

The Prism of America's Education

Have you seen the caravan of new democrats on their way to Amerika? They said they are coming because Biden invited them.

How Can One Be Fired from Job He Didn't Have?

The Dem-Communist Party were in their element since they had years ago, nourished this deep desire to destroy The United States of America. The goal of the Communist Party has always been to turn America into a Communist Country. This has been their goal for at least 60 years. Once they "capture" America, they will have the entire world under their control.

The Fight For A Moral America

We never heard any of the policies that Biden supported but now are seeing just how far into the communist mindset the Democrat party has gone. No one can call the Democrat party moral or even for the American people. So far everything they've done is for foreign countries at the cost of the American worker.

The View from Israel on Biden

In a knee-jerk reaction to remove anything linked to Donald Trump, newly elected President Biden took out his pen and reversed several rulings that will negatively impact every American citizen. With a stroke of his pen, Biden cancelled..

To Secede (or) Not to Secede

All three branches of the Federal Government are rogue runaway criminal enterprises of, by and for themselves. By its own actions, the Federal Government has clearly violated pretty much every text, intent and purpose of the Constitution and Bill of Rights and in the USA, unlike 3rd world banana republics, this cannot be allowed to continue.

The UK, Beyond 2020 and Brexit – Does a Light Still Shine?

The Psychological Attack which is being carried out upon the citizens of the UK, is dark, cruel and manipulative. After weeks of a complete lockdown in society, with a one-day

reprieve for good behavior on Christmas Day, and with no hope of a release until Spring; a deep sense of despair is affecting many.

Re: Nullification – State's Rights

Dear Honorable Governor Abbot:

On behalf of the Howard County Texas GOP Club, we are appealing to you to make our legislature aware of certain legal issues. There is an ocean of provable evidence – not just sworn affidavits – the November 2020 election was stolen from President-elect, Donald J. Trump. He never conceded.

More is being compiled and we believe, in the coming months, all of the hard evidence will prove beyond any legal doubt Joe Biden did not win the election. He stole it.

First: Federal Elections end at midnight ON election day. Not three hours or three days later but ON election day. All six contested states were in violation of federal election law. Never before in history: PA, NC, GA, NV, MI and WI all stopped counting votes after midnight. Then the big ballot dumps began.

In the case of Pennsylvania, a key tool for vote fraud, mail-

in ballots, were ordered to be accepted three days after election day – even if the ballot envelope did not have a clear postmark. CNBC: “Republicans, including President Donald Trump’s campaign, have opposed such an extension, arguing that it violates federal law that sets Election Day as the first Tuesday after the first Monday in November.”

Who gave the go-ahead for Pennsylvania to violate federal election law? The U.S. Supreme Court, ignoring their own decision in *Foster v Love* in a 4-4 opinion. As Amy Comey Barrett had not been sworn in yet, Chief Justice John Roberts naturally sided with the three liberals on the bench.

CNBC: “Most states make Election Day the deadline, but 18 states – half of which backed Trump in the 2016 election – have a post-Election Day deadline.” Those 18 states are all in violation of federal election law.

If no candidate has a clear enough lead to decide the election ON election day (that ends at midnight), the election is void. If a candidate has a lead so insurmountable the challenger cannot overcome ON election day, that candidate is the winner. Trump was ahead in Pennsylvania around 10:30 pm by 700,000 votes. No way Biden could close that gap so the steal started.

For a comprehensive explanation, please see:

Elections Undecided by Midnight are Void & Preempted by Federal Law – *Foster v Love* (1997;9-0 Decision)

Second:

3 U.S.C. § 7 Proves Electors Must Be Appointed On Election Day, Not Certification Day. It is a legal analysis by a constitutional attorney.

Usurper Biden began issuing Executive Orders like confetti on January 21, 2021, for which he has no authority to do. Each is an attempt to erase everything Trump accomplished while in office. Enforcement of the Tenth Amendment is critical in stopping the “Biden administration” from shoving their toxic agenda down our throats as well as bulldozing states of the Union.

