

Trump Hatred Has Crossed the Line of Insanity

Democrats have passed a law for a president (in this case President Donald Trump) to be banned from being buried in Arlington Cemetery when the time comes, using as their reason (?) that he was impeached twice, AND he is responsible for the January 6th riot at the Capitol Building. This has taken hatred to a new low.

Dodging the Biden Bullet, Part 4

As we look at these bills that are only disasters for America, America's economy, and the American worker, keep in mind that I do not believe that if enacted, that they will stand. I believe that the Creator of this nation, God almighty, is working on something that will shock not just the United States but the entire world as well.

Politicians Continue to Grant Early Release for Violent

Criminals With Disastrous Results

Lawrence Paul Anderson was first sentenced to prison for attacking his girlfriend, pointing a gun at her, and possession of crack cocaine with intent to sell. Sentenced to four years, he was out in less than two. Six years later he was sent to prison again, this time for selling crack cocaine – near to an elementary school.

Where Do We Go From Here? Part 4: Prepping For Tyranny

Increasingly, we live in a world where those fascinated with power and an urge to remake the world in their image of Utopia feel free to do as they please. They don't bother to hide it. Those who seek liberty must learn to do the same thing, when and where they can. But they would do well to separate as quietly as possible, at least for now.

The UK and the London Mayor

There's a super smart man who is currently driving around the streets of London at the moment. He is tall, motivated and extremely brave. He is an entrepreneur and knows how to get things done. He is clean shaven, wears very snazzy Saville

Row suits with a bright red tie, and what's more he's American.

We Need a Dose of McCarthyism

Rather than less McCarthyism, we need more. The Communists are taking over and most Republicans are pretending it's not happening. Let's hope that former President Trump, speaking at the Conservative Political Action Conference (CPAC) this weekend, outlines how he will take back the presidency from the Deep State.

They Used to Call it Freedom

Trump's "America first" policy was 100% appropriate and necessary for the United States and the hope of freedom all over the globe. But it meant death for the global communist One World Order folks, to include the U.S. Military industrial complex, the war for profit crowd, and that's why every possible weapon was used to steal the United States, not from Trump, but from the American people.

We Must Right The Good Ship USA before it Is Too Late

Today our republic is facing probably the greatest and most challenging times in it's illustrious history. In every other major violent challenge, ranging from the Revolutionary war to the 9-11 attacks that wiped out the World Trade Center, caused a horrific jet crash in Pennsylvania and the punched holes in the Pentagon, there were concerted efforts to legally combat against those tragedies.

The Public's Masters

Somewhere along the way, public servants became the public's masters. Paternalism is hard to bear even when it's well-meaning, and benign. But when the paternalists despise the people that they govern—well, that's where we are now. Two examples will suffice.

The Rotten Fruit of Friendship Evangelism

We are in a war. It is not a new war...but one that is ramping up on both sides. God has enemies and His enemies are my enemies. They should be yours as well.

What's It Like In "Woke" America

Today, biological DNA males enjoy legal competition against biological DNA females. The same goes for those DNA males walking into DNA female bathrooms. Those same DNA males can out-muscle, out run, out hit, out wrestle and outperform any and all DNA females.

Essential Before the Election, But Not After

A long time ago, I wrote in a column that I was growing increasingly concerned that our citizens were rapidly rushing towards the moment in history when they would simply be "too stupid" to remain free. 2020 marks that moment in history... unless we do something to reverse course. So far, most are not even aware of the problem! YOU are the future taxpayers who will have to pay dearly for your future "free stuff" for others.

If Americans Understood the Price of Their Freedoms

Americans can attempt to deceive themselves into believing, with the use of sophistries by the corporate-owned and operated media, that they are given correct and right information. Most of you know that they are not telling you the truth concerning any matter, if, in fact, the topic even matters. Unless, of course, it works to their owns ends...

When Over-Educated Idiots and the Racially Insane Govern America

Abraham Lincoln once wrote: "You cannot strengthen the weak by weakening the strong. You cannot help little men by tearing down big men." Likewise, you cannot elevate one race by tearing down another race. But that is exactly what the Democrats are attempting to do with social justice, social equity, critical race theory, systemic racism and white privilege.

