

The Seed of Evil

The battle that is going on in America is not a political battle, it is Spiritual. The battle has been, and will remain, between God and Satan. It is a battle of good versus evil, light verses darkness, right verses wrong, the Truth against lies. Seeing it as something other than that will lead you to a lot of wasted energy.

Is It Still 'Our' Government?

Do you see? They think they can do to us, and to our families, anything they please. They might even try—again—to close the schools and demand that parents pledge themselves not to “interfere” in their children’s so-called education. That one didn’t fly in 2020, but they have nothing to lose in trying it again.

Travels With Charley II: What We Saw In Big Cities—Not Too Nice

You cannot help but travel in California to see 170,000 homeless people wandering the streets of the big cities. Los Angeles must be the new capital of human misery, followed by San Francisco. Ironically, both cities are governed by

equity, inclusiveness and diversity. The minority leaders and police forces have turned those cities into human ghettos no better than Mumbai, India.

Oregonians are Waking Up That There are Elected Destructionists in Oregon Politics

Such is the state of Oregon and the ruling majority party. Although the destructionists appear to be winning, more and more hard working, common-sense Oregonians do not agree with their agenda. In my next newsletter I will look at steps we can take to stop the socialist destruction of our American traditions.

The CIA-Controlled Mockingbird Media Is At It Again

In a nutshell, people in this country say that they want change yet, they fail to do what it takes to bring about the change. How do you help people that refuse to help themselves? (Jonah 2:8)

Iranian Mullahs' Death Wish is Finally Coming True

Unlike Obama, President Trump, some Cabinet members and U.S. lawmakers have resoundingly answered the opposition's call. The recent protests are just the beginning of the end for the Iranian rulers. It may take several months, but the main concern now is ensuring a smooth transition from Islamic radicalism to a secular democracy.

Biden Expands ObamaCare For Mental Health Services at Schools to Psychoanalyze Children 0 to 21

As for your future, do not be blinded by the sugar coating of social and emotional learning, Title I portability money, or choice in education. There is no choice but to remove your kids from public school and stop the federal money flow to private and religious schools. We are paying for brainwashing and data compliance.

When are Constitutional Amendments Unconstitutional?

Arizona for Abortion Access, a political action committee, has contacted Arizona Secretary of State, Adrian Fontes, in an attempt to get a constitutional amendment protecting abortion on the November 2024 ballot. Activists in Florida have been collecting signatures in an attempt to overturn recent state law to protect the right to abortion.

Morsels Mined From The Memory Hole

The French Government is restricting Internet access “in certain neighborhoods,” – and by that, the “government” means the burgeoning areas occupied and controlled almost exclusively by these criminally inclined troglodytes. Of course, this is done so that the depraved denizens therein cannot use social media and other platforms to organize and promote their violent activities.

Lahaina (Maui) Destroyed by Directed Energy Weapon – No

Proof

Within 24 hours after the monster fire that destroyed the city of Lahaina on the island of Maui on Aug. 8, 2023, my email box started filling up. FACT: A DEW or Directed Energy Weapon is what started that fire. It looks exactly the same as the fire in Paradise, California on Nov. 8, 2018, which also destroyed that city!

Part 2: Open the Borders to One and All: What's Coming

Wouldn't it be great if Joe Biden would import at least 5,000,000 additional illegal aliens annually, on top of the 1,000,000 legal immigrants annually? I'm certain all those "sanctuary cities" would love to host millions more in their hotels like in New York, Chicago, Denver, Atlanta and beyond. We could see those 70,000 homeless in Los Angeles jump to 170,000 homeless. Wouldn't that be ducky!

Video: Taiwan Is the Real China

Slavery is the dividing line. The CCP might say that they don't practice slavery, but enslaving an entire society under a totalitarian system of oppression fits the bill. It's not

just China, of course. North Korea, Iran, Saudi Arabia, Cuba, Venezuela, and every other repressive regime in the world can be succinctly labeled as a country of “illegitimate slavers.”