Let us remember the words of Joseph Story, Associate Justice, U.S. Supreme Court, Commentaries on the Constitution, 1833:

“Another not unimportant consideration is that the powers of the general government will be, and indeed must be, principally employed upon external objects, such as war, peace, negotiations with foreign powers and foreign commerce. In its internal operations it can touch but few objects, except to introduce regulations beneficial to the commerce, intercourse and other relations, between the states, and to lay taxes for the common good.

“The powers of the states, on the other hand, extend to all objects, which, in the ordinary course of affairs, concern the lives, and liberties, and property of the people, and the internal order, improvement and prosperity of the state.”

States of the Union must exercise their plenary authority using nullification. Nullification is steeped in our history and not used enough by states to stop draconian “laws” or “orders” coming out of Washington, DC.

Activist judges are still infesting the federal judiciary and even “conservative” judges put on the bench by Trump betrayed him on numerous occasions. The Democrat Party simply ignores the U.S. Constitution as if it doesn’t exist. Nullification doesn’t require lawsuits, judges nor any action by the federal government.

Of course, Congress doesn’t want either the American people or state reps and senators to know anything about their impotence in forcing states to comply with rancid policies or unconstitutional “laws”.

In September 1993, Hillary Clinton, was pushing hard for a socialist government take-over of the health care system. This memo was leaked:

Memorandum for Walter Zellman from Sallyanne Payton, clearly marked: Preliminary Draft for Official Use Only. Do Not Quote or Release For Any Purpose, page 4, Health Care Task Reform under Hillary Clinton: Please note these sections:

“(b) may the federal government use other actors in the governmental system and the private sector as its agents and give them orders as though they were parts of a prefectorial system? The short answer is “no.” State governments are independent, although subordinated, sovereignties, not subdivisions of the federal government.

“Although the federal government may regulate many of their functions directly [as well, for example, it subjects state water districts to the Clean Water Act], it may not require them to exercise their own governmental powers in a manner dictated by federal law. The states may be encouraged, bribed or threatened into entering into joint federal state programs of various sorts, from unemployment insurance to Medicaid; but they may not be commanded directly to use their own governmental apparatus in the service of federal policy. There is a modest jurisprudence of the Tenth Amendment that seems to

have settled on this proposition. See the DOJ [Dept. of Justice] memorandum for a fuller elaboration.”

Impeaching Biden Depends on 2022

Yet another political sham impeachment trial is scheduled for Feb. 8, 2021. There were no 'High Crimes and Misdemeanors' committed by Donald J. Trump, on Jan. 6, 2021 or any other date. The sole purpose in wasting taxpayer's dollars is to make sure Trump can never run for president again or hold any other federal office.

Conspiracies: Harari and the New York Times, Part 2

"Biden nominates Black supremacist who endorsed anti-Semitic lecturer: Biden taps as head of Department of Justice Civil Rights Division woman who claimed blacks are racially superior, endorsed anti-Semitic professor." The woman is Kristen Clarke and the professor is Tony Martin, the author of THE JEWISH ONSLAUGHT.

Impeach 'Em All

Their current target is Donald Trump, former president and now a private citizen like you or me. If they can convict him of something, anything, then they can ensure he'll never be allowed to run again. So far, so good!

Rude Awakening Before the Great Awakening

Your church is non-essential. The Government suggested that services be cancelled, and the pastors complied. It will be a year next month. Thousands of churches will never open again. Is your pastor in it for the Lord, or for the perks? Look around you. Christianity has become good for nothing when it comes to impacting the culture.

America: Not A Nation of Trespassers

Don't you feel safer today with House Speaker Nancy Pelosi in power? How about Charles Schumer leader of our U.S. Senate? What about the presidency led by Joe Biden? Have they fulfilled their oaths of office to protect all American citizens...in the last 30 to 47 years serving in Washington DC?

No President In History Has Been Treated So Badly

Even today the Democrats seemed determined to crush Trump even more, with the sham of an impeachment trial in the Senate. Some Republicans, who should be on Trump's side are equivocating, or putting their finger in the air to determine which way the political wind is blowing. The two words that come to mind are "political cowards."

