

Losing Heart? Don't

I'm also getting a dozen or more emails every day from Mitch McConnell and other aphids calling on me to pour more of my own money into the U.S. Senate race in Georgia. In the wake of McConnell & Co. giving up on President Trump and conceding the White House to Biden the Fraud, I find their schnorring really hard to take.

The End of a Very Nasty, Desperate, Angry Year

What about our political divide? How do the 74 million Americans who voted for Trump all of a sudden support Biden who has insulted half the country with his vitriolic statements? What happens when half our elected officials despise the other half—and then work against each other? They get paid enormous salaries, yet get nothing done to solve any of our problems.

One of Theirs, NOT Ours

Like it or not, America is already at war within. The war has actually been going on for quite some time now, although most Americans remain totally unaware. What we have learned since November 3, 2020 is that most of the people sitting on a court bench in this country are one of theirs, not ours.

Article IV, §4, US Constitution Requires Congress, Supreme Court, and the President to Stop the Steal

But not only did Barr not lift a finger to fight the fraud – he denied there was any fraud. He too shirked his constitutional Duty. Shame on William Barr!

Will Trump Start a Third Party to Take Back America?

Even worse, at a conference of the American Freedom Alliance, Higgins narrated a slide show that depicted Republican Senate Leader Mitch McConnell and House Republican Leader Kevin McCarthy as being “a lot more dangerous” than the Marxist left because they offer a “cheap version” of what the Democrats are offering.

Unlawfully Corraling You Into Taking Vaccinations That May Have Serious Side Effects

Here we have corrupt politicians working hand in glove with the mainstream media, who are pushing fear 24-7, over a narrative that they cannot prove, in an attempt to corral everyone into taking their vaccinations (Leviticus 17:11, 19:19).

Courageous Patriots Challenge the Invisible Government

These are dark times, in which the propaganda of deceit touches all our lives. The information age is a media age. We have politics by media; censorship by media; war by media; retribution by media; diversion by media – a surreal assembly line of clichés and false assumptions. Every time we turn on a computer or pick up a digital device, we are subjected to control...

APPENDIX 2: Flyer

APPENDIX 2: Flyer

You can tailor the introduction to suit your situation. Just

copy and paste into your WORD processor, two-sided. I tri-fold mine when I give them out. This is mine:

I am your neighbor here in Big Spring, Texas. I've also been a constitutional activist and investigative journalist for 30 years. I deal in truth, not propaganda or political spin. I don't ask you to believe me, *it's up to everyone to verify* which is why I have put together this information for you. What's being done to this country regarding COVID-19 is criminal.

Do you want the truth about COVID-19, masks and the tests being used to detect this virus? Do you believe the media which screamed Russia, Russia, Russia! for two years only for that manufactured lie to fizzle is giving you the truth?

Back in 2009, CBS award winning investigative correspondent, Cheryl Attkisson did an investigation into the H1N1 'swine flu' "crisis" and discovered most Americans never even had it. CBS published her phenomenal reporting on their web site *but killed the story for TV.* Do you know courts have ruled media are allowed to lie to you? That is a fact.

Do you know the gold-standard PCR test being used for the past ten months does NOT detect this virus? Do you know Dr. Anthony Fauci was being investigated by the FBI for criminal acts, but in 2013 that investigation was killed by dirty cop, fired former Director of the FBI, James Comey? Do you know the CDC has been unable to isolate this COVID-19 virus?

I urge you to take the time, for you, your family, friends and our country, and follow up on the factual articles and columns below. Just use a search engine with the title, author and web site. There are thousands of articles and columns all censored by the MSM and the big tech "Gods of the Universe"; too many to list here.

Is Dr. Anthony Fauci Guilty of Negligent Homicide? By Kelleigh Nelson, NewsWithViews.com – In 2009, Fauci and other scientists did a huge analysis of the 1918 Spanish Flu which allegedly killed 20million people. “They discovered that most of the victims of the Spanish Flu didn’t die from the Spanish Flu. They died from bacterial pneumonia. And the bacterial pneumonia was caused by.... wait for it, wait for it.... wearing masks.”

Won't you do your part by making copies of this flyer and hand it out wherever legal? Family, friends, employers, employees, your doctor and state representative, your governor, State Attorney General, school board, city council and county commissioners? We must stop the destruction of this country before we go over the cliff.

