

Weapons Government Traitors Use: Big Lies, False Flags, and Projection

It is estimated that about half of our population is brainwashed and under control of the PSRRC, 'woke' corporations and government. These are Lenin's "Useful Idiots" who are ignorant (regardless of education) and will only learn the truth when they are starving.

Iman: Iran's Interim Unifier

I am confident that Dr. Iman Foroutan will receive both support from the Iranian people and from democratic foreign nations. I have known Iman for decades and have no doubt he will be an instrumental part of a "factionally diverse interim government." Time is of the essence.

They Are Not Protectors of the Planet But Destroyers of Human Society

Always in the past there have been forces seeking domination over others. Kings saw it as their duty. Megalomaniacs like Napoleon, Hitler, and Stalin lusted for the control and power

to satisfy their hatred, mistrust, and insecurities. They sent armies. They tortured, killed, and subjugated their enemies through force.

Two-Faced Tulsi

The controversy stems from Gabbard emerging as an independent and dissident voice in the Democratic Party who was willing to blow the whistle on Obama's pro-terrorist and pro-Muslim Brotherhood policies in the Middle East, which contributed to a civil war resulting in the deaths of hundreds of thousands.

Narcotized

The Chinese military has openly stated that it is preparing for war with the U.S. Ask yourself this question—If you were President of the United States, would you invite large numbers of an adversary's specialists (e.g., nurses, computer experts, etc.) into this country? Of course not! At the very least, you would consider the possibility they might be spies or saboteurs.

On the Eve of Destruction

Part 2, Sociology

Besides destroying (or attempting to destroy) Christianity by merging all religions and beliefs together into the United Nations pot called the World Council of Churches, the second key to overthrowing moral absolutism is education – again through Sociology.

Your Dreams For Your Life In 2023

Along your path, stick your neck out. Sniff the wind. Harness your mind. Call upon your muscles to engage. Gaze upon the horizon with your eyes. Remain alert to the creative process.

Warning to Ali Khamenei

To misguided advocates of negotiation with the devil (mullahs), beware. The mullahs are on an Allah-mandated mission. They are intoxicated with petrodollars and aim to settle for nothing less than complete domination of the world under the Islamic Ummah. The pressure, led by the vanguard of freedom, university students and notable women are gathering more force.

A Satirist's Sighs

Once upon a time in ancient Wales, kings and chieftains were very careful in their dealings with bards, for fear they might be made the subject of a satire. It was believed that a sharp satire, driven by real passion and following all the formal rules of bardic satire... would come true! And you'd wind up blind, or...

Send the Migrant Buses to the Catholic Bishops

The Catholic Church has a "Join the Justice for Immigrants Campaign" that urges people to "Take action in solidarity with immigrants, migrants, refugees and people on the move." Why not send the immigrants, migrants, and refugees to Catholic Churches or the homes of Catholic politicians?

Big Tech Colluding To Shut Down Independent Media

I know that the people are always looking for a straw-man and when it comes to what they call the deep state, it does not

exist. The deep state, as it is called, is nothing more than just a straw-man to blame when, in fact, it is the politicians doing the biddings of special interest groups...

An Historical and Strategic Event Never Memorialized

The consequences in Korea in 1951 are nothing compared to what we are currently and will continue to be confronted with in our nation because 99+ percent of the people rejected or ignored all information that revealed that an evil force was, and had been for many decades, constantly working, and conniving to destroy all rights of Americans...

The Year 2022: Looking Back, Looking Ahead

The Russian incursion into Ukraine last February was the inevitable long-term result of the CIA-backed coup that took place there back in 2014. A democratically elected but Moscow-sympathetic government was overthrown and replaced by an autocracy sympathetic to NATO and hostile to Moscow, and to Russians more broadly.

to the Supreme Court

Mr. Brunson's case is audacious, and not just because of who the defendants are. He claims that a unique breach of national security occurred and that the only redress for this grievance is the removal from office of the President, Vice President, and most of the members of the House and Senate.

Inequities, Ironies and Insanities In 2022

How much longer can our country continue on this kind of unethical path where so many of our House and Senate members are dishonorable, our president is senile beyond anyone's comprehension, and we citizens are taken for fools?

The Failure of America's Politicians, Part 2

Ronald Reagan stated: "Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free." It is our time to act.

Being Deceived More Each Day But Now It's Time to Grow and Wakeup

I warn you that Jesus said in Matthew 10:39 that whoever tries to save his life will lose it and he who loses his life for My sake shall find it. Pastor you remain silent in an attempt to save your ministry and refuse to speak out, you will lose everything!! "Silence in the face of evil is itself evil; God will not hold us guiltless."