Leading The People To Empty Promises: 'Q-Anon' Just Another Psyop

'Q-Anon' is nothing more than an operation of deceivers to lead people into chasing shadows and, of course, that is exactly their end aim, to bring the people that are following them to nothing (Jeremiah 6:16). To date, that is has been exactly the result.

You Have Every Reason to Trust Trump and our Military

Remember also in one of my recent articles that Attorney Sydney Powell found the real election results. They were far from a Biden win or a squeaker. Trump got 410 Electoral College Votes and Biden got 128. There has never been such a landslide victory for a President in the history of the U.S.

Joe Biden's America: Silence Everyone Who is Exposing Our Socialist Agenda

I and many others have written repeatedly about the danger of Joe Biden and Kamala Harris. Joe Biden will do what is expedient for the Democratic Party, according to the new power players and the old power players that support far-left policies. Kamala Harris is nothing more than a prostitute for power, anything goes if Harris achieves and receives what she desires.

The Biden/Harris Treasonous

Marxist Revolution

Get out of your recliners, dump the beer, turn off the sports and start writing and calling every damned one of these evil communists in our local, state and federal government. Don't wait for someone else to lead you, otherwise you may just end up in a reeducation camp like the Uyghurs of China or worse.

Stolen Election: States Must Act Now, Part 2

Usurper and Cheater China Joe didn't waste any time doing the bidding of the shadow government running the criminal element out in DC. The day after his illegal swearing in and inauguration, like a banshee out of Hell, Cheater China Joe signed a slew of Executive Orders.

Senate Republicans Endorse Biden's Deep State Picks

In his column, "Clinton's Brilliant Strategy," Dennis Cuddy suggests that the fate of Donald J. Trump, going out of office under questionable circumstances, is a function of Hillary and Bill Clinton's revenge. He writes, "Bill Clinton and the Democrats correctly believed that with Trump's political inexperience, he could as president easily be 'set up.'"

Curious Feelings About Losing America's Sovereignty

America's new president vowed to open the borders, tear down the existing wall, no deportations for violating our laws, and promises to give amnesty for 25 million people who arrived illegally and without invitation. Along with their children. Without sovereign borders, America is no longer a country.

Trump Did NOT Incite D.C. Riots

Antifa along with BLM with their ears on the tracks, and mined the info that these supporters were coming to D.C. George Soros quickly paid for busses to take them to the Capitol to intermingle with Trump Supporters. They are the one's who came, with weapons, to crash the U.S. Capitol. And they were all paid to do so.

Trump Is Fighting Both

Parties, Part 2

I think that we need a new party to challenge the Republicans. I think many in the present Republican Party would gladly switch and let the gutless wimps remain controlled by the Democrats. There are Republicans that have the guts to stand up for the American people and our Constitution and we need to see this happen if we are to remain free.

Where Do We Go From Here? Part 2

Herbert Marcuse, the most influential Frankfurt School philosopher, invoked race in place of class. Feminists followed with gender-bending. They retained Marxian group-derived consciousness, and identity politics was born. This explains the cultural left's complete indifference to America's working class – too white, too male, and too heterosexual.

It is Far From Over America. We Are Only Just Beginning

All American Patriots keep the faith. For all of you who have been taken in by this massive corruption machine believing

that the Democrats, Biden and the media are here to help you, snap out of it. The very opposite is true.

Conspiracies: Harari and the New York Times, Part 1

Concerning Yuval Noah Harari's NEW YORK TIMES article, "When the World Seems Like One Big Conspiracy" (11/20/20), he believes that global cabal theories, such as Nazism, are inherently false. The main problem with his contention is that he uses the past tense when describing it, and he fails to realize the secret Nazi plan is coming to fulfillment today

Jan. 20, 2021: A Crime Against the American People

More carefully crafted propaganda. Think a farmer in Iowa, a nurse in Cleveland, a construction worker in Boca Raton or accountant in Dallas have even heard of QAnon? Probably six months ago I started getting email – you gotta watch this QAnon report! I did, once. My disinformation detector went on and never bothered wasting what time I have left on this earth listening to 'it'.