Understanding

Political

Sleight of Hand

Over many years now, I have finally come to accept the fact that most people believe whatever they want to believe, and facts or reality have nothing to do with it. People are more content in a comfortable set of lies, than in any uncomfortable set of truths. This is what allows our country and future to be destroyed by those lies.

Satan's Minions, the Financiers of Michael R. Pence, Part 3

Motivated mainly by ego, Mike Pence and his wife Karen craved the upper echelons of political power. Pence always looked to those with money and power who could advance his political goals. One of them was his good friend, David McIntosh, a well-known Trump hater who served as executive director of Vice President Dan Quayle's and Bush's Council for Competitiveness.

What's Wrong with Republicans?

The truth is that a series of Republican governors put too

much confidence in so-called “clean” and renewable sources such as wind turbines. They wanted to appear fashionable and trendy. Other sources of power also failed. But as energy analyst John Droz notes, even with a safety reserve of power, “...when wind goes to near zero in Texas, the Grid will have blackouts

Texas Disaster – What Americans Need to Know

I was very fortunate as were many of my friends as we had no loss of power when this hit late on Feb. 12th. Being a prepper since 1989, I am always ready and prepared. My organic food storage, three meals a day for six months doesn't expire until 2034, long after I'm dead and buried. I have enough water for me and my doggies for at least a week.

America's Leaders and Citizens Fail To Grasp The Enormity Of Our Predicament

The freezing event in Texas last week stands as a precursor of what's coming to all of America. The electrical grid crashed. People died. Chaos dominated. Confusion spread. Anger multiplied. It's confounding to this writer that few leaders address it, and the entire mainstream media avoid this issue

and even suppress it at all costs.

Laboring in Vain

Let us no longer be deceived by others, or by ourselves! The Lord is not in America's house any longer. Therefore, without national repentance, America will never be restored to her former glory! America was once great only because she was once upon a time built on the Rock of Jesus Christ! Now we have trusted in our own devices, our own "morality" and our own wisdom.

Dodging the Biden Bullet, Part 3

This week we are going to look at HR 127, a bill to violate our Second Amendment to the core. It is described as To provide for the licensing of firearm and ammunition possession and the registration of firearms, and to prohibit the possession of certain ammunition.

It's Time We Christians Learn About Jesus

Given what we've seen transpire over the past year, and all the wickedness, evil, cheating, lying and deception that's been exposed within our government, our media, our Big Tech Giants, our health officials and pretty much every public sector of our economy, I have to really wonder just HOW LONG IT'S BEEN since we've had a REAL, honest and fair presidential election in this country

Who Says Crime Doesn't Pay? Google and Facebook Censoring an Entire Country

So Australia is taking action against Big Tech. Facebook decided to take action as well. Facebook announced that they are BLOCKING all news posts from the ENTIRE country of Australia. Yes you did read that correctly. Facebook is censoring an entire countries posts – because Facebook doesn't like the fact that Australia won't roll over and take whatever Facebook (and Google) decide to dish out.

Boot Barn and Other Decisions We Need to Make

I think the thing that I can't seem to wrap my head around, the tenet that pulses in my homegrown American veins, is do I have the ability to make decisions for my own life or not? At what point did we shift to the State being our overlord? I've read the Constitution and that's not the intention of the Founding Fathers.

Cancel Culture – Part 5: Schools, the birthing place of Cancel Culture

What has it taken that we have almost reach this state now? The cultural Marxists have put enormous amounts of time, money, and effort into molding the American people – as well as much of the rest of the world – into compliant, submissive, spineless, empty-headed beings. Key foundations here in the U.S. took charge of un-educating our children.

Trump and Limbaugh Fortunes

Can Rebuild Conservatism

Donald J. Trump was evicted from the presidency by the Deep State, cancer has taken Rush Limbaugh, and now the Republicans running Texas have so mismanaged the power grid that they are asking for investigations that will inevitably lead to their ouster and a Democratic Party takeover of the state.

How Low Will Society Go?

