

Republican Form of Government

The Constitution for the United States of America is the oldest national constitution in the world, and second only to the Constitution of the Commonwealth of Massachusetts in age. Two hundred and thirty four years is a good run, but that is no guarantee that it will continue. If we wish to uphold the Constitution and the Republic for which it stands, then it's up to We the People to work to keep it. Otherwise, our future may look more like Napoleonic France, or worse, the Reign of Terror that proceeded it.

Think You Really Know An Incumbent or Challenger?

Allow me to insert this here as it IS the raw truth. Many have already seen it but we continue to get new readers every day. There are a lot of truly constitutional based candidates running against incumbents. Rotten incumbents in both the house and senate who absolutely must be primaried out, but it's up to US – YOU AND ME. First, though, we have to accept the bitter truth and fight back smart.

Putin's War Against Ukraine:

His War Against All Of Us

Hitler ran over Poland the same way Putin invaded Ukraine. The Mein Kampf madman that caused millions to die...and now, in the 21st century, another madman causing countless thousands, maybe millions to die! We stand in the 21st Century for heaven sakes. Why wage war?

When Will We Understand That?

Early last week, Ottawa's police chief resigned, rather than be a part of Trudeau's brutal crackdown on peaceful citizens. On Thursday last week, I watched a press conference by the Canadian Freedom Convoy leadership, which included several Canadian military veterans. They stated their case and there was an atmosphere of patriotism and optimism.

What Happened To The Integrity Of Our Elected Officials, Part 2

We have allowed unscrupulous men and women to take over our government. We've allowed it and it is 'we' that must stop it. We did it with votes and we must undo it with votes. If we don't it will take much more violent means but our nation is worth it. The future for our children is worth it. Thomas

Paine made this now-famous comment...

Trudeau's Police State, Truckers for Freedom, and the Coming Confrontation

Prepare to be demonized in GloboCorp-controlled mass media, because you will be blamed for whatever chaos ensues once GloboCorp makes its next move. Then be prepared for a long and protracted struggle which could well be a battle to the death, because it is likely to be: us, or them.

God or Government: Who Do You Trust?

I am reminded of the words reportedly spoken by Nancy Pelosi, who after being elected the first female Speaker of the House of Representatives in 2006, said: "You don't need God anymore, you have us Democrats". The fact that she is, once again, Speaker of the House, is a sobering reminder...

Putin's War Machine Was Made in Washington

In effect, Putin's Russia has been created by the same forces that explained the phenomenon of Armand Hammer and the betrayal of the West. The sad truth is that the Russians used the same trick twice. As a result, the Free World is now at the mercy of a resurgent Russia and a Red China with superpower status.

Klaus Schwab's Young Global Leaders (USA)

In 1971, Schwab founded the European Management Forum, which in 1987 became the World Economic Forum (WEF) – often referred to simply as “Davos”, the name of the town where the forum is hosted each year. First, he controlled the EU nations and now, he aims to control the world.

Were There Giants in the Bible?

There is so much we don't know about the Bible and there is a great unveiling that is taking place today. Many believe the Nephilim were the mixed seed of fallen angels and human

women. Because the fallen angels were not human, they were immortal and unable to die.

How Our School Boards Turned Against Us

The only thing we can do that will mean anything, that will have any positive effect, is to pull our children out of public school and educate them at home. This year, the number of families homeschooling their children increased four times over, the biggest increase ever.

America Plunging Into An Endemic Lawless Society

The lawlessness rises right up the Joe Biden White House. He invited 2,000,000 lawbreakers into our country in 2021. He's still in violation of his oath of office in 2022 as he continues to break our laws. If the President of the United States won't enforce our laws, that's a pretty good indication that we're becoming an endemically lawless society.