Trump Will Dance on the Grave of the GOP

After nominating a man who dresses like a woman for a top health post in his administration, Joseph R. Biden declared in his inauguration speech: "...we must reject a culture in which facts themselves are manipulated and even manufactured." That he/she is Dr. "Rachel" Levine, a man who wears lipstick and a dress and has been Pennsylvania Secretary of Health.

Fake Salt

Do not blame Donald Trump. Look in the mirror. Lack of salt is the residue of cowardice. Some of your friends voted for a baby butcher and you didn't open your mouth and peep. You did not want to offend...or lose friendships.

Are We Living in a Tom Clancy Novel?

But they aren't calling it an Iron Curtain. Globalists have a nicer name for it: The Great Reset. You'll like it, really. It's all for your own good, and owned and operated by The Smartest People in the World. Just obey; and, as Col. Saito said in *The Bridge Over the River Kwai*, "Be happy in your work." Because we'll lock you in the sweat-box if you don't.

If I Became President of the United States: Here's What I Would Do

Our country stands on the edge of a cliff racially, economically, environmentally, sociologically, culturally and linguistically. We also face, along with the rest of the world, the greatest threat to our existence as to "catastrophic climate destabilization."

The Buy Off Of The American People Is Complete

America is at war with itself. It is a nation in distress from within. Representatives of the people have become enemies of the people. The Constitution has been shredded and a nation of laws has morphed into a two-tier legal system; no law for the ruling class and the full force of the law for the rest of us.

Death By Vaccine: The Last Things They Wanted You To Hear! (Video)

With all of the information that is now available concerning who is behind this criminal conspiracy and what is that is in these untested vaccines, you would think that people would be up in arms by now as well as throwing a whole lot of criminal politicians in jail...

Sydney Powell has found the actual results of the Presidential Election

Justice must be done to continue to have a free Republic and free elections. America and President Trump cannot concede or look the other way. America will be destroyed if he doesn't fight and make things right. Trump promised to drain the swamp. Now let him. Only then can we get on with the business of the country. Go Trump. We are proud of you and are blown away by your courage. You are our President!

Rest in Peace GOP

That was demonstrated in the Georgia special Senate elections. John Gizzi, a veteran political reporter now with Newsmax, cites two reasons for the GOP defeats. First, Georgia's Republican establishment, led by Gov. Brian Kemp, didn't fight for President Donald Trump in his recount efforts.

The Consolidation of the One-Party Dictatorship

But the pro-China slant is not just evident in what former CIA people say and do. Trump's Director of National Intelligence John Ratcliffe has now confirmed that intelligence about China's 2020 election interference was suppressed by current top CIA officials.

Blacks Are Superior to Whites: Said Head of Biden's Civil Rights Division—Kristen Clarke

Joe "Post Turtle" Biden named African-American Kristen Clarke to head the Civil Rights Division of the United States once he becomes president. She said in an interview that her job was

simple: "End hate!" There's only one problem: she's an out and out purveyor of racism.

Where Do We Go From Here? Part 1

Prepare yourself to get into the right mindset. What I mean cannot be explained except in a full article, but you have to prepare to separate yourself psychologically, politically-economically, and spiritually, from the larger society as it lurches leftward. Get right with God. Abandon secularism, which did much to get us into this mess. You're part of the way to where you need to be already if you've read this far.

Censorship in America: A historical Perspective

In today's age of information, more people get their news from the Internet than from newspapers/periodicals. The situation becomes even more acute given the anonymity of the Internet executives and their algorithm writers. This concentrates enormous power in the hands of big tech, who use censorship as a means to advance an ideological and political agenda.

OPEN Letter to the President

So, I ask and plead with you to NOT surrender all of us and the future of freedom and liberty. I know that you have the evidence to take down most if not all evildoers in our country. I can see that you have positioned to do that as peacefully and safely as possible. The hour has arrived when you must make the most difficult decision of your life...Yet...is there really any choice in the matter?