APPENDIX 1: Vaccines

APPENDIX 1: Vaccines:

How many remember or even know how deadly the first polio vaccines were? [The tainted polio vaccine that sickened and fatally paralyzed children in 1955](#) – “It was ‘one of the worst biological disasters in American history,’ one scholar wrote.”

I was very surprised to see Dr. Bernice E. Eddy mentioned. If you read my April 26, 2015 column, [POLIO VACCINE, CANCER AND DR. MARY’S MONKEY](#), you would already know about Dr. Eddy. The column is long so scroll about halfway down to where it begins about Dr. Mary’s Monkey. Dr. Eddy was murdered because of what she knew and was telling. Just three paragraphs from my column:

“Most importantly, Haslam introduces us to the dark side of the Polio Vaccine and the complications it went through during its development and the lasting problems we are now struggling with because of it – the SV-40 VIRUS. Ask your doctor or a med school faculty doctor about the SV-40 Virus, and you’ll learn, they know nothing about it. Their education and training has been so carefully compartmentalized and they know nothing of these issues, but they are all over the internet if you choose to look. Haslam teaches us about many doctors who lost their careers trying to blow the whistle on these issues.

“In short the polio vaccine made from monkey kidneys carried the SV-40 virus which **remains dormant inside baby boomers** who received the polio vaccine until the immune system is weakened to the point where the SV-40 Virus can transform into one of the major cancer’s: lung, breast, soft tissue, bone cancer, etc. In the early 50’s 22,000 new cases of polio was called

an epidemic, and Ed Haslam now asks, how come around a million new cases of cancer each year is NOT being called a cancer epidemic? I think it's a fair question.

"Hopefully, you will read Haslam's work and get your family, friends and associates to read it. Main stream media had a chance to share this with us in 2000 when 60 Minutes had spent more time and money on this story than any other segment of the TV Magazine's history according to their producer, but the network producers would not permit the program to air." Another cover-up.

No Governments Have Isolated COVID-19 Virus—What Does That Mean?

It's been ten long months since COVID-19 burst onto the world's stage. What I present in this column will not be believed by millions of Americans. Why? Because of something called cognitive dissidence. "A term used to describe how people experience mental discomfort when faced with conflicting beliefs."

Follow Your Dreams No Matter What Your Age

At the end of 2020 and the beginning of 2021, you might consider your life on this planet as an "eternity" of 80 years, give or take. You may choose any style, any path and any attitude. You may live large, average or choose a "meek" existence. It's up to you. It's your choice. It's your individual "eternity."

Santa's Surprising Origins – A Christmas Classic Feature

As for the commercialization of Christmas, there still is a bright side. It is the one time in the year where we can hear songs proclaiming the King of Kings and Lord of Lords, with others heralding the birth of The Holy Child, Jesus Christ our Savior coming through the loud speakers of the malls and shopping centers of the secular world..

America Is Rising. Part 3

What has been happening in America over the last 75 years is a concerted effort by the left to take total control of the United States with a political system that will ensure that a conservative never again attains a high office of influence. That is why there is such a push on getting rid of the Electoral College.

Ghosts of Christmas Past

Yes, I am sad for the young people of today because the country our forefathers fought and died for to preserve our freedom, including our freedom OF religion, where once we had

BOTH reverence for God AND respect for one another, we've become so intimidated by a spirit of political correctness...

Will The Treasonous 2020 Election Fraud Cause a Civil War?

I love my country, but I have total contempt and loathing for all the corrupt officials and wealthy people who bribe them. I will never accept these criminals and traitors as my rulers. I will never cooperate with Democrat/Communists who are attempting to usurpe our Republic, much less support them in any way.

Celebrating Christmas is Politically Correct

Therefore, celebrating Christmas through Nativity displays, public prayer, sacred song, and all other forms of Christian witness are consistent with and supportive of the American View of Law and Liberty and are the essence of American government.

Behold the Sign of the Lord

The actual circumstances are at the mercy of the Almighty God of Heaven and earth, regardless of what men may have planned. But my personal responsibility in this is: I must stand firm in my faith. My faith must not waver.

A Battle Against Lies

The problem we face today is corruption in government, the media, and the church that runs so deep that it is uncomfortable for some to even talk about it publicly.