Patriotic Classified as Americans Terrorists Domestic

Our Judeo-Christian society has long been the object of destruction. We must pray, fight and stand. "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Ephesians 6:12

It's Only A Question That You Can Answer: Americans Vs. Foreigners

As a matter of fact, did you know that less than 3% of the population along with 13 colonies and 56 signers were used by the Lord to establish what it is that we now have in the present? We have the longest standing constitution in modern history (Deuteronomy 28:1-15).

What Have We Learned From

Ottawa?

However, 73% of all U.S. commerce across the country moves by way of trucks. If truckers simply shut down and stop hauling, 73% of the nation's commerce ends in an instant. Take those trucks home and drop anchor. With government forced supply chain shortages already affecting most Americans, it would only take a few days to have everyone's attention.

Is Separation Insuperable and Will it Tear us Asunder?

The claim that the “rioters” attempted to overcome the world's most militarized regime in history without weapons seems to be something only the mindless could conceive much less believe. Many claimed that these “insurrectionists” forced their way into the Capitol through its doors, but this requires far more than a mere suspension of reality!

What's Really Going On In America: Do We Want To Survive, Or, Simply Commit

National Suicide?

On February 7, 2022, the Washington Post editorial board wrote one of the most absurd, if not completely senseless, editorials to come out of that paper in the past 20 years. It's titled: "The U.S. Needs More Immigrants and More Babies."

Feb. 22: Reinstate Washington's Birthday as a National Holiday – On His Real Birthday!

Congress should re-establish George Washington's Birthday as a National Holiday – and celebrate it on his actual birth day, February 22. The Father Of Our Country deserves no less. The people of our nation, especially the children, deserve no less.

Death to Democracy in America Top Goal

I bring the issue of democracy up at this time because that's all the chanting going on right now: Saving democracy in Ukraine and around the world! What rubbish. Our Founding Fathers hated democracy as a form of government. They knew it

amounted to little more than two wolves eyeing one lamb for lunch. Democracy is simply a form of government which destroys every country infected by it.

Biden is Stumbling into a World War

Biden has treated Germany as an ally, a major miscalculation which has backfired in a big way. Trump, by contrast, was always suspicious of long-time German Chancellor Angela Merkel and her commitment to NATO.

What Happened To The Integrity Of Our Elected Officials, Part 1

If we allow this to happen, America is gone. I believe that there are too many that have and will continue to refuse to see this happen. We just need a leader that has the guts to stand up against the embedded tyranny. This is still God's nation and as long as He has one person willing to take that stand, we will see America saved from the clutches of the enemy.

Supply Chain Siege

But as much as we admire and cheer for those truckers currently standing in our place on the front lines, it's my fervent prayer that WE don't buckle under the pressure. Because however this ends up, it's going to affect ALL of us. Remember, 75% of everything you see in the stores arrives there by truck. The truckers have tremendous power to break the backs of the tyrants and I hope they do that.

Double-Speak, Lies, and the Drive For an Article V Convention of States

The drive for an Article V Convention of States is assaulting state legislatures at an intense level. Obviously, proponents of such an action are counting on the discontent of Americans as the Biden cabal proves the misery of massive federal intrusion into every aspect of our lives. Americans naturally want to rein it in.

Is America a Republic, or as RINOs and Dems call it, A Democracy?

The goal of the Marxist Left is to keep the American people in a constant state of fear. Once you dumb people down in school and people don't learn how to think, use common sense, logic, and reason they become easy prey for the cowardly Globalist, Communist, Fascists, RINOs, called the Marxist Democrat Party. They are freedom's enemy.

Another Bright Shiny Object Distracting Those Silly Americans

With news of the Chinese Olympics all over the media, Xi and Putin met in a summit on Feb. 4, 2022. This meeting produced an "unprecedented 5400 word joint statement" which has "consolidated their alliance against the United States."

Corporations Working Hand-In-

Glove To Enforce Illegal Government Mandates

One thing I have noticed over the years is how the corrupt in government advocate some unlawful agenda and then, the corporations nationwide, and world-wide, that are working in alliance with them attempt to push through what it is that the government could never do without them (Isaiah 28:18).