Trump has Affidavit and Bold Proof From the Italian Supreme Court Stating the Election was Stolen From Trump

A treasonous coup was attempted, funded, planned here and abroad to take down our Patriot and honorable President Donald Trump. This is after the leftist organizers and controllers saw a massive win in the making. However, God, America and Trump weren't going to have it and weren't planning to eat the cow dung the leftist, treason brigade were forcing upon us all.

TIMELINE: The 2016 Presidential Campaign Until Now

So what is in store for us? ABC's political director Rick Klein on January 7 originally wrote in a manner that sounded like a Nazi: "The fact is that getting rid of Trump is the easy part. Cleansing the movement he commands is going to be something else." Meanwhile, Speaker of the House Nancy Pelosi is going to start pushing her "wish list"

Massive Tech and Corporate Censorship: Bite Back

Americans for at least the last decade have been demanding Congress reign in the big tech monopolies. They've done nothing but hold committee meetings that have been little more than spitting contests while those billionaires continued killing off any competition. To date they've done nothing to gut Section 230 of the Communications Decency Act which is a joke, giving all of them a green light...

Who Knew About and Planned

the “Insurrection?”

Investigative journalist John Solomon also offers evidence of a planned attack. Hence, it was not a spontaneous riot emanating from Trump’s speech. Such a charge, still popular in the dishonest mainstream media, was bogus in the first place, since Trump had called on his supporters to march to the Capitol peacefully and patriotically.

Did Mike Pence Had the Authority to Decide the Election in Favor of Trump?

That being said, Trump was and is wrong in what he said and how he treated Mike Pence, I will NOT recant on that. For the sake of our country, people ought to be glad that Pence had the character (in this case) to say he did not have the authority to decide, because as I exhaustively pointed out here via the Constitution and the Electoral Count Act – he did not.

America Is No Longer the Land of the Free

Authorities had already closed down churches, in the name of

virus protection, before Big Government's Big Tech allies began a crackdown on free speech. This will only have further disastrous consequences. President Trump won't be able to stop the unrest.

The Castration of the Christian Male

I am not considered a "fan" of Pastors. Most of them are weenies. For the most part they are the ones who are responsible for the mess that America is in today. In a time when America most needed wartime pastors America's pulpits are filled with skinny-jeaned charlatans who have sucked out of the men what little testosterone remained...

The Big Lie Takes Form

resident Donald Trump incited a riot at the Capitol. The riots incited by the Democrats for the past four years don't count. Those riots included several invasions of the Capitol, by leftists—remember Code Pink barging in on Congress? But that was okay. Also okay was the spectacle of a leftist mob pounding on the doors to disrupt Brett Kavanaugh's swearing-in as a Supreme Court justice.

To All The Frustrated Step-Fathers In America

As a stepfather, I know and understand the trials and tribulations of stepping into an “already created” family by another man. It’s a landmine waiting to be stepped-on by unsuspecting single males.

Now You Can Watch Democrats Systematically Dismantle America

Ladies and gentlemen, you have already discovered that your conservative vote doesn’t count, either because of fraud, or majority Democrat votes. You either fight back with concrete actions or accept the inevitable slavery and the hostile dismantling of our Constitutional Republic.

Dr. Martin: They Are “Using The Word Vaccine To Sneak This Under Public Health

Exemptions” – This Is NOT A Vaccine!

Recently, a friend of mine took the time to send a program called “Focus on Fauci” in which they present a short expose on the long history of repeat criminal Anthony Fauci

Trump Will Go After Those Who Have Committed Treason Against the American People

None of the big boy politicians and leftist media have any place to hide. Trump and the military have all the proof of their crimes now. This includes, flights, bank accounts, meetings, emails, phone calls, laptops full of info on the election plot, players, witnesses, whistle blowers and machines.

