harris: The Long Game**

In the meantime, pray for Americans and our military trapped in Afghanistan. Thousands will likely not be able to get out. I know private charities and groups (former military) are running "digital" rescue flights to get Americans home using technology to coordinate with those trapped outside the bigger cities, God bless them.

---

# **America Has Lost its Moral Compass**

The disgraced former CIA director David Petraeus, once called “America’s greatest living general,” is lecturing America that we didn’t try hard enough at building a democratic Muslim nation in Afghanistan. This retired General cheated on his wife with his biographer, as he bungled the military operation in Afghanistan and then took over Obama’s CIA.

## **Does Trump Even Have A Plan?**

As of this morning, 295 days have passed since the November 3, 2020 elections which resulted in an overt global Marxist overthrow of the USA via the most blatant election fraud in the entire history of elections, worldwide. Millions have been spent to uncover hard evidence...

## **Our Leaders Have Lost Their Cotton Pickin’ Minds**

We’ve got Jen Psaki standing out in front of the cameras every day, pretending that she knows what she’s talking about, but she doesn’t have a clue as to what’s really going on. In fact, she learns more on CNN and Tucker Carlson with Lara Logan than she knows from her hideout in the White House.

## **Look At Us Now**

All of this mess—Afghanistan, the border, the inflation—was easily avoidable! It was never carved in stone. But after that travesty of a 2020 election, we had Democrats in charge of everything. They made these messes!

## **Politics as Religion**

Despite their atheistic or pantheistic denigration of Christianity, the ideologies of the left, like Communism or wokeism recycle Christian elements or themes, which even in their denatured or mangled state are still recognizable in terms of their source. Even Christian confessionals become infused with discussions over political ideology.

## **Why Do The French, Germans, English, Etc. Act More Like Children Of Our Forefathers Than Most Americans?**

Yesterday, while doing the radio show, I found myself asking the question to 153 cities why it is that the French, the

Germans and the English know how to act more like our forefathers than most Americans do?

---

## **The Anti-Vaccine “Extremists” Among Us**

While some fanatics brand coronavirus vaccines as “Mark of the Beast” technology, the Afghan Taliban terrorists see vaccines as a CIA plot. There seems to be some historical evidence for the Taliban view. Indeed, it was reported that the CIA used a fake vaccination campaign in the hunt for Osama bin Laden.

## **“Your Papers Please” Is Only the Beginning**

Dr. Yeadon is more than right. I tell this to young people working in the groceries, some look at me like deer caught in the headlights, but others listen and I tell them where to find information. I sent one clerk to the web for Dr. Ryan Cole’s White Coat Summit 17-minute speech. We must stop this now! Speak up and save our country.

---

# **FDA Caves Under Immense Corruption**

So, until now, they have worked closely with global Marxist collaborators in BIG Pharma, BIG media, BIG international corporations, universities and even small “Christian colleges” like NO-HOPE COLLEGE in Michigan, to essentially “force vaccinate” via bribes or under threat of lost wages and income, kicked out of classes, and even threat of incarceration in a mental facility for making your own medical decisions.

## **The Origin of Covid-19—Updated, Part 4**

Mosher points out that the Chinese authorities “ordered all of the early samples of the coronavirus collected by private and university labs in China—vital for tracing the origin and early spread of the disease—to be destroyed.” Facebook moved to suppress his information as “False,” and the mainstream media called him a “conspiracy theorist.”

## **The Quagmire In Afghanistan**

# And At The Border

On February 23, 1945, U.S. Marines planted Old Glory on Mt. Suribachi, Iwo Jima. It marked our victory over the Japanese. It's been America's iconic symbol of victory over tyranny since that epic moment. All Americans who visit the Washington DC Mall step up to that enormous bronze statue that dominates the area.

## Pastor Continues Preaching Despite War On Churches

However, humans are basically religious and instinctively believe there is more to life than the bare bones of existing. So they invented something or someone to worship, indicating a power higher than all of us. Eventually, Jesus did come to earth, the Bible was written, people learned about God and gathered strength through His teachings.

---

## The Failure of the Church, Part 2

Education was very important to the pilgrims but that education was based solely on the Bible. Virtually all of our colleges and universities were formed to educate and train men to be preachers. They were founded by ministers and taught by

ministers. Many reading this may not be aware that most of our colleges and universities were founded by ministers for the purpose of raising up ministers.

---

## **News From the Front Lines**

Having said that, it's important that we're also vigilant and understand all that's happening in this world right now. While many prefer to remain ignorant, not able to stand any "bad news," it falls upon God's people to remain informed, and inform others, being wise as serpents, but harmless as doves.

---

## **Governor Jay Inslee Has Joined the Forced Vaccine Traitors**

Would you allow someone to force their way into your home and put a gun to your head without a huge fight? Of course, you wouldn't, so don't allow a rogue Governor on 'control steroids' to do the same with forced, experimental vaccines that facts say don't keep you from getting Covid-19 anyway. Stand and fight.