Goose-Stepping into Paradise

I didn't realize the Winter Olympics were on until they were almost over (which happens this Sunday, I suppose). I chanced to see a picture of the opening ceremonies—Chinese Communist soldiers goose-stepping under their flag.

Bring Back the Nuremberg Trials and do it Publicly

The United States of America is under siege. We are being defeated from within. Even our police departments defend the power of the corrupt government rather than the rights of the people. Look at what is going on in Canada. Cops stealing the truckers diesel fuel so they won't be able to keep warm. Loyal to a dictator Justin Trudeau for a paycheck.

580,000 Homeless Americans Need Our Help: Not Illegal Immigrants

In 2019, I bicycled through San Francisco to see it for myself. The streets reeked with feces, rotten food, rat droppings, needles, trash everywhere and urine. When I pedaled through Los Angeles, it was almost beyond imagination how anyone could live in such human misery.

Another War, Another Buck

Granted, I'm not sure if Vladimir Putin is as honest and pure as most of our American politicians, big business leaders and high rank military officers. What is evident is that, contrary to our leaders, Putin does not hate his country, he seemingly is a devoted Christian and, even more important, he doesn't want Russia to become part of the globalist conspirator's beloved New World Order.

Who Controls China, Controls

the World

We have read many articles seen many videos recently saying that America could be at war with China soon. If that is so, it would be straight out of George Orwell's 1984, where we are fighting with other areas of the world just to keep our citizens afraid and in line. And yesterday, it was sent home to me.

Will Trudeau and Biden Pull the Trigger?

Meanwhile, cops are becoming increasingly violent as they attempt to steal gas, wood, food, and water and essentially starve or freeze protesters out of position, even after a Canadian court ordered police to stand down and return the truckers private property. A court order totally ignored by the Trudeau government.

Feb. 15, 1973: American POW's Come Home With Honor—A Day To Remember

I confess that I am greatly concerned about what is happening in our country today. No one seems to be held accountable. We

have a debacle in Afghanistan in which Americans were left behind. We have an invasion at our southern border. We have rising inflation. We have crime escalating all across the country. We have mandates telling us...

The Leipzig School

Progressive education controlled the classrooms by early 1960s. August Comte had argued that the intellect should be subordinated to the heart, and in early 1960s effective education replaced cognitive (academic basics) as most important. It would hurt Johnny's self-esteem to fail him, so there was grade inflation and social promotions.

1885 Smallpox Vax Was the Blueprint for Today's Covid-19 Vax

The killing fields of America are here. We are at a crossroads. Death by government and Big Pharma is staring us in the face. This isn't the Tuskegee Syphilis experiment by our US Health Department, this isn't the cancer-causing polio vaccine injections of the 50s, or the plutonium experiments on babies and military in the 40s, all of...

Stealing Presidential Elections From the States

It appears most of the American people are willing to tolerate ignorance, recklessness, and corruption. That means this abuse of the Constitution, the experiment in self government, and the consent of the governed is ultimately our fault. The question is, will the American people do anything to stop it before it becomes "law"?

Jan. 6th Political Prisoners: Where are the Jerry Spence's to Defend Them?

This will not be a popular column but after 31 years in the trenches 24/7, I've had it with cowards, liars and thieves from both political parties at all levels of government – especially judges. I've had it with so-called Americans who spend more time yapping on those damn fancy phones than lifting one finger to help save our constitutional republic.

This Valentine's Day: More Wonder, Please

For the record, my wife Sandi and I live day to day with a sense of hope and harmony. We exercise, do our jobs, fix dinner, watch movies and contribute to our community in Golden, Colorado. We enjoy friends, go dancing and laugh a lot. We're grateful for all our blessings.

Senility or Sabotage

When you consider all this together with lawless vaccine mandates, lockdowns, reckless spending, endangerment of the military and the abandonment of Americans behind enemy lines, at some point, don't you have to question his allegiance?