Many cities are being run by miserable Black Lives Matter foot soldier mayors like Bowser in Washington D.C. and Atlanta, Ga. Mayor, Keisha Bottoms. Among the goals of Black Lives Matter and Antifa members is to spread misery and to bring our nation down as far as possible.

Rush is Home in Glory

Forty-four million listeners tuned in every day...and it was Rush who told those listeners to help General Michael Flynn with his legal defense fund. Over 10,000 hits per minute went through the Flynn legal defense fund, and shut it down for a few minutes. Even Rush's website, which had never been shut down from hits, went down shortly after he called for support for the General.

Are Christians Stupid?

They call that “acting stupid.” But some of the stupidest people I know are Christians. Before we cast stones at the uninformed, perhaps we should ask ourselves which is worse: Fooling ourselves. or being fooled by others? Here is a list of stupid things that our “government” does that Christians dutifully accept.

Hungary, 1956: Freedom or Death

When I was seven years old, Hungarian state police opened fire on a student protest and launched the Hungarian Revolution. That was on Oct. 23. By Nov. 10, Russian troops had crushed the uprising and the victorious communists broke all their promises to reform the government. Hungary would not be free until the Iron Curtain crumbled, a whole generation later.

Mathematics Is Now A Racist Equation: White Privilege vs

Black Privilege

As a former math-science teacher, it perked my ears to hear that the term “mathematics” is America’s newest ‘racist’ equation. In other words, some pretty higher-ups have equated excellence in math to racism. From Euclidian geometry to Newton’s calculus, we now find that such intellectual practices are now regarded as racist in America.

Disney the Epitome of What’s Wrong in America Fires Gina Carano

I think it is safe to say that if you are a foul-mouthed degenerate, an LGBTQ activist (even if violent), a liberal, a Democrat, your skin color is black (unless you are Candace Owens), a globalist, a RINO, or a member of the mainstream media – you can say anything you please with complete and total impunity.

Supreme Court to Decide Whether or Not Police Can

Enter Your Home to Seize Your Guns

In conclusion: These injustices have no business whatsoever deciding what the law is and our God-given rights are because they have already been determined. Like corrupt politicians, these judges are to sit during good behavior (Article 3, Section 1 US Constitution), and if they fail in doing so, they are also to be impeached and prosecuted for their transgressions

We Can't Wait For The 2022 Mid Terms!

You can hide in your apathy and indifference for a while longer but eventually the Democrats will find you and they will want to de-program you like the Chinese are doing to the Muslim Ughyur's in labor camps in Western China where forced indoctrination and sterilization are taking place.

Mike Pence, Water Boy for the Deep State, Part Two

Mike Pence was President Trump's traitorous plague. He was given every opportunity by the president to excel, but

everything he touched was deliberately detrimental to President Trump and to the nation. Dr. Peter Navarro said of Pence, "The final betrayal was on January 6th, 2021." Pence was chosen by the RNC, just like republican VPs before him.

You Are Hereby Cancelled

It seems like we woke up in Hitler's America in 2020. The "cancel culture" was now in full control of our country, the brownshirts of the west, doing the dirty street work of the democratic Socialist Party. In Germany, they were the Sturmabteilung (SA), aka "Stormtroopers" ...the "brownshirts." Neighbors snooping and ratting out neighbors, causing chaos and fear in all who oppose the new communist regime.

The Mind Control is Complete and Permanent

Have you ever seen such hysteria over a flu season? I thought 2020 was bad but here we are 11 months later and deep into the 2021 season and the media is still pushing this Covid thing for all it's worth! There is no such thing as the flu. It's only Covid for everything.

State's Rights: Seventeenth Amendment – Part 4

The criminal imposter in the WH is implementing the shadow government's plans for the final and complete destruction of this country in hyper speed. Now many states are scrambling to fight back against the tyranny coming out of the WH. I covered this in my last three columns on state's rights: nullification and Executive Orders.

General George Washington Wouldn't Join Today's Army

Sadly, even while they claim to be defending the Constitution against all enemies foreign and domestic, the members of the Joint Chiefs are going along with the destruction of the military and their nation.