Did We See a... Pterodactyl?

Christmas Eve today, and Christmas Day tomorrow—I don't feel like writing about politics, and I don't blame you if you'd rather not read anything about politics. With a stolen election hanging over our heads, our country is in the most danger it has faced since World War II. We are looking down the barrel at the end of our republic.

Honor Thy Father and Mother

The Ten Commandments are at the heart of the American culture. Although they do not receive the prominence they once held in America, they are still the backbone of our society. America would be a much better place if we still taught them to our children today.

Merry Christmas in an Upside-Down World

Merry Christmas to you and yours during these waning days of 2020. May the birth of Jesus soothe your soul and inspire the days ahead of you. May your generous love for your family sustain them, bring joy and hope.

My Body, My Country, My Choice

Forced masks, social distancing, house arrest, unemployment, business closures, vaccinations, totally fraudulent elections, legal voter disenfranchisement? So much for freedom and liberty...land of the free, home of the brave! You don't even have "legal standing" to defend yourself or your country, according to recent decisions by the deeply corrupted U.S. Supreme Court.

Globally Refusing Vaccines: 75% Of Israelis Refusing To Get Vaccinated

Despite the relentless COVID propaganda in the Israeli press – including Prime Minister Netanyahu allegedly agreeing to be the first in Israel to be vaccinated – the vast majority of Jews in Israel do not plan to get the COVID vaccine when it becomes available to the public in late December

Democrats, Take Your Power- Hungry Demagogues And Shove It!

“One ought never to turn one’s back on a threatened danger and try to run away from it. If you do, you will double the danger. But if you meet it promptly and without flinching, you will reduce the danger by half. Never run away from anything. Never!”

Letter to the Editor of the New York Times, Part 2

The last person with any intellectual integrity at the NYT, A.M. Rosenthal, warned in “The New World Order” (May 5, 1998): “The U.S., its democratic allies and major dictatorships are rapidly building a new world order....The U.S. gets to sell strategic material to China, offering as a extra a visit by the U.S. President to honor the Communist leaders and expand their power and political life span.

Bill Barr Still Covers for the CIA

As Bill Barr is walking out the door of the Department of Justice to open presents on Christmas day, Kimberley A. Strassel of the Wall Street Journal tells us that he is an honest and upstanding Attorney General who believes there was no CIA role in the effort to bring down President Trump.

Christmas Magic: Moment Frozen in Time Where the Bolt

Goes Into the Bottom of the World

As a country, we faced horrific upheaval racially, sociologically and ethnically. We've sown the seeds of our own demise since 1965. We've carried on two empty and meaningless wars since 2001. Those wars cost us thousands of young men and women in combat, but we suffered an astounding 114,000 suicides of active and retired military from the Afghanistan and Iraq Wars.

Just Say 'No!'

So what's actually IN the COVID vaccine? Like many others, there's Formaldehyde, which is embalming fluid; then there's Aluminum, shown to cause neurotoxicity, Alzheimer's disease and cancer; next, an ingredient called Nagalase, which is a protein excreted by cancer cells. It's found in patients with cancer, autism, diabetes, immune disorders and viral and bacterial infections.

America Is Rising, Part 2

We have seen that since the days of Woodrow Wilson we have men in places of authority, high places of authority, begin to take America towards that path of socialism and communism. The president that destroyed our monetary system was good old

Woodrow Wilson. Then in the 1930s, Franklin Delano Roosevelt put the big push on with all of his...

Drag Racer Denny Guinta Completes Final Lap

The toughest thing for any writer to do is announce the departure of a best friend. A best friend is closer than a brother even though both are gifts from God and both bonds are strong. But one does have a bit more latitude with a best friend than could take place with a brother or sister.

It's Time to Expose and Punish Traitors

The dramatic hacking of federal government and private networks demonstrates the threat. What many won't concede is that these hackers, apparently originating in Russia and/or China, also have the demonstrated ability to hack into our electronic voting systems, and undoubtedly did so.

Cancel Culture: Social Justice, Political Correctness, and the Woke Menagerie, Part 4

We are in a battle, one of wits, words, and betrayal. Soon it will become even more deadly than it is now. We must win this war, because there will be no room for a do-over if we lose. The loss will not only be homes and lives, but the flame of freedom across the entire world.