From Trashed to Treasured

When we were condemned to destruction, God showed us mercy on account of Someone else. Because of God's love for us through His one and only Son Jesus Christ, we are reconciled to Him. We are taken from the garbage dump and seated at the King's table (Matthew 8:5-13).

World Demanding Freedom, What

Is happening to America?

Even the workers who are paid to keep the Chinese people locked in their building are protesting – because they aren't being paid. Nevertheless, they feel comfortable? strong? Enough to stand up to the powers that be in China.

They Are Not Protectors of the Planet But Destroyers of Human Society

Sustainable Development involves a progressive transformation of the economy and society. It is based on international interdependence and redistribution of wealth. It demands that we all live on less. It opposes free enterprise and demands its destruction. Instead it merges environmental policy with economics in decision making – with nature always overriding man.

The Luciferian Plot to Steal Christmas

Until I read *The Devil and Bella Dodd*, I thought the greatest defector from communism was Whittaker Chambers, who fingered Alger Hiss as a communist spy for Soviet Russia and identified

a communist network in the highest levels of the U.S. Government. But...

The Controlled Demolition of Trumpism

What we have just seen is, of course, unprecedented. Not once in U.S. history has a former president been accused of federal crimes committed while in office. This sort of thing happens in second world banana republics. Although in backhanded fairness, the U.S. is looking more and more like a second world banana republic with each passing day.

Open Borders, Promoting and Caring For Invaders is Constitutional Treason

Nothing so harmful and destructive has ever been done to our country and its people before, not even the 2 World Wars...nothing! America's borders must be closed and the invaders deported, or the country as we knew it is over. All of the sacrifices and deaths for the Republic since its founding will have been in vain.

Yes, It's World War III

We have not yet learned how to defend ourselves against an enemy that hides in the shadows, lies to us with skill and daring, drapes itself in robes of "science" and "democracy," has no problem with calling evil good and good, evil, corrupts and bamboozles us at every turn, and thinks itself a god walking on the earth.

This Christmas: A Letter of Thanks to My Dad

When I finally breathe my last breath, I want you to know that I made you proud. I honored you in my daily life. I know that you were never a famous man...and at the same time, you've been the highest towering figure in my life. I sure hope you're still umpiring behind the plate in Heaven.

The Moral Bankruptcy of the Catholic Church

If you want to close the border, shut down federal funding of the Roman Catholic Church in America. Nothing else will work.

The church is the handmaiden of the JoeBama regime in facilitating the invasion of the southern border.

Mocking God: Biden Invites Drag Queen To Signing

They are daring the justice of God and when that justice comes, and it must surely come, it will fall on them, as well as those who tolerate these crimes against Heaven (Galatians 6:7).

If It Doesn't Make Sense, It's Probably Not True: Ukraine

For a decade or more, the US media public has been inundated with invective directed at the fledgling state of Russia. "Fledgling" because although it's been around for centuries, Russia has shed the wastrel, civilly abusive structure which was the USSR.

Open Letter To Supreme Court Justice Clarence Thomas (SCOTUS)

Justice Thomas, I know you to be a good, even great man and I know you are one of the few who has the position, intellect and courage to save our country from total ruin. We are close to a Major Economic Collapse of a magnitude never seen in America which will leave us devastated.

Touch Not the Apple of His Eye

In Deuteronomy 32:10, Moses declared that all God's people, could confidently ask God to keep them a reflection on God's iris. The words of the Prophet Zachariah promise that those who hurt God's people will pay, for God constantly keeps His people in the iris of His eye.

Hypocrites of Christmas

Power concedes nothing without a demand. It never did and it never will. Find out just what any people will quietly submit to and you have found out the exact measure of injustice and wrong which will be imposed upon them, and these will continue

till they are resisted with either words or blows, or with both.

The Road to Dystopia is Paved with CBDCs

Should the United States implement a CBDC, then the failure of the republic would be complete. All it would take is the Fed refusing to honor cash and everyone would be forced to do business with one bank, the Federal Reserve. We would look more like Communist China than the country created by the Framers of the Constitution.

Christmas Gift: Your Fate Follows Your Vibrations

By changing your inner thoughts, by acting on your highest vibrations and by moving with those energies that transform you—you in turn, transform the world. If a little child in a manger can transform the world with his or her vibrations—you carry the same power in your sphere.