America Is A Nice Prison: If You Don't Like It, You Have Choices

That's truer today than in his time when we actually enjoyed Americans attempting to move our country forward. Today, we've got a Somalian refugee in the House of Representatives

trying to dismantle our political and economic system while she supports installing Islamic Sharia Law in place of our U.S. Constitution

Election Manipulation Confirmed! Finally! Here's the Truth!

We knew that Donald Trump was given 77 million votes. That could not be hidden. Yet the Communist Democrats strained to convince us that this count wasn't true. We heard stories of stacks of hundreds of ballots voting for Trump being tossed into rivers, and buried. We had proof of dead people voting. The grave yards were never livelier.

Dodging the Biden Bullet, Part 2

I remember watching a video in 2016 of a guy who stated that for the last 12 years they had been taking illegals in vans from district to district on election day giving them fake IDs and voting for Hillary. He made the comment that they had to "Win this f---ing thing." If you haven't seen Absolute Truth the documentary by Mike Lindell, you need to. The proof is overwhelming.

Grievous Grievances

I predict that next on the list for the Globalists is a rash of mass shootings, as a way to justify their promised mandatory gun confiscation. In order to create a Communist state, the people must NOT be allowed to communicate ideas freely or have the ability to defend themselves from their oppressors.

The Fraud of Climate Change And the Drive for Control

Man-made Climate Change is being used as the catalyst for tall tales of melting ice caps, drowning polar bears, and flooded islands. It's even being blamed for a rise in wars and poverty. In the name of Climate Change there is a drive to destroy Free markets and the very concepts of limited Government, private property, and individual liberty.

Where Do We Go From Here? Part 3

Accepting what we cannot change and acting accordingly is the

only rational strategy. I am not introducing it as a permanent condition, and it does not mean doing nothing. It is not “giving up.” It is going back to basics – of thought and planning, building skills and resilience for a future with no guarantees except failure and freedom’s possible extinction if we continue playing the games we’ve played up till now.

Democrat Double-Standards

The Democrats are conducting a Senate trial of President Trump based upon charges made by Democrat U.S. House members. For example, Rep. Maxine Waters claimed President Trump was responsible for the January 6, 2021 “insurrection” at the U.S. Capitol.

The Biden Administration’s Purge of the U.S. Military Has Begun

Austin’s purge of the military is yet another witch hunt orchestrated with the blessing of Joe Biden and the Democrats who all hate Trump with a passion. I think it is reasonable to say that the Democrats hatred of Trump goes hand-in-hand with a deep hatred for America. Look at the news, look at what these people are doing, and tell me that We the People are important to them.

Glenn Beck Needs a Fact-Checker on McCarthyism

Whining about “McCarthyism,” TV Personality Glenn Beck told his followers about one of his upcoming TV programs, saying, “Our new Red Scare is here, America. Are you on the list?” This was presented in the context of introducing Donald Trump Jr....

If It Ain't Broke The Leftist Want To Destroy It

I say low self esteem because why else would a male too weak to compete in boys or men athletics, but be willing to snip off certain body parts in order to compete against either girls or women in order to win? That is a premier example of selling oneself terribly short and cheating themselves out of a potentially fulfilled life or destiny.

Sell Not...Liberty To Purchase

Power

Undeniable evidence of massive 2020 election fraud aside, far too many Americans unwittingly cast their ballots for unbridled tyranny, and have no clue that's what they did. The result from decades of public school and college campus indoctrination is an American population largely incapable of freedom and liberty.

The Ambivalent Christian

America lies in the crucible. We are hanging by our fingernails. Never in the history of this nation has the dark side been so out in the open. Dorothy warned us about the "man behind the curtain" but we failed to realize that the images were true. There really was a Wizard spinning the levers of this nation. Our failure to distinguish truth from fiction has left us in a lurch.

Republican Cowards

We were inundated this weekend with emails begging for funds for assorted Republican politicians. You know—the ones who were nowhere to be found when our president needed them. The ones who were nowhere to be found when we needed them. And now they want our money. Now they've got the tin cups in their hands.

This Impeachment: Criminal Politicians in Congress Undermining Our Laws

For the past four decades, 535 men and women elected to serve our U.S. Constitution failed to not only uphold our laws, but undermined our laws in deference to lawbreakers. Upon being elected, each one of them swore on a Bible to uphold the Constitution of the United States. Additionally, we see governors, mayors and city council members breaking our laws.