The War For True Liberty Continues

Since before the time of the biblical matriarch Abraham, to some degree or another, there were men who sought another way of life beyond the normal oppressive kingdoms and dictatorships. Even before Abraham, certain men were seeking to dominate their fellow human beings and mold them into their wicked anti liberty and anti God image.

The Age of Manufactured

Consent

How do you govern a country when roughly half the citizens, and very likely more, believe you have no right to govern them at all? Because you lied, cheated, and stole votes to rig an election: that's how you got your power.

The Bondage of Lies

Lies. All lies, taught to our children as Truth. No wonder millions of Americans walk around wearing dog muzzles in the name of science. Soon they will be lining up for a vaccination that "they" tell us will prevent us from getting the flu.

What's The Mystery Of Mexico's Millions of Poor People?

Why would Mexico with all its natural resources, oil reserves and hardworking people be considered a "failed-country?" Why would it house the most violent drug cartels in the Western hemisphere? Why would 15-million of Mexico's citizens illegally migrate into the United States? Why does Mexico's elite do little to correct the inequitable wage norms...

Is Trump Headed for Mar-a-Lago?

I still hold out the hope that Trump will somehow use executive power or the Insurrection Act to expose and arrest the saboteurs behind the election theft. But the Trump decision to allow Attorney General Bill Barr to resign, rather than be tossed out on his big rear...

Do As I Unconstitutionally Say, But Don't Do As I Hypocritically-Criminally Do

What is it that Americans will not tolerate? I know not. From Austin's mayor vacationing in San Lucas to a governor golfing and gathering at a social event. Do Americans really believe that this corruption will not catch up to us? Because it is. It has rightly been stated that those that are not zealous against error are not likely to be zealous for the truth.

To Kill A Free Nation, Take Over Public Education

Millions of American old timers feel just like this one does but they are too old to get involved, or unable to articulate their concerns in one form or another. It is up to the young ones to save liberty, but the young ones have been brainwashed in a public education system that was pre-programmed to kill a free nation in just a few generations.

Trump Can and Will Win on Many Levels

It seems that the Supreme Court already ruled in 1997 in *Foster v Love*, that all ballots received after midnight on election day are to be thrown out. Hark, how soon they forget the Constitution and the law, even their own rulings and succumb to political pressure and threats from elections criminals.

The Daily Caller should change their name to: The

Daily Propagandist

Fox news has fallen to the Leftist regime, and now apparently The Daily Caller is in hot pursuit of the Leftist dogma train. The list is getting smaller every day of news outlets that can actually be trusted. Conservative outlets NEED your support, including this one. Sign up for our daily news brief and desktop notifications and bypass the censorship machine.

The Fate of America is in Trump's Hands

But it's Jill Biden who wants Joe in the White House, as she desires the power to promote the Cultural Marxist agenda, as she did when Joe was vice-president under Barack Hussein Obama. One of her pet projects was transgenderism for kids, a cause embraced by Joe himself during a presidential townhall when he talked about 8-year-olds being given the right to change genders.

Immigration, Resources, Our Civilization: What The Future Looks Like

If you haven't seen the video, watch it for your children.

They walk right into the crosshairs of the future of our country: This video graphically and dramatically illustrates America's immigration-population crisis. I wrote it and narrated it. Tim Walters of Cleveland, Ohio directed and produced.

America Is Rising, Part 1

To make this as clear as I can I have to give a history, not exhaustive by any means, of how America has come to a point of being on the verge of accepting socialism or even outright communism after defeating decades of attempts by outside forces we now see that there are forces within America that are attempting to turn America down the path to the hell and destruction we have seen the USSR and Venezuela go down.

A Repeat of the Battle Athens, TN?

As I said earlier, this could have easily been avoided. The county election officials all work for the people of that county. Board members are elected, and they in turn hire and oversee poll workers. If you hired a store manager and found out they were allowing the employees to steal, wouldn't you fire them? Then why didn't the citizens of these counties fire these officials?

How Trump Can Remain in Office No Matter What

People are not contributing tens of millions of dollars to Trump's Election Defense Fund just to see him walk away from the oval office if the "High Court" rules against him on spurious grounds. That's when Trump must exercise his constitutional authority to stay in office until a fair and honest election is held. Anything less would be a dereliction of duty.