Affliction Of The Soul

Mankind has fallen victim to the mercy of nature, lured there by something subnatural and unreal. Man has been created differently from all other creatures. He needs a master, a source of meaning and direction in his life.

The Failure of America's Politicians, Part 1

Looking back at the actions of Eric Holder he refused to enforce laws he didn't like, which was illegal, and the fact that he was running guns to the Mexican cartels that were used to kill Americans and refused to supply the documentation to Congress and was held in contempt of Congress but was never prosecuted for it.

Religion Governs All Mankind

One definition of insanity is to keep doing the same thing over and over again expecting different results. Folks, there are no answers in, and from, mankind on their own! Read now the final and only answer that, along with sincere and heartfelt repentance, offered hope for man.

The King Is Coming!

Behold! Not that far away in the distance is the city illuminated by the Lion of Judah, the Lamb slain before the foundation of the world for our sins, the KING of kings and the LORD of lords. It is getting brighter as it draws nearer. King Jesus, who has never abandoned us, and never will, is coming!

Personality Changes and Heart Damage After Covid Vaccine

All vaccinated for Covid are in grave trouble. Once the spike protein is in the body it cannot be taken out. I believe that many will die over the next few months. As if the above information was not bad enough, there will be many more dying as a result of auto immune diseases when the body attacks itself secondary to the antibodies that come from the spike proteins.

Florida's False Prophet

He should quickly reverse course and request a grand jury to investigate Red China, demanding compensation for the millions

of deaths caused by the China virus. That's what an anti-communist governor would do.

Bluffing Their Way to an Art. V Convention, Part 2

Posthumous Endorsements. Meckler apparently conjured up Justice Antonin Scalia's support after Scalia's death. Scalia's opposition to a constitutional convention was a matter of public record from a 2014 interview. But Justice Scalia's body had scarcely gone cold when Meckler broadcast that Scalia supported an Article V Convention, based on law professor Scalia's published comments from 1979.

Take a HARD Look "Politics" Now Equates to Survival

This piece is, once again, dedicated to all those who already "get it", and are doing their best, whatever that may be. I've talked to everyone from busy activists to people in the later stages of terminal illnesses who are working with other patriots across the country. My love and respect to all of you in the trenches of our freedom fight.

The Solution to Open Borders

Consider Fox News, leading the drumbeat. Fox owner Rupert Murdoch is co-chair of the Partnership for a New American Economy, along with liberal moneybags and billionaire Michael R. Bloomberg. The Partnership for a New American Economy is based on bringing in immigrant labor described as “new Americans.”

UK Politician, Matt Hancock, Seeks to Make Amends, and A Christian Perspective on Forgiving and Forgetting

My instinct in answering the question at the time, was to apply it to human nature, and to state that they can, no matter what their personality has been perceived to be. There is always the possibility that despite being a certain type of person, people can, and do indeed change for the better.

A Top to Bottom Housecleaning

of America

When we clean our house, my wife has a slogan, "Top to bottom," meaning you have to target the whole house. The same advice applies to nations. We have one advantage. The USA has not gone full communist – at least not yet. This gives us an opportunity for redemption and reform.

I am Homo-Nauseous

What is wrong with the Church? Can't they see what is happening to America? Can't they see what is happening to our children? Can't they see the rug is being pulled out from under them?

Pedaling To The Edge Of The Map

Later, I rode up on Monkey Mia Beach where I discovered some people playing with dolphins racing around in the water. The Aussies invited me to play with the dolphins, too. I jumped into their play-pen to catch a ride on their dorsal fins. I was literally dancing in the water with wild Indian Ocean dolphins. How's that for pedaling to the edge of the map?

Grudge Match Between Sexual Orientation and Religious Freedom

I guess I've gotten used to seeing courts come to the right decision in their own way, even if it seems twisted and convoluted. The question for me is, will this new-found respect for the rights of individuals and organizations to determine who they will do business with permeate throughout the federal judicial system?

The Debauched American Military That Everyone Should See

It has been said that what one generation tolerates, the next will embrace. This up-and-coming generation is a mere reflection of the older generation that is responsible for raising them up (Luke 7:35).

Attack Upon the Power Grid

At night, on December 3, 2022 terrorist fired rifle shots at the power station in Moore County, NC, knocking out power for 5 days. This is similar to what terrorists did to the Metcalf power station near San Jose, CA at night on April 16, 2013.

Think “Right” For Freedom

Surely the readers of NewsWithViews are aware of the way the terms “political Right” and “political Left” are used. Ditto “right wing”, “left wing”. Where do they come from? The use, or rather, the overuse of these terms in political discourse is crafted to create illusions, not to clarify anything.