The Russians are Coming

Since Mike Pence did betray Trump with his failure to send the 2020 election results back to the states for reconsideration, it is difficult to say anything positive about Trump’s former vice-president. But on the debate stage he made a lot more foreign policy sense than Ramaswamy, a favorite of the Fox News Channel who has been rising in the polls.

“And Lead Us Not Into Temptation” – The Lord’s Prayer

This article will examine the Greek-to-English translation of the “lead us not into temptation” portion of the Lord’s Prayer (Matthew 6:13; Luke 11:4), whether this portion of the prayer is better stated by saying “do not let us fall into temptation,” or if there is a better translation that can be used.

Repent, Change Our Religious Ways

It is way past time we look at religion the way Jesus looked at religion. Exactly what Jesus said in Matthew 23 describes the religious condition of the American Church today. Jesus was talking to the religious leaders in Israel, the scribes and Pharisees, and we have become just like them in the American Church!

Republican Governor Using Stealth to Put Through Red Flag Gun Confiscation

My dear friend, Lucinda Sheth, who is politically active, but not a radical in any sense, has addressed the recent Tennessee issue of a "Special Session to push for an Extreme Risk Protection Order (ERPO)", better known as Red Flag Law. This session was called by Governor Lee because his ERPO was shot down during the normal Legislature session. This is another sneaky way our governments (local, state, and federal) are making laws without going through the proper channels).

Climate Change in the United Kingdom

We should be in no doubt that we are in a final war with evil. It is cunning and sly and comes as an angel of light pretending to care about people's health and the environment, but it can only use these issues together with those who align to it, for its own selfish advantage and agenda. There is an awful lot of cruelty and horror taking place in this beautiful world.

The Man Standing in the Gap

You know I'm speaking the truth here. Drop all pet agendas and stand together for the only agenda that matters now, Freedom, Liberty, the Rule of Law, real justice, and real opportunity for all. STOP THIS INSANE INVASION OF OUR BELOVED COUNTRY. The sand is all at the bottom of the hourglass.

Trump Loses the Debate

It doesn't matter who's up and who's down, who got views and who didn't. The issue is war and peace and the survival of the Republic. Trump had his chance to save the Republic and he failed. This former friend of Chris Christie took his advice and nominated Christopher Wray to run the FBI. Enough said.

We Have Been Sold a Lemon

Once again, prayer in school is legal. Bible reading is legal. The posting of the 10 Commandments is legal. Abortion is NOT legal. Every Christian statue, every copy of the 10 Commandments taken down from public buildings, should be returned! Christmas can be about Jesus again. Freedom OF religion...not freedom FROM religion.

Affluentza: The Main Mass American Malady

If the above describes yourself and your family, without realizing it you may be suffering from an insufferable, highly contagious American malady – affluentza! This particular virus has gone viral and infected nearly the entire world or at least those who are not in the process of dying of starvation or war.

Dispatches From a Disintegrating Society

The 1950s and 1960s were the heyday of the nuclear family. One

breadwinner (usually Dad) could feed a family of four. Families were stable. Divorce was frowned upon, and the divorce rate was relatively low.

Let's Open America's Borders to One and All: Accelerate the Crisis

This column could give you another 100 really sobering if not frightening examples of what we face with “exponential population growth” brought to us by “exponential immigration growth.” What do another 100 million people added to this country mean in real terms? It means we double the populations of our 35 most populated cities.

Who's Afraid of Bloomberg?

Bloomberg had twelve years as mayor of New York City, running as a Republican (LOL) because the Dems didn't want to make room on their slate for an outsider. By comparison with the Democrats who came after him, Bloomberg is the Father of His Country. Standing alone, he's a bully who wants to ban everything.

Treasonous Governor Arms Illegals By Giving Them Authority To Arrest Americans

Conclusion: Like it or not American,s this is judgment upon this nation. The illegals will be made the head and the Americans will be made the tail if they continuously stand by and watch the corrupt in the halls of government have their lawless ways (Deuteronomy 28:43).