Democrats Fake Justice, Part 2

Breaking the law has resulted in no charges, no jail time, no fines, and not even being censored if you're a Democrat. They blame Republicans for all the negative results of their lawbreaking. We have effectively become a one-party dictatorship. The Democrats are now just trying to make it legal. We either stand now or we'll kneel.

Dopers, Doping, and the Dopes in Charge of Our Lives

As American athletes compete for medals in Communist China's Olympics, Drug Enforcement Administration (DEA) administrator Anne Milgram has confirmed what we already know – that Communist China is working with Mexican criminal organizations to flood the United States with deadly drugs, killing tens of thousands of our people.

The Hidden Depths of the Deep State

Trump thought he was the “trustworthy” and devout “Christian” Vice President was more than willing to tell the politically naïve President that Heritage was a conservative think tank who would guide him to constitutionally conservative judges for the Supreme Court.

In Defense of Hungary's

Viktor Orbán

Orbán leads the country's conservative Fidesz Party. He has unabashedly stood up for Christianity and defended strong families—establishing policies that incentivize parents to have children. He has stood against unlimited immigration and open borders. He actually had built an electrified fence along the country's border with Serbia to keep illegals out.

Law Enforcement (or) Gestapo for Hire?

Over the past two years, we have learned that most Americans will do just about anything for money, even if it costs them everything. They'll follow unlawful and unconstitutional orders that threaten their health and safety, lock themselves up, wear worthless masks, take injections without any knowledge of what's in those injections.

The Dramatically Devolving and Changing Face of America

Each day, Joe Biden and Congress import an average of 10,000 legal and illegal third world immigrants into our country. They can't speak English. They lack any educational background. They carry corrosive cultural practices. They

head toward the welfare and food stamp offices of each city where Biden flies them.

The Devil Made Me Do It

All of the problems we face in America are in our minds. That is where all the trouble begins. That is why “mind control” and television “programming” are so essential in this war. Every decision we make begins as a thought. If you can control, or influence, the thoughts of people then it becomes easy to control them.

Is Tucker Carlson More Offensive Than Joe Rogan?

Forget about the foul-mouthed Joe Rogan, the rich former host of “Fear Factor” who, desperate to save his podcast, has collapsed in fear in the face of liberal pressure over his COVID podcasts. More serious is the case of Tucker Carlson, the number one-rated Fox News host, who has been acting indifferent to the fate of 40 million people in Ukraine.

Everything They Touch Is Cursed! Gay Comic Book Bombs!

Most recently, another mainstream media “useful idiot” attacked The Sons of Liberty radio and media outlet with accusations of being hateful, bigoted, conspiratorial and engaged in efforts to undermine democracy (Revelation 12:10).

The VAXXED Are Still UNVAXXED

As for those who are now trapped in the endless injection system, Americans used to be born smart enough to never trust politicians, lawyers, global Marxists and used car salesmen. How did you get so foolish?

Mass Murder by a Medical System that has Lost Its Direction and Soul

The globalist goals were always pointed at a “vaccine,” where billions would funnel into the pockets of Gates, Fauci, and their friends in Big Pharma. Thus, the maligning of repurposed wonder drugs, and the murder of millions was accomplished to fill the coffers of the depopulation enemies of freedom and complete the Great Reset.

Corruption Is A Mechanism By Which Third World Countries Operate

If any politician tries to stop the human trafficking, sex trade or drug trade, they kill them, and/or their family members. Guys like the drug lord Al Chapo kill with impunity. With all the billions of dollars in the hands of the rich and powerful, the average Mexican lacks a 6th grade education. They murder police officers who get into their way.

Nuremberg Code and the COVID-19 “Vaccines”

There are a group of people for whom the phrase “Never Again” has special meaning. We were supposed to have learned our lesson from the Nazis. Lessons about the dangers of rhetoric without evidence, of emotion over reason, of treating groups of people as sub-human. We were supposed to have learned the dangers of unrestrained power and a lack of ethics.