We are Ruled by the Barrel of a Gun, Not our Constitution

Conclusion: 60% or a majority of federal budget is an unconstitutional fraud on the people. The legitimate agencies spend no more than government revenue, with no deficit. If our worthless, ineffective, corrupt, cowardly and despised officials in state and federal government followed the Constitution, we could end the income tax and return to tariffs.

Florida Surgeon General: COVID Injections Profoundly Unsafe

“Vaccines normally take 10-15 years before getting approval for mass distribution. The first injections were rolled out in hospitals on Dec. 14, 2020. That SEC filing was last day of 2019 before production began. Clinical trials are scheduled through 2023, so yes, humans on this planet are being used as test subjects.”

Putin's Soviet-style Power Politics

As many have commented, the release of former Soviet military officer Viktor Bout demonstrates the weakness of Joe Biden and the strength of Russian President Vladimir Putin. America was humiliated. But Ukraine will suffer as a result.

Brittany Griner Who Hates

America Vs U.S. Marine Paul Whelan Who Served America

Help me understand this situation that unfolded on the international stage last week. We had a “supposedly” female Women’s National Basketball Association player named Brittany Griner, who hates America, receive a swap with the “Merchant of Death” Viktor Bout of Russia.

What does America’s Future Look Like

Bill Gates is up to his eyebrows in the WEF. He has just received a patent that give him “exclusive rights” to computerize the human body and use them as local wireless networks. Which really should be science fiction, if you stop to think about it.

Unbelievable

And the Climate Change Cult is still at work around the world. The Dutch government is planning to seize and close 3,000 farms in order to comply with EU environmental rules. The government will conduct a “compulsory purchase” of these farms as part of a voluntary, one-time offer. If farmers refuse the offer, their land will be seized and farmers will

receive nothing.

It Is for You, Too!

One of my favorite stories at Christmas time is A Christmas Carol, by Charles Dickens, written in 1843, which has been re-interpreted in many movies since then. It recounts the story of Ebenezer Scrooge, an elderly miser who is visited by the ghost of his former business partner Jacob Marley and the spirits of Christmas Past, Present and Future.

Responsible Freedom Vs Globalist Techno-Feudalism: The Race Is On!, Part 2

Techno-feudalism will thus force you to get whatever shots are mandated. Refuse the latest “booster” and you’ll be deemed a “health risk” and not only will your ID be blocked, you might find yourself locked inside your own house or apartment!

Know What Drives Anti-Semites Like Ye? Just Peel the Onion of the Human Psyche

According to the Federal Bureau of Investigation's (FBI) Hate Crime statistics, Jews remain the highest target of rampant racism in America, but it is rare to see any reaction from the media when Jews are assaulted, insulted, harassed, vilified, physically attacked and even murdered, not only in America but around the world.

Security Risks in the Senate

I endorsed Trevor's books, saying, "Exposing the unvetted, the compromised, and the blackmailed, Trevor Loudon applies the CARL Test to Congress and does the work the FBI can't or won't. He documents how communists help elect security risks whose Character, Associates, Reputation, and Loyalty to the United States are in doubt."

Thank GOD For Elon Musk: Are The Rocks Crying Out

America's churches are full of soft men sitting in king's houses. They are afraid to bark. Most harsh men want nothing

to do with feminized Christianity. They want to keep their gonads. They are not interest in being TRANS-CHRISTIAN.

The Far Left Death Cult

Now, six years later, she wants (and needs) a chair lift for her home. But when she asked the government for help with that project, she was told, “Hey, sorry, but we can’t do that for you! Tell you what, though—how about assisted suicide? It’s a great deal!”

America Becoming An Old Nation, A Lost Nation, Bereft of Identity

Will America become like Rome, Troy, Greece, Great Britain? Will it simply fall into the ash-heap of history? You might ask yourself, what am I doing to support, defend and secure America for future generations?

Pearl Harbor Attack Dec. 7, 1941: Survivor S. J. Hemker Remembered

Although S.J. Hemker may no longer be with us physically, he can be and should be with us spiritually—the spirit of patriotic love of country and service in its defense that he exemplified, as did and do so many others of the WWII Greatest Generation. Neither his life nor his words should be forgotten, if, as he warns, we Americans are to remain free.