Don't Let This Ruin Your Christmas

Americans have found out the hard way about what we call "porch pirates". Petty criminals who troll neighborhoods looking for packages on porches. They stop, snatch within one minute and take off before a homeowner even knows what's happened – if the homeowner is even home.

Democrats Have Turned Normal

and Common Sense Into Raw Sewage

Socialist Democrats, starting as far back as President Woodrow Wilson, created out of thin air a whole host of additional social rights accruing to American citizens. Why? To buy votes of course. As the social rights grew under successive Democrat administrations, so did the enormous price to pay for those social rights.

During This Time Of Christmas We Must Not Forget The Greatest Gift Of All

Throughout our republic there are numerous reminders of the greatest gift of all. Unfortunately, there is a concerted effort to systematically wipe out this greatest gift. Much like the barbarians who sacked ancient Rome, recently, modern day barbarians in the form of Antifa and black lives matter tried to eradicate America

Pearl Harbor Day, 2020

What if, instead of attacking America's Pacific Fleet at Pearl Harbor, the Japanese sought to dominate America politically,

economically, financially? What if they had access to technology that would allow them to corrupt American leaders and meddle successfully in American elections?

Take Off the Muzzle and Save America

Small businesses are going broke because of these governmental miscreants. They are closing down mom & pop businesses for one reason only, "destroy the middle class" A prosperous middle class is the enemy of communism. NOTICE, they are not shutting down Big Tech and Big Hollywood.

Rivers Getting The Snot Pounded Out Of Them Everyday

At some point when enough Americans realize that they are losing their country, we can drive this issue to the forefront of the mainstream media, or, at least create a grassroots revolution to stop all immigration into our country—that's if we want to survive the 21st century as a viable and sustainable civilization.

Truth Has Been Canceled – It Will Take Freedom With It

Today fear is the prevalent control factor. Fear of getting sick. Fear of unemployment and being financially devastated. Fear of being shamed on social media. Fear of being called a racist (if you are white). Fear is effective. It results in paralysis and looking to the authorities for rescue. Sometimes, of course, fear is justified. Other times, not. The point is, fomenting it has proven to be a very efficient control mechanism.

What Happens To A Nation That Refuses To Hold Their Representatives To High Standard Of American Government

What do the American people expect of their representative government when they act outside of their scope of authority, especially when they themselves are immoral reprobates?

Longtime Democrat Strategist Masterminding the 2020 Election Steal

This is none other than the attorney of record who works for the high-powered Democratic law firm Perkins Coie. The same lawyer who hired Fusion GPS – who hired former British spy Christopher Steele, who in turn wrote the infamous Steele dossier. Elias was also an attorney for the DNC and Hillary Clinton – both of which financed the spurious Steele dossier.

The Science Cult

The Coronavirus pandemic is just a cover to hide a very dangerous real virus threatening our lives, but it is not the Coronavirus. This extremely dangerous virus, responsible for 5.3 million deaths in Germany, 30 million deaths in Russia and 60 million deaths in China, is the virus of totalitarianism. Ignore it at your own risk.

Rules for Revolutionaries: A Guide to Understanding the

Radical Left's Plan to Reimagine America

Absolute loyalty to the revolution must come first; this extends to one's family. Children are encouraged to inform on their parents if they hear anything that can be interpreted as "counter-revolutionary; organized religion must also go. The revolution cannot have loyalty to God supersede loyalty to the state.

Pearl Harbor Was No Surprise

Relevant to the December 7 anniversary of the Japanese attack upon Pearl Harbor, the American public has been told that the Japanese fired the first shots of World War II, but actually, the U.S. did! Several hours before the attack upon Pearl Harbor, 5 Japanese minisubs were seen there surveilling American preparedness. They were pursued and destroyed.

Post American Presidents: Barack Hussein Obama and Kamilla Harris

Harris will promote unlimited immigration from all third world countries and all their refugees. That will flood this

country with millions of people from Africa, India, China, Mexico and every failed country in the world. She will promote open borders, citizenship for 25 million illegals...