Why Did Many Texas Republicans Betray Their Constituents

In the face of mounting challenges from the left, Texas Republicans must stand united and unwavering in their commitment to conservative values. The impeachment of Ken Paxton, seemingly founded on shaky grounds, threatens to weaken the conservative movement and hinder their ability to effectively oppose the left's policies.

The Next Phase of Obama's

“Permanent Revolution”

When Trump supporters in effect endorse Obama’s “Permanent Revolution” by smoking pot in front of the cameras, you know the legacy of our first Marxist president has had a lasting impact. It remains to be seen whether Obama’s revolution can be stopped in its tracks now that acceptance of mind-altering drugs is affecting Trump supporters who should know better.

The Green Drive to Reorganize Human Society

To stop them, freedom activists must bring the same passion and determination into fighting for our property, local business, and personal freedoms. We have made vital progress in Iowa, North Dakota and South Dakota. And I know the powerful corporations are worried. More people are starting to see the threat.

The Powers of Congress

I encourage people to ask questions. I believe there are only two “stupid” questions in the world: The one you don’t ask and the one you ask three times. Questions are important. We cannot truly learn unless we ask questions. Several weeks ago I posted the article [The Role of Congress](#).

Can Donald Trump Sue the State of Georgia?

This fourth indictment is like something from an alternative universe. Can't be real but it is and serious as a heart attack. The law means nothing to rotten, corrupt Democrats in public offices and too many Democrat voters. It is beyond obscene. The American people are seeing this pile-on as purely political.

First 24 GOP "Debate" 8/23/23

But I'll be watching this debate, for entertainment value. Never get in the way of your enemies while they are busy digging their own grave... Nothing is more entertaining than watching traitors dig their own hole!

The Life You Were Born To Live: Finding Your Way, By Choice

Just for a week, I want to leave my series on Travels With Charley II, to give you or members of your family, especially

high school kids, a better understanding as to what they want in life and how to discover their life's path. Please send this column to any and all family members who have teenagers. Or, any family members who are floundering or are wondering what to do with their lives.

The Rainbow Flag Conquered America Right Under the Noses of the Sleeping Churches

The sodomite demon has conquered America, and the dumb, sleeping churches, led by hireling, cowardly "pastors" have let it happen, for the love of popularity and money – the root of all evil. The Rainbow Flag is a symbol of conquest, and it's everywhere you look now, especially wherever children may be found.

Detecting False Prophets

Some promoted climate scientists, political figures, billionaires, and elite global organizations used computer climate models to make predictions about the direction of the world's climate. They used mass media outlets around the world to raise the alarm that the use of oil and gas, carbon dioxide, and methane needed to be drastically reduced or eliminated to save the earth from destruction.

Democrats & Their Partners Put Out Welcome Mat for Sex- Traffickers in Oregon

The Democrats and their Planned Parenthood partners have put out the welcome mat for sex-traffickers in Oregon. Portland is already the number one city for trafficking on the West coast. Gender confusion will get promoted by advancing this formidable precedent for Oregon as a transgender tourist destination.

Want to Save America? Short of Revolt, We Have to Play Hardball!

The powerful truth is that if Patriots make their feelings effectively known to legislators, sue them and ignore their fake laws, it will then become impossible for the Criminal Enterprise masquerading as a legitimate Government to exist.

Open Letter to Texas State Senators

Impeaching Ken Paxton would not only be a disservice to him as an individual but also undermine the will of the people who elected him to serve as Attorney General. The consequences of such an action would extend far beyond his tenure, sending a message that party politics and personal agendas take precedence over the principles and ideals we hold dear.

Great Reset Menu: GMO Food, Bugs and Solar Panels

The OBiden administration with the help of the RINOs is subsidizing energy companies guaranteeing them a 10% profit while hamstringing them with regulations and insane permitting so they are forced to turn to inefficient, ineffective expensive renewables.