---

# You Are Not Alone

Totalitarian regimes historically achieve and maintain control over a population targeted for enslavement by means of menticide, which is accomplished more quickly and effectively when the subjects are isolated from one another.

---

## Afghanistan: Predictable Outcome

Nowhere in the U.S. Constitution does it authorize a president or Congress to steal from the people's treasury to fund foreign humanitarian efforts or nation building. Humanitarian efforts should and are funded through private organizations and charities. The fact that there's never enough money is the fault of dictators, potentates and crooks running countries around the world.

---

## Biden Arms America's Enemies

Why do we have a moral responsibility to the people of Afghanistan when 2,400 Americans died and 20,000 were wounded over a period of 20 years trying to help them establish a democratic form of government? This wasn't even the original mission. We were supposed to go in and get out, after killing terrorists.

# Enough of the Mad Science, Part I

Many of the most published and celebrated scientists and doctors all over the globe have been screaming as loudly as they can, to STOP THE VACCINATIONS due to “never before seen” massive adverse reactions and permanent damage to human beings, including death. But ALL “mainstream” communication outlets are blocking their dire warnings...

## The Free Exercise Thereof

Read the Mayflower Compact. “The advancement of the Christian Faith” was the reason the Puritans came to America. Today, Christianity has been relegated to the back of the bus, equal in standing with a myriad of other gods riding in the rumble seat of the Government.

---

## Kicking Sand in America's Face

Red China is kicking sand in our faces, trumpeting to the world that the USA is no better than a broken reed to lean on,

a straw man of an ally who drops the ball and runs away when the going gets tough. "Better surrender to us while you can! Don't expect America to help you."

---

## **The Most Incompetent President, Ever!**

And to top off the Afghanistan debacle, this cognitive deficient president has opened our borders to an invasion of illegal refugee migrants, literally waltzing over borders to enjoy food, housing, and medical care paid for by us. All at the expense of our own poor, our own homeless, our veterans, and our own dispossessed.

## **Mengele, Fauci, Zyklon B and the Poisonous Clot Shot**

"If you have a demographic that has a nearly 100% recovery with no treatment, why would I put an experimental death liquid into them? ## **Nazi Vaxxers – The New Segregationists**

We have been lied to by the mad scientists (Fauci, Gates, Soros), the cowardly politicians (both political parties), the global Marxist owned media (all mainstream mediums), many conned or cowardly doctors and nurses, many of them are more worried about their paycheck than the health of their patients. We have been lied to by pretty much everyone in a position of power.

# **Import Vaccines?**

What I fear is that once full FDA approval comes (and it will come), we'll see an onslaught of vaccine passports, mandates, and restrictions: whatever it takes, until those who refuse are unable to leave their homes. Or are even rounded up and put in camps, because come to think of it, in the present environment of combined corporate and governmental encirclement everywhere you turn, there is nothing sacrosanct about your home!

# **Arizona Voting Integrity Laws**

# **Stop COVID Injections: Cut Off the Head**

# **Part 7: America's Twilight Years—Less Water, More People, Big Pile Up**

As the 20 years of Washington DC's stupidity plays-out in the final American defeat in Afghanistan during the next week, let us remember why G.W. Bush attacked: to kill bin Laden after 9/11. Well, our Seal Team Six accomplished that mission in 2011. Why didn't we pull out a day after that event occurred?

---

## **The Failure of the Church, Part 1**

There are many American's that don't understand the relationship between America and the Church. This is because of the failure of two of the most important institutions in America the education system and the church. For a couple of generations, our school system has utterly failed to teach our kids the real history of this great country...

# **Has The Great Tribulation Begun?**

The voting tragedy and travesties of the 2020 elections must be completely turned around through very forceful and persistent action if we are to have any hopes of restoring the Historic American Nation as a viable entity. # **When Employers Practice Government Tyranny**

A united sit-out strike will end this insanity. When trucks don't move, products aren't delivered, goods can't be sold and services can't be rendered, all because no one showed up to work – then the employers will find the true value of their employees and the dangers of “going along to get along” with corrupt politicians and mad scientists.

It is time to move from the Church House to the Court House.

It is time to move from Church Street to Main Street. Religion is Politics. It is time to take back what the Devil stole.

## **Secret Communist Plan Fulfillment**

Despite President Biden's lack of mental acuity, he will be propped up by his puppet masters until 2024, unless he resigns early to let Vice-President Harris run as an incumbent and as the first female President. Walk Out Wednesday on August 11, 2021 is being planned all over the country. ## **Communists: Today's Democrat Party, Part 4**

## **Lawlessness Abounds**

So while those who literally burned thousands of businesses and homes to the ground, attacked police all summer long all across the country, while police were told to stand down, citizen patriots in America are now considered the most dangerous people in the world – "patriot terrorists." Matthew

That might sound preposterous unless you have read as much as I have which I’ve covered endlessly in columns.