Facebook Wants You To Believe That Bill Gates Has The Support Of 42 Million Followers

It is also this same small group of people that would have you believe that Bill Gates, one of the most hated and despised monsters on the planet, somehow has 42 million followers. Really? You know because the enemies would have you and me to believe that Bill Gates has 42 million people in support of his murderous cause.

The Cost of Constitutional Illiteracy

So what is the actual cost of our constitutional illiteracy? Yes, it's over \$6 trillion dollars of money embezzled from the American people each and every year. It is also the volumes of rules and regulations, all considered to have the force of law even though they come from an agency that does not legally exist.

Criminal Legislators Enact Mostly Unconstitutional Laws to Enrich Donors & Impoverish "We The People"

History reports that corrupt legislators and other officials will only honor their Oaths to the Constitution when the cowards believe their careers are at risk. Our task is to convince them that they are despised and must do Right (without the pitchforks)! I pray that it can be accomplished, for the alternative is too terrible to contemplate.

Re-Examine COVID-19, Disease or Virus?

It's past time cities put a stop to any hospital, clinic or pharmacy from giving those injections and they can do it just like our city council has the authority to do. Stop giving those injections or we will suspend your business license. I have provided my city councilman and our city attorney a package of information but haven't heard back yet.

The Best Christmas Bargain: A Free Ukraine

Victory is within Ukraine's grasp and that means that Putin could be deposed, put on trial, and Russia's oppressed population could once and for all reject Russian Communism. It could be the dawning of a new anti-communist age, with dictator Xi the next target and victim of the people.

A Methodical Path To Destroy America: The Butcher's Bill of Illegal Immigration

Did you watch the video on Tucker Carlson last Friday night (Tucker Carlson, Fox News, Dec 2, 2022), where two minority

kids in their twenties walked into an Apple Store in front of customers and swept \$35,000.00 in products into their bags and walked out without anyone stopping them and no police chasing them?

Biden's Administration of Perverts

What they demand that they be able to teach out kids in school, during the lockdown, strip clubs were open but churches were closed, forcing the jab on people to keep their jobs, silencing any opposition to what their narrative was, and so many other things have exposed the depth of what satan's helpers has been able to accomplish.

The Deception of the Sorcerers

Some alarming information has come my way recently, and once again, it's regarding our young people. According to the Pew Research Center, 57% of "Generation Z" are now taking prescription medication for "serious mental illness." "Gen Z" includes those born between 1997 and 2012, now ages 10 – 25.

White As Snow

Crimson reminds us of how deep and dark our sins are and how they separate us from the true life of God, but they also point us to the crimson blood of Jesus that cleanses them and reconciles us to God.

What We Can Learn From a Red Tide

Another institutionalized slap-down of the will of the people has happened. The Red Wave wasn't allowed to occur. Election fraud has become factual. Undeniable. It's time to use it to fuel freedoms' fires. America is hot and needs to put this energy to good use.

The Origin of Covid-19—Updated, Part 18

On November 23, 2022, THE WASHINGTON POST published an analysis by McKenzie Beard titled, "Covid is no longer mainly a pandemic of the unvaccinated. Here's why." She wrote that "for the first time, a majority of Americans dying from the coronavirus received at least the primary series of the vaccine.

Bluffing Their Way to an Art. V Convention, Part 1

Sound the alarm!! We are closer than ever before in our nation's history to Congress's calling a convention under Article V of the US Constitution, where we would likely lose our Constitution. And it's because of yet another deception from the con-con lobby.

Saving America by Saving Ukraine

After Trump was evicted from the White House in 2020, betrayed by members of his inner circle, how are we supposed to conclude the Republicans will do any better without Trump in 2024? Nobody fights like Trump. He is the only candidate in Republican history, except for Ronald Reagan, to have assembled a coalition of voters who believe in national sovereignty and individual freedom.

The Apostate Church of Today

What if it was available to us? What if the advancement of

the Kingdom was dependent on our own willingness to fight? What if Satan only had control of what we had surrendered to him? The gospel of defeat. The gospel of surrender. The gospel of nice.

'Old' Does Not Mean 'Obsolete'

Once upon a time Herodotus said the Persians made their country great by teaching their children to shoot straight and tell the truth. What more can we do, than that? But those are not lessons that are taught in public schools or colleges, or fostered by airhead celebrities, or encouraged by political hacks who put themselves first and the country and its people last.

If America Stays On This Path: This Is Where It Will End

That totals 6.6 million individuals who now reside in America illegally in the past 22 months. But it doesn't end there. Another 2.0 million refugees legally migrated into the United States from January 2020 to December of 2022. They arrived from 140 different countries.