USA Death by Sheep

WE THE SHEEP are the real problem. Sheep are incapable of self-governance, freedom, and liberty. They must be governed by others. So it is, and so it shall be... Face it, if you are the type of person to go-along-to-get-along no matter the consequences, YOU ARE A SHEEP! If you are counting on anyone

but yourself to save your country, YOU ARE A SHEEP!

The New Tower of Babel

And we're paying for it! That's the most unkindest cut of all. A college education, which befuddles those who receive it, costs a fortune. Graduates are saddled with a mountain of debt—and what do they have to show for it? A degree in Multi-intersectional Gender Studies?

Travels With Charley II: American Cities Too Large, Too Sick, Too Unmanageable

India has already sealed its horrible present and worsening future. I've seen their mess firsthand. China, oh my God, what a 1.4 billion people mess they created. They can't breathe their air. Their rivers are sewers flowing into the ocean. They cannot feed their masses...that's why they are buying up the rest of the world for food.

Biden On the Beach, Trump in the Dock, Conservatives Out to Lunch

Let's start talking about the obvious solution, which is a Republican House of Representatives that defunds Jack Smith and the United Nations. This is the only power available to Speaker Kevin McCarthy.

Language Is Everything When There Are Official Narratives to Defend

What provoked it were numerous actions of the U.S./NATO axis as the latter crept eastward towards Russian territory since the collapse of the Soviet Union, despite pledges not to. The most recent major event was the 2014 coup in Kyiv, orchestrated by neocons such as Victoria Nuland and the CIA, replacing a Russia-friendly government with a Russia-hostile one.

The **CIA-Controlled**

Mockingbird Media Is At It Again

What's worse is they have not come to the realization that the few options that are given to them by the Mockingbird media and their useful idiots are only those that are already a part of the establishment of which they complain.

Don't be an Ostrich Hiding From Reality! It Can be Dangerous

The bottom line is to get involved, locally, where you can spend your precious time the most effectively. Regardless of political affiliation – today, it's either the "Constitution" or "Communism" because old party labels are dead and gone, and only serve to confuse – 99% of everybody really wants to live in freedom. Start there with those who might be stuck on those old labels, and their upstairs light may well turn on.

Gift of Freedom on Independence Day

We need to remember, this is only a preliminary injunction. While it will remain in effect until the case is decided, or

the injunction is overturned by a higher court, there is still a long way to go before justice can be served. That said, this injunction, not to mention the details within, gives me hope that our judicial system isn't completely corrupt.

Think Democrat Machine Isn't Planning on Rigging the Primaries & Election?

Religion, just like race, should not be a factor in electing someone to office. Allegedly 46% of CINO's (Catholics in name only) voted for Hillary Clinton in 2016 and 47% for dirty old man, Biden, in 2020. Presidential candidate Vivek Ramaswamy (net worth \$630 million) is a Hindu, same as Tulsi Gabbard. Vivek is working hard for the Evangelical vote by stating he's not a Christian but does believe in the "one god". Which one would that be?

Travels With Charley II: In Search of America's Future

Ironically, the Barbie Movie proves conclusively that Americans must tolerate more gender insanities, more "wokeness", more "transgender" senselessness, more racial conflict, more political absurdities and more of the people who are driving this country into the toilet.

The Wrath of God is At Our Door

Jesus spent 40 days speaking about the kingdom; not the cross, not the resurrection, and not His suffering. Those were not His message; His message was the kingdom and it should be ours also! The cross, death, burial, and resurrections were very important but were a means to an end and is not the main message of Jesus.

The Fallacy of “Live and Let Live”

Now that we have laid the foundation on the “Christian’s” need to purge her/himself and the duty to live righteously, we can move forward in our duty to demand, with authority in Christ, that our nation’s laws uphold God’s moral standards in all spheres of life!

America: A Society in Crisis

But, today, we style ourselves as having reached Kantian (enlightened) maturity, no longer (completely) accepting such

methods, if only because we think those methods are inhumane. Furthermore, our (U.S.) system of government not only permits disagreement, it has come to encourage it. It has created a (tacitly legal, at least) second category of citizen disagreeers who are not considered criminals.