It's What Real Men Do

I will say this; I personally feel utterly ashamed that I have failed in so many of the few qualifications that have been listed in this article of what a real man should be. My sincere prayer is that by God's marvelous grace and mercy that I can come closer to meeting His standards of what a real man should be

Dancing In The Cemetery

Since this current election which is still being debated, 280,000 Pennsylvania ballots disappeared. How convenient. Yep, the zombies are still very active during certain election seasons and will continue to be in the future. Be careful walking through the cemetery. Especially at night.

Are We Witnessing A Coup

D'état

America has always been known as a nation of fairness. The integrity of America was established in 1776 and has carried through until the 20th century. It began to deteriorate, in my opinion, during the presidency of Woodrow Wilson. Several of his policies began to take America on a backward path, i.e. he segregated the military which hadn't been segregated since the Civil War. He was the one that gave us the Federal Reserve which is neither a reserve nor is it even part of our government.

Some Health Realities I've Learned in the Last Couple Decades

There's a frantic campaign in America to control the narrative over a pandemic with a less than one percent death rate. The solution we're being fed is to inject chemicals and altered substances into our veins. They are aggressively framing this pandemic as a societal health issue, when in fact it is not. They are aggressively attacking natural and spiritual remedies and wisdom.

Pearl Harbor Survivor S.J. Hemker: Remembering Dec. 7, 1941: “A Day Which Will Live in Infamy”

One American for whom the Patriot Harbor attack did “live in infamy” for all of his long, productive, and patriotic 100-year lifetimewas, Pearl Harbor survivor Shelby John (“S.J.”) Hemker of Banning, California.

A Terrorist’s Wish List

It is obvious that the intention of the Swamp is to lower the American “Way of Life” until China and other nations can catch up to approximate their equivalent of the American standard of living. At that point, because most nations are now relatively “equal” the United Nations can insist that we all follow the same set of rules, e.g. whatever the Communist oriented plutocracy chooses.

A Constitutional Roadmap for Conquering Election Fraud

Election fraud strikes at the heart of our Constitutional Republic. Therefore, Congress, the federal courts and the

Executive Branch [i.e., the “United States”] have the duty, imposed by Article IV, §4, to negate the fraud in order to preserve our republican form of government.

Giving Thanks In the Midst Of The Madness

“We the People” of our beloved republic have possibly just recently witness the biggest cheating scandal in the history of humanity. The threat of a Joe Biden presidency still looms over the United States, like a menacing dark cloud of gloom and doom.

Deep Stater Bill Barr Sells Out Trump and America

We have a corrupt judiciary, a corrupt Justice Department and a corrupt FBI, and as Trump said when he was campaigning for the office of President in 2016, “The system is crooked.” We have an AG whose inaction is the definitive action regarding the outcome of the 2020 election.

We, The People

George Washington warned us, “Government is not reason, it is not eloquence,—it is force! Like fire, it is a dangerous servant, and a fearful master; never for a moment should it be left to irresponsible action.”

Why Is Diversity and Multiculturalism Horribly Unworkable?

America cannot become the “charity ward” for the world’s desperate people. We cannot degrade our citizens for Mexico or Central America’s poor. We cannot save Africa’s refugees when we suffer 13 million American children living in poverty and 1.5 million homeless. We cannot pay for immigrants’ food, housing and education when we’re \$26 trillion in national debt.

How to Set Up a Global Government

Globalists want a global government. They’ve wanted it for years; and right now, they’re closer than they’ve ever been to achieving it. And they can do it, too—if only they can solve a

few simple problems.

Christians: The Forefathers Appeal Was To Jesus and Heaven – Not To Politicians

How Americans have forgotten their Christian heritage amazes me to no end (Hosea 4:6). What happens to a people when they forsake God's moral law (Exodus 20)? Well, the Bible tells us that they praise the wicked (Proverbs 28:4), and the wicked they praise.

Your Conservative Vote Won't Save America From Socialism

How are the free people of America going to stop the onslaught of socialism, radical environmentalism and the move towards one-world government? If the brainwashed socialists and the radical environmentalists have the majority vote, or if they cheat to make it appear that they have the majority vote, your conservative vote can't override their majority vote and their radical agenda prevails.

Swing State Legislators: “Is There Not a Cause?”

To the Republican legislators in these five States, what is it you would like your grandchildren to say about you decades from now? Surely the answer should be, “My grandfather was in the State house in the middle of the 2020 election crisis.