Don't You Get It? America Is A Socialist Democrat Monarchy

Conservatives must know by now that it is over. By the time Biden finishes his first term in office, if he lasts that long, the damage he and the Democrats will inflict upon America's culture, the economy, our energy, our sovereignty and our institutions will be irreversibly permanent.

Judas Mike Pence Joins Aaron Burr and Benedict Arnold, Part One

On January 6th, 2021, Mike Pence knifed Donald Trump in the back and the Republic in the heart. We expected it. He refused to hear from states who wanted a ten to twelve-day delay in the counting of electoral votes, despite receiving multiple letters asking him to do so. At the end of the electoral count, he elbow bumped with Speaker Nancy Pelosi.

After The Damage Is Done, In Many Cases, Governments Are Admitting To The False Flags

George Soros stated that the “main obstacle to a stable and just world order is the United States.” Furthermore, Paul Warburg said, “We will have a world government whether you like it or not. The only question is whether that government will be achieved by conquest or consent.”

Catholic Bureaucracy Bows to

Biden

With “Catholic” Joe Biden declaring war on the unborn, heterosexuality, and traditional marriage, the Catholic Church bureaucracy in Washington, D.C. has surrendered to the forces of Cultural Marxism. Defying logic, common sense, and Catholic teachings, the Archbishop of Washington, Wilton Gregory, has decided that Biden is a Catholic in good standing and deserves Holy Communion

The Set-Up

In 1844, future British Prime Minister Benjamin Disraeli authored CONINGSBY: OR THE NEW GENERATION, in which he wrote: “So you see, my dear Coningsby, that the world is governed by very different personages from what is imagined by those who are not behind the scenes.”

United States of America Is Not a Private Corporation: Analysis of the “Act of 1871” Nonsense

For almost the last 20 years, there has been frequently circulated among concerned Americans a baseless argument that

the United States of America, and indeed all state, county and municipal governments, are private corporations. This argument is nothing but pure mythology and has misled too many innocents.

COVID-19: Request Investigation at State Legislatures Health/Science Committees

I can't stress strongly enough: Before you get a COVID-19 experimental vaccine, you need to get facts about the number of deaths and severe reactions already recorded. Safe is not a word to be associated with this COVID-19 experimental vaccine regardless of who manufactured it.

114,000 Needless Military Suicide Deaths Via Iraq and Afghanistan Wars

This past weekend, my wife Sandi and I watched a documentary of WWII in color. It covered Hitler's rise, Mussolini, and the Emperor of Japan. Hirohito. It covered incredible atrocities from the Auschwitz death camps, 12 of them in

Germany and Poland, that killed six million Jewish people by gas, machine gun slaughter and plowing them under.

Immigration and China's Threat to Our Sovereignty, Part 2

Is this now what faces American cities where EB-5 investment programs are being imposed with Chinese Communist money? As a new assault by hordes of Chinese "immigrants" legally invade our nation, filling housing developments and building their own cities, our culture will be affected.

Dodging the Biden Bullet, Part 1

I will start this off by saying that I still believe that Trump won AND will be seated despite the circus that we are seeing in D.C. at this time. As you have probably seen the Democrats are going to attempt to shove their socialist agenda down our throats all the while demanding unity.

Myanmar, Election Fraud, and a Coup

On Monday, February 1, 2021, the newly elected Parliament was set to convene its first session. Instead, the military detained the State Counselor Suu Kyi and other Parliament and prominent figures, while declaring election fraud necessitated such actions. The Tatmadan announced it would take control of the country for one year, and hold new elections at the end of that year.

Biden Administration Sacrificing Jobs, Destroying Oil and Gas Industry

America's decent into insanity has begun, via Joe Biden and the Left's insane obsession with a non-issue – climate change. Naturally there are variances in weather, and things change. This is only normal, if one looked back in history, one would readily see this. If you visit this site on climate history, you will notice two things right away: First, right now, today, the earth is cooling.