Immigration and China’s Threat to Our Sovereignty

But as they stood on the shore in the shadow of the Statue of Liberty, the trouble for these scared, desperate, cold, hungry refugees had just begun. One might wonder which was worse – the tyranny they fled in China, or the brutally impersonal,

tortuous manipulation of the American bureaucracy and the betrayal of an American president they were about to face.

Tinfoil Hat Theory from January 6

If this tinhat conspiracy theory is a possibility, POTUS will need the Congress to go ahead and certify the fraudulent election so he can act. Which did indeed happen, setting the stage for the prophesied Storm against the enemies of our Republic.

Fact Checkers Should Investigate the Murder of Ashli Babbitt

I sent these “fact checkers” my own video interview of a person who was at the rally and saw Antifa-like people with skeleton masks and smelled the dope they were smoking. Antonio Chaves told me what he saw and encountered at the rally. These people didn't seem to be Trump supporters. He saw a member of Antifa trying to break a window and Trump supporters trying to stop him.

Are the Democrats Going to Turn America Into A Banana Republic?

The Reds were waiting for the right moment. As soon as they heard that President Trump was bringing many supporters to the Nation's Capitol, they immediately made plans to have their own people there to infiltrate, turning those peaceful persons into a violent mob and to turn Trump's support gathering into a riot.

Never Give Up!

I will be one of those that stands. We have to walk by faith and not by sight. God told the prophets Trump will win. I stand with them. God always works with the remnant. Be part of the remnant and never give up!

Pearl-Clutchers on Parade

Because, as the esteemed Daniel Greenfield points out, Democrats heartily approve of violent acting-out riots —as long as they support Democrat ideology! In 2018, he reminds

us, there were “glowing stories” about the hundreds of Women’s March members who were engaging in “direct action” to disrupt the Senate’s Kavanaugh hearings. They blocked hallways, shouted down Senate members, and draped protest banners from balconies. Democrats cheered them on.

Is America a Christian nation? Or, is it a nation of churches?

There is a big difference, you know. A Christian may go to church or may not but his or her primary spiritual purpose is to become a disciple of Jesus Christ. A lot of people go to church to be parishioners, not disciples. They want to feel good about themselves and to look good to others. We have a lot of politicians and journalists who fall into that last category.

Gutless Republican says Trump Must be Removed From Office Immediately, Chuck Schumer

Cheers

The problem I have with this is that I personally don't believe Trump supporters are the guilty parties here. More like ANTIFA infiltrators and other wild and violent Democrat supporters seeking to make Trump and his supporters look bad. Trump supporters (as a rule) do not act like this, they never have.

A Lesson From Constitutional Minnesotans Defying Their Governor

Thankfully, the Founders of America were well studied in God's Word, which describes man's sinful nature and just how dark and deceitful his heart can be. And we should thank Almighty God that they incorporated this truth into our constitutions and our legal system.

2020 The Rule of Fraud and Corruption

But, both Democrats and Republicans in power, support fraud and corruption. As a result of the 2020 elections, socialists running the Democrat Party will seize total control of our

federal government, both chambers of Congress, the Oval Office, the courts, and every federal agency. Republicans are the walking dead in DC

Clinton's Brilliant Strategy

This Democrat control will allow President Biden to implement his "New World Order" that he called for in the Senate on January 13, 1993. And this will help achieve a World Federal Government wished for by President Clinton in a June 22, 1993 letter signed by him and which I have!

According to Federal Law and the Constitution – Trump is the Clear Winner by Default

It is time for massive arrests with Trump and the military taking charge. Let Biden, the media and Democrats continue calling Trump names – Dictator, Hitler, Coward and poor loser. America knows who Trump really is – Patriot, American, Constitution and God lover.

U.S. Capitol Police Murder Trump Supporter

Tucker Carlson asked people to consider why Ashli Babbitt went to the rally in the first place. He noted, “She bore no resemblance to the angry children we have seen wrecking our cities in recent months – pasty, entitled nihilists dressed in black, setting fires and spray-painting slogans on statues. She looked pretty much like everyone else. So why was she there?”