Lazy Wimps & Freeloaders Want A Free Ride From Patriots

Common law is based upon the bible and precedents which are in turn God's Laws in the Bible. Communists detest religion as do their many acolytes in the inner-city plantations. Without exposure to God's Laws they don't know the Common law or right from wrong, or don't give a damn. This is why many people are writing off this generation of young people under Communist control.

The U.N. Lawyer Prosecuting Trump

As the "lawfare" against Trump proceeds, we can anticipate an International Criminal Tribunal targeting the United States, focusing on President Trump or any Republican president. One charge could be "contempt" of international law over the ICC, followed by charges of "racial terrorism" against America itself. Defunding the office of Special Counsel Jack Smith is one easy way for the House Republicans to stop these schemes.

Early Voting is Destroying Our Nation

Most of the “ballot harvesting” happens in the larger cities because it is so much easier to fake names, addresses, and signatures. Some states allow up to 30 Days early voting with very little verification of the voter’s identification with ballots dropped in stand-alone boxes throughout the city.

Disney’s Debacle

What fascinates me the most is the way Disney Corp just keeps churning out box-office bombs, one after another. It’s as if they really don’t care if they lose money. Counting the latest fiasco, “The Haunted Mansion”—a movie based on a Disney theme park ride, for pete’s sake—they’ve had ten losers in a row, totaling not quite a billion dollars.

Learn How To Dribble A Football: Life Calls You

Can you dribble a basketball? Yes, very easy for just about every kid and adult in America! Can you dribble a football?

Some things may be more challenging than others, so pick your opportunities. Start easy and work your way up.

Science, Agriculture, City Planning, and Global Control

Yet, some of the world's largest producers of meat signed on to this commitment – US, Brazil, Argentina, and Australia. Why? The National Cattlemen's Beef Association (NCBA), the organization many in the beef industry trusted to represent them, climbed into bed with the World Wildlife Fund, a UN non-government organization (NGO), a leader of UN Environmental Program (UNEP).

Capitol Building Quotes: Put This Up Against What You See Within The Halls of Government Today

How do those incumbents explain what it is that they have been responsible for illegally imposing on the people of the state of Minnesota in the face of what is graven on the walls of the Capitol? Take a look for yourselves.

Speak Out and Your Career is Over

What a sad difference in the movies today. I hardly watch anymore. Movies are packed with lies in order to change the culture. Lies have become so normalized that telling the truth becomes a punishable offence. The lies have a message of wokeness which means eventually I will be called a racist, domestic terrorist or someone trying to destroy the planet.

Bidenomics: Selling Bull Manure

But, that's only part of what's killing the economy. The cauldron has been boiling for years and it IS going to blow up. I want Americans to be warned so they aren't bulldozed like 2008 because this time it will make 2008 look like prosperity. My recent column, Can Banks Dump the Fed? has important information.

MAGA: Trump's Vision For

America

In this article, it is, therefore, my striving to delve into the policies and actions taken by the Trump administration that aimed to fulfill its commitment to “Make America Great Again.” Trump’s presidency marked a significant shift in American politics from tackling corruption and preserving American values to safeguarding electoral integrity and confronting global adversaries.

Cloud Talk—Sitting On a Cloud After You Passed Away

Did you accept the call while you spent your seven decades on planet Earth? Did you break out of a confining life or relationships? Like Noah’s struggle with the flood, ultimately, waters cleanse your body, mind and spirit during the journey.

A Thorn by Any Other Name is Still POISON!

Now that the masses have been conditioned to want what seems best for the immediate without regard to the long-term consequences, how can they even understand the price of Liberty? There is still hope. It requires a Third Great

Awakening. It would mean massive repentance and a return to acceptance of the Principles of Liberty. Otherwise, beware of what you want.

Build Back Better

Meanwhile, banks are failing, businesses are shutting down, joblessness is rampant, the homeless population has exploded nationwide with people living on the streets or in “tent cities.” The US dollar is collapsing. Violent crime is rising, even in small towns. Cities have become no-go zones, with their streets littered with human feces and drug needles. This is where we’re at, folks.