Lies, Rewritten History, and a Bust In the Oval Office

Labeling Cesar Chavez an American hero is akin to labeling Lenin, Stalin, and Trotsky as Russian heroes. The farm workers in California, in the 1970s, knew what a threat Chavez was to them and they hated him. They tried to tell America then, but the media, Hollywood, and liberal politicians had their own agenda to promote.

How Low Will Society Go?

Many cities are being run by miserable Black Lives Matter foot soldier mayors like Bowser in Washington D.C. and Atlanta, Ga. Mayor, Keisha Bottoms. Among the goals of Black Lives Matter and Antifa members is to spread misery and to bring our nation down as far as possible.

How Crazy Is It Going to Get?

For instance: In Merrie Olde England recently, police arrested a woman for... singing in her back yard. You really ought to click the link and watch the embedded video. It's scary stuff.

Rep. Greene is a Victim of Kevin “McCarthyism”

King was eventually forced out of Congress by current House Republican Leader Rep. Kevin McCarthy because King was outspoken in support of saving Western civilization and opposing open borders and multiculturalism. McCarthy is now trying to accede to Democratic Party demands to censor and even expel Rep. Marjorie Taylor Greene, a Trump supporter.

What’s Really Going On In America?

On social media, you might have seen Captain Jean Luc Picard shaking his head in disgust while uttering, “We spent \$738 billion in defense in 2020, but the Capitol Building on January 6th was taken over by the Duck Dynasty and a guy in a deer skin bikini with horns for a hat.”

**All will be disclosed –
Nothing will be hidden –
Stand fast**

This is where some of you think I have lost my mind and believe a fantasy. However, 8 years ago when I was hosting

my national radio show I interviewed many survivors of human trafficking and sexual abuse. I will never forget one of them whose Dad had sold her (true) into sex slavery back in Arkansas, as a small child, where she was raised to do nothing but sexually serve mostly high level politicians.

No President Is More Deserving Of The Medal Of Freedom

President Trump, beholden to no one, took on the Establishment and the Deep State. He levied huge criticisms at the press for publishing lies and propaganda about he and his supporters. No, he isn't perfect but then none of us are. He was dogged by his petty tweets that tended to overshadow his achievements and gave the press and social media the ammunition they needed to paint him in false colors.

According To US Government Documents, Most Americans Are "Domestic Terrorists"

But then, again, we were warned by the fourth President of the United States James Madison who said, "If tyranny or oppression ever comes into this land it will come under the

guise of fighting a foreign enemy”

Perfecting the Art of Surrender

When generations to come, look back at how our generations dealt with this massive assault on all things American, all they will see is how we surrendered their future, by failing to fight for our own present. We simply failed to accurately assess the problem, arrive at the right solutions, and be the problem solvers that all Americans are supposed to be.

The Real Virus Is Not Covid, It's Communism

There are no guardrails on the left or the right to protect the Republic from communism. Other than a handful of constitutionalists, both parties have joined the socialist agenda. President Trump, as much as he did for America in four years, and as much as he loved her and her citizens, he lacked discernment in hiring good people and continually chose from the swamp.

Joe's Jews

Make no mistake, Biden's Court Jews, like Obama's, are identical to those of the past—going back centuries—who financed, supported, licked the boots of and sold out the Jewish people in order to gain the personal influence, privileges, wealth, proximity to power, and protection that the “nobles” afforded them.

The Republican Party at the Crossroads

In terms of the upcoming farcical impeachment trial of the former president, Republican Leader Mitch McConnell betrayed the president by echoing Democratic Party charges that he somehow incited the events of January 6 but then voted, in effect, to declare the impeachment trial unconstitutional.

Baby Boomer Raging Against Old Age: Enormous Appetite for Life

As it is, I pray each day for world peace, health for everyone, tranquility for America, and I wish every human being the very best in his or her own journey. After these 74

years of world travel, I know every human being tries to live as decently as possible. For the ugly humans in the world, I wish them commensurate Karma.

Biden As the Post Turtle President of America

Half the people in America scratch their heads in wonderment concerning the Biden Administration. How did Joe Biden, after 47 years of accomplishing about as much as a chicken scratching in the dirt for worms, ascend to the presidency of the United States?