If They Can Do It to Us, They Can Do It to You

Do I know what to do about it? No, I don't. We've never dealt with such a colossal crime before. We are asked to submit to a government that has no right to be there. I can only pray that we will not.

America's Difficult Path Into 2021

As of last night's results in Georgia, the democratic party will now be able to run roughshod over the other half of our country's citizens. It's a clean sweep of power, money and

influence. The mainstream media made it possible along with the CIA, FBI and corruption of the Deep State that pulls all the levers of power.

Can an Entire Society Be Gaslighted?

In a nutshell, it is the process of manipulating a person through mind games of various sorts to gain power over them by making their question their perception of reality and eventually their sanity. Gaslighting can be used by bullies, abusers, and cult leaders. The term originated with the 1944 film *Gaslight*, in which a man does this to his wife.

Nothing Will Stop the Socialists Short of A Massive Conservative Uprising

For those of you whose heart still beats strong for individual freedom, we urge you to review this challenge and determine for yourself if you have the courage to back it up. If you intend to sit on the sidelines in this fight, it won't be long before you get what you deserve.

Major Victory Happens When Americans Fight The Good Fight Of Faith Against Tyranny? They Win!

We hear in the American Church today the much-repeated Scripture found in 1 Timothy 6:12: "Fight the good fight of faith." Yet, how few actually practice what the Word preaches?

Secret Nazi Plan Fulfillment

Before the terrorist attacks of 9/11, Americans greatly valued their freedom. However, the afternoon of the attacks, ABC News/Washington Post released survey results showing two-thirds of Americans would be willing to sacrifice some freedoms for peace and security! Government controls concerning air travel went so far as to require the inspection of elderly women's shoes before they could board a commercial airliner!

President Trump – The Lion Must Triumph to Save the Republic!

We have been told by the mainstream media, big tech, the Democrats, and spineless RINO Republicans that Joe Biden is the president elect, certified by the electoral college. The msm, big tech, et al., do not choose the president of the United States, We The People do, that is, if the United States is indeed going to remain a republic.

The Problems Biden-Harris and Their Congress Won't Solve In 2021

We elect our presidents and Congresses to fix, repair and solve our national problems. As we enter 2021, however, we will discover that they won't solve any of our major problems in the next 52 weeks. Why is that? Answer: they didn't solve those problems in the past 52 weeks.

What the Constitution

REQUIRES Congress to Do on January 6, 2021

Just as the cowards in Germany went along with Hitler; cowards in America are going along with the Left's brazen theft of the recent election. Countries are destroyed by such cowards; and that may be the reason Revelation 21:8 lists cowards as the first to be thrown into the Lake of Fire: Tyrants couldn't get to first base without the acquiescence of cowards.

Defeating the New World Order

This is the danger we face today, as many American struggle to understand how the communists waged war so easily within our borders, taking over major institutions, even the churches, as Americans intelligence agencies staged a coup against Trump.

No Arrests Means NO Crimes

According to democrat politicians, judges, lawyers, and the news media, "there was no election fraud in 2020." This claim is made entirely on the basis that no court in the country has agreed to review any evidence of the fraud in their courtrooms. Every court has taken the Sergeant Shultz "I see nothing, I hear nothing, I know nothing" position...

Trump Is Fighting Both Parties, Part 1

It is easy to see that President Trump will have a battle on his hands over the next four years. I believe that he will be sworn in on January 20th but the Republicans are doing their best to turn the reigns over to the traitors to America which will ensure that a Republican never again sits in the highest office in the land.

The Treasonous Reasons Behind the Theft of Our 2020 Election

At the very outset, this so-called crisis resulted in the excuse for rule changes allowing mail-in ballots. This resulted in an untold number of fraudulent ballots being collected and submitted into the vote tallying process at various locations and intervals as needed to overturn the Trump landslide.

The Death Toll from Drugs in America

Attorney General Bill Barr, who didn't detect voting fraud during the election and suppressed news of investigations of Hunter Biden during the campaign, has failed to enforce federal marijuana laws. He was a disgrace and bears some of the blame for allowing this poison to spread across America.