The Origin of Covid-19–Updated, Part 13

As I have written before, the vaccines being used against Covid-19 (which are really gene therapy and not vaccines) have been approved on an experimental basis, and the clinical trials will not even be completed until 2023. Thus, we are just beginning to realize some of the long-term consequences.

Getting Out of ‘Scare-City!’

It's time we get out of “Scare-City” and into the abundance of God's promises. Let our faith be steadfast, let our service be to God alone. Let us boldly speak the truth at every opportunity and may we never comply with evil and lies.

Democrats Fake Justice, Part 1

Trump made the phrase ‘Fake News’ very popular. The more he used the term, the more the fake news proved him right. When the Democrats took control of the House they exposed to Americans that they were the supporters of Fake Justice. We saw that with two impeachments that had no grounds whatsoever.

The Covid Narrative Is Collapsing, but We're Not Out of the Woods!

As for governments, gradually over the past several months one nation after another has seen mass protests: Australia, New Zealand, Austria, France, the Netherlands, Italy, Greece, the Czech Republic, others. Countries such as Denmark are following the U.K. and ending restrictions. Regime Media is trying as hard as it can to ignore all this.

Vaccine Derangement Syndrome (VDS)

It is interesting to note that today in Germany, efforts are being made to nullify this code as it directly reflects the ongoing situation of those who take these "vaccines" without understanding that, like the victims of the Nazis, they, too are participating in medical experimentation!

Canadians Are Better Americans Now

The fact is, if just one trucker hit the road today in California, headed for DC, by the time he arrived in DC, there would be a hundred thousand truckers, farmers, and citizens right behind him. This is what leadership looks like. Do we need some Canadians to come down to start our fight for freedom?

Secure the Vote – Nothing is more important!

Every American needs to know that securing the vote in their local communities is the sine qua non of our having a future as a free nation. AMAC was on target there, but not in their recommendation of a federal government group, born and raised in Congress, as a legitimate election security organization.

Aren't You Tired Of Celebrities Trashing America?

For the past several years, Hollywood and TV celebrities continually trash the United States at every juncture. Ironically, most of them attained millionaire status from

their “make-believe” jobs of acting. Few of them ever picked up a shovel to actually work a real job that makes America viable.

Will Anyone Blow the Trumpet?

Millions have died because of their stand. Millions more will. The current crop of Christian leaders are an affront to the Christ they claim to serve. Our spiritual DNA speaks of the exploits of the unnamed heroes of Hebrews 11, which describes such folks as those “of whom the world was not worthy.”

Christian Communists?

What the Pope didn’t see fit to mention was that this, in Acts 4, was the very first generation of Christians—the foundation of the whole Church, which would soon spread throughout the world. Their mission, far more important than any other consideration, was to establish the Church.

The Ukraine Crisis: Facts

Versus Lies

Is it possible today to get “just the facts” about anything in the Western world? No, because the corporate media is complicit in all the crimes of their global masters of the universe and have become the propaganda arm of disinformation advancing their worldwide globalist agenda.

All Human Differences Are Social Constructs Now

America seems obsessed with “equality” even when it is not possible to achieve that mythical goal. On the other hand, it is quality that has made us what we are— or were! — and therefore quality should always be our goal. When quality is neither actively sought nor actually permitted, the bogus goal of equality becomes its replacement, rearing its fictitious head as the sole means of obtaining an overriding social good.

Secure Borders for Ukraine and America

If we ignore the fate of Ukraine and sacrifice this country to Russia, we will be jeopardizing the future of freedom around the world. This surrender will send a strong message to other enemies as well.

The Victims of Illegal Immigration

And with the Biden administration now overseeing a mass entry of illegal aliens, more and more of your fellow Americans are at risk. Let's bring this ongoing tragedy to an end as soon as possible!