Prevention is the Cure

“Prevention is the cure; keep the pressure from getting under your skin by remaining calm at the point of stress.”

AI Apotheosis

We do not need a “new Bible” written by AI and the counterfeit spirituality that it offers. The actual Bible is composed of 66 books by 40 different writers over approximately 1,500 years. One consistent theme, God’s plan to rescue human beings

from the devastating results of Adam's fall through His Son Jesus Christ, runs all the way through these books.

How to Spot A BS Artist

A couple of weeks back, a commencement speech at Northwestern University by Illinois governor J.B. Pritzker went viral. Pritzker is a Democrat, of course. No one in his right mind thinks a Republican would be invited to speak at such an event. Well, on second thought, a RINO like Liz Cheney might be. Few others would.

The Constitution and the Criminal Enterprise

Invaders speak no English, have no education or skills and only bring disease, dependence and crime. The cost to deport the invaders will be high, but less than allowing them to remain. Otherwise, we will end up like France and most of Europe. If invaders remain until the widely-predicted Great Depression, there will be blood in the streets and fighting over food.

The Real Agenda Behind Red-Flag Laws: Confiscations and Gun Controls

Former US Secretary of State John Kerry wants to destroy the farming industry because “Agriculture contributes about 33% of all the emissions of the world. And we can’t get to net zero—we don’t get this job done—unless agriculture is front and center as part of the solution.”

The Role of the Federal Courts

The role of the courts is that of an umpire, making decision based on the law using the facts presented to them. Today, we have elevated their decisions beyond law into rulings, as if they were kings and queens on high. It would be one thing if their decisions were based in the law rather than the rantings of their predecessors.

Wayne Richard: Champion For Conservatism Takes a Stand

for Collin County, Texas

Attorney General Ken Paxton's figure in Texas politics shines brightly as a beacon of service and honor. His solid commitment to the state and its people has left an indelible mark, earning him the respect and admiration of countless Texans—those who dare to go against such an esteemed figure risk the unyielding judgment of the electorate.

Survey Results 'Shock' The State Of Oregon

Out of 349 students surveyed, 50 submitted "mocking responses" that astonished the surveyors. Oh, the humanity... Students "identified" as attack helicopters, called the questions "stupid" and "pointless" (which they were), and generally displayed a deplorable lack of reverence toward the idol, LGBTQetc. "Slurs" and "hate speech" galore.

Creating Solitude for Your Spiritual Bliss

In my own hiking times through the woods in acceptance of solitude, I feel the "sweet spot" of temperature playing upon my skin. I feel the essence of light shining through my eyes. I accept my quiet essence pulsing into the energies of life.

Once I reconnect with every blood cell charging through my body, I churn with delight.

Choice: A Euphemism for Slavery

A Euphemism is a nice word that stands in place of a less-appealing or desirable word. Choice seems to be irresistible. Who doesn't want more choice? Sometimes we have to be willing to consider the only choices presented are 50 shades of tyranny. Liberty is not on the menu and hopefully you won't have the presence of mind to notice.

It Cost the Lord Everything

Think of this, when we were dead in our trespasses and sins, God sent His Son, Jesus Christ, to die on the cross for us. We were hopeless without Him. Yet, He then sent His Son Jesus to intervene on our behalf, that is to those who receive Him, so that life becomes "no longer I that lives but Christ that lives through me".

Zero Hunger (SDG 2) Means Starvation for All?!

We must DEMAND those participating in these unAmerican parameters that Constitutional violations will not be ignored by We the People! To continue down this corrupt path is equivalent to that of treason. Why? Collusion with the foreign enemy, the United Nations!

A Declaration on God and Freedom

When humans are enslaved or dominated by others, darkness spreads from heart to heart. Yet nothing—nothing at all—can extinguish the light of God that dwells in every human. It is the permanence of the presence of God that offers humanity real and substantial hope in a world that would otherwise descend into tyranny and hell.
